Transportation can be arranged through Carnival and does not need to be done before next year. Manny suggests looking at air fare about 10 months out from the cruise.

The airlines that Carnival uses are Delta, American and United. They also have a shuttle service to and from the airport to the Cruise Ship. The cost for the shuttle would be around \$63.00 - \$67.00 per person for round trip depending on the airport you choose.

**Our final payment will not be due until June, 2021 so we have lots of time to save up!**

The port address in New York City is 711-12<sup>th</sup>, New York, New York. So we will be cruising down the Hudson River past the Statue of Liberty & Ellis Island.

We are looking forward to another wonderful cruise together.
