

## Square Dancing Opportunity Announcement

If you have tried square dancing before but dropped out or are new to it, please read on. This time, we will be using the Social Square Dancing program. It is a new, but easy program, designed for busy people. Calls are simplified, with the goal to just have fun. There are fewer calls to learn. Once you learn those calls, you are done. We just dance. New dancers can start anytime throughout the year. You don't arrive in Highlands County until November? Start when you get here. If you need to take a cruise, do it. New classes will start multiple times during the year. This system does not require a long term commitment.

-----

Square dancing in Highlands County will start:

**Tuesday September 21, from 7 pm to 9 pm**

First Christian Church  
510 Poinsettia Ave  
Sebring, FL

\$6 per student

Ages: youth thru adults.

This is a 12 to 15 week program to learn. That's it. In addition to the Sebring location, you will have a choice to dance afternoons in Avon Park on a different day of the week, once it gets organized. Starting in January, there will be a third opportunity on Wednesday afternoons in Wachula. Dance at one or dance at all three.

-----

Square dancing is a good way to meet new people and make long lasting friends. Spread the word to your friends, neighbors, co-workers, and family.
