Sympathies

We have received the below message from Judy Barnhill regarding Caller **Homer Magnet**.

"Homer is worse, he now has pneumonia and his heart is in AFIB. They moved him to the hospice center. All they want is to keep him comfortable. Sue thanks everybody for making Homer's winter a wonderful memory with all the wonderful folks that they love."

If you would like to send cards, his address is 156 White Gravel Road, Minford, Ohio 45653.

Homer is a seasonal caller in southwest Florida. He calls for Horizon Village in Ft. Myers, and Maple Leaf Squares in Port Charlotte.
