## Photos

Continuing with photos from our trip to Greece and France, trip we took in the spring of 2010. This week photos of our visit to Villeneuve-lès-Avignon, showing Fort St André, the Philippe le Bel tower and the surroundings.

In the 6th century the Benedictine abbey of St André was founded on Mount Andaon, and the village which grew up round it took its name. The city itself was founded by Philippe le Bel and boasts a castle he built, Fort St André.

The town was also the resort of the French cardinals during the sojourn of the popes at Avignon, in the 14th century. Another notable tourist attraction is the Tour Philippe le Bel, which marks the former northern terminus of the Pont d'Avignon..
