President's Message

Florida Callers Association

• SQUARE DANCING IS FUN •

During square dance festivals, conventions and jamborees I have observed several breaches of common courtesies—everything from pushing and shoving when going through doors and going down stairs, to downright rudeness, including verbal abuse of which I have been a recipient.

Most of us learned, during our childhood upbringing, the social courtesies and graces. Sometimes the hard way, by way of a paddling! But it seems over a period of years that a lot of the common courtesies are either forgotten, misplaced or ignored. Whether it is partly because of the environment we live in at the moment is unknown. Have you ever noticed how courteous people can be—until they get behind the wheel of a vehicle?! Then there are those people who are just plain nasty, even face to face, and with complete strangers!!

Personally, I like to smile. Most people are lazy by nature and it is a known fact that a smile takes less effort than a frown. Besides that, it is contagious!! If nothing else, it will make folks wonder what you've been up to!

Try being courteous, not just in a square. Use the common courtesies you were taught long ago (or maybe not so long ago). You'll be surprised how good it makes you feel! Square Dancing is fun. Don't detract from that fact by being discourteous.

Squarely,

Bob Bland

FLORIDA FEDERATION of SQUARE DANCERS

PRESIDENT'S MESSAGE

Greetings to all you great Florida dancers. 1984 is only two months old, but your Federation delegates have already been hard at work on plans for the year. The State Convention in

Lakeland promises to be spectacular. We have seen the committee with their citrus trimmed white outfits at many dances. If you have made your reservations, be sure to wear your dangle (ticket) to all dances. If you have not, be sure to do so soon. May is not far off.

The fifth annual Working Weekend for the Florida Federation was held in Orlando January 21-22. This two day meeting was instituted by then President Joe Vaccari, so that there would be a time when committees could set up goals and plan for the coming year as well as conduct necessary business of the Federation.

One extremely important step was taken at the 1984 weekend. A permanent Florida outfit designed by Alma Scott was selected. This outfit will be worn at the Parade of States at future national conventions beginning with the Baltimore Convention in June. By wearing this outfit, Florida square dancers will not only show their strength to the rest of the country but will create an eye-appealing picture in that parade.

Our Florida dress will also be worn at the State Convention on Friday night and at other dances where it may be appropriate.

In the Centerfold of this issue you will find pictures and information on how to make these outfits. In addition, all association presidents have the information and will be glad to give it to you.

The outfits are most attractive but are simple to make and reasonably priced. It is our hope that many dancers in Florida will elect to make and wear these outfits at the upcoming conventions and in the years to come.

In the January message, we left the status of the bill to make square dancing our National Folk Dance somewhat up in the air. Frank Habersberger, who is chairman of the committee following this action, advises us that the bill is now in the House of Representatives Post Office and Civil Service Committee and is eligible to be placed on the house floor when that committee moves favorably. Since the Senate has twice passed the bill unanimously, we believe there will be no difficulty there. By the end of the congressional session we hope to be able to tell you that square dancing is, indeed, the permanent National Folk Dance.

Sincerely,

Conrad & Belle Bishop

FLORIDA ASSOCIATION, NATIONAL SQUARE DANCE CAMPER

Everything is go for the annual Camp-O-Ree of the National Square Dance Campers, Florida Association, to be held at Eustis.

Bill and Dot Storey, Camp-O-Ree chairman, reported that the campground has been sold, but the new owners will honor our contract for this year.

The committees are planning a big weekend, October 26, 27 and 28th with the Camper Dancer Callers and Cuers providing the dancing pleasure, the

Saturday night dinner, Sunday breakfast, Fashion show, arts and crafts, and much, much more.

It was announced that a new chapter has been started in the Lakeland-Winter Haven area by Jim and Pat Peardon. They have secured Roger Chapman as their caller and everyone welcomed the new chapter and caller.

The next meeting of the Florida Association will be held during the State Convention in May.

We've enjoyed meeting and greeting many visiting dancers while they enjoyed our Florida weather. Talking and dancing with them and checking out the different and interesting badges from a variety of towns and states adds to the pleasure of square dancing. We welcome all Plus dancers.

CENTRAL

We are looking forward to our first Annual Spring Fling, co-sponsored by the Central Florida Callers Association, to take place about the time this issue of **BOW & SWING** will be mailed.

We added a special attraction to this event: In an adjacent hall, all the class dancers in the area will have a chance to participate also, dancing to a variety of callers from the Central Florida area. We are grateful to Perry Barnes (Rockin Rhythms-Listening Post), who is coming up here to sound the hall and provide sound equipment for the class level portion. We trust this will be the beginning of an ever-growing yearly event for our area. If you didn't get to come this year, we'll look for you next year. We are already looking for a larger hall.

'84 CONVENTION NEWS

Northeast Square & Round Dance Assn. - Host

During the month of January, Frances and I have been doing what we really want to do about promoting the '84 Convention. We went to Cocoa and carried a square of the Convention Committee with us. A nice surprise about this trip was that the Lone Star Swingers of Jacksonville picked this dance to attend as a Mystery Trip. They had 56 dancers there. In all there were over 30 squares in

attendance. We met lots of people, and sold some dangles and buttons.

The following weekend we spent in Orlando for the Federation Working Weekend and danced at the Ben White Raceway. We left Sunday afternoon, came by Titusville and danced with the Sundancers. Sold more dangles and buttons to them and had a fine time.

In the next few weeks we will be going to the Sunshine Festival in Lakeland, Spring Fling in DeLand, Crystal River Dance, TASARDA in Tallahassee, and Hallendale in the Southeast area. We plan to have a square come with us. Look forward to seeing all of you then.

The sale of dangles has picked up in the month of January. The price of dangles is now \$9.50 per person until April 30th. Register early and save \$1.00. After April 30th the price will become \$10.50 per person.

We plan to meet Doris and George Krevo in Lakeland on February 3rd and look at the Lake Mirror and Hibiscus halls that the cloggers are going to use. Doris is doing a super job of planning this portion of our convention. Cloggers—register early and please remember to indicate on the registration card that you are a clogger.

Frank & Frances Smith

VILLA CURLI Q's

TAMPA . . . We are all lined up for a full year of fun for all. There will be three pot luck dinners and all our friends are invited to come and eat with us - just bring a dish of food and your silver. We are sure to have fun and lots of good food.

March 17th is our St. Patrick's Day Dance, so be sure to come celebrate with us.

Ruth Phillip had eye surgery and is doing great. She thanks everyone for their cards, prayers and calls. Hope to see all of you soon.

Emma Ketcham

ARCADIA SQUARES

ARCADIA . . . On March 1 and all subsequent Thursdays at 7:30 PM, we will be dancing at Everett & Jennie Martin's new *Palace Dance Hall*. The new hall is located on the west side of Highway 17, two miles north of the center of town. It will accommodate not only this club, but two other square dance clubs, a square

dance shop, and eventually special square and round dance activities.

On January 28th the destination of Grace Livingston's Mystery Trip turned out to be Maitland, where about 80 people danced with the Whirl & Twirl Club. A few new Knotheads were created.

Wheatley & Buckbee

BUTTONS & BOWS

MULBERRY . . . We all thank Calvin & Pauline Whitaker for a great time at the Showboat. This month we are looking forward to our super talented members Western Show at the Womans Club. Claude & Louise Moore have arranged for a marvelous buffet after the show.

Please come and dance with us this month. Our refreshments are plentiful and tasty, and our members are warm and *friendly*! Come see us.

STILL MORE FEEDBACK

ON SINGLE WOMEN DANCERS

Here are a few more letters in reply to the Editorial in the November issue of *BOW & SWING*. Both are from men.

Letter #1

"I have been reading your article on the Single problem and responses. I do not believe that the responses solve the problem, only create more or go around it. The problems and my feelings are as follows:

1. I do not believe the single girls come to dance with each other. Due to male shortages they are forced to in order to have some fun.
2. I enjoy seeing the girls in their beautiful dresses and feel they should be allowed to dress as they please.
3. I do not believe in marking, or otherwise identifying persons unless they want to be.
4. It has been said that twelve "yellow rocks a day are needed for maintenance of the physical and mental person. Sometimes, when I have been down a good hug has made my day; but the same old sex does nothing for me.

"My solution is as follows:

"As persons come in to register for the dance:

1. Make partners get one blue numbered badge.
2. Single girls get one numbered pink badge for each tip of the evening, less one.
3. At the beginning of the first tip, all boys drop their badges into a hat and all single girls drop one of their badges into a bonnet.
4. During the first tip, all single boys draw a pink badge and that is their partner for the evening.
5. All single girls draw a blue badge for each tip, less two, for the evening.
6. At the beginning of each tip, single girls turn in their badge to caller who will call out number and that will be her partner for that tip.
7. Last tip and first are reserved for partners.

"This system will assure that no single sits out more than two tips, and no partner sits out more than one tip unless they wish. Shy singles will be involved with minimum involvement on their part. Increases club income.

"If one partner refuses to give up their partner, then do not give them a badge.

"I have tried the bar scene, churches, singles clubs, and friend referrals, and did not find an enjoyable time.

"Let's keep square dancing good clean fun for all - single, couples and families. Get your kids involved also. I always enjoy squares with kids and find them very good dancers."

Bob

Letter #2

"I would like to make a few comments about singles in Square dancing. For as long as I can remember, Ladies (girls) have danced together, because the men were too tired or would rather play poker.

"Some men should be reminded that in some societies today, Scotland, Greece, Albania, Africa, it is the men who do the dancing.

"The Scots in particular lost none of Charisma, indeed in one war the Kilted (skirted) Scotsmen were known as the "Ladies from Hell".

"Our club welcomes singles to our classes and dances and most men in the club dance with the single girls that attend. We have contacted mens clubs, Lions, Elks, etc., trying to reach more single men.

"I have danced in many squares where a girl danced the man's part, and in one club in New York I frequently was the only man in the square and all the women were in square dance attire. I had a ball, and the girls seemed to be happy to have a man in the square. We had no difficulty because everyone knew what to do, and where to go."

TIPS FOR NEWER CALLERS

Les Gotcher - Zephyrhills

WORKING THE OLDIES

Recently, in an issue of *Sets In Order*, I read an article stating that a couple of callers in the Los Angeles area had started doing a dance where they use the old dances of some 25 to 35 years ago - no Star Thru's, no Square Thru's, or Swing Thru's or Spin the Tops. Nothing but the oldies, and the dancers seem to be loving it. It seems that they are doing the old Birdie in the cage, Texas Star, Take a Little Peek, Dive for the Oyster, Sally Gooden, Chase the Rabbit, Chase the Squirrel, and many other oldies.

The two Callers doing this dance I knew many years ago. We called in that area in the 40's. They are Ray Orme and Fenton "Jonesy" Jones. They tell dancers that they are not trying to tell them to go back 30 to 40 years, they are only selling them on the fact that Square Dancing was fun-filled in those days and should be kept so.

The entire evening is filled with things from the past. Singing calls are Night Train to Memphis, Comin' Round the Mountain, Crawdad Song, Marching Thru Georgia, Hot Time in the Old Town Tonight, and many others that were big hits at that time. Their rounds and mixers are; White Silver Sands, Jiffy Mixer, Oh Johnny, Patty Cake Polka, I Miss My Swiss, Lili Marlene, Waltz of the Bells, All American Promenade, and others, of course.

They state that even the most advanced of the contemporary dancers of today need to have a quick walk-thru, just a brief check before starting and they get right into it and all seem to have a great time enjoying those

older dances that we had so much fun with then.

I should point out to you that those were the only dances we had at the time and almost every dancer in the area knew them.

The dances each had a name, not a basic, but a name, and many, many times dancers would come up to the caller and request a certain dance, the same as someone would go up to a singer and ask for a certain song. The dancers knew the dances as well as the Caller in many cases, but they enjoyed them just the same—the fun being in enjoying the other dancers, and dancing smoothly, and having time to "SMILE".

In my groups I always teach them some of the old timers, and show them how we did them at that time. The dancers ask again and again for me to repeat some of the oldies, which I am always happy to do. Not a full evening of them but I throw in a few just for variety. This month I'll throw in an oldie. You might want to try it out on your group and see how they like it.

CHASE THE RABBIT, CHASE THE SQUIRREL

This dance came out during the time of "Single visiting" dances, meaning that the #1 couple would go out to their right and work with couple #2, then leave them and work with couple #3, then on to couple #4, then back home and everyone would swing,

RECORD BREAKING SUNSHINE FESTIVAL

They came from as far away as Nova Scotia to gather at the 9th Annual Florida Sunshine Festival which was held at the Lakeland Civic Center on February 2, 3, and 4.

Over 2,700 enthusiastic dancers enjoyed the superb performances of our staff callers and round dance leaders.

This year's fashion show spotlighted festival, convention, and holiday attire.

We would like to thank the Mandels, Frank DuBois, and Joyce Stewart for an outstanding job on the round dance guest staff.

Wayne and Barbara Blackford will be returning to our round dance guest staff in

1985.

The C-1 level dancer will be happy to hear that the staff has re-evaluated the program for 1985, and decided that C-1 dancing will be included.

Thanks to all of the fine dancers who helped make our festival such a tremendous success.

Don't forget to mark your calendar for next year's festival which will be held on January 31, February 1 and 2. We'll be celebrating our 10th anniversary, so you can be sure it will be a very special event. Hope you'll join in our celebration.

PAIR-A-DICE SQUARES

DUNEDIN . . . The winter season is still in full swing and our Saturday night A2 fun dances continue to attract a large number of happy square and round dancers. A small group of us have been demonstrating our dances at nursing centers for the elderly.

We were saddened to hear that one of our charter members, Marie Tomchick had passed away. We send our condolences to John and their family.

Clarence & Lydia Martin

SHIPMATES

EDGEWATER . . . At our last dance, Mo and Gentleman John Barrett introduced our new club outfits. The unique nautical style was designed by our own Onnie Barrett. We'll be ready to show our colors at convention.

Come dance with us and help us salty dogs "set sail" with all our winter visitors, whom we're enjoying.

Is your club listed in the "Where to Dance" section of BOW & SWING. If not - why not? Many out-of-state dancers and travelers within the state depend on reading this section to help them decide where to stay and where to dance.

The "Winter Whirl" was such a success that Tony Oxendine will be back next year for our Second Annual "Winter Whirl", the last Sunday in January, '85.

The group has decided to have club outfits and a committee is working very hard checking on dresses and shirts which club members may buy and they will wear them at club sponsored events and also when performing. They hope to have samples to choose from at the next business meeting on March 12th.

April 17th is our St. Patrick's Day dance and we hope everyone will come and wear green, if only a green ribbon, or you are going to be fined by our Sheriff. We are going to do something special with whatever money we collect for fines. This is a fun thing . . .

Square dancing is so much fun. If you are up tight about something when you come — well, in a very few minutes after you get there all of that will be forgotten and you will be in for a wonderful evening.

DANCING NOTES

ABOUT ADVANCED DANCING

In case you are interested, I have just compiled a list of 72 clubs that my wife and/or I have danced at, mostly together. We have danced in several states, Canada, Australia, New Zealand, and with our own group in several Oriental countries. I have autographs of over two hundred callers. We angel basics and mainstream and like to dance at the plus level.

A-1 clubs turn us off because they are not very helpful. We have had six months of A-1 workshops, so we are not exactly novices at this level.

We would like to stay abreast of A-1 because a lot of plus dances include some A-1 calls, but we have more fun and find friendlier people in the A-1 workshops rather than the unfriendly people in the A-1 clubs.

A-1 dancers don't help very much. They also get angry when somebody goofs.

Square Dancing is supposed to be a fun dance, but when you get angry with other dancers, it is time to quit and find another type of amusement. The above includes callers also.

EYES & EARS OF SQUARE DANCING

When we went for square dance lessons, our teacher kept saying, "You must pay strict attention to what I am saying. You must listen".

For many of us this was a whole new learning experience. Many of our friends couldn't cope with this and dropped out. For those of us who persevered, it was well worth the extra effort we put into our learning. Gradually we all learned how to listen. I don't think any of us have every gotten through a whole night of dancing without some error being made. The trick is not to stop dancing but to keep moving and hopefully pick up on the next call.

Another very important thing is to keep smiling and not get up-tight. We remember one dance we attended where the first tip was a disaster. More than half the hall kept breaking down. Was it possible that we all

weren't listening or was the caller not calling to the level of the club? Possibly both things were true. It was amazing to see how the caller handled the problem. He walked us through some of the calls that were giving us problems. He kept encouraging us.

Something wonderful happened. The rest of the dance was pure joy—not many mistakes—and a good time was had by all.

God gave us ears to hear with and eyes to see with. If both are used properly, every dance we attend will be a fun dance.

Hank & Doris Krause

YOU KNOW YOU'VE BEEN SQUARE DANCING TOO MUCH

WHEN: before going to bed at night, you do sa do the dog and put out your spouse.

WHEN: the caller starts to sound like your mother-in-law.

WHEN: your wife wears square dance shoes to bed.

WHEN: you make plans to be buried with your club badge on.

WHEN: all you have to look forward to is a hot foot bath.

WHEN: you call Caller Lab on Mother's Day.

WHEN: they call "Peel the Top" and you blush.

WHEN: you can't go around the left hand lady like you used to.

WHEN: you are cited for doing a "Veer Left," "Wheel Around" and "Chase Right" on the Freeway.

WHEN: everyone in your square has a spear and a shield.

WHEN: you open your closet door and you are buried in an avalanche of petticoats.

WHEN: the last time you attended a three-day square dance festival, you came back in a body cast.

WHEN: squaring up, instead of shaking your hand, they pinch your cheeks.

WHEN: you hire an interior decorator and insist on an entire living room wall panelled with your dance badges.

SURPRISE CELEBRATION

A group of approximately 400 square dancers surprised George and Marge Jabbusch on the silver anniversary of his calling square dancing. It was also George's sixtieth birthday.

George and Marge are formerly from Ohio and now reside in Bradenton, Florida.

The party was held at the Sarasota Mobile Home Park in Sarasota, Florida. It was planned by a group of square dancers and relatives.

Square dancers, friends, and relatives

attended from many states and Canada. Two of George and Marge's daughters were able to attend. His brother, sister-in-law and sister from Ohio were there. One of his sisters and brother-in-law who reside in Ohio and Florida were there. Marge's mother from Missouri also enjoyed the party. There were also friends there who hadn't danced in over twenty years.

It was a gala celebration - to be sure.

... 1984 got off to a good start. On January 6th, the Edgewater Shipmates stole our banner and Daytona Beach Dixie Squares retrieved their banner. . . Roger & Charlotte Davis continue to be busy with club festivities. Our Christmas dinner/dance was a big success and the Valentine's Dance should prove to be a special occasion. . . Presidents Harvey & Ella Shriver have introduced a new idea for the club with a "Hard Times Party" planned for April to coincide with our Income Tax Blues.

NEPTUNE BEACH . . . Have you ever thought, "Heck, I can do what he's doing!" or "Boy, I'd like to try my hand at calling!" Well for 14 square dancers it was a dream come true on November 29th, at our "Amateur Night". After several evenings and a long Sunday afternoon of practice at Paul & Nita Walker's home, the amateur callers did their thing (and did it well), and a hall full of dancers had a fun-filled evening. Joe Bracewell has put in his request to be amongst the callers for "Amateur Night, 1984" after seeing all the fun the amateurs were having.

Make plans to attend the 2nd Annual Beach Bash at the Flag Pavillion at Jacksonville Beach April 28th.

GRAMADA SQUARES

ORMOND BEACH . . . Our annual Christmas Potluck was especially well attended by a large group of members, guests and class members. Adding to the festive foods were the beautiful decorations which Bill & Avis Miller's committee contributed to add joy to the occasion. Laughing at skits, playing goofy games, drawing for door prizes and a really gorgeous cake baked by class member Elizabeth Wesse gave a special flavor to our holiday dinner. That "Perfect Man", J. Byrnes, tried hard to be humble and also joined his wife in singing carols with us. Top that off with Bea Ewing's kitchen crew and you have a real fun party. . . New Year's Eve brought a repeat performance as we joined in doing Evie Sabo's head puzzlers, ran in Dottie's Hanger hang-up Relays and roared at more goofy skits by

members, all preceded by a catered buffet. 1984 was made welcome by a noisy merry bunch. Some went home with Hangers, but no one was hung over.

Coming events are the Valentine Party, a Shamrock "Roll", and installation of officers March 27th. . . The big 8th Anniversary Dinner is also planned for April 3rd.

WAGON WHEEL SQUARES

ST. CLOUD . . . We have capacity crowds with visitors from all corners of the states and Canada. . . The banner raiders have been busy with C. J. leading the way to Camptown to dance to Jean Gaskins and the Yellow Rockers in Eau Gallie. . . Rodeo time is getting closer and that means the Kiss-A-Mee Squares Rodeo dance. We have won the trophy the last 3 years and now have to start on a new one. . . A few people remembered to wear their black cat badges on Friday the 13th. . . Marvin Boatwright will be calling for us January 27th and will bring a busload of mystery riders with him from Leesburg.

Join us soon.

DIXIE SQUARES

DAYTONA BEACH . . . The dismal January weather had no effect on our club! We had large crowds each Thursday. . . January 19th was our first "T" Shirt night. The "T" shirts came from everywhere! John & Lee McEligot had a special "T" shirt made with the Dixie Banner to be given as a prize. It was awarded to Jean Wescott.

An exciting and great event in our Club History will be April 5th as we celebrate our *Twenty-fifth Anniversary!* We are trying hard to contact all former members, those who have attended class at any time, and all friends everywhere. You are invited to share in this celebration. See you there!

HOW TO WRITE CLUB NEWS

Many clubs have new officers, and new reporters to write club news for **BOW & SWING**.

Perhaps the title of this article should be "How to Edit Club News", so that you will be aware of what happens between the time your club news reaches up and when it appears in the magazine.

We were recently asked why we edited out the names of a club's monthly guest callers. (We do this regularly to a lot of clubs.) Our reason is: Many clubs put in a paid advertisement monthly, advertising their guest callers. **BOW & SWING** depends greatly upon its advertisers for the revenue to print the magazine. Your subscription price is barely enough to pay for the postage to mail your magazine to you for a whole year. If we printed guest callers names in the free club news columns, it would be unfair to those clubs who pay for a regular ad.

The following items are rarely included in club news, due to space limitations:

1. Your regular caller's name
2. Your regular cuer's name
3. New club members' names
4. Birthdays or anniversaries of club members (unless it is of special significance).
5. New graduates' names
6. Condolences (except for dancers themselves who have passed on)
7. Figures or dances workshopped

If we included all of the above for every club that submits club news, the magazine would have to be twice its size — and would end up being boring.

We also do not normally print the name and address of the hall where you dance, nor the time. This information properly belongs in the "Where to Dance" section of **BOW & SWING**. For only \$1.04 per month, your club can include all this information, so that visiting dancers can find you.

The exception is the *brand new* club. We will print all of their pertinent information—place, time, level, caller, cuer.

Some clubs, but very few, will send in news reading like this:

"Come have a great time at our Mainstream Dance at the Cicero Community Center starting at 8 PM every Thursday night. Our beloved caller is Joe Doakes, who always calls a wonderful dance, and our beloved cuer is Janie Doe, who gives us a new dance every week. Our Super Special coming up is January 30th. Be sure to mark your calendar and get your tickets right away from any club member. They are only \$4.00 each."

Notice anything about the above? It really contained no news. There was nothing your editors could really conscientiously put into the magazine. How about the following?

"Boy was our January Special great! John Smith wore a gorilla mask during the workshop tip and broke everybody up. Then, during the break, Marge Thompson treated us to some of the movements she learned at her Belly Dancing Class."

All of the latter news will probably be printed because it is *interesting*.

Remember, reporters, you are not writing this news just for members of your own club, but for readers throughout Florida, many other states, and in some foreign countries.

The readers are interested in any unique dances you have held, including details of anything that might be helpful to other clubs planning their monthly programs. Interesting dances we have seen lately are: International Night, Tee-Shirt Dances, Crazy Hat Dances, and Hard Times Dances.

Another thing to keep in mind is to wait until a dance is actually held before writing about it. Since the deadline for the May magazine is April 1st, please don't write in your May news "A great time was had by all at our Easter dance." Easter won't happen until after the deadline. A tidal wave from the fish pond could swallow up your hall the day before your dance, and since everyone will have seen *that* news on television and in the newspapers, your club news would then look foolish.

With these tips in mind, we are looking forward to some wonderful, informative club news in future issues.

STILL MORE FEEDBACK

(Continued from Page 14)

"When I dance in a square, I dance with four different girls and I do not have to start every dance with the same girl (my wife). Of course I am prejudiced because my wife and I were both in the Florida Singles Club. (F.A.S.S.R.D.) before we were married.

"I would like to see more mixers at a square dance that would give everyone a chance to dance. In Brisbane, the Australians introduced us to the best mixer that I have encountered so far. It was called a round-up. They used three versions; a singles round-up; a couples round-up and a square-up. Two columns four abreast were formed with the singles in the front lines, then everybody moved forward until all the lines were filled. Then the columns moved around the outside of the hall in a grand march and then met in the center and formed lines of eight and marched forward to the front of the hall to form squares as the lines peeled to right or

left. Or you entered the column as couples and went through the same procedures. In the square-up you were allowed to form your squares to suit your preference.

"A good many problems, dissensions, etc., would be overcome if we all were more courteous, more friendly and more willing to be helpful. Most clubs we visited made sure we danced by saving a place in the square for us. Other clubs ignored us, and we left early. I deplore the lack of courtesy that makes dancing with numbers or the computer necessary.

"If we help each other, square dancing might live and grow forever."

A delectable super dance.

BREVARD SINGLES

MERRITT ISLAND . . . The first meeting of *Brevard Single Square Dancers* was held at the home of Julie Loy, Merritt Island, on January 29, and was attended by 33 single square and round dancers from throughout Brevard county. All brought a covered dish and put a dollar in the kitty. After a hearty meal we discussed future activities, group attendance at area dances, and frequency of meetings. All will bring forth ideas at the next meeting. The purpose of the group is to provide fellowship and planned social activities among single square dancers. All dancers, those taking lessons, and interested persons, are invited to attend our next meeting. Call Julie at 452-2985 or 453-4029 for time and place.

After an afternoon of fellowship, many of us went to the Space Trackers "Winter Whirl" dance.

Bill Deason

WESTERNAIRES

NORTH MIAMI . . . We began the new year with an old-fashioned Ice Cream Social right in the middle of winter. Somehow, nothing tastes better than a big bowl of ice cream on a cold night. Everyone came back for seconds and thirds. . . At our "regular" January dance we had a very pleasant surprise visit from 17 couples and their caller from Washington State, on their way for an 8-day cruise. What a happy, fun group they were! Their caller, "Marvelous Marv" joined John and called a few tips for us. They said they had a wonderful time and would never forget us. . . In January we also entertained at the Country-Western Jamboree at Griffin Park, along with the cloggers and the country band.

We've missed our caller's taw, Dawn, lately, who has been under the weather. Hope she's much better and we'll see her back at the dances very soon.

Eva Fink

SPECIAL STEPPERS

PENSACOLA . . . New officers for 1984 will take office in February: Ruth (Duffy) Anson, President; J.V. Wyatt, Vice President; Dorothy Burnette, Secretary; and Terry Kellen, Treasurer. In addition, seven new members were elected to the Board of

Directors. All of the new officials are parents of the young mentally handicapped dancers in the Club.

Caller Frank Cherry and taw, Nancy, and Past President "Mac" MacKenzie, travelled to Dillard, Georgia to present a proposal to the Executive Board of the United Square Dancers of America, Inc. that a "Committee for Handicapped Dancers" be established within USDA. This Committee would act as a catalyst in the promotion of more square dance clubs for the various groups of handicapped individuals. Support for this effort would be solicited from established square dance clubs and associations, organizations providing services to the disabled, and service clubs and fraternal organizations which provide support to the handicapped. The Executive Board, USDA, approved the establishment of the Committee and appointed Frank & Nancy Cherry and "Mac" & Chieko MacKenzie as Co-Chairmen of the Committee.

Our 5th Anniversary Dance January 30th was attended by square dancers from throughout the Gulf Coast. Three local callers, Buddy Andrews, Arch Garlock and Chuck Sample, plus the club's own callers, Frank Cherry and Kearney Perry, contributed their time to make this annual event a success.

The Exhibition squares are scheduled to perform in Mobile, Alabama on March 23rd at the Azalea Trail Festival, as our first out-of-town performance for 1984. We are open for invitations for other dances which may be scheduled around Florida and the Gulf Coast states.

FOUR TOWNE SQUARES

DELTONA . . . We had a black cat dance Friday the 13th, with superstitious reminders such as a ladder at the door, an open umbrella hung up, and cracks on the floor to step on. Dark cherry punch and licorice accompanied the rest of the delicious finger food.

Our class of five squares are enjoying their learning sessions and the Jamborees they have attended.

Our St. Patrick's dance will be March 16th with Jean & Bill Peters as chairman.

LIMONADERS

New NSDCA Chapter

LAKELAND . . . A new chapter of the National Square Dance Campers Association was formed Sunday January 4, with its home base at Lakeland. The name is "Limonaders" and our colors are green, yellow and white. Camporees will be held the 3rd weekend of all even months, with the exception of June. Caller for the new group is Roger Chapman and the cuer is Al Brauer.

Elected officers are: Jim & Pat Peardon - President; Gerald & Delores Ault - Vice President; Walter, Sr. & Ester Stoltz - Secretary; and Cris & Trudy Nissen - Treasurer. The first camporee was held at Manatee River Campground February 17 & 18.

We dance Plus level with good level rounds, so if you have any type of a camping outfit, *Come join our new "fun chapter"*. You can contact Jim & Pat Peardon at 294/7233 or Gerald & Delores Ault at 967-0110 for more information.

DRIFT AROUND SQUARES

. . . Hope you all made a resolution to come to all of this year's campouts. . . When we met at Ocean Grove, it was a small group but with a high calorie intake. Ocean Grove had ocean waves from the surf and also in its dance floor, which was uncomfortable. . . There may be (?) better dancers around, but our cooks can have a front seat on any chuck wagon. Thanks to Ray for baking the ham and to the ladies for our Thanksgiving dinner. Companionship, beautiful weather, and fine food made a fine weekend.

Congratulations to Dan & Isabelle Buie, the 1984 Florida State Campers Presidents. Our club is proud to have had two state presidents and the Southern Region Representative.

Wally & Jean Miller

BAY AREA TWIRLERS

TAMPA . . . Our bunch has been busy scheduling for 1984. Committee chairmen named were: Art & Pat Fuxan, Decorating; Charles & Jennie Wilson, Hostess; Larry & Lillian Wright, Program; Carolyn Fowles, Publicity; and Eunice Lusk, Sunshine Committee. . . Our class, co-sponsored with

the Villa CurliQ's, is doing fantastic, and we really look forward to having them as members. . . We are so proud of our many Bay Area Twirlers that are listed in the January Blood Bank Donor List giving the total pints given. Many were at the top of the list, and we're especially proud of Tom Cave (with 41 pints)! We're having some great dances - love to have you join us!

Eunice Lusk

SANDY SHOE STEPPERS

PORT PIERCE . . . *Special Events* - that's what makes a square dance club different from a caller's club. We plan umpteen special events this year from Amateur Caller to Ice Cream Sundae Saturday night. What's more, we intend to involve all 190 members - or is it 200 - I can't keep count 'cause every week new members are joining.

Recently the following appointments were made: Asst. to Vice-Pres. - Rose & Ralph Staten; Asst. to Treas. - Bobbie & Rick Rickey; Asst. to Sec. - Jane & Ray Reisenger. These people will help mesh the gears for a really smooth club operation. You know a big machine is only as good as its smallest gear and that's why we are such a successful club. Everyone pitches in and is an integral part of the mechanism.

Jessie Brooks

FOXWOOD SQUARES

LAKELAND . . . This is definitely the peak of the square dance season in Florida and we are all meeting friends from different states. A couple from Michigan who had danced to Bob Barnes many years ago were pleasantly surprised he remembered them. They did remark how much Bob has improved in his calling - of course it could be the other way around. Now just to show how democratic square dancing is at Foxwood, our caller asked, by a show of hands, whether or not the dancers would prefer 1/2 hour of workshop which would include Quarterly Selections and a little A-1, or to have the traditional 3rd tip with just a little quickie. Well, the 1/2 hour won so be sure to get there by 7:20, get in a square or start a new one for when it is 7:30 the needle goes down. One thing about Square Dances - they start on time.

GROVELAND SQUARES

... We started 1984 with a "New Year's Resolution" dance with all the dancers wearing ribbons promising to "Dance More in '84" (with Groveland Squares, of course).
... Angels of the beginners class have been organizing planned trips for class members to attend the Central Florida Callers Association class level dances each month. A good experience for new dancers! The beginner class will graduate February 25th and a Plus Workshop will begin the following week. . . Our Demonstration Square danced for the All States Club in January, and will perform for the Methodist Mens Sweetheart Banquet in February and the Chamber of Commerce Banquet in March. Good P.R!! . . . We had a great dance when the Cloverleaf Leprechauns came from Brooksville to retrieve their banner.

"Special Tuesdays" coming up include the Valentine Dance in February and "Wearin' of the Green" dance in March. Come dance with us. You'll be glad you did.

Marge & Larry England

TEMPLE TWIRLERS

TAMPA . . . See you Sunday, March 4th, beginning at 2:00 PM for our 4th Annual Benefit Dance for the Crippled Children's Hospital Fund! We have a good slate of callers and cuers line up; Bill Hill, Sharon Short, Fred Koning, Art Springer, Whit Brown, Freeman Pettus, Wayne Lundberg, Pat Fiyalko, and Charlie Lovelace.

We visited Briar Creek Mobile Home Park

January 19th to retrieve our banner. It was a pleasant evening and we plan to return to steal their banner soon! . . Our St. Patrick's Day Dance is March 12th. Wear green and come celebrate with us. . . Visitors to our club are now sporting badges stating "I danced with the Temple Twirlers." Hope to see more visitors at our dances and that they will soon become club members!

Joe & Mary Ann Yusas

ALLEMANDERS

SATELLITE BEACH . . . There were four people who challenged our President, Andy Petro, in the chili-making contest we held recently - Bob Ketchum, Steve Fernaays, Marion Richardson and Jim Adkinson. We didn't need any heat in the hall that night as one pot of chili was hotter than the other! Jim was the winner but we think the basketful of pennies he brought and kept giving out to the dancers for their penny votes may have had something to do with it! Needless to say a good time was had by all.

We look forward to the wearin' o' the green at our Shamrock Swing on St. Patrick's Day, March 17th!

Tom & Norma Bartlett

FEATHEROCKERS

BRANDON . . . We send our condolences to Sibyl William at the death of her husband, Bill, who passed away January 21st. Bill and Sibyl had danced with us for several years.

Our St. Pat's Dance will be March 15th.

TIPS FOR NEWER CALLERS

(Continued from Page 20)

allemande left, grand right & left, promenade home and the #2 couple would start out to their right, working with each couple in turn, but always leaving *two* couples standing and waiting for their turn. Sometimes boring. In the mid-40's I changed this to *One and Three out to their Right*, both working at the same time, and with no one standing and waiting. Here was the call for the above;

First & Third will Bow & Swing
And lead on out to the right of the ring
Chase the Rabbit, Chase the Squirrel,
Chase that pretty gal around the world.
Now Chase the 'Possum, Chase the Coon,
Chase that pretty boy around the room,
Now buckle up four on the side of the floor
Just Circle up Four and don't be late,
The head gents break and circle up eight.

INSTRUCTIONS:

Head couples move out to their right, lady in the lead, going between the side gents and their lady. The head men follow their partners, both turn Left and go around the lady. When they are back into the center of the set, the head ladies make a right-face turn so as to let the man take the lead. The head ladies are now behind their partners and they go through the side couples again, but this

HAPPY ROUNDERS

HOLLY HILL . . . The New Years Eve Party was a great evening of much *fun, good food, and good dancing!*

A *special* dance was held January 15th with Roy & Janet Cline from Phoenix, Arizona teaching the Classic, "Elaine". Classics were danced throughout the afternoon. Twenty couples attended, some from the Orlando and St. Augustine area. You are always welcome to come and share in our good dances!

L. & E.D.

*time the gent is in the lead. They turn to their right now and go around the gent, face the same couple and join hands and circle four with them. Turn it around and the Head Gents break with their left hand and join up hands with the other four and make it an eight hand circle . . . NOW, after I used it this way a few times I decided that it would look much better if, instead of having ladies make a right-face turn to come in behind their partners, they would catch right fore-arms and do a turn in the center, going around each other. This would give the Gent the chance to take the lead. It not only looked better but it was much smoother also, Keep one thing in mind. When they go thru the side couple with the lady in the lead, they go around the lady — when they go thru with the gent in the lead, they go round the gent . . . After they break and circle eight, you can throw in whatever you want from there. You can even go back into modern day dancing by calling something like, **LADIES CENTER, GENTS SASHAY,** etc.*

I should have mentioned that we would also give the side couples a chance to do the same thing. In other words, after the Heads worked with the Sides, we would have the side couples lead out to their right and do the same dance, sides being the active couples this time.

DRIFTERS

NEW SMYRNA BEACH . . . We had a fabulous New Years Eve Party, starting with a terrific buffet, followed by square dancing, and ballroom dancing between tips. After celebrating the arrival of the New Year, breakfast was served. We've had many requests for a repeat for next year.

We finished January with a Brown Bag party. The women packed the bags with gourmet morsels. The men drew lots to see who would dine with the woman who furnished the food, and she also was his partner for the next tip. It was great fun.

BASS CAPITAL SQUARES

GEORGETOWN . . . Large groups of our dancers have been visiting several clubs, banner snatching. In return we have had some nice crowds for our dances. Several squares visited in January from Pacetti's and Lady Lake.

Our covered dish dinners every 1st and 3rd Saturdays of the month have become one of the best boosters for fellowship in our club. Our visitors enjoy this too. Come and join us. Dinners begin at 6:00 with our regular dance at 8:00. (W/S 4:00 PM)

Just, One Little Bass

OKEE SWINGERS

OKEECHOBEE . . . On Saturday, March 3rd we will host a kick-off dance to celebrate the organization of our new club. The Mainstream dance, with an occasional Plus tip, will begin at 8 PM and popular Vern Johnson will be the caller.

Tuesday nights are club nights, with Basic dancing beginning at 7 and Mainstream, with an occasional Plus tip, beginning at 8:45.

Both Tuesday night dances and the March 3rd dance will be held at the Fijian RV Park, Hwy. 441 South, Okeechobee. All square dancers are invited to square-up with us.

Elsie Landers

KRISS KROSS SQUARES

FORT MYERS . . . We held our President's Dinner January 5th before the regular Thursday night dance. Bill Reinhardt introduced the 1984 president and officers: President - Bill Ferguson; Vice President - Ed Fitzgerald; Secretary - Claribel Gray; Treasurer - Cliff Smith; Executive Officer - John Kelly; Directors - Genisue Ferguson, Evelyn Fitzgerald, Carl Gray, Mabel Smith, Rita Kelly, Ken & Lucille Pragle, Edward & Thelma Kellner, Bill & Sheila Reinhardt. We regretted that our retiring president, Larry Stare, was ill and could not attend his lovely dinner party. Thanks Larry & Thelma for serving in 1983. You did a super job keeping everyone happy and having fun. Hurry and get well. Come dance with us. You might meet your caller there from up North. as someone did just last week.

Irene McKown

LEFT ALLAMANDERS

ST. PETERSBURG . . . Banner Bandit Earl Williams kept our club busy retrieving banners which makes for happy interaction with other clubs. Retrieving from the Gandy Dancers, Shooting Stars, and the Dixie Bandits brings all our banners home for awhile.

We enjoy our many new club members and are happy to be welcoming more of our winter visitors. It is so good to see old friends. Come dance with us. Look for our ad in this issue to see who our great guest callers are this month.

Millie Ehrlich

KISS-A-ME SQUARES

Kissimmee . . . I'm sure our Rodeo Dance in February will be more successful than last year due to lots of hard work by the committee and members.

At our "Wearin' of the green" dance on March 10th, we will have a few Irish toe tapping tips. . . I don't know how they manage to make the ice cream better each year, but come and taste for yourselves at our ice cream social March 24th.

Grace & Sam Lite

GANDY DANCERS

TAMPA . . . Our January International Dance was a huge success, with a large attendance of members, guests, and our beginner class. We had a fantastic buffet of food from many countries — a display of family mementoes was also available for the dancers' viewing pleasure.

Our next big affair will be our Valentine Dance on February 6th.

Ted & Marianne Bullough

CHARLOTTE PROMENADERS

PORT CHARLOTTE . . . We have been dancing to capacity crowds each week, and with the 5 couples who have joined this season we now have 160 members. Our New Years Eve Dance was a huge success thanks to a very competent committee and Jim Ford. We will honor the Snow Birds at our March 15th dance, and hope many of you will join us for the food, fun, and friendship.
