President's Message

Florida Callers Association

• SQUARE DANCING IS FUN •

With the New Year here, what better time to set our goals and make our resolutions for the coming year. During this year, when our classes will be graduating, they will be making the transition from class to club, and many will be attending the State Convention for the first time. It is the most critical time for new dancers. The dropout rate is at its peak immediately following class graduation.

If each of us makes a New Year's Resolution concerning the new dancers, "To resolve to **KEEP IT FUN, KEEP IT SIMPLE, KEEP THE DANCERS**," maybe next year they'll say they "*found the fix in '86*".

I would like to take this opportunity to welcome Bob Osgood of Sets In Order fame as the newest addition to **Bow & Swing** with his syndicated column "As I See It". Bob's first article appears in this issue. **Bow & Swing** is very fortunate to have been chosen as one of the square dance publications featuring Bob's observations, experiences, and comments on the wonderful world of square dancing. Welcome aboard!

May each of you have a happy and prosperous new year.

Squarely,

Lon Ligon

PRESIDENT'S MESSAGE

*A belated
"Holiday Greeting"
to all!*

Elections were held at the annual meeting in November.

Officers for 1986 are:

President - Norm & Joyce Farrell
Vice President - Hugh & Jean Fultz
Secretary - Leo & Mary Richardson
Treasurer - Ron & Cupie Knowlton
Parliamentarian - Frank & Nan Habersberger

On behalf of the entire board I would like to say that we are pleased to have been elected and stand united in our desire to perform to the best of our ability. We plan to hit the ground running this month by holding a two day "working weekend" meeting, in Plant City. This meeting will keep all officers and delegates busy attending to Federation business. This is an open meeting and all square dancers are encouraged to sit in. If you happen to be in the Plant City area on the 18th and 19th of this month, drop in.

Much progress has been made over the past year and for that reason we would like to give a big *"Thank You"* to outgoing Presidents, Fred & Celeste Crawford. They did a superb job. We feel comfortable in knowing that they will be around to assist us during the year in their role as advisors.

Though much has been accomplished, we feel there are some very important issues that must be addressed in order that our hobby be as good as we can make it. Our major objective during 1986 is to do everything we can to prevent the loss of Square Dancers. We have attended dances in our own area, in the state and throughout the country over the past couple of years, and like many of you we have witnessed a steady decline in attendance. Our desire is to find the reasons for this decline and develop solutions to the problem that will have a positive effect.

ASSOCIATION NEWS

We have just enjoyed our 32nd annual Fall Round Up held November 15th and 16th at the Beaches Flag Pavilion. (See picture above.) Everyone who attended had a wonderful time dancing to the calling and harmonious singing of Tony Oxendine &

Jerry Story.. This was our first time at the Flag Pavilion, and we all thoroughly enjoyed the wonderful facilities—especially the hardwood floor!

Saturday was filled with workshops and dances for most levels of round and square dancing—something for everyone—and Saturday night's dance was a wonderful, fun-filled climax to a full weekend of dancing. We were treated to a spectacular show by the *Reflections* Round Dance Exhibition Team, who are always a joy to watch, but were especially impressive viewed from the balcony. We appreciate all the hard work that went into this great event by the chairmen, Dave & Shirley Nihart, and their wonderful committee! The 1986 chairmen, Aaron & Erma Fry, are already hard at work on the 33rd annual *Fall Round Up* which will be held November 14-15 at

the Civic Auditorium.

We're looking forward to our last 5th Saturday Night Dance of the year to be held November 30th.

Brad & Jeanne Julian, our "Grapevine" editors, have resigned due to "personal pressures." We all appreciate the fine job they have done during the past two years; they will be missed! We are very fortunate to have another talented couple, Shad & Clarice Shadwell, to step into the editor's job. We wish them the best of luck and look forward to working with them in the future.

Happy dancing - see you across the square!

Together with our Vice President, we participated in the St. Lucie County Square Dance Festival sponsored by the Sandy Shoe Steppers.

CENTRAL (Cont'd.)

state. Central Association's officers attended the Strawberry Square Dance on November 23rd and the Hall of Fame Dance on Sunday afternoon. Ken Anderson volunteered his services and called an exciting dance. Morri Sogolow explained the concept of the Hall of Fame and noted all dancers should make a point to visit it.

We thank all the dancers who made our Holiday Dance a success. Our next big dance will be January 12th at the Loch Haven Rec. Center in Orlando.

This year Central will work with the Central Florida Fair to promote Square & Round Dancing in the area, February 27-March 9th. On March 9th from 4 to 6 P.M. we plan to exhibit and produce a Fashion Review of home-made square dance outfits for which awards will be given. Entry blanks available at clubs or from us must be filled out and returned. If enough interest is shown, we will also exhibit at other times. There will be free admission tickets for participants.

May God grant you and yours a healthy, happy and prosperous New Year.

SOUTHEAST

We wish many years of wedded bliss for Alice Loyzelle and Tiny Webb who were married November 2nd. A "Square Dance" reception followed at Tree Tops Park attended by friends in their club "Rainbow Squares". Southeast Association, and others. What a beautiful sight as they drove off in the sunset on their motorcycle!

And not to be outdone, Ginny Cooper and Clyde Evers were married during Coconut Squares regular dance November 6th. About 100 friends attended, including Bill & Louise Roundtree from Satsuma, Florida. They are loved much and well remembered as callers in the Fort Lauderdale area for many years. Ginny and Clyde, we wish you many years of happiness!!

At the monthly board meeting of the Southeast Association, Boots Oglesby

presented Joan & Tony Hein, Liz & Harry Workman, and Millie Griffin with a "Circle of Service". When you see someone wearing this dangle, you know they have contributed three or more years of leadership dedicated to the success and betterment of square dancing.

Our Special Events Chairman, Rosemary Davis, has announced that we will make a special visitation to the Okee Swingers on March 22, 1986, which will include a steak dinner at a cost of only \$12.50 per person. If you missed the fun and frolic when we visited the Sandy Shoe Steppers, plan early to attend this fun-filled event.

FLORIDA-NAT'L SQUARE DANCE CAMPERS

This is the time of the year or the season when the different chapters of the NSDCA are being visited by their northern friends, just the same as the square dance clubs. All are always welcome although I have heard it would be nice if they would let the officers know who is coming to dinner. At a regular dance there is always room for more but at a campground, especially t this time of year, it can become rather embarrassing. It was suggested that if you plan on visiting a chapter, to try to let someone know. At any dance there are members of the NSDCA present, also a contact phone number listed in *NSDCA Times*. NSDCA is growing in Florida and it is surprising the number of camper-dancers that are not aware that this organization exists. However new chapters are being formed, for where else can you camp and dance all year long?

Some time between now and July the various chairpersons of the 1986 NSDCA International Camporee are going to have a mini-camporee at Sarasota so that the group can plan on their various departments. The Williams, General Chairpersons, are having a regular War Room. Jean is sure that all will go right; however Ray is prepared for everything to go wrong, but being a good boy scout, he will be prepared. The Monteanos of

Hosted by The Northwest Florida Square and Round Dance Association

Hi! My name is Northwest Tillie. Many of you have already met me at the 1985 Florida State Square & Round Dance Convention or at one of the many dances I have attended since I was adopted. I thought I'd take this opportunity to tell you how busy I've been since May.

In June I traveled with Grandparents, Frank and Betty McCallister to Birmingham to the National Square Dance Convention where I joined my parents, West Coast Willie and Central Millie at the

I was rolled into the arena at Lakeland, Florida by a very special Special Stepper.

I was sick with the flu and was unable to attend the Callers Programming Meeting in Lakeland for the 1986 State Convention. However, I am really looking forward to the "Swing & Mix in '86" Florida State Convention. It already promises to be one of the best.

With Grandparents, Vern & Elaine Olberding (and again on wheels in the motor home) we managed to attend the Northeast Roundup in Jacksonville Beach, The Turkey Trot at Mirror Lake in Lakeland, and the State Federation Election Meeting at Strawberry Square in Plant City. We certainly enjoyed the Florida State Hall of Fame Dance held on Sunday afternoon following the Federation meeting.

Dad, West Coast Willie and Mom, Central Millie, as well as all of my Grandparents in Northwest Florida invite you to come and join the family and to "Swing & Mix in '86".

Grandmother, Jeanette Rea asked me to pass this message regarding the sewing clinic on to you.

An area will be set up for a display of club outfits, special dresses, patterns of sleeves, skirts and bodices, etc. that we hope will be of help to dancers attending the 1986 Florida State Convention.

Any dancers who have a special pattern that you enjoy, please send a copy to Jeanette Rea to be included in our booth. We will supply paper, pencils, and patterns for everyone to copy. Please send your ideas to us NOW. Mail to: Jeanette Rea, 165-C Villas Ct. S.E., Tallahassee, FL 32303.

Joe Vaccari

Florida Showcase of Ideas. We all dressed in our green and white and from my vantage point we made quite a hit.

Since then I've attended a great many Northwest Florida dances — the Georgia State Convention, and the Northwest State Roundup in Chipley, Florida. I am striving to be the best Ambassador for Square Dancing there is. Sometimes my job is very difficult, and I feel like I've been on wheels ever since

As I See It

EDITOR'S NOTE — Bob Osgood for the past 37 years has been Editor of *SQUARE DANCING (Sets in Order) Magazine*. This past December, Bob and his wife, Becky, closed down publication as a means of starting a semi-retirement. Bob's involvement in square dancing started in 1938 and in the years following the war his square dance activities have taken him into virtually every state, Canadian province, and more than 50 countries overseas. His views of the activity in general and square dancers in particular are both human and humorous. We present his initial, syndicated column here.

★ ★ ★

What do you tell those relatives and neighbors who ask you "How many people square dance?" The standard answer for a number of years has been six million. Why six million? We don't know exactly, except that rough estimates of the number of clubs and classes have been made from time to time and when you come out flat and give a figure like six million, whoever is asking usually ends up by being satisfied with the answer, and who's going to prove that you're wrong anyway?

Before square dancing had matured to the point where it is today, and before we had the means of communication that have developed within the activity, somewhere along the way, we pulled the figure of three million out of the hopper. Taking into consideration all of the school children, one-night stands, folks that dance in inaccessible areas that no one knows anything about, plus the hundreds of thousands of participants who show up at regular club dances, parties, jamborees, festivals, conventions and the like, certainly three million sounded like a good round figure. Anyway, three million was what we used.

Does the name Nation's Business mean anything to you? It's the official publication of the United States Chamber of Commerce (or at least it was when what I'm going to tell

about happened.) I got a phone call from Washington, D.C., where the National Chamber of Commerce is situated and a voice said "This is Joseph Stocker. I'm doing a story on square dancing, may I ask you some questions?" For the next half hour or so, I answered virtually all of his questions to the best of my ability. One of the things Mr. Stocker asked was the usual "How many people square dance?" "We're not sure" was our reply. "Take a stab at it" the interviewer requested. "Well, we've been using the figure three million recently and because so many people are coming into the activity all of the time and others are finding one reason or another to drop out, that's probably as close a figure as we can come up with." "Fine" said Mr. Stocker, and with that the interview ended.

About two or three months later, in the mail comes this beautiful magazine, Nation's Business. And there, in a very conspicuous location, is a several page article based on the facts—pretty much the way I had given them over the phone. Except for one thing. Someone goofed on the proofing and, as a result, there, in bold figures, for everyone to see was the statement that thirty million people square dance. Thirty million!

In a way, it was a fortuitous error. Now, for the first time we had a bona fide, respected authority quoting a figure and when someone asked "How many people square dance?" we could say, with confidence, "According to Nation's Business, there are thirty million square dancers."

I like to speak with authority.

A caller-friend tells about getting home late from the office one square dance night, gulping his food hurriedly, tossing his equipment into the car and hurrying off to the dance, only to discover once he had set up that he had brought along the wrong case of records. "You never know until you've tried, but calling a whole evening to 'White Christmas' can prove to be quite a challenge." I'd mention his name but the dancers still think it was a well-balanced

Round Dancers:

Perhaps the first item in this month's column should be directed more to the cuers than the dancers. The term "feather" is quite often misused because of a misunderstanding of what a feather should accomplish.

The cue, "feather" is simply a short way to say the figure is going to end in banjo position. The cue, "feather to closed position" is incorrect and was used in the classic waltz "Feeling" which was written before feather became a standard cue word.

The proper cue to put the dancers in closed would be the use of the term "three-step" in the international style of dancing, or just "blend to closed" can be used at the basic level. Both the feather and the three-step, when studied in depth, become rather difficult for the average dancer because of the use of the heel and toe of the foot, so unless you're really working on proper dance technique, it is best to remember that it is feather to banjo and three-step or blend to closed.

Another error seen quite often on the dance floor is the exaggerated raising of the man's left and the lady's right hand on a figure such as a side-corte. The hands should stay as nearly the same height as possible, and don't look down at the floor whatever you do. Then when you are ready to progress to the oversway action there are no bad habits to break.

Madeline and I wish all of you a very happy and prosperous New Year.

See you around,

Charlie

Choreography for Dancer Education & Improvement

Getting the most out of Pass the Ocean: Pass the Ocean is one of the Mainstream Basics I like to teach and use DBD. The action is quite simple and with very little workshopping the dancers will pick up the action easily. *Remember that the dancers simply Pass Thru then Face Partner and step into a Right Handed Ocean Wave.*

NOTE: I see a lot of dancers who are very familiar with Pass the Ocean from standard position tend to have the girls catch left arms and sort of single hinge as the boys pass by and face right into the wave. This is really a BAD habit for them to form. The dancers should all **PASS THRU** no hands; then face partner and step into the wave. When you plan to teach the Pass the Ocean from 1/2 sashayed couples, note this as a possible problem for some.

ANOTHER EQUIVALENT

One of the first things we learn when we start working on our 'sight calling' is the fact that, from lines of four, with partners IN sequence, we can 'Star Thru' and we are in position to Square Thru Three Quarters around to a Left Allemande. Of course this will work from the 'static' position too. We can have either Heads or Sides Star Thru and Square Thru Three Quarters around to a Left Allemande.

NOW, a neat equivalent will do the same thing for you. Instead of the dancers doing a Star Thru, have them Touch a Quarter, Boys Run, Partner Trade. You now have the exact same thing. They are ready to Square Thru Three Quarters to a Left Allemande. This means that Touch a Quarter, Boys Run, Partner Trade can be used in place of a Star Thru at any point. You can really work your dancers and make them think if you use something like this,

**One & Three will Square Thru
4 hands round to the outside two
Touch a Quarter - The Boys Run -
Partner Trade - Touch a Quarter -
Boys Run - Partner Trade -
Touch a Quarter - Boys Run -
* Partner Trade - and Star Thru.**

The dancers are back where they were after the Square Thru and you can take it from there or you can add to the above by eliminating the Star Thru at the end. Leave that off and add more like this,

*** Partner Trade - Touch a Quarter -
Boys Run - Partner Trade again.**

And again they are right back to the point

they were when they did the Square Thru Four.

O.K. — we've had a lot of fun with that so let's take it a bit further and see what we can add to make it even more interesting. These are things that you use to further advance your 'sight calling' because it's all right there in front of you and since you have them in two box formations you only have to watch one of the boxes because, hopefully, both boxes will be doing the same thing. Sometimes they don't, but we will hope they are alike. This is another one of those things that you can go with as far or as little as you like, and you can add just as much as your dancers can take.

Try something like this on them,

**Heads Square Thru 4 hands
Touch a Quarter - Walk & Dodge
Boys Scoot Back - Touch a Quarter
Boys Scoot Back - Box Circulate
Boys Scoot Back - Boys Run Right
Star Thru - Right & Left Thru
Turn 'em and - Flutter Wheel
And Star Thru - (Back to ZERO).**

So, as I said, this can go on and on, just as far as you would like it to go. It's your choice so take it and have fun with it. I will not give any other setups right now. I want you to work out your own setups. However, if you are interested in learning all about 'Sight Calling' just watch the floor and see what all you can do with it on your own and find out how interest 'sight calling' really is.

DANCING NOTES

EXCUSE OUR ERROR

Please see page 41 of this issue for the correct information on the Space Tracker's *Winter Whirl*. The date was incorrect in the December issue. It will be held Sunday, January 19th.

BENEFIT DANCE

The Rural Callers Association will hold a *Jimmy Clossin Appreciation Dance* at the Gainesville Recreation Center, 516 N. E. 2nd Avenue, Gainesville on February 8th. Many of your favorite callers from that area will be calling Mainstream and Plus tips for you.

THANK YOU

I would like to express my sincere appreciation for all the lovely flowers, gifts of food, cards, prayers and expressions of sympathy with which we were showered during the passing of my Mother. Knowing that so many friends are lovingly supportive at times like these helps to make her loss easier to bear.

Martha Springer

BIG POTATO SQUARES

APOPKA . . . We've been out banner stealing. 32 people showed up to steal the Firehouse Squares' banner, and 10 of us rode together in Rod Garland's motor home to steal Kiss-A-Me Squares' banner. Our dear friend (and past president), Rod, has had his kidney operation and is doing nicely. Everyone wishes him a speedy recovery.

We had our annual Pie Nite on November 27th. We ate some but sent many to the Salvation Army the next morning for their Thanksgiving Dinner for the needy. Now we are looking forward to our combined New Years Eve dance (with the Trail Blazers).

Come and join the fun and relaxed atmosphere at our King of the Road Dance, with hobo stew, on January 22nd. This dance has become one of our favorite dances of the year. Anyone can have their turn at stirring the pots of stew.

Leona Libby

IT'S GREAT TO BE A SQUARE AND ROUND DANCER

Did anyone see that 98 year-old lady on Johnny Carson's show? She was great! He asked her what had given her good health and she replied, "Square Dancing and Bowling." Isn't that marvelous? I keep telling everyone that Square Dancing keeps you young, and is the cleanest fun you can have, besides meeting such nice people and making friends you keep for life.

Happy New Year to all!

Irene McKown

MIGRATING?

For those who move north and south with the seasons, please remember to let *BOW & SWING* know your change of address *each* time you move and the date on which you plan to move. It is not possible for us to keep an advance file on future address changes. We do not want you to miss a single issue of *BOW & SWING*. We are very happy to make the address changes for you.

SANDPIPER SQUARES

PORT ST. LUCIE . . . It will be three years on January 5th that our club became a reality. It was not easy getting organized and started, but the cooperative efforts of many enthusiastic square dancers has made the Sandpiper Squares a very enjoyable social amenity in our area.

Our 1st Turkey Trot featuring "Pie Night" was a tremendous success, and although it "slightly stretched" our "you know what", all felt we should do it again next year.

Martha & George Burdick, General Chairman of our 4th Annual Spring Frolic, March 2nd (see our ad in this issue) have been very busy with all the arrangements for our biggest dance of the year. We had 40 squares last year and it already looks like a "sellout" again.

We hope to see you at our club "Birthday Party" on January 8th.

EAST CENTRAL FLORIDA ROUND DANCE ASSOCIATION

... Virginia & Torsten Colling were host cuer for the 4th quarterly dance which was held at the Daytona Beach City Island Recreation Hall. A beautiful table of refreshments was furnished by the Happy Rounders Round Dance Club. Other clubs attending were Wheel-a-Rounds, Star Steppers, Rhythm Rounders, E-Z Rounders, Merry-Go-Rounders, and Island Rounders. Other cuers for the afternoon of fun level dancing were Phyllis Williams, Jack Jenkins, Pete & Jan Shankle, Velma Burtner and Ivan Hill.

After the dance the cuers stayed a half hour longer to cue dances from the request list of favorite dances.

Our next dance will be February 9th at the Central Florida Square Dance Center in Longwood. For information on next dance contact any of the above named cuers. See you there.

MERRY-GO-ROUNDERS CAROUSEL CLUB #186

APOPKA . . . As you can see by the heading, our two clubs are now one under the name "Merry Go Rounders National Carousel Club #186. The National Carousel Organization was formed 13 years ago to promote three main ideas:

1) Standardization of cues and figure execution. 2) Develop name recognition of round dancing. 3) Promote all levels of round dancing and make all levels available to all dancers.

With our decision to join this organization, we are pledging to uphold this concept. Come and visit at our "First Nighters Party" January 30th, 8:00 pm at the Apopka hall. All levels of round dancing will be programmed for this occasion.

The Nordines

KISS-A-ME SQUARES

KISSIMMEE . . . We've been busy banner retrieving. A large group went retrieving at the Firehouse Squares, and were treated to a real fun night. The Groveland Squares then paid us a visit and got a banner away from us. We'll be visiting them soon.

We're looking forward to seeing our many friends at our Homemade Pie Night on January 11th. And, we hope you are planning on going to our Rodeo Dance on February 15th at the Bahia Temple in Orlando. (See our ad in this issue.)

DIXIE SQUARES

DAYTONA BEACH . . . The 10 couples who made a banner raid on the Starlight Promenaders in DeBary on November 20th were lucky—the raid coincided with Pie Night, an unexpected pleasure! The next day, we celebrated Thanksgiving with a Pie Night of our own—calories on top of calories! This was coupled with a Silent Auction which realized a profit of \$93.00—funds used to help defray expenses of the December 12th Christmas Party.

Burt Black provided the flat bed trailer for us to decorate for the Holly Hill Christmas Parade on December 7th.

Plans are under way to start the New Year with a Western Night on January 16th.

CASTOFFS

BOYNTON BEACH . . . Those who missed our Harvest Dances for our Thursday Niters and our Friday Club, 4 turkeys were doorprized to lucky ticket holders, one each for members and guests.

A full busload hied to Epcot for a 3-day jaunt and we frolicked and funned without having danced one tip. Thank you, Hal Ross, for the wonderful arrangements.

Our A-1 workshop on Sunday nites have exceeded our expectations and the dancers are enjoying their progress as well. Soon to happen, our basicers will be graduated in March.

A special thanks to all our guests who have danced with us during our banner year of 1985. We hope you have enjoyed our programs of callers and our congeniality and hope to repeat our efforts in '86.

Check our ad for January schedule. Come dance with us and enjoy our fun, food and good dancing. You'll be glad you did and so will we.

LAKELAND/MULBERRY . . . Our New Years Resolution is to meet and dance with as many of you as possible in 1986. Your place or ours?

Aren't we lucky to have members with facilities to host us at a lakefront day of fishing, boat riding, visiting and a delicious fish fry supper? Bill & Gene Curry got a big bunch of thanks for that one. Our Special Events Committee has already mapped out a 1986 full of exciting plans.

For All of Us and, we hope, A Lot of You,

we are anticipating better dances than ever with a fine line-up of callers and cuers for the new year. Please come see us soon.

VILLAGE SQUARES

LONGWOOD . . . We want to thank everyone for attending the Harvest Twirl benefit for the Central Florida Kidney Foundation. It was another big success. We donated \$1,191.59, which will go to the drug bank here in Orlando. It gives expensive medicines to transplant patients like myself that can't afford it. Thank you so very much. We hope to see you next year on November 15th.

Village Squares will be having a lost sheep dance on January 11th at Longwood Community Center. We hope everyone will come, especially all past members. See you then. Always dancing for fun!!

FELLOWSHIP SQUARES

PORT ORANGE . . . The month of November brought enthusiastic banner raiders from the Drifters and the usual delectable assortment of pies on pie night.

And . . . on November 19th, our President, Annabelle Shroyer, received the distinctive honor of being presented with the Circle of Service Pin by Mary & Leo Richardson. The pin was designed for dancers active in leadership and promotion of square dancing for at least three years. In her 40 years of dancing, Annabelle has certainly qualified in many ways. Congratulations!

SWINGIN' SINGLES

... We really had a busy day on November 10th, starting with the Southeast Association Meeting and Clinic followed by a meeting and covered dish dinner at the home of Shirley Bonvisuto. As if that were not enough, this was followed by a visit to the Top Cats which we thoroughly enjoyed. We thank them for the royal treatment.

We invite you to the FASSRD Single-Rama to be held at the Colonnades Beach Hotel November 7-8. Besides the usual square and round dancing, we plan to have line dancing, possibly some clogging, along with after parties and lots of fun! Early registrants will be on our "Elite" list and will be honored with their name in the program and a special remembrance of the occasion.

BASS CAPITAL SQUARES

GEORGETOWN . . . Fourteen of us went to Salt Springs for a weekend dance and workshop, plus a few more for the Saturday night dance. There were dancers from Orlando, Jacksonville, Daytona, Georgetown and various other places.

Turnouts for our bi-monthly dances, workshops, and dinners this month have been great. At the last dance spaghetti, sauce and hot garlic rolls were served, plus a lot of other good things. I know we have more fun than anyone at our dances.

Workshop for new dancers is going very well on Mondays. We will have Round dance classes starting in January. Come on over and dance with us. Everyone has fun.

LEFT ALLAMANDERS

ST. PETERSBURG . . . We always cancel our regular dance in deference to the West Coast Association Fall Fun Fest. This year we had 30 member couples in attendance. At our club party on Saturday night we initiated 22 members into the "Turtles" club. We had 22 squares at our very successful Anniversary dance. There was an abundance of sandwiches and cakes and the favors made by Jean Fultz and Mae Ford were a big hit.

Congratulations to two of our member couples on their election, Hugh & Jean Fultz

as Vice-President of the Florida Federation of Square Dancers and Ray & Joan Corcoran as Treasurer of the West Coast Association.

We extend our sympathy to Murl Herbert whose mother died recently.

See our ad in this issue for the schedule of our callers and cuers for January.

DRIFT AROUND SQUARES

... A good time was had by all at the October campout at Hanna Park, with great weather. I think the ones that toured the Naval Base enjoyed it.

Elections were held at Wally & Jean Miller were elected President and Ray & Catherine Montean were elected Vice-President. The position of Secretary-Treasurer is being held open until the November meeting.

January and February campouts will be at Pacetti's. Have a Merry Christmas and a Happy New Year.

Wally & Jean Miller

STARLIGHT PROMENADERS

DEBARY . . . We participated at the DeBary Fair and the Volusia County Fair, held a fashion show and went to Titusville and Altamonte Springs on banner raids. This has been a busy fall.

Our Thanksgiving Dance was a success with a table full of the most delicious pies and a house full of dancers.

We are looking forward to our Western Wear/Amateur Night on January 15th. Don't miss this chance at being a square dance caller.

Carol Poole

CLOVER LEAF LEPRECHAUNS

BROOKSVILLE . . . We are now dancing each Sunday. We had "Rusty Hinge" dances during October and our club resumed November 3rd, feeling a little more confident on the dance floor. Recently, one square entertained at the East Brook Nursing Center, and again at the Brooksville Nursing Manor. It is so nice to meet all our friends again, who travel to other places in the summer. Come dance with us.

TEMPLE TWIRLERS

TAMPA . . . Our Anniversary Dance was wonderful and all had a marvelous time. We extend our most sincere and grateful thanks to our caller, Sharon Short. Without her we would not have the many dancers who participate and come to our dances.

Our Pirates Dance is scheduled for January 27th and we invite all of you who do not dance on Monday nights to come out and take part in this fun dance.

Our Crippled Children's Hospital Benefit Dance is scheduled for Sunday, March 16th at 2:00. We have fine callers and cuers lined up for this dance. Remember, this is for the benefit of crippled children and is a most worthwhile contribution. *Let's dance so others may walk!*

EUSTIS . . . All our Snowbirds are back with us. We have several members who have had surgery and others that are sick, and we wish them all a speedy recovery.

On January 15th we will honor West Virginia and Southern States. We have a

large map of the U.S. and each club member pins a flag with their name on it on the state they are from. Danna Hartman made the frame for the map and Rose Berger made up the flags and put members' names on them. We thank all who helped on this project.

We have been out banner raiding and retrieving. We thank all clubs who have visited, and our own members who have made our dances a success.

FEATHEROCKERS

BRANDON . . . We have been forced to cancel our New Year's Dance. Maybe we'll try again next year.

We have a busy holiday schedule ahead with our toys for needy children and our Christmas Party, but not too busy to wish all square dancers the happiest of holiday seasons and a very enjoyable New Year.

Betty & Len Fisher

HAPPY HOEDOWNERS

LEESBURG . . . When the Editor of that well known "rag", *The Square Dance Bulletin*, did a "bang-up" job of calling for us in November, we made a discovery. Gosh Danny—en I thought them thar side arms of you'r'n were fer real—but cap pistols! ! !

Our class is dancing up a storm, progressing at a great rate with the wonderful help of the patient Angels. It's a shame how one forgets that not too many moons ago they were taking lessons—and not having been born a dancer—in fact it would do them good to come to the class for a refresher run.

The contingent that went to Fontana must have put on a real program for the "gong show". It is rumored Dale Kane might need an agent to handle his publicity and talent—but he hasn't agreed to play for us here—or should we ask???

We hear we missed a grand time and food at the Barbecue and Fun Day November 10th—But how did Marvin lose his pants and shirt that were delivered to him at the dance November 16th—Did he have to come home in a barrell??? Our Harvest Pie Dance could not have been better, thanks to all who brought pies that made the evening a success. A full tummy was had by all.

"BACK HOME AGAIN IN INDIANA"

EASY TRAVEL PLANNED FOR SQUARE DANCERS

Arrangements are being made for convenient shuttle service from outlying hotels and motels for the 35th National Square Dance Convention in Indianapolis, June 26-28, 1985.

Efforts are being made to house all the 40,000 expected convention goers within I-465, which surrounds the city. At any point along that interstate bypass, shuttle service can reach the Indiana Convention Center and Hoosier Dome within 15 minutes. The arrangement makes long waits by car-less square dancers unlikely.

The interstate bypass is linked to downtown Indianapolis by Interstate-65 and Interstate-70, plus an Airport Expressway and numerous major streets, some of them one-way, multiple lane routes to downtown.

Campers at the official convention campsite inside the Indiana State Fairgrounds will be provided with unlimited passes for shuttle service connections to the convention center. The \$10 pass, which is included in the camping package price, is good for a couple and two children.

DELIGHTFUL DINING FOR DANCERS

A stunning array of restaurants within easy walking distance of the dancing site awaits

those attending the National Convention. There will be nearly 40 new eating places in operation before the convention opens. In addition, there are 40 or more restaurants long in operation in downtown Indianapolis, all within an easy walk of from one to four blocks.

The newest selection of restaurants will be in Union Station, connected by an overhead walkway to the square dance convention site. It will have more than 30 dining places in a food court with central sit-down facilities. A block and one half away from the convention site, Claypool Place has a similar food court with nine food suppliers around a central court.

Walk one block farther and reach the Capital Food Court, offering a dozen places to eat on two levels.

A walk of about three blocks takes diners to the King Cole, a perennial award-winning restaurant with an extensive lunch and dinner menu in surroundings of panelled walls decorated with master paintings. Or, dancers can find continental Italian cuisine at Maxi, where white tablecloths and an ala carte menu prevail. The restaurant in the Canterbury Hotel only 1½ blocks from the Hoosier Dome offers a rich menu with elegant surroundings and service.

(More on food in next issue.)

CAMPERS

(Continued from Page 8)

Chapter 093 will check up on the parking to make sure all will have plenty of room and also water and electric. The Limonaders of 139 will locate the Snooper office and to make sure that the Information Booth will be easily found. Joe & Fern Bush of 143, with technical help from Fred Koning, will check the sound.

Our skit lady and spouse, Ginny & Chuck Dole, are very happy for she will have a real stage and a real dressing room for the Stars, and will be able to make a Grand Entrance,

which will make her have her finest hour. Audrey Zeigler of Registrations, #018 is hoping that all Floridians will make their reservations early so that when the *NSDCA Times* hits the different areas Andy will not be too swamped. Remember, if you wish to camp with your own group, you will have to register in advance, not at the door. Also, do not plan on arriving before Sunday the 20th—that is, at the Fairgrounds, and I know that it is a rough world, but you must have a R.V. Unit parked in the Fairgrounds. It will be warm (where is it not?) however the dancing will be real cool.

As I See It (Continued from Page 12)

program.

What do you give someone who has contributed greatly to your enjoyment of square dancing? It's not always easy to be original or unique. Frequently, a special party or a form of scroll serves to say "thank you," but sometimes you're looking for something different.

A while back, we received a letter from a member of a square dance class about to graduate. The writer was requesting suggestions for a present the class might give to the caller, in appreciation of the patience and care exhibited during the learning months.

The graduates also wanted to honor the caller's wife, for they both demonstrated equal portions of TLC (tender, loving, care). Before we had an opportunity to answer, a second letter arrived: "You don't need to look any further for an idea. We came up with the perfect solution. At the graduation the end of the month, each one of this year's class is presenting to the caller and his wife, the names of one brand-new couple we have 'sold' on becoming a member of next year's class."

As mentioned, this was some time ago. The activation of this most ingenious gift has been repeated each year, resulting in a continuous, healthy growth of the club membership. A prolific award!

EDGEWATER . . . The best way to start off a new year is by being with friends. To assure us of having a happy 1986, we are going to have a *Homecoming* on January 11th, a round-up of all old friends. We invite dancers from the entire area to join us, the ones that fell by the wayside and no longer dance as well as the ones that now dance Advanced and don't realize they should still attend club dances! We will have special tips for the "rusties" and once their interest has been motivated we'll steer them to the various clubs that have beginner classes. (We don't have one this year.) This is a perfect time of year for them to rejoin. *So Clubs, send us info* as to where and when your classes are held. We need to get these people back in the squares. From coast to coast the general feeling is that square dancing is "down". Let's pull together and do our part to rejuvenate it!

We hope you all have a healthy '86 so you'll be able to join us.

Yeoman Sqabby

CLOVER SQUARES OF LEVY COUNTY

BRNISON . . . Due to illness, Chuck & Alice Hebner have passed the Presidency over to Russell & Ruth Wright, and Alice is doing well after her surgery. A "Snowbird Festival" is tentatively planned for January 11th. Call Ruth Wright (904/493-2911 Chiefland, FL) for further information towards the end of December.

We recently celebrated our 6th Anniversary with a Homecoming Bar-B-Q, Auction, Clogging Demo and Square Dance. A good time was had by all.

Herbert & Gerry Jesk

ORLANDO SINGLES

ORLANDO . . . We recently made a trip to Brevard Singles in Cocoa Beach and had a great time. We look forward to having them visit us to retrieve their banner. We're planning to go visiting again in January.

In February we plan a Sweetheart Dance for Valentine's Day honoring those who met in our club and became "hitched".

We have a couple of world travelers—Doris Linxwiler made a tour through Japan, and

Peggy Birk visited and square danced in Australia, bringing back some interesting and funny stories.

Our president, Terry Ahrens has recently advanced her career and moved out of state. We'll miss her a lot. Dee Muchow will be taking over for her, and Marie Loper will fill in for Dee as Secretary.

DRIFTERS

NEW SMYRNA BEACH . . . We thank all the dancers who supported us through 1985 and wish them all a Very Happy, Healthy, and Prosperous New Year.

During the month we visited area clubs, stealing banners every night for a week. We enjoyed their hospitality immensely. Then we finished the month with Pie Night.

Our new beginners class will graduate soon and are forming a new club called The Spindriffts.

Butch

KRISS KROSS SQUARES

FORT MYERS/CAPE CORAL . . . Our Golden Wedding Party for 16 couples married 50 years or more was lovely.

Happy New Year! We wish everyone Happiness and Good Health. This new year of 1986 is going to be a good one. We'll close the books on the few upsetting things of last year and start looking up! Lot of things are planned for the season. Many thanks to our officers who worked very hard.

Irene McKown

CHARLOTTE PROMENADERS

PORT CHARLOTTE . . . Our President, Clarence & Nelda Dyer are doing a great job making banners for our dances, and we also thank Earl & Kay Morris for the decorations for special dances. Many times we also find a special treat of zucchini bread on our coffee table, thanks to Phyllis & Marlin Schultz.

We are happy to report several members and regulars are recovering from surgery or other problems. Some are back dancing and we are happy for that.

A Very Happy New Year to All.

TWIRL-A-WAYS

TITUSVILLE . . . Our Donkey Night was a tremendous success with lots of new people earning their Donkey Badge.

Many of our couples are "On the Road Again" this week, attending the Turkey Trot Dance in Gatlinburg, Tenn. I am sure we'll all going to hear many good stories!

The Board of Directors will be in charge of the Christmas Party this year and also for the New Years Eve Party, plans for which have just been finalized.

Walt & Joyce Helm

SANDY SHOE STEPPERS

FT. PIERCE . . . November has certainly been exciting! We started off with our Amateur Callers' Night on the 9th. 6 talented amateurs tried their hands at this art; Val Wilson, Ray Sexton, Nancy Campbell, Sonny McCartney, Worley Carrier and Hugart Misskelley. Our hats are off to you! A special tribute was paid to a very special lady. 'Grandma' Follmer was made an honorary member of the Sandy Shoe Steppers for her loyal support over the years.

The 4th Annual St. Lucie County Square Dance Festival, sponsored by the Sandy Shoe Steppers, treated over 250 dancers to a full weekend of dancing November 15-16. Saturday evening dancers and spectators were entertained by skits presented by members of the Sandy Shoe Steppers and Sandpiper Squares. Many thanks to Nancy Campbell for coordinating the skits! A special thanks to Co-chairmen Bob & Edith Raitt and Hogart & Mona Misskelley, who worked so diligently to make this year's festival a wonderful success!

Debbie Krivan

ALLEMANDERS

SATELLITE BEACH . . . We're happy to welcome back our Snowbirds. They always have such interesting tales to tell.

The two lucky winners of turkeys at our November 23rd dance were Ruth & Earl Lithe, from Hollywood Squares, and Earl & Mary Titus, Palm Bay Promenaders.

We're looking forward to our annual Christmas Dinner/Dance December 7th with special entertainment by the Hank Kutz

players who will perform "The Twelve Days of Christmas."

Two special events in January — Chili Cook-off on January 11th when the guys get a chance to show their culinary prowess; and on January 25th we will have a used clothing sale prior to our regular dance.

Herb & Bettie

GROVELAND SQUARES

GROVELAND . . . Our 2nd Anniversary Dance was a memorable evening for all with a plaque being present to Harry & Marge England for service to the club. Also in October the Halloween Masquerade Ball is becoming bigger and better each year. Twice as many were in costume this year and it was a real challenge guessing who was who!

We have put out a Newsletter this fall to help the Snowbirds get back into the swing of things and help members remember special dates. Should save lots of telephoning!

13 couples went to the Kiss-A-Me Squares to retrieve our banner, stopping to share a fun supper on the way. Our friends in Kissimmee provided us a great evening and we had a ball!

We look forward to entering our float in the Groveland Christmas Parade again this year, which turns out to be quite a promotion! Later in January we are working on a Mystery Trip. This will also be a Knothead Trip for those wanting a badge. It takes a lot of time and effort to plan these special activities and Groveland is blessed with a dedicated working committee and cooperative membership who just keep right on producing successful activities!

Marge & Harry England

ORANGE BLOSSOM SQUARES

VERO BEACH . . . We're always glad to see our dancing friends come back. We had a Can Can Dance November 14th. Everyone brought a can of food for the Salvation Army to pass on to the needy. Instead of exchanging small gifts, wouldn't it be nice to do this at Christmas? I'm sure the needy folks of our towns could use the food more than we could use those gifts. It's a thought for next year.

Keep smiling and dancing.

Now that fall square dance classes are well along, and beginner dancers who are in it for the long pull have been identified, it might be a good time to measure our teaching efforts against the yardstick of dancer comments on the LEGACY survey.

Dancers consistently have told us that beginners are being taught (or exposed to) too much too fast, that a large number of Spring graduates are not prepared to dance in their clubs, and that there is too much rough and discourteous dancing. All of these things are correctible in a class which is of sufficient length and well-taught.

Both caller/teachers and club officers should realize that a well-taught dancer is more apt than a poorly-taught dancer to find success and pleasure in the square dance world, and, therefore, is apt to be a longer term dancer. It is, indeed, shortsighted for caller/teachers to graduate dancers who are almost certain to become confused and frustrated and to drop out of square dancing. It is equally short sighted for club officers to insist upon a hurry-up course of instruction and early graduation just to increase the size of a club and its treasury. What all teachers and club officers should be promoting in classes is the development of happy, long-term dancers who will be contributing to the club for many years.

LEGACY encourages caller/teachers and club officers to teach not only the basic steps and maneuvers of square dancing, but also to take time to teach the beginning dancer proper styling, proper dress, courtesies of square dancing, history and heritage, club responsibilities, and the other important, non-choreographic subjects which contribute so much to the pleasure and friendliness of square dancing.

Thanksgiving: The word "turkey" conjures up different pictures in different situations and with different people. At this time of year most of us in this country probably envision a fat bird, roasted to a golden brown and full of delicious stuffing, sitting on a table surrounded by all sorts of good things

to eat. Around the table are family and friends, and it is a time to remember how much we have to be thankful for.

Sometimes when a play or other presentation is a flop, it is referred to as a "turkey." When one breaks a bad habit, such as smoking, on his own by just suddenly quitting, we say, "He went cold turkey." And the bird's name sometimes is taken in vain by some who refer to one they dislike as a "turkey." Some years ago a very popular dance of the day was the "turkey trot" - perhaps named after the ungainly gait of the bird. Is it any wonder that there once was a move afoot to name the turkey our national bird? After all, who ever heard of an "eagle trot"?

Ballroom dancing certainly has undergone many changes since the days of the turkey trot. And square dancing has undergone many changes in choreography from the simple visiting couples routines of the 1930's and '40's to the complex choreography of today. However, the friendliness and pleasure of moving to the music in square dancing have provided a firm base, a constant, for the activity over these many years. Some feel that we are in danger of losing that golden thread, that there is a lack of courtesy, too much rough dancing, and a snobbishness built on "levels" of dancing. Let us hope they are wrong. We can afford to give up some choreography if necessary without affecting square dancing a great deal. We cannot afford to give up the friendliness and the moving to music.

We owe a great vote of thanks to the early pioneers in square dancing for establishing the spirit that has served the activity so well for so long. It is appropriate that we tip our sombreros to them at this time of year. Also appropriate is thanksgiving for life in a free society where we can dance almost any night of the week in schools, churches, recreation centers, granges, and all sorts of other places without fear that some "big brother" may be watching.

GRANADA SQUARES

ORMOND BEACH . . . Our Snowbirds are nearly all back. We recently welcomed back the Kents who have been on a world tour including India and the Far East.

We enjoyed a picnic November 10th at Bulow Plantation Ruins. Six sets had fun dancing, going on a scavenger hunt, and playing games under the direction of Bill & Katie Bonsell. The day was perfect, the food good, and everyone enjoyed!

Charlie & Marion Pease

DIAMOND SQUARES

DELRAY BEACH . . . Our demo at High Point in Delray on the 2nd had many of the residents joining us on the dance floor. On the 9th we were again asked to dance at Abbey of Delray. More of the residents there are beginning to join in. Of course some of us went to Hollywood for the S.E.S.D.A. monthly dance and on the 24th we were at Cresthaven for the Cancer and Heart Fund Benefit Dances.

Our 4th Saturday dance party was most unusual, thanks to the innovative ideas of the host and hostess.

We have verbal confirmation from Reps. Tom Lewis and Dan Mica that they will co-sponsor HJR316. We are now waiting for the written confirmation. We're proud of our Diamond Squares!

Anthony A. Castaldo

GOLD COAST SWINGERS

DEERFIELD BEACH . . . Our club is so happy to have all members returned to sunny South Florida. We expect a large turnout for our special dance January 26th.

Our caller, Jerry Seeley, has added Round Dance cueing to our Square Dancing. His round dance class meets a half hour before the square dance. Several of our members are enjoying this activity very much.

Visitors are always welcome. *Happy New Year to all.*

M. Reynolds

COCONUT SQUARES

COCONUT CREEK . . . November was exciting for us! On the 6th, Clyde & Ginny were united in marriage with a square dance

wedding at Coconut Squares where they first met. Attending were Coconut Squares, Rainbow Squares and many friends and relatives, including Bill & Louise Roundtree from Satsuma. On November 20th the 7th Anniversary of our club was celebrated with a potluck dinner and dance. We had a large three-tiered cake for the wedding and another beautiful decorated cake for our anniversary party.

We would like to say "Welcome Back" to all our Snowbird Square Dancers.

Come join us for our Weight Watchers night January 15th.

The Original Coconut

GANDY DANCERS

TAMPA . . . Since we have two weeks off for the holidays, it will be great to get back to dancing in '86. Let us look forward to the New Year with much enthusiasm.

We will be closed January 20th for a special dance in Largo. January 27th will be party night and we extend a special invitation to everyone. You are always welcome to come square-up with us every Monday night.

We wish all of you a Happy and Prosperous New Year with lots of smiles and good dancing.

Ginny Leonard

WAGON WHEEL SQUARES

ST. CLOUD . . . How about a big cheer for Banner King & Queen, Marge & George. Their enthusiasm is catching and the group is getting bigger with every raid.

A very large group of Space Trackers showed up at our Hobo Dance to steal our banner and George said he'll get a group to get it back real soon. Ed & Laurette worked hard in the kitchen and the stew was fantastic.

More snowbirds appear every week. We welcome them back and look forward to a fun time this winter with them.

The Thanksgiving basket was presented to a needy family who were happy to know someone cares.

We wish all our dancing friends a Very Happy New Year.

CIRCLE WEAVERS

LEESBURG . . . The year 1985 is drawing to a close, and for Circle Weavers it has been busy, exciting, and fun-filled. It was successful for many reasons; holding our dances in the beautiful recreation hall at Lakes at Leesburg has been a plus, as has been the caliber and variety of our guest callers. A special plus has been Ivan Hill, who cues rounds for us. We thank you all.

Much of the success is due to the efforts of our president, Tom Thompson, and his taw, Jewell, and to Merle & Eva Rhimes for their help in organizing our beginners classes, and to Jack & Esther Decuypere, our past president, for setting a precedent, for keeping our club functional and successful. We do regret the resignation of our club secretary, Ethel & John Curry. We extend condolences to Harvey Wayne and to Evelyn Blank on the deaths of their respective brothers.

Our November 30th *BOW & SWING* Subscription Dance was a great success, with 21 plus squares. We are looking forward to 1986 with a picnic, a mystery trip and several other events planned.

We extend to all our friends best wishes for a successful and happy new year. Come dance with us. You'll be glad you did.

Evelyn Blank

GOLDEN TRIANGLE SQUARES

EUSTIS . . . We hope the New Year finds everyone in good health and good spirits. If not, come square dancing. It's guaranteed to cheer you up!

The Mystery Trip the Shepherds planned for us was a huge success. The biggest mystery was whether or not we were *EVER* going to stop to eat.

Big things are planned for our "Happy '86 Dance". We'll be looking for you in a square. We all need the exercise after those holiday goodies.

Happy Dancing.

Bob & Lillian Sheehan

SUNDANCERS

TITUSVILLE . . . We wind up 1985 with remembrances of fun and fellowship at our

club dances. Some of the special highlights of the year were our Surprise Anniversary Dance for our caller, Dale McClary and his taw, the Hobo Dance, and our Holiday Dance.

Our new officers will be elected in January and we are looking forward to 1986 with much enthusiasm.

We invite all of you to dance with us on Sunday afternoon.

Happy New Year to all!

Patricia Deitz

TRAIL BLAZERS

APOPKA . . . The holiday season is a very busy time for all square dancers, with Christmas and New Years Eve dances, plus shopping for those we love. But somehow square dancers get everything done.

Our combined New Years Eve dance with the Big Potato Squares is sold out, and we are looking forward to a great time.

We're having a P.J. Party on January 14th. We hope you will come and join the fun and remember to wear your P.J.'s.

Happy Holidays to all.

SQUARE DANCER SUED FOR KICK

A fifteen year old Crossville, Illinois girl has been sued for allegedly injuring someone through "negligent, unreasonable and uncontrolled dancing". A suit filed on behalf of David McGregor said he was kicked in the leg in 1982 by Connie Coston during a square dance. His suit seeks an unspecified amount of money for medical treatment and suffering. The nature of his injury was not described.

Editors Note: We know that callers do not teach dancers to do any "kicking", but youthful exhuberance sometimes takes over. We hope the above excerpt will help dancers to be more careful.

CALLERLAB

THE INTERNATIONAL ASSOCIATION
OF SQUARE DANCE CALLERS

Callers Working Together

During these times, when Square Dancing seems to be facing a number of challenges, we need as many interested people working together as we can get. To that end, The International Association of Square Dance Callers continues to seek and encourage callers to become members, subscribers or apprentices and to work with their peers for the betterment of Square Dancing.

Full membership in CALLERLAB requires that a caller attend an annual convention. For some callers, because of their jobs or other good reasons, attendance at the convention is not possible at the time they become eligible for membership. It was for these callers that the *Subscriber* category of affiliation was established. *Subscribers* must meet the same eligibility requirements as full members but do not have to attend a convention. When they do attend their first convention, they automatically become full members, provided their dues are paid. *Subscribers* receive CALLERLAB publications and liability insurance.

Some newer callers who want to be a part of CALLERLAB do not yet meet the prerequisite of having called an average of 50 dances per year for the 3 years prior to application that is required for the full member and subscriber. Recognizing the need to open the doors to these newer callers, the *CALLERLAB Apprentice* program was established in 1985. *Apprentices* receive publications and may attend the annual CALLERLAB convention where a special pre-convention education program will be available to them. They receive the liability insurance; however, they may not serve on committees nor are they permitted to vote.

It is suggested that dancers may want to encourage their caller to become affiliated with CALLERLAB in a category that meets his or her needs. The message for its members is, "Recruit! Recruit! Recruit!". CALLERLAB also takes this opportunity to remind its members that recruiting is much more effective when the recruiter presents a

good example of what the organization stands for.

Election Results

The following callers were elected to serve on the Board beginning at the upcoming 1986 CALLERLAB Baltimore Convention to be held in March: Red Bates, S. Hadley, MA; Darryl McMillan, Lynn Haven, FL; Jack Murtha, Yuba City, CA; Stew Shacklette, Brandenburg, KY; Gary Shoemaker, Carrollton, TX; and Gene Trimmer, Paragould, AR. Stew Shacklette is the 6th elected representative and will serve the unexpired term left vacant by Al Brundage's resignation. Congratulations!

By Howard & Peggy Thornton, Presidents
National Square Dance Convention Executive Committee

Guaranteeing the finances of a National Square Dance Convention and all its auxiliary features is a precarious responsibility for the sponsoring organizations, and some have come out with considerable balances for the promotion of dancing in their areas, while others have shown losses (and it's a real challenge to raise finances to cover this situation after Conventions have been completed).

Although the National Executive Committee makes every possible effort to guide future Conventions to financial successes, it does not guarantee to repay any losses—or share in any of the profits, surpluses, unassigned liabilities, or whatever groups may choose to call their gains. These amounts are distributed among the various square dance organizations and other situations as outlined in the sponsoring group's original bid proposal.

Most of the extra funds from Conventions come from auxiliary functions rather than registration fees paid by dancers—which frequently do not actually cover the expenses. These include ways and means funds from sale of belt buckles, bolo ties, jackets, license plates, art work, cook books and many others—advances by square dance groups and the rental of booth exhibitor space.

Most Conventions have assigned some of their extra funds to organizations such as Legacy, Callerlab, future Conventions, and among state and district organizations according to the required advance plan.

National Square Dance Conventions are "big" business, and offer the opportunities for severe problems of finance. The total income from the recent Birmingham Convention was \$590,394 including \$61,847 from the sale of shuttle bus passes (and this still showed a loss of \$16,945, part of which the Birmingham Metro Transit Authority and Convention groups have agreed to absorb). Although handicapped by a lack of housing, Birmingham will still have a small surplus to distribute among its sponsoring organizations.

The 1984 Baltimore Convention distributed \$19,250 (as well as setting aside \$10,000

for a future Convention) among the following organizations: Mason Dixon Federation and Clubs, Callerlab, Legacy, Roundalab, WASCA, Delaware Valley, Susquehanna Valley, New Jersey Council, Del Marva Federation, Baltimore Square Dance leaders, and South Central Pennsylvania Callers Association.

The 1983 Louisville Convention, 2nd largest in history with 30,953, had many methods for use of its funds including expanding, improving and subsidizing the Kentuckiana publication, *Squares and Rounds* (it's now free to all members); a free dance for all workers including paying for their Convention badges, all loans were repaid at 200%, and a trust fund established and guided by a group of trustees—the interest going quarterly to the Association. Louisville offered to loan Indianapolis funds for their early expense, although this was not needed.

The 1978 Oklahoma City Convention donated \$18,750 for a new fountain, yet to be erected, in the Myriad Gardens (in appreciation for the city covering a loss of more than \$30,000 for providing electricity and water for almost 2000 RV's), set aside \$10,000 for a future Convention, and distributed the balance among the state and 9 district organizations based on registered dancers before May 1.

The 1977 Atlantic City Convention in addition to grants to many groups, used \$21,385 for caller and round dance leader scholarships, federation office equipment, leadership programs, beginner dances, and including an interest-free \$7,500 loan to the 1984 Baltimore Convention.

The 1976 Anaheim Convention perhaps had the most financial problems—largely because of the all-time high attendance of 39,796 which required practically every available bus in southern California resulting in a very large loss, as well as the expensive preparation of two movies covering the Convention and the historical pageant.

Financing Conventions

(Continued from Page 56)

After several years these losses were finally covered largely thru dances at Disneyland, sponsored by many of the Board members of the 1976 Convention—the 25th.

The above examples are typical of the vigorous efforts by all Conventions to please the dancers, and give them every possible benefit from any funds that might remain after all the bills are paid, such as the free buses at Indianapolis in 1966 (paid from cook books), and in Philadelphia in 1967, and the gross income of \$59,449 at Indianapolis in 1966 compared with \$590,394 in Birmingham in 1985.

The future of National Conventions looks mighty bright with Indianapolis and its excellent facilities including the Hoosierdome plus its many large close-in hotels already running several thousand ahead of

all previous conventions and threatening the all-time high attendance; Houston and its Astrodome complex and great hotels plus the Astroworld Amusement Park; Anaheim and Disneyland with two huge new adjoining hotels and a greatly expanded Convention facility; and Oklahoma City with more than ample Convention facilities and several thousand more hotel rooms than in 1978.

The National Executive Committee which will hold Pre-Convention meetings in Houston from March 18 to 23, 1986, and at Anaheim from March 24 to 29, 1987, will continue its efforts in assisting future hosting groups to have fine Conventions, and as long as dancers continue to return home saying "We had a great time, and we're already registered for next year", rather than "I'll never go again"—the future is mighty good. Perhaps that's why already nine cities have indicated they're interested in bidding for future National Conventions.
