President's Message

Florida Callers Association

• SQUARE DANCING IS FUN •

All FCA callers should have received the results of the callers questionnaire by this time. The results have also been sent to CALLERLAB for their use. Your participation in completing the questionnaire was greatly appreciated.

Each caller should be receiving information from the Travelodge Hotel in Orlando concerning reservations for the FCA Fall Clinic in October.

Each of you will also be receiving a questionnaire early in August concerning your availability for calling at the next State Convention. I also request that the Presidents of the Area Associations or their representative be present following the Fall Clinic to assist in programming the 1987 State Convention.

It was discussed and generally agreed to raise the FCA dues to \$25.00 for the coming year. I will be mailing out a proposed change to the FCA By-laws that will be voted upon at the Fall Clinic meeting concerning increasing the FCA dues.

I would like to extend a welcome to the following new Associate and Full Members of the FCA. New Associate Members are Jay Wiggins, Louise Tanksley, Gene McCall and Allen Snook. New full members are Johnny Sicuranza, Michael Cox, Bob Belanger, JR Bledsoe, and Ramsey Hammers.

R. J. Hogan is to be commended for his efforts in arranging the Caller evaluations at the State Convention, sometimes with no advance notice. His efforts were appreciated.

It was a pleasure to see Carl & Carol Rod's smiling faces at the State Convention. Carl will serve as State Convention Caller Chairman for 1988 in Orlando. Earl Steele will serve as our representative for 1987.

FLORIDA FEDERATION of SQUARE DANCERS

PRESIDENT'S MESSAGE

For those of you who didn't attend the 33rd Florida State Square & Round Dance Convention, you missed out on a super good time. All levels of dancing were great!

It was sad to see so few callers and dancers from all over the state be so non-supportive of this big event.

After all, it benefits the Florida Callers Association as well as the Florida Round Dance Council and the five Associations throughout the State of Florida.

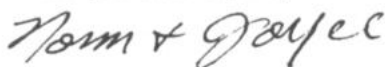

The '87 State Convention Committee had a beautiful Kick-off with '87 "Dancer's Heaven" as their theme. We all have a whole year to plan for this big event. Let's keep this date open on our calendars and all unite together and show up in large numbers to prove we are all working together, dancers and callers alike, to put life back into square dancing and keep it growing as a fun hobby with enthusiastic participation.

Before saying so long and hope to see you at the National Convention, I'll end with the following article I clipped a number of years ago which holds so much meaning:

WHAT IS YOUR MIND LIKE?

Some are like a parachute -
No good unless they are open
Some are like a wheelbarrow
No good unless pushed
Some are like canoes
They have to be paddled
Some are like kites
If you don't keep a string on it—it flies off
And then there are some good minds like a good watch
Open faced, pure, gold quality, busy and full of good works
Which mind have you?

See you in a Square,

A handwritten signature in cursive script that reads "Norm & Joyce".

ASSOCIATION NEWS

CENTRAL

It's been an exciting year! Many of our goals were accomplished. It's reassuring to see our Association so well recognized today, when a few years ago most dancers asked "What is the Association?" As more dancers find out our organization is only interested in helping and improving Square Dncing they will hopefully become more involved. We are here to help clubs who want and need assistance.

Our publication, *Keepin' Posted*, is the result of a lot of hard work on the part of a few dancers who volunteer to dispense information and help both Clubs and Dancers as they promote regular dances, classes and special events at no cost to the dancer, since it is financed by its advertising. If you enjoy it, let the Richardson's know you appreciate the terrific job they are doing.

Congratulations to our Treasurer, Roland & Marcy Hamel, who were recognized as Central's Outstanding Couple of the Year at The State Convention. They are very deserving of this award.

We thank everyone for the help and support given during the past year. You are the Association and that is why it is growing.

Congratulations to the newly elected officers for the coming year: President, Dewey & Donna Hendricks; Vice President, Roy & Donna Lee Brown; Treasurer, Roland & Marcy Hamel; Secretary, Randy & Carol Poole; V. Pres. Blood Bank, Harry & Loretta Lackey; V. Pres. Area Dir. Tom Minchew & Betty Belsky; Brevard Co. Council Pres., Arelee & Henrietta Kroetsch. County Directors are: Brevard-Jack & Zonie Taylor; Orange-Bill & Ann Cobb; Seminole-Glen & Mary Lundquist; Osceola-Paul & Thelma Marx; Volusia-Bill & Jeanette Riley; Lake-John & Ruth Duesing; Sumter-Carl & Jo Ann Fox; Indian River-Bill & Betty Weckerle.

Our final suggestion to all dancers is—"Get involved in *your* Club and *your* Association. The more you give the more you will gain". You will be glad you did!

Best wishes for a very successful year for the Association and all the clubs in the Central area. It has been a pleasure to work with all of you and we will continue to do all we can.

We leave you with our very best regards.

The Wilsons

NORTHEAST

The Beach Bash was a great success with 40 squares. The proceeds were donated to the Council on Aging at the beach. They collected \$1700 and certainly deserve a pat on the back.

There were 20 squares in attendance at the Presidents Ball and, as usual, everyone had a good time.

NEFSARDA has more people signed up for the USDA insurance at this time and they are leading the rest of the state for enrollments.

Hank & Linda Snow are off for Denver, Colorado and then on to Texas, so next month there should be lots to tell about those areas.

Happy dancing — See you across the square!

Hank & Linda Snow

NORTHWEST

The NWFSRDA held its regular meeting at PASARDA Hall in Ft. Walton Beach in conjunction with their Anniversary Dance.

A moment of silence was held for two of our Northwest members who passed away recently, Bill Whisenant, Carrabelle, and Mickey Pumphrey, Donalsonville, GA.

We are growing right along in membership and making plans for a fantastic State Convention in Lakeland, which we are hosting, and which will be history by the time you read this.

Also, the Northwest Round-Up is proceeding with gusto. Please make your plans to attend. This year we will have Elmer Sheffield and Darryl McMillan calling, and Kit & Hoss Waldorf cueing.

Lori Whisenant

SOUTHEAST

Many dancers enjoyed our May Clinic at Central High School in Fort Pierce. This was our first clinic in St. Lucie County since they became a part of the Southeast Association last year. Many of the dancers enjoyed continued fellowship over dinner after the dance.

The 1986 State Convention is now history. Many Southeast dancers enjoyed the dancing and the after parties. This was the first

ASSOCIATION NEWS

SOUTHEAST

(Continued from Page 8)

State Convention that Garland and I attended and we thoroughly enjoyed it. We hope to see you next year.

I hope you all got to see the Southeast's "Surprise Square" in the Parade of Fashions on Saturday Night at the Convention. If you missed them, you'll have at least two more opportunities to see them this year. The 'Swaparounds' have gotten two more bookings; but, you will have to attend the festivals or conventions to see them perform. (You may be able to find a photo of them on the picture pages of the Convention in this issue.)

A reminder to all Southeast members - The election of officers for 1987 will be held at the July Clinic. Please make plans to attend to cast your vote.

NOW is the time to make your reservations for the S.O.S. Dance, October 17-18 at the Colonnades Beach Hotel. You can pick up registration forms at your clubs, the Southeast Clinics or see our ad in this publication. See you at the S.O.S.!

WEST COAST

Our last membership dance before summer break was held May 4th at OxBow Hall in Pinellas Park. Earl Steele called and Pat Fiyalko cued a fine dance. Approximately 22 squares had an enjoyable afternoon.

On Memorial Day Weekend, at our State convention, we enjoyed 3 days of square and round dancing to a dedicated group of Callers and Cuers. We commend the Northwest Association for the fine job they did. Charlie & Madeline Lovelace were inaugurated into the Florida Square & Round Dance Hall of Fame. Achievement awards were presented to Ron & Marylee Von Valkenburg, Ken & Mae Ford, and Jean Fultz (for Hugh and Jean). The honor was well deserved by all.

The West Coast Association, hosts for the 1987 State Convention, had their Kickoff on Sunday evening amid many "oohs" and "ahs". It was a rainbow of colors. The theme for 1987 is "Dancer's Heaven in '87", which is the goal we will attempt to achieve. We will be dancing at the Civic Center and at the Lake Mirror Auditorium.

Mario & Lena Gatto

NSDCA-INTERNATIONAL

The NSDCA International Camporee will be held July 22-23-24 at Sarasota. The days are now getting down to a precious few. We had our final meeting at the State Convention, consisting of reports from the various committees. The Montean (093) with their band of merry men, are ready with stakes and signs. Our Arts & Crafts couple, Bob & Laverne (081) have all their supplies and cannot wait to get their closet back. Jean Eaton (139), our Goodie Bag lady, is storing everything in her guest room and hopes they will not get any unexpected company for something will have to go. Jean & Len say we will be assembling the bags Saturday night July 19th and our Florida Orange Juice will be cooling off, ready for arrivals on Sunday July 20th at 8:00 a.m. Fashion Show Coordinator, Barb Holt, has a most interesting script, but all that she would say is that the Grand Finale would be showing the different club outfits, so be sure and have your prettiest models ready as there is the possibility of this leading to the beginning of a glamorous career.

One of the hardest convention programs to make up is the Dance Program. Oscar & Ann Palmer (128), with able assistance from Lefty & Georgia Tidd and Wayne & Marge Lundberg, have come up with a most interesting, relaxing dance program and the workshops should be relaxing with not too many figures taught. After all, this is a vacation and not a mind-boggling session. The Recreation and Sports Committee of Rod & Dottie Freeman (080) are ready with a large grassy area to play in, a large awning to rest under, and cool, refreshing lemonade to sip.

Ray & Jean Williams, Chairpersons, have bragged, modestly, of course, that they have, at times wore two hats. Ray & Jean, if you were at the State Convention when the West Coast Association was putting on their 1987 Kickoff, you would have seen many of your committee members wearing two hats. Sorry to have to disillusion you two, 'tis a rough world.

All committees have done their best and we hope many will come and camp with us and dance with us in our air-conditioned halls and enjoy all we have to offer, and as Andy & Audrey say, "Keep those reservations coming in." Til then, Happy Dancing and Camping and safe travelling.

AS I SEE IT

BOB OSGOOD — LOS ANGELES, CALIFORNIA

Every year about this time, when the annual National Square Dance Convention is the key item of conversation among dancers, we think back to 34 years ago, when the three late, greats Carl Anderson, Walt Bowman and Ed Gilmore, who were the proud fathers of the National Convention, came into the office to talk about their brainchild.

Since the mid-1940's, the big dances—some were called festivals, others roundups, some stampedes or hoedowns—were touted as “the frosting on the cake.” At first there were no classes as such. Folks just joined a square dance group which gradually evolved into a club and for the most part, dancers stayed within the perimeters of their own group. Usually they “stayed put,” dancing with just those who, like themselves, were members of the group.

Then the growing square dance “explosion” reached boom proportions and by 1948, club leaders saw the advantages of combining with others and forming associations. These, in turn, offered, as one of the advantages, an opportunity for dancers in the area from various clubs to gather together for a big three hour dance on a Sunday afternoon.

There were many of these scattered across the country and for the first time, dancers began to experience the full scope of the activity, meeting dancers they had never met before and hearing, for the first time, callers who, amazingly enough, could be understood and followed just as they understood and followed their own home club caller. This was a giant step for square dancing.

Dancers began to visit other clubs and dance to other callers. Soon they found it fun to travel longer distances, to other areas, to other states to join with friends they had never met before in a common, friendly activity.

By 1951, the popularity of festivals had grown to such proportions that they were attracting upwards of two to three thousand dancers for a single multiple-caller dance. By now, these big events were an accepted part of the activity and some areas were extending the festivals to two-day events run by the local dancers and callers and by associations within the area.

It was only natural that from this would come an even grander idea. As we talked together,

Carl, Walt and Ed expanded on their plan. It had become obvious that with the rapid growth of square dancing, there was an increased need for an exchange of ideas—a place to go, not only to dance, but to learn from each other how to dance more smoothly, how to recruit and retain dancers and with time to discuss other important topics of the period.

It was one thing to learn from others within the same town. It would be quite another thing to share this knowledge on the broadest scale possible—on a national basis. The plan was a bold one—never before tried. The event would be called a Convention; a word that separated itself from being just another festival where people came to dance. Here, leaders would take part in educational seminars, along with the dancing.

With less than a year to plan and with no preset guidelines to follow, this trio, with support from their local dancers, set out into the unknown. The dates: Friday, May 30, 1952, thru the following Sunday, were selected. Knowing what they wanted to accomplish, the sponsors of the National Square Dance Convention “number one” pulled out all stops, invited dancers from all parts of the country, acquired the support of the Cow Counties Hoedown Association and the City of Riverside, California, as co-hosts of this Memorial Day classic.

They say the first of anything is often the best simply because it is the “first”. In this instance this was true. In their wildest imagination the dancers in the area had only hoped that they might make a substantial contribution to the world of square dancing. Looking back 34 years, one can see that it was not only a substantial contribution but one that set guidelines for all future Conventions.

Hoping for 3,000 attendees, dreaming that they might reach 4,000, the sponsors were flabbergasted when 5,200 eager square dancers stormed the city to be a part of what was to become a yearly tradition.

What started out as a dream became a reality. Kansas City picked up the ball for National number two in March, 1953, and the story

(Continued on Page 13)

AS I SEE IT (Cont'd from Page 12)

from that point on is public knowledge. Differing in many ways from "just another dance" the National has set guidelines for the activity. It has become the "Showcase" for square dancing, looked upon with amazement by civic groups who can't understand how such a gigantic undertaking of this type could be accomplished by volunteers.

When you stop and think about it there are many things that are remarkable about our National. It does provide the opportunity for an area to offer square dance hospitality to dancers from all over the world. It gives callers

and teachers an opportunity to be seen and heard by thousands who might otherwise never know of their existence. It gives dancers a chance to meet and dance with others and to experience at first hand the broad scope of American Square Dancing.

As the Big Event moves into its 36th year, we can't help but rejoice at the foresight of those three who had a "dream" along with the hundreds who picked up the torch and carried the idea forward. The activity is richer for what they have given us.

Dancer's Heaven

Hosted by the West Coast Square & Round Dance Association

One Convention is over and our Convention starts. "Dancer's Heaven in '87" is what you will read and hear throughout the State in our many square dance publications and dances. This is our slogan and our way of saying we are going to have a Convention for the dancers and give them a dancer's dance. Our Chairman is Murl & Sally Herbert, Vice Chairman is shared by Cris & Trudy Nissen and Carl & Hazel Smith. I mention these names as Murl at times will not be able to travel so one of these three couples and other members of the committee will be traveling in his place and they hope to cover every major function throughout the state, plus the National at Indianapolis, Indiana. Our plans at this time are complete and all that is left is to carry them out. While on the subject, may we congratulate the "Swing & Mix in '86" for an extra nice convention. It will be hard to follow a good performance like yours.

At the last meeting of the committee, our Vice Chairman of the Callers, Earl Steele, made a statement that I thought was quite appropriate, "It would be unpatriotic to our Square Dance Movement not to attend the Florida State Square & Round Dance Convention." We know that the Florida Callers Association will bend over backwards to have the best callers in the state on our program and we have some of the best callers in the nation. Frank DuBois is our Vice Chairman of the Rounds, and he has committed the Round Dance Council of Florida's full cooperation to make this convention the best.

We expect all clubs in supporting this convention to cancel your dances in favor of the Convention and urge your dancers to attend the proceedings in your club outfits and march in the Grand March. This is an excellent way to show off your club. Also plan to have parties after the dance with fun games. This will make a lasting impression on our newcomers to our festival. One of the clubs even went so far as to have a dance in the parking lot next to the motel till the wee hours, so we have given you notice—make plans to attend the 1987 Florida State Square and Round Dance Convention in Lakeland, Florida May 22, 23, 24, 1987.

To mention a few of the activities of the Convention, we will have all levels of dance to please everyone, including Squares and Rounds. There will also be a hall for Clogging to keep our families together, workshops, fashion show, sewing clinics, entertainment, and skits.

I have never been known not to steal something from someone else, in fun of course—and this is no exception. Our Good Will Ambassador for "Dancer's Heaven in '87" is none other than West Coast Willie. He even has his outfit made and ready to go. Thanks to the Northwest Association for the idea of the Good Will Ambassador.

Well enough for now. I will fill you in more later.

Squarely yours,

*Jack Pierson

CHASE CROSS & TURN - FOR THE PLUS DANCER

Some time ago we published a number of ideas that followed the selection of Scoot Cross & Turn as the Mainstream quarterly. Of the "bunch" it seems like the variation of Chase Cross & Turn for the Plus program has received the most amount of interest. The action is a natural as from standard couples back to back the Chase Right action leaves the girls facing in ready to do the right hand cross action, and the boys facing out, ready to reach over for the Courtesy Turn. *You can call this cold and most dancers will pick it up without batting an eyelash.*

USING SCOOT BACK FROM THE 1/4 TAG FORMATION

The recent CALLERLAB Convention affirmed the use of Scoot Back from the 1/4 tag formation. This idea is not new, in fact it has been around longer than CALLERLAB. There was some objection to its use as it did not fit the definition of Scoot Back by the Mainstream Committee. We now have the issue cleared up and for most plus dancers it will provide a nice addition to the choreography available.

Starting Formation — 1/4 TAG Formation

The Action — The center wave dancers step ahead and do a turn thru with the outsiders. The outsiders remain facing out after the turn thru as the center dancers return to reform the wave. The original end and center dancers in the wave will have traded places as a result of the action.

Ending Formation — A 3/4 Tag Formation.

Teaching Hint: I like to teach from a 1/4 tag formation made up of four boys/girls in the wave. By doing so, I can explain that the wave dancers (boys) will step ahead and do a Turn Thru with the girls then return to reform the wave holding the right hand of the same boy who was adjacent to you, only you will have exchanged positions, etc.

ZEROS BY THE DOZEN

Back in the February issue I gave you a number of Zeros that work from the formation we have when *Heads Square Thru 4 hands*. I am going to go a mite further with the same idea this month. I will be using *Pass The Ocean* quite frequently this time. I like to use *Pass The Ocean* because you can set so many things up and get dancers into almost any position you want by doing a little "trading". Not horse trading, but dancer trading. Like so:

Square Thru 3/4s - Trade By -

Star Thru - Pass the Ocean

Girls Trade and - Recycle

Square Thru Four - Don't ask why

When you're thru - Trade By -

(back to Zero)

By trading either the Ladies or the Gents, you can get your dancers into many positions that you can work from. The first thing though, which is almost always the case, you should find out what certain movements are equivalent to. For instance:

**One and Three Pass the Ocean
Boys Trade and - Recycle -**

(This equals a Star Thru)

The same thing works from lines of four

Heads Right and Circle to a line

Pass the Ocean - Boys Trade

Recycle - Square Thru 3/4s

There's Corner, Left Allemande...

A complete *ZERO* like this:

**Heads Star Thru - Pass the Ocean
Girls Trade - Recycle -**

Of course that will also work from lines of four and it's especially good for your dancers who have just graduated because you are using a lot of basics, and that is what beginner dancers need, lotsa' basics. One other thing to remember when you're using *RECYCLE* — You can work your way out of many things with that Sweep a Quarter. Give it a good workout and find what you can do with it.

**Heads Square Thru Four
Pass the Ocean - Recycle -
Sweep a Quarter more -**

(back to Zero)

The above works just as well from lines of four. Work on these things and you will like the way you can change them around.

Florida Profiles

by Marge Lundberg

Freeman & Lynn Pettus

Freeman & Lynn Pettus, Lakeland, had met at the local recreation center where he was teaching a beginner square dance class and she was a student. They married in January, 1980. He is from Southern Ohio and she is from Vancouver, British Columbia.

They have three square dance clubs: The Gator Promenaders, Lakeland; the Villa Curli Q's, Tampa; and the Kings Point

Swingers, Sun City. They also have numerous guest dates around the state.

Freeman & Lynn are on the Fall Jubilee staff at Fontana, North Carolina and have been enjoying this event for the past six years. Freeman was "Roasted" there. He is President of the Suncoast Caller's Association and a full member of the Florida Callers Association.

Freeman is an estimator with Corbesco and likes to work out square dance routines on the computer. Lynn is the administrator of the Polycare Home Health Agency and likes to read. Steinbeck is her favorite author and she is currently reading Richard Bach's, "Bridge Across Forever."

Lynn thought Freeman's hobby was cooking. "Before we were married," Lynn said, "Freeman told me he was a good cook, and I still don't know if he is or not."

This past Christmas they met 10 members of Lynn's family at a remote ski resort in the Rockies. While learning to cross-country ski, Freeman hurt his ankle. He had to stay at the lodge, drinking Black Russian tea, while the others headed for the slopes.

Several months ago they moved into a new home. The entire house opens to a pool patio that has a screened extension which borders a wooded area on their property. Freeman likes to work in the yard, and I don't mind the housework," said Lynn. "It's so easy. We both like to swim. And, in the early morning or late afternoon we watch the squirrels and rabbits."

Freeman tells the story of the night the Spinning Wheels Square Dnce Club came to his dance on a mystery bus trip and to steal the local club banner. The club banner was out so they threatened to take his pants instead. He knew they were kidding but he thought he would go one better. During the evening, he slipped on a T-shirt and shorts under his clothes. While calling the last tip, he removed his shirt and pants, in slow motion . . . an unforgettable performance. The Spinning Wheels took the pants.

Freeman wants to be remembered as a professional square dance caller who cares about the dancer. His goal is, "To give every dancer a good time and to promote square dancing as a wholesome family activity." He has called square dancing for 17 years with no plans to go in the business full time. "It's more fun this way," he said.

Editor's Note: If anyone writes in for their favorite caller or cuer to be featured, Marge Lundberg will be glad to interview them.

Florida Square and Round Dance HALL OF FAME

On May 25th, Charlie and Madeline Lovelace were inducted into the Florida Square and Round Dance HALL OF FAME before a large audience in the Lakeland Civic Center Arena. Recognized nationally as top traveling teachers of rounds, they are always extremely generous in helping Florida teachers and dancers to improve their knowledge of dancing and teaching abilities. They have been vitally instrumental in influencing the proficiency of dancers and teachers throughout Florida as well as the United States. They conduct annual clinics in Tallahassee and Jacksonville. The Round Dance Council of Florida and the Florida State Convention have both benefitted greatly from their participation. Charlie is past president of the Round Dance Council of Florida and one of the organizers of the Sunshine Festival, serving as a permanent staff member.

After presenting the Lovelaces with their plaque, Chet Vetter, announced that the current Operation Committee composed of Mori Sogolow, Marty Martin, Art Springer, and himself, were stepping aside, and named as the new Operation Committee were Leo & Mary Richardson, Jerry & Sunni Thomas, and George & Rita Deschambeau. These three couples are deeply involved in state organizations, representing Dancers, Cuers, and Callers.

Although laying aside the duties connected with the Operations Committee, the original Committee members will continue to support the Hall of Fame activity, and promised to be readily available to assist the new Operation Committee. Marty Martin, owner of Strawberry Square, has graciously offered to continue as Curator of the Hall of Fame.

At the 1982 mid-winter meeting of the Florida Federation of Square Dancers, Mori Sogolow made a suggestion to establish a Florida Hall of Fame. The mechanics and criteria were worked out by a committee of Mori Sogolow, Marty Martin, Art Springer, and Chet Vetter. Marty Martin of Strawberry Square offered the use of his hall as a permanent home where plaques of the inductees could be displayed. Some months later, it was decided to also

display on the walls of Strawberry Square, pictures of all past Presidents of the Florida Callers Association, Round Dance Council of Florida and the Florida Federation of Square Dancers.

In May of 1983 the first inductees into the Hall of Fame were announced; *Kay & Ed Mack, Jim & Helen Galloway, and Gene & Ima Baylis.*

In 1984, inductees were; *Don & Marie Armstrong, Jimmy & Elizabeth Clossin, Bart & Ruth Bartley, Harry & Helen Moore, and Al & Dot Cody.*

1985's inductees were; *Gordon & Edna Blaum, Jay & Mike Fenimore, and Jack & Carolyn Lasry.*

The original Operation Committee is to be commended for its creativity in the development of the Hall of Fame, and the many years of dedicated effort devoted to this program.

The committee receives suggestions and resumes throughout the year. Those on hand the last day of December go out to the Selection Committee in January. (The members of the Selection Committee are unknown to one another.) The ballots are returned to the Operation Committee, who count them and determine if a nominee has received enough votes to be inducted into the Hall of Fame.

Nominations for the Florida Square and Round Dance Hall of Fame should be sent before January 1st to:

George & Rita Deschambeau
2120 Terrace Blvd.
Longwood, FL 32779

Criteria for nominees is as follows:

1. 10 or more years involvement in Square or Round Dancing in Florida.
2. Must have had a significant effect statewide as a caller, cuer, dancer, promoter, teacher, organizer, vendor, or publisher, and given much time and unselfish labor to square dancing.

The Florida Square and Round Dance Hall of Fame is self-supporting. Hall of Fame dances are held periodically to cover expenses connected with its operation.

SQUARE DANCE INSURANCE

The previous article on insurance pointed out why every Florida Square/Round/Clogging/Contra dancer club and association needs liability protection and accident/medical benefits while conducting and sponsoring dance activities.

Several recent occurrences vividly bring the point home. We feel an obligation to let you know about them.

(1) The Pensacola Council, with a membership of ten clubs, had scheduled a special Valentine's Dance months previously at the Municipal Auditorium. Two days before the dance, the city made it known they would no longer provide liability insurance as they had in the past. Local agents quoted a fee ranging from \$400-\$500 to cover the one night dance. If expedited action had not been taken by the Northwest Association, State and USDA Insurance Chairmen, this special dance would have had to be cancelled.

In addition, the city advised that all clubs using city facilities would have to show proof of liability insurance. Since the Council and clubs are members of the Northwest Association and participants in the insurance program offered by the Florida Federation of Square Dancers, all dances, regular and special, are being covered by a "Certificate of Additional Named Insured" at no additional cost in accordance with provisions of our policy.

(2) Another example occurred last Fall when a club scheduled a dance at the local National Guard Armory. At the last minute, the Armory advised that the club would have to provide proof of liability insurance. Unfortunately, the club was not a participant in the Square Dance Insurance Program and we understand they went on the local market for coverage at a cost of about \$300.00.

We may have a trend on our hands as more and more owners of public and private facilities are demanding groups to show proof of liability insurance before they will allow use of a facility.

It is suggested that all associations and club leaders give the subject of insurance serious consideration.

Cancellation of dances for the lack of liability insurance could do great harm to the activity. If you desire more information, contact your local Association Insurance Chairman.

The insurance program is provided for you by your State Organization as a service to its members. No Square Dance organization or insurance chairman receives any remuneration for managing the program. Five cents of the \$1.15 dancer annual premium is retained by each organizational level (area association, State Federation, USDA) to cover administrative expenses.

See Page 26 of the April, 1986 issue of *Bow & Swing* for additional information on this insurance.

A FIRST FOR HANDICAPABLE DANCERS

The 33rd Annual Florida State Square & Round Dance Convention will go into the annals of *Handicapable Dancing as a banner event. This was the year that a separate room was reserved for Handicapable Dancers, a first for the Pensacola Special Steppers, and as far as we are able to determine, a first at any Convention.*

While the rest of the dancers were "Swinging and Mixing", Hall "B" was buzzing with the activities of Handicapable Dancers. Our Special Steppers took full advantage of the area in both the afternoon and evening of May 24th and 25th. On Saturday evening after the Exhibitions, Cynde Kichukoff and her Cloggers from Orlando, who are also Mentally Retarded, joined us and shared their skills with us. Then our Caller, Frank Cherry, and dancers led them through the paces of a basic square dance tip. The hook-up between these two groups was a pleasure to observe.

On Sunday, there was an exhibition which clearly showed that Square Dancing is for everyone and that *Handicapable Clubs* serve all ages and disabilities. Charlie & Phyllis Plimpton brought a group of "Wheelies" from a Nursing Home in Sarasota to share their dancing skills with the Special Steppers and many Convention Dancers who dropped by

Hall "B" to watch the demonstration of wheel chair dancing. For one tip, Phyllis matched some of our Special Steppers with the Wheelies and led them through a tip that was really enjoyed by all—a combination of age and youth which was beautiful to watch.

We also had a wonderful surprise when we were visited by Lisa Lynn Peterson, 1983 Florida March of Dimes Poster Girl, and her mother, Donna. Lisa had visited the 1983 Convention to watch our club perform. I had the pleasure at a later date of making Lisa the first Honorary Member of the Special Steppers. As with that meeting in Orlando, her visit to us this year was arranged for by Howard and Vivian Wilson, for which we are most grateful. Lisa spent about an hour with us and danced and twirled while the Steppers formed a circle and danced around her. It was wonderful to see her "dancing" with us, without her braces.

Our special thanks to the members of the Northwest Florida Association, the Hosts for the 33rd, for establishing this *First*. And a Thank You in advance to Murl & Sally Herbert, General Chairman for the 34th, who advised Frank Cherry that there *will be a Handicapable Dancing Room in 1987!!!*

CASTOFFS

BOYNTON BEACH . . . Our July and August shindigs are going to run from *hot* to *cold*. July 4th, at our annual Firecracker Ball, we will serve hot dogs. Watermelons will go to lucky ticket holders, one each for members and guests. August 1st will be our annual Ice Cream Social. (Hot to cold, get it?)

Glad to see Connie Bedell up and around again. Stay that way Connie, y'hear! On the other hand, Shirley Siegel, while being a good samaritan by escorting a friend to a hospital, fell inside the hospital and fractured her knee. (Both she and her friend stayed there.) Hope she's well on her way to recovery.

We'll be dancing throughout the summer, so if you want most of the best, come dance with us. Check our ad for the caller schedule.

PORT ORANGE . . . Things were really popping all evening at our Popcorn Dance. . . The Crazy Hat Event showed great imagination once again and all who participated were winners. . . Our Red, White and Blue Party Night in celebration of Memorial Day was very festive and included a "would be" Uncle Sam (sans beard)—Bill Davis.

Our deepest sympathies are extended to Marietta Bragg on the loss of her devoted husband, Ed.

GOLD COAST SWINGERS

DEERFIELD BEACH . . . In spite of many members departing for vacations and summer homes, our dances have been well attended. One reason is that Jerry's class graduated and are now dancing with us. Graduation was fun. Some members are still asking about that donkey in the closet!

We were happy to greet the Bedells on their return from a European vacation. They reported that they were in Northern Poland at the time of the atomic accident in Russia. Fortunately, they suffered no ill effects.

We plan to keep dancing during the summer, so come and have fun with us.

M. Reynolds

SOUTHERN STARS

BONITA SPRINGS . . . This writer is still a little foot weary after attending State Convention. We had a great time dancing, greeting friends, meeting new friends, and of course,

shopping. Hats off to the committees who must have worked very hard to make the Convention a success.

Our summer schedule this year includes a Friday night Mainstream and Plus dance. Also, Sunday afternoon workshops aimed at our newer dancers. In this way we hope to smooth out some of the rough spots while keeping everyone dancing.

Irene Bartsch

SANDPIPER SQUARES

PORT ST. LUCIE . . . We dance every Wednesday through the summer. Starting July 16th we will have a special guest caller, Henri Arseneault, who will call till September 10th. (*Corrected ad for our club will be found on Page 3 in this issue.*) Our vice president, Ed & Peg McDonald are doing a great job "pinch hitting" for president, Herb & Libby Leuffgen, who are in Michigan for the summer.

The efforts of our dedicated officers have been the prime reason for the continued growth and popularity of our club.

Les & Marge Besen were only home a few days after a tour of China when Marge fell—broken left elbow but with cast and "all" it's not stopping her from dancing.

John Venn

WESTERNAIRES

NORTH MIAMI . . . Our Mother's Day Dance was a great success, honoring all "Moms" present. A beautiful flowering potted plant was won by Gertrude Palmatier. In June, all of our Dads will be honored at our "Big Daddy" Dance.

Our get well list includes George Buckley and Dolores Potts, both having had surgery on lower limbs. We hope they're on their feet dancing again real soon.

Our dancers reported the Florida State Convention was great fun. They are looking forward to next year's Convention already.

We miss our vacationing members and look forward to their safe return. Those of you in town, we look forward to your visits to our nice cool hall when we celebrate the dedication of the "new" Statue of Liberty at our Red, White & Blue Dance, and then at the end of July, our Frozen Delight Dance—our version of an old-fashioned ice cream social.

ORLANDO SINGLES

ORLANDO . . . Thanks to all who attended the Plus Workshop which will end June 13th. We are all better dancers for having attended. Please continue to join us in our regular dances. We have added a little variety by having guest callers so the Deschambeaus can have an evening free to dance with us. Won't you come and dance with them too!

Don't miss our July 4th Celebration—free hot dogs, etc., at 7 p.m. Dancing starts at 7:30. Come and let's dance to our independence.

Marie Loper

STARLIGHT PROMENADERS

DEBARY . . . Graduation fun and games highlighted one of our May dances. A big yellow rock to Phil & Bobbi Morse, class coordinators and the square angels.

Eleven couples had a fun time retrieving the club banner from Bass Capital Squares in Georgetown. We also had three squares dancing at the old train station helping the Barberville Pioneer Settlement with their spring festival.

We have 26 new dancers anxious to dance with you. Come join us any Wednesday.

Carol Poole

GRANADA SQUARES

ORMOND BEACH . . . On May 18th we held our social picnic at Bulow Plantation Ruins. Class and club members had an opportunity to get to know each other. A recycle sale of square dance apparel fascinated the ladies. Horseshoes, darts, and lawn games were played, and dancing to Bill Beattie's calling was also enjoyed.

On May 20th, Chuck Durant graduated 22 new dancers. We wish them many happy years of dancing and will try to help make their future experience pleasant.

Terry & Charlie Rothrock

GROVELAND SQUARES

GROVELAND . . . Class Graduation included the impressive candlelight ceremony, the 10 Commandments of Square Dancing, and the Square Dancers' Prayer. Perfect attendance pins were awarded to those attending every class. We are proud of our new members who are now busy going to Plus Workshops in the area, trying to get in a lot of dancing before summer vacations.

Many thanks to Chuck & Ruth Coe for their hospitality. Our annual Spring Picnic was held at their home on the lake. New members won

fun badges, such as Aquaduck, Grasshopper, Sand Flea. We also danced on Chuck's Pontoon Boat, and also on a neighbor's huge deck. We always appreciate Al Savary, who calls the dances for these "water sports". Food was unbelievable, and it takes all afternoon to dance and swim off those pounds.

With most clubs on summer schedules, there is more time to visit neighboring clubs. Come dance with us — you'll be glad you did!

Harry & Marge England

KISS-A-ME SQUARES

KISSIMMEE . . . We miss our winter friends but are still having good turnouts for our summer dances. On July 12th we will have our Ice Cream Social, which features homemade ice cream and cake.

In August we will have guest callers. Come join us for a great evening of dancing and fellowship.

John & Nancy Mason

DIXIE SQUARES

DAYTONA BEACH . . . We made a banner raid on May 9th on Four Towne Squares in Deltona, who were celebrating Bob Bland's Silver Anniversary as a caller. A week later we hit the Beachside Squares in New Smyrna Beach. Spring Rites were observed May 8th—guys and gals wore some kind of unusual hat or bonnet. A facsimile of Trivia Game was played on subjects related to Spring. Everyone received a typed question as they checked in, and gave their answer to the respective team captain. Alice Brittingham's team had the most correct answers. A graduation ceremony was held May 15th with all the trimmings, including a delicious cake appropriately decorated for the occasion.

Plans are formulating for our annual Watermelon Roast at Hollyland Park on June 21st and an Ice Cream Social on June 19th. Throughout the rest of the summer, a workshop will be held from 7:00 p.m. until 8:00 p.m. when the regular dance will begin.

LAKE COUNTY TWIRLERS

EUSTIS . . . On May 21st we celebrated our 6th Anniversary with a full house. We enjoyed lots of good food including our Anniversary cake and another brought by Roger McBride's wife to celebrate his 39th (and holding) birthday. We were happy to have the following clubs on banner raiding and retrieving raids: Palm Coast Flagler Waves, Dunnellon's Citrus Springs Squares, and Leesburg Happy Hoedowners. We want to express a hearty thank you for all the club members and guests, making this Anniversary a great success.

We will dance every Wednesday throughout the summer at the Senior Center.

The Little Twirler

SANDY SHOE STEPPERS

FT. PIERCE . . . April showers brought May flowers as we honored all Mothers on May 10th.

Dance plans now to attend the St. Lucie County Square Dance Festival on November 15-16, concluding with a concert by the Red Boot Boys.

Debbie Krivan

ALLEMANDERS

SATELLITE BEACH . . . Our enthusiastic new officers are charging ahead! In May we enjoyed dancing with our soon-to-be graduate dancers and look forward to many more dances with them.

July 12th is our Christmas in July dance, so get out your Christmas finery and come join the fun! We also are looking ahead to our annual picnic August 16th.

George & Donna Kremkau

WAGON WHEEL SQUARES

ST. CLOUD . . . The class has graduated and the Wednesday workshop is moving right along. It will run through the summer so it's not too late to come join the fun.

The election of officers meeting (with covered dishes) was made extra special by Bivian & Eddie's artistic touch. Plants were presented to the outgoing Board for a job well done. New officers are: President, Art & Lois Pepkei; Vice President, Ed & Laurette Forest; Treasurer, Jessie & Georgia Blackburn; Secretary, Ron & Marguerite Staples; Kitchen Chairman, Len & Fran Moscike; and Recreation Chairman, Ed & Bivian Williford.

At our special May Day Dance, the hall was colorfully decorated with pastel streamers and

each lady was presented a corsage by our lovely Rec. Chairman, Bivian. We were joined by the Space Trackers, who came on a Mystery Trip. They are a real fun-loving group and we enjoyed dancing with them.

We all send "Get Well and Hurry Back" wishes to Georgia Blackburn. You and Jesse are missed by all.

Bev Whitney

KRISS KROSS SQUARES

CAPE CORAL . . . Everyone who attended the State Convention reported a wonderful time, with good weather and great dancing. We were well represented. For some it was their first State and they loved it! We had a good crowd the night before State and our President, Rus McCoy, suggested all should attend. One of our guests was from England. The world is small after all and Square Dancing gets bigger! Keep coming—we need you!

Irene McKown

GOLDEN TRIANGLE SQUARES

EUSTIS . . . We're happy to have Lillian Sheehan and Doris Bindernagel dancing with us after months on the inactive list. Welcome back gals.

We are on our summer schedule, dancing the 1st and 3rd Thursdays until October. We have a good group of callers lined up. Come enjoy the sunset over Lake Eustis. Some of our members will be on the road to Indianapolis for the National. Safe traveling you all. Wish we could join you.

Golden Taw

VILLAGE SQUARES

LONGWOOD . . . On May 10th we had a dynamic dance with over 13 squares. Skip Smith brought the Twirl-A-Ways on a Mystery Trip to our dance. We really enjoyed their company and hope they will come again.

We all had a wonderful time at State Convention, and especially had fun at the After Party put on by the Big Potato Squares. They always do a wonderful job. I hope they continue doing it each year.

Our club hopes you will start planning and working for the Benefit Dance for the Central Florida Kidney Foundation—The Harvest Twirl. This year there may be TV support. We could sure use any items to be donated for the event, especially hand-made crafts. Mark this November 15th event on your calendar.

COCONUT SQUARES

We all had a great time at the State Convention and saw a lot of dancers we haven't seen for awhile.

We honored our mothers in May. Marje, Harriet & Flo received a prize for being the oldest, youngest, and the mother with the most children.

John & Lee Sherrod celebrated their 50th wedding anniversary with the club by bringing a beautiful ice cream cake. We had a small crowd but had lots of fun on a very stormy night.

We will be dancing all summer so come and see us.

The Original Coconut

BUTTONS & BOWS

MULBERRY/LAKELAND . . . June 28th will find us celebrating the 36th birthday of Buttons & Bows, the oldest continuous square and round dance club in Florida. We also like to call ourselves the "friendliest" and invite you all to be with us for a happy evening and a piece of cake. If we are "getting better, not older" it is thanks to good leadership, great calling and cueing, our super members, and all our friends who come to dance with us. Hope to see you all soon!

Dorcy & Larry

SUN DANCERS

TITUSVILLE . . . From all reports, the Convention was a huge success, and everyone had a good time. Nice to see old friends and meet new acquaintances. Mothers' Day was our Special Dance for May. Drawings were held every half hour for potted plants. We closed the month with everyone earning their "Riot Badge". With the cooperation of President Chet & Lee McCheskey and the local Police Dept., no one was handcuffed or carried away.

We look forward to June 15th — our Club Birthday. Come celebrate with us. You are guaranteed to have a good time.

Vida Moody

HAPPY HOEDOWNERS

LEESBURG . . . We had a very dignified ceremony for our May 1st class graduation. Marvin Boatwright can be very proud of the graduates. He thanked the class coordinators, Larry & Carole Madison, Eleanor Lunberg and Bob Greene, and of course the class angels. After the ceremony the class replied with a very lovely parody to the tune of

"Yellow Rose of Texas", led by Betty Mears, thanking everyone for their help. Marvin and the class coordinators were presented with nice tokens of appreciation, and hand-painted "yellow rocks" lettered with Happy Hoedowners Class 1986 to the angels.

May 17, our "Barn Mascot" took off for clubs unknown with Curt & Vivian Beemer to New York State, which will be the start of its national tour, returning some time in the future with many club badges on the roof and sides. The Ocala Square Dance Club stole our banner. Marvin Boatwright was presented with a beautiful eagle hat (this being his last call before his vacation) with a card saying "To soar like an eagle, when you are calling to turkeys is somewhat hard to do. But the turkeys are all swinging and dancing and singing for we love the old buzzard—that's you." Marvin graciously wore the hat and when he pulled on a string the big wings flapped on the side, while calling a tip to the tune of "I'll Fly Away". The second call of this "special tip" was "Please Don't Talk About Me When I'm Gone". This was a good sendoff for Marvin & Emily until September 6th.

Bob Spratt

HIALEAH COUNTRY CORNERS

HIALEAH . . . We celebrated our 11th Anniversary in April. Besides sandwiches and chip and dip we had a very pretty (and good) cake made by a friend of Grace Albury. The hall was decorated with balloons, streamers, and cut-out figures of dancing couples, thanks to Harriet & Lynn Ward.

Our good news of the month is that Harry Workman is home and doing well but if you plan to visit, call first. Our bad news is that Mary & Guy Willett are moving to Vermont. We will miss them but wish them well and hope they return for a visit soon.

Mildred Sinquefield

TWIRL-A-WAYS

TITUSVILLE . . . Another Mystery Trip was held May 10th as 67 members packed into motorhomes, vans and cars. The destination proved to be Longwood with Larry Patten and Dick Hulbert calling at the Village Squares. We enjoyed the evening very much. The food and fellowship was outstanding.

Plans are being finalized for our July 18th Luau. We promise you a fun evening. Plan now to attend. We also invite you to come and dance with us any Friday night.

THE LLOYD SHAW FOUNDATION ARCHIVES TO ACT AS NATIONAL ARCHIVE CENTER

The American Folklife Center and The Archive of Folk Culture of The Library of Congress have jointly commissioned The Lloyd Shaw Foundation Archives as the national depository and central clearing house for square dance archives. Acting at a recent meeting at Washington, D.C., were Dr. Alan Jabbour, Director, American Folklife Center; Gerald Parsons, Archive of Folk Culture; and Vicky Wulff, Librarian of the Performing Arts Library at the Kennedy Center (a division of The Library of Congress) joined with Bob & Becky Osgood, American Square Dance Society; Herb Egender, Former Cheyenne Mountain Dancer; George and Ann Holser, National Folk Dance Committee; and Dr. Bill Litchman, Director, Lloyd Shaw Foundation Archives.

Under the agreement, The Lloyd Shaw Foundation Archives will coordinate and help the formation of archival collections across the country by offering help and advice to those involved in regional collections and will exchange duplicate

materials and copies of valuable originals both with them and the Library of Congress. This is a landmark agreement in the field of folk archiving and should be instrumental in helping the nation preserve its heritage in dance.

Most importantly, recognition has been given to square, round, contra, clogging, line and heritage dancers by the premier center for archiving activity in the world. Dancers from all corners of this country in modern as well as traditional and recreational activities can look with pride on this agreement. These important activities, so often overlooked by national institutions have been not only recognized as important parts of our national heritage but are being actively promoted through the present agreement. Further information can be obtained from and tax deductible donations of materials and/or cash specified for the American Folklife Project can be sent to Dr. Litchman at the

NSDCA Sunshine Chapter 018

We were at Clerbrook RV Resort at Clermont in May. The weather was perfect and there was something for everyone: great dancing every night, golf, fishing, swimming, bike riding, and visiting with friends. We made plans to go back in 1987. Our Chapter past presidents, Andy & Audrey Ziegler had a surprise, a 40th wedding anniversary party at Strawberry Square given by daughter, Dee Ward.

The International Camporee in July will be over when you read this. We hope you had a good time and it was a success. Our next camporee is September 19-21 at Cloverleaf Farms, US 41 North of Brooksville. Come and join us.

TRAILBLAZERS

APOPKA . . . Congratulations to our class on their graduation. What great times are now ahead for them all! Roland & Marcy Hamel were special guests from the Central Florida Association who told the new grads what the Association does and about their dances.

Some questions did arise that night like Playhouse 8??? *Who were they? What were they? and Where is Lower Slobovia?*

Great fun was had by all club members who attended the State Convention. As it has been said, the after parties are as much fun as the Convention itself. We won't mention any names but a few club members had lots of fun dressing up.

Our 2nd Anniversary Dance and Installation of new officers is July 1st. Please come and join our celebration. Remember to wear *red, white and blue*.

We will be dancing all summer long.

'86 FLORIDA STATE SQUARE & ROUND DANCE CONVENTION

VICTORY CELEBRATION DANCE

American Folk Dance Campaign

With surprising speed, and within ten days of each other's decision, the Florida State House of Representatives and the Florida State Senate both passed Resolution HCR740, designating the six dance forms: Square Dancing, Round Dancing, Clogging, Contra, Line, and Heritage Dances, the "American Folk Dance" of the State of Florida.

*Rep. Walter C. Young,
Sponsor of Bill HCR 740,
with Frank & Nan Habersberger*

We have asked all of the state organizations to alert their member associations and members to be ready to come and join us at Tallahassee for a Victory Dance Celebration. We have received word from Pat Ernst, Administrative Assistant to Representative Walter C. Young, the Principal Sponsor, that a decision is to be made on June 20th as the exact date Governor Graham will sign the Resolution. The closest target date is July 7th. When we learn of confirmation of this date, or a change to another date, we shall phone the Presidents of all Associations, or write, if time permits, so they will have adequate time to collect as many dancers as possible to participate at this historic event. Our first alert indicated the possibility of this event happening in the first week of June, but we are glad that it will be later, as that will give our Associations and Clubs more opportunities to reach their Club Dancers with announcements.

The Dance Program Chairman will be Bob Bland, Past President of the Florida Callers' Association. He will coordinate the planning with the appointed representatives of the Round Dance Council of Florida and the Florida Clogging Council. The Presidents of all Florida State Organizations and their Member Associations are invited to join us when the Governor presents us with the signed

Resolution, which then becomes Law. We have requested signed "originals" for each State Organization, and recommend that they have copies made for their Member Associations, for their Historical Records.

Again, please alert all of your dancers who can come, to be ready. We shall inform all of you by letter if time allows, or by phone if that is necessary.

Please extend our thanks to all of your dancers for their exceptional support. It is their interest and involvement that gave us a resounding victory in the short time period of just six months of campaigning.

Achieving recognition of our Dance Forms as totally American in their birth and development now permits us all to register with the State and all County Cultural Affairs Bureaus as the American Folk Dance. We will then have our rightful place in sharing the stage with the Folk Dance groups of other nationalities at State and County Festivals.

The value of the publicity gained when engaging in exhibitions at these festivals is considerable, and should do much to bring more people into our clubs.

While we should and will utilize to the fullest, the publicity value of the designation of the "American Folk Dance", we should at no time de-emphasize the importance of any of the member dance forms. They are, and will continue to be, the heart and foundation of our cultural background.

In order to preserve and maintain the cultural link between the six dance forms, we recommend that a logo be designed in which all of these dance forms are shown as units of the American Folk Dance. A beginning concept for this logo is shown on page 56 of this issue. Copies will be sent to the State Organizations representing each dance form for approval or suggestions for improvement. When we have all agreed on the final design, we shall recommend that this logo be placed at the upper left of the official stationery of every organization involved in the American Folk Dance.

FOUR TOWNE SQUARES

DELTONA . . . May 9, 1986 will be an evening to remember for Bob Bland when he was surprised with a 25th square dance calling anniversary celebration. Who could or who even *would* dream up something like it? That doesn't even need a second guess! Ethel planned for over a month to have folks from as far away as Key Largo come join the fun.

The evening started out innocently enough, with the usual workshop with a couple of squares there in the first half hour. Some folks that we hadn't seen for awhile drifted in, and then all of a sudden the door flew open and in came five couples from the old Dudes 'n' Dolls club in Ft. Lauderdale spreading across the floor with a banner proclaiming "25 Years of Square Dance Calling"! With a large congratulatory cake just brought in—that let the cat out of the bag!

Then the fun began! Ethel started the evening out with "This is your square dance calling life", and proceeded throughout the evening with highlights of *our* square dancing and calling career, interspersed with remembrances of some highlights from a number of folks present. Many gifts were bestowed upon both Ethel and Bob, but the one that even the dancers admired most was an oil painting of Ethel & Bob done a Four Towne Squares member, Shirley Compeau, a prize winning artist in her own right.

A memorable night with 12 squares attending, and most of them said they are looking forward to the celebration of the next 25 years! If the good Lord were willing to keep intact what we are blessed with at the moment, I would be all for that celebration. But I don't think it could surpass the night of May 9, 1986!

The club will not be dancing during July and August.

Very humbly,
Bob Bland

A group of Starlight Promenaders came up from DeBary to retrieve their banner. Great dancing with them. Went banner raiding at

Palm Coast Flagler Ocean Waves. 26 of us had a fun evening.

We invite you to dine and dance with us. Bring a covered dish. Workshop-4:00; dinner-6:15 and dance at 8:00.

ST. PETERSBURG . . . We continue to give demonstrations at various places in recognition of the 50th anniversary of Square Dancing.

The State Convention was enjoyed by many of our members. They took part in the fashion show and in the grand march in club outfits. President Al & Winnie Subatch and Vice President Ray & Joan Corcoran hosted an after party for our members on Friday night. Hugh & Jean Fultz and Ken & Mae Ford were honored by the West Coast Association with beautiful plaques in recognition of distinguished service to the Association.

Don't forget, our summer schedule includes a new graduates' workshop from 7 to 8 pm and squares and rounds from 8 to 10 pm. See our ad in this issue for the schedule of our callers and cuers for July.

DANCING NOTES

THANK YOU

To my Friends in the
Square Dance World:

I would like to say thank you. Thanks for your support of me during my illness. Your cards, prayers, and contributions made me realize how much you all thought of Johnny. With Johnny's death and my subsequent health problems, your concern and involvement made a difference in my recovery. Again, Thank You, and continue to act as a very large, though scattered, Family. It is so important.

With Love to all of you.

Louise Walter

THANK YOU

We would like to thank each and every one of the dancers and friends who donated to the "We Remember Johnny" dance on April 27th in memory of Johnny Walter.

So many callers and dancers were involved—too many to mention—but our sincere thanks to all.

The dance was a great success and raised \$4,246.00 for Louise Walter, who broke into tears of happiness that so many people loved Johnny to have raised this amount.

Louise would like to thank all of you and we would like you all to know she is now doing well and looks great since her stay in the hospital.

Our sincere thanks again to all of you for making the dance such a great one—just as Johnny would have loved.

EAST CENTRAL FLORIDA ROUND DANCERS ASSOCIATION

Our 2nd Quarterly Dance was held May 4th at the Eustis Community Center and was hosted by Jack & Nell Jenkins.

The program was focused on comfortable dancing for the Easy-Intermediate dancer with rounds being cued by six Round Dance Leaders from the Central Florida area.

The teach of the afternoon was in the capable hands of K.O. & Phyllis Williams. This truly talented and wonderful couple did an excellent job and were well received by the 42 couples in attendance.

Our thanks to the members of the host club,

The Wheel-A-Rounds, for their support and their cooperation in providing refreshments for the event.

Our next Quarterly Dance will be held in August and will be hosted by K.O. & Phyllis Williams.

GOLDEN NUT NEWS

The Golden Nut Ceremonial Team of John & Etta Howell and Dot & Marvin Schmidt were honored May 4th at the opening session of the Fontana Spring Swap Shop, for the 14 years they have given of their time entertaining Square Dancers with the Golden Nut Initiation. A beautiful clock, mounted on a plaque, was presented by Helen Pate (one of the organizers of Swap Shop), on behalf of the Swap Shop staff. The inscription reads, "Thanks to Dot & Smitty for all the Fun, Time, & Effort you have given us with the Golden Nuts".

The Howells were not in attendance, so the Schmidts accepted their plaque for them. We were greatly moved by this honor.

Initiation Ceremonies were held the following weekend at Mountain-Town Hoedown Festival in Gatlinburg, Tennessee. Future ceremonies will be held June 21st at the Spacetrackers in Rockledge, Florida. August 1st and 2nd at the Thunderbird Festival in Cape Girardeau, Missouri, and Labor Day Weekend at the Fijian Campgrounds, Okeechobee, Florida.

ONE-NITERS

I read an article recently on the growing popularity of one nite stand square dances open to the public. As I recall, the gist of the article was — "would this movement affect the health of clubs in the same area?"

I personally feel that there is a very real need of this type of Square Dance programs and they should be sponsored by all the local square dance clubs and callers that can call a fun square dance for any and all people. It must be under control of clubs and callers so that we do not drift back to the old Saturday nite drunken brawl type of square dance at the beer hall!

It would provide a breeding ground for new

people to fill up the classes sponsored by a club or clubs. These classes will be filled with people who enjoy simple square dancing. The dropout rate will be low since few of the members will be only half interested students. After class, they are more likely to join an active club than many of the half interested class members.

In the long haul, the one-niters will probably end up having more dancers at most of their dances than any one club in that area, because the occasional dancer can go there and have fun dancing without worrying about making

mistakes or not being accepted by the other dancers because they do make mistakes.

IT'S GREAT TO BE A SQUARE AND ROUND DANCER

I couldn't have done it without you—all you wonderful friends. My home looks like a dress shop. Dresses everywhere! Will I ever get straight?

While everyone is away I'll be on vacation at home, reading my *Bow & Swing* about all the inviting things they have to offer.

You travellers—keep dancing!

TOP CATS

HOLLYWOOD . . . We had no dances in May due to Mother's Day and State Convention falling on our dance nights. However, we made up for this with a busy social schedule. We had our annual picnic, to which many of our class members came, and in spite of a very rainy beginning, which kept many away, we had a very pleasant day. We weren't able to reserve a pavilion at the park so Alan, Royce and I arrived before the park opened to grab the tables we needed. There we sat at 8 a.m. with rain pouring down on us, but the Good Lord smiled upon crazy square dancers and favored us with a delightful afternoon.

Our contingent to the State Convention was somewhat smaller this year due to some unfortunate circumstances, but we all had a great time and look forward to next year's. Another of our members is now on the sick list, Rose Haynick, who underwent foot surgery. Send Ernie to the dances anyway—we promise to take good care of him. Better still, come and keep your eye on him yourself.

We enjoyed a recent visit by the Westernaires. Hope those who couldn't make this visitation will visit when their schedule permits.

Bert Ashcroft

MELON SQUARES

WILDWOOD . . . Our big event in May was the graduation of 29 students, eager and raring to go. The covered dish supper provided lots of good food which was topped off with a delicious cake decorated with melon slices. Much laughter and giggles accompanied the initiation and it was a fun night from start to finish. They are now enjoying the Mainstream dances on 2st and 3rd Fridays and attending

workshop on Thursday nights during the summer.

A general club meeting held this month brought about several changes. Mainly to have guest callers once a month, the first to be June 14th, and to introduce round dancing to our club in the near future. We are also planning a picnic in June and a mystery trip is in the making.

Have a safe and happy summer.

Trudy LaPointe

SWINGIN' STARS

ORANGE CITY . . . We graduated our class and celebrated our 1st Anniversary on May 10th at the Dickinson Library. Starting June 7th will be a plus workshop for one hour before the regular dance which begins at 8:00.

Everyone is still talking about the Convention. They had a wonderful time and danced every tip. Ah!! Youth.

Terry Van Ness

SAND DOLLAR SQUARES

LAKE PARK . . . At our potluck dinner dance in May we wore our club apparel for the first time. Everyone looked sharp in navy and white.

Also celebrated Nancy Going's birthday that evening. All of the men lined up to wish Nancy a happy birthday and one returned two more times! It was a fun evening.

June 1st, several squares put on a demonstration at Moose Lodge 2010 in Palm Beach Gardens. Our demonstration was the finale to a barbecue dinner. Had a great time as usual!

PROPOSED AMERICAN FOLK DANCE LOGO

This is the suggested design for the American Folk Dance logo referred to on page 48 of this issue.

Each dance form can place their name in the top position. Or, the logo could remain as is, but done in two colors, allowing each dance form to use the second color for their name only. Or, the two ideas could be combined.

MERRY-GO-ROUNDERS

CASSELBERRY . . . We held a festive graduation party combined with a 50th Wedding Anniversary party for Mickey & John Dollins. The hall was beautifully decorated with fresh

sprays of gardenias, hydrangeas, lilies, and camellias. The elaborate spread of food was topped off with a 3-tiered wedding cake, a gift from Sunni & Jerry Thomas, and made by Donna Keller. Mickey & John danced the Anniversary Waltz in the center of a club circle. As they were dancing, a gorgeous golden rose tree was placed in the circle and presented to the honored couple. John was also given a can of rose spray for the care of the tree and Mickey was given the job of cutting roses for their home.

During the summer will have an Intro to Intermediate Rounds at 7:30 on Tuesdays, starting the regular dance at 8:00. So—come join us.

Jeri & Carl Hassenplug

BIG POTATO SQUARES

APOPKA . . . We all enjoyed the Convention and had a grand after party attended by over 100 people, with plenty of goodies, and lots of good calling and cueing and fun.

At our Mothers Day Celebration, all the mothers received a plant, and Loretta Simmons won the prize for having the most children. Wednesday after Convention, we invited the Trailblazers to our club and enjoyed a night of Mainstream dancing with them.

Our Firecracker Special is July 2nd. Come and join us for a lot of fun.

Leona Libby

INVERNESS SQUARES

. . . In July, our lineup of callers and cuers is changed. Our ad on page 19 of this issue is incorrect. On July 12th, Al & Dottie Brauer will be cueing. On July 26th, Al Savary will be calling, and Sunni Thomas will cue rounds.

Come dance with us.

Nancy Rumph

CLOVER SQUARES

LEVY COUNTY . . . We will not be dancing during June, July and August due to the closing of Clover Hall. We will resume dancing the 2nd & 4th Fridays in September at a new location. Watch for our announcement in August of our new dancing place.

On May 30th we enjoyed renewing fellowship with dancers of the first classes at Clover Hall. The evening passed quickly till the last tip to Auld Lang Syne, which was very appropriate for the closing of our beloved Clover Hall. But we must look ahead to a new schedule and place to continue on in September.
