President's Message

Florida Callers Association

• SQUARE DANCING IS FUN •

The State Convention is just two months away—Let's make it the best ever.

Most of our fall classes will be graduating around April-May, and they'll be making the transition from class to club. This is the most critical time for new dancers. The drop out rate is at its maximum during this time period. It will take not only the club caller, but the club dancers to decrease this rate of loss. don't push the dancers with fast, difficult choreography. Let them dance what they have spent many months to learn, and let them enjoy themselves before we start bombarding them with more calls. The dancers must stop trying to encourage the new dancers to join them in learning a higher program of dancing. I realize that they would like to have their new friends enjoy *all* the dances with them, however this is one of the contributory reasons for the dancer drop out. If we don't start taking this responsibility now, then we won't have to worry about it in the coming years because we won't have the dancers to worry about. . . . The next few months will be decision time for your classes. Help them make the right one . . . Let's keep them all.

If any of you receive a request from anyone wanting to learn to be a Caller, and wanting information about joining the Florida Callers Association, either as an Associate or as an established Caller moving into our area, have them contact the F.C.A. Secretary, Dick Hulbert, for all information, applications, or anything else pertaining to membership in the F.C.A.

The square dance world was saddened recently with the untimely passing of a wonderful friend and outstanding Caller, Johnny Walter, in January. We all extend our heartfelt sympathy to his wife, Louise, on this tragic loss.

Squarely,

Lon Ligon

FLORIDA FEDERATION of SQUARE DANCERS

PRESIDENT'S MESSAGE

For a long time the topic of discussion has been bouncing around all areas in Florida as to how we can keep Square Dancing alive. A good start would be for all dancers who have been in this hobby for a number of years, no matter what their level of dancing or what plateau they have reached, to take time out from their full schedules and visit Mainstream clubs and mingle and

dance with all dancers. We all had to learn to crawl before we could walk, and let's put ourselves in the place of the new dancer or one who has remained at this level and hesitated to venture any further. How would we have felt if we had been shunned as if we had the plague?

We, as the new officers of the Florida Federation, plan on doing a good deal of club visitation, trying to promote good fellowship among dancers and getting the enthusiasm back into square dancing. We believe the following suggestions could help out greatly:

1. We can all help out by supporting area special dances and dance with new faces. (No "pat squares")
2. Every caller, club, or individual dancer being careful not to book a special dance on the same night as someone else's special dance.
3. To be careful to keep our opinions to ourselves as to how good we think a caller may be and not spoil a dance for others who might stay away because of negative opinions.
4. Going to dances with a good outlook, smiling faces and a willingness to help others in the square.

There are numerous other things that can help keep square dancing alive, but it all boils down to one thing—stop thinking of ourselves and have a little more compassion for the new dancer and our fellow man. We all have feelings. Treat others as we would like to be treated.

Wouldn't all of us dancers who have been around a good while, and think we know most everything from Mainstream to A-2 or higher, look funny if our arms kept on growing from pulling and tugging at dancers we thought didn't know as much as we did?

Let's all try to be "square angels" occasionally and after a club graduates, keep working hard to have the new dancers want to stay on and make this new hobby a part of their lives as we all have.

We all are quick to say square dancing seems to be dying out. Why? Wouldn't it be a shame if each of us dancers as individuals were some small part of the cause?

Let's all evaluate ourselves and help square dancing come back to life!

See you in a Square,

ASSOCIATION NEWS

CENTRAL

All of the officers of Central attended the working weekend of the State Federation on January 18-19. We are all working to improve Square Dancing and help clubs in trouble.

Central will produce the 35th Florida State Square & Round Dance Convention in 1988. It will be held at Expo Centre in Orlando on May 27, 28 and 29.

The location of the Presidents' Ball has been changed to the Fire Hall in DeBary. It will be held on the 5th Saturday in May. We hope all Past Presidents will make plans to attend this 2nd annual event to honor those who have helped the Square Dance Movement.

The Wilsons

NORTHWEST

The Northwest Florida Square and Round Dance Association's January meeting was held at the Harbour House Restaurant in Panama City in connection with our 28th Annual Festival. Everyone enjoyed dancing to callers Bobby Newman and Wade Driver, and to Cuers Jerry & Barbara Pierce.

Cuers Bob & Kathy Dammert, newcomers to Tallahassee, were welcomed at the meeting. Hopefully, we will have them cueing for the Association some time in the future.

Everything is in full swing for the 1986 Florida State Convention in Lakeland, which is hosted by Northwest.

Our next meeting will be March 8th in Tallahassee in conjunction with the 7th Annual Festival.

Lori Whisenant

SOUTHEAST

The Southeast Association held its annual picnic on January 12th at beautiful Tree Tops Park. Those in attendance enjoyed an abundance of delicious food, great fellowship, games, and dancing to callers Harry Taylor, Henri Arseneault, and Marcia Stewart. It's always a treat to get with square dance friends at such a leisurely function.

We regret that Harry Workman is still in the hospital in serious condition and in need of our love and prayers along with his wife, Liz. Harry is in need of blood and anyone who would like to donate is asked to do so at the North Shore Hospital in Miami.

George & Boots Oglesby just returned from an extended tour to California to see the Rose Bowl Parade. Being dedicated square dance leaders, their itinerary included the Federation Meeting at Plant City November 24th on their way to California, as well as the Federation Working Weekend in Orlando January 18-19 on their return. Welcome home! Also attending these meetings representing the Southeast Association were Jim & Rosemary Davis, Tony & Joan Hein, Garland & Carole McKenzie, Fred & Celeste Crawford, and Frank & Nan Habersberger. We are really blessed to have all these square dancers working on our behalf and wouldn't it be nice to say "thanks" occasionally on an individual basis?

Millie Griffin

NSDCA International-Florida

We are now starting the countdown for the 1986 International Camporee at Sarasota. The first weekend in January we had our working weekend. The weather was perfect and the evenings were cool for good sleeping. Most of the committees were there and on Friday night we had a nice social get-together before the fog really rolled in. Saturday was the perfect day and what the various committees do not know about the Sarasota Fairgrounds really is not worth knowing. Various areas for the campers were spaced off and to those who do their camping in the romantic mood, to wit—tents and Pop-ups, will be able to be in an area close to the "facilities". Of course they can, if they wish, be with their State and Chapter instead. Those with special medical problems have their area and those who de-Lux their camping will have electric and water (hate to say it) but no air-conditioning. There are four buildings for dancing and will be air-conditioned and with seating arrangements. One of the halls even has a wooden floor.

Fred & Irene Koning with the Sound Committee, Joe & Fern Bush, after surveying the sound situation, can almost guarantee one should have no trouble hearing. The *Snooper* staff has found a good location where they can work undisturbed. The *Snooper* is the daily newspaper that tells all you want to know and a little bit more. As one enters the Fairgrounds one will be given a *Snooper* which will tell what is what in Sarasota such as stores, laundromat, beauty salons for M'lady (many of the stores are within walking distance. At the same time you will receive a glass of Fresh Florida Orange Juice. The Information Tent will be right by Gate 4 and

will be staffed by a specially trained group that should answer all your questions. They will monitor C.B. Channel 4.

Get your reservations in early and make the Zieglers happy. On the Registration form there is a minor error. Where it mentions "Any additional adult will pay one ¼", it should read "one ½". It should be corrected in the next issue of the NSDCA Times.

Ray & Jean Williams (Chairpersons for this event) are planning to visit all the different chapters in Florida with other committee members, so prepare the Fatted Calf, so to speak. One individual will ask for donations for the Goody Bag and mention that we will need door prizes.

SPECIAL STEPPERS

PENSACOLA . . . New Officers/Directors for 1986 are Helen Chapman, President; Nelson Taylor, Vice President; Joyce Young, Secretary; Edna Granger, General Treas.; Marie Crown, Travel Treas.; Directors - Nancy Cherry, Mac MacKenzie, Ernie King, Duffie Anson, Ruth Ward, Mary L. Sanders, and Joy Crawford.

At the 7th Anniversary Dance, Callers and Cuers contributed their services to the event—Buddy Andrews, Arch Garlock, Don Jochum, Chuck Sample, Johnny Sicuranza. Entertainment was provided by all three club levels—Exhibition Squares, Promenadors, and Fun Bunch, and the Country Cloggers. Frank Cherry & Jim Robinett, led the "Steppers" and David Spencer was in charge of the Cloggers.

The *Committee for Handicapable Dancers*, USDA, has added Bill McHardy from "down Under" in Toowoomba, Queensland, Australia to the list of Callers for Handicapable Dancers. Bill advises that he works ". . . with Psychiatric and intellectually handicapped people at the Baillie Henderson Hospital . . .". This gives us a new continent to claim for our territory. We recently heard from Caller Bill Barr, West Haven, CT, who leads the *Star Center Dancers of Norwalk* club for Mentally Handicapable dancers. He started two new Explorer Post clubs in his area whose members are mentally retarded young men and women. With no age restrictions in any

Scouting program for handicapped individuals, he is able to teach from the young to middle-age adults, and is receiving tremendous support from his BSA Council for this innovative approach. A big Yellow Rock for Bill!!

Another Caller deserving a big Yellow Rock is Gary Stewart, Charlotte, NC. With the theme "The South's Going to Rattle Again", he is behind the "Carolina 'fun' Jamboree" March 7-8 at Metrolina Fairgrounds in Charlotte. A percentage of the profits from this event have been pledged to the *Committee for Handicapable Dancers*. We are most grateful for this support for our program.

A major contribution has been made to the *Handicapable Dancers* movement by Howard Clemens, a North Dakota Caller who has been a Caller for Wheelchair Clubs for a number of years. He advised us recently that he has completed a 30-minute VHS Video about teaching square dancing to persons in Wheelchairs. Since many of our requests for information are about starting Clubs for persons in Wheelchairs, this Video will be of great assistance.

swing and mix in '86

Hosted by The Northwest Florida Square and Round Dance Association

The Convention Committee urges everyone to register prior to April 30, 1986 at the reduced rate of \$9.50 per person. No mail registrations will be accepted after the April 30th postmark. Fees at the Convention Box Office will be \$11.00 per person.

Following is a report of interest to Cloggers, Campers, and Handicapable groups.

CLOGGING: Due to the Florida Clogging Council's Convention in Tampa being held at the same time, the 1986 Florida State Square & Round Dance Convention will not be using a separate facility for clogging. There will be a very limited clogging program for people who square dance and also clog, or for members of square dance families who clog and do not square or round dance. For persons who clog only there will be a reduced entrance fee of \$5.00 which will allow only clogging and spectator activities. Anyone who has purchased a ticket to the Convention for the purpose of a full clogging program may get a refund by returning your badges, along with a letter of explanation, to the Registration Chairman by April 30, 1986. The Florida Clogging Council will be providing instructors for the limited workshops and introduction to clogging sessions on

Saturday and Sunday.

CAMPING: There have been rumors to the effect that camping in RV's would not be allowed this year at the Convention Site. This is *NOT* true and there will be ample parking in the Convention Center parking lot for self-contained RV's and Trailers. There are no hook-ups available so you must have your own water and electricity. There is a sanitary dump station available at the rear of the Convention Center parking lot (down by the lake) and this marked facility is the only place where any waste may be disposed of during the Convention. Any unauthorized dumping will result in expulsion from the Center and a heavy fine.

HANDICAPABLE DANCING: This is the first year that a room has been reserved for Handicapable Dancers. Frank Cherry, the Caller for the Pensacola Special Steppers, is in charge of scheduling for this room and will have full control of the room. All groups will be responsible for supplying their own callers/instructors for this highly specialized activity. If you desire to be included in the written program, please contact either Frank Cherry or Frank McCallister as soon as possible.

AS I SEE IT

BOB OSGOOD — LOS ANGELES, CALIFORNIA

If you've been a part of the square dance world for 30 years or more what I'm going to tell you may be like a visit with an old and comfortable friend. If, on the other hand, square dancing is a relatively new part of your life, then much of this may seem strange. It is, however a true recollection of how this recreation has changed over the years. Read on.

*Heads star thru, pass thru
Step to a wave, swing thru, etc.*

As a square dancer with a few months' lessons behind you, a call like this will not cause you any trouble. It's made up of simple recognizable basics. How far do you think you might get with a call that goes like this?

*Duck in the hole with an old barrel
roll*

Make a hoop with a backward loop

Roll the barrel down the hill

Duck right out, swing the opposite Jill.

All Greek? No, it's an actual call. Of course it sounds strange and, regardless of your present-day expertise, you'd be just as apt to fall on your face as any rank beginner might when stepping into a square for the first time.

If you were to be whisked back in time some 30 years, you might have a bit of trouble when the caller stepped up to call something like:

Roll the barrel, tap the keg

Save the oyster, break the egg

Open the book, write the check

Turn inside out, go on to the next.

This was not a difficult call back in square dancing's earlier days, but if you hadn't been taught how to "duck in holes", "break eggs" or "write checks" as you danced, you undoubtedly would have stood there with your mouth open.

So what does all this prove? For one thing we should be grateful that today's calls are well defined and universally accepted. In

times past when you traveled to another city to dance, you might have encountered an altogether different set of calls than what you had learned in your area. A caller who really wanted to wow the dancers could create a new pattern, give it a name (known only to those who danced with him) and become the hero (or villain) of the day. Thank goodness those days have passed.

While we're on the subject of calls, does any of this sound familiar?

Away down south not very far off

A Jaybird died of the whooping cough

*Whooped so hard with the whooping
cough*

*That he whooped his head and his tail
right off.*

No, that's not something you're supposed to be dancing. It's a sample of rhyming patter, the kind callers once used to dress up the calls and serve as a timing device. That nonsensical verse, in addition to entertaining the dancers, helped to control the number of beats it took to do a certain call. Those four lines take 16 counts. The caller would use them while the dancers were doing a movement that took 16 steps or beats to accomplish.

And then there's this one:

Here we go with a little red wagon

*Hind wheel broke and the axle
draggin'.*

This bit, a favorite of veteran Texas caller Raymond Smith, takes 8 counts. Ray might have called "...allemande left and a right and left grand. ..." then he'd take off with the two lines of verse which he'd finish in time to tell the dancers to "promenade." The dancers would know by the amount of patter that they had plenty of time to complete one movement before doing the next. No fuss. No muss.

*Peanut sittin' on a railroad track
It's heart was all a flutter*

Round Dance Corner

Charlie Lovelace - Tampa

Dear Round Dancer:

Again I must warn you against trying to learn to dance from something you have only read. There is no substitute for a qualified instructor in learning to dance and understand what we are trying to accomplish and the purpose of this column is

not to take the place of that instruction but rather to clear up areas of misunderstanding and smooth out some of the rough spots.

Many people try to learn to dance from reading cue sheets but due to type of body movements involved it is very difficult for the non-professional to interpret what is written. Where square dancing, with its mathematical progression and movement, can be put very precisely on paper, round dancing has to depend on a different type of communication to transmit to the dancer what is desired. Usually some visual learning is required. It has been proven many times that a dancer will always copy the person that they learn from even though they may not be aware of it. Sometime, just for fun, watch dancers, and if you are familiar with the teachers in the area, you can almost always tell who they were taught to dance by. So pick a teacher who you think dances the way you would like to dance.

In trying to keep the dancers aware of what is happening in the activity, I would like to note that **ROUNDALAB** is now creating levels of dance figures so that dances can be rated as to difficulty much the same as **CALLERLAB** has done with the square dancing. Due to so much being spoken both pro and con on the effect this is having on squares, I would be very interested in hearing from some of you with your views on this move in Round Dancing, possibly printing some of your replies with your permission.

I would like to take the rest of this month's space and really put the man on the spot. I think the worst fault that the men have is to allow the right shoulder to collapse in toward the woman. I know from my own experience that we must always be on guard against this. Try to keep the right hip and shoulder away from the woman and I am sure our partners will appreciate it and tell us how much better closed position feels. Sometime when you are doing a dance you know well, try pulling the right shoulder back and feel the difference in how you move as a couple.

VENUS & MARS

- Get ins and Get outs -

When Bob Osgood featured the "Venus & Mars" square dance in the November, 1985 issue of "Sets" he created quite an interest around the country because this is something a bit different than the multi-basic creations that have come out of the computers of late. Bob gave you one way to get into the dance. Here are some other get ins and get outs. First, here's the one Bob gave:

All Eight Center, Right Hand Star
Back with the Left, but not too far
Number one lady will start two stars
One like Venus - and one like Mars
Turn those Stars and hear me shout
The ladies weave in - gents weave out

Turn those two stars 'round about
Ladies weave out - gents weave in
Turn those two stars around again
Now you pick her up with an arm around
In a Star Promenade - go 'round the town.

From the above you can have dancers back out and make a **BIG RING**. Circle Left, etc.

Here's another get in:

Ladies to the Center, back to the bar
Gents to the center in a Right Hand Star

Now back with the left and don't fall down

Pick up your partner with an arm around

Star Promenade - go around the town

Now turn that star one time around

Number one lady step out and start two

stars

One like Venus and
- one like Mars,
etc.

One thing we should keep in mind. The number **ONE LADY** does not start the second star until she is back to the number one position . . . After working the number one woman starting *at her home position* - Next you should work the Number **TWO** lady starting the two stars, being sure that she starts it at *her home position*. Then work number three lady, followed by the number four lady. Be sure that each lady in the set knows how to start the figure, and be sure that each lady starts it from **HER** home position.

Here is another more complicated way of getting the dancers into the Venus & Mars dance. I recorded this way back around 1950 on the Black Mountain label. At that time it had a name. We called it, **THE LITTLE WONDER** - Went something like this:

Number one couple bow and swing
Down the center and split the ring
Couple on the right, left couple too
Foot couple cross and trail on thru
Now cut a figure eight and away you go
Jean's in behind your calico -
Cut another figure eight and form two stars

Oliver and Sharon Short

Oliver and Sharon Short grew up in Tampa and were childhood sweethearts. As square dance callers, he goes for the "fun nights" or private parties and she likes the challenge of teaching and calling dances.

Sharon has been teaching square dancing for seven years and has two workshops, three clubs and two beginner classes. She has an Introduction to Round Dance class which she refers to a basic class in the area when they want to learn more. Club affiliations are the Florida Callers and Suncoast Callers Associations.

Sharon says that fun is more important than perfection. "All I want them to do is tell me they had a good time," she said.

At the invitation of the Mexican government, they took a square dance group for a good will performance at the Constitution Day Fiesta in Mexico City. On this same trip, they boast of being the only group to square dance in a flying airplane.

Working full time for the Tampa Recreation Department, Sharon meets Oliver for a relaxing dinner several times a week. He is retired Air Force, proficient in trapshooting and belongs to two gun clubs. Together, they enjoy square dance camping with NSDCA Chapter 018 and fishing when they have a free weekend.

Editor's Note: If anyone writes in for their favorite caller or cuer to be featured, Marge Lundberg will be glad to interview them.

PORT ST. LUCIE . . . We had a fun demonstration show at the Plantation Manor Mobile Home Park on January 4th. Our thanks to member Sonny McCartney for doing the calling.

The exposure at these demonstration shows have greatly helped increase the interest in square dancing in our area. Our beginner's class that started last October has 6 squares and they are doing great.

Sunday afternoon, March 16th is our annual dinner and election of officers.

Please don't miss our "BIG" dance of the year—the 4th Annual Spring Frolic on March 2nd. Hope to see you there.

So good to have you back, just in time to attend the Edison Pageant of Light annual celebration. The pageant committee works hard each year to make it one of the best, ending a week of events with a Grand Parade, a tribute to our great inventor, Thomas A. Edison. Where would we be without lights, music, and dancing??!

NORTHEAST FLORIDA SPIRIT OF '86 CELEBRATION

In Jacksonville we are planning big things for the Spirit of '86 celebration.

On June 14th, Flag Day, we are planning to have a dance on the River Walk. Our goal is to have enough dancers to fill the one mile River Walk. It is our hope this will be the largest outdoor gathering in the state of Florida.

We are soliciting help from all callers and dancers in Florida and Georgia to make this possible. **WILL YOU HELP US?** Plan a bus trip with your club and be a part of the Spirit of '86 by dancing with us on the River Walk.

The Gateway Callers Association and Northeast Florida Square Dance Association have joined together to make the Spirit of '86 a success.

We ask you to pledge your support.

Art Wilson
Spirit of '86 Committee Chairman
Route 11 Box 1014
Yulee, Florida 32097

The following is an article reprinted from the January 1986 issue of AMERICAN SQUARE DANCE Magazine, written by Gwen Carpenter Roland.

All aboard the "Spirit of '86".

Dancers world-wide are preparing to celebrate the Golden Anniversary of American Western Style Square Dancing! That's right, Golden Anniversary. Although 1986 marks the 35th Anniversary of the National Square Dance Convention and the 40th Anniversary of American Square Dance Magazine, it is also the 50th Anniversary of the event that started it all. It was in the summer of 1936 that Lloyd Shaw's Cheyenne Mountain Dancers burst upon American audiences from coast to coast starting an enthusiasm for "cowboy dancing" that has spread across the world like sage brush covers the plains. Clubs and organizations are using the anniversary celebration as a focal point for dances and parties throughout the year. But the "Spirit of '86" is more than just a year-long party.

The "Spirit of '86" is a spirit of tradition. It's a movie being filmed right now to be aired on television during the anniversary year after its premier showing at the National Square Dance Convention in Indianapolis. It will trace the history of square dancing all the way back

to its roots in 15th Century England, up through Lloyd Shaw's revival in 1936 and on to its spread as a major recreational culture.

The "Spirit of '86" is a spirit of hospitality. A cookbook chock full of recipes submitted by square dancers will be on sale attracting the attention of dancer and non-dancer alike. Along with hundreds of square dancers' favorite recipes it will also include anecdotes from around the square dance world.

The "Spirit of '86" is a spirit of generosity. The most exciting part of the cookbook story is that square dancers have set a goal to raise \$100,000 for Habitat for Humanity through the sale of the cookbook. Habitat for Humanity is a grass-roots organization that helps people help themselves toward better housing.

It's still not too late to include your recipes! Send a copy of your favorite dessert, casserole, finger food, bread, and salad to the address listed at the end. Be a part of the spirit of generosity and cooperation sweeping American Square Dancing today. Jerry and Becky Cope, Copecrest Dance Resort, are compiling the Cookbook.

The "Spirit of '86" is a spirit of creativity. Many talented dancers and callers are drawing on their musical ability to find just the right song to express the spirit of square dancing. Taking a cue from "We Are The World," a host of callers will record the song and plan to introduce it on stage before an audience of 40,000 during the National Convention in June as the celebration officially gets underway.

The "Spirit of '86" is a spirit of cooperation. An interlocking network of media coverage will tell our anniversary story in magazine articles and on talk shows. A Grand March across America will generate news from coast to coast and around the world as clubs participate in a marathon walk to the national convention to kick-off the Golden Anniversary Celebration.

All facets of the square dance spirit will shine on December 31, 1986 as six million dancers display their spirit of tradition, hospitality, generosity, creativity, and cooperation in a gigantic dance hosted simultaneously by every dance club in the nation.

"JOHNNY"

On January 10, 1986, our Caller, Johnny Walter, died very suddenly.

On the previous evening we had danced to Johnny at Tice—an evening of great calling and much fun—with Johnny laughing and joking with us. Little did we know that this was to be his last dance!

The Square Dance Community in this area has lost one of its best callers—one so dedicated that we have seen him travel the long road from Okeechobee to Tice, sometimes not in the best of health, to call for as little as two squares at our C-1 dance on Sunday evenings—just to keep us dancing!

We shall not see his like again, and we all miss him very much.

Our hearts go out to his wife, Louise, with whom he lived a life close to nature, among his animals, birds and flowers.

May you rest in peace, Johnny — we shall not forget you.

SANDPIPER SQUARES SPRING FROLIC

The ad for the Sandpiper Squares Spring Frolic on page 13 of the January, 1986 issue of *BOW & SWING* showed the time of the dance to be 2:00 to 5:00 PM. The time is, in reality 2:00 to 5:30 PM. on March 2nd. An additional half hour of dancing was added this year because of an anticipated "full house", which will give everyone an opportunity to relax, enjoy refreshments (served 2:00-5:30) and a lot of good dancing. The dance is being held at the Central High School in Fort Pierce.

DANCING NOTES

THANK YOU

I would like to express my heartfelt thanks for the multitude of expressions of sympathy extended in many different ways by square dance friends after Johnny's passing which came from all over. Each and every one was a great help to me. It's wonderful to know that so many people care.

Louise Walter

Editor's Note: Louise, at this writing, is hospitalized with pneumonia. We wish her a speedy return to good health.

REPORT ON CARL & CAROL ROD

Last month we reported on the terrible auto accident which Carl & Carol Rod (Central Florida Caller) experienced, and believe you may be interested in their progress. Carol's arm is still quite painful and she has to be careful with it. Carl still can't put any weight on one leg, and uses a walker to get around. A good piece of news—someone gave Carl a golf cart to use for some extra mobility. They are getting out on occasion, and visited their Allemande Leftovers Club last Sunday, where Carl actually called half a tip. Good going, Carl & Carol!

GOLDEN ANNIVERSARY

Roy & Olive Sprague will be celebrating their 50th Wedding Anniversary March 7, 1986. Their son, Paul R. Sprague sent us an

article from the December, 1970 issue of **BOW & SWING** where they had been named Round Dance Instructor of the month. Roy joined the Florida Callers Association in 1962 and in 1965 they became members of the Round Dance Council of Florida.

Since retiring from active calling and teaching, they have attended Elderhostel all over the United States. At each college they promote squares and rounds with "One Nighters" for these Senior Citizen students. They hope to attend at least one college or University in each of the 50 states. So far they had attended 24 sessions in 22 states. Later this year they have been invited to attend and teach square dancing at several sessions "down under" at Wollongang University in N.S.W., Australia.

IT'S GREAT TO BE A SQUARE & ROUND DANCERS

You are not going to believe this! We, "The Bizarre Bazaar" (Martha & Irene) are thinking of retiring. Isn't that great! I'll still be around and will be happy to get special orders for you in Sam's slips and panties. You haven't danced until you wear Sam's. I hope to still be writing my article for Kriss Kross Squares and this one. I will not be fading away. I'll still see you at the dances, and let me send your subscription in to **BOW & SWING**.

TWIRL-A-WAYS

TITUSVILLE . . . We had a gala New Years Eve party and a glorious time was had by all.

We began the new year with the election of officers. They are: President, Alvin & Patsy Watson; Vice President, George & Janet Southwell; Secretary, Walt & Joyce Helm; Treasurer, Bob & Pam Austen; Directors, Ted & Liz Beck, Al & Karen Reshel, and Bill & Alice Rodda.

We retrieved our banner in early January from the Sandy Shoe Steppers. Many activities have been planned for the new year. We invite you dance with us.

Walt & Joyce Helm

SPACE TRACKERS

ROCKLEDGE . . . Our Winter Whirl was a big success. Thanks to the many different clubs represented for celebrating with us and we hope to see you next year.

On January 26th we held a class level dance for the Space Cadets Class (currently 66 strong) and all classes of the area. There was a very good turnout in spite of the stormy weather, with many of the area class dancers attending. There will be three more class level dances on Sunday afternoons February 23, March 23, and April 20. All are invited.

SQUARE DANCE PRESERVATION

The committee on Square Dance Preservation, meeting during the Florida Federation of Square Dancers annual working weekend over January 18th and 19th, discussed apparent problems, suggested solutions and methods of implementation.

The input from the five area associations indicates developing problems in nearly every corner of the state. The consensus seems to show problems in smaller and fewer classes, an increasing loss of the new dancer and decreasing fun and socializing.

The reasons suggested for these problems are many, but they can be condensed to three or four. It appears the most mentioned is the length of the teaching program, followed by the stigma being attached to the lower dance programs which causes pressures on both caller and dancer to advance before the dancer is comfortable in his/her current program. In many cases there are people teaching who are not fully qualified, so we lose their dancers plus giving other teachers a bad name. For some of the new dancers, costs are beginning to be a factor.

Solutions were thoroughly discussed and several are listed which should be considered. With regard to the length of class, it was felt that instead of trying to teach the recommended number of calls in a shortened period of time as most areas are endeavoring to do, the full time should be used so the new dancer is exposed to fewer new calls each night thus giving them more time to dance instead of agonizing over several new calls.

After completion of class there should be a

place to dance for the new dancer to practice and become comfortable with what has been taught, without suggestions and pressures for additional workshops. It should be remembered that the new dancer is a beginner and not well versed in our activity. They need a lot of help in finding places to dance, how to get to them and how to act once they arrive. We angel them through class and then fail them when needed most—in the first several months after graduation! Most of the more experienced dancers do not realize the pressures they apply by constant reference to other programs and workshops needed. Try talking about the mainstream program and how much fun it can be when one becomes comfortable at that level. This would also reduce the stigma that has developed. Think back to your beginning.

It is realized these solutions in many or most cases cannot be implemented completely as such; but the Florida Federation of Square Dancers strongly urges the local associations, both Caller and Dancer, to work together; first to see if they have a problem, then to look for reasons and discuss solutions with ways of putting them into effect.

As an added note, CALLERLAB and other Caller associations have become increasingly concerned with the teaching program and are trying to come up with a workable solution.

Our base of classes and mainstream programs is in apparent trouble and should be looked at closely. But there can be no help unless you are willing to help yourselves.

WHIRL & TWIRL

ORLANDO . . . As you can see from the picture in the column to the right of this item, a goodly number of Whirl and Twirl members and guests danced their way happily through 1985 and into 1986. Our home, the Hanging Moss Square Dance Center was gaily decorated for the occasion. The dancing was great, and a sumptuous buffet rounded off the evening and many of the dancers.

Come dance with us. You'll be glad you did and we're sure you'll return.

ORLANDO SINGLES

ORLANDO . . . Our Valentine dance will be in recognition of the couples who met and became "hitched" while members of the club. Because our club members have asked for it, and others in the area are interested, we will have a Plus Workshop on the 2nd & 4th Fridays instead of our regular dance starting on March 14th. But on the 3rd Friday in March, the 21st, we will have our first Western Night Dance. Come as dressed up or as tacky as you wish. Jeans will be worn by both boys and girls. We will all be enjoying chili made from Bruce Weldon's famous Texas recipe.

You don't have to be single to share our fun!

Marie Loper

SANDPIPER SQUARES

PORT ST. LUCIE . . . We had a real swinging time at the Orange Blossom Squares when we retrieved our banner. They are a very gracious group and we enjoyed ourselves very much. Their club is just a year old and are doing great.

The growing interest in Square Dancing in our area is amazing. The Sandy Shoe Steppers' membership passed the 300 mark this past year and our club, which is just 3 years old, could reach 200 this year. It looks like 1986 is going to be a banner year for Square Dance activities in our area.

We hope to see you all at our big "blue ribbon" dance of the year, our 4th Annual Spring Frolic, Sunday afternoon, March 2nd.

John Venn

SEASIDE STOMPERS

NEPTUNE BEACH . . . We are actively engaged in preparing for the 4th Annual Beach Bash to be held April 5th in Jacksonville Beach. The theme this year will be *Red Sails in the Sunset* and we look forward to another great dance with all the tempting food that has become a hallmark for this event. As in the past, this is a special weekend with 2 days of arts and crafts, numerous contests, and a parade on Sunday celebrating the opening of the Beaches season. Make plans now to make it a weekend get-a-way.

Big congratulations are in order for Cory Cook, son of Larry & Carolyn. Cory's band was selected as one of the only three Junior High School bands to win the honor of competing in Anaheim, CA. When the competition ended, it was chosen as the top Junior High Jazz Band in the nation!

The Bracewells - Joe & Bette

DRIFT AROUND SQUARES

. . . The November campout at Pacetti's was a fun time, with great weather and the dancing even better. Camp chefs did a fantastic job on the smoked turkey and trimmings which would have made the Pilgrims turn green with envy. Even the left-over turkey made a hit with the Sunday morning pancakes. The White Elephant Sale was a smashing success.

ORANGE BLOSSOM SQUARES

VERO BEACH . . . It's interesting what happens when a club is poor on cash and rich in ideas. We all sat around in a group trying to think of things to give our visitors. Because we had just started our club and had very little money, we couldn't afford Dangles. We had a lot of muscle power and a few dollars. End result—a Tie Holder, designed by Bud & Paula Whiddon and a Happy Faced Orange donated by Betty & Bill Weckerle. The Tie Holders are made of sea shells and the Happy Faced Oranges are made of felt. We all have fun wearing these things and feel they are a little different. Our logo is Happy Faced Oranges. Come dance with us and have a Happy Face.

FELLOWSHIP SQUARES

PORT ORANGE . . . Six fun-filled squares started 1986 with much munching and entertainment on New Year's Eve. However, as January progressed, our members were plagued with illnesses and surgery, including Annabell Shroyer, Ed Bragg, Alphe Martin, Ray Russell and Harold Rubin. We sincerely hope that at the time of this publication *all* are "squaring up".

Congratulations to Marty & Joe Braun on the birth of their granddaughter, Martha.

If you've never seen a "blindfold" dance, you ain't seen nothin'! Barbara Charbonneau organized such a square for Church Mouse Night and there were truly 8 *blind mice*.

16th Hand

WESTERNAIRES

NORTH MIAMI . . . Our Souper Bowl Dance was a real super-duper. Prez Bob Wells called 5 and 10 yard penalties on both dancers and caller throughout the evening, which made the squares either advance or fall back. The decorations, outfits worn by the dancers, and the appropriate refreshments (home made soup and decorated cakes) make this a night to remember.

We neglected to give thanks to George Buckley and Phyllis Kent for handling the M.C. Chores at our New Year's Eve Party. They did an excellent job and everyone enjoyed the evening.

John Slenski is now back home and we hope it won't be too long before he and Doris return to the fold. We sure do miss them and their ever-willing hands of help at our dances and special affairs. All of us have been keeping Harry Workman in our thoughts and prayers since hearing of his serious illness. Harry & Liz, though not members, have been attending many of our dances and have done much in the past to promote and encourage square dancing. They really are Square Dancing's unofficial Ambassadors of Good Will.

Bert Ashcroft

WAGON WHEEL SQUARES

ST. CLOUD . . . Marvin Boatwright was the guest caller for January while our club caller, Dale McClary and Carolyn enjoyed themselves on a Square Dance Cruise. Too bad

our cuers had to miss all the cold weather while they were in Hawaii. Pete & Jan are at the Convention over there. We're anxiously awaiting for Pete to show up in his grass skirt when he comes back.

The Camptown dancers showed up in full force to retrieve their banner. Our banner raid to the Angel Squares was a very enjoyable evening. George & Marge got 2½ squares together for the trip. The Angels are super people.

The Presidents Ball was to honor all Past Presidents of the Wagon Wheels. All were presented Past President pins and President Eddie Williford stated the years served by each couple. Finger foods were served.

We wish a speedy recovery to Carl & Carol Rod, who are recuperating at home now.

Bev Whitney

LEHIGH STARS

LEHIGH ACRES . . . In January our club had their "Poor Party"—complete with "old" clothes and refreshments of hot dogs and beans. Looking ahead to February, we plan an old-fashioned box lunch social for the Valentine Dance. The ladies will be sharing a box lunch with their first dance partner of the evening. The committee is also planning some special favors and decorations for the evening.

Irene Bartsch

GOLDEN TRIANGLE SQUARES

EUSTIS . . . We were pleased to have Steve Brissette back for rounds January 23rd. Steve's job has curtailed his cueing engagements but not his sterling delivery.

The club continues to brighten the spirits of area shut-ins by dancing to taped music at area nursing homes. We danced at Oakwood Nursing Home on January 28th.

March 13th is our *Shamrock Dance*—time for "Wearin' of the Green".

SANDY SHOE STEPPERS

FT. PIERCE . . . We started off the 1986 year with a bang at our 2nd annual New Year's Eve Dance. We danced out the old year and in the new, spending the evening with party hats, horns, a toast at midnight and, most important, good friends.

Presidents Worley & Nan Carrier are beginning their second year in office with some ambitious plans.

Coming up February 16th we will have a barbecue. Last year's was such a success we thought we'd have another. In addition, we will again be sponsoring the annual St. Lucie Square Dance Festival on November 14th & 15th.

Debbie Krivan

SHIPMATES

EDGEWATER . . . Our thoughts are with *Carol & Carl Rod*. We wish them the best and a speedy recovery.

Our homecoming dance was tremendous. It was nice to see all our old friends. Thanks to Dixie Dabney for delivering the idea.

Next on our agenda is our 2nd annual "Pirates Bounty" covered dish supper on March 22nd. We have many special things planned for that nite, including a prize for the best pirate or nautical costume, which, of course, is optional. We hope some of the original Orlando Pirates can come and have a reunion! Pee Wee Stewart will be on hand to do his bit, having had experience with the Orlando group. Hope to see you all there!

Yeoman Swabby

LAKE COUNTY TWIRLERS

EUSTIS . . . Our St. Patrick's Day dance will be March 12th, with finger food. It is also Western States Night. Everyone wear their green!

A busload of dancers went on a Mystery Trip on January 25th. It was hard to tell which direction we were going as even the bus driver got lost. The driver, and our caller, Jack Hatfield, got directions from the fire station and we completed our trip in time for the dance. We ate at a nice restaurant and it was a fun trip.

Our new class is doing beautifully. We have

moved our class from Monday night to Sunday at the Tavares Civic Center on Carolina and New Hampshire Streets in Tavares. There will be workshop from 6:00 to 8:00 P.M. and lessons will be 8:00 P.M. to 10:30 P.M.

We are the oldest club in Florida, but we think young. Hope to see all you other kids soon.

GOLD COAST SWINGERS

DEERFIELD BEACH . . . The highlight for January was the special dance with Stan Burdick. Even though the Super Bowl gave us some competition, we had a good turnout and everybody had a great time.

TOP CATS

HOLLYWOOD . . . We hear that Jim Reagan is now working, on a limited basis, after his surgery and hope it won't be long before he and Leah return to dancing.

One of our most loyal supporters, John Saganich, has had several setbacks with his health and we all wish him a good recovery. One day at a time, John—that's the way back to good health. Perhaps he and Claire and their side-kicks, Matilda & Vincent De Sio, will come visit us some day; they have been sadly missed.

Our beginners' class got off to a great start last month and it was so gratifying to see so many new faces interested in our great activity. Let's hope it's the start of a new trend.

Sylvester, The Original Top Cat

LEFT ALLAMANDERS

ST. PETERSBURG . . . We are busily at work planning several interesting projects. One is a Knothead trip for our class members. Another is our appearance in the St. Pete International Folk Festival at the Bay Front Arena. Also, our Mini-Snowbird dance (see our ad in this issue for date and caller, as well as callers for other dances in March).

Our Banner Bandits, Harold & Charlene McNaughton, and their gang have been going strong, so look out for them.

We invite everyone to come dance with us for lots of fun and friendly people.

Mae & Ken Ford

DIAMOND SQUARES

DELRAY BEACH . . . A big crowd went to Deerfield Beach to celebrate the Beginners Ball of the Twirlaways. We should have car-pooled! Of course, we went to Cresthaven on the 19th for the "All Saves" Benefit Square Dance. Our caller, Stan Smith, called and cued at both of these affairs

Our First Anniversary Dance on the 25th (the Anniversary of our new hall at Atlantic High School) was in the Annex instead of the cafeteria. The dancers enjoyed every minute of it and took time out to look at the over-laden food table trying to decide which "goodies" to have. Apparently new

recipes are floating around! There's always an abundance of food, fun, and friendship at our 4th Saturday of the month party. Come join in—you'll return, we promise!

We're hosting the South East Dance March 9th at 1:15 P.M. Come one, come all, and have a ball!

Teddy Bear

CIRCLE WEAVERS

LEESBURG . . . Wow!! A petticoat for a banner? Several squares of Circle Weavers put on their traveling shoes and journeyed to Gainesville to steal the banner from the Starlight Twirlers. Since only one banner was available and two clubs were on the prowl for the same banner, we ended up with the petticoat belonging to the Caller's Taw. A real fun night it was. Incidentally, the petticoat is an added attraction hanging in the hall at Lakes at Leesburg.

The same set of dancers attended the Central Florida Callers Association Dance in Orlando, and are now planning a trip February 1st to Georgetown to retrieve our banner from the Bass Capital Squares. In the afternoon of the same day we are putting on a demonstration at the famous art show to be held in Mt. Dora. Such enthusiasm for square dancing is commendable. A mystery trip is in the offing and response has been excellent. Our beginners class is coming along nicely with the support of many of our angels.

We wish Dorothy Metzger, now at home recovering from heart surgery, a speedy recovery.

Until next time dance with *Rhythm, Enthusiasm, Grace*, and above all a great big *Smile*.

E. Blank

SUN DANCERS

TITUSVILLE . . . Our new officers are full of ideas to make this a memorable year for the Sun Dancers. Surprise cakewalks on Super Bowl Sunday were enjoyed by everyone. Plans are being made for our Valentines Dance, including Visitors on Mystery Trip.

March 16th we will have our Shamrock Dance. Come dance with us.

AS I SEE IT

(Continued from Page 12)

*A train came rollin' down the track
Toot, toot — peanut butter.*

*I got a gal who's six feet tall
Sleeps in the kitchen with her feet in
the hall.*

*Ida Red, she ain't no fool
She'll put a saddle on a humpback
mule.*

*Big pig rootin' out a little tater row
Granny will your dog bite? No chil'
no.*

There are hundreds of verses of rhyming patter such as this, and many can be traced back to the choruses of folk songs. Others were bits and pieces made up by the callers themselves who took pride in their "originals."

Terry Golden was one of the most colorful of all patter kings. His verse varied from the best of what others used, plus original ditties that were so funny dancers were known to stop in their tracks just to listen and laugh. It was Terry who adapted the myriad Burma Shave roadside signs to square dance patter.

*Does your husband misbehave
Shout and scream and rant and rave?
Then shoot the brute some Burma
Shave.
(Promenade)*

Patter was a staple upon which callers built their reputations. Patterns such as the Texas style do si do were created as a continuous

movement and were perfect for the caller's art. The dancers would repeat the pattern over and over thus allowing the caller the time to "do his thing" without interference. The story goes that one caller had memorized all 20 or more verses of "The Walrus and The Carpenter" (from Alice in Wonderland) and could be counted on to call a triple grand right and left at least twice during the evening so that he could display his talents.

Another legend surrounds the Texas do si do, which is simply a do paso that doesn't stop until the caller is ready for you to stop. It's "...turn partner left, turn corner right, turn partner left..." and on and on. When the caller is ready, he stops the patter and the dancers do a courtesy turn while waiting for the next command. The dancers wouldn't dare interrupt while the caller was doing his recitation!

History has it, according to legend, that there was one particular night when another Texas old-timer was well into his program when he called a do si do. He started his patter. The dancers, dancing on a wooden barn floor, followed "... partner left, corner right, partner left. . ." Things had only just gotten under way when the caller dropped dead and with no one to tell them to stop, the dancers kept going "... partner left, corner right," on and on throughout the night and well into the next day. According to reports, they wore right through the floor boards, dropped out of sight and were never heard of again.

Remember — you heard it here.

DIXIE SQUARES

DAYTONA BEACH . . . A great roundup was held on *Western Night*, January 16th. "Hoss" Barrett was in rare form ropin' the pretty little taws from the back of his trusty (rocking) horse? The western food was great and plentiful. It was a pleasure to have the Bass Capital Squares join us to retrieve their banner that night.

Two squares of dancers traveled south to make a banner raid on the Beachside Squares on January 24th. A raid on the Sundancers is scheduled for February 2nd. Several dancers plan to go north to Waycross for Dick Barker's famous "Buf-

falo Hunt" on the weekend of February 15-16.

The special event for the month of February is a "Mystery Dance" entitled "Sweets for the Sweet". Can't tell you no mo' or it wouldn't be a mystery!

We are hosting the Central Florida Square & Round Dance Association dance at City Island, Daytona Beach, on February 16th.

ST PETERSBURG . . . Enjoying our winter visitors once again! Our January Mystery Bus Trip really was a mystery and the bus driver made some sneaky detours just in case we thought we knew where we were going. En route Jo Ann kept us busy with Trivial Pursuit and an unplanned water weenie toss kept us in stitches after that. Medieval Times was our unknown destination and it was fascinating even with eating without utensils just like it was way back then.

Hope many of you will be celebrating our 9th Anniversary with us February 28th at the Largo Community Center. March 14th is our St. Patty's Dance—time to don your green. Everyone looks forward to our "Hawaii Aloha Dance" on be April 25th—food, fun, entertainment and dancing.

GANDY DANCERS

TAMPA . . . We are enjoying our guest callers this year and invite everyone who has not been with us to "come on down" and join in the fun. On March 17th we want everyone to come chase your blues away by wearing your green for our St. Patrick's Day Dance. There will be lots of good food and plenty of good dancing. March 31 will be a Pot Luck Dinner at 7 PM. Come bring your favorite covered dish and enjoy the fellowship with

falls in behind the #2 couple - the three couples split the #3 couple, gents turning Left, the Ladies Right, and go Single File up the outside. The #3 couple crosses over so that all the gents are on one side, ladies on the other. Go single file until they are back to the head of the set (#1 position). The number One Lady crosses over the center to follow the last men (#3 man). The number One Gent crosses over and follows the last lady (#3 lady). The next lady crosses and follows the first lady, then the next gent crosses, then the next, etc. They turn once around - **THIS IS THE FIGURE EIGHT THEY ARE CUTTING** - Now they repeat the above only this time they form the two stars, **VENUS AND MARS . . .** The rest of it is directional.

HAPPY HOEDOWNERS

LEESBURG . . . So-o-o-o we are off to a new year—may it be as wonderful or better than 1985. That No. 1 Caller upstairs knows how to call the "dance" for all of us—We sometimes question his call—But who is to say they could have done it better.

We had a "hot time" on our "Barn Dance" at Clerbrook January 3rd—and it was hot—for their air conditioning was on the blink. But the good showing of Hoedowners made the evening well worth while. We had a nearly full house of 23 plus squares on January 4th, and on the 18th, 26 squares really filled the hall. We could have used more Happy Hoedowners at Inverness January 11th. We just made our quota to get 5 points for the Red Raider Badge. Many of our members were in Lakeland for the Festival of Rounds with Jack & Nell.

We look forward to our Officers Election Dinner February 15th to find out who will be our "Guiding Lights" for 86-87. On the 16th we have a bus trip to Daytona Beach when our own Marvin Boatwright calls for the Central Florida Square & Round Dancers Association.

STARLIGHT PROMENADERS

DELAND . . . About 15 squares attended our Western Wear and Amateur Caller/Cuer Night. Everyone looked great and sounded even better. Two squares from the U Wanna Squares and their caller, John Saunders, retrieved their club banner.

The Promenaders lost a very special member in late December—Fron Bormann, a long-time active member. Past President and current Treasurer lost his fight with cancer. Our thoughts and prayers to his family especially his wife, Dorothea.

Central Florida Square & Round Dance Assn. President Howard Wilson presented the Circle of Service award to Mrs. Terry Van Ness for her many contributions to square and round dancing. The entire club is very proud of Terry.

Come one! Come all! And wear green to our dance on March 12.

Carol Poole

SOUTHERN STARS

BONITA SPRINGS . . . We look back on the good time we had at our January "Old Clothes" dance. Some of the old clothes and costumes were quite "different". February plans are shaping up for a Valentine Dance and cherry pie night. Every dance night we welcome visitors and friends from all over the country. This is, indeed, an enjoyable and interesting experience, meeting and dancing with these folks while we share the fun and friendship of square dancing.

Irene Bartsch

ALLEMANDERS

SATELLITE BEACH . . . There were 7 contestants in the Chili Cook-off on January 11th: Jim Adkinson, John Ameigh, Ed Clark, Herb Dodd, Steve Fernaays, Fred Grenier, and Diane White. Who is the new champ? The one and only female entry—Congratulations, Diane. The guys will just have to try harder next year!

We were pleased to have more than 50 Lake County Twirlers and their caller, Jack Hatfield, travel from Eustis to our club dance on January 25th in order to earn their Knothead badges.

On March 15th our Annual Shamrock

Swing will be held at the Eau Gallie Civic Center. Come and bring a friend.

Herb & Bettie

MELON SQUARES

WILDWOOD . . . Our club's decision to have workshop on the 1st and 3rd Fridays was off to a good start with many in attendance. What a delight to see so many new faces. We truly enjoy all our visitors. Dances on 2nd and 4th Saturdays remain the same.

We were honored by a visit from Miles Eastman, well-known caller in Central Florida who called several tips at the invitation of our own caller, Jim Roop. Many thanks.

Congratulations, handshakes and yellow rocks were passed all around at the installation of our new officers: President, Carl & JoAnn Fox; Vice President, Fred & Nelma Woolf; Secretary, Paul & Trudy LaPointe; Treasurer, Perley & Winona Churchill; and Directors, Jim & Bobbie Roop and Wally & Elaine LaShomb. My personal thank you to Pat Langtry (outgoing Secretary) for all her help.

SWINGIN' SINGLES

Hollywood . . . We attended Jack Lasry's New Years Eve dance as a group and had a wonderful time. It's nice to see such a caring/sharing club! As a rule, when we attend our singles dance at Trails End on Friday evening, we may dance the first and last tips with a special friend or date and mix and mingle the remainder of the time. By doing this, each person is assured an opportunity of dancing part of the time... and...New Years Eve was no exception. What a great way to start a New Year!

We would like to remind singles everywhere of our up-coming FASSRD Convention being held at the Colonnades Beach Motel on Singer Island, West Palm Beach November 7-8, 1986. Please be a "Super-Single" by sending your registration in early! This enables the host club to better serve you and it is certainly our pleasure to do so.

Coming up soon is the Texas Singles Round-Up March 7-9 in Dallas.

COCONUT SQUARES

COCONUT CREEK . . . "Weight Watchers" was the theme for our special dance in January. We had a variety of food prepared by "The Original Coconut" and of course no one believed us when we told them they could eat those pies and all the goodies and still lose weight.

We are enjoying all the winter dancers who come to visit our club and love it when they tell us what a friendly club we have.

Our Hobo Dance will be in March.

The Original Coconut

BASS CAPITAL SQUARES

GEORGETOWN . . . We've been busy retrieving and banner raiding. Went to Leesburg (18 of us) and danced with Circle Weavers, bringing home their banner and at the same time dancing to a National Caller, Art Tangen from Iowa. We also went to Daytona to retrieve our banner from Dixie Squares. After the dance all of us went to Elta Azier's for super refreshments and what a beautiful place, Elta! On Wednesday a square of us went to Eustis (Lake County Twirlers) bringing our other banner home. Now we will be going on a lot of banner stealing raids. Fun! Fun!

Our own bi-monthly dances are still going strong. At our last dance we had a special treat when Art Tangen and R.J. called as a duo for workshop and dance. No one has as much fun as our club. Come on over to Georgetown, workshop, eat, and dance with us. If you come once, I know you'll come back.

CASTOFFS

BOYNTON BEACH . . . The Kickoff Dance for 1986 was so well attended we had squares almost into the parking lot. Another innovation inspired by the leadership of the Castoffs is the use of the computer board for 3 of the 6 tips at our Friday Plus Dance. A thing of the past is the pre-arranged square for the 2nd, 3rd and 4th tips, and the reception by our guests has been unanimously in favor. Our attendance is consistently surpassing all previous years.

Our installation banquet was favored by the debut of a guest caller, yours truly.

Everybody enjoyed the food too! If you wear your green outfit to our St. Patty Party March 14th you won't feel out of place. Remember, you don't have to be Irish to attend.

Our officers, members, and guests extend sincere condolences to Louise Walter and the Walter family on the untimely demise of Johnny. He was one of the Castoffs favorite guest callers who will be sorely missed by one and all.

We will honor Wilma & Erving Simms at a banquet on April 3rd celebrating their 10th consecutive year as Treasurers. All their friends are cordially invited.

We will graduate about 100 beginners on March 20th with a pot luck dinner before they are presented with their diplomas. We wish them all good luck and good dancing. If you want to know who is calling for us and when, check our ad.

CHARLOTTE PROMENADERS

PORT CHARLOTTE . . . We thank all of the committees, dancers and caller Jim Ford for another successful New Years Eve Dance. Well done!

Bernie & Betty Coakley have been busy scheduling demos for different groups such as Hospital Festival Day Care Center, New York Club, etc. I hear some of the groups joined in a sing-a-long with some of the tapes. Thanks Bernie, Betty and dancers.

Each dance brings first-time visitors and isn't it nice to join a group of strangers and feel so welcome? Square Dancers are the greatest!

Wayne & Eddie Tennant

GRANADA SQUARES

ORMOND BEACH . . . We toasted the New Year with a gala party. The gals wore formal and party dresses, and the guys wore jackets and ties. There were 74 enjoying Ballroom dancing as well as Rounds and Squares. Dottie St. Aubin, Betty Beattie, and Bea Ewing assisted in serving a cold buffet. The affair ended at Midnight with the dropping of balloons. We are planning a pie night February 11th in observance of St. Valentines Day.

BREN-DON SQUARES

ORLANDO . . . We wish to announce moving of our dance and class meeting place from the Winter Park Civic Center to the Hanging Moss Square Dance Center, Venture Circle, Orlando, effective January 4th, 1986. We will be meeting each Saturday night in the future at Hanging Moss. Classes will be meeting from 6:00 to 8:00 P.M., and dancing will be from 8:00 to 10:00 P.M.

Social nights with finger food and birthday and anniversary celebrations of class members will be celebrated on the 4th Saturday nights.

Please come join us and all the fun.

SUNSHINE DANCERS

MANGO . . . There is a new club in town called *Sunshine Dancers*. We will be dancing on Friday nights from 8:00 to 10:00 P.M.

This is a Plus dance to the level of dancers. Maurice Raulerson is our Caller.

Come join us at the Mango Civic Centre, Clay Pit Road off Rt. 579 in Mango, Florida.

FEATHEROCKERS

BRANDON . . . It's a sign of spring when we start planning our March picnic. Also mark the 24th of April on your calendar for that will be our 8th Anniversary Dance and there will be plenty of door prizes.

Our cake raffle was very successful, especially for Wilma & Clarence Ingram. Their names came out no less than five times or a total of over 7500 calories. Happy Dieting!

Betty & Len Fisher

GRAND SQUARES

GAINESVILLE . . . We had a good time January 4th retrieving our banner from the Gainesville Square Dance Campers.

Brenda Hirst, our new Social Director, came up with a new idea—a flea market dance. Lonnie agreed we could have one as long as everyone took home those items that didn't

sell. (I thought he should have offered to take it all home with him, but Peggy vetoed my suggestion!)

Did you read the Square Dancers' "Irish Prayer" in the Featherockers' news last month? Wouldn't that make a great plaque to hang on your wall, or give as a gift to some other dancing couple or caller you admire? I can just picture it done in counted cross-stitch or calligraphy, with square dance figures in the corner. Now, if my artistic talents only matched my imagination . . .

Winter finally arrived, and lots of our dancers have succumbed to viruses and the flu, but cheer up—"Spring Fling" is closer than you think!

Diane

NSDCA SUNSHINE CHAPTER 018

. . . Our January camporee was exciting with 65 units present in 70° weather. Andy Ziegler presented the Circle of Service pin to Warren & Rita Raver, Jack & Joy Menne, Ray & Jo Martineau, and to Fred & Brenda Chatterly, C-046, NSDCA Canadian Area Representatives. This pin is presented to square dancers who have worked diligently for at least three years to promote square dancing.

New Officers are: Howard & Sharon Clemence, President; George & Ruth Haussmann, Vice President; Jack & Joy Menne, Secretary; and Leonard & Elna Platz, Treasurer. Howard Clemence presented "Past President" bars to Andy & Audrey Ziegler. Ellie & Marvin Stocker are the State Representatives.

The ladies chose a new style club dress (same colors) designed and modeled by Lilamae Risinger. Come dance with us and have a friendly, relaxed weekend with great square and round dancing.

"BACK HOME AGAIN IN INDIANA"

REGISTRATION UPDATE

Seems like everyone took time out for the holidays as we only processed 638 new registrations during December, for a December 31 total of 15,637 dancers registered for the 1986 National Square Dance Convention being held June 26-28, 1986 in Indianapolis, Indiana. However, by January 15 another 780 registrations were processed, making a total of 16,417 dancers planning on attending. As of December 31st, 422 were registered from Florida.

EMERGENCY PHONE NUMBER

While this is one service we hope you don't have to use, the National Square Dance Convention will have an emergency number in effect, Monday, June 23 thru Sunday, June 29, 1986. This phone will be manned during the convention hours and will enable you to be notified in the event of an emergency by the use of television monitors located throughout the Convention Center or if you received housing through the 35th National Registration and Housing Committee, there will be a list available so you can be contacted at your hotel/motel. If you have made housing arrangements on your own, we suggest that you leave this information with all that might need to reach you in an emergency. The number is:

MORE DELIGHTFUL DINING IN INDIANAPOLIS

Casual dining is available at the Old Spaghetti Factory, Bally's Tom Follery, the Tea Room of L.S. Ayres, the William H. Block Company

restaurant, St. Moritz Steak House.

The Hyatt Regency Hotel, a short distance from the convention center, offers dining from the casual Porch and Stanley's to the gourmet Harrison's. Likewise, the Hilton, 4 blocks from dance headquarters, provides buffet and more formal dining.

For real camp, Sha-Boom's two blocks from the convention center, provides a rock 'n roll atmosphere, the back seats of real automobiles for dining booths and '50s fare, including hamburgers for under \$2.

Two long-established delicatessens serve downtown Indianapolis, both three blocks from the convention center. Ralf's Deli and Lounge and Weiss Delicatessen serve both sides of the same block.

Want French? Try the Common Market on the city's famed Monument Circle. A British flavor? Churchill's Pub and Eatery is convenient. Sidewalk dining? The Brasserie the Lox, Stock and Bagel feature outdoor tables. For real casual outdoor eating, downtown Indianapolis has a liberal sprinkling of sidewalk vendors.

Extend your walk to six blocks and enter Indianapolis City Market. The atmosphere is old farmer's market, complete with grocery, cheese and meat stands. The menu is chili, sandwiches, chowder, Chinese, bakery products, tea, diet ice cream — you name it.

The decision in Indianapolis is not how far to travel to eat, but which convenient choice to make right downtown — close enough to entice even the tireddest of squaredancing feet.

ROUNDALAB TO PRESENT SEMINAR/CLINIC

As with all professional societies, one of ROUNDALAB's continuing concerns is the improvement of round dance teaching through education. With the ROUNDALAB annual meeting now the Sunday, Monday, Tuesday immediately prior to, and in the same city as, the National Square Dance Convention, it has been decided to hold a one day Round Dance teachers Seminar-Clinic between the two conventions at the Decatur Central Junior High School on High School Road in Indianapolis. Maps and directions will be sent to all who pre-register. (Contact ROUNDALAB office at 3 Churchill Rd., Cresskill, NJ 07626.) While directed at round dance

teachers, any person interested in round dancing is welcome to attend. There will be a nominal charge to cover expenses.

Three one-hour sessions during the morning and afternoon will have a different topic and subject matter at each session. The format will be a seminar-clinic presentation with audience participation followed by a question and answer period.

Clinicians will be Bill & Carol Goss, Wilmette, IL, Don & Pete Hickman, San Antonio, TX, and Jack & Ione Kern, Palo Alto, CA. Chairmen of the education program are Irv & Betty Easterday of Boonsboro, MD.

Spirit of '86

(Continued from page 24)

Mountain time, and 8:00 PM Pacific time, all the dancing will stop as six million dancers reaffirm their vow to uphold the spirit of square dncing and so insure its tradition being preserved, not only for another 50 years, but for generations to come.

Endorsed by the Callerlab Board of Governors, LEGACY and USDA, participation in this dance is guaranteed to be a special moment.

Many prominent dance leaders and callers make up the Spirit of '86 committee, lending time, talent, and resources to spread the Square Dance Story.

Erv Melton, of Car-Mel Motion Pictures, well-known producer, is helping with the movie project. Gwen Carpenter Roland, a professor-writer who appeared for several years as associate producer of *Louisiana Alive*, an award-winning TV documentary, is researching and writing it. Jerry and Becky Cope, Copecrest Dance Resort, are seeing the project to completion.

Don Williamson, of Red Boot Records, is co-ordinating the production of *The Song* that will appear at all major events during the

Golden Anniversary Celebration.

Gordon Goss, editor of *National Square Dance Directory*, and Jim Blackwood Travel, are co-ordinating plans for the Grand March and the December 31, 1986 dance. The dates and times will be set for these events, and then your creative imagination will plan the celebration for your area. Our goal is to have participation from as many dancers as possible to show our strength as an activity as well as our spirit of unity.

You are invited to climb aboard the "Spirit of '86"! Say Y.E.S. to this spirit of tradition, hospitality, generosity, creativity and cooperation that is chugging across the world as square dancers everywhere make plans to celebrate the Golden Anniversary of American Western Square Dancing! Send for the VHS Video about the project, and for information on how your club or association can participate in the Golden Anniversary celebration. Join in by making plans for your club or association to celebrate this special year! Let's tell the world about *what square dancing can mean to them!* Say Y.E.S. to the Spirit of '86! For more information, write The Spirit of '86, P.O. Box 129, Dillard GA 30537.

HIALEAH COUNTRY CORNERS

... Our Luau in November was the best ever! The hall looked great and the food was delicious. Our thanks to Dave & Kathy Kallay and their able-bodied crew for the lovely decorations. Everyone seemed to

enjoy wearing muu-muus and Hawaiian shirts for a change of pace. A good time was had by all.

Santa visited our Christmas dance in December and helped pass out gifts to those

of us who were "good" last year.

We had a grand time at our annual Cystic Fibrosis Benefit dance in January. We collected over \$500 to give to the drug fund and everyone had a wonderful time. Many, many thanks to all who contributed their time, talent, gifts, etc. It was surely appreciated.

BIG POTATO SQUARES

APOPKA . . . We had a good crowd at our King of the Road Dance and the Hobo Stew was as good as always. Vern & Bev Cravero

were crowned King and Queen and were presented with their royal scepters (plumbers' helpers), and robed with royal capes (burlap bags).

This past month The Firehouse Squares and Whirl & Twirl Club came to retrieve their

banners, and we stole the Tiffany Squares banner.

The Plus Workshop, which was well attended, is now over and we will return to regular dances every Wednesday. Our Snowbird Appreciation Night will be held on March 19.

We all wish Bill Clements a speedy recovery and a quick return to dancing. We miss him and Alice a great deal.

ARCADIA SQUARES

ARCADIA . . . Good attendance prevailed throughout the month of January. We're happy to see so many people square dancing. Jack's Kings & Queens Club of Punta Gorda visited us on a Thursday evening. Their purpose was to retrieve their banner. But they also made off with ours.

Our quarterly meeting was held on January 12th at Wilson & Joanna Mathis' Ranch. The meeting was preceded by a picnic lunch of hot dogs and many covered dish goodies brought by our lady members.

We are planning to visit a number of clubs in the near future. Come dance with us on Thursday evenings at the Dance Palace.
