# President's Message

## Florida Callers Association

• SQUARE DANCING IS FUN •

The FCA Membership and I wish to say "Thank You for a job well done", to Lon Ligon. He has served us as Treasurer for two years, Vice President for one year, and the past year as President. His record of accomplishment will be the envy of all who follow in his footsteps.

Due to increased job pressures, Jim Duncan is unable to continue to serve as a member of the FCA Board of Directors. Jim has performed exceptionally well as our Treasurer for the past two years—Thank you, Jim.

I am sure that those in attendance at this years Clinic join me in expressing our sincere appreciation to Dick Barker and Jim Morgan for conducting a most informative program.

As a reminder to all members of the Florida Callers Association, your dues were due at the Fall Clinic and will be considered delinquent if not received by December 31, 1986. Send your check for \$25.00 to our new Treasurer, Dennis Humphreys.

As your new president, I will be assisted by an excellent group of officers in conducting the business of the Florida Callers Association—Dick Hulbert, Don Hanhurst, and Dennis Humphreys. With their help, and yours, we can continue to improve Square Dancing in the State of Florida.

Sincerely,

George Deschambeau

# FLORIDA FEDERATION of SQUARE DANCERS

## PRESIDENT'S MESSAGE

Joyce and I have noticed as we travel over the state that some square dancers we talk to are not aware of the relationship between them and the Florida Federation of Square Dancers. We suspect there are a good many of our newer dancers who have never been

informed about the Federation and its activities. For this reason we felt that it might be a good idea to try and explain briefly what role the Federation plays, and how it relates to each of the five associations. In other words, we will try to answer that often asked question—"What does the Florida Federation do for me?"

To begin with, the Federation is composed of delegates from all over the state. These delegates come from the five Associations, and, of course, each Association's membership is made up from the local dancers and/or local clubs. So from this you can see that a direct relationship between you, the local square dancer and Federation does exist. Each square dancer in the state does have a direct input into *all* Federation business.

Probably the best way to answer what the Federation does specifically is to list the more important aspects of our purpose:

- to promote square and round dancing in the State of Florida.
- to act as a clearing house for information, and problem solving for any problems that arise concerning square dance activities. The Federation attempts to make square dancing a popular and enjoyable activity for *all* dancers.
- to bring a spirit of cooperation among the callers, teachers, and dancers all over the world.
- to co-sponsor the annual Florida State Square and Round Dance Convention each Memorial Day weekend.
- additionally, the Federation provides educational materials to all associations. We provide an updated where-to-dance brochure to new dancers all over the state as well as making it available to visiting square dancers. This brochure provides a complete list of contacts all over the state that can give local information on where to dance.

As you can see, the Florida Federation of Square Dancers does play an important role and will continue to do so. If you have any specific questions about the Federation, contact your local Federation delegate or write us. We will be glad to answer any questions.

See you in a square,

A handwritten signature in cursive script that reads "Norm &amp; Joyce".

## CENTRAL

*Central Florida Balloon Release September 13th to celebrate 50 years of Modern Western Square Dancing.*

## NORTHEAST

Once again the River Walk (boardwalk on the south bank of the St. Johns River) was put to good use by Square Dancers! A dance for the promotion of Square Dance lessons was held September 6th. Art Wilson, Paul Walker, Lawton Smith, and Ernie Rollen called the dance with Gene McCall assisting. The audience participated with easy calls provided by the callers. A great time was had by all. Adding to the enjoyment of the square dancers were special tips called just for them! Business cards with square dance class information were passed out to the audience.

Our fall classes have started now with many new people brought in through the River Walk Square Dance Promotion and other means. This year for the first time, the North East Square and Round Dance Association has a listing in the yellow pages of the telephone book. Several people have called for information on classes, and we have directed them to classes in their area which fit in with their schedule. We're happy to see this telephone

number being used so frequently!

A Benefit Dance was held in Starke on September 6th for two little boys who are very ill. Andy Hardy has cancer, and Chris Campbell has a rare skin disease. Callers were John Robbins, Jerry Barrett, Bob Belanger, Bill Chesnut, Jim Duncan, George Wolfert, and Ken Perez. Callers and dancers rotated between the Mainstream and Plus halls. Total proceeds of the dance \$3068.00 was divided equally between the two children. Andy Hardy's father was present at the dance, and was presented with Andy's portion of the proceeds. Square dancers and callers are constantly proving by their actions that this world we live in does have a heart—especially in the square dance community!

Congratulations to Frank & Nan Habersberger on their appointment as Chairman of the National Folk Dance Campaign. It's an appointment well earned, as their leadership contributed greatly to the recognition by the State of Florida of the six related Cultural Dance Forms, Square Dancing, Round Dancing, Clogging, Contra, Line, and Heritage Dancing as the "American Folk Dance" of our State. Florida is the *sixth* state to achieve this designation!

The N.E.F.S.A.R.D.A. meeting was held September 13, 1986. New officers voted in are: President, Aaron & Erma Fry; Vice-president, Joe & Bette Bracewell; Recording Secretary, Jim & Mary Faircloth; Corresponding Secretary, Joe & Donna Smith; Treasurer, Charlie & Mary Downing. Congratulations to all of you!

The Fall Roundup Committee is still working hard, and we all look forward to a great dance November 14-15, with Marshall Flippo of Abilene, Texas, and Tim Marriner of Norfolk, Virginia. For the Round Dancers, Irv & Betty Easterday of Boonsboro, Maryland will be on hand to teach workshops and cue for the dances! Friday and Saturday nights will be Mainstream with announced Plus tips; Saturday's schedule includes round dance workshops, a Plus with intro to Advanced workshop, and two Advanced and one C-1 dance. There are still a few tickets available, so come on up and join us!

We're also looking forward to the Turkey Hash dance November 28th at Sandalwood High School with Darryl McMillan and Wayne & Barbara Blackford.

# ASSOCIATION NEWS

## SOUTHEAST

Square dancing is now the official American Folk Dance of the State of Florida. This bill was recently signed into effect by Governor Bob Graham.

This momentous occasion was celebrated by a number of square dancers and cloggers from the South East Association as they performed for Governor Graham on the stage of the Sunrise Musical Theatre in Fort Lauderdale on September 22nd.

Many of the square dancers were resplendent in their bright green, orange and white S.E.A. outfits. The cloggers looked sharp in their patriotic red, white and blue.

Dennis Humphreys was the caller for the square dancers, and Chris Rawls led the cloggers through their paces. After the program, the Governor presented the original bill, as a memento, to Frank & Nan Habersberger and other representatives of the South East Association.

Our sincere appreciation to Frank & Nan for all the hard work they did and for their perseverance in getting this bill passed. A job well done. Frank and Nan.

Before the dance, the Association held its Annual Meeting to elect officers for the year. The following were elected: President, Elvin & Dolores Mahan; Vice President, Mario & Lena Gatto; Secretary, Ray & Joan Corcoran; Treasurer, Len & Jean Eaton.

Gerald and Dolores were presented with a plaque and a stained glass picture depicting square dancers, for meritorious service to the Association.

After several years as Circulation Managers of the West Coast Dancer, Len & Jean Eaton have resigned. Thanks for a job well done. The new Circulation Managers will be Al & Winnie Subatch.

Your support is needed for our Fall Fun Fest to be held at the Lakeland Civic Center on November 7-8. Calling squares will be Paul Marcum and Chuck Leamon. John Parker and Kati Beard will cue the rounds.

# Dancer's Heaven

Hosted by the West Coast Square & Round Dance Association

Well it's November — Our Chairman had the last editorial which warrants reading again.

The schedule for the Callers went out, and you can be sure Murl, Earl, and the Committee will have the best qualified Callers for all situations. Earl is also working with Elvin Gross on the sound. (Elvin does the sound for the Fall Fun Fest.)

Chet & Julie Vetter are our Vendor Coordinators and have a good selection of vendors with all of their wares.

Gerald & Dolores Ault are our Promotion Chairmen who will present a schedule of dances for our Committee to attend.

Don & Lillian Albert will handle Protocol to

make sure that everybody is where they belong. They will see to it we have a responsible Speaker for our Convention Opening and have Murl & Sally Herbert on the stage at the same time. I believe they even put X's on the floor for the dignitaries to stand on. Ha! Ha!

Now why do we mention all of these activities? Well, we know you would not want all this talent to go to waste, so you have to register and come to the 34th State Square & Round Dance Convention at the Lakeland Civic Center in Lakeland on May 22-24, 1987. With your registration and their efforts, surely this will be a "Dancer's Heaven in '87".

### 1987 Convention Update

Many callers and their partners have already signed up for the 14th Annual CALLERLAB Convention.

Since we will not be the only group in the hotel at that time, it is important that you make your room reservations early so that you won't be disappointed.

While we in the office, can be a bit more flexible in accepting late registrations etc., hotels operate to fill their hotels to capacity as much as possible. If you wait too long, you may miss out on this very important convention or the special CALLERLAB Convention room rate.

As most of you realize, we will be discussing the various dance programs and especially the new teaching programs for the shortened time period. There are many other important aspects of this convention as well and we hope that you will share in the decision making process.

# AS I SEE IT

BOB OSGOOD — LOS ANGELES, CALIFORNIA

**BOOK ONE:** A number of years ago while on a calling tour, I landed in Denver, Colorado. Joe Lang had a barn in town and had asked me to drop in whenever I was in the area to see his hall and to call for his dancers. The time was right; I had an evening free, so I drove to the barn, parked the car and went in.

Joe had just completed calling a tip and came over to greet me. I noticed that some of the dancers remained in their squares and others walked off toward the drinking fountain. When Joe went up to the microphone for the next tip, all the dancers moved automatically to the identical spots in the squares they had been in before the "break." As soon as the squares were filled, the dance went on in the customary way.

In talking to one of the dancers later on I learned that at the start of the dance year, groups of four couples, as a unit, would make their reservation for the coming season. Their square would be assigned a letter that corresponded to a large letter painted on the floor of Joe's hall. This location would be their "spot" for the entire season. In addition, each one of the four couples was assigned one of the four positions within the square (couple C3 would indicate they were the third couple in C square, etc.) and this became that couple's "home position" for each dance, each night, for all the months to come.

"What if one of the couples can't come some night?" I asked. "Well, it's the responsibility of that couple and the others in their square to fill that position for the evening. If they can't, then that square simply can't dance." I asked what happened if guests came to dance? The answer was very matter of fact. "They don't." Later in the evening when Joe asked me to call, his admonition to me was, "Don't call a mixer. They don't want to be mixed."

I mention this because it was, thankfully, an exception to the rules that have helped put square dancing into prominence here in North America as well as in more than 50 countries overseas. Thank goodness this concept was short-lived, and, as far as I know, hasn't existed in Denver or other areas since.

\*\*\*

**BOOK TWO:** The face of square dancing has changed many times over the years. A Rip Van Winkle, waking up after a 35-year snooze would scarcely recognize the activity the way it is today as being a part of his dance back in the late 1940's. Certainly much of what we now

enjoy would be a vast improvement over the way things were three-and-a-half decades ago. One of the first things Rip might notice would be the excellence of so many of our callers. What at one time was a casual avocation for the caller has today become a prime art form for many individuals whose ability would rival that of some of our popular recording singers.

Another thing Mr. Van Winkle would notice is the quality of the recordings that accompany our dances. Back in 1950 there was only a handful of record companies turning out the old 10-inch, 78 rpm discs. A good percentage of the featured accompaniment music simply would not pass muster with today's dancers.

And the sound systems—we can never overlook the role that adequate sound has played in the growth of our activity. The equipment we had in the 40's was usually bulky and would be less than acceptable by today's standards. But then Rip would notice that many other things had changed since he took his nap!

Immediately following WW-II, most of our nation was in a state of change. Lives that had been disrupted by the War were now fitting back together. With much of our population involved in the military or in other war work, families that had been scattered began to settle down to post-war living. New communities were springing up everywhere and with this growth came a need for people to get acquainted with their neighbors. What they needed was a good method for making friends. The answer came, just as it had many times during this country's short history, to involve the people in the friendly spirit of our traditional dance. Introduce them to square dancing.

Old time callers dug out their little black books of hand-written calls. Recreation leaders began their research. Schools, churches, public buildings opened their halls to square dancing and folks began to rush to the open dances that were springing up everywhere.

There was nothing sophisticated about square dancing back in Rip's time. At first there were no classes so anyone who knew anything about square dancing welcomed the non-dancer into the squares. As time went on and there was more time to learn, it became necessary to start classes. And the classes were fun. Callers

## THE PLUS PROGRAM

In our dancing of the Plus Program I have used a figure that had some of the dancers doing "just the center part of Load the Boat". I would like to add some ideas for using that concept. The center part of Load the Boat when used alone, can raise a few eyebrows, so expect it. The first few examples are standard position.

*Heads Square Thru Four...Sides Rollaway 1/2 Sashay...  
Pass Thru...Centers do the Center part of Load the Boat...  
Outsiders Divide & Star Thru...Centers In...Cast Off 3/4...Star Thru...

Cast Off 3/4 (inverted lines)...Centers do your part of Load the Boat...

The next few examples will have the centers in various DBD positions

## THE ADVANCED I PROGRAM

The "Sea Sick Square Thru". Many years ago before we had "8000" calls, one of the ways we "challenged" the advanced style dancers was with variations of the few basics we had to work with. The term Sea Sick Square Thru was the directional use of a Square Thru that had one couple do one less portion of the call. For example, from an Eight Chain Thru box the call would be: *Square Thru...Heads go Three...Sides go Four...* meaning the heads would do a 3/4 Square Thru while the sides did all 4 hands.

## MORE ON SQUARE DANCE PROMOTION

Another idea I tried out this year is 'Parades'. This really gets attention and you will enjoy it a lot, not expensive either, if you go at it the right way.

What we did to start with, we went to a large construction company that has a lot of really big trucks. We asked them about furnishing a truck with a large flat-bed that would dance several squares. They liked the idea, no charge whatsoever, just for publicity, and since their name was on the side of the cab, they had their own publicity. They furnished us with a 40 foot flatbed, plus a cab, or bobtail, I guess they call it, and our club, the *Little Black Sheep*, did the decorating. The flatbed was 10 ft. wide so we had plenty of room. We have pictures if anyone should want to see how it worked out.

My daughter, Betty Lou, lives near us, and she and the club members, plus neighbors all got together and did the decorating. They bought some cheap muslin, 45 inches wide and it came in 20 foot lengths, most any color you could want. They cut out their own stencils, laid them out on the muslin and sprayed the lettering with cans of black paint. They even took a picture of a little 'black sheep' to the school and they enlarged it several times until they had a picture about 18" tall. Of course they sprayed it in black and it really looked neat.

They then went to a large antique shop in Chino Valley that covers an entire block and asked about some antiques to scatter around on the truck, which they happily supplied.

One of our neighbors has a large R.V. that they keep in their back yard, and in the Rec. Vehicle they have their own Generator—a small one—

that furnishes their own electricity. It only weighs about 40 lbs. so we could handle it very easily. It took care of electricity for my equipment.

One thing we learned at the first *Parade*, which was "*Prescott Valley Daz*", is that

records are not good. Besides having 3 of my records warp in the sun, we found that the needle did a lot of bouncing around, making it tough to keep on the beat. We did nothing as far as dancing is concerned except *Easy Hash*. So I taped several hoe-downs, one right after the other and ran the taped calls through my machine and that worked wonderfully.

Oh yes, one other thing. Keep in mind that in a parade your audience changes every 100 or so yards, meaning that it makes no difference whether you keep changing your calls as you do not have the same group of spectators watching, and another thing, you should not call complicated figures because 80% of your audience does not square dance and would not appreciate what you were doing anyway.

Our last parade, July 5th, was the "*Pioneer Days Parade*", over in Prescott. They boast that Prescott was the home of the very first Rodeo ever held in the Continental United States, and that was way back in 1887. Next year they are putting on their big 100th year Centennial, and you can bet your bottom dollar that we will have a 'Float' in that parade too.

I hope that these last two months have given you some ideas on *Promotion*. We in the square dance world can use all of it that we can get.

*Les*

# Florida Profiles

by Marge Lundberg

## K.O. and Phyllis Williams - Mims

When a Round Dance Leader lost his voice—his ability to cue—he wanted to call it quits. He didn't know he belonged to a special family of survivors who would never give up. Now he is back on the dance floor, his wife cueing, and their classes are as popular as ever. You probably know K.O. and Phyllis Williams from Mims, Florida.

They met at a square dance in Titusville and K.O. romanced her into marriage, and he still dances her nights away. He found the secret to her heart—dancing.

So, it was not unusual for them to be introduced to round dancing with the Mel-Rounders in Melbourne. "After that," said Phyllis, "we started the Rhythm Rounders, a group who danced once a month in Titusville."

They teach an easy level class on Monday night and an intermediate group on Thursday night and will begin their 11th basic class in the fall of 1986.

They cue weekly for several Brevard County Square and Round Dance clubs. "We count all of the dancers as our most treasured and valued friends," said Phyllis, "and we would like to be remembered that way."

They are members of the Central Florida Square and Round Dance Association and the Round Dance Council of Florida. Of the latter, K.O. served as president in 1971 and Phyllis served as president in 1979.

They were Round Dance Coordinators for the Florida State Convention in 1978 and 1983. They are charter members of the Universal Round Dance Council, and more recently, qualified for accreditation as teachers with the International Dance Teachers Association.

Although their floor time with the National Carousels has dwindled because of teaching commitments, they still feel a part of the National Carousels #29 of Orlando.

Originally from Morganton, N.C., K.O. served in the Navy during WW2, and then moved to Florida. His hobby is fishing for bass on the St. Johns River and he is the best. "K.O. always catches a fish," said Phyllis, "and he can tell you what kind it is before he pulls it in."

Phyllis comes from Dubuque, Iowa. Right now, she is learning to smoke mullet that K.O. is netting on the Indian River Causeway. "I couldn't find baywood," said Phyllis, "so I'm trying mesquite. And, I don't mind cleaning or cooking fish, but I could use a few tips on smoking mullet."

Phyllis tells the story of granddaughter, Robin, 5, who was visiting, and was invited to go to a scheduled dance that night. Robin was delighted. Phyllis taught figures, a dance, and cued the dance that followed. When asked to go again the next week, Robin said, "No, Granny Phyllis, all you do is talk all night."

Her favorite hobby is working one day a week at the Jess Parrish Memorial Hospital where she was chosen president elect of the Hospital Auxiliary.

All in all, the great people of the world are survivors. Just knowing K.O. and Phyllis makes one more aware of that greatness.

*Editor's Note: If anyone writes in for their favorite caller or cuer to be featured, Marge Lundberg will be glad to interview them.*

## 36th National Square Dance Convention®

Houston, Texas  
June 25, 26, 27, 1987

### Bells to Ring at Bluebonnet School House

Hear Ye! Hear Ye!

The 36th National Square Dance Convention Bluebonnet Education Committee announced its Bluebonnet School House education program — *A very special program for very special people*. Come one, come all. See the dancers, callers, and square dance leaders perform on your behalf in an extraordinary education program that will benefit us all.

Dancers attending any part of the education program will expose themselves to something old, something new, something borrowed and something blue (bonnet) from every facet of their dancing world. There will be interesting sessions on how to organize and promote square dancing classes; how to promote your club in the public of square dancing; and how to organize and administer square dancing organizations at all levels.

Panels, clinics, and seminars are arranged for every interest in square dancing, round dancing, contra, and clogging. There will also be a great emphasis on programs to aid youth dancers and a special room set aside for their dancing pleasure.

Many dancers have not taken advantage of educational opportunities offered at National Conventions, and yet those Conventions feature dancers and leaders with hundreds of years of experience to answer questions about the best way to organize, promote and enjoy this activity that brings all of us together. Your 36th NSDC Education Committee has been extremely diligent in providing a program to enhance dancing pleasure and club enjoyment. It is indeed a very special program for very special people. So plan to rest your weary feet and enjoy the Bluebonnet School House sessions which will expand your dancing horizons.

### Manual Sale Suspended

Publication and sale of the URDC Encyclopedia and Reference Manual has been *temporarily* suspended.

As the result of a year-long review and evaluation process, the URDC Technical Advisory Board has elected to complete restructure, update and expand the Manual in order to increase its usefulness to all sections of the Round Dance community. This effort will reflect the joint commitment of URDC and Roundalab to more closely align the technical descriptions and classifications in each organization's manual.

## BOW & SWING SUBSCRIPTION PRICE GOES UP DECEMBER 1

We are extremely sorry that it has become necessary for *BOW & SWING* to raise its subscription price to \$6.50 per year, effective December 1st.

The two postage rate increases within the past two years, plus increases in the cost of materials to produce the magazine, have given us no other choice but to raise the price of subscriptions.

In researching the price of other square dance publications, *BOW & SWING* has consistently been among the very lowest priced magazines for its size and frequency of issue.

We appreciate the past support of our many subscribers, and hope that you will continue to want to receive the timely news of the clubs around the state, the excellent commentary by our nationally recognized feature writers, and the informative ads telling you where dances and festivals are being held, square dance trips to go on, and where to purchase your square and round dance attire.

*George & Rita Deschambeau*  
Your Editors

## THANK YOU

We would like to express our deepest appreciation to all the clubs and dancers that attended the Joe Braun Benefit Dance in Port Orange on Sunday, September 21st, and a special thanks to the seven callers that donated their time and talent that made the event such a delight. Your actions were beyond reproach and we are proud to be associated with y'all.

We will treasure your thoughtfulness forever.

The final tally (including Carl Rod's club) was \$482.00—and it is now being put to much needed use.

Squarely,  
Joe & Marty Braun

## TO MARRIED SQUARE DANCERS

For a long time I have felt compelled to write an article concerning the single female square dancer.

After being treated very rudely twice in one evening by two females (with partners) at a dance to which I had been invited by the caller, I decided this is the time to write.

All square dancers want and need a partner. This includes the Singles. Most single women 55 years and older, are single because their husband has died. We can never be sure which one will lose their husband next. (Stop for a moment and think what you would do if it was yours.) When this happens you will be *very sad* and *very lonely*. Your status changes immediately. You will be a Single. All your

friends who are married will be different. Perhaps they will invite you to go with them and really mean it. But you will remember the conversations and feelings of friends toward the Single Female Square Dancer. You and your own feelings will stick out like a sore thumb.

So you have to make a choice. 1) Stay at home, sit before the boob tube, bore every one you meet with your aches and pains and watch your health going down the drain; or 2) You can muster up a lot of courage and get into a square dance class. I suggest you learn the man's part. There are 10 women to every man in the Senior Citizens age bracket. Older men in their 60's and 70's are asking the women in their 30's and 40's to dance. The man's part is really easier than a woman's part because the instructions are directed to the man.

Sit down and have a good long heart-to-heart talk with yourself (I call this toughening the skin).

Which choice will you make and why? ?

Personally, if I should choose to stay at home it would be because a *few thoughtless, selfish* females (with partners) have treated me rudely. I wonder if they don't realize I would be more of a threat if I was dancing as a female, looking for a man to dance with me.

My choice is to keep dancing.

Women with partners have a choice too. 1) They can tolerate dancing with me (A female with a "man" identification badge), or 2) They can stay at home. At least they would not be alone. They are lucky—they have a partner.

# AMERICAN FOLK DANCE OF THE STATE OF FLORIDA

Our proposed Celebration Dance planned for the Center Mall behind the old State Capitol at Tallahassee, has been postponed three times due to the Governor not being available. As each postponement subtracted interest and attendance, we finally were compelled to cancel this proposed dance and informed all State and Regional Presidents and all Square Dance and Clogging Publications. (Letter of August 27, 1986).

On September 2nd, in response to an inquiry from State Representative Walter C. Young, sponsor of our Resolution HCR-740, we received an invitation from Governor Graham's Aide, Miss Lori Fischler, to put on an Exhibition at the Sunrise Musical Theater Monday evening September 22, 1986 where the Governor would make the public presentation of the signed Resolution.

Nan and I will be MC and will represent

the Florida Federation of Square Dancers. Dennis Humphreys will be the Caller and will represent the Florida Callers Association. Phil & Dot Carey will represent the Round Dance Council of Florida and Chris Rawls will be the Clogging Instructor and will represent the Florida Clogging Council.

Eight squares from Southeast Association will participate, which will include the Florida Singles and Camper Dancers. The popular "Magic City Cloggers" of Miami will put on the Clogging Exhibition.

A full report on this historic occasion and pictorial coverage will be given to all State and Regional Presidents, and to *BOW & SWING* and all Regional Publications in early October.

## FLORIDA SQUARE AND ROUND DANCE HALL OF FAME NEEDS PHOTOS

As caretaker of the Florida Square and Round Dance Hall of Fame, I would like to give notice about some of the blank spaces in the Past Presidents Photo Display Cabinets.

The Caller's Association Cabinet does not have photos of Bill Embury, 1954; Neal Blanchard, 1970; Jim Taylor, 1974; John Sherley, 1976; John Robbins, 1977; and Earl Steele, 1985.

The Round Dance Council blanks are Volly Reynolds, 1972; and Mike Burkhardt, 1985.

The Florida Federation of Square Dancers is empty for Warren and Helen Hyland, 1974; and Fred and Celeste Crawford, 1985.

As the cabinets are only opened once a year—generally the last of November, the current presidents — Ligons, Fasnachts,

and Farrells should send in their photos.

All photos should be in color, 3½" wide and 5" high, or ones that can be trimmed to that size. A photo can be of the president or as a couple, whichever is desired.

The dancers are interested in the photos and many enjoy looking at them, or showing their friends some of the people they know or have danced to. Very few nights go by without some dancers looking at the photos.

If you are one of our "missing photo person(s)", please mail photos to:

## UNITED SQUARE DANCERS OF AMERICA MARK FIVE YEARS OF SUCCESS

The *United Square Dancers of America* celebrated its 5th anniversary and concluded its most successful year to date during their June 27, 1986 Annual Meeting held in Indianapolis, Indiana. The success achieved by this, the largest of all square dance organizations, has been attributed to contributions of time and effort by dedicated square dance leaders from throughout the country, and recognition by dancer organizations of the many benefits of affiliating with the USDA. Also to the outstanding leadership of the devoted dancers who have given so freely of themselves for the benefit of the square dance movement. This was very evident in each of the officers elected at the annual meeting.

New members approved during this year's meeting included the Old Pueblo Square Dance Association of Arizona, the Kansas Square Dance Association, and the Square Dance Federation of Minnesota. With these additions, membership reached 180,000 square dancers in 22 states.

Continuing for a second term as Presidents for USDA are Howard & Loraine Backus of Arkansas. Under their leadership the USDA has reached heights not previously achieved by any other square dance organization. Howard & Loraine have taken an active role in obtaining recognition for USDA not only among dancer organizations, but from the other national groups as well.

Returning for a 3rd term as Eastern Region Vice Presidents are Orlo & Rita Hoadley from New York. They too have been involved with spreading the word about the advantages of membership in USDA. Both the Hoadleys and the Backus', together with a number of other USDA Officers and members, participated in the Crossfire meeting held at Copecrest in November, 1985 where problems facing the square dance activity were discussed.

Clyde & Pauline Hanebrink of Missouri were elected to a second term as Vice Presidents of the Plains Region. Through their efforts, the Plains Region of USDA has become the largest of the regions within USDA, in terms of member organizations.

Elected as Western Region Vice President were Dick & Juanita Kitson from California. Their inclusion on the Executive Board maintains intact a continuous involvement of Californians holding elected positions dating back to USDA's inception in 1981.

Completing the list of Vice Presidents are John & Dimple Williford of Alabama (Central Region), previously USDA Secretary.

Earle & Joy Hoyt, Secretary for 1986-87, were instrumental in the formation of the State Council of Illinois Square Dance Associations and have served as Directors to USDA since Illinois became a member in 1984.

Remaining as Treasurer are Frank & Nan Habersberger from Florida. Florida is another state which has had the distinction of having a continuous record of elected officer involvement since 1981. In addition to the responsibilities of Treasurer, this very capable couple will assume the duties as Chairman of the National Folk Dance Committee for the USDA effective January 1, 1987.

The elected officers, together with 3 appointed officers, make up the Executive Board for 1986-87. The appointed offices include: Historian—Claude & Polly Potter (Colorado), assisted by Mary McClure (California); Parliamentarian—Charles Naddeo (California); and Directors of Information—Jim & Kathy Maczko (California).

In addition to the Executive Board, USDA has numerous essential appointed committee chairmen who assist with various ambitious undertakings. One of the most successful of these is the economical dancer medical and club liability insurance package offered to affiliates of USDA. This coverage is provided under the direction of Charles Naddeo. As a direct result of his managing this program, USDA has reached financial stability. This program not only benefits the dancers and clubs, but also affords financial rewards to those affiliate member organizations participating.

Another benefit available to all dancers through USDA is an extensive supply of educational materials compiled under the leadership of the Education Chairmen, Jim & Peggy Segraves (Alabama). The USDA Showcase of Ideas table at the 35th National Square Dance Convention in Indianapolis displayed samples of these materials and was one of the most comprehensive educational presentations ever offered at a National Square Dance Convention. Jim & Peggy were directly responsible for this informative display.

No aspect of the square dance activity is overlooked by USDA. A unique program

## **GOLD COAST SWINGERS**

**DEERFIELD BEACH** . . . We were happy to welcome back Jack Barry and his lovely bride, Ardith. They met—where else?—at one of our square dances.

We put on a demonstration at a local mall—a good turnout and lots of fun. We must have given a good impression, as several on-lookers signed up for the beginner class.

Pioneer Park clubhouse is undergoing extensive remodeling, but this will not interfere with our dances. Visitors are welcome. If you enjoy an evening of fun dancing, come see us.

*M. Reynolds*

## **LAKE COUNTY TWIRLERS**

**EUSTIS** . . . Snowbirds are returning to dance with us. We are glad to have them.

We extend our sympathy to Darline Camp, who lost her husband.

November 19th, (finger foods) we will celebrate Indiana, Ohio, and Pennsylvania night. Come join us for good times and good food.

We hosted a successful membership dance for the Central Florida Square & Round Dance Association. A great job was done on the food. Our club supported the Heart Fund dance and had a good time dancing to other callers and cuers. We look forward to the Kidney Foundation Dance in November.

*Little Twirler*

## **SWINGIN' STARS**

**DEBARY** . . . Our new class is well on the way to learning the art of square dancing. Our Plus Workshop is going well.

Trailblazers and Whirl & Twirl clubs came to retrieve their banners. A jolly good bunch of dancers. A good time was had by all.

Jerry & Betsy Fitts celebrated their 25th wedding anniversary in September. We all celebrated with a beautiful wedding cake.

Come join the fun.

*Terry Van Ness*

## **BASS CAPITAL SQUARES**

**GEORGETOWN** . . . A large group of us went to English Mountain in August with R. J. Hogan and Joanie. We'd follow them anywhere! It was a fun-filled week for all of us with all the dancing, outdoor activities and special parties, including celebrating Billie & Smokey Kline's 48th anniversary. The place was just beautiful and so much good food.

Our club dances get bigger and better. This month we had three banner stealing groups—the Circle Weavers from Leesburg, the Lone Star Swingers from Jacksonville and a large group from Dixie Squares of Daytona. We made a couple of retrieving parties this month—to DeLand's Honey Bees, and to Leesburg's Circle Weavers.

Come dance and dine with us. No one is a stranger here. We are fun and very friendly.

*A part of a ■ Marty Hungate*

## **ORLANDO SINGLES**

. . . We went on a banner raid to the Big Potato Squares in September. Our Banner Chairman is planning a mystery banner steal in October.

We will not have a dance November 7th. Our callers and man members will be going to the Annual Florida State Single-Rama in Palm Beach Shores. Pie Night and a guest caller will make our November 21st dance a hit. So save your sweet tooth and plan to dance the calories away with us.

We had a great turnout for our Open House in September, and expect a large class.

*Marie Loper*

## **LEFT ALLAMANDERS**

**ST. PETERSBURG** . . . We are happy to have 3 more couples join our club. With our increased membership and many guests, attendance has held up well this summer. We look forward to having Ron & Claudette back after their summer meanderings.

Our anniversary dinner was a real success. Earle Williams came in from his North Carolina home to be with us and was presented with our original banner (we have had a new one made) which was autographed by all club members. Sorry Betty couldn't make it.

We have a larger hall for our Anniversary Dance—at Holy Family Church in St. Pete. Our chairman, Shirley Blomstein, is getting her committees together and planning for a great event.

Several of our members joined dancers from other clubs for a demo at Pinellas Square Mall. Much interest was shown by the spectators.

Our Banner Bandits took a good group to the Temple Twirlers and came home with the booty. We look forward to their visit to retrieve it.

See our add in this issue for callers and cuers for November.

## GROVELAND SQUARES

GROVELAND . . . Club members and guests have enjoyed dancing in shorts these hot summer months, but September causes us to shift gears, and now we are back to our fall schedule and full dress. Many thanks to the faithful and capable club members who "held the fort" during the vacation weeks this summer. They made it all happen—so efficiently!

Groveland was there when the balloons went up on September 13th - and even got on T.V.! This was a National Balloon Release, but maybe some other places were not as HOT as Florida was that day!

We all look forward to our 3rd Anniversary Dance this fall, along with all the other "special" holiday dances. Come dance with us—you'll be glad you did!

*Marge & Harry England*

## NSDCA SUNSHINE CHAPTER 018

. . . Irene Koning is still battling MS and has the fever under control with medication. It hit that part of the brain that controls body temperature and she is hoping for an early remission of the MS this time. Hurry back. And, what happened to our potluck dinner melodies Fred used to sing to us?

An added attraction in our club is Bob & Jeannette Schuetz. Bob sets up his portable electronic keyboard out under the trees and makes it talk with music of days gone by. He makes the sounds of the organ, piano, clarinet, Hawaiian guitar and also three part harmony. He will be at the State Camporee with background music for the fashion show and a Sing-Along at the Saturday nite skits. He has been lucky all of his life; his mother had a gift for music and taught him at age 10 to play by ear. He served in the army as a piano player with a dance band. And, he plays music while his wife does housework—now, that's talent. New members Bob & Lois Smith are another plus. Bob had his own band at one time and plays sax and clarinet. You should hear the sax and the portable electronic keyboard together. Great music to stir your heart and bones. See you at the State convention 10/31 in Okeechobee.

*Marge Lundberg*

## CASTOFFS

BOYNTON BEACH . . . September started the stream of snowbird returnees. They were greeted by guest callers Tom Trainor, Chuck Durant and Harry Taylor, all of whom subbed

very nicely for our caller Colonel Frank Bedell who was on his annual tour of the "outlands" along with his law Connie. We were privileged to have the officers of the S.E.A. pay us a visit. The Castoffs will host the S.E.A. on December 14th.

We will be celebrating the 50th Anniversary of Modern Western Square Dancing with a ceremony at our New Year's Eve Party on December 31st at 11 P.M. The celebration ceremony will coincide with thousands upon thousands of square dancers across the land. We will have live entertainment by the Castoff "drama" group and supper by the committee headed by Hal Ross. Our fall and winter schedule of callers will be varied. Make sure you keep posted by checking our ads.

Wishing you a Happy Thanksgiving.

*Herbie Langmeyer*

## TRAILBLAZERS

APOPKA . . . We had a lot of fun at the Knothead Convention. Then we helped Helen Mizener celebrate her birthday at her home. After all the guests were gone, Helen found that someone had abducted four decorative baby ducks from her garden. At the dance the following Tuesday, they were returned to her—gift wrapped—by the anonymous kidnapper(s), with a note attached saying this was her 1st "Christmas gift" for this year. (Typical of Trailblazers hijinks.)

We had a good turnout for the Heart Fund Dance at the Expo Center, and 26 of us went to Orange City to retrieve our banner. We also visited Whirl & Twirl in Orlando. Come and see us—we have a banner you can steal.

We celebrated Square Dance Month by dancing in the parking lot at Burger King. The spectators enjoyed the show.

Our 2nd Annual Round-Up Dance is November 11th, with some great entertainment planned. Western wear if you like, but not necessary.

*George & Buena Beis*

## SHOOTIN' STARS

ST. PETERSBURG . . . We are happy to see most of our vacationing members and northern friends are returning to dance with us.

Our beginner class will be starting November 6th at the Pilgrim Congregational Church.

Our Annual Luau will be November 10th. Come join us for good food, good dancing, and good fun.

## SANDY SHOE STEPPERS

FT. PIERCE . . . We celebrated our 27th anniversary with a fabulous Hawaiian Luau on September 14th. The minute we walked through the door we felt we'd stepped into Hawaii!! There were exotic birds, tropical plants, and a waterfall added to put everyone in the spirit. The floor was colorful with all types of Hawaiian dress whirling around.

After a wonderful dinner we held our sides with laughter from skits ranging from a scene from Fiddler on the Roof to a hillbilly wedding to a lovesick pelican. Many thanks to all who performed! A memorable evening for all! A special tribute was paid to Marie & Charles

Lelly who recently celebrated their 69th wedding anniversary. Congratulations—and many happy returns to you!

The St. Lucie Square Dance Festival is drawing nearer. November 14-15 will be here before you know it.

*Debbie Krivan*

## TEMPLE TWIRLERS

TAMPA . . . We all wish Bill Olilla a speedy recovery. He is still in the hospital.

In September the O.K. Squares and also the Left Allamanders raided and took our club banners. We are now making plans to get them back. We also plan to raid a few clubs.

Our annual Benefit Dance for Crippled Children is scheduled for February 15, 1987. It will be on a Sunday afternoon, so make plans to come.

*Marge & Harry Gesick*

## SAND DOLLAR SQUARES

LAKE PARK . . . We had a busy summer and fall. Our Saturday evening dances continue to average 5 to 6 squares. We have enjoyed our potlucks and picnics, crazy hat dance, and the bowling party. More fun activities are planned, including a mystery trip and roller skating.

We appreciated having Dale Edgar call for us one evening in Al's absence. Always happy to have Dale visit.

Happy Thanksgiving to all!

*Dick & Nancy*

## TIFFANY SQUARES

PINE CASTLE . . . The newly elected officers are busy, busy, getting the club into an *extra* friendly *active* club. We have drafted our by-laws, selected purple and white for our club colors and now are planning the October 18th picnic at Blue Springs Park, and the spectacular New Years Buffet and Dance.

We retrieved our banner from Big Potato Squares and went to Orange City to get that banner back; and while we were at it, stole the Allemande Leftovers' banner.

The Angel Squares came to our dance, and that night we had 21 guests—what a good dancing group. Thanks for coming.

**ON THE ROAD AGAIN**

## STARLIGHT PROMENADERS

DEBARY . . . We recently honored caller Oscar Irwin and his new wife, Kitty, on their recent marriage, with a decorated cake and lots of good wishes.

We are saying goodbye to two very sweet and lovely people, Bill & Emily Henry, who will be moving to Jacksonville. They were presented a gift and a cake in their honor.

We celebrated the 50th Anniversary of Square Dancing with a dance, and also by putting messages in balloons and sending them on their way on September 13th at the Central Florida Fair Grounds.

We will don our farm duds for our Ole McDonald's Farm Dance September 24th. This should be great fun!

Our beginner class starts October 1st at 7 pm, preceding our regular dance.

*Betty Powers*

## CHARLOTTE PROMENADERS

PORT CHARLOTTE . . . Will & Ellie Wiltfong, our new president, with their fine slate of new officers and committee people, have completed plans for our 1986-87 season.

There will be finger food for all at our Halloween dance October 31st. There will be no dance on Thanksgiving.

Christmas dance is December 11th and plans are in the making for a reservations-only New Year's Dance. We have several Demo dances scheduled and several more planned for the future.

Visitors are always welcome, so come join us for some good dancing and great fun.

*Clarence & Nelda Dyer*

## FELLOWSHIP SQUARES

PORT ORANGE . . . This was truly a 'banner' month as they came and went. We retrieved ours from the Dixie "Back to School" Squares in time to pass it on to the Beachsiders as they raided the same evening as Flagler Ocean Waves came to retrieve theirs. And they were all greeted by some very enthusiastic clowns headed by Bill Davis and Joe McGregor. Larry Patten's calling was not the least bit hampered as a clown face was being painted on his knee!

Our last banner event of the month took place when we retrieved ours from the Starlight Promenaders. Their theme was "Old McDonald" and there were mighty strange animal

sounds being made while hunting for partners in the barn dance!

We were all pleased to see Marty & Joe Braun at his benefit dance initiated by our President, Annabell Shroyer and Dixie Squares' Presidents Jackie & Glen Stafford, and emceed by John Barrett. Thanks to all participating callers; Larry Patten, Bob Bland, Oscar Erwin, Dick Hulbert, J.R. Bledsoe, and George Hoyt; and Cuer Bill Beattie for a successful dance. The heartwarming moments of the evening occurred when Joe consented to do one singing call.

*16th Hand*

## FEATHEROCKERS

BRANDON . . . We sure had a busy September. Went to the SanLan Squares and Sunshine Squares to get our banners back, then to the Ox Bow for a great Sunday night dance, again getting our banner back. They were so nice, they even gave us a handful of money.

Our picnic was fun. Club dances have been small but we're going to hang in there and enjoy those that do attend. Come and see us.

*Buz*

## FRIENDSHIP SQUARES

CLEARWATER . . . We welcome back our caller, Hank Schmakel, and wife Mary. They traveled over 10,000 miles this summer, going out west to California and traveling and visiting a lot of states and seeing a lot of beautiful scenery. We thank Gloria Brunt, Bill Hill, and Ed Cain who called our dances during their absence. Thank you again, callers. Come dance with us, you'll like us.

*Rose Williams*

## BUTTONS & BOWS

MULBERRY/LAKELAND . . . Our November Members Event will feature fresh-caught fish and inspired covered dishes at the lake home of Gene & Bill Curry. This culminates a year of great parties under the Curry's leadership, and a lot of wonderful fellowship in the committees to make it all happen. Thanks to everyone who pitched in and helped us all know each other better—one of the best by-products of our favorite activity, Square and Round Dancing.

No dance on November 8th. Will see you at the Fall Fun Fest instead.

## LEHIGH STARS

LEHIGH ACRES . . . The club has been dancing this summer. Now we're ready to greet the returning dancers. Beginner classes have started. Our fall schedule is shaping up with our first special event—a Halloween party in October.

*Irene*

## ALLEMANDERS

SATELLITE BEACH . . . In September we started the new class members on their way to enjoying Square Dancing.

We would like to welcome Norma & Elwood Hardesty as our new Treasurers.

We will be having a Plus Workshop this year for those who would like to brush up on their dancing.

*George & Donna Kremkau*

## CIRCLE WEAVERS

LEESBURG . . . A raiding party led by our President, Merle Rhines, drove up to Ocala to retrieve our banner, with a fun time for all who participated.

Our yearly club picnic will be held November 16th at Griffin State Park Recreational Area. We will have a great time feasting and playing games in this beautiful setting.

Due to pressing time constraints, Howard Mudgett had to resign as Vice President. We are pleased he has agreed to remain on the Board of Directors for the remainder of the year. Bob Ovens is filling the gap left by Howard.

We have some sad news to report. Lillian Spencer, wife of Jim Spencer, our first President, has passed on to her next experience. We ask your prayers for Jim as he adjusts to the loss of his companion and partner.

*Carl M. Kromp*

## GANDY DANCERS

TAMPA . . . November has always been a special month during which we stop and take time to consider all of those things in our life that are important and those for which we are thankful. Having been in square dancing for a couple of years, we have surely added our new dance friends and the unforgettable good times we have had to our personal list. The members of the Gandy Dancers share our sentiments. We send to all of you a special wish during the Thanksgiving season.

This month's activities include the continuation of our beginners' class and our special

Thanksgiving Dance on November 24th. Be sure to join us on that night, if you can. We would love to see you!

*Lloyd & Betty Screven*

## KRISS KROSS SQUARES

FT. MYERS . . . Oh how thankful can we be? Here we are right in the heart of the downtown area, dancing at our new home, the Araba Shrine Temple. Beautiful fall is here and we now look forward to a joyful season.

President Russ and taw Doris, have made many plans. One of our most outstanding events is the "Golden Wedding Anniversary Party" honoring members married 50 years or more. They are great! We look forward to it each year. Come join the fun.

We had the pleasure of having one of our first Presidents and his wife visit us—Tom & Alice Atkinson. They were delighted to see "old timers".

We are missing all of you who are ill and hope to see you soon.

We *ALL* have *MUCH* to be thankful for. God Bless and Happy Thanksgiving.

*Irene*

## TWIRL-A-WAYS

TITUSVILLE . . . We had another busy month with a dance at Miracle City Mall and Open House at the Club which was very well attended. Our new class has started.

Plans are being put in order for our New Years Eve Dance.

We invite you to come and dance with us. We love having visitors.

*Walt & Joyce Helm*

## COCONUT SQUARES

COCONUT CREEK . . . "A Nite in Mexico" was the theme for our special dance this month. We ate tacos, burritos, nachos and spanish rice at Senorita Dolores' cafe. Bill F. and Lil won square dance flags for having the best costumes. We enjoyed having a square from the Southeast Dancers Association visit us for Mexico Nite.

Clyde & Ginny, along with our caller and taw, participated in the special square dance program in which Governor Graham presented a document to Nan & Frank Habersberger proclaiming "The Square Dance as the American Folk Dance for the State of Florida".

Come and dance with us. We love visitors.

## SHIPMATES

Our 10th season of dancing started off with a rollicking complimentary dance in the parking lot of Quincy's Restaurant. Needless to say, everyone had a good time and Quincy's customers enjoyed their din-din listening to our toe-tappin' music. The highlight of the evening was when the employees came out to join us. They loved seeing the manager and assistant manager doing the "Cotton Eyed Joe".

It's hard to believe we're 10 years old. Over the past years we've experienced all the growing pains, bad weather, new class excitement, etc. that all clubs go through. Now on our anniversary we can look forward to many more years of square dance enthusiasm. In lieu of one special night, we'll celebrate throughout the year. This will be "Homecoming 86-87" and dancers may come to visit at their leisure.

*Yeoman Swabby*

## FUN TYME SQUARES

Our class is off to a great start, with class members really enjoying their new vocabulary, especially Yellow Rocks. Speaking of rocks, our Rocky Road dance was wonderful, and so was the ice cream. Thanks, Gwynneth! And thanks to Ellen Hogan for providing us with a monthly newsletter and calendar of events.

Our Banner Bandit, Bob Youkers, led us on a wild "moose" chase. OK Squares beat us to the Villa Curli Q's banner, but we walked away with Freeman Pettus' moose hat, which turned out to be a bigger trophy than the banner. Bob also led a banner retrieval to OK Squares.

Plans for our October costume dance are under way, which promises to be another Fun Tyme event on October 30th. Y'all come.

*Betty Youkers*

## WESTERNAIRES

**NORTH MIAMI . . .** We welcome our new officers for their 6 month term with President Bill Hogue at the helm and congratulate outgoing President Buddy Shelton and his team for a great job! Soon we'll be celebrating our 25th Anniversary and it's because of our hard-working members, some of which go back to the very beginning. We're proud of the longevity of our club and plan to do something very special early next year in honor of this very special occasion.

The old west was brought back to our modern world at our Dodge City Dance, complete with gun-totin' cowboys and their ladies. Many of our Dodge City visitors had a bounty on their

head with big rewards for their capture, but the only seizing done was during the yellow rocks. Delicious chili was served, and President Bill held his gun on us during announcements and you can be sure we listened to his every word. We had our own jail and an out-house (just in case) provided by our very clever Decorating Committee.

Our thanks to Fred & Louise Hornung for filling on Round Dance Cueing.

"F.Y.D." (forget your diet) and join us in Thanksgiving for all we have at our Turkey Pot Luck. Don't forget to bring your favorite dish so we can all enjoy!

*Eva Fink*

## SOUTHERN STARS

**BONITA SPRINGS . . .** The new season is under way—bringing back our dancers—we hope. During September the club participated in a demonstration at a local shopping mall for Square Dance Week. Also in September our beginner class was started.

We are scheduling a Halloween Party for October.

*Irene*

## FOUR TOWNE SQUARES

**DELTONA . . .** We resumed dancing during Square Dance Month after a two month vacation. The Firehouse Squares retrieved their banner during our party night to help kick things off.

A number of members and their caller participated in the Heart Fund Benefit Dance and also the dance for Joe Braun. It was good to see Joe up and around. Behave yourself now, Joe!

We were glad to have Bud & Doris Urfer back dancing with us. It is said that into each life some rain must fall. In the Urfer family it didn't rain, it poured! Hope the storm is over.

*Pat Squares*

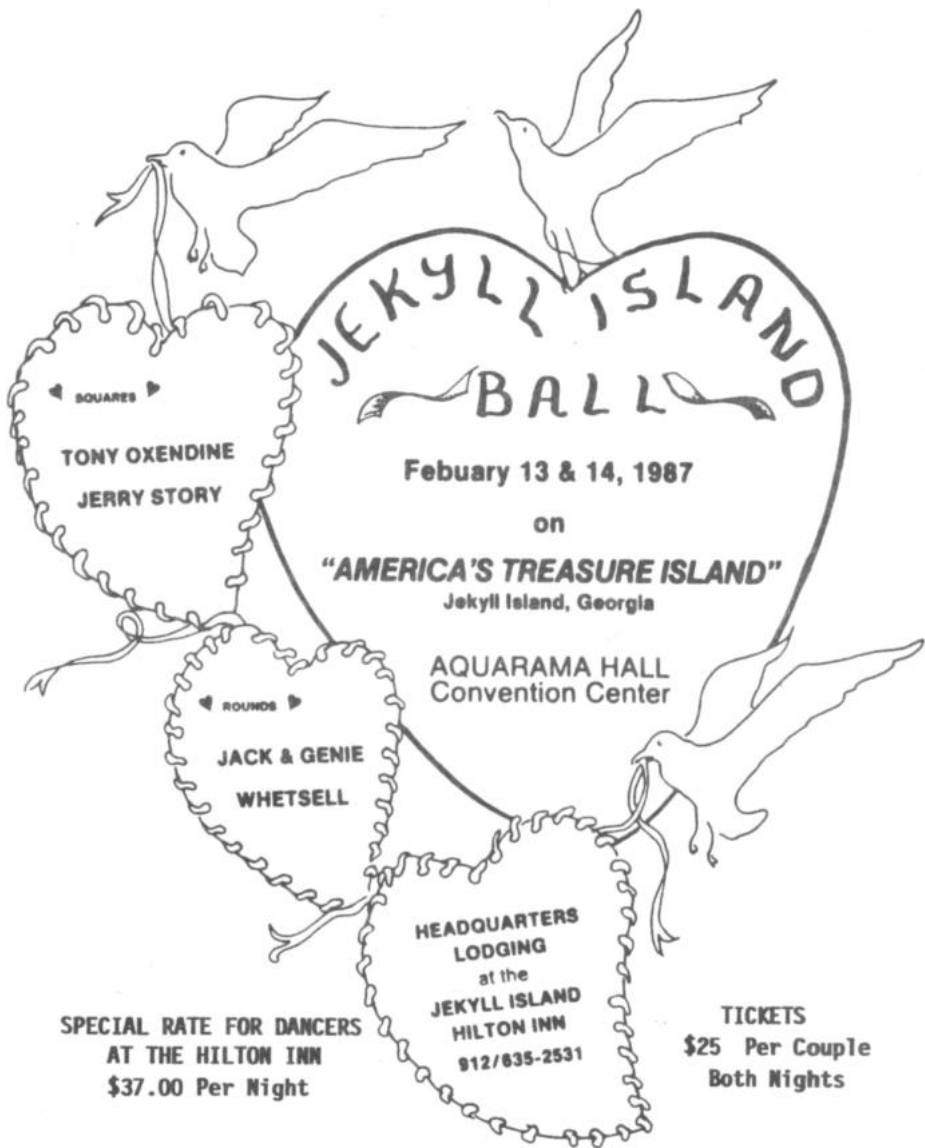

## INVERNESS SQUARES

**INVERNESS . . .** At our September 27th dance it was a night for us to recognize members of the club that are still dancing from 1974 when the club was organized.

We are geared up for the new beginner class.

A group came from the Citrus Springs Club to claim their banner. We had fun dancing together and having dancers returning from the north.

## AS I SEE IT (Cont'd. from Page 14)

saw to it that the programs were filled with mixers. There were mixers from squares (you might remember "Scoot and Scat," "Scatter Promenade," and others) and there were mixers that were danced in big circles. This concept not only taught the individuals how-to-dance, but introduced the dancers to each other and, in a setting of fun and excitement, square dancing became the means for folks to get acquainted.

Our Rip Van Winkle, while amazed at many of today's plus factors, might lament the fact that some groups have missed the point that it is this fun and joy of the activity that brings people

into the halls in the first place and that it is this spirit of friendliness that cements a happy square dance club. Square dancing was, and is, a challenge to one's dexterity and mental prowess and it affords one the joy of moving to music, but it is designed to be so much more. It is an answer to an individual's need for neighborliness and friendliness. To have one aspect without the other would be to miss much that the activity has to offer. Bill Brockett summed up the feeling when he wrote for the American square dancers stationed overseas, "Friendship is Square Dancing's Greatest Reward!" Think about it.

## USDA - 5 Years of Success

(Continued from Page 30)

not offered by any other square dance organization is one designed for the Handicapped Dancers, those who enjoy square dancing as much as, or perhaps even more than the rest of us, but who are handicapped; Co-Chaired by Mac & Chieko MacKenzie and Frank & Nancy Cherry (Florida). The goal of this committee is to identify areas where programs are currently available for the handicapped, to assist with initiating new programs, and to gain recognition for this aspect of the square dance movement.

A popular USDA activity is its annual National Convention After Party. Bob & Betty Coates (California) have, for the past two years, obtained the services of the finest callers to assure that this is one of the best After Parties offered.

Among the long range goals is the creation of a Square Dance Museum and Hall of Fame, spearheaded by George & Judy Garland of North Carolina.

The responsibility for the USDA's National Organization Showcase of Ideas display at the National Square Dance Convention has been assumed by Joe & Joy Vaccari (Florida), Junior Past Presidents of USDA. Joe & Joy are also involved with another of the USDA's long term projects—recognition of square dancing through the issuance of a commemorative postage stamp.

Assisting with the responsibility of financing USDA's many activities are Ways & Means Committee Chairmen Howard & Vivian Wilson (Florida). Through this committee, USDA offers many promotional items useful to the dancer, including colorful red, white and blue square dance decals, membership badges, USDA Museum badge dangles, attractive

white wind-breaker jackets imprinted with the dancer's name, and USDA banners.

All dancers are encouraged to wear the eye-catching and patriotic red, white and blue USDA costumes. Ladies' dresses (Authentic Pattern #324) consist of a white bodice inset, white sleeves with eyelet trim, red bodice and blue cording, skirt of white gores with alternating red and blue cording between the 8 gores. White petticoat and pettipants and red shoes should be worn to complete the outfit. Special silkscreened logo dress and shirt patches are used to identify USDA. It is suggested that the men wear blue trousers, white shirts with the USDA logo on the center back yoke and both front shoulder yokes, and a red tie.

USDA's continued success is a result of the dedicated service of its elected and appointed officers. Since this is strictly a dancer organization, no one is compensated for the hundreds of hours of hard work. These leaders receive only the gratification of contributing to USDA's successes.

Officers and committee chairmen regularly attend not only the Annual Meetings and board meetings held concurrently with the National Square Dance Convention, but also travel to the Mid-Year Executive Board Meeting.

Arrangements are currently being made for the 1987 Mid-Year Meeting to be held January 23-24, 1987, in Rochester, New York. At this meeting, plans will be discussed for future activities of the organization, including the solicitation of bids to host USDA Regional Conventions as approved at the 1986 Annual Meeting, and preparations for the 1987 Annual Meeting scheduled for June 26, 1987 in Houston. All meetings are open, and interested dancers are encouraged to attend and contribute to the enrichment of the USDA.

**SPACE TRACKERS**

**ROCKLEDGE . . .** Five squares of new class members have signed up and we welcome each and every one of them.

We were well represented at the Myrtle Beach Ball in September with two full squares truly having a "ball". A large number of club members attended the Knothead Konvention in Tampa over Labor Day and we are all looking forward to attending the Red Boot Boys dance at Ft. Pierce in November.

Plans are under way for our 3rd Anniversary Dance the first Saturday night of October. We have had a fabulous three years and thank all members and visitors for making it so.

*Hank & Joanne Youngblood*

**GRANADA SQUARES**

**ORMOND BEACH . . .** The fall program started with the return our our square dance caller, Chuck Durant. So glad to have him back. Our members surprised him and our round dance cuer, Bill Beattie, with a dual birthday celebration, having ice cream, snacks, and a large birthday cake with flaming candles.

Our Planning Committee has culminated many interesting plans, including the new dancing

class, Halloween goodies, Christmas and New Year specials.

We are happy to hear that Avis & Bill Miller will no longer be called "Snow Birds". Welcome back for good!

*Terry & Charlie Rothrock*

**WHIRL & TWIRL**

**ORLANDO . . .** Details of our 25th Anniversary Celebration are beginning to gel. A series of special events is being planned for next May and June. To help defray costs, weekly drawings for prizes worth \$50 to \$100 have already started. In addition, three major prizes will be offered. The drawing for the first of these will be held on November 21st at our Thanksgiving Dinner Dance. Full details will be posted on the bulletin board along with the sign-up sheet for a covered dish. As usual, the club will furnish the meat.

Our Blue Bandits remain active. This time they retrieved our banner from the Swingin' Stars. These good folks in Orange City are now put on alert—we're after yours, next time. Incidentally, Dick & Marcella Brandeberry, one of our Blue Bandit leaders, became the first recipients of our new Blue Bandit award.

Excerpts from the archives of *Bow & Swing*

by Chet Vetter

*Dateline: November, 1954*

## Lauderdale Holds Successful Subscription Dance

A *Bow & Swing* subscription dance was held in Ft. Lauderdale on Tuesday, October 12. A total of 25 couples attending accounted for 25 subscriptions to the magazine, most of them were new. Each couple paid \$1.00 for a subscription to *Bow & Swing* and enjoyed the dance free. The caller and even the City Recreation Department representative subscribed.

*Dateline: December, 1954*

## North Florida Round-Up held at Jacksonville, November 13.

The Swinging Squares Club of Jacksonville sponsored the North Florida Square and Folk Dance Round-Up Saturday evening, November 13, 1954. This was the first attempt at such an affair in the area, and it was deemed a high success. Everyone expressed much pleasure over the full evening of dancing fun, and all feel the Round-Up turned out most successfully and are already looking forward and planning another one next year. Mr. Bill Camp, popular caller of Swinging Squares Club, had a full program of square and folk dancing, preceded by a grand march. Guest square dance callers were Lynn Morris, Lee and David Fullerton, all three with Circle Eights Club and Gene Kersey, Tampa, Fl.

*Note: This was the first of 32 annual Fall Round-Ups of which your reporters have attended 22. They were also members of Swinging Squares for many years while living in Gainesville.*

## Short Subjects

Fred Kelly of New Port Richey writes his radio program is coming along nicely and his

new activity, social therapy set up in the Neurological and Mental Hospital, where folk and square dancing are playing a big part in the treatment of patients.

\*\*\*

Carl Jones writes that the Hi-Liners recently did a show for the veterans at Bay Pines Hospital, with a varied entertainment program of piano solos, singing and couple and square dancing.

\*\*\*

Tampa will start of the new year with a ten weeks callers' class beginning in January, 1955, meeting from 6-8 PM each Tuesday night at North Blvd. Recreation Center.

\*\*\*

Les Gotcher will hold dances at various points in Florida during January.

\*\*\*

Several dances are being held weekly in the Miami area by Gordon Blaum, George Campbell, Gene Baylis and Lester Linn.

*Dateline: April, 1954*

One set from Daytona Beach is going to Dallas, to the National Square Dance Convention. George Hoyt, Gertrude Karer, Dr. & Mrs. Al Hixson, Margaret & Bill McNary and Johnnie & Onnie Barrett make up the set.

*Dateline: June-July, 1954*

One of the "special events" at Don Armstrong's Danceland, Largo, is a "Swaperoo Dance", with the admission charge being a one year subscription (new or renewal) to *Bow & Swing*, plus a 50¢ charge per couple to help cover hall expense, advertising, etc. Over 20 area callers have been invited to participate.

PLEASE LIMIT YOUR CALLS TO THE ADVERTISED PROGRAM. DO NOT USE A CALL FROM A LIST OTHER THAN ADVERTISED UNLESS YOU WALK IT OR WORKSHOP IT FIRST.

Key: T\* - Traditional, author unknown, more than thirty years old.  
1953 - Year call created, author known.  
? - Year unknown, not traditional.

These lists are furnished through the courtesy of CALLERLAB and your local CALLERLAB members.

ZEPHYRHILLS . . . We are happy to see some of our Northern friends returning along with Bob & Dee. *Thanks* again to Sharon & Buz for filling in this summer. We are looking forward to a busy and exciting Fall Season. Round & Square Dance Lessons start November 5th. Join us and bring a friend.

*Edna Bahr*

## WAGON WHEEL SQUARES

ST. CLOUD . . . We've been busy dancing on black top for McDonalds, Pizza Hut and Burger King, trying to get new class members for our coming year. Fun night brought out a nice crowd. Class starts in October. Pie Night bought out all the great cooks and there were many delicious pies. The proof was in the eating. Traditionally, Dale did all singing calls to go along with the pies.

We expect a bus load of dancers from Missouri plus their caller in October, friends of our own club caller. We're looking forward to meeting and dancing with them.

*Bev Whitney*

## SUNSHINE DANCERS

MANGO . . . We thank Walmart for hosting the advertising for beginners classes at Strawberry Square, Featherrocker and Mango. The Sunshine Dancers are enjoying fun-filled Friday evenings at Mango and we'd like to welcome everyone back.

*Marty Mathis.*

## HAPPY HOEDOWNERS

LEESBURG . . . We had a big crowd for our "Welcome Back Marvin" and Western night. It was great having Emily & Marvin back from Tennessee looking so tan and rested, ready for our new class starting October 2nd.

We joined the Central Florida Square & Round Assn. at Central Florida Fairgrounds for the country-wide balloon release in celebration of 50 years of square dancing. Thank you, Joe Buatti, for donating the gross of balloons that we let fly. On September 14th we journeyed to Orlando for the big Heart Research Benefit Dance. Central Florida callers and cuers donated their time and efforts for good, continuous dancing all afternoon. September 20th we headed for Fontana and a big week of dancing and fun.

John & Ruth Duesing have been appointed by the Association to represent Lake County for the next year.

Our Hoedowner Mascot Barn when last seen was heading north with Vi & Curt Beemer and was dropped off at the Sacandaga Swingers in Northville, New York.

*Bill & Elsa*

## DIXIE SQUARES

DAYTONA BEACH . . . We joined other friends of Joe Braun on September 21st at a special benefit dance to celebrate Joe's recovery from the heart attack he suffered last summer. Callers and cuers volunteered their talents. Joe expressed "Thanks" to all present and absent who remembered him in their prayers and by their cards. The support demonstrated to one of us need made us all proud to be "dancers".

The annual Luau was enjoyed by all. Credit for the success was due to all who volunteered their help, especially Tom Minchew and Betty Belskey, party chairmen.

The Fall Festival in Fontana, N.C. was attended by many dancers from Florida during the first week of October.

To kick off the new season, an Open House October 9th will be followed by classes starting the 16th. Our annual costume Halloween Party is scheduled for October 30th. And plans are under way for the Dixies to participate again in the Xmas Parade December 6th.

*S. H. Brittingham*

## SPARES 'N' PAIRS Chapter Bachelors 'N' Bachelorettes

ST. PETERSBURG . . . On October 18th we are having a "Mystery Trip" leaving 3 p.m. and returning at midnight by bus. We don't know where we are going but wherever it is we know it will be fun.

Come join us with your costumes and masks on October 31st.

**NO DANCE** November 7th. This is Fall Fun Fest and FASSRD 8th Single-Rama at Palm Beach. Our own Jo Ann Fox is being installed as president of FASSRD. We are sponsoring a Singles Square Dance Class starting October 6th.

Our sympathy to Carl Ceman on the death of his wife, Betty, September 23rd.

November 21st will be our Thanksgiving Pot Luck Dinner. Come join our feast—dinner at 6 pm and dancing at 7 pm. We welcome all square dancers—singles and couples—to dance with us.

**HAPPY THANKSGIVING!**

## LATE NEWS FLASH

Everett Martin, Caller for Palace Mavericks and Palace Promenaders, and owner of Palace Square Dance Hall in Arcadia, underwent a 6-bypass operation on October 8th.

When he went in for a heart catherization, many blockages were found, besides an aneurism. It was nip and tuck for awhile, but Jennie informs us that he came home from the hospital on the 18th and will continue to recuperate at home.

Lefty Tidd and Buz Nocera have graciously offered to fill in for Everett until he is able to take over his calling duties again.

We, and Everett's many other friends wish him a speedy recovery.
