Square dancing is friendship set to music.

From the Bow & Swing Editor

This quarter I'm going to talk about the awards that the Florida Federation and square dance clubs present to recognize square dancers, leaders and volunteers. Many people like to volunteer but become discouraged as their efforts don't seem to be appreciated. These awards are a great way to encourage your volunteers and keep them coming. Please discuss this with your fellow dancers and please consider nominating someone from your area. Your association can nominate people or your club; but also an individual can simply nominate someone.

Send me your ideas for the magazine. Ask questions. Have fun dancing.

Support the 72nd Florida State Square & Round Dance Convention with your purchase of \$7 dance socks.

History of the Hall of Fame

The Hall of Fame was organized to honor dancers, callers, cuers, publishers, teachers, organizers, promoters and/or vendors for their contributions made to the dance activity *statewide*.

The Hall of Fame became a reality due to the work of Chet & Julia Vetter, Mori & Phyllis Sogolo, Art & Martha Springer and Marty & Birdie Martin.

The first inductees were made May 19, 1983 at the state convention. The square dance hall at Strawberry Square became the permanent home of the Hall of Fame at a Grand Opening dance held on December 4, 1983.

At the State Convention, new members are presented with a small plaque to keep and a larger plaque is installed at Strawberry Squares Hall for public viewing.

As of the State Convention in the year 2017, 90 inductees have been installed in the Florida Hall of Fame.

These inductees consist of dancers, callers, cuers, publishers and vendors. Some have qualified in two categories.

Display cases for past presidents of the Florida Federation of Square and Round Dancers, the Florida Callers Association and the Round Dance Council of Florida have been provided by the Hall of Fame Committee.

Each of the five area associations have a plaque displaying persons from their area who have been honored as person or couple of the year.

An additional plaque lists the State Convention General Chairman and Caller Chairman & Cuer Chairman for each of the State Conventions.

The Hall of Fame is financed through funds derived from State Conventions.

The three sponsoring associations, Florida Federation, Callers Association and Round Dance Council, each contribute one-third (1/3) of expenses.

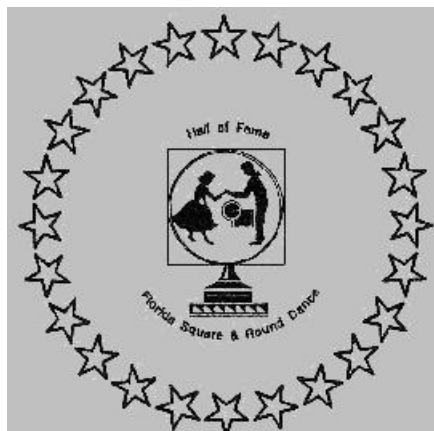

The Selection Committee is a group of dancers, callers & cuers from every area of the state and both sexes are represented.

These are known only to the Hall of Fame Committee and not to each other. Members of the Selection Committee must have been active in the Florida dance activity for at least 10 years, have visited and danced in a number of areas within the state and be knowledgeable of what is going on.

Voting is done in secret by sending resumes and ballots to each voting member; ballots are completed & returned to the Hall of Fame Committee Chairman without revealing the name & address of the voter. The ballots are opened in the presence of a quorum of the Hall of Fame Committee.

Florida State Square & Round Dance

Hall of Fame

This award is not just for dancers! it also honors callers, cuers, publishers, teachers, organizers, promoters, vendors and/or others, for their *Statewide* contributions to our square dance activity.

Please think of someone who might qualify and send a resume to your Association President or to my committee for consideration.

Nominees must have a minimum of ten years statewide involvement with the Florida Square and Round Dance activity.

Their contributions need to encompass the entire state of Florida, not just one or two areas.

This should require unselfish dedication of time and labor. Being an area president,

Federation president, Caller/Cuer Association president and/or State Convention chairman is not enough.

Submitting Resumes on or before September 1st, gives the Committee time to review and submit them by mail to the Selection Committee for final consideration for presentation at the Florida State Convention.

Resumes must be received by the Hall of Fame committee by September 1st of each year.

It is suggested that any association not submit more than two resumes for consideration per year.

The Hall of Fame Committee shall meet, review all resumes presented and vote, by secret ballot, to forward such resumes to the Selection Committee for the final vote.

NOMINATING RESUME

Preparing a nominating resume will take some time and investigation to make it complete.
Talk to other dancers, callers and/or cuers for dates, places and times the nominee was involved in statewide participation.
Follow the who, what, when and where rule as you investigate and prepare the resume.

The more information submitted, the better.

Once the resume is finished there are two ways in which to present the information to the Hall of Fame Committee.

The resume may be submitted to the board of directors of any of the five area associations, callers association or cuers association.

The area or association board of directors will review the resume and vote to reject or pass it on to the Hall of Fame Committee.

Resumes May Also Be Submitted To Any Committee Member.

Resume Outline...(updated 07-28-2023) Please see the next page for an example of a resume.

PLEASE NOTE:

**This is a Guideline for the resume to be submitted to the Hall of Fame Committee.
The Resume should be written separately.**

Square & Round Dance Awards in Florida

Club Awards

CIRCLE OF
SERVICE

The Circle of Service is an Award given out by Clubs to acknowledge Members who have gone above and beyond the call of duty.

LEGACY introduced an award for dancers only at the National Convention in Birmingham during the panel on Awards and Recognition. It is called the "Circle of Service" and is a symbol of service to square and round dancing. The award developed from an idea by Mori Sogolow of Plant City, FL.

It is designed to be worn with pride by dancers who, for three or more years, are determined to have made a significant contribution to the square and round dance movement.

The stellar hub of the circle, formed by a pattern of arcs, symbolizes the importance of each such individual to the total picture. The same circular shapes flow outward to help define interlocking squares and stylized musical symbols. This linear interplay suggests the strong bond between the two "sister" dance activities, square and round dancing.

Look for someone in your club or association and award them the "Circle of Service".

Star Award

May be used by any club.

The Star Award was started in the Space Trackers Square Dance Club by Duke and Doris McCleskey, longtime active members of the Space Trackers, in June of 1991. The purpose was to recognize members of the Club that were active in Club Activities, took on jobs as committee chairmen, stepped forward when the need arose for someone to do a job on a committee, promoted the Space Trackers and square dancing in our area. This was all in the Club, not on a statewide scale. There is the Circle of Service Award for working outside the Club. They just thought that members who are exceptional workers within the Space Trackers should be recognized. So, they came up with the Star Award to recognize those individuals.

To qualify for the award, you must have performed these exceptional services and have been a Club member for three or more years. While Club attendance and membership alone will not qualify you, it is one of the necessary elements.

This Award is presented by someone who has been awarded the Star previously and who thinks the person(s) to be honored has qualified to be so recognized.

Sample Certificate is on next page.

Email Ailene Picheco apicheco@att.net with information and a finished pdf can be sent to you for framing.

Cuer Corner

Let's dance to the most popular song in years, "Choosin' Texas" by Ella Langley. The song reached number one on the Hot 100 six different times. "Choosin' Texas" is marked by Billboard as the longest leading chart hit for a country song by a female artist, ever. When we find a song like that, it's bound to be a great song to dance. Dwayne helped me choreograph a phase III Rumba and when we tried it out on dancers it was a hit. It was choreographed for a teach at the 2026 TN Square and Round Dance Convention. There is one plus figure, umbrella turn. The music was bought on iTunes and the long cue sheet is on Roundalab.

The song “Wrong Direction” has a sad message but with the harmony between Ilse DeLang & Michael Schulte it dances beautifully. We choreographed a cha to the song and taught it at the TN State Convention this past August. It was written so it could easily be cued at square dances. The long cue sheet is on Roundalab and we purchased the music on iTunes.

Ron & Georgine Woolcock recently choreographed a phase II + 1 Two Step. The title is It's Who You Love by artist Don Gibson. He was born in 1928 in Shelby N.C. His father was a railroad worker who passed away when Don was around two years old. He stopped attending school after the 2nd grade as his family got by as sharecroppers. At age 14 he bought a guitar, learned a few chords, the rest is history. Enjoy this Two Step, the long cue sheet is on Roundalab.

Richard Lamberty is both a square and round dancer and also a clogger but moved to ballroom to explore the dance steps of both lead and follow roles. As a child Richard loved to dance and was intrigued by the dance steps of both men and women. Developing the skills to dance both parts made him a very skilled dancer. Dancers that can dance both parts in a dance successfully are typically stronger dancers.

To really dance as he wanted to Richard developed these skills to compete in the Gay Games in Europe. When he returned to the United States he cofounded the April Follies, the longest-running and largest queer partner dance competition in North America. Richard is a two-time world champion ballroom dancer.

In the round dance world, Richard has written the choreography for literally hundreds of dances. He has a knack for choosing appealing music and adding musicality to capture unique phrases and nuances of a piece of music in the dance steps. When Richard started out he ran into barriers. Learning of a place where the traditional rules were opened for people to experience the joy of dance helped to broaden the world's view of dance and people who participate in it.

If you have not danced to one of Richard's dances be sure to check them out on one of the many round dance websites or request one from your dance leader.

Desiderata by Max Ehrmann

Go placidly amid the noise and the haste, and remember what peace there may be in silence.

As far as possible, without surrender, be on good terms with all persons. Speak your truth quietly and clearly, and listen to others, even to the dull and the ignorant, they too have their story.

Avoid loud and aggressive persons, they are vexatious to the spirit. If you compare yourself with others, you may become vain or bitter, for always, there will be greater and lesser persons than yourself.

Enjoy your achievements as well as your plans. Keep interested in your own career, however humble, It is a real possession in the changing fortunes of time.

Exercise caution in your business affairs, for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals, and everywhere life is full of heroism.

Be yourself. Especially do not feign affection. Neither be cynical about love, for in the face of all aridity and disenchantment, it is as perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth.

Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with dark imaginings. Many fears are born of fatigue and loneliness.

Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore, be at peace with God, whatever you conceive Him to be. And whatever your labors and aspirations, in the noisy confusion of life, keep peace in your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.

HELP!

The Florida Square Dance Convention Committee is looking for a place to store our flooring for the Conventions each year between Conventions. It would be good to have a trailer in which we can store the flooring and/or transport it each year to and from the Convention.

Please contact the Convention Committee if you have a shed or garage in which we can store our flooring and/or a trailer with which to transport it.

The 76th National Square Dance Convention® Presents **Cowboy Brad & the TropiCowboy Band**

Brad Fitch and the TropiCowboy Band are a group of seasoned, professional musicians who interpret the songs of John Denver with reverence and a whole lot of fun. Please join us for an enjoyable evening of music, celebrating this beloved, timeless music which is quintessential to the Colorado experience.

Performing professionally since the age of 15, Brad specializes in original folk and western music that celebrates the beauty of life and nature, according to his website www.CowboyBrad.com. His heartfelt songs aim to relax, uplift, and inspire his listeners. With over 20 albums to his name and around 300 live performances annually, Brad has played across the U.S. from Red Rocks Amphitheater to the shores of Hawaii. He is especially known for his JOHN DENVER tribute concerts, which have raised funds for various charities and drawn record-breaking crowds. A U.S. Coast Guard veteran, Brad continues to share his passion for music and nature with audiences nationwide, staying true to his mission of bringing joy and peace through song.
