STARLITE SHUFFLERS - a big graduating class  
and Camp O'Leno is here too!

Thursdays - Joseph Lee Center  
Caller - James Maxey  
President - Evelyn & David Branch (733-6065)

Sorry, we have been missing but our regular  
reporter, Yvonne Hart, had to take off time  
to increase her family. She and Bob had a  
beautiful little girl. I will try to catch  
up on our club doings.

Our thoughts and prayers go to Betty and Beth  
Shultz in the death of her husband, Don Shultz.  
He will surely be missed by all of us at  
STARLITE SHUFFLERS.

In January we made off with the GATOR PRO-  
MENADERS Banner and had a real good time  
dancing with Bill Camp and his club.

We got about 3 squares together and went to  
the WESTERN CUTTERS to hear Chuck Durant. We  
had a great time. Chuck really did a fine  
job calling.

The Fifth Saturday dance was well attended  
by the STARLITE SHUFFLERS. We had a lot of  
fun. After the dance Marge and Bill Reiter-  
meyer had us over to their house for an after-  
party. It was beautiful and we had a great time.

Bill Bishop and his wife came along for fun  
and games. "Bill, have you been under any  
good sheets lately?" Really he is a real  
good sport.

Bill Bishop invited our class over to dance  
with his class. We sure did have fun. He  
has done a superb job on his dancers. I don't  
think anyone ever had more fun than we did.  
James Maxey and Bill did a spectacular job on  
calling, but what was outstanding was they

wound the dance up with a duet of "Making Love  
in the Country" - and "Old Rocky Top". I can  
tell you it was beautiful.

We invited Bill and his class to dance at our  
club. We had a real fun evening.

When James and Bill call a dance you know you  
have been square dancing. They really are  
great callers.

A lot of STARLITE SHUFFLERS went to the Swamp  
Stompers Ball in Waycross. We really did  
enjoy the dance. Dick, Johnny, Chuck out did  
themselves. It was a real fun dance and the  
skit that the callers put on was hilarious.  
Thanks to the WESTERN CUTTERS for inviting us  
to their after party. It was full of surprises  
and lots of laughs.

Mariann and Tom Hidding invited us to their  
class graduation. We really enjoyed ourselves.  
I don't think we have ever danced with friend-  
lier people. We really had a good time, all  
three squares of us.

Our class graduated March 4th. We think our  
dancers are ready for anything. Maxey did an  
outstanding job and to show their appreciation  
the class presented him with a beautiful trophy.  
I know he felt very proud.

We want to thank all the club members who  
made the class graduation such a wonderful  
success. We also want to thank all our  
visitors for coming out to dance with us and  
welcome back anytime.

We would like to also welcome our fine new  
couples from our class plus our three new  
couples who have chosen our club for their own.

I want to warn all the local clubs the STARLITE  
SHUFFLERS has a bad case of Kleptomania and

Continued - STARLITE SHUFFLEERS

they better keep an eye on their banners.

We have already stolen the JUBILEERS, GATOR PROMENADERS, ALLEMANDERINS and REBEL RAMBLERS banners. So look out!

One last item, - we want to remind everyone about Camp O'Leno April 24-25. Be sure and hold this time for a real stomp down good time.

441 CLUB - White Springs sounds like a good start.

2nd & 4th Saturdays, Gainesville Recreation Center, Gainesville, Fla.

Guest Callers  
Milledge Murphy, President

About that old (young) friend mentioned last month. Old because he has called for a number of years and young because that is what he is. Eddie Millan is no stranger to the 441 CLUB nor to a number of dancers throughout the area. We are pleased to have Eddie call for us April 10.

We needed someone from the Southwest at our Frank Bedell dance to fill out the fourth corner of the U.S. We had Port Angeles, Washington, Albany, N.Y. and Key West, Fla. Key West has got to be the most boring city in the U.S.; that is the reason or excuse Steve Cox gives for his visits to 441 and now he has Keith Shindle coming with him to back him up. Guess when Jim Beck gets back from the Far East, Charleston, S. C. will be added to the list. The couple from Washington were as anxious as we in waiting for Frank to show up. For awhile it looked as though this would be the third and last time during their stay in Florida they almost danced to Frank. It worked out for the best as they said there couldn't have been a nicer going away party.

All clubs have a certain amount of exuberance and enthusiasm, the newer the club the more noticeable. This is not news, but when a

caller and his first class infects a whole community, that is news. This has happened at White Springs, a small town just North of Lake City. Last Sept. Dave Seckinger started with a teen class of about 3 squares. Now he has three clubs; adults, teens and pre-teens. With those in class these clubs total about 16 squares. They have enthusiasm to spare, so if you have forgotten how it feels go visit them on a Saturday night at the Women's Club and let a little rub off on you.

Just got assigned to the night tour so this reporter's dancing will have to be done on Saturday nights only at least for awhile.

Dear Square Dancers:

Thank you so much for your donation for the Central Civic Club Christmas Party. This donation helped greatly to make the children from under privileged homes have a happier holiday than they might otherwise have had.

We thank you for your continued assistance and donations through the years to this very worthwhile undertaking.

Yours very truly,

was a great job well done.

The Anniversary dance ended the year for the officers and to them we would like to say - it was a very good year. The past officers were: President, J. Russell; Vice President, Claude Hewitt; Secretary, Hart Smith; and Treasurer, Hal Yates.

A bit of news about our past president. Margie and Russell were officially introduced to the square-dance class in 1964 by their good friends (and mine) the Dansons. Marge and Floyd Hazen were the instructors at the Orange Park Promenaders. After 26 weeks of preparation they were graduated with all the formal and informal shenanigans anyone could ever dream up. At the graduation ceremony the ROUNDLEERS club did an exhibition dance and that was when Margie and Russell were hit by the round-dancing bug. They have been dancing from one to seven nights a week and are always ready to go for more.

Margie and Russell have moved to their home down by Lake Brookland and we may not see them around our area as much as before, but we will know that where ever they are - they are still dancing.

Now ROUNDLEERS have a new year to look forward to and to serve as President for the coming year is a retired Navy Commander, Bill Fleshman. Bill retired? at NAS Jacksonville in 1956. In 1959 they moved out to their lovely home in Fruit Cove. This couple

is now starting their 14th year in square and round dancing. They took their basics while Bill was still in the Navy, learning some rounds there, others at Knothead and State conventions. After round dancing for two years they discovered that there were round dance basics just as there were square-dance basics. It is amazing how much easier it is to learn round dances after completing a round dance basics class.

They have helped many people in round dancing but prefer to retain their retired status and not become greatly involved with teaching on a regular basis.

Beginning in about 1950 they published the GRAPEVINE for almost four years.

In addition to being officers in almost every club to which they belonged, Bill is past president of the Northeast Florida Square Dancers Association and the Round Dance Council of Florida, besides serving as round-dance chairman of the 14th State Convention in Jacksonville in 1967.

They have averaged over three nights a week of dancing and as many will testify, they come to dance, seldom sitting out either a round or a square dance tip.

The new officers for the coming year: President, Bill Fleshman; Vice president, Claude Hewitt; Secretary, Jean Rippel; Treasurer, Lucille Williams. It is a good group to work with and we are looking forward to a lot of new dances to be learned. See you A-round dancing.

SEPT. 25-30, 1971, SPONSORED  
BY WESTERN KENTUCKY WATERFUND, INC.

This festival runs for 8 consecutive days starting with Saturday, September 25th to Saturday, October 2, 1971 inclusive.

We will be dancing in two air conditioned halls at beautiful Kentucky Dam Village State Park on Kentucky Lake at Gilbertsville, Ky.

Participants should plan to stay somewhere in this area. Make accomodation reservations directly with resort, motel, camp or State Park. Dancing reservations should be made with the Chairman.

Dancing will consist of morning round workshops; afternoon square workshop and evening square dancing with rounds between tips.

The square dancing and square workshop this year will be festival level only (club level and some of the new experimental calls used all over the country in open clubs).

Due to popular demand we again have on our staff for all 8 days of the Septemberfest:

Col. Frank Bedell of Mirimar, Florida  
Col. Melvin Roberts of Memphis, Tennessee  
Col. Betty and Clancy Mueller of New Whiteland, Indiana. Frank and Melvin are descriptive callers and can get you through some of the toughest choreography keeping 90% of the floor dancing. If you haven't danced to either of these two, you have a treat in store for you.

Preregistration for 4 days on all 8 days is essential to assure you of participation, as our dancing space is limited to 40 squares. Those unable to preregister and desiring to participate on short notice are advised to call chairman any weekday evening prior to the festival.

Hope to see you all across the square.

### PAXON PRANCERS - Happy Happenings

Thursdays, Mary Hammond Youth Center  
Caller - Bob Rust  
President - Charles & Brenda Potts (764-1166)

The first happening of the month took place with PAXON squaring up with the ALLEMANDARINS and making off with their banner. The next week found them back at our hall retrieving it and Johnny Robbins filling in for Bob Rust who had a flu bug.

Hear the Pangles are sporting a brand new car and how about our Prez and Taw joining the "Cowette Set."

Have had a lot of members out sick or injured lately. Our treasurer, Bill Pick, has been in the hospital, is now home and doing fine

according to his Taw, Corine, who has been having to do his chores (mighty well too). Sorry to hear about the illness in the Milligan family and hope they get to come back soon.

We are thinking of everyone of you that has been out lately and hoping to see you across the square soon.

Hear Jimmy Horne drew hours no square dancer should have. Due to a transfer in his work they are 4 to 12.

A group of PAXON traveled to Kissimmi and danced to Cal Golden.

We were well represented at the Johnny LeClair dance held in Woodstock Recreation Center. (Hear one of our faithful visitors, Eddie Edge, got his new Caddy scratched that night - So Sorry, Vera.)

Mabel Pangel did our decorations for our St. Patricks dance on March 11 - Green shamrocks and a dogwood centerpiece.

PAXON traveled to St. Augustine for their square up and then on to the ROUNDLEERS Anniversary dance with Roger Chapman.

Well, what about the refreshments since the members are doing them weekly - from all reports they sure are being enjoyed.

Mark your Calendar for April 15 and PAXON'S new event "A Flapper Dance." Get out your latest fashions, Flapper Style, and meet us there.

We end the report saying the ALLEMANDARINS made off with our banner last night (what a gay bunch) and we are out to get it back.

So Long and Happy Squares.

It is always a pleasure to introduce new dancers to square dancing, and especially those who are in this class. We are enjoying teaching such a lively and receptive group.

We are looking forward to many activities in the near future. Foremost in the program at the Center is the dance to be called by Bruce Johnson on May 4th. We believe you will want to join in the fun and dance to Bruce. He is a good caller from Santa Barbara, California.

We are indeed glad that Sharon and Marty Barrs are out of the hospital and able to be back on the job at the Center.

### WHY FIFTH SATURDAY DANCES?

For several years now your Association has been sponsoring so called Fifth Saturday Dances in a simple effort to bring the area dancers together a few times a year in one get together where they can dance to callers other than their own and most important have a chance to meet dancers from other clubs. Due to many reasons and demands on our time many dancers are unable to do much more than token visiting to dances other than their own club. The Fifth Saturday Dance provides an outlet for these dancers to meet and socialize with others.

Gateway Callers who have called for one of these dances in the past several months have knocked themselves out in putting on a good dance too. They always seem to be at their best on these nights.

The Association chose Fifth Saturdays for these dances so that they would not conflict with any club dance and as a group the members have bent over backwards to step aside on special dates such as for special club Halloween Dances and New Years Eve Dances. In turn, I think the clubs owe it to themselves, and the other clubs in the Association the courtesy of not intentionally scheduling special dances on or near to the Fifth Saturdays, club dances fine but not dances appealing to the entire area for support.

If these dances are to continue, we should support them. If the clubs want some other type of dance, they should work in the Association to attain their goals. However, if the majority of the delegates do not agree with you, -- support the action taken, don't try to knock those who disagree with you. I think all of you like some type of area dance so let us support the Fifth Saturday efforts, they are pointed towards the average individual and not toward either the so-called high or low levels. Many people work hard to put them on so let us back them with our attendance.

CALICO SWINGERS spread their dancing around.

2nd & 4th Sundays, Wesconnett Community Center  
Callers - Tom and Mariann Hidding  
President - Jim Patillo (389-2170)

On February 17th, CALICO SWINGERS traveled to St. Augustine to a Valentine party given by the GATEWAY SWINGERS. This is a square dance club at the St. Augustine school for the blind. Charlie Schoneman is working with the group there and it is really good to see how great those kids are. For any of you who have found it hard learning to dance it would be great to see the pleasure these kids get out of dancing. One of the older boys in CALICO SWINGERS didn't realize that the partners he was dancing with were handicapped.

On February 27th the new class went on a trip to Eau Gallie. They were there visiting the MISSLE TWISTERS. We now have 26 new Knotheads at CALICO SWINGERS. There was so much food the group was asked to go back through the line, the children do love to eat. The MISSLE TWISTERS have a youth group in the club and the dance was enjoyed by all. Thank You for such an enjoyable evening.

We have a trip scheduled for March 27. We hope to travel over to White Springs for a picnic and dancing. Here's hoping the weather man thinks of us.

CALICO SWINGERS do meet every Second and Fourth Sunday evening and we would like to extend an invitation to each and every dancer - young and old to come out and dance with us.

These dances are not meant to be big extravaganzas but rather they are designed to be friendly get togethers for all area dancers. The Association sponsors only one so called big dance a year and that is the Fall Round-Up. The Fifth Saturday dances are a year long build up to this one affair in November. They are an ideal place for new graduates to get their feet wet in attending dances of this type, and so be more comfortable when the Fall Roundup, Knothead Konvention or State Convention come along. They also offer an opportunity to callers to call to dancers other than their own club and meet sometimes unfamiliar conditions on the dance floor. From experience, I can say that all of the

COUNTRY COUSINS - Hear! Hear!

Saturday nights, Dinsmore Civic Club  
Caller - D. J. Lynch  
President - Hershell & Anita Bessent

Well, would you believe we have finally made it back in the paper again - it's been so long I bet you didn't know we still existed.

Our club has now been in existence for three years - and we sure have had some good times. We would love to have ya'll come visit and dance with us any time. We're gonna' try to build up our visitation to other clubs - so be on the lookout!

We've started our new year off by electing new officers: President, Hershell and Anita Bessent; Vice President, Gary and Debbie Hanson; Secretary, Bob and Cloie Bowie; Treasurer, Charles and Frances McDugald; Reporter, Bob and Ann Zortea. We're looking forward to a new and challenging year ahead with these new officers.

We've had some good dances these past months, but there's no sense in going into details about past history. Our Valentine's Dance was a real success and a lot of fun - you should have seen some of the cute pairs (?) during the Valentine mixer dance!

We've got a class going on at the present time that is about a third of the way through - a small group, but really good and enthusiastic dancers!

We have had two new members to join our club recently - Kevin and Linda Anthony. We really enjoy having them with us.

Several of our COUNTRY COUSINS are attending the ROUNDLEER classes at the present time and report they are having a great time. Would like to see more participate in round dancing!

That's about it for this time - come visit us! We'll be looking forward to seeing you across the square.

ANCIENT CITY SQUARES looking forward to  
Easter Week Festival

Fridays, St. Augustine Visitors Center  
Caller - Bobby Keefe  
President - Charlie and Ruth Schoneman

This is a great time of the year for our club. We've just attended in force (almost one hundred per cent) the Ancient City Square Up, and didn't we have fun!!!

And now we're looking forward to the special dance on Wednesday, April 14, which we will host in connection with the annual Easter Week Festival. The town will be loaded with visitors attending the Spring Rally of

the Florida Unit of the Wally Ryan Caravan, usually attended by approximately three hundred Airstream Camper families. Frank Clements and James Maxey will call -- it should be a fine dance. See flyer elsewhere in this issue.

Our officers for next year will be installed at the April meeting. They are: President, Charlie and Ruth Schoneman; Vice President, Richard and Maxie Germain; Secretary, Jeff and Cecelia Hodges; Treasurer, Bill and Liz Franke. Congratulations -- and lots of luck.

Come and dance with the "Fun" Club. We'd love to have you.

DIXIE CHAIN GANG - Old Rip wakes up.

2nd & 4th Saturday, Philips Highway Plaza  
Caller - Frank Clements  
President - John Tyson (249-4869)

Sorry, DIXIE CHAIN GANG. I goofed last month but will do my best to make up for it this month. The Grapevine just sneaked up on me before I knew it.

Well, the DIXIE CHAIN GANG troop marched in formation last month to the WESTERNAIRES with a white flag flying with "Peace" boldly etched on the banner to retrieve our flag. After much hand shaking and hello's, we jumped right into the battle of square dancing. Mariann and Tom Hidding were superb as always in calling and we enjoyed everyone's hospitality. Frank Clements, Don Miller and Tommy Emond all called a tip which everyone danced and stomped with ease. We all are looking forward to a return visit real soon. Thank you again, WESTERNAIRES - we really had a ball.

Sure and begorra, a little bit of heaven fell on the DIXIE CHAIN GANG's St. Patricks Day dance. You never saw so many lepricon square dancers. At all times there were ten to eleven squares dancing away as if they were doing the Irish jig. Many of the Colleens and their men folk were dressed in Rilly green with all sorts of badges with humorous sayings pinned on befitting this festive occasion. A huge pot of gold brought eager glances from the younger set as they were tempted to put little hands into it. Indeed, it was the very pot of gold at the end of the rainbow. Also, a huge blarney stone from the deepest part of Ireland was resting in the front of the hall for all to kiss to bring them luck the rest of the year.

The turn out of different clubs was fabulous and the DIXIE CHAIN GANG was overjoyed to have such a wonderful group enter their prison domain. STARLITE SHUFFLERS, JUBILEERS AND ALLEMANDARINS all came in full force and a grand time was had by all. The square dance callers were out in full swing and all of them did a grand job calling tip after tip.

DIXIE CHAIN GANG

I really don't recall any long rest period. It was go-go all the way. Our prison caps were off to James Maxey, Billy Bishop, Harold Pillmore, Dick Goedert, our own Frank Clements, and a visiting caller all the way from Crawfordsville, Indiana, Ed Miller and his charming wife, Dorothy. Also visiting with us were our honorary members Roger and Ann Strickland from Lake Wales, Fla. and Mr. and Mrs. Irish from Connecticut.

being extra friendly, they are showing off because of all the weight they have lost going to Weight Watchers. But you have to watch them come refreshment time. If anybody turns their back, they sneak to the refreshment table. Our lost and found department is getting larger. We have one man's blue sweater and at our last club meeting we found a lady's blue sweater. At one of the classes two or three weeks ago on a Monday night someone left a plaid jacket that has a Sears label in it. If anyone knows anything about these articles, please contact Bob Walker at 725-2522 after 6 p.m.

We always like to welcome the visitors to our club and in the last few weeks we have had some visitors that haven't been to see us in a long time. Don't wait so long to come back and dance with us.

Our thanks to Chuck and Mary Ellen Palmer and the many who helped for such a wonderful job of decorating our prison hall. We sure are lucky to have such talented members. The Ladies outdid themselves with a great variety of refreshments and believe you me, it was enjoyed by all.

AN EDITORIAL

Fridays, Wolfson High School 8:00-10:45  
Callers - Dick Barker and Bill Bishop  
Rounds - Helen Crout

Have you ever been dancing somewhere and felt like nobody wanted to dance with you? Or have you ever gone into a square and was turned away by a remark such as "Sorry, this square is filled" and yet it was not or at least it appeared not to be. Or have you noticed at Fifth Saturday dances or even at some of the clubs how those with beautiful club dresses congregate in same squares and are dancing together. Yes, this goes for beautiful, showy costumes and colorful dances and it all looks good. But what about people who may be visiting and maybe aren't dressed as colorful or maybe colorful but not in the same colors? A new graduate may be there who still hasn't danced with anyone in these "pat" squares as you might call them. How about visitors who come to dance and want to form a square but no one makes an effort to make up a square with them so it looks like they are definitely outsiders.

Welcome new club members!!! I know you must have felt at times you would never learn to square dance. I also know you probably went away from your classes thinking Bill Bishop had no right to yell at you the way he did, but see what great dancers you turned out to be? We take pride in welcoming to our club these most recent graduates and want to thank the new members for the help they are now giving to our new class which is now in its fourth week.

It's nice to see all our sick folks are well and back dancing. Dot Landiss is looking great. Fanny Walker is still under doctors orders not to square dance. Hurry and get well, Fanny!

For anyone who went to Wolfson looking for the ALLEMANDARINS on Friday March 19th, sorry we missed you. We apologize to anyone who did go there and found there was no dance. Because of a dance the school was having we had to dance at Philips Highway Plaza. We will be back at Wolfson from now on.

It is very important that ALL club members be present at our next TWO club meetings. The first one (March 21) at the Englewood Home Demonstration Bldg. on DeKalb St. we will nominate club officers. Then at our April 18th meeting held at the same place, we will VOTE on the nominees. PLEASE!! Make every effort to be at the meetings. If you do not attend, then don't complain about who gets elected. (or not elected)

Now we know this condition does not exist in our area, does it? But suppose - just suppose - it did, what could we do about it? Let's stop and think and maybe we'll make better dancers, better clubs, better relationships and better people all around. Let's go to dance and have fun with everyone. Sure, go to far away places with your groups but when you get there make it a practice to dance in lots of squares with different couples. Let's see if we can keep this a friendly square dance city to everyone. Let's show visitors that they are welcome and new graduates that we really want them and they will want and have the desire to stick with square dancing.

WESTERNAIRES - More Knotheads

1st and 3rd Saturday, Westbrooke Community Ctr.  
Callers - Tom and Mariann Hidding (771-6272)

Visitors this past month included Dannie and Gertie Hastings from Woodland, Maine; and Fred and Ruth Morgenroth from Greensboro, N.C. And STARLITE SHUFFLERS, GATOR PROMENADERS, PAXON PRANCERS, JUBILEERS, FRIENDLY FROLICS. We enjoyed having you and come back soon.

February 27 was our Knothead trip to Eau Gallie. The MISSILE TWISTERS were the host club and we had a very enjoyable evening. It was a combined effort between members from CALICO SWINGERS and WESTERNAIRES and 26 made Knothead.

March 13 we visited WESTERN CUTTERS and retrieved our banner. Chuck Durant was great as always.

See you at our next dance.

Jeanette DiLoreto, reporter.

OCEAN WAVES - Jerry Sexton

Thursdays, 7:30 to 10:00 p.m., Community Center  
North Second St., Jax. Beach  
Caller - Elwood Sexton  
President - Richard & Bess Pittman (249-9792)

Congratulations are in order for Jerry Sexton -- lets just say she is another square older. Our club, under the expert supervision of Mary Ann Petrik, our hospitality chairman, sprung a surprise birthday party for our caller's taw at our weekly dance, Thursday, March 18th. Complete with cake, the women really did a fine job. I know Jerry thanks you all as well as the men, we'll eat that good food any time. As surprised as Jerry was, some of our members were just as surprised -- you see, you can't afford to miss a single dance night.

Mariann and Tom Hidding visited with us a week previous and brought along a couple that had just graduated with their class. Both Mariann and Tom called a tip or two and we hope you all will return real quick. We know Tom and Mariann are real busy but Tom and Linda Murray, you just hurry right on back, it was great fun.

The OCEAN WAVES has a banner to be stolen, who wants to be first?

Our class is really shaping up! They really keep us on our toes. They are an enthusiastic group and the local clubs are really going to be seeing a lot of them after graduation, which will be around the first of June -- they just won't sit down, great!

The club members received their badges this month and everyone looks just great sport'en 'em -- we'll be first class yet.

Our president, Dick Pittman has called a meeting for the first Thursday of April and all members are reminded and urged to attend.

GATOR PROMENADERS \* Learners Hoedown coming

Fridays, 8 p.m., Forrest High School  
Caller - Bill Camp (388-3889)  
President - Gene Wythe

In our report last month we mentioned plans to graduate our class on Friday night, March 5. Well, we did it on schedule that night and everybody had great fun. We had a delicious pot luck supper, enjoyed a few skits and awarded prizes. The new graduates joined in dancing with the club members and made a highly creditable showing. Needless to say they were cordially welcomed into membership as GATOR PROMENADERS.

Incidentally, the first Friday night in March marks the completion of one year of dancing in the Forrest High School by the GATOR PROMENADERS. This has been a wonderful year for all of us and for our genial and able caller, Bill Camp. We are all grateful to those who aided us in securing this desirable location.

Our attendance has held up real well all through last fall and winter and we expect it to continue so on into spring and summer. Our dance hall is ideally heated and cooled and there are not many places to go where you can be more comfortable. Therefore, things look real good for the future. The recent graduating class swelled our numbers somewhat so we should have no difficulty in maintaining five to seven squares on dance nights.

As the result of several requests from callers and learners, the GATOR PROMENADERS have decided to join with Bill Camp as co-sponsors of another Learners Hoedown at Forrest High School on Friday night, April 16 from 8 till 11 p.m. The cost to adults will be \$1.50 per couple. For children the charge will be only \$.50 each. So you learners can bring the children and come on. All callers and learners are invited as well as regular old line square dancers. All callers are invited to come and help call. The experienced dancers usually have as much fun at these hoedowns as the learners. The hoedown we held in December was a huge success, about 20 squares participated. We expect more this year - about 10 squares from out of town have announced plans to attend. Make your plans now to attend on April 16.

FRIENDLY FROLICS - Get ready and shape up.

1st & 3rd Saturday, Philips Highway Plaza  
Caller - Bobby Keefe  
President - George Ephrem

We are quite proud of our class members who graduated March 6. Everyone had a lot of fun as the graduates went through the 'ceremony'. They were very good sports and had lots of fun too.

By the way, we have a brand new class starting Tuesday, April 6th. Bobby Keefe will be teaching. So, let your friends, relatives and neighbors know and then bring them.

Continued - FRIENDLY FROLICS

We appreciate all the visitors we've been having lately and hope they are enjoying dancing in the new larger hall as much as our own club members. A lot of work has already been done and more is being done to improve the hall.

Several of the fellas in the club have let it be known that they will be competing at our April 3 dance for the coveted title of Mis Friendly Frolics. The reigning Mis Friendly Frolics, Don Michelin, will be traveling up from South Florida to relinquish the crown to the new winner.

By the time you get this our business meeting will be passed, but we're really enjoying the combination covered dish suppers and business meeting.

Get well wishes go to Les Spring in Memorial Hospital.

Remember, we're looking for you in a square.

FUN & FROLICS plagued with illness and injury

Monday nights, Woodstock Community Center  
Caller - Jack Griffiths

Due to sickness of our members, we have very little news for our column. George Williams has been absent for several weeks as he had eye surgery. We surely have missed him. Susan Connally had the misfortune to injure her knee and has not been able to square up with us. Gladys Griffiths is home from a recent visit to the hospital. Hope all these folks make a quick recovery and will be back dancing soon.

Last Monday March 15th we had the opportunity to sponsor a dance called by Johnny LeClaire from Wyoming. Our hall was filled to overflowing with local and out of town dancers.

JUBILEERS - Class Graduation, Purple Hearts and Kissin Cousins!

1st & 3rd Fridays - St. Luke's Episcopal Church on University Blvd., North  
Callers - Harold Pillmore & Dick Goedert  
President - Elton & Doris Turner

Once again, Harold Pillmore has made it plain that he is the bestest square dance instructor there is! On Friday the 5th, Harold awarded diplomas to five of the best class member couples we have ever seen.

Only five couples, but the JUBILEERS feel that the club is real lucky. Congratulations to the new graduates and welcome to square dancing!

We had a ball during the graduation "exercises" and we found that the new couples are good sports as well as fine dancers.

We really enjoyed the DIXIE CHAIN GANG'S St. Patrick's dance and a bunch of JUBILEERS really earned their Purple Heart badges by dancing with Harold Pillmore, Bill Bishop and James Maxey. Anita Genung, Genevieve Fipps and Doris Turner are proud to earn the purple hearts but they feel that they earned a much higher award and a lot of people agree with them.

A couple of our new members have already earned their KK badges with Harry Null and Wilton Fipps. Marge Ford and Anita Genung were the eager girls. On second thought, maybe Harry and Wilton were the eager ones. Or, maybe it was 50-50!

Other news (as usual there is good and bad) is that Harold and Pete Pillmore have a new home which they are very proud of and we are proud for them. Several JUBILEERS have been ill, but we understand that Jean Kippel, Sue McLeland and Roger Fischer are much better. And our sincere sympathy goes out to Bill McLeland who lost his father a few days ago.

The WESTERN CUTTERS picked up their banner last night so as of now, we are fresh out of banners, including our own, but we are coming after it and others during the next couple of weeks!

We've had a lot of visitors lately but we hear that some don't know how to find us on our 1st and 3rd Fridays. Just drive out University Blvd., North to St. Luke's Episcopal Church, just past Jacksonville University, on your right going North. Its the building just behind the church. We try to have a lot of fun and we welcome all visitors! See you at our next dance or at least the one after that!

GOLDEN ISLES SWINGERS shifting into high gear

2nd, 3rd, 4th Saturdays, City Recreation Bldg.  
Brunswick, Georgia

Caller - Dick Barker  
President - Vernon & Faustelle banks  
(912/265-2522)

We now have new club officers. Our thanks to the outgoing officers who have served us well, and kept us going in spite of periods of poor dance attendance. Perhaps the highlight of the dancing activity during their reign was the October NEFSDA Fifth Sat. dance.

Our new officers were elected and installed at our March 13 dance. These are the first to be elected under our new by-laws placing

the term of office at one year. They are: president, Vernon and Faustelle Banks; vice president, Charlie and Monikor Jones; Secretary, Grace and Jimmy Moore; Treasurer, Chris and Bobby Powell; Historian, Joan and Russell Dees. Gene Williams has been asked to serve as reporter. So, be careful or you will get your name in the Grapevine!

Since our last report our visitors have been few. One couple from Key West dropped by and appeared to have overlooked our guest register. During February one couple from our club visited the 441 Club and danced to Ron Schnieder, then journeyed on to Pensacola to join friends dancing to Dave Taylor.

At 9:45 a.m. on March 13 we kicked-off the local St. Patricks' Day parade with an hour of activity which brought foot tapping feet and clapping hands from the large crowd gathered around the Green Square. This was our third annual appearance and we now seem to be a fixture on the program.

On April 10 Dick will be calling for our Savannah friends in Savannah. Someone asked "who will call our dance" and the answer came - "let George do it", So, George is going to do it. George Watson, that is! George, Son-in-law of our new president, calls for Kennesaw Mountain Cloggers of Marietta, Ga. George and his lovely Taw have visited with us several times and we now look forward to having him as our caller.

Jimmy Moore's Class will graduate on March 30. Sorry, we don't have more details to give at this time. However, we want to give these new dancers an interesting "graduation" and a warm welcome to the world of Square Dancers.

The new class is forming slowly. We need help to locate students and lead them to the YWCA class room on Thursday evenings.

April, May and June will slip by before you realize, and that time will be here - July 9 and 10!! Dick Barker and Cal Golden at the Aquarama!!! Let's prove what publicity and person-to-person advertising can do - we want at least 40 squares.

We will not host the Fifth Sat. dance in May after all. It seems that, through error, two clubs were expecting this honor. Being considerate as we are we agreed to host the Fifth at some other time. But watch the Grapevine for the place and let's support the May dance in Jacksonville.

Gene Williams, reporter
