NATIONAL CONVENTION NEWS

Are you planning on the trip to the National Convention in Memphis, Tenn., June 26, 27, 28, 1980?? If so, this news is for you.

The Northeast Florida Square Dancers Association voted to wear the 1979 state convention costume (if you have one or want to make one) in the "grande marche" on Saturday night -

check the time & place when you get to the convention. Normally, the lineup is alpha-beta-gamma, the costume in case some of you don't know, is the beige with orange, lemon & lime ribbon trim. The men will wear dark green trousers with a western shirt of either, orange, lemon or lime (your choice).

This shirt is a change from the beige ruffle shirt that was worn at the convention. The girls petticoats are multi-colors of orange, lemon & lime, but you may wear either a solid color of orange, lemon or lime (you probably have one of these colors already & won't need to purchase one). We would like to see a lot of Northeast dancers turnout for this march & make Florida stand out in a lot of citrus color! We will carry our banner (hope to have 3 people dressed in our orange, lemon & lime to carry the banner).

The National Convention is a lot different from your state & local festivals & we would like to let you first timers be informed as to what to expect... so if you have questions that need to be answered & would like to have a meeting set up sometime in May, let your feelings be known by phoning: Frank & Frances Smith - 724-8590... George & Judy Garland - 246-7267 or Jim & Mary Jo Wright - 246-8497.

We will all be happy to help you. Please get the information you need before you go, as we don't want you to spend your time at the convention seeking information! There is a lot of activity besides dancing & you will want to get as much for your money as you can. Lets all cooperate & put "NEFSDA" on the map!

NOTE: If you are going, phone one of the above numbers & give your name & motel where you are staying. We would like to make a roster of all who are attending... (this will be available before we leave, to all who are attending).

HAPPY HOOFEERS
FRIDAY APRIL 18th will be our last club dance at which time our club will be disbanded. We have for sale a 100 cup coffee pot and also a 35 cup coffee pot. Anyone interested in buying these call 757-8420, 751-1725 or 757-3575. Thanks to all who have supported our club in the past.

1980 Florida State Convention

HIGHWAYS TO FRIENDSHIP - The 27th Florida State Square & Round Dance Convention will be held May 23, 24 & 25, 1980 at the Lakeland Civic Center, Lakeland, Florida. Admission for dancing will be \$7.00 per person. Registrations can be sent to P. O. Box 4802, Hialeah, Florida, 33014. This year's convention promises to be one of the best we've ever had. The committee, with Alan & Bert Ashcroft as chairman, Jack & Carolyn Lasry from the Florida Callers Association, and Fred & Louise Hornung from the Round Dance Council, are planning a varied program to provide something for all dancers. The Lasrys have scheduled workshops and dancing for all level dancers. The Hornungs are planning to meet the desires of all round dancers. In addition, they are planning to hold a clinic for all who might be interested in becoming round dance callers. Our callers will not be forgotten. They will have plenty of dancing & workshops. Coupled with the excellent set-up by the chairmen, is a series of exhibitions, after parties, etc. There is no way you can miss having a good time. Last, but not least, for the ladies we hope to have a fashion show. There will be a full compliment of vendors, to fill your square dancing needs. Come join us -- our theme is "Highways to Friendship" -- we're reaching our hands out to you. Remember, the cost for ribbons will go to \$8.00 per person on April 1. We look forward to seeing you -- your hosts this year are the members of the Southeast Florida Square & Round Dance Assoc.

For the quarter beginning April 1, 1980, the CALLEHLAB Quarterly Selection Committee has selected on new figure for use during workshops at Mainstream Dances. The figure was Co-authored by Lee Kopman and Dave Hodson and is called LINEAR CYCLE. The definition has been reworded to conform to Mainstream terminology and has been reviewed and approved by one of the Co-Authors. While the definition appears and is described for right handed waves and for some groups, it can also be used in other variations. For most Mainstream clubs, however, we encourage the right hand wave version.
