FROM THE PRESIDENTS DESK

Summer vacations are just about over & we look forward to a big start with square & round dance classes to begin. We need to start advertising for those beginners..The Grapevine will publish a flyer with all classes listed & will distribute them over the city. Hope you clubs got your listing in to the Grapevine.

We had a GREAT State Convention & we are all so proud of the NEFSDA exhibition groups!..they did SHINE at not only the beautiful routines, but the costuming, which showed that a lot of work had gone into the whole routine.. Team effort..thats great!..

Election time is upon us & we hope all you delegates will give some serious thought about taking an office & helping to make the NEFSDA a better organization with each coming year. If you have gotten happiness out of square & round dancing, try to put some work back into it & you will get even more in return..Things don't just happen..we all work to make them happen..

5TH Saturday Dance coming up..lets all attend & have a great time together..

We were all saddened by the death's of two area friends..Mariann Hidding & Susan Hendrix..Our sympathy to Tom, 'Lil Tom & Dorothy & to Joe & his young daughter..They will both be missed.

Northeast time for State Convention will be 1979..We will be asking for workers & hope everyone in NE will do their share & make it a GREAT one!

"TAKE WHAT YOU WANT OUT OF LIFE, BUT PAY FOR IT"..

THANK YOU

Words cannot express the feelings one has, when so many good friends try to make the time easier, when confronted with the death of our beloved Mariann. Many, many thanks to ALL who sent cards, flowers, food, phone calls & with "just being there".

IN MEMORY OF MARIANN HIDDING

Mariann left us on June 19, 1977, after her battle to overcome illness..we have lost her only because I can no longer see or hear her, but to those of us who loved her, she will always remain in our hearts & minds. Her warmth, generous spirit, friendliness, dedication, loyalty are bright spots in my memory of her. Little did she know in 1974, when she first contacted the square dancers to donate blood for me & through her efforts laid the ground work for the NEFSDA BLOOD BANK, that she would need to draw from this bank to help in her fight to survive. To me the NEFSDA BLOOD BANK will be a living memorial to Mariann, because she cared enough to want to help when help was needed. Her never ending effort to help us master the Basic movements of Square Dancing. I feel I'm a much better person for having known Mariann & when my time comes to leave this world behind, I hope I'll be able to join Mariann's Square in the big Square Dance Hall in Heaven.

With Love & deep regards,

Martha McKain

EDITORS NOTE: Thank you Martha & I'm sure when everyone reads this it will sound as if it were written by us ALL.

IN MEMORY OF SUSAN HENDRIX

Death came to Susan at the young age of 28 years. She worked very hard for square dancing from the beginning of class & into club functions. She was Past President of Gainesville Square Dance Council, 1ST President of Gil T. Squares & Charter Member; She & husband Joe were Delegates to NEFSDA from Gil T. Squares for several years & were on the Fall Round Up Committee for 1976, & even with a baby soon to be born in February (a lovely little daughter, born Feb. 14, 1976), she did her share of the load by being Hospitality Chairman. We will all miss her sweet smile & friendliness..Our sympathy to Joe & their Baby Daughter.

GIVE TO OUR BLOOD BANK

ANNOUNCEMENT

July 8, 1977, I retired from calling & teaching square dancing, but Nora & I will be glad to dance in your square anytime. We have spent over 26 years dancing & I have called for over 25 years. I have had the pleasure of calling every Friday for the Gator Promenaders & on Wednesday for the Belles & Beaux. It has been my pleasure to be a charter member & president of the Fla. State Callers Association, a charter member & president of Gateway Callers & a charter member of the NEFSDA. It also has been my pleasure to teach several hundred people to dance & enjoy happiness & satisfaction of making new friends. My years of calling & teaching will always be outstanding years in my memory. My deepest thanks to all who have had a part in making this so.

FRIDAY - HIGHLAND JR HI SCHOOL
CALLER - JOHN ROBBINS
PRESIDENT - BOB ZANDER 786-4126

Our caller, John & Donna Robbins have been on vacation soaking up the sun in the Bahamas for the last 3 weeks. We would like to thank our guest callers Matt Wimpee, Dick Goedert & James Maxey, who called for us..we enjoyed having them very much.

During August we will be dancing at different locations, due to school being closed. We will welcome all you visitors & can call our president for instructions on where we will be dancing. We'll be back at the school on Sept. 8,

The Happy Hoofers are glad to say we had a square of dancers go over to the Merry Mavericks to steal their banner. The couples that went were The Robbins, Zanders, Dexters, Joyeusaz & Doggetts (with a name like that, you can tell they are in the dog grooming business).

We are looking forward to putting on our first campdance. We welcome all to come.

SATURDAY - 1-3 JAX HGTS. ELEM. SCHOOL
CALLER - JAMES MAXEY
PRESIDENT - NORM & JOYCE FARRELL

264-4359

A lot of events have taken place since our last report. The most important to all Merry Mavericks was the Presidents Ball. The huge success was primarily due to the support given us by most of the area clubs. The Merry Mavericks would like to say THANK YOU! to everyone & we hope to provide an even better dance next year.

Another event that took place was the State Convention & the Merry Mavericks were well represented. Everyone had lots of fun, especially carrying our banner in the grand march on Sat. nite.

We had a business meeting & BB Que Dinner on June 12..the meeting was highlighted by a very fine film on the History of Square Dancing. By the way, that film is available for viewing through the NEFSDA & is well worth seeing.

The Merry Mavericks were represented at the 26TH National Convention & it goes without saying that everyone had a ball. There was more square dancing than we had time to talk about.

We have enjoyed having all our visitors at club dances & hope you will keep coming. James is making the 3rd tip of each of our club dances, a workshop tip, in order to improve our dancing & stay current on quarterly movements.

Thats all for now, see you at a dance.

Our May Pole Dance was lots of fun for those who came. For those who went to the Bicentennial Plus 1, there was fantastic calling by Buddy Allison, Bobby Keefe & Elmer Sheffield. Everyone seemed to have lots of fun.

We are dancing Mainstream-Plus & we welcome everyone. See you in a Square.

4TH SATURDAY WEEKEND
CALLER - TOM HIDDING & GUESTS
PRESIDENT - RAY MONTEAN 781-5980

This will undoubtedly be the hardest news to write..words cannot adequately express our deepest sympathy & affection to Tom during this time. Mariann meant so much to each of us. The Chapel & Church were just full of Square Dancers & it was such a solemn & sad occasion. Mariann was such a devoted & dedicated caller & gave so generously of her time. We are deeply grateful & will long remember Tom & Mariann for the kind & generous dedication to us.

We will not camp out in August..we will attend the Knothead Konvention in Tampa, camping at Spanish Main. We will be at Disney World in Orlando in September, camping at Sherwood Forest in Kissimmee. We will not camp in Oct. We will be at Tampa Fairground in Nov. For the State Camporee. We will camp at Ponderosa in White Springs, the 4th weekend in Nov. We expect to have 6 attending the National Camporee in Elkhorn, Wis. in July & hopefully bid for the National at Tampa Fairground in 1979. The Chamber of Commerce is doing their bit by loading us down with literature from our State.

Our Ichetuckee trip was great. We had 31 rigs camping at High Springs & several new members joining & we welcome them & we appreciate Bill Chestnut from Gainesville, calling for us at a moments notice. We had 11 squares on the floor..the men did a great job on the pancake breakfast Sunday morning. We had a nice turnout for Sunday morning Worship Service. We are looking forward to the next trip to Holiday Travel Park in Leesburg & anyone needing to make Knothead, can do so on this trip.

So until next time..someplace..somewhere..Happy Dancing & Camping from Drift Around Squares..

Shades of Summer & in the interim of passing time, our members have been dancing everywhere from Lakeland, at Florida State Convention to Atlantic City, N.J. at National Convention & back on down to Nashville, Tenn. & then to Jekyll Island & back home again.

At our last dance we bided a fond farewell to Pete & Judy Armstrong, who so very capably led the Oceanwaves & now we welcome Larry & Frances Duck as Presidents; Carole & Woody Kniseley as VP; Virginia & Herb Herberg as Secretary; Evelyn & Bob Motel as Treasurer; Jim & Mary Jo Wright as NEPSDA Delegate..so we are all in good hands. Its sad to say farewell to nice people & good friends..

We all look forward to Happy Times, but sometimes sadness creeps in & we can't always control it..as a club we were all saddened by the death of Tom Hidding's, lovely Mariann, but we are sure that in her love for square dancing there will always be a place on the floor for her when the caller says "Square up & face your Partner"..

We welcome new members: Harvey Hartley, Marj Priddy & Bob & Betty Cribb..we hope to have more shortley..

Our Georgia friends have been down to dance with us & we really enjoy having them as they are fun to be with & they prove it whenever we visit them..

For upcoming events, see all the flyers & try to support the clubs with all the Specials..Knothead is coming up & that is always a fun time.

In spite of the hot, humid weather, the dancers have been squareing up so with hopes of cooler weather in the offing, lets look forward to good fellowship, happy times & dancing feet, not only with our own club members, but also members of the other clubs in our fair city & thereabouts..

As is usual, in mid-summer, square dancing sort of dwindles down more & more as couples depart on vacation to other areas, so we reporters are hard put to find interesting items to write about.

Several couples have taken extended vacation trips..The Reitermayer's attended the National Convention & did more touring in New York & Northern points..The Thompson's & Brinkley's toured New York & the New England States..The Hart's visited Yellowstone & other Western States..they all report cooler weather & an enjoyable time viewing the scenery & the arts & crafts displays in the various locals..

We had election of officers in June: President-Bill & Sally Thompson; VP-Ken & Marie Coleman; Treasurer-Bill & Marge Reitermayer; Secretary-Warren & Jackie Hart; Banner stealing-Dan & Dot Kayser; Refreshments-Jack & Irene McCollum; Camping-Gus & Dane Ruser.

Our Fall class will start the 2nd Monday in September & we are making preliminary plans for our Camp O'Leno

Hoedown in November (see flyer). Hope you will start making plans to attend.

Square Dancing in this area has suffered two great losses..Mariann Hidding, well known caller & Susan Hendrix of the Gil T. Squares, representative in NEFSDA & active in Fall Roundup. They will be greatly missed & our deepest sympathy goes out to the families of both.

MONDAY - WOODSTOCK COMM. CENTER
CALLER - JACK GRIFFITHS
PRESIDENT - RAY MONTEAN 781-5980

These hot summer months certainly do not inspire very much enthusiasm for S/Dancing, but we have still managed to get in some good times. Our June covered dish supper was well attended & enjoyed by all. We were delighted to see so many of our camping friends-The Winchesters, Pauls, Cains, Lowerys, & Hawleys; also it was great to have Bill & Ruth Fleshman dancing with us & giving a round dance exhibition. Oh, I almost forgot what fun we had at the State Convention in Lakeland in spite of the rain & sound problems. Our club was well represented in the regular dancing as well as exhibitions. We thought all the exhibition groups were very good & the cloggers were certainly lively..they made it look like great fun!

Fun & Frolic members were very saddened by the death of Mariann Hidding & extend sympathy to Tom & family. Mariann will always be remembered & loved by those of us who knew her.

The Mayes & Connallys report a great time at the National Convention & the Registers had a wonderful time in PARIS! We are glad to have them back.

We will not dance the last few weeks in July, but hope to be back in full swing the 1st of August. Our next covered dish will be Sept.12..come join us..

Time again to say Hello!

Deadline time is breathing down my neck, so had better get a few lines in, from up here in Yulee. We've enjoyed our visitors who help fill our squares. Even with vacations, we've had a nice turnout on these hot nights.

Since our last report, Doc & Anna Allen have become Grandparents of a beautiful baby girl..congratulations!

Frank Clements called for us while Art & family were out of town. Its always a pleasure to see Frank & Aggie & to dance to Franks calling..also gives our newer dancers a chance to dance to other callers..so thanks Frank for a fun evening.

Our club members attending the Presidents Ball had a good time..a nice crowd..the highlite of the evening was an exhibition by J-Ville Cloggers..Sara & George Miller won a beautiful handmade quilt with square & round dancers on it. The same night the exhibition squares performed at Robert Meyer Hotel..Our own Bob & Libby Lowery took part in it.

One of our members, Gene Osby, will enter St. Vincents Hospital on July 30 for open heart surgery, so remember him in your prayers & with cards..its a great moral booster to receive cards from people when you are in the hospital, even if you don't know Gene, personally send him a card & say Hi, I'm a square dancer, too!

We had a few members on the sick list, but all are O.K. now..

When you donate blood for NEFSDA BLOOD BANK, remember not only are you helping you & yours, your friends, but also fellow square dancers. If you haven't given & can donate, please go by & donate..lets keep the BLOOD BANK active!

Vacations started a little early this year & we are hearing about them..The Camps went to Maine, Nova Scotia & back home..Bill & Charlotte spent time in Mass. & Gordon Taylor toured the New England States..Donny & Cindy Miller took a trip to St, Louis..The Drift Around Squares made several trips..good fellowship, food & fun is always on hand for these rovers..Sara & George Miller have gone to the Carolinas.. Earl & Alma Howell are camping at Anastasia Island..Hazel & Russell Dowling have mapped out a trip to Plains..they plan to see Billy Carter..then on to Vidalia to buy some onions & camp around in the state parks..Dr. Joe Mitchell attended the National Square Dance Convention in Atlantic City..Wilson & Jewel returned from 3 weeks on the West Coast, spending time in Canada & covered 8 states. The Camps returned with good news & bad news..Bad news was Bills retiring from S/D Calling..good news is they are planning on staying with their clubs & continue to dance.. we are one of the lucky clubs.

For the time being, we're back dancing at the elementary school in Yulee..the air conditioner went on the fritz at the jr. high..so come by on Tuesday & dance with us.. Happy Dancing..

— Our Thanks to Dick & Darryl —

A terrific Florida State Convention! Our special thanks from Northeast to ALL the workers who made this "one of the best"! Northeast Exhibition Groups did an outstanding performance on Friday & Saturday nights..they all deserve a "job well done" ! By the way, they are all still active..it didn't stop..they will continue..so if any of you would like to get in these groups (SQUARES-ROUNDS-CLOGGING), call us & we will get you in touch with the right parties..

We came home long enough to wash and load the van for our trip to New Jersey & the National Square Dance Convention & what a trip! First stop was Rocky Mount, N.C. & dancing with a local club, with caller Pete Stark. A great bunch of friendly folks and great "Southern Hospitality"..Up early the next day with a scrumptious country breakfast (we even made it a point to stop here on the return trip) & off again to Washington, D.C., where we joined up with The Smiths and Wrights (I neglected to say, The Blackfords were with us..Wayne being navigator..George was pilot, but says he was only at the wheel..Barb & I were driving!..NOT TRUE!)..The party in the Motor-Home seemed to have problems finding their way as they crossed the Potomac River 5 times before finding their way to the Pentagon.. where we had a special dance with a large group of Georgia Dancers..like old home week..Rod Blaylock & Bob Bennett called a terrific dance & Barb did some of the round dance cueing.. Also got a chance to visit President Kennedy's grave site.....

Who was it that said "Lets get up at 4am & head for N.J...so we could get out of D.C. alive & without any wrong turns!!"..that couple in the Motor-Home wasn't taking any chances..they left right after the dance & were on their way to N.J...

In Jersey, we arrived all safe & sound & met up with all the Jax dancers.. we had all made reservations at the same hotel..The Bali..a mix-up in the sign-in cards put us in Blackford's room & then in Garland's room, which got a little confusing when phone calls came in for either!..It was a great convention..met a lot of new friends, old friends, danced, attended seminars, worked on the showcase (Northeast had a beautiful display along with other areas in our GREAT STATE..) Attended a special Georgia after-party..wall to wall dancers.. The Georgia bid session was very special to all of us & the committee did an outstanding job in presenting the State of Georgia..but lost to Washington state in the bid for 1981.. Next time..all in all it was a great

experience for all..the Georgia Peach was seen everywhere & they were beautiful in the BIG GRAND MARCH..Georgia State Convention coming up in September, so if you want ribbons..call the Grapevine & we will see that you get them..

Convention was over in such a short time & we headed back to Florida in a different direction..we weren't getting in "a state" on the way back..Came down by the coast & Chesapeake Bay Bridge-Tunnel..a beautiful drive..our navigator decided he would pilot for awhile.. seems now he is looking for a Van!

Made it back to N.C. line & up early the next day to get back to Florida.. Had that same country breakfast & back on the highway, where we met up with George Hinkel..a little CB talking for a few miles..Made it home by dark, a little worn out, but we do it again.. it was great fun..we did enjoy!!

After a couple days of rest, we attended the Bicentennial Plus 1..a terrific dance..calling & cueing was The Best.. Enjoyed being with George & Eileen Eberhart again..they were visiting between Rain Bow dance vacation's..

Next stop was Jekyll Island Festival, where we presented "our Trophy" to our good friends & fellow dancers, from Waycross, Georgia, Billy & Iva Jean Ross. We received a beautiful plaque in place of the Trophy..This is one of the nice things that happen in square dancing.. Thank you Dick & Cal !!! Thanks to all the Campers for the great breakfast & dinner we had at the camp ground..Square Dancers are STILL the GREATEST PEOPLE IN THE WORLD!!

A trip South to visit our daughter & have her "Poodle-Sit" while we attended Citrus-Land in Lakeland..a Beautiful dance & outstanding calling & cueing..

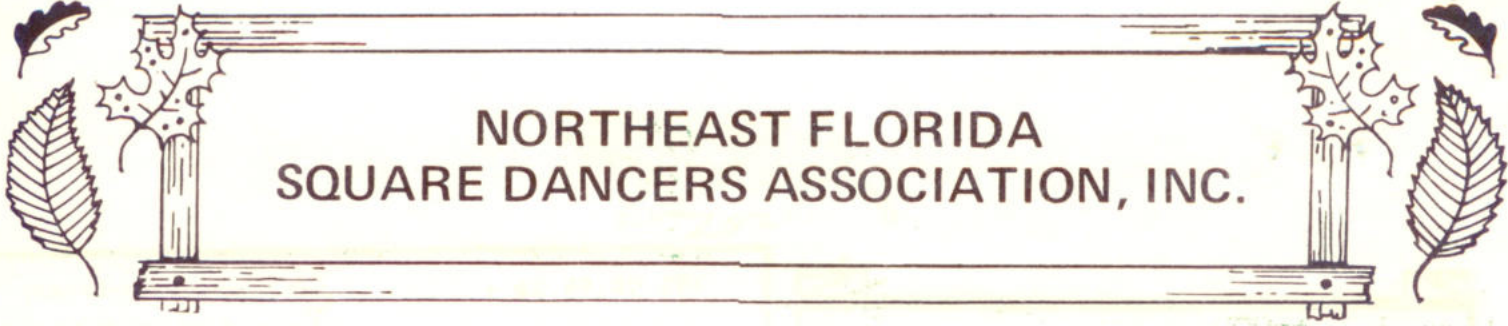

By this time the heat had gotten to us, so we headed North to the N.C. mountains, ..just visiting, this time, we thought.. took along a square dance outfit, just in case..Visited our older daughter in Cullowhee & then to Asheville for a visit with parents & you guessed it..we found a square dance..was like old home week again, as the club was made up of our school-day friends..we even recognized each other..after how many years?

Well, back home & here we are rushing to get the Grapevine in your mail box.. Hope you all had as great a summer as we did..& hope this has put some enthusiasm in you to "GET OUT & DANCE"..Its the GREATEST HOBBY there is!

Read all the flyers for events..& get those new dancers for classes..if we can help with information, please call..

We loved you Mariann..
