DECEMBER 1975

Throughout the world all are filled with gladness. It is the birthday of Our Savior... the Lord. Hearts and souls are rich in love resounding. Choirs sing hymns of peace and joy. As the glorious season wraps us in peaceful thoughts and true reflections of the first Holy Night, let us pray that this is the way it always will be. That everyone, here and the world over, will find time for understanding. Our Christmas wish is that you and your loved ones will share this season's blessings, now and in the days to come.

SATURDAY - 2-4 500 N.E. 2ND AVE.
CALLER - GUESTS
PRESIDENT - R.J. & JOAN HOGAN

It has been some time (about 5 years) since this reporter has put a column together. A habit broken is not easily restarted so I have been looking at a blank paper for some time, as time is short, here goes.

We were honored on Nov. 15, by the visit of NEFSDA Officers, Frank & Frances Smith, George & Judy Garland & Ken & Jeanette Shoultz. We were fortunate on a cold & blustery evening to have visitors from Ocala & others from Jacksonville. Bill & Nora Camp with a group & Bobby & Joanna Keefe with a number of Western Cutters. You can check with Joanna about that cold & blistery evening, no heat in the car! Frank Smith got to take the West Coast's "Footprint" back to Jacksonville. After giving one to Ernie last Saturday, he thought he was through..news for you, Frank, there are 5 of those around the State.

A good wood floor, perfect timing, good friends & challenging basics by Deuce Williams..what more could one ask! Deuce went real high up the list of basics & extended just over 50 out of about 80 ..a couple of Checkmates & Co-ordinates but no one left..noticed Bill & Bobby in conversation with Deuce, so some of this may show up around the area dances.

We are very sorry that on their first visit to 441, Ruth Brown became ill & she & Ed had to leave..if you forgive us Ruth & come back, I promise not to talk about Knights, Bishops & Pawns, when you ask about Checkmate!

To all of you from all of us, "A MOST JOYOUS HOLIDAY SEASON".

SQUARE DANCE CAMPOUT

There will be a Square Dance Campout at the Bulow KOA on December 12-14, 1975. To get there, take I-95 South to Fla. 100, go east on Fla. 100 to the first traffic light & then go right to the campground. The Campground is giving us a special rate of \$7. (up to 4 persons) for the weekend. There will be a small charge for each person over 4. There will be dancing Friday & Saturday nights. There will be a covered dish supper at 6 pm on Saturday.

We have been working for the past few months to organize a chapter of the National Square Dance Campers Association in the area & now we have enough people signed to form our chapter. This campout will be our formation weekend.

Anyone joining this chapter or those who just want to visit with us, will be truly welcomed.

For further information, contact Joe Sullivan at 772-5330 or Don Hughes at 264-3948.

FRIENDLY FROLICS

SATURDAY - 1-3 IBEW #177 UNION HALL
CALLERS - GUESTS
PRESIDENT - REX & DORIS JERRIM 744-5727

The Holiday Season is rapidly approaching & the Friendly Frolics will have a program to tempt all square dancers during the Holidays. On the 6 December we will have Jack Lasry who is one of the best. John Saunders will be with us on 20 December & 3 January. Dave Taylor will be with us on 17 January. Mark your calendars for these dances you won't want to miss them.

Tickets will soon be available for our Annual New Years Eve Dance & Buffet Supper. Singin' Sam Mitchell will be the Caller & Edith Reisen will handle the rounds for this & all our dances. Her talents contribute to a well rounded square & round dance program.

Many of our dancers enjoyed the Fall Roundup with Marshall Flippo & Gary Shoemaker & The Easterday's. It was a weekend second to none & the NEFSDA, INC. Committee is to be Congratulated.

Related Congratulations to Jim & Marilyn Stone on their election as Treasurer of NEFSDA, INC.

Glad to see that Ruth Brandt is on the mend & back dancing with us again. Chief & Doris Spivey have been on the road traveling again. Perhaps they will favor us with a travelogue some evening. However we understand Doris has been on the sick list. Hope she will get out from under the Dr.'s care & back on the dance floor soon.

Have you been to the Blood Bank, yet? The NEFSDA BLOOD BANK needs the support of all of us to make it a success. None of us know when we will need to call on the bank for help. Giving blood is a simple & painless procedure so drop by one of the convenient locations & GIVE!

From all of us at FRIENDLY FROLICS to all of you..thanks for helping make our club program a success with your visiting & we hope you have a HAPPY HOLIDAY SEASON.

The Square Saints of St. Augustine Shores held a first birthday party for their club at 6:00 on November 4 at their recreation center. A catered dinner was served. The entire club with the exception of one ill couple attended. Club caller Hayes Herschler acted as M.C. Ed Edson & Sal Palmieri spoke briefly on the short history of the club. Halloween has come & gone & a lot of fond memories remain from our Annual Halloween Dance. Thanks to the many visitors that helped to make it such a success. We are already looking forward to next year.

The Fall Roundup, also, has come & gone & those who missed it, missed a wonderful dance. The only disappointing thing was to see only 3 couples from the Dixie Chain Gang there. With summer over & cool weather here, we are looking for big crowds at all our regular dances.

Our prayers are with the sick & hope you will all be back with us soon. All you visitors keep coming..we love having you!

Everyone seemed to be having so much fun & it was so good to see so many friends..that's such a good time to see so many good people all at the same time..Our thanks to those who made it possible..as always for all the dedicated work involved.

We have enjoyed having all our guests this month, especially dancing to the fine calling of Bill Green from the Navy in Virginia..you all come back...

We have had a few under the weather this month & our special get well to Dot Adams & Frank Sullivan & also Jack Griffiths has had a leg infection which we hope will be completely well soon, as it is a little straineous on the squares & rounds for him.

We hope that each & everyone enjoyed a very thankful Thanksgiving Day Holiday. Now we have Christmas & New Year Holidays to look forward to. I know lots of you have plans already..have a good time & be very careful as we want to look forward to next year.

Those Jubileers who attended the Dixie Chain Gang's Halloween Dance reported it was a very good dance & they had a grand time.

Joe Smith is deer hunting with 2 companions in the Arkansas woodlands.

Everyone is still excited about our first annual reverse dress dance. First prize winners were Marie Taylor & Bob Lowery. The booby prizes were captured by your reporter & Russ Dowling. Now we are all thinking ahead as to what shall we wear next year.

Wynona Hilbrandt retired from Civil Ser. on Oct. 31. Wynona's service of 32 years & 4 months was spent in both Texas & Fla.

Our next covered dish dinner will be on

Sunday, Nov. 23 at the home of our Pres. Bob & Libby Lowery. After that our Dec. meeting will be held at the home of Herman & Minola Hunt.

My spouse's brother, Jim Smith, formerly of Sheiks & Dates Square Dance Club in Dubai, Arabia drove 900 miles from Texas to attend the Fall Roundup. He was accompanied by his dancing partner, Mrs. Nelda Sumerall of Beaumont. The two enjoyed themselves so much that they are planning to return next year. They also plan to attend the National at Anaheim.

Bill Camp's beginner class is progressing beautifully. They plan to entertain the regular club members of Belles & Beaux at their forthcoming Christmas Party. We can hardly wait to learn the final details so we can get our holiday costumes & dancing shoes laid out.

We have cancelled the 5th Wednesday Dance for Dec. in order to attend other local parties.

The Belles & Beaux take this opportunity to wish a warm & blessed Christmas time for 1975 & best wishes for the new year. We hope to see all of you at the Learners Hoedown.

Fall Roundup is over & what a roundup it was..FANTASTIC..Can't wait until next year..A cloud did appear that weekend..Bill & Dot Roberts' son was injured very seriously at his job, but we understand that he is getting along fairly well..I know the prayers of all the Cutters are with Bill & Dot for Bruce's recovery. Gene Sloan was also in the hospital for surgery..he is getting 24 hr care & we hope he will be back dancing with us very soon.

This issue goes to press before our Thanksgiving Dinner & Elections, so will report next time.

We had our steak cook-out on Sunday 16 of Nov. & those who missed it surely missed a great supper & fun evening.

On Dec. 18 we will graduate our class & expect to add over 3 squares to the realm of the Purple People. Cutters plan to be there!

The most important news this month... Cutters will sponsor an Intermediate Workshop beginning Thursday, Jan. 8, 1976 at Forrest High School. (8pm..2 & 4 Thursdays). This workshop is geared to those who have been through basics & need to brush up on new figures. It presents a great opportunity for all of us to review the latest figures..Of course Bobby Keefe will be the instructor.

We understand this will be the last Grapevine issue published by the Garland's. The Cutters would like George & Judy to know how much they appreciate the time, effort & love they gave to this Grapevine. The Grapevine is the most important part of our area & The Garland's have made it the most delightful & newsworthy newspaper in the State. Thanks-again folks!! Until next time.. Happy Dancing.

The Fall Roundup was terrific! The square dancing was continuously smooth to the calling of the "Grand Old Master Caller" & Gary Shoemake. We all marvelled at the intricately quick, talented steps of the Easterdays. I have never beheld such quiet attention, by so large a crowd, to a round dance Demo. The dances they taught were a good mixture of easy, fun & slight sophisticate.

We have really enjoyed a good group of visitors in the past few weeks, but are missing several familiar old faces. We have had an absolute rash of swooning & blushing lately without Carolyn's vapors & some of our hard practised ladies are fading without her husband's leadership..come on back you all..we miss you.

Each & every dancer contributes his own brand of fellowship & warmth which blends to form our Allenandarin Family. & you just don't realize how much dimmer & cooler is this warm glow when you don't come & let your little light shine.

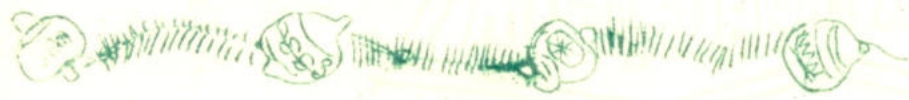

Congratulation to proud caller & taw, who recently became grandparents..we had to do without Dessie for a little while since she had to rush off to see the new grandson.

We have some great dances lined up for forthcoming 5th Friday's..so watch for the announcements.

Remember we have squares & rounds every Friday, so come dance with us..

NOTE: Admission..\$1.50 per adult; .75 age 17 & under.

James Maxey programmed our debut to Jax square dancing society with over 9 squares dancing. We welcomed Belles & Beaux Square Saints, Merry Mavericks, Friendly Frolics & Western Cutters, plus some non-club dancers & everyone had a great time. The Merry Mavericks looked sharp in their new club outfit..they took our "Bucket" (Traveling Banner) home with them..Speaking of buckets, Ray Valentine took a sketch by Jaennie Jordan & made us a terrific badge, which we will soon be wearing. Our club colors are navy & white & Barbara & Jim Bennett were the first to wear the club outfit at the Fall Roundup.

Wasn't Roundup GREAT!! It seems to get better each year. Thanks to the Committee for a job well done!

Congratulations to Hugh & Frances Morrow on their recent marriage. Couldn't have happened to 2 nicer people. Our thoughts are also with the Longino's this past week.

CALLERLAB

In a poll taken recently of CALLERLAB members from virtually every State, Canadian Province & a number of countries overseas, the results showed a strong concern for dancers' needs & interests. High on the list of concerns expressed by the callers themselves is the transition period for dancers from class to club. New dancer recruiting & the need for a study of methods to retain dancers in the activity were also among the existing concerns for callers. Continual improvement, discovering how to find better methods of teaching new dancers & to improve callers teaching techniques showed up on a number of the questionnaires. From these results much of the programming for the 1976 Callerlab Convention will be based on such prime topics as Accreditation on Callers, Reviewing the Mainstream Basics List & Identifying the Various Levels of Square Dancing.

CALLERLAB has 17 active committees; one of these is the New Dancer Committee. Headed by Jerry Helt of Cincinnati Ohio with Committee members from many parts of North America, this group is involved in a major study not only of methods of bringing new dancers into the activity but in methods of indoctrinating them & providing them with a strong foundation of the basics. As in the case of many of the CALLERLAB committees, this particular group is deeply concerned with finding answers to the "DROPOUT" problem.

Melton Luttrell, Fort Worth, Texas heads the Halls for Square Dancing Committee. Realizing that more & more square dancers, teachers & callers will be looking for their own square dance "HOME", this particular Committee hopes to come up with suggestions for building, specifications, floor plans, etc. Several on the Committee, including Luttrell himself, manage their own square dance halls & are in an excellent position to conduct this study.

In recent years CALLERLAB members have appeared as staff members on the National Convention Callers' Seminar. In addition Callerlab members have supported the National by appearing on panels, conducting workshops & as featured callers during the annual events.

QUARTERLY MOVEMENT

For the 3 months period starting Jan. 1976 the Quarterly Movements Committee of CALLERLAB suggests one movement for the mainstream workshops & dances in Jan., Feb. & March, 1976. The single selection is: LOCKIT. The committee after sorting through all current movements decided that this single choice was appropriate at this time. It is

the Committee's hope that all caller-teachers will include LOCKIT in their mainstream dance program & workshops during the coming quarter. Here is the description for this Quarterly Movement selection: The action in LOCKIT can start either in an ocean wave or a two-faced line formation (actually the ocean wave setup is the more acceptable). From an oceanwave, the centers of the wave will do a one-quarter arm turn(hinge) while the dancers on the ends move forward & around as in a fan the top. The movement terminates with the dancers once again in an ocean wave at right angles to the original formation. When LOCKIT starts from a two-faced line the dancers follow the same action with the entire line rotating 90 degrees as the dancers move forward.

Note from the editor: This movement was to be published in January 1976, but since we will not have a January issue we felt it should be in this issue..Be sure to have your club caller teach this!
