FROM THE PRESIDENT'S DESK

We are George & Judy Garland, President's of your Association for the coming year. We have working on the board with us, Ted & June Keiser-Vice President's; Frank & Frances Smith-Recording Secretary; Bill & Dot Roberts-Corresponding Secretary; Harvey & Kaye Gordon-Treasurer. We have a roster of club presidents, club delegates, permanent delegates (past president's) & committee members..this list will be given to all clubs for future reference. We hope to see all club delegates at our meeting on Nov.21..We also welcome visitors at any of these meetings, so feel free to attend..check special events page for meeting date.

Your Association "thanks" all who attended our first square dancers training seminar..it was well attended & very informative..another "thanks" to the panel who took time to research the information they presented. This is just the beginning of future seminar's.

Thanks to the Fall Roundup Committee for making our "23rd" a big one. They will be beginning on next year very soon, so if you want to help in some capacity, let them know.

Our classes in Northeast are progressing nicely..we have been visiting some & hope to get around to all with literature for the class members, so if we haven't visited your class, we will within the next week.

Happy Dancing to all & have A MERRY CHRISTMAS & HAPPY NEW YEAR.

GEORGE & JUDY

FALL ROUNDUP COMMITTEE

Thanks to all who made our Roundup a big success. Now we look forward to next year with KEN BOWER, BERYL MAIN & THE LOVELACE'S..NOVEMBER 11 & 12, 1977.

A special thanks to the dancers who helped with decorations, trips to the airport, helpers on the door & especially to Dixie Chain Gang & Oceanwaves for the after party skits..you were all terrific! All these things take a great deal of time & the more help we have makes it easier on all, so if you are willing to give some time to help this committee, do so!

The Grand March of Clubs was beautiful & hope it will be bigger next year. We were pleased to have Loren & Florence Long, General Chairman of the National Executive Committee, in our Grand March on Saturday night & our own Florida State Convention Committee for 1977 looked great!

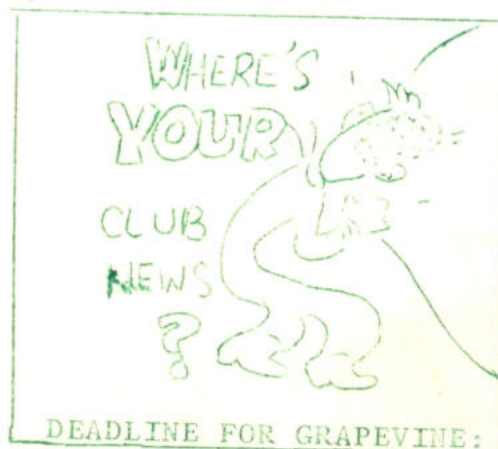

Our program booklet was one you will want to keep for reference & if you didn't attend the Fall Roundup, but would like a copy..it can be had for a small fee of \$1. See your club delegate..There is a roster of NE Clubs, calendar of coming events, officers, past presidents, directory of square & round dancers with addresses & phone numbers & a handy calendar..all in one booklet..its great, so don't miss out.. get it now!

If you have suggestions for the committee, see one of the following:

TED & JUNE KEISER - CHAIRMAN
WAYNE & BARBARA BLACKFORD
BILL & RUTH FLESHMAN
JIM & MARILYN STONE
KEN & JEANNETTE SHOULTZ
GEORGE & JUDY GARLAND - ADVISER

Again many "thanks" to all who helped & attended. P.S. The sound was outstanding Bobby Keefe!!

We appreciate everyone that came to our Halloween Dance & hope you had a good time. Many thanks to the Dixie Chain Gang members for pitching in & making it a big success. Everyone did their own thing in decorating & no professional could have done better. Those who could not make it, missed seeing the "Gooblits". They were so good, they were invited to make a personal appearance at the Fall Roundup. Hope you got to see them there.

Our class on Monday night is coming along fine. Have about 4 squares & everyone in the class is doing so well, they can hardly wait for the next week to come.

We plan to have a fish fry & business meeting at the home of Ray & Liz Valentine. We are so glad that they both have retired & are doing a lot of fishing. We will be planning our Christmas party which will be held in December.

Thanks to the visitors who dance with us & hope you continue coming back.. those dancers that haven't..try us..you will like us!

STARLITE SHUFFLERS

THURSDAY 2-4 JOS. STILLWELL JR HI
CALLER - FRANK CLEMENTS
PRESIDENT - BILL & SALLY THOMPSON

The club has been busily bustling about for weeks, getting things sewn, pasted, scotch-taped & what not put together for our Camp O'Leno Hoedown. Unfortunately, dates cross, so I can't give any details of all the fun you either shared or missed. I'd rather like to think you were in on the sharing. Now, if nature only gets its message down to the weatherman in time - whoooo!

Our class is moving along nicely & our caller, Frank Clements, can certainly be proud of them. I know its redundant, but going through a class is always a bundle of laughs..speaking of laughs, the club took off on a camping trip to White Springs, & like all of our other camping trips, we had a ball.

We are planning to visit the Crazy 8'S this week & thank them & the Merry Mavericks for a most enjoyable go-round at our club.

Big doings in the offing, among which a Christmas Party planned for the class & the clubs Christmas Party at HAS.

Happy Thanksgiving..see you next month.

CALLER - DICK GOEDERT 781-3269
PRESIDENT - FRANK & PEGGY HILL 641-7807

The Jubileers were well represented at Disney World, 12 couples camped & many also attended workshops. Everyone who attended was most enthusiastic & enjoyed a delightful weekend.

Spooks & witches & other eerie creatures abounded at our Halloween Party at the home of The Steeves. Costumes of all kinds were in evidence & numerous prizes were won..Coffee, pie & apple cider were enjoyed by all. The party was a huge success, thanks to the efforts of many of our talented members.

The Allemandarins visited us & retrieved their banner. A group of Lone Star Swingers took our banner home with them.

We are delighted to announce that Roger Chapman will be calling square dances at our Valentine Dance. Bud & Edith Reisen will cue rounds. Sounds like an evening no one should miss.

We are happy to learn that Jim Weese is recovering nicely from recent surgery & will soon be back on the dance floor.

Remember we love to have you all visit us..

Shades of December - before you anticipate coming events, they have been here & gone as happy memories.

The October Beachcomber dance was a happy successful dance. The atmosphere was very beachcomberish & the calling of Dick Barker & Bobby Keefe & the cueing of Wayne & Barbara Blackford was excellent. The afternoon workshop were very good & the Saturday night after party was a riot of fun..the skits were hilarious & the people taking part deserve an "A-Plus". There were prizes, also, won by dancers & if you didn't try for your shark badge, you missed all that cold water & sharp teeth!. Do plan on next year & the Shark will get you!

The Fall Roundup is on everyones mind right now & hope we can say we saw you all there, danced with you & had a ball. Much hard work has gone into this special event & the 23RD FALL ROUNDUP PROGRAM DIRECTORY will be something you will want to keep for future reference. Thank you so much, from all of us, to all the Officers & Committee who have given their time, effort & talent.

Our great news is a NEW HALL..The Beaches

Chapel School on Florida Blvd. in Neptune Beach is beautiful..gym size (68 X 100). We are extremely grateful to the School for allowing us its use. We will be dancing Dec. 5 & 19..No dance on Jan.2..then we will have a special OPEN HOUSE on Jan.16..Hope to see you there.

Just might let you know there is a goodly group of Oceanwaves going to Jessep on the 11th to attend the special Christmas Party that Dick & Betty have each year for all the clubs he calls for (7 in all). We plan an overnight trip..wouldn't it be nice if we could go to everything?

We welcome new members; Tom & Yvonne Bourrie & Gordon & Leila Bunch..Come on, you are welcome, too!

Again thanks to all dancers from different clubs who have been sharing the fellowship & fine calling by Dick & cueing by The Blackford's, with us.

Our 7th Anniversary is coming up in Feb. with a Special Workshop & Dance with Marv Lindner from Artesia, California..this will be Marvs 3rd time with us & if you missed him before, don't do it this year..he is a great caller & showman..See our flyer..

The Oceanwaves, with the help of Dick Barker, have been striving to become a Mainstream Plus-Club..We hope by the beginning of January we will be known as such..if this is the type dancing you prefer, come join us. Happy Holidays.

Our Special Don Belvin, "The Hat Man" Dance was a huge success..thanks to all you wonderful people from other clubs 65 couples enjoyed 3 hours of almost continuous dancing. Don taught some special calls & really had us twirling towards the end of the dance. He also wore a different hat for each tip..we used all the hats we could beg, borrow to decorate the hall & they were every shape & size. The club members outdid themselves with refreshments which were plentiful & mouth watering. Door prizes were donated by club members & there were happy cries of "Thats Me!" when the numbers were drawn. Ted & Jenny Davenport were hosts for the Belvin's..we all went home a little breathless, but very happy that such a nice crowd came..particularly since it was the Ga.-Fla. game!

Happy Thanksgiving to all.
Most vacationers are home now & all reports a wonderful time..just about the time The Macomber's returned from N.C. the Howell's took off to see the changing of the leaves in N.C. The colors changed early this year, but were still beautiful. The Gain's had 2 weeks on the Island of Madeira in the Mediterranean Sea. They spent time with their daughter & son-in-law. They report beautiful scenery & interesting tours..after flying back to N.Y. from Lisbon they came to Jax by Amtrak... The Miller's had a week reunion in Valdosta with Sara's 5 sisters. Myself, I will be in St. Louis for Thanksgiving.

Our Reverse Dance was a big success.. You would be surprised what beautiful women our men become. The women didn't do too badly as males, either. Pearlina Vincent won the prize for the best male costume & Herman Hunt was the loveliest lady..we all had lots of fun.. Joe & Rosemary Smith paid us a surprise visit..we were glad to see them..

Another retiree has joined our ranks.. Wilson Arnett is presently on vacation at the end of which he will be officially retired. "Old Rocking Chair" almost has him.

We are looking forward to our Christmas Party..this will be a "dress up" party as we probably will not do any square dancing.

Plans are being made for our outing at Camp O'Leno.

On the sick list is Tom Shaddix, who had surgery..he is mending & will be back with us soon. We offer condolences to Andy Anderson on the death of his Mother.

We sang Happy Birthday to 4 members & Happy Anniversary to 3 couples..we wish them many more happy days.

Our "Belle" emblems were presented to John & Betty Pyla.

11 clubs, including the Star Promenaders from Lake Park, Florida, brought us many visitors. We are happy to have them & hope they will come again.

We wish you all the happiest of holidays & many good favors in the new year!

PRESIDENT - RAY MONTEAN 781-5980

We are all looking forward to the Fall Roundup & hope to see you all there. Seems there have been so many good dances lately..I guess the cool weather is just great for everyone getting out.

THANK YOU..THANK YOU..you great wonderful people..square dancers & callers for the response given for the BOB POOLEY FAMILY DANCE..It just made each of us feel so humble & grateful to see all of you doing so much to help one of us so unfortunate..as you probably know, Bob took a turn for the worse on the following Tuesday & died early Wednesday. His wife, Janet & family, were so pleased beyond words for what all of us did for them. We will certainly miss Bob, as he was dedicated to square dancing & so many other good things in life. Our deepest sympathy to his family.

Our next covered dish dinner dance will be Dec. 6 & it will be Christmas & we invite all you to come join us for a great evening of festivities & dancing on our regular Monday night. We will also have our collection basket for a needy family.

We welcome Bill & Betty Fletcher in joining us & it seems like they & Jack were old timers together..way back when.

We wish Happy Birthday to Bill & Betty, Marge, Gussie, Susan & Jim Mollenhour & hope he is progressing as we sure do miss him. Happy Anniversary to the Griffith's & Connally's..Did you realize that '77 is just around the corner?

We hope that all of you have happy holidays & enjoy the festivities the clubs are sponsoring the next couple of months.

So, until then..Happy Dancing from Fun & Frolic..

Dear Members of NEFSDA,

My children & I greatly appreciate what the individual clubs & square dancers have done for us by having a dance for Bob on October 11 & helping us in such a generous way. Many of you knew Bob personally & know how much he loved square dancing. As you probably know, he died on October 13 & we thank you all for your thoughts, concerns & this wonderful gift of money.

Sincerely,

PRESIDENT - DON & SUE JEFFREYS

Our class has started on Monday..we have a large class & many club members are coming back to help..we are all looking forward to the Learners Hoedown on Dec.3.

We wish to welcome new Allemandarins: Cliff Stevens, Harry & Judy Hostetler, George & Janet Allen..we are glad to have you join our square dance family.

Our 5th Friday Dance was a great success, thanks to Frank Bedell & everyone attending. We really appreciate all our members & especially our visitors.

The Fall Roundup was great this year, nothing but great reports from everyone..last year at this time, this reporter was just watching from the sidelines..its more fun, this year, to join in the dancing. It was good to see Sidney Few & his pretty wife, Betty on Friday night. Sidney is doing so well after his surgery..he will be ready to dance before too long.

Our last business meeting was held at The Scott's & then a get-to-gether at The Jeffrey's after the 5th Friday Dance was enjoyed by all.

Many of our club members attended the Dixie Chain Gang Spooktacular..we really had a ball..have you ever seen skeletons, black cats, Raggedy Ann & Andy & monsters, square dancing??its a sight to see.

Let me take this opportunity to comment on the great fellowship we all enjoy as square dancers..there surely can't be a nicer way of spending an evening, than with good dancing & good friends.

Tag the line,,I'll see you next time..

CALLERLAB

The CALLERLAB Mainstream Experimental Basics Committee selected one experimental basic for the coming quarter.

EXTEND (THE TAG)

The present use of EXTEND THE TAG is best described as the ability to move from one oceanwave formation to another wave formation. All dancers in the oceanwave will step thru & form an oceanwave with the couples they are facing. If your extension leaves you facing out, then remain facing out...the action is most common from a wave between two couples as in the formation set up by having the HEADS PASS THE OCEAN...also used after a fractional TAG THE LINE figure to extend into a different formation.

NOTE: To make this program effective we ask all callers & publications not to use this selection before January 1977. The program is geared to use not more than 2 basic experimental selections each quarter. For the publications to be able to use it for the quarter, we recognize that deadlines must be met & that schedules are rigid. However, where possible we ask that the use of this material not be published before Dec. 1976 with the instructions that the basic is to be used beginning in January..thanks...

John Kaltenthaler
Executive Secretary

In April of 1976, Callerlab passed a resolution for the accreditation of ALL CALLERS..The CALLERLAB Committee, chaired by Bill Peters, has now provided the administration & detail necessary for the implementation of the Accreditation Program. The procedure is as follows: A CALLER desiring to be accredited, must first seek an application from the executive secretary of CALLERLAB by writing to John Kaltenthaler, Executive Secretary, CALLERLAB, Pocono Pines, Pa. 18350. The caller then must obtain three accreditors in each of several categories: General calling skills (teaching, timing, music, diction, choreography & figure construction, command techniques, programming etc.)..Maximum earninable points - 5; Specialty calling skills (one night stands)- 1 pt.), (advanced dancing - 1 pt.), (round dancing - 1 pt.) (contra dancing - 1 pt.); Training & Experience Points are awarded based upon the training of the individual as well as the length of time actively calling (actively calling means an average of once a week - 52 times per year & does not allow for summers, natural disasters when the caller must temporarily skip some weeks) Maximum earnable points provide for 1 point for successful completion of an appropriate caller training program & 3

points per year of active calling not to exceed 15 points for experience.

The signatures of 3 accreditors are required in each category except the Training category. Currently only CALLERLAB members may act as accreditors & no individual may accredit a caller who has accredited him(or her). There is a small administration fee associated with the certificate of accreditation - \$15.00. The method of peer accreditation should have widespread appeal to all callers. We should point out that all current members of CALLERLAB must also pass this same Accreditation Procedure in order to remain active members of CALLERLAB. There was no "grandfather clause" in the resolution. The accreditation procedure is not limited to CALLERLAB members, but rather is for all callers everywhere. Any caller who becomes accredited will automatically be invited to join CALLERLAB if he or she is not already a member. Forms for accreditation are available now by writing the CALLERLAB office. For further information contact John Kaltenthaler..Executive Secretary..CALLERLAB, Pocono Pines, Pa. 18350..(717-646-8411)

CLOGGING

Our cloggers are doing GREAT! We have 53..so hope to see a good exhibition group come out of this class..it has been great fun & exercise & Tommy & Shirley Deems are the greatest & we appreciate their driving so far (from Douglas, Georgia) every other Sunday to get us started.

Remember, Clogging is strictly for exhibition & for the individual pleasure..it has NO place on the square dance floor in a square..Wade & Gloria Driver, just recently had an article published in Square Dancing Magazine, along these lines, so if you don't know the rules that go with clogging, call The Grapevine & we will see that you get a copy..

BLOOD BANK NEWS

We are very proud of our NEPSDA BLOOD BANK..It is going great..Donors recently are: Warren Sell, Bob Moore, Virgil Green, Jack McCall, Richard Patrick, Sally Thompson, Frances Smith, Joe Smith..hope I didn't miss anyone..Virgil Green just gave his 9th unit!..Thanks to you all..you dancers who have not given, go on down to the blood bank..it only takes a few minutes & you will feel better for it!..Donna Skow (an Oceanwave dancer) is at the Beach Blvd. Station & she will be real/kind to you!

Be sure you call Judy Garland or Mariann Hidding when you give, as this is the only way we know about you!

The Grapevine - 246-7267

Its that time of year when we all stop & give THANKS to all the good things in our lives. Square Dancing is a great part of our lives & we try to put into it as much as we get from it..There is a lot of hard work going into the square & round dance movement, so join a club, if you don't already belong to one & help promote square dancing, don't try to destroy it..

Some good dances this past 2 months. October Beachcomber was great with Sharks & Beach-ites..Bobby, Dick & Blackford's were "tops"..skits were the icing on the cake & after party at our home..The 1st Fun Fest at Lakeland by West Coast Dancers, was a fine dance with Ken Bower & attended by a good crowd..after, the State Federation Meeting with Frank & Frances Smith elected as Parliamentarian.. Allemandarins had a nice Anniversary Dance with Frank Bedell calling..He will be guest caller for NEFSDA 5TH SATURDAY DANCE in JANUARY 1977..Plan to attend & support YOUR Association. Our NEFSDA 5th Saturday Dance in Oct. was well attended & hosted by Fun & Frolic & Friendly Whirl-A-Ways with a little help from Oceanwaves..The Big Annual Fall Roundup was a terrific week-end & we enjoyed seeing all our out-of-town friends as well as our local dancers..All in all some great dances with great friends..

We are coming to the end of our 4th year as Grapevine Editors..We would like to have another editor, with the will to give of some time to this needed newsletter..You don't need experience, just time to work for square dancing..There is no salary for labor, time & talent, as this is a non-profit newsletter, but there is enough funds for paper, ink, supplies & expences & a NEW MEMO MACHINE to make the job easier..Wen't you all give this some thought & call us & we will talk about it & will give you help in getting started..we do prefer that you are a square or round dancer & have some extra knowledge of the square dance movement..this is a great job for a retired person with the extra time required to be an editor..Give us a call if you are interested..246-7267..

Hope you all have a very thankful Thanksgiving, Merry Christmas & A Happy & Prosperious New Year!

George & Judy
