THIS EDITOR'S LAST ISSUE

As of Dec 3rd we will no longer be publishing the Grapevine. For the past three years it has been our pleasure to serve the dancers in this capacity. We have tried our very best to bring you the best in the associational magazine.

Since becoming a caller we find that there just isn't enough time to do all the things that we want to do.

Numerous changes have been made and we hope these have been for the better. So many people have helped us that there would not be enough room to thank each of them, but we must mention Ernie and Ruby Holt who began with us as Co-editor. Their contributions will be felt for many years. And we must thank Marie Allish for all those hours of typing for us.

As of publication time a new editor had not been selected by the Northeast President. Continue to send your correspondence to us and we will be happy to pass it on to the new editor.

We THANK all of you for your support and we ask that you support the new editor. Thanks for this great, great opportunity to serve so many.....

CLUB NEWS

ALLE MANDARINS

We enjoyed a covered dish dinner at the home of Joe & Donna Smith before the Fall Round-Up. Everyone thought the Round-Up was great.

We will dance Dec. 9, at San Jose Episcopal Parish Center. In January we will return to Wolfson High School. We will cancel our dances on: December 23 and 30.

Our Callers in January will be - January 13, Stan Russell of Taylors, S.C. January 27, Bill Claywell of Palatka and Ky.

Come join us for great dancing and good fellowship. We hope everyone has a Happy Holiday Season.

Merry Christmas,
Sue Jeffreys, 733-0376

CRAZY EIGHTS

We wish to thank everyone for their support for Olena. It was a great success. Everyone had a very enjoyable time. Mark your calendars and make your plans now for next year. (Nov. 3 & 4).

During our trip this year plaques were given to Jerry (Frogman) Barrett and Dick (Mr. Olena) Barker in appreciation for their fine work.

A door prize was held at Olena, the door prize being a free trip for a couple to attend in 84. The lucky winner was Al Ford from Lake City.

Gail and Bob Callaway recently took a trip to the Bahamas. They won the trip for collecting the most money for the Easter Seals dance held in August.

The regular Club dance for December 9th. will be cancelled due to Learners Hoe Down. All you dancers go out and support our new dancers.

Bonnie Taylor

CLAY WHEEL ARCUNDS

We have banners and crinolines from the Georgia line in Yulee to Lake George in Georgetown at the Bass Capital Squares. A good turnout of our club enjoyed the Gator Promenaders Badge Dance and the singing Calls of the Sweet Art of Yulee.

A square of us joined those folks from the Red Fez on the two bus loads of dancers that went down to Orlando to Dance for Cripple children with the Bahia Lodge.

A big "THANK YOU" to the folks that braved the terrible weather and helped make our third semi-annual fish fry a success. We had to move inside, but Joe Pacetti has the hall fixed up nice now, the 12 squares hardly knew it was pouring outside while dancing. And the food was just as great as the dancing.

Our class is still big and Lawton really has them moving. They are looking forward to the Learners Howdown on Dec 9th.

Southern Bell found out during the strike that Lawton couldn't fix a phone or drive a repair truck without power steering, so he retired Oct 19th after 35 years of service. Congratulations Lawton.

Glad to see Trudy Liciardi back dancing after foot surgery, Carroll Padgett dancing again after a stay in the hospital for tests, and Joe Pacetti also got good test results after a few days in the hospital. Our prayers are with Joe and Mae Roberts, as Joe had another appointment at Bethesda hospital in Maryland. Our deepest sympathy to Jerri Fahlbush and family, on the death of her husband Carl.

Looking for action on Thursday night "Wheel Around" to the Lions Club in Orange Park.

"The Square Dansons"

SINCERE SYMPATHY

Our deepest sympathy goes to Jerry Barrett in the loss of his sister. Jerry and Mickie flew to Louisville for the funeral. Be in prayer for this family.

DAMES AND DUDES

The Dames and Dudes are glad to welcome Louise and Dave Edgell back from their hiatus this summer. Bobbie and Ken Rock returned from their trip to Hawaii and so nice to have them back too. We are also glad to see Fran Smith back on the floor after recovering from surgery. Isabel Buie is now able to dance a few tips after she recovered from an earlier leg injury.

The Bass Capitol Squares from Georgetown came to get our banner. Being a new club our banner is in the process of being completed, so Walt Smith promised our Club would go down to visit them in the near future.

Our Plus class is progressing into the last stages of Plus Calls under the direction of John Robbins. Our club still meets on Wed. from 8:30-10:30P.M. at Pacetti's Marina and Campgrounds on State Rd 13.

GATOR PROMENADERS

The First Annual Badge Night Dance was held Sept. 30, all singing calls, 20 squares in celebration. This dance was the "brainchild" of Donna Cvenshire, and she and Gail really did a super job organizing and executing the entire badge competition. Winners were Danny Danson-King, Ann Hynes-Queen, Bill Eatman-Prince and Joyce Eatman-Princess.

The Gators are looking forward with pleasure to joining the Sea Land Stars for the Annual Xmas Banquet and Dance.

The Learner's Hoe Down will be held Dec. 9th. at the Civic Auditorium, sponsored by the Gateway Callers Assoc. and the Gator Promenaders.

The New Year's Eve Dance will be Dec. 31 at Forrest High School beginning at 9 PM. Help us welcome in the New Year afterwards at Jenos's.

Hoping our able leader will be back dancing soon, President Kim Keffer is recovering from surgery. We miss you, get well soon.

The Gators will soon be wearing dressy new club outfits in bright green, white and blue.

Milton Peterson--272-3031

DON'T GET CAUGHT IN A SPEED TRAP

By Jack Lasry

As we travel to and from our square dances, many of us are keenly aware of the conditions of the road and also aware of the potential speed traps. Now this article is not designed to preach to you about how you drive except to say that we wish you to be careful since we hate to lose dancers. However, I ask you to consider the similarities of the conditions of the Road for automobiles and the square dance activity.

When we look at square dancing, we see that many of us got our learner's permit when we first attended beginner's classes. We received our driver's permit when we "graduated" from class. We traveled down the square dance highway by visiting other clubs, and we had many opportunities to get the small parking violations etc. when we would goof a call or two. We made new friends and several of them had been "driving" longer than we had and they were showing us the thrills of some of the more scenic drives and perhaps even high speed driving. We accepted the bait and we began our own brand of experimentation.

We began driving faster and faster by learning more and more calls from more and more lists. We could handle anything that our local "official" could toss at us. We had "mastered" the Mainstream Lists, the Quarterly Selections, and the Plus Lists True, we had occasional warning signs, perhaps even a flat tire or a blowout, but we were undaunted. We still wanted to go faster and achieve more thrills. Along came a "Super

Highway" called Advanced and beyond that the very limited access road called "Challenge".

Many of you (dancers and callers) are really caught up in this speed trap. We sometimes think that because the road is there, we must drive on it. Might it not be better if we, as individuals, learned to handle the various road conditions along the way? Can we not enjoy the scenic routes in our own neighborhoods? Can we not enjoy the beauty of the secondary road and perhaps even the first four lane highway? Do we all have to travel on the divided highway? Must we all pass everyone on the Road?

We talk about the scenic highways and byways and yet in square dancing the scenic portions have to be the people and the friendships established. Just as the forests, the flowers and the shrubs are the scenic roadside attractions and the waterfalls add serenity, so do the friendships and people in square dancing accomplish the same things for us in our pursuit of this leisure time activity. We should take the time to enhance these friendships. We should take the time to smell the roses. We should make the effort to be especially friendly to the strangers that attend our club dances. We should enjoy the scenic route for what it has to offer.

Let us all take stock of ourselves and review where we are and where we would like to go. Let us not get caught up in the "Speed Trap" of Square Dancing.

J-VILLE CLOGGERS

Once again the Annual Jacksonville Clogging Jamboree is past but the memories will remain with us throughout the year. We had outstanding instructors as well as outstanding cloggers. 2-step instruction was given by Renee Labrie and a group of her River City 2-Steppers gave a wonderful exhibition.

In addition to cloggers from all over our state, we had cloggers from Georgia, South Carolina, Alabama, Louisiana, and Michigan.

Excitement is already in the air for the 5th. Annual Jax. Clogging Jamboree to be held October 19-20, 1984. See you there!!

Evon Johnson--259-3966

KOUNTRY KORNERS

We have been busy these past months with exhibitions and vacations. Ken and Bobby Rock just got back from the beautiful state of Hawaii. Betty Huff and Doris Walker met "Alabama" while on vacation in Nashville, and had their picture taken with them.

In September we went to Orange Park Care Center and danced for some of our great senior citizens. Don't know who had more fun--them or us! In October Independent Life put on a Variety Show, and naturally we had to do a couple of dances. In November, we put on an exhibition at the Open House of the Naval Air Station.

Look for the Kountry Korners manning one of the Salvation Army pots in Orange Park!

Even though our caller has resigned we are still dancing 8PM every Friday at Twin Hills. We have had some great callers, and hope to have a regular one by Mid-December.

Our new class has just gotten started, and meets on Wed. 8PM. We invite the last class to join our club and any of our old members or visitors to come and dance with us.

LAMPLIGHTERS

We enjoyed a great dance on Halloween Lamplighter night, Oct. 25th. The superb decorations made by some of the members under the direction of Mabel Howell set everyone in the spirit of the occasion. There were spiders, bats and ghosties hanging from the ceiling. Witches and autumn floral decor for the tables was rounded off with a life size scarecrow for picture taking. Door prizes donated by Granvil Anderson were beautiful plants from his nursery. Bill Claywell's (Ky.) calling was enjoyed by everyone and helped make it a fun night.

We are now in the preparation stages of setting our Xmas dance December 20th. Refreshments will be served and we will have door prizes.

Three squares went down to Bunnell on Nov. 11th. to steal the Ocean Waves banner. Everyone thoroughly enjoyed dancing with their club. We went to the Dixie Chain Gang Club to retrieve our own banner.

Our class under the direction of Jerry Barrett is progressing rapidly.

Bill and Iris Lewis are in Egypt on tour to celebrate their 50th. wedding anniversary.

Gert Russell--284-0897

MERRY MAVERICKS

Did everyone have a nice Thanksgiving? Don't start that diet yet as we still have all those wonderful christmas goodies to eat!

The Mavericks have been active this last month, especially those with campers. They have camped and danced at Salt Springs, O'lena and Crooked River in recent weeks. We don't want to forget the 5th. Saturday night NEFSDA dance, and the 30th. Annual Fall Round-Up where the club had the honor of co-hosting the refreshments and decorating the auditorium respectively. It's very exciting to be a Merry Maverick!

Welcome home to Al and Juanita Suttle! It's nice to see them at the dances again.

APPLAUSE! APPLAUSE!

Applause is a wonderful way of saying, "THANKS". Like a smile, it costs nothing and yet provides great dividends. It is a sort of lubricant that keeps both dancers and callers operating smoothly. Applause tells the caller that his efforts are appreciated, and his response probably will be to work even harder. It tells the other dancers in the square that you enjoyed dancing with them, and they will feel wanted and appreciated. It is a way of saying to oneself, "that square was fun, and I did my part in making it so."

Applause is just another way of sharing the joy of square dancing. Everybody gains something from the simple act of hitting the palms of the hands together. Some feel that the custom of all joining hands in the middle of the square for a big "thank you" in unison is a bit impersonal and lacks the sincerity, eye-to-eye contact, and enthusiasm that individual "thank you's" and a round of applause carry. However, this is a matter of personal taste. However you decide to do it, do not forget this essential courtesy of saying "thank you". It is an integral part of square dancing. We suggest a round of applause for APPLAUSE.

A SINGLES VIEWPOINT

In the last issue of your wonderful paper, The Grapevine, I wrote of the great need for the hundreds of lonely widows and single women to have started in each club an "all gal set" where we can dance in appropriate dress.

It will take a lot of understanding, cooperation, and help by the various clubs to help us be able to join this happy, vibrant group.

First we must be taught. Lou Connelly and Frank Clements both kind men are willing to help and Lou is starting a new class in January at the Life Center at Presbyterian Church on Park Street near five points Friday at 11AM.

Frank Clements who realizes how many are too late for the existing classes is taking time out from his busy schedule to start them for the beginners male and female at the Lions club on 1240 S. McDuff St on Monday 8PM Nov 14.

There is also a possibility of a church starting a beginners class. The members of this church are so kind and friendly they would help teach and support any new class. And would also understand and help we, lonely gals who are tired of being wall flowers, in this happy, fun loving, family of square dancers. We want a part too.

There are many who can be reached thru this paper, if they want further information and want to help this unfair and antiquated system please contact me at phone 388-2263. Sincerely,

Florence O'Flynn

BLACKFORD'S ACCREDITED

Wayne & Barbara Blackford have recently returned from the University of Indiana in Bloomington where they passed the required examination of the American International Dance Teachers Association (AIDTA).

Wayne & Barbara have been active in the N.E. Florida area since 1965 when the first began square dancing. They have been teaching Round Dancing since 1975. Always striving for more knowledge, they continue to study and learn by traveling to attend workshops, clinics, and seminars throughout the East. This accreditation is a great accomplishment for them. The AIDTA is a National Dance Teachers organization which is associated internationally with the IDTA (England) and encompasses teachers from all forms of dance.

The AIDTA has three levels of Round Dance accreditation (easy, intermediate, and advance). Wayne & Barbara have completed and passed on the Advanced Level. They are also members of the Round Dance Council of Florida, the Universal Round Dance Council and the Dixie Round Dance Council and are the instructors for the Reflections Demo Team, who by the way, were one of only five round dance groups performing at the 1983 National Convention in Louisville, Ky.

Their love of round dancing is contagious, and their devotion and dedication has greatly increased the interest in round dancing in the North-east Florida area.

Their greatest reward is to see the round dance floor filled with happy, smiling people.

****CONGRATULATIONS TO THE BLACKFORD'S****

YOU SHOULD--IF YOU DON'T(BOW & SWING)

We receive the Florida State magazine Bow & Swing every month. This publication has been developed into one of the finest publications in the country.

Not only has the appearance improved but the contents continues to address those needs of our hobby. The credit for this improvement goes to Editors George & Rita Deschambeau. Having been editors of the Grapevine we know the amount of work that goes into publishing such a magazine.

Elsewhere in the Grapevine is a Bow & Swing subscription form -- we urge you to use this to obtain this fine publication. The state magazine covers statewide activities and gives you a variety of information you can use and enjoy.

DICK BARKER'S OCEANWAVES

Dick Barker and his Oceanwaves have been just "plum tickled" at the response to the time change for our Sunday dances! The enthusiastic mood at the Oceanwaves is just great. Dick really responds to this dramatic increase in attendance, which should keep our guests coming back for more beautifully coreographed plus dancing.

Our circle of round dancers is growing, as word is getting out about Len Taylor's capable cueing. He and Winnie have been round dance teachers for 17 years.

Dick is really an out-of-town caller who makes a two-hour trip for the Oceanwave dances. A continuing good attendance is the only way to guarantee that he will be calling regularly here for a long time to come.

Remember, our dance is 7-9:30, a little earlier than the usual evening dance to make it easier for you to get home in time to get your week off to a good start!

P.O.P A-ROUNDS

All Students and Angels are invited to attend the Beginner's Dance Sponsored by the P.O.P A-ROUNDS on Thursday, January 19, 1984.

What a great, festive Halloween party-dance. A special thanks go to Jackie Trapp, Edna Beasley and Sharon Baden. Have you ever seen so much food? The prize for best costume was a gorgeous ceramic pumpkin candle holder which Jan Akers won in her long black hair and robe. The award for best costume of a couple was a free admittance to a club dance and was won by Jenny and Zach Williams, a young lady in her ball gown with Dracula escort.

What fun it has been collecting traveling banners-Jubileers, Kountry Korners and Red Fez. Cal and Ellie Veas are sure doing a great job as Banner Chairman.

com

Our students have learned the calls necessary to attend the Learner's Hoedown on Dec. 9 and are using class time to polish these movements. It looks as if we'll have a good turn out at the Hoedown.

We welcome students from other classes to visit our class on Tuesdays at Windy Hill Elementary School.

The club has been dancing to Mike's new call ALL ABCARD and it is alot of fun. We dance 2d and 4th Thurs, 8-10PM. at Peace Presbyterian Church.

Mark your calendars for our dances on Dec. 8 and 22, Jan. 12 and 26, 1984. Visit our club and learn ALL ABCARD.

RED FEZ SQUARES

We are having a Plus class every Thursday at 8PM at the Morocco Temple.

The Bus trip to Baha Temple in Orlando was a great success. There were two bus loads. Next year we're hoping for three.

Our (President) George Warren has been elected President of NEFSDA for 84. Any help you can give him will be appreciated.

James Maxey is doing a terrific job of calling, so come on out and enjoy him on the 1st & 3rd Fridays at 8PM. Our dances are open to all so come on down and join the fellowship, as you know we dance so others may walk.

We're planning a bus trip to Fontana in March so contact any of the officers of Red Fez or Kenneth Wheeler if interested.

Paul & Helen Fry--743-7960

RIVERSIDE RAMBLERS

We are all back from vacations and trying to get back in the habit of going to see our friends at the other clubs. Be looking for us and we hope to see all of you soon. Visitors are always welcome.

CLUB NEWS

SEASIDE STOMPERS

About 20 Stompers converged on R.J. Hogans' BASS CAPITOL SQUARES of Georgetown the first of Oct. and stole their banner with the Big Beautiful BASS on it. It was a benefit dance for their new building addition and was a great success. They are a unique bunch in that the 1st and 3rd Saturday of each month they meet for a plus workshop from 4-6 then a scrumptious covered dish dinner from 6-8 and dance from 8 till!!! There were six callers there and each got to do their thing, including Paul Walker and Lawton Smith. There was also some Clay Wheel Arounds there.

The Stompers have had a busy month stealing banners from the YELLOW ROCKERS and SWINGIN' SAINTS.

Committees are busy with plans for our Christmas party dinner and dance to be held Dec. 13.

A great time was had by all the Stompers attending the Fall Round-Up.

Have a great Holiday Season and come dance with us anytime.

Joe & Bette Bracewell-249-7139

SWINGIN' SAINTS

Paul Walker and Lawton Smith substituted for our club caller, on November 4, for classes and our regular dance.

Our thoughts and prayers are with Joe Roberts, who is in Bethesda Naval Hospital undergoing tests and possibly surgery. Hurry back Joe and Mae.

SEABREEZE SINGLES

The Club officers and Staff held a dinner-business meeting at the new home of President Elsie McClain, for the planning of the Annual Christmas Party. Elsie's very own award winning French Fry Pie, was the most delicious and left no doubt as to why it took first place and top honors.

CONT

The Christmas Party will be held at Karl Hellenthal's Gourmet Restaurant at 7:30 PM Saturday December 17th. Buffet dinner and dancing. No exchanging of gifts this year. Reservations must be made by Tuesday Dec. 13. See or Contact Club Treasurer Mildred Harris-399-9787

Our new class of 9-10 squares of very enthusiastic students is progressing real good. We could use some additional Angel Men.

Club V-President Tony Flaris is now the Chairman of the Banner Stealing Bandits. Give Tony a call at 731-0714 if you would like to become a Bandit. Come dance with us.

THEM THARS By-the-Sea PLUS

The Inaugural Plus level dance will be held on Sat. Dec. 3, 1983 from 8-11PM., with guest caller Roy Brewer, Odum, Georgia and club caller Mike Akers, \$5 per couple. MAINSTREAM (CLASS)

Students and angels had a glorious time celebrating Halloween night with many dancers, in costume, an abundance of food and drink, with the Parish Hall decorated in black/orange motif. The prize of a free admission to the Learner's Hoedown was won by Mamie Anderson who was dressed in a garish clown suit with bumble bee nose. Many thanks Jackie Trapp, Edna Beasley and Sharon Baden.

Students from other classes and Angels are cordially invited to attend the class which is held on Mondays at Saint Paul's By-the-Sea Episcopal Church, from 8-10PM. The caller is Mike Akers. The club is looking forward to starting mainstream club dances in the Spring.

GATEWAY CALLERS ASSOCIATION:

The GCA held their annual dinner meeting where new associational officers are elected. Elected as Chairman is John Robbins. This is the second time that John has served as Chairman. John brings with him over twenty years experience as a caller and he has served as President of the Florida Callers Association.

Lawton Smith was elected to serve as Secretary-Treasurer for the Association. Lawton has been calling for four years. He is the caller for Clay Wheel Rounds and the Yellow Rockers.

The next GCA meeting will be held Dec. 11, at 2:30 PM at the home of John and Donna Robbins.

STATE CALLERS CLINIC

John Saunders, one of Florida's finest callers, conducted the clinic at the Florida Callers Association (FCA) meeting Oct 14-16. There was no question that John must have done his homework because the clinic was excellent.

The dance on Saturday night was called by John and what a fantastic dance it was.

Next year in Oct 1984 the clinic will have Ardon Hopkin from Texas. Arden is not a caller, however, he is a nationally known voice consultant and has attended the Callerlab conventions to conduct voice seminars.

The FCA uses it's own funds to bring in top technical talent to instruct state callers on how to serve the dancers in a greater way.

Be sure to attend the clinic in Oct.

"U.S. Government Official Recipe"

Did you ever think what might happen if the government published a recipe for Christmas chocolate chip cookies? Apparently someone has and it goes like this:

Inputs:

1 cup butter, softened	2.25 cups flour
.75 cup brown sugar	1 teaspoon baking soda
.75 cup granulated sugar	1 teaspoon salt
2 eggs	12 ounces chocolate chips
1 teaspoon vanilla	1 cup chopped nuts

Guidance:

After procurement actions, decontainerize inputs. Perform measurement tasks on a case-by-case basis. In a bowl (mixing type), impact heavily on brown sugar, granulated sugar, and softened butter. Coordinate the interface of eggs and vanilla, avoiding an overrun scenario to the best of your skills and abilities.

At this point in time, leverage flour, baking soda, and salt into a bowl and aggregate. Equalize with prior mixture and develop intense and continuous liaison among inputs until well coordinated. Associate key chocolate and nut subsystems and execute stirring operations.

Within this time frame, take action to prepare the heating environment for throughput by manually setting the oven baking unit by hand to a temperature of 375°F (190C). Drop mixture in an ongoing fashion from a teaspoon implement onto an ungreased cookie sheet at intervals sufficient enough apart to permit total and permanent separation of throughputs to the maximum extent practicable under operating conditions.

Position cookie sheet in a baking situation and surveil for 8 to 10 minutes or until cooking action terminates. Initiate coordination of outputs with the cooling rack function. Containerize, wrap in ted tape and disseminate to authorized staff personnel on a timely and expeditious basis.
