GOLDEN ISLES SWINGERS - A call for HELP!  
2nd, 3rd, 4th Saturday, City Recreation Center  
Brunswick, Georgia  
Caller - Dick Barker  
President - Vernon Banks 912/265-2522

This is our first report since the one which  
appeared in the issue for December.

Our November 27 appearance at the Real Estate  
Convention was well received and we picked up  
six couples as prospects for a new class.

The Christmas Dance turned out real fine in  
spite of the attendance being off. We pro-  
vided Boys Estate with a generous supply of  
clothing and \$22.00 cash, all of which was  
delivered to Boys Estate by several of our  
dancers.

We rejoice to have Louise and Bob Bowers  
back in our Squares, as well as Mary and Herman  
Lange. We have so many out for various reasons  
that I hesitate to give names for fear of  
overlooking someone. All are missed, and we  
hope they will soon be back with us.

We have several Square Dance Calendars for '72  
left. For \$1.00 you may pick up one from  
Chris Powell or Dick Barker and at our Club  
dances.

Among the special events which you should mark  
on your calendar are the Okefenokee Square Up  
in Waycross, Ga., Feb. 11 & 12 -- Chuck Durant,  
Rod Blaylock, Dick Barker and Helen Ruis;  
Georgia Callers Association and Georgia Fed-  
eration of Square and Round Dancers dance at  
Macon March 18 (watch for more information on  
this): and Dick Barker's first festival July  
9-14 at the Round-dez-Vous Lodge near Asheville.

has been formed with Rod Blaylock as president,  
and to date 70 Callers are registered. A  
Square and Round Dance Federation has also  
been organized. We have been honored to have  
our own Pat & J.B. Dill chosen as one of the  
30 couples from around the State of Georgia  
to serve on the "board of directors" for the  
first eight years. The entire State of Georgia  
is represented and involved in this strong  
move. We hope to have the National Convention  
in Atlanta within a few years. The plans call  
for a State Convention in 1972.

Now, information for you GOLDEN ISLES SWINGERS  
readers -- our Club is in trouble! Deep,  
serious, financial trouble! We are broke!  
Unless we find some way to resolve this pro-  
blem promptly we could be out of business.

## Continued GOLDEN ISLES SWINGERS

This is not the first time we have experienced this problem. We can lick it - it is up to you the dancers. The quick solution, the simple solution, and the best solution is for all our Club members, active and inactive, to attend the dances and support the Club activities -- this will be necessary in the end no matter what other solution might be tried. Do you want Square Dancing to continue in Brunswick? It is up to you and me.

Charlie Major has two Classes going, one is nearing graduation and one is just starting. Our support now will result in additional dancers for the near future.

OCEANWAVES name new Chairmen.

Thursdays, 8-10:30 p.m., Community Center,  
Jacksonville Beach  
Caller - Elwood Sexton  
President - George & Judy Garland (246-7267)

Last month the following slate of officers was re-elected for another six month term: President, George & Judy Garland; Vice-Pres., Norm and Mary Ann Petrik; Secretary, Jim & Mary Jo Wright; Treas., Norby & Judy Bost. An executive board meeting was held at the home of the Garlands January 3rd and the following committees were named: Publicity, Allen and Jean Hairston; Telephone, Rick & Betty King; Refreshments, Mary Goodwyn; Hospitality, Dick and Reta Landis. A meeting was held January 9th with all officers and committee chairmen to discuss plans for the coming year.

The new class graduated December 16th with a gala party and initiation ceremony and was warmly welcomed into the Club. We were very happy to have Bill and Nora Camp and Buzz Ruis with us to help celebrate. ....

Many happy holiday events took place this past month. Jerry and Elwood Sexton had an open house Christmas Eve and then everyone went home to wait for Santa. The Kings had a get-together New Years night. Mary Goodwyn had an open house January 2nd and we "squared up" again. Just when everyone thought the partying was over, the group threw a surprise birthday party for Gloria Gregg on January 3rd. After all these enjoyable times, everyone was ready to settle down to a more quiet routine.

Visitors of the Club on December 30th were Larry and Ethelyn Granger of Albuquerque, N.M., who are spending some time with relatives at the Beach.

A special thank you to Bill Camp who called for our dance night January 6th, as Elwood had laryngitis and was unable to call.

On January 13th Fun Night was held at the Community Center as the kick-off for a beginners class, which will be held Monday nights, starting January 17th. We had several squares, ready to learn and find out what fun square dancing is.

This is my farewell column so I want to thank the Grapevine editors for their patience with me and wish the best of luck to the new publicity chairmen.

Happy dancing to all and hope to see you in a square soon!

Gloria Gregg, reporter.

JOSEPH LEE CENTER DANCE - A Happy Party Held.

Tuesdays, Joseph Lee Center, 42nd & Perry St s.  
at Pearl Plaza.  
Caller - Bill Camp (388-3889)

All the dancers and class of Joseph Lee Center, Tuesday night Square dancers, were treated to a lovely Christmas party, Dec. 21, by Bill & Nora Camp. The hall was gaily decorated with Christmas garland, a Christmas tree, etc. One end of the hall was the setting for a long table festively decorated, a small tree in the center, a large punch bowl on one end and OH!, so many goodies brought by numerous members. We had seven and a half squares and so much fun. Many guests from the beaches and all parts of Jacksonville were most welcome, all had a grand time feeding bananas and stomping balloons with Nora supplying cute prizes she made herself. Both Bill and Nora were surprised when we presented them with a little gift. The dance ended before we realized the evening was over and that's a sure sign folks are having a good time and Bill really called a great dance. We will truly be looking forward to next year and many thanks from all of us at Joseph Lee Center to you, Bill and Nora.

## JOSEPH LEE CENTER

We enjoyed another good dance at the Center called by Frank Lane. Frank calling his Snaparoo with his unique Mike personality, sure had the floor rocking and at times you wondered if he might be having more fun than we were. Several said they danced until their sides ached. We did have lots of fun and hope you were among the crowd dancing to Frank.

PAXON PRANCERS - Watch out for Your banner.

Thursdays, Mary Hammond Youth Center  
Caller - Bob Rust

PAXON PRANCERS have really been getting about and kicking up their heels lately by popping in on various clubs. We visited the ALLEMAN DARIENS and brought home their banner recently. They seem to be having a problem keeping their banner at home lately as they had just got it back and now its gone again, but I heard a rumor that the banner WILL NOT be at PAXON for long!!! Also, FRIENDLY FROLICS' banner seems to like us too! We certainly did enjoy bringing it home with us but as usual they said we couldn't keep it and are ganging up to insure its return SHORTLY!! We have really enjoyed visiting ya'll out there and hope to be seeing you real soon at PAXON PRANCERS regular Thursday night dance and believe me its a FUN TIME!

Bob and Lou Rust being grandparents of a baby boy hasn't slowed them down not even a little bit, in fact, Bob has really LET THE HAMMER DOWN! This is a favorite expression of a member of PAXON whose name I won't mention but he is driving a brand new red Lincoln! Ya'll come out to hear Bob Rust - he is really turned on. I know you've heard the saying "When your hot your hot", well that's what is happening at PAXON every Thursday night - So YA'LL COME!!

We want to congratulate Houston Hodges for winning 1st place, 6 flight in the President's Tournament at Pine Lake. He also has a nice memento which was a great big ole trophy! Congratulations Houston!

I know Phyllis Keefe will be glad to get her badge proclaiming to the world that she is a PAXON PRANCER, but we know and are proud to have her. Hang in there Phyllis!!

PAXON PRANCERS has a square dance class starting Thursday, Jan. 27 with Bob Rust teaching so if you've just been waiting for an opportunity to get in on a whole lot of fun either for yourself or for some couple you know, spread the word and ya'll come. It will open up a new, interesting and fun filled world of good, enjoyable entertainment for you.

Remember we have Helen Ruis on Rounds at our regular Thursday night dance, so all of you Round Dancers have an extra special invitation to come and dance. Also, hope to see lots and lots of veteran dancers and also you new

square dancers at PAXON. Ya'll come know you will have FUN night of dancing. See you there!

As of the next Grapevine Report, your new reporter will be Sandra Milligan. Have enjoyed being the reporter for PAXON but I am very pleased to turn it over to Sandra, knew she will do a great job.

NEFSDA NEWS

The regular bi-monthly meeting of the Northeast Florida Square Dancers Association was held on Sunday, January 9, at the Robert Meyer Hotel with Harvey Chambers, president, presiding.

Virgil Green and Harvey Chambers thanked everyone for working so hard to make the Fall Roundup such a success and reported a net profit of \$490.03.

Harvey Gordon, Fifth Saturday Dance Chairman, announced the following program for the coming year:

January 29 at Forrest High School with Danny Robinson, caller.

April 29 at the Beach Auditorium with Johnny Creel of New Orleans, caller.

July 29 at Beach Auditorium with Roger Chapman, caller.

September 30 at Beach Auditorium with Harry Lackey, caller.

The Association requests that all clubs cooperate with these Fifth Saturday dances by not scheduling special fifth Friday or Saturday dances if possible.

A letter of apology is to be sent to our teen club for incorrectly charging our young dancers full price instead of half price for tickets to the Fall Roundup.

Joe Smith and Virgil Green were appointed to serve on a committee to review the by-laws with reference to the treasurer's functions in order to keep our Association's financial matters in a more business-like manner. They will also audit the financial records.

The Association is requesting active promotion of decal sale by individual clubs. These decals may be obtained from the Association treasurer, Bill Reitermayer.

Bill Fleshman was appointed to act as chairman of a committee to contact callers for next year's Fifth Saturday dances.

Harvey Chambers, who is moving to Atlanta, thanked the Association for their confidence and turned the presidency over to Bruce Yongue. At this point Harvey was given a standing ovation.

DIXIE CHAIN GANG - Out with the Old and In with the New.

2nd & 4th Saturday, Phillips Highway Plaza  
 Caller - Frank Clements  
 President - Jimbo Williams (743-3849)

Well, with all the holidays gone-bye, and another year of square dancing fun behind us, we now look ahead to another fabulous year of gaiety in ye olde DIXIE CHAIN GANG and our many fellow club members.

Our Saturday night dance was as spectacular as always, and our guest danced with gusto and merriment to the calling of our Chief Warden (Frank Clements - Impresario DeLuxe).

Tom and Marianne Hidding graced us with their calling from the WESTERNAIRES and none to say the least, they danced off with our banner. But soon we will have it back in its cell for plans are already underway for a bunch of us cons to escape to the WESTERNAIRES domain and retrieve it in DIXIE CHAIN GANG style. I am sorry to say, I did not get the name of one of our guests who was attached to the Navy and called a tip for us. We enjoyed his presence and hope he will return again. (Next time ye olde reporter will get on the ball).

A few of our prisoners have been down with the flu and such. We wish you a speedy recovery and hurry back ya'all - we miss you as always. Our class is going strong on Friday nights, and are starting to look like old times already. Ya'all come and join on Friday evenings, we would enjoy dancing and conversing with you. Remember, happy times is square dancing time. See you in the square.

## ROUND DANCE NEWS

ROUNDLEERS - Step, close, step

Wednesdays, Woodstock Community Center  
 Instructor - Helen Ruis  
 President - Bill Fleshman (268-9349)

ROUNDLEERS have had another enjoyable month of Rounds learning both old and new dances as well as dancing lots of goodies.

Have learned "SUMMIT AFFAIR", the square dancers Round. Along with these we learned two good classics which kept everyone on their toes, KON TIKI - makes you wonder how you are supposed to get your hands where they belong, and SPAGGETTI RAG is fast enough that it really makes your motor run. Enjoyed both of them and feel sure that we will enjoy dancing them for quite a while.

Am sorry to have to report the absence of Claude Hewitt from our dances. Claude decided that he needed a rest so he spent a couple of weeks in the hospital. Those kidney stones just aren't as nice to a person as a "pastel stone" (yellow rock) are they Claude? Glad to report though Claude is doing fine and hope that it will be just a short while before he is back dancing. You

have been missed, Claude.

ROUNDLEERS are glad to see so many smiling and familiar faces attending the basic class. On the first night there were 7 eager beaver couples and are anticipating many more. Really seems good to look out on the floor and see the smiling faces and hear them saying (to themselves) step, close, step. Welcome class. Know that you will enjoy it.

This is the second in my stint of two months as reporter, so next month will turn the pen over to someone else. Know they will do a much better than I so will say - Happy Dancing. Will be looking forward to seeing you across the square or the circle.

Buzz Ruis, reporter

BELES AND BEAUX - Boys Club is Richer.

Wednesday nights, Southside Community Center,  
Hendricks Avenue  
Guest Caller - Bill Camp  
President - Sid Callahan (733-6433)

Well, its been a great month already to start off this New Year. We had lots of fun dancing with our visitors. Some of them really enjoyed sweeping us off to other squares to dance. Enjoyed having you so hurry back.

Visited the ALLEMANDARINS and retrieved our banner. We had lots of fun even if we didn't get through all the tips with out getting a little mixed up. Lots of laughs and good calling, Dick Barker.

Congratulations to Sid and Dot Callahan - this past week they became proud "Grandpa" and "Grandma" to a fine little grand daughter.

We are also happy to say this month we gave \$50.00 to the Boys Club of America.

So until next month so long and good dancing.

GATOR PROMENADERS have started quite a year already!

Fridays - 8 p.m., Forrest High School

Caller - Bill Camp

President - Jim and Jimmie Lee Morgan

(771-3462)

Most of us stayed close to town during the holidays, but several people managed a holiday visit. Gene Wythe visited with his two sisters in Michigan the last two weeks of December; Parri Dee Clark visited relatives in Chicago during the same period.

Several of us ushered in the New Year at the Trail Rider's Club in Whitehouse. The club members didn't know much about square dancing, but their enthusiasm more than made up for the lack. The GATORS helped them through several simple calls and the affair turned into a truly great evening.

Response to our regular Friday dances has been good, too. A number of people who have had to miss for a variety of good reasons are able to attend again. We extend an especially warm welcome to Fred and Sandy Drajna. Most of you remember that Fred was club treasurer before his job took him out of town for a couple of years. Welcome back, Fred and Sandy!

Caller Frank Lane from Colorado provided the month's biggest hit for most of us. In case you missed it, Frank called at the Joseph Lee Center on Tuesday, the 11th. The GATOR PROMENADERS were well represented, as were most of the clubs throughout the city, resulting in a packed house and a real good time.

The square dancing year has started well -- let's keep it going. New calls come in, old ones fade out only to bounce back again, and the only way to truly enjoy dancing is to keep current. And, besides, being a tremendous form of recreation, square dancing seems to attract the grandest people. See you there. Square up!

FRIENDLY FROLICS - Annual "Hobo Convention" coming up.

1st & 3rd Saturdays, Philips Highway Plaza  
Caller - Bobby Keefe  
President - Virgil Green

As anyone who was there knows or knows someone who was there. Our New Year's Eve dance and after-party at the McCarty's were both tremendous successes. We always have an after party, but this one was special as it was also a farewell party for Harvey and Gloria Chambers. They have moved to Atlanta with Harvey's job transfer.

FROLICS' regular dance on January 1 was cancelled due to the "big" dance so our next dance was on January 15. It was a good one - good fellowship, dancing, foods - with several out-of-town visitors. We like Bobby's new white boots!

We dance again on February 5, but the "really big shew" next month is our annual "Hobo Convention" on February 19. Our hall is always decorated to the hilt and costumes are great. Prizes will be awarded, so don your finery and come join us. You'll have a ball!

SQUARE DANCE FESTIVALS DOMINATE FONTANA'S SPRING SEASON.

Fontana Village, N. C. - Swap Shop and Fun Fest, two week-long dance festivals which were at near sellout capacity in 1971, are well ahead in advance reservations this year, according to O. A. Fetch, resident manager of the sprawling Great Smoky Mountains Park resort. "This year, these two festivals will vie with Rebel Roundup to see which has the most people," Fetch added.

Rebel Roundup, which follows Swap Shop this Spring, is a full 7 day festival. In the past, it has been limited to a four day affair. The change is brought about because it has proved to be as popular as the other spring festivals, according to Tex Brownlee, Fontana Village Resort's Recreation Director.

Accent on Rounds with Squares, the other seven day festival, is for the dancers who prefer the rounds and contrast to the more active square dancing. It is limited to about 200 dancers, due to the size of the dance floor, and for spectators is the most colorful of the festivals to watch.

The 1972 dates of the Spring dancing events are: Swap Shop, April 29 - May 7; Rebel Roundup, May 7 - 14; Accent on Rounds and with Squares, May 21 - 28; and Fun Fest, May 27 - June 4.

Many memories are made in these hills of North Carolina where lakes are made by quieting the rushing waters, birds are chirping happily and dancers are vacationing with friends who they love to dance with. This is

where friends are made. The food is out of this world too and you wonder how all of it is trucked into those Smoky Mountains. This should be a "must" for all dancers.

We're planning a camping trip up to Goldhead, and as of this moment, it looks like Mother Nature is going to grant us some great weather.

February looks like it's going to be a real stomping month, what with Valentine dances and the Okefenokee Square Up. Our class is coming along real fine and have really been adopted by the club. They'll graduate just in time to be indoctrinated at O'Leno.

We might just have to go out there to see what it's all about. Well, I'm rushing like mad to make the deadline to get this article in, so SO LONG UNTIL NEXT MONTH!

We apologize for not having our report in the Jan. issue of the Grapevine, but this reporter had been out of communication for a couple of months. I am very happy to be back with all my friends and most happy to be able to square dance again. I appreciate all the phone calls and cards and thank everyone for their concern.

MORE EDITORS NOTES: Sometimes we get several articles through the mail (other than club newsletters) that have not been signed, and we have no way of knowing the origin of these articles. Some are good, but we feel if the writer does not think they are good enough to sign their name than they must not be good enough to print. If the writer does not want his name in print then we can leave it off but all articles to print must be signed.

It has been rather a slow month for the STARLITE SHUFFLERS. Thank heavens - after all the running about and bustle of the past months. Our Board met and have started making plans for the next O'Leno weekend. Guess that means it won't be too long before we go off on our tirade for banners. We did have the FRIENDLY FROLICS come and get their banner.
