James & Clarice plan on traveling more and more in the days ahead. After 33 years of calling James says "time to hang it up". On Dec 15 a special dance was held by the Maxey's Mavericks in James' honor. And James last dance was called on New Years Eve.

It would be interesting to know how many HUNDREDS of dancers have been taught by James over these many years. THANKS James!!!

HAPPY TRAVELS---James & Clarice.

President's Message

A new year is underway and we haven't stopped running since November.

This year's Board is enthusiastic and dedicated -- 1993 promises to be an exciting year. A list of officers and committee chairpersons for 1993 is printed in this issue of the Grapevine.

We want to thank everyone who has agreed to chair the various committees this year, as well as those they have selected to work with them. From the reports received from some of the committees, we are all in for an eventful year.

By the time you read this, NEFSARDA's second series of beginners lessons will have started. Thanks to Jack and Jean Smith and their committee, the class coordination is in good hands. We sincerely hope the NEFSARDA member clubs will continue to support our class on Monday nights with angels. With the one couple per club per class night that we requested, we should have ample help. If you haven't signed up and would like to help, please call Jack or Jean.

The first General Meeting for 1993 was held on January 10th. It was encouraging to see so many people turn out to support NEFSARDA. We also want to thank Joe and Barbara Fitzmayer for bringing the representative of the Blood Bank to give us a better insight into the Blood Donor program.

We invite YOU to attend a General Meeting -- it's your Association. Take part in its activities, offer suggestions/comments, volunteer for a committee or to help on a committee --BECOME INVOLVED!!! THE MORE YOU GIVE, THE MORE YOU RECEIVE IN RETURN!!! NEFSARDA is here for the clubs and dancers...but, dancers and clubs must support NEFSARDA by being an active part in order for the organization to continue to flourish. All phases of Square and Round Dancing can be improved if we ALL WORK TOGETHER.

**DANCER OF THE YEAR
AWARD-1992**

At the FALL FESTIVAL, Presidents Hollis and Mary Fowler announced the "DANCER OF THE YEAR" award for 1992 was Don and Bonnye Bell. Don & Bonnye have served as Club officers, NE Officers, and now are serving as officers on the State Federation.

CHALLENGERS

Ed & Gloria Malin-642-2386

The Challengers had a great Christmas dance with Doc Gray as our caller. He taught us the Orange Rock--a navel to navel movement. No one complained for lack of food.

Our first dance in January was an open dance with Frank Laine as our caller. It was his last time to call for the club as he plans to cut back on his travels.

We have Bob & Linda Ross as our newest members. If you enjoy a challenge level of plus dancing and would like to join our club, just contact any member or officer for information.

We urge members to support all of the NEFSARDA dances coming up. Look in the Grapevine!

CLAY WHEEL A ROUNDS

"The Square Dansons" 264-9322

These past two months have seemed to just flown by, and the time for the next report nearly slipped up on me. We have had a very busy two months out here at CWA. Our Thanksgiving or Pilgrim and Indian Dance in Nov., with the two sides trying to bury the hatchet. The best dressed at that occasion was Violet (Beautiful Squaw) Findley, Sheila (Pocahontas) and (Chief Longfeathers) Jerry Roberts, then there was little Snookie (Minnie Ha,Ha) Netting, and Billie (little old prigrim Lady) Danson.

We had our usual scrumptious Christmas Dinner Dance on Dec. 17th. Santa Claus sure did enjoy having all those ladies sitting on his lap. I believe he even enjoyed Lawton sitting on his lap the most!!

Then what a bunch of nuts to dance the old year out and the new year in. Food galore. We had the honor to have Minnie Pearl (Mamie Cole) all the way from Grinders Switch, Tenn. to entertain us then on the same bill was that famous Don Ho, Ho, Ho (Ken Miller) all the way from the Islands. Then that Silly Bay Ryrus (Lawton Smith) was really just that. Then we were really in for a treat all the way down from Pidgeon Forge, Tenn. the one and only Dolly Parton (Violet Findley) WOW!! We really were treated to top entertainment to welcome in 1993.

We all were so glad Gene & Marilyn Turk was able to make it New Years, as Gene has been ill. Everyone keep Gene on their prayer list.

Now don't you forget, if you are looking for action on any Thurs. night, just "Wheel Around" to the Lion's club in Orange Park.

DIAMOND ROUNDS

Tom Hidding 278-8194

We have several things to report for this period. Our Christmas party was a very enjoyable event. The class was invited and since they had completed the portion of Waltzes in their class, Audrey used all the Waltzes that they knew and it was a bunch. We also had some dances that the club liked. Since all couples except one are Square Dancers, we had two plus tips of Square Dancing. The food was out of this world. It seems that all Dancers like to eat and we had a lot.

On Jan. 2, 1993 our Audrey & Tom Philips had their first nite with the Diamond Squares. There were 15 or 16 couples on the floor each time she took the mike. I am glad she accepted the invitation to cue for them as it gives us another place to enjoy our favorite hobbies. (Round & Square Dancing) I don't know which badge is prettier. I suggest that dangles be designed for each badge to show we do both.

Monday night the fourth of January was the opening night of the second phase of classes for the year. (Two Steps) We had some new people there. Audrey & Tom used a new method called 7s,5s, and 3s. This gave the students the basic rhythm of the Two Steps and also the pattern for about 6 or 7 Basic Movements.

Jerry & Del 276-5921

We hope you all had very happy holidays. We have missed dancing for nearly two months now and are looking forward to getting back into the swing of things. We have added ROUNDS to our standard PLUS program, so if you enjoy rounds we hope you will join us. Audrey & Tom Philips have joined us for the rounds. We have an hour of pre-rounds from 7:00-8:00. The rest of the evening will be standard PLUS dancing with a 2 + 2 program. We are excited about our new format and hope you will join us.

We are looking forward to this year for another reason. We hope to have several out-of-town callers joining us also. Look for our flyers.

Once again we thank you for your support and we look forward to seeing you in a square.

HAPPY 1993!

1992 was a year filled with good dancing and we look forward to another year filled to the brim with good fellowship and more great dancing.

We can never thank Lawton enough for his loyal and loving devotion to the club. And that's in addition to his wonderful calling.

All our leaders and members work hard and it shows. What would we do without Snookie, her contagious smile and her line dance expertise. We've noticed that more and more men are getting brave enough to join in. Such fun!

January is filled with activities - a joint social with our new class members, banner retrieving, and dinner at a local restaurant. (Not to overlook the Taco-for Lunch-Bunch that meets the third Wednesday of every month at Taco Bell.)

Upcoming Highlights: Jan. 26- Sports Night
Feb. 9- Valentines Dance
Mar. 16- St. Patricks Dance

What, you have a Tuesday evening free? Come join us - the more the merrier!

MOTIVATORS

Jerry & Del 276-5921

This is our first article and we are happy to be added to the list of clubs in Jacksonville. We are the newest of the Advanced Clubs. We dance every Sunday (2:30-4:00) at the Peace Presbyterian Church. If you dance Advance, come join us any Sunday. We are well into our third class in the A-1 program. If you have danced Advanced before and would like to join our class, call Jerry for details. We also hope to have some out-of-town callers for our dances. We are also looking forward to calling dances for other clubs also.

"The Bell Boys helped with the dancers luggage."

THE FORMAL BANQUET WAS ENJOYED BY ALL.

SUWINGIN' ON THE SUWANNEE

What a fantastic weekend! It all started at registration by being greeted by the BELL BOYS (Aaron Fry, Ed Malin, Al Cook, and Dee Dee Stovall). After picking up their registration package the Bell Boys helped the dancer with their luggage. Friday night's dance was a fun beginning for the weekend.

Saturday brought on many activities during the day with a square dance workshop and a round dance workshop. The introduction to rounds encouraged five couples to decide to take round dance lessons on Sunday nights with the Winters.

There were sessions conducted on How to Be A Leader (Paul Walker) What Goes On During A National Convention (Bonnye Bell), State Convention Activities (Dave Nihart), The Functions Of NEFSARDA (Charlie Newsome), and Club Level Organization (Joe & Barbara Fitzmayer). All these leaders conducted very informative sessions.

After the leadership sessions everyone prepared for the evening formal banquet. Val Newsome designed and made the beautiful center pieces for the banquet tables.

After the banquet the SHERIFFS POSSE was introduced (Bud Tatum, Bob Wofford, Tony Roden, and Fred Brinson). Lawton Smith began to announce the names of those who would receive summons for the KANGAROO COURT. The sheriffs posse handed out the summons to many surprised defendants.

The evening dance began and what a great night for squares and rounds, and lines. The dance was followed by the Kangaroo Court and after party. We had visits from the Hee Haw Gang, Dolly Parton, SILLY Ray Syrus, and others.

Sunday morning we held a worship service with songs, readings from the Bible, and a message from Eleanor Smith on Hope. We left warm and with a greater sense of love.

Next years program will be completely different, make sure you sign up early.

Everyone had a great time at our Christmas Dinner Dance. A special thanks to Ken & Ginger Miller and the Rollaways for attending. Don and Donna Heins were also in attendance. Ken and Don joined Art in calling. Donna did a fine job cueing for us.

We had a Newspaper Reporter from Callahan come to our dance to write an article about square dancing. Byron and Ann Walker made the front page!!

We have had the Clay Wheel A Rounds, Silver Foxes & The Rollaways dancing with us these past two months. We really appreciate all our visitors.

Hope everyone's holidays were great and that the New Year will be good for you and yours.

SQUARE WHEELS

Aleen Breedlove-246-9545

Hope everyone enjoyed the holiday season. Now it is time to get back into the "swing" of things. We expect 1993 to be our best camping year ever.

Our Thanksgiving gathering was small but food was plentiful. The ladies enjoyed a trip to the Craft Mall in High Springs while the men watched the football game.

By the time this release reaches you we will have been to Jekyll Island for our January camp-out. We look forward to dancing with Don, Bill and Ernie Saturday night at the Jekyll Island Sqs. 5th Anniversary Dance.

February will find us in Lake City, Fl. and March we will be in Valdosta, Ga. Come join us.

Our Christmas Dinner Dance was filled with food, fun and fellowship from start to finish. What a great way to celebrate the Reason for the Season!

Fourteen and a half squares brought in the new year at our New Years Eve Party. We had visitors from Louisville and Cincinnati. We had four squares of advanced dancers so Paul called a tip for them. There was line dancing and of course Jim and Barbara cued the rounds.

TES cancelled our dance Jan. 9 for the special Dance "Suwingin' on the Suwannee. We all had such a great time.

Mark your calendar for our special theme dances coming up the next few months. Feb. 13 Valentines Dance, on Mar 13 our Guest Caller will be Art Wilson, and on Mar 27 we will have our 2nd TEE party. Lawton Smith will be our Guest Caller along with Paul and Jim.

Quite a few Foxes braved the weather and fog to see in 1993 with The Teddy bears. Once again the Walker/Winter combination gave us a FUN-tastic evening. Paul was joined for a couple of tips by the First Coast's youngest caller. Watch out guys Brandon is nipping at your heels and gaining fast! Congratulations to the Rists and their very talented son/grandson.

The following weekend found a square of Foxes Suwinging on the Suwannee. The Walkers, Smiths, and Winters joined together to present one of the most enjoyable weekends in recent memory. Those of us that didn't make the trip are bound to regret it when we hear about what we missed.

We want to thank Ken Miller for filling in for Paul while he was at the Suwannee. It is always a pleasure to have Ken call for us.

Bud & Dianne and their team of Banner Bandits have been really on a roll. There are mighty few clubs whose banner is not hanging on our wall. Our recent banner raids served the double purpose of adding to these numbers as well as promoting our Circus Dance.

As I write this the Circus Dance is yet to come, but as you read it is a thing of the past. A full report will appear in the next GV. However I'd like to take a moment to thank some pretty special people - Al & Virginia Cook who made our Clown Buttons for us; Lee Busby & Dean Pomeroy who made our Circus Banners; Lawton & Eleanor Smith and Ken & Ginger Miller who served on our Circus Staff along with Paul & Nita who make every dance a special event and last but not least all the FOXES for their hard work putting the whole thing together.

By the way, NO! - we didn't plan our dance to coincide with the Circus being in town. Barnum & Bailey heard about OUR DANCE and brought their show to town to coincide with US!!

Installation of officers was held on Jan. 15: Pres: Cliff & Margie Elliott, V-Pres: Howard Bryan, Sec: Elizabeth Hartley and Treas: Maxine O'Donnell.

Congratulations to our 1993 Officers and Yellow Rocks to those who served in 1992.

BID SESSION

The Bid Session will commence on Friday morning June 25th in Hall #3 at Cervantes Convention Center. This bid session will be extremely interesting because of two conventions being awarded (1997 and 1998). All cities bidding for these years will have the opportunity to tell us about their fascinating city, and also, how their city is equipped to handle a national convention. "Intents to bid" for future years are given after the 1997 and 1998 bidding cities have finished their presentations. Please check time in the Schedule Book upon your arrival.

**ADVANCED and
CHALLENGE**

Five halls have been assigned to advanced and challenge dancing. Program slots will be 10 to 15 minutes for advanced and 30 to 45 minutes for challenge. Introductions to the next highest level of dancing will be done in each of the halls. The times will be staggered.

Caller and Cuer profiles have been sent out, with many being returned.

EDUCATION

ORGANIZATION ROUND TABLE

"So You Intend To Bid on a National Convention?" will be the topic for discussion on Thursday, June 24, 1993 from 4:00 p.m. to 6:00 p.m. The following National Executive Committee members will lead the agenda: Glenn and Lois Baldwin, Ernie and Barbara Stone, and Wayne and Miriam Florea. Karen and Bob Fleher, General Chairman of the 1993 National Square Dance Convention® will also help with the discussion. It is important for all cities, who are thinking about hosting a national, to attend this meeting. Also, anyone who is interested in learning about the "behind-the-scenes" action necessary to host a national is invited. We hope to see many cities at this round table, because they are the future of national conventions.

PANELS

Proposed topics for panel discussions are: camping, square dancing, planning jamborees, maintaining strong clubs, round dancing, marketing square dancing, pepping-up your publication, health and recreation even to retirement, handicapped dancers, square dance attire, art of leadership, and showcasing our square dance heritage. Morning panels will begin at 9:00 a.m. Afternoon sessions will be over by 4:30 p.m. Plan to attend as many of these panels as you can. You will pick up many helpful ideas.

CLINICS

At the present time, thirty-four hours of clinics are planned. There will be square, round, contra, and country western dancing clinics; however, others are still being discussed.

WHY DANCERS QUIT DANCING

"Why do dancers quit dancing?" is the No. 1 problem that has all square dance leaders as well as caller leaders, stymied to the Nth degree. Since most square dancers enjoy the activity so much and their enthusiasm just bubbles over, why do some people decide to drop square dancing as their primary recreational activity? The answer is one word, "CHANGE".

Change is happening continuously (whether we like it or not) in our lives. Each year we are a year older. Our health is probably not as good as it was five years ago. With some of us, the change is quick and dramatic when one's partner gets seriously ill or passes away. Some survive the tragedy and gradually get back into the square dance activity. Many withdraw and decide to hang up their square dance career forever.

The adjustment after a spouse's death takes a year or two as the living spouse realizes that "life is for the living" and one can do absolutely nothing about his or her loss.

When it comes to serious illness that prevents one spouse from dancing, the general comment is, "it isn't the same as it was when the two of us could enjoy a night out on the square dance floor."

We can't do anything about the above two changes except to be a good listener and offer subtle encouragement. However, changes exist that we can do something about to reduce the number of dancer dropouts. Let's look at one.

TOO MUCH TO LEARN

From experience, the number one reason given by people who have dropped out of square dancing is "too much to learn; we can't keep up." This statement is especially true of the older dropouts. One newly declared "snow bird" told me, "We went down south for the winter thinking we would have a great time dancing. We were so disappointed! Most of the square dancing down south is Plus and we don't dance Plus. I guess we will have to learn Plus if we intend to continue square dancing."

HOW PLUS CAME INTO BEING

The Plus program came into existence when CALLERLAB decided to assign specific calls to specific programs. According to a long time CALLERLAB member, their goal was to either stop or at least get control of the growing number of new calls. They had "this group" of calls that were not in the Advanced Program. And the Mainstream Program was already bulging with too many calls. They had the dilemma of all of these mainstream calls plus, this other group of calls. CALLERLAB decided to call "this group" the PLUS program for a lack of a better name. We know CALLERLAB is as concerned as everybody else is about our dropout rate. Some leaders predict that in 10 years we will have fifty percent fewer square dancers than we do today. Personally, I think the worst is over. Club memberships are either stable or growing in most communities.

IS IT TOO EASY TO GET INTO PLUS?

One long time caller told me: "it is simply too easy for mainstream dancers to get into the PLUS program. The PLUS program is destroying the Mainstream program. If I had my way, I would eliminate the Plus program entirely, putting the easier Plus calls into Mainstream and the tougher Plus calls into the Advanced Program." We tend to agree with his conclusion. Maybe it is time for the leaders in the square dance activity to "bite the bullet" and solve this Mainstream-Plus problem forever.

The Mainstream-Plus dance dilemma must be eliminated. Some areas have either very few or no mainstream clubs. Have you ever noticed the facial expressions of Mainstream dancers sitting out the Plus tip at the so called Mainstream-Plus dances? It breaks my heart to see the negative reactions on their faces. CALLERLAB discourages this mislabeling of dance programs with little or no success. We need a better answer.

WHAT ABOUT STAR TIPS?

Star tips are just as bad as Plus tips at a mainstream dance. They should be discouraged at every level of organized square dancing - from the local club to the area, state and provincial level, and finally the national and international level. Star tips do nothing but give a few dancers a brief ego trip. If these dancers desire a higher level of dancing, the advanced and challenge programs are available for them. We graduated from Plus classes a few years back. However we only dance mainstream. Why? There are very few plus clubs in Wisconsin. However, our primary reason is Mainstream dancing is more fun. You simply do not have to think as hard to dance Mainstream. Mainstream dancing is so automatic and yet it can be quite challenging if the caller does his or her homework. If we could solve this one problem - "too much to learn" - we could see the number of dropouts go down dramatically. Maybe we should try to solve this problem.

LEGACY'S ex-dancer survey is providing interesting results. Walt Cole, a regular contributor to CLJ is conducting the survey for LEGACY. It is the first ex-dancer survey ever conducted on a national scale. Also, it is the first LEGACY survey that is methodically getting responses from every state and province.

LET'S HATCH A BETTER IDEA

We could address other "changes" that we can do something about. However, we prefer to have this change incubate a little. Who knows what might hatch from brainstorming sessions at all organizational levels throughout the square dance world.

KICK OFF TEAM

During the next four months the members of the 1994 State Convention committee will be visiting all the clubs in the northeast area enlisting each and every dancer's aid in putting on the kick-off for the 1994 State Convention at the 1993 State Convention on May 30, 1993 in Lakeland.

Please help us, we need at least 200 dancers. You will need the 1994 dress attire to participate. The committee members will have flyers when they attend your club dance. Please make them welcome.

You do not need the dress attire until May 1993, so there is plenty of time to get ready. We just need your name and phone number. Please call Paul and Nita Walker at 646-3520 and tell them you would like to be part of the kick off group.

50 rooms have been reserved at the Crossroads Motor Lodge in Lakeland for those dancers who would like to stay there as a group. These are \$29.00 and will be available until May 1, 1993. The phone number is 1-813-688-6031 and tell them you are part of the kick-off group.

We will have at least three practices before the May kick-off time.

How To Get Along

1. Keep skid chains on your tongue; always say less than you think. Cultivate a low, persuasive voice. How you say it often counts more than what you say.
2. Make promises sparingly and keep them faithfully, no matter what it costs you.
3. Never let an opportunity pass to say a kind and encouraging word to or about somebody. Praise good work done, regardless of who did it. If criticism is needed, criticize helpfully, never spitefully.
4. Be interested in others; interested in their pursuits, their welfare, their homes and families. Make merry with those that rejoice; with those who weep, mourn. Let everyone you meet, however humble, feel that you regard him as one of importance.
5. Be careful. Keep the corners of your mouth turned up. Hide your pains, worries and disappointments under a smile. Laugh at good stories, and learn to tell them.
6. Preserve an open mind on all debatable subjects. Deliberate, but not argue. It is a mark of superior minds to disagree and yet be friendly.
7. Let your virtues, if you have any, speak for themselves, and refuse to talk of another's vices. Discourage gossip. Make it a rule to say nothing of another unless it is something good.
8. Be careful of another's feeling. Wit and humor at the other fellow's expense are rarely worth the effort, and may hurt where least expected.
9. Pay no attention to ill-natured remarks about you. Simply live that nobody will believe them. Disordered nerves and a bad digestion are a common cause of backbiting.
10. Don't be too anxious about your dues. Do your work, be patient and keep your disposition sweet, forget self, and you will be rewarded.

"Everything's Coming Up Roses in '93"

"Things look swell, things look great. Gonna have the whole world on a plate. Starting here, starting now, honey, EVERYTHING'S COMING UP ROSES" --

Can you feel the enthusiasm rising? Have you seen some of the activity and preparation? Have you heard the gang out there singing and promoting the 40th Florida State Square and Round Dance Convention which will be held in Lakeland on Memorial Day weekend? Doesn't it make you want to be a part of it? Of course it does! Get busy and send off those registrations now!

Here it is February already - you must purchase your ribbons before April 30 in order to qualify for any of the fabulous prizes. Don't you want a chance at winning one of them? Sure you do. There are Ribbons for the Myrtle Beach Balls and the Winter Whirl, 1 Week Dance Packages at Copecrest, Fontana and English Mountain and -- in celebration of the 40th Florida Convention -- A Genuine Ruby Ring. Your chances are greater of winning one of these prizes than winning the State lottery and the opportunity to win is included with your purchase of Ribbons before the deadline of April 30. Send your \$14 per ribbon, now, to Buena Beis, P. O. Box 1500, Umatilla, FL 32784.

Are you still wondering why you would want to attend the Convention at all? Well, as promised in a previous article, here are some reasons from another couple who are yearly convention attendees, Randy and Carol Poole, President of the Central Florida Association.

"If you are a new graduate or a dancer that has never attended a State Square Dance Convention, you may wonder how so many people can dance for three days from early morning until late at night. Well, there is a secret to it. The Florida State Square and Round Dance Convention is packed full of so many activities that sometimes it is difficult to find time to dance. It's a must to visit the sewing room. There you will see demonstrations of sewing techniques to help you sew or design, a new square dance outfit. Usually, there is a handout with many helpful hints for sewers and non-sewers.

There are shops, shops and more shops, offering everything you ever wanted or needed in square dance clothes, shoes, jewelry and badges.

When you need to sit and rest, there is always the square and round dance demonstrations.

Then there is the fashion show. You will see the latest in club outfits and hand sewn designs. Get great ideas for your next outfit.

Sunday morning there is no dancing. This time is reserved for meetings. The Florida Callers Ass'n, the Round Dance Council and the Florida Federation of Square Dancers all meet at this time. All square dancers are invited to attend the Federation meeting. Come, listen and get involved. Help make square dancing an even better hobby.

When the Convention is almost over, it is time for the KICK-OFF of next years convention. You certainly don't want to miss this!

The dance is over, what do we do now? We attend an after party with more square dancing, more socializing, and oodles of fun or maybe we sit around the pool or gather with a few friends in a motel room.

The best part of this year's convention is the new friends you will meet. Whether you are in a square or a restaurant or a motel, you will meet new dancers and you will see them again at next year's convention."

Everyone knows that Randy and Carol are the most persuasive couple in the State of Florida and when Randy says something is good, you know it's goooooood! So, friends, take their word for it and join Randy and Carol and the rest of us who are helping to make the 1993 Florida State Convention the best that Florida has ever seen.

Join us in Lakeland on May 28, 29 and 30, where "EVERYTHING'S COMING UP ROSES" for you and for me.
