GRAND SLAMMERS

441 Dance Club - Continued

SATURDAYS - 8051 W. Beaver Street  
Johnnie Robbins, Caller.  
Jim Sheffield, President (771-3057)

Pop corn, Candied Apples, Doughnuts and Hot Cider, that was the menu. Hillbilly - the dress, and 14 couples from Jacksonville, Wildwood and Bombay India - the guests. The caller, an exuberant Eric Sohn. So now you have the story of our Thanksgiving Dance. For some of those not in costume Sheriff Aubrey Griffis brought them before the court and punishment was imposed. Ruth Dees was given the task of shooting an apple off Clyd's head with pressurized whip cream. Ike Cheves had to pick up a cookie from a bowl and drop it in a basket held by Vivian, the bown held some more whipped cream. Eddie Millan had to push a peanut down a line on a table; you guessed it, the line was covered two inches deep with whipped cream. Lucille Nelson had to bait Howards hook so he could go fishing. She was blindfolded and given a can of cold spaghetti which she was informed was worms.

Thanks to all the square dance clubs in the Jacksonville area and some from out of town, our Thanksgiving Eve Dance was a great success. The food was excellent, the calling of John Saunders, and the dancing, great. The more than 20 squares present all seemed to have a real enjoyable time. We hope that our New Year's Eve Dance will prove as successful.

The following week 22 couples from Jacksonville came down for our annual Tex Brownlee dance. We didn't know whether it was the dance or if Jake Smith did a lot of arm twisting. He did a wonderful job of selling, thanks Jake. 441 would like to give an extra special thank you to the 50 couples from Jacksonville who visited us during one or more of the John Saunders, Eric Sohn and Tex Brownlee dances. You have made these dances stand out in fellowship and good fun.

We still have several banners of other clubs hanging on our walls but I expect they'll be returning "home" soon as the Christmas rush and confusion is over. Come to think of it, we've got to go get ours back. Our ranks have been hard pressed at times to form up two squares for our regular Saturday Night dances. I'll sure be glad to see Summertime again.

After his Saturday night dance Tex stayed over to MC the benefit dance for the Swing Easys of Keokuk, Iowa. The dance sponsored by the Gainesville Square Dance Association and the Recreation Department brought out ten squares to the calling of Tex, Dick Gonzales, Eddie Millan and Scotty Thomas. The Swinging Squares cancelled their dance with the consent of Dick Gonzales who gave his fee to the fund. 441 paid for the hall so that all funds coming in would go to Kelkuk. George and Anne Millan were down but they said they were actually headed for the one in Jacksonville. The car has made so many trips to Gainesville recently it just naturally headed this way and couldn't be turned.

By the time you read this we will have graduated our square dance class and a more "savvy" class we've never seen. We're real proud of them and are sure that they will represent the Grand Slammers in grand fashion and do credit to Johnnie's teaching when they come visit other clubs.

Some of you round dancers probably would like to learn the two round dances mentioned in the Grand Slammers column in the December issue, viz: "Hawaii %q55oo and R4qul3in" - believe me they are real tricky, but they are much easier to do than to pronounce.

We certainly enjoyed dancing to the calling of Herschell Lee on the night of December 11th. Come again Herschell - your friendly calling we could listen to all night.

Hope all of you folks had a merry Christmas and here's wishing all of you a Happy New Year. May 1966 be the greatest ever for square dancing over the country.

Hugh and Edna Bruce

Don't know how much studying Eddie Millan is doing at the University but he did take time off to paste up a message for Myrna Nolan when she and Anne came to pick him up on Thanksgiving. What did he use Myrna? A roll of what!

Ed Newton will be our caller on January 22nd.

Julia and Chet Vetter

THURSDAYS - Mary Herrond Youth Center. 12th street near Melson. BOB RUST, caller, Jim Thomas, President. (781-2328).

We graduated our new members on December 16. We thank Frank and Agnes Clements for the good job they did. They were welcome as honor members to our Club, and hope they will dance with us often.

The graduates were: Wallace and Marion Thompson, Gary and Frances Glenn, Johnny and Jeanette Todd, Dorothy Howless, Sandra Mask, Frances Rudd, Ellen Outlaw, Philip Cannon.

to you we say welcome as members, along with our other new members Harry and Katie Drake.

Congratulations to Bonnie Crowell and Theron Smith. They were wed December 18th in Lake Shore Methodist Church. Eddie Alveraz and Frances Rudd will be wed on December 27th.

Margaret Thompson is home from the hospital and doing well. We are looking forward to you joining us dance night again.

Jim and Patty Thomas son Walter had a visit to the hospital for a tonsillectomy. He is home but not fully recovered.

December 18th Billy and Margaret Shields invited all for a Xmas party. Her home was decorated beautifully and the food was equal. An enjoyable evening was had by all, even tho some of us did have a time playing black magic, didn't we Allene? Margaret just let us know when and we will all be back.

We want to express our gratitude to our outgoing officers, Jim and Patty Thomas, Donald and Norma Smith, Billy and Margaret Shields and Ham and Shirley Ballowe. We could never put into words what a wonderful job you all did. You had a trying year. Your broad smiles and hard work put into our club will always be remembered. From your work we have a better club and can look forward to a more prosperous year.

All you people that have been missing Bob's calling are really missing something. We are learning new steps and having a ball doing it. See you all on Thursdays.

Jackie and Jean Horne

WESTERN CUTTERS

2nd and 4th SATURDAYS - Wesconnett Civic Center. BOB REYNOLDS - caller. Ernie Doering, President (781-3351).

Sorry we missed you last month. The time slipped up on me when I wasn't looking. The Western Cutters thoroughly enjoyed the Round-Up. Many of us took turns checking tickets and collecting money at the door. Johnny Creel was real good Saturday night, but we enjoyed our own local callers Friday night too. There were outstanding skits including our girls. We may be prejudiced, but we think they were great - as usual. In addition to Nancy Morrow, Phyl Reynolds, Murph Leibold, Doris Butler, Phyllis Keefe and Claudia Carr, Vivian Mayfield joined the group. We hope everyone enjoyed it as much as we did.

November 21st was our Thanksgiving family dinner. Just about everyone was there. Thanks to Louise Lewis and her committee, Claudia Carr, Vivian Mayfield and Layuna Spears, the food was delicious. After dinner, the new officers for 1966 were elected. They are: President - Ernie and Sally Doering. Vice-president - Andy and Le Jene Allan. Secretary - Nick and Joanne Shealy. Board Member - Warren and Louise Lewis. Board Member - Johnny and Judy Johnson.

Thanksgiving Eve found most of us dancing to John Saunders at the Grand Slammers. John was at his best.

Two squares of Western Cutters attended the benefit dance for the "Swing Easy Square Dance Club of Keokuk, Iowa. We all feel that this is one of the finest things the square dancers of Jacksonville could do.

December 18th was our Christmas Dance, headed by Phyllis Keefe and her helpers - Le Jene Allan, Doris Butler and Pauline Miklos. Thanks to these hard workers and their drafted husbands, the decorations were beautiful. Our hall has never looked better. Santa Claus (Bob Bennett) came to visit bringing with him one of his "elves" and her pet camel (Murph and Bruck Leibold). Gifts were exchanged and a fun time was had by all,

This is my last issue as reporter. I have really enjoyed the few articles I have written. See you around.

Sally Doering, Reporter.

JUBILEERS

2nd and 4th SATURDAYS - Arlington Congregational Church. HAROLD PILLMORE - caller. Harry Null, President (725-5537).

The Jubillers have really been hopping this past month and I know two people who aren't as young or as slim as they thought they were.

We all enjoyed the Fall Roundup. The calling and entertainment were just great. A few of the fellows are talking about vacationing in Hawaii next year.

Our last business meeting began with a covered dish supper. The food was out of this world. We all gained a couple of pounds. (Now it's diet, diet, diet). Oh well!!

We elected officers at this meeting: New President Couple - Lou and Harry Null Vice-president Couple - Joyce & Bob Barker Treasurer Couple - Alma and Frank Roberts Secretaries - Genevieve and Wilton Fipps, and Joyce and Jay Kopp.

We want to thank our out-going officers for all they have done for our club.

Fred Dyce will call for our Valentine Dance February 12. All tickets will be sold in advance so get ahold of a Jubileer and buy your tickets soon. We are looking forward to seeing you at the Arlington Congregational Church on the 12 th.

On the 8th of January we are having a special dance; quite a few of the local callers will be there (Arlington Congregational Church) so put on your dancing shoes and join us for a night of fun.

The Friendly Frolics danced with us recently and went home with our flag. We enjoyed having them and look forward to visiting them after the Holidays.

Kenneth Roberts, son of Alma and Frank Roberts, received his Eagle Scout Award Thursday, December 16th. Congratulations Kenneth. Alma and Frank's daughter, Teresa, their son, Howard, and his wife Pat, will all be home around the holidays. Sounds like a lot of fun.

Genevieve and Wilton Fipps and children went to South Carolina for the Christmas holidays, as did Synathia and Wayne Tompkins, Emma and Freeman Rabon, and Ernestine and Allen Rabon and their children. The last couples belong

to our beginners class and are related to Genevieve so we know they all had a good time visiting "home".

Pete and Harold Pillmore's children are home from College for the holidays. Hope they save us some of Pete's delicious cookies.

Lou Null expects her parents down from Pennsylvania for the holidays.

Don and Pat Hammond's addition to their family was a son.

Bob Hachbert is still quite ill; we all are wishing him a speedy recovery. We miss Onalea, Bob and the girls at our dances. Our Beginners aren't such beginners anymore. They dance to Harold calling, "Tiger By The Tail" like pros. We sure are proud of them. They had a party last Friday evening. Pete and Harold provided the refreshments. They were so good. Glad they needed extra couples.

'Till next month - H A P P Y S Q U A R E D A N C I N G.

FRIENDLY FROLICS

1st and 3rd SATURDAYS - Phillips Hiway Plaza. HERSCHELL LEE - caller. Gene Johnson, president (398-4097).

After a lwyoff for our Fernendina trip and the Fall Roundup, we are once again holding our regular club dances at Phillips Hiway Plaza, but in a different hall. The new hall is located opposite Plaza Western Wear. At our first dance in December, we were happy to welcome back Tommy Thompson and his family who were in town visiting relatives. The Thompsons now make their home in Wisconsin.

Our deep and heartfelt sympathy goes out to Dee Dee and Earl Brandt in the recent loss of their daughter, Margaret.

We are glad to report that DeWitt Greene won his bout with pneumonia and that little Eddie Gales, Sonny and Helen's boy, has fully recovered from scarlet fever, the only side effect being that he emerged a wee mite spoiled. Wonder why?

Congratulations to Eddie Edge who acquired a new member of the family when his Mama up and eloped to Georgia recently! Please convey our best wishes to the newlyweds, Eddie.

Our members have been busy flag snatching lately. Thanks to the Jubileers, Starlite Shufflers and Paxon Prancers for their warm hospitality and to our dancers for their taking ways. A square also travelled down to the Allemendarins with a little thievery in mind but found the cupboard bare. Still, a grand time was had by all spinning the top and dividing the line. By the bye, all you Merry Mixers and Grand Slammers ...we are looking forward to your raids to reclaim your banners.

FRIENDLY FROLICS continued.

The Keokuk Benefit Dance was a wonderful affair and our hats are off to all those who worked so diligently to make it possible. Friendly Frolics was well represented and enjoyed dancing to our Area Callers who were at their best - and you can't hardly get no better than that! In fact, my tongue was hanging out before the evening was half thru. Due to Herschell's superb calling and Rosa Lee's moral support, your officers didn't goof their show biz debut. We put on a square dancing exhibition at the Civic Auditorium on December 10th as part of the Wilburn Brother's show. Mrs. President even got to take a solo bow! Seems Pat and the MC, Disc Jockey Ed Jordan of WZOK, discovered they were 32nd busins (or something like that) and he was so delighted that he called her out on the stage to introduce her to the audience. Next time you run into Pat, ask her to explain their relationship --- you won't come away enlightened but it's plumb fascinatin' to listen to.

Christmas time ain't no time to write a news column. So if anything's left out or included incorrectly or your name spelled wrong, just ho, ho and forget it - or better yet, fire me!

2nd and 4th MONDAY, 4th SATURDAY - Veterans Memorial Hall, Lake City. BILL CAMP, Caller. Elvis Owens, President (752-1887).

The members of the Lake City Squares who attended the benefit dance at the Robert Meyer Hotel in Jacksonville for the Swing EZY Club at Keokuk, Iowa really enjoyed the evening.

On December 13 the Lake City Squares had a big turn-out for their annual Christmas Party. The class was voted into the Club; a covered dish supper was enjoyed and after a tip or two the meal was shaken down enough for us to enjoy Bill Camp's calling. Later in the evening small gifts, some quite amusing, were handed out. A Chianti Bottle created a lot of laughs when it was learned it contained bubble bath.

A collection was taken up during our party so that a contribution could be sent to the Swing EZY Club in our name.

We are looking forward to our New Year's Dance, December 31. Visitors are welcome.

Our annual Harper Smith dance will take place at the National Guard Armory on January 8th.

T H E C H A L L E N G E R S

1st and 3rd FRIDAYS - Mary Hammond Youth Center (members and invited guests). Jake Smith, President (771-2696).

The CHALLENGERS have had another fine month of dancing. On December 3 our "canned" caller was Tex Brownlee, via one of Jake Smith's tapes. 'twas a good workout for all. Then on Dec. 17 our "live" (and how!) caller was Bob Rust. He had a little trouble out-anticipating us at first, but finally got around to calling what we were dancing -- a wonderful evening of interesting patter and fine singing calls with some workshop thrown in. Never knew wheel-and-deals and circulates could be done from so many different angles. Hope we can still dance them when Bob's turn comes 'round again. Our "tippy-toers" turned out in full force for the selection of pleasurable rounds programmed by Carl and Betty Graeff. With Helen Crout's and their basics classes, we hope to see even more on the floor.

Our weight-watchers don't stand a chance at our caller-dances with the tantalizing array of goodies our ladies provide. Why not just give up?

Three 441-Club couples livened up our Bob Rust dance. Bob and Juanita Fulmer, Tom and Sue McRorie, and Howard and Lucille Nelson driving up from Gainesville to square up with us. Come again and bring more of the club with you. Invited guests always add to our fun, and we were happy to have local visitors Joe and Wanda McMath, Roy and Becky Oakley, and Sam Webb and Chera Mullino with us too. We hope they will soon be signing on the "member" side of the register.

THE CHALLENGERS continued.

Recent new CHALLENGERS we are delighted to have join the club are Maurice and Sheila Foisly, Bob and Fatsy Love, Gus and Helen Ruser, Bill Skiles and Juanita Christmas, and Sara and Wilfoch Warren. We welcome all of you and look forward to many nights of happy dancing with you.

The December 17th dance was the last one to be held at the Grand Slammer's Hall in Marietta. Yes - we have a new home beginning January 7th. From now on we shall be dancing at the Mary Hammond Youth Center (12th Street between Edgewood and Melson), where the Paxon Francers hold forth. So don't forget and head the car Marietta-way next time. January 7 will bring Dick Barker of Waycross to Jacksonville for the first time. We are looking forward to a real wing-ding in our new hall. January 21st will be another "canned" session with one of Jake's good tapes providing the caller.

MERRY MIXERS

FRIDAYS - Parish Hall, St. Paul's Episcopal Church. Myron Samson, Caller. Bruce Marley, President.

On November 18, Frances Paul and Marjorie Steeves gave a baby shower for Jackie Powell. Twenty nine Merry Mixer gals were present, and Jackie received many olvely gifts for the new little Keith Powell.

We sure had a good turnout at the Fall Roundup. Upwards of 40 Merry Mixers danced on Friday and Saturday nights. Where are all of you good people on our dance night, huh????? Glad to have seen you, anyway.

We wish to thank Marjorie and Richard Steeves for the work they did for the skit presented at the Roundup. Those participating had a ball. But do you know that not a single one has been ap proached by a talent scout!!

We Merry Mixers would like to express our thanks to those responsible for the Keokuk Benefit dance. Our sympathies were with these people, but as individuals it was impossible for most of us to contribute. This dance gave each of us the opportunity to help. THANKS!

December 17 was the night of our Christmas Party for the club. The hall was decorated beautifully, thanks to Dwight Perkins and his "crew". We really got into the Christmas spirit seeing so many of the dancers in holiday dress. We were so pleased to have the Haystack Hoppers with us. Do come again!

MERRY MIXERS continued.

After the dance, Frances Paul and Frances Upshaw invited all of the Merry Mixers over to the Paul's house for a Christmas Party. They had a wonderful buffet and everyone had a big time.

On December 20, we had a Christmas Party for Myron's Class. Many of the Merry Mixers turned out to help. We had lots of goodies too. With so much spirit, we are sure that the class is anxious to graduate.

HAPPY NEW YEAR FROM ALL OF THE MERRY MIXERS

Betty and John Adams.

TUESDAYS - Woodstock Park Community Center. JACK GRIFFITHS, caller. Frank Parker, President (387-1382)..

How time does fly, seems like we no sooner have our club report written and in the mail, when it's time to start writing all over again.

The Roundup is past, but not forgotten, and we were glad that so many from Fun & Frolic were able to be there, as we are sure that everyone had a wonderful time. When the bouquets were being handed out, we think that a very special one should have been given to the local callers who did such a wonderful job at the Friday night dance.

We were so happy to see Erma Blado dancing again. We know that Fred was just lost without his partner. Had also been missing several of our own members lately, with so

many activities going on, but we're glad to report that most of them are now back dancing with us again. Sure was good to see the Gehres, after so long. Seems like George has been travelling around quite a bit lately, and Ruth has a lso been busy trying to teach some of our offspring.

We always hate to lose our members. Two people who we will really miss, even though we didn't get to see them as often as we would have liked are Bert and Jessie Leighton. Bert, who is in the Navy, has now been transferred to Virginia, and so Jessie and the children have moved there also. We're hoping that they will be back with us again one day soon.

On Tuesday, December 14th, all of us gals were presented with a "Florida Snowball", and if you don't know what we are talking about then you "sho' 'nuff must come from north of the Mason Dixon Line. For the uninformed let us explain that we are talking about those good Florida oranges that Bill Fleshman grows. Seems like the Griffiths had also bought a bag of them for Christmas, but two sneaky people, who shall be un-named, slipped off with them. What did you have to do to get them back, Gladys?

On December 21st we will be holding our annual Christmas Supper Dance, and we regret that the location had to be changed after the last Grapevine came out, but sure hope to see you all over at the Brad Tredennick Center, where we will be for that one night only. Our new class has been invited to dance with us on this night. We are proud of them, and of Jack for doing such a wonderful job in teaching them. After helping with this class, some of us old 'uns ought to be able to dance, and we ain't kidding.

Well, we finally made it. That is, we got enough dancers to go and recapture our Banner from the Grand Slammers. Hear that about squares made it and that they sure had a good time. Just as soon as we get into the New Year we are planning on starting raiding again, so be warned, all ye square dance clubs.

This is the season when we should all take time to count our many blessings, and so to all of our square dance friends, whether you may be celebrating the Christmas Season, or Hannukah, may we wxtend our greetings, and also, best wishes for a very happy and peaceful New Year.

SWINGING SQUARES

THURSDAYS - Howard Bishop Junior High School, Gainesville. Dick Gonzales, Caller. Robert and Marshall Wigglesworth, President. (376-2358).

There have been a number of interesting dancing events in December. We've had well-attended dances in spite of the holiday season hustle.

We especially enjoyed having Tex Brownlee calling for our dance December 4th.

Then there was the succesful benefit dance for the Keokuk, Iowa, fire victims on Dec. 8th. Callers were: Tex Brownlee, Dick Gonzales, Scotty Thomas and Eddie Millan.

For a while it was difficult to determine whether Tex was an Air Force deserter, man about town, or a Halloween hangover - we had a real "bang-up" time, guns firing intermittently, etc.

The ladies excuted several fancy, higherto unknown, dance steps when the duck fell to the floor.

Everyone was "tied in knots" after Dick Gonzales had woven his web.

All roads lead to Gainesville to the Jack Jackson Dance, December 30th, 8:00 PM at the Howard Bishop Junior High School.

A Happy Dancing New Year to all!

Hi there! Betty Graeff pinch hitting. Bill and Ann Turner are spending the Christmas Holidays in Virginia. Gone home to see Daddy. That's what Ann said.

Wedding Bells - not sleigh bells are ringing. Bonny Crowell and Theron Smith were married December 19th. Our very best wishes to them.

Roundoleers were asked to do a Round Dancers round at the benefit dance on December 8th. Lotus Elossom Waltz was chosen and for an encore we danced Green Door. We hope you enjoyed our performance as well as we enjoyed performing. Thanks for asking us.

Oh Boy, November round of the month is catching on fast. It's easy and will be danced for a long time, so give it a try. December round is a (Carl Graeff (2) step) Alabama Waltz. Ask him - he will show you how.

We had a wonderful surprise Wednesday evening when Chuck and Ilag Richter from Michigan, who are wintering in Florida, visited our club. They were on their way to Norfolk, Virginia to spend Christmas with their children. They danced two Round Dancers rounds for us. These we must learn, so pretty and danced so lovely. Oh - dream on Betty, you have a long, long way to go.

On the subject of round dancing - may we once again extend to any club wanting to learn the round of the month, the services of the Roundoleers is yours for the asking. This service is free and it will be our pleasure. Call Carl Graeff - EV 7-6033.

Glad to have Roy and Becky Oakley back again. Becky, please stay well. We miss you.

Sam Webb has returned after an absence of several months. Him all better now. Welcome back Sam.

Sorry to report Eddie Bowman's mother is in the Baptist Hospital. We all wish her a speedy recovery.

Before I go may I say Merry Christmas and Happy New Year to you all. See you a-round.
