JULY 1962

HIGH SQUARES (High Springs)

The eleven couples from the HI SQUARES are back to their normal routine after attending the long-awaited 11th National dancing spree in Miami Beach. The couples attending were: our caller and his taw, Dick and Dot Gonzales; our club president, Ralph and Bessie Longman; Bill and Mary Simko; George and Sara Duke; Henry and Norma Jean Moore; Jim and Bettye Shaw; Pete and Carol Turner; Dickie and Aileen Stringer; Buck and Charlotte Shaw; Carlton and Marjorie De Loach; and Ray and Bettye Purvis. We all have many happy memories of the convention. The trail dance will be the highlight in Sara Duke's memory book -- she danced two tips with the famous caller Max Forsyth as her partner.

Our club president, Ralph Longman, should be presented with a special badge for his efforts in welcoming the out-of-state cars that were heading Miami-way to the 11th National. Instead of counting Fords, he counted cars of square dancers. His arm and car horn had that "tired" feeling by the time we reached the White House Hotel. The remedy for this tired feeling was the packet of square-dancing decals that Bessie purchased for Ralph and Bill to fasten on the car bumpers.

Two weeks ago our club had planned to dance in the city park, but the rain didn't let up by dance time. The spectators were more disappointed than the dancers. We plan to dance in the park soon. We may get prospective members for our new class in this manner.

Enjoyed dancing with our many friends from the neighboring clubs and hope they will visit our club on some Friday night.

Mary Simko, Club Reporter

JUBILEERS

At the JUBILEERS dance, held Saturday June 9, the following received certificates of merit, having graduated from the class conducted by caller Harold Pillmore:

- Barbara and Ronnie Carlander
- Jean and Nes Hurley
- Jean and Bill Reed
- Carol and Cyrus Washburn

Ies Sykes took colored movies of the dance, and they are exceptionally good. We were pleased to have visitors from Friendly Frolics who, we hope, had as good a time as we all did. They certainly photographed well.

Election of officers time is getting close for the JUBILEERS, and we are pleased to have the above new members joining the club at this time. Need I say more????????

VALLEY TWIRLERS

The Palm Valley Community Center held a chicken supper on June 2, with a square dance to follow. After all those dump-lings we ate, we needed to dance a little. We had a lot of spectators as well as dancers. Those visiting for supper and dancing were Barney and Cora Che-shire, Ray and Hester Neal, Charles and Verla Page, Ed and Libby Parrish, Carl and Beverly Tison, and Curt and Edna Stringer.

We were very happy to have dancers from the Seaside Squares on June 9 visiting with us. They were Joe and Margaret Smith, Woody and Rosemary Rogers, Art and Grace Governale, Ricky and Gene Hill, Leslie and Sandra Sauls, and John and Rae Lordan.

Some of our dancers attended the dance at Philips Highway Plaza. We had a good time, but our feet didn't feel so good the next morning. Happy to see Jan Butler back dancing after so long.

We had over a square of dancers roaming around the sand hills and palm trees on Saturday night trying to find us. They did not give up and eventually found us about a quarter after ten. I think next time they will know the way.

ORANGE PARK PROMENADERS

Saturday night, June 9, a caravan of cars left the Lions Club in Orange Park on their way to Sand Lake, where Marge and Floyd Hazen have a summer home, to earn an idiot badge. To qualify you have to wear your pajamas and wake the caller after midnight. Well, Marge and Floyd are used to being awakened by a couple of squares of dancers, but when 15 carloads (57 couples) pulled in and parked on the lake front, they were surprised. When fully awake Floyd remarked that it was the biggest "Idiot" dance he'd ever seen. You'd be surprised at some of the sleeping styles. We will keep all names secret, but one dignified citizen had on B.V.D.'s, and a couple of Forrest-High dads showed up in red rebel nightgowns borrowed from their daughters. One dancer had a label on his pocket which said, "Don't think -- drink." Very appropriately another Orange-Parker had a big heart on his pocket which said, "I'm just a prisoner of love."

Jim Carroll and Ray Delp brought out some movie cameras to record the dance. We also had Dale Holobaugh and Buck Murphy and Floyd taking slide pictures. We might even charge admission as soon as we have the premier. We have quite a cast made up of teachers, Navy officers and enlisted men, auditors, mechanics, and business men. Square dancing is fun for all!

Floyd called a few sets and then thought he was going to retire, but the PROMENADERS had other ideas. It was a nice warm night and we were on the lake, so we decided to make "Aqua Duck," which is a badge earned by dancing in the water. Off came the pajamas -- you guessed it -- everyone had on bathing suits. We were in the lake dancing, and I was listening to the remarks of some of the dancers. Here are a few: I overheard one fellow say, "My son would call me an adult delinquent." Another girl said, "I'm afraid of the water, but if I drown I'll make this badge." You must try a "duck-through" when the opposite couple are standing in water up to their shoulders. Some girl yelled, "Don't get my hair wet. I just went to the beauty shop." Well, at the end of the dance Floyd said, "Duck your partner." That was the end of the nice hair styles. Everyone within reach of those guys got a ducking. With the "Aqua Duck" badge earned Floyd was sure he would get back to bed, but he was in for another surprise. Upon the patio Bob Belyea and Harry Horton set up camp stoves, and all the dancers came carrying bacon and eggs.

Maxine Delp was the coffee lady, and Rivers Robbins, Dale Holobaugh and Duke Webb made real good chefs. While these dancers were cooking and the others sitting on the sidelines eating, Jim Carroll was taking all

brave dancers for a new style jitterbug. Let's say here that Marge can really swing it even if her first love is square dancing. As for the twist trophy, we have to award that to Steve Hazen and Shirley Murphy. When the bacon and eggs were gone, the coffeepot empty, and Marge and Floyd wide awake, we decided it was time to leave. Fifty-seven dancers lined up to sign up for "Idiot" and "Aqua Duck" badges. At 4:00 A.M. the weary but happy caravan of pajama-clad dancers headed back for Orange Park. I can truthfully say it was one of the best parties I have ever attended.

Kaye Carroll, Secy.

BEAUS AND BELLES

The BEAUS AND BELLES are a group of teenagers 13 to 17 years old. They have been dancing for eight months. Their caller is D. J. Lynch. They dance every Friday night at St. Andrews Presbyterian Church on 103rd St. All teenagers are invited to join them.

June 2tho BEAUS AND BELLES put on an exhibition dance at the Robert Meyer Hotel for the Women in Construction. They were presented with gifts for a job well done. After the exhibition they were guests of Friendly Frolics Club, and all enjoyed the lovely refreshments served by Friendly Frolics.

There are eight new "Idiots" (all teenage) in Jacksonville now. They are Jimmy and Johnny Neuschwanger, Kevin and Kelly Anthony, Eileen Kelly, Yvonne Whitson, Gail Seger and Gail Cox. They called on D. J. and Ann Lynch at 12:30 Friday night, June 8.

SEASIDE SQUARES

Well, here we are with another column. Lots of excitement and things have happened this past month. Most of the members came to Friendly Frolics on May 19 and then woke Herschell later on to become Idiots. Our new Idiots are John and Rae Lordon, Art and Grace Governale, Clyde and Lois Huston, Rosemary and Woody Rogers and Joyce Roberson. Old Idiots who turned up just for the fun of it were Frank and Aggie Clements, Theron and Dot Brannon, George and Lois Stanton, Ted and Elinor Johnson. We had a ball, and some of the girls brought coffee and cookies. A good time was had by all. Herschell and Rosa Lee are certainly good sports.

May 23 dance was a very good one. We had quite a number of visitors from Merry Mixers, Valley Twirlers and Friendly Frolics. Everyone seemed to enjoy themselves. One square danced on the boardwalk. How much cooler can you get? Just ask these people how they enjoyed themselves: Rosina and Ray Baxter, caller for Valley Twirlers, Ruth and Bill

Quite a few turned up to dance to Harper Smith at Philips Highway Plaza. Now that man sure can call, and I could dance to him till the cows come home. I think everyone enjoyed it.

Hope to see all of you Jacksonville and North Florida people out here at the Beach June 28 to dance to Les Gotcher. I understand he was at the Miami Convention, and he is a wonderful caller, as most of you know. So please, lets have a good showing at Jax Beach Community Center on Thursday, June 28. Mark your calendars now and don't forget. Let's see all your smiling faces on Wednesdays, too. More next month.

FUN AND FROLIC

FUN AND FROLIC held its fifth annual barbecue on May 20 at Faircloth's place on Lake Santa Fe. There were about sixty attending. Food is a specialty with Fun and Frolic, and the ladies lived up to their reputations as good cooks. The men prepared the barbecued chicken, and, as usual, it was delicious. Everyone enjoyed boating, skiing, swimming and fishing. Thanks, Betty and Marvin, for a wonderful day. We are looking forward to next year.

Charlie and Betty Jean Head had 25 dancers from Richmond, Virginia, as their guests for several days at their place on Spring Lake. The dancers visited here on their way to the National Convention in Miami Beach.

Mark and Audrey Fletcher, Betty and Marvin Faircloth and children have returned from a wonderful vacation, including a trip to Niagara Falls. Mark made movies, so we all will enjoy their trip with them as soon as the films are developed.

We still enjoy having visitors dance with us each Tuesday evening at Woodstock Park.

FRIENDLY FROLICS

Hey 'n' a howdy, y'all! "Snowpy Skoop" here, working m'way into the silver shoes of Ellen Johnson, outgoing club reporter! Grapevine readers have enjoyed many months of Ellen's excellent view of the "news," as well as her clever, amusing chatter. Thanks from the club, Ellen, for a really fine job of reporting.

FRIENDLY FROLICS members and guests had a fine time dancing to old-time records on May 19 at our "Old Fashioned Dance." Myron Samson's calling of "Jimmie Crack Corn" was a big hit, and has since become a favorite with the FROLICS crowd. Most charming in their "Bonnets from Yesteryear" were Lois Monteith and Marge Piszczek, while Joyce Roberson presented a pretty picture in her oldfashioned gown of "Positively Pink"!

Herschell and Rosa Lee thought they were saying their final goodnights at 11 P.M., but some of us knew better, didn't we? Sure we did, bause long about "snooze time" a bunch of Idiots and "Would-be's" descended upon the Lee home in quiet determination, resplendent in a variety of boudoir attire! Herschell and Rosa Lee accepted the "inevitable" with a big smile that resembled a "yawn," and a good time was had by all 'til the wee hour of 3:30 A.M. Those who joined the ranks of "Idiots" were Les and Saundra Sauls, Joyce Roberson, Art and Grace Governale, Clyde and Lois Huston, John and Rae Lordan, and Woody and Rosemary Rogers.

The enticing aroma of charcoaled steaks, etc., filled the area of Englewood Home Demonstration Club when on May 26 FRIENDLY FROLICS combined its quarterly business meeting with a cook-out supper! Mosquitoes were at a minimum, thanks to Shellie Faircloth, who undertook the "painful" task of spraying many a "well-turned ankle" with bug repellent. Presiding at the meeting were new club officers Doug Crout, President; Frank Clements, Vice President; Lois Monteith, Secretary; and Virgie Stewart, Treasurer. A big vote of thanks was given to Jack Starling and Helen Crout for the fine jobs they did as outgoing President and Secretary-Treasurer. A delicious birthday cake provided by Faith Butner in honor of husband Hugh and Helen Corley highlighted the refreshments for the evening, and dancing to the tunes of Myron and Herschell climaxed a most enjoyable time.

Speaking of our two talented callers -- Herschell's Monday-night classes and Myron's Friday-night classes are a continued success (both held at Englewood Home Demonstration Club). And -- c'm'on, y'all, let's turn out each Tuesday night for Myron's workshop! (Same place.) It's a real fine way to keep in step to all the new calls.

Joining the gang at FRIENDLY FROLICS this month are the following new members -- a hearty welcome to: Charles and Gertrude Wolfram, Joyce Roberson, Hubert

and Jean Martin, Les and Saundra Sauls, Floyd and Joyce Thacker, Doyle and Mary Stallons, Pete and Marge Piszczek, Julian and Pat O'Pry, Roy and Genelda McDonald, Hardin and Ruth Keith, Shellie and Myra Faircloth, Margie Chuba, Doyle and Helen Beatenbaugh, Arlen and Evelyn Ayer, Les and Muriel Sykes, and Bill Skiles. Happy Dancing !!

A "Snewpy Skoop" -- The smilin' new manager of the Atlantic Service Station, corner Lovegrove and Beach Boulevard, is none other than our own Theron Brannan! Congratulations and all good wishes in your new business venture, Theron!

"Snewpy" says "thanks" to the square dancers who put on a mighty fine exhibition at my recent "piano party." The children loved it, especially when they were invited to join in the dancing! So -- much appreciation to Jack and Erin Pomerantz, Joe and Lois Monteith, Irvin and Ellen Johnson, Frank and Aggie Clements, Dot Brannan, Don and Pat Massingale, and, of course, George Stanton.

A lively exhibition by the "Beaus and Belles" of Wesconnett highlighted our dance of June 2 at Annie Lytle School. This teenage group, together with caller D. J. Lynch, welcomes any new young people who'd like to get into the swing of things.

We enjoyed dancing to guest caller Harold Pillmore of the "Jubilooers" (come back, Harold) and, of course, to the calling of Myron and Herschell. Hosting the events of the evening, Frank Clements, Vice President, called upon Virgie Stewart to present a gift of matching shirts (on behalf of the club) to past President and taw Jack and Vera Starling, for their many efforts while in office.

Back from Miami, our weary but happy conventioners had the time of their lives, dancing to many terrific new calls, and just "living it up" from dawn 'til.....! Among the other wild escapades (including a bit of girdle stealing) ever-friendly FROLICKERS gave a surprise anniversary party for Herschell and Rosa Lee Lee and Floyd and Joyce Thacker. From the weird gifts bestowed upon these unsuspecting folks, I'd say the party was more of a shock than a surprise. Barbara, Helen, Genelda and Virgie agree, don't you, girls? W O W !!

Myron and Herschell have a score of tricks up their sleeves, so we sure don't want to miss club dances and workshop from now on. And say, LES GOTCHER, besides providing some marvelous calling, presented a colorful picture in his exquisitely trimmed costumes. He's quite a fabulous character, so let's all be sure 'n' turn out for his dance at Jax Beach on June 28! See y'all there!

MERRY MIXERS

The MERRY MIXERS have been a pretty quiet club thus far in June, but most of us have made up for it by participating in other activities. We enjoyed a real good club dance the 31st of May and were honored that night to have Floyd and Marge (Sugar Blues) Hazen with us. The following Thursday night a number of us journeyed up to Fernandina to dance with Jim Brower in lieu of our club dance.

Tuesday, the 12th, the MERRY MIXERS joined everyone else at the Philips Hiway Plaza Trail Dance called by Harper Smith. As you all know, this dance was a huge success, both from the dancer and spectator standpoint. We are proud of the part club officers Paul Lane and Leonard Saraga had, along with many others, in arranging and setting up such a wonderful demonstration to the people of Jacksonville. Besides, we had real fun, and it brought out people whom we hadn't seen dancing for some time.

Those of us fortunate enough to attend the 11th National, and there were many, had a blast like we've never had before. Four nights and three days of frenzied activity. The convention halls and programs were superb, but the after-parties until the wee hours were the most. We had so much fun at the White House every night that even the regular guests stayed up with us to watch. Just about every conceivable badge was earned and some new ones invented. Our hilarious experiences with Marina in the hotel coffee shop, eating at Hoffmans (ask Rosie about the takeout service), after-parties beside the pool, and many, many more were well worth the trip in addition to the convention itself.

Anyone interested in earning a Camping Square shingle by dancing and camping out overnight is invited to contact the club secretary, Virginia Tresca, or Frank and Mickey Cross (RA 5-5261) for details. Several couples in our club have already earned these badges and formed the organization.

Club members Leonard and Frieda Saraga advise that they can now accept subscriptions or renewals to the Grapevine at the Plaza Western Wear as a convenience to dancers.

We plan to forego our club dance on Thursday, June 28, to journey out to the Beach and dance to Les Gotcher. We will resume our regular schedule every Thursday night at the Arlington Civic Hall in July, with the 12th being the date of our traditional covered-dish supper to which everyone is invited. Ladies, bring your special dish and favorite partner for an evening of fun away from the kitchen. Y'all come and have fun with the MERRY MIXERS in July.

PAXON PRANCERS

On May 24 PAXON had a pleasant surprise: a large group of dancers from Gainesville visited us. They were out to get their "Die-Hard" badges, and I'm sure they made them because they were still full of vim and vigor that night. We also had visitors from Orange Park, Friendly Frolics, Merry Mixers, Fun and Frolic and other clubs this month. We enjoy our visitors and look forward to seeing them. Do come back and dance with us again soon.

Elwood could not be at our May 31 dance as he had big doings with one of his beautiful daughters, Lynn. She is now a high-school graduate. Good luck, Lynn; the club wishes you the best of everything. Ray Baxter called for the club that night and did a real good job. Thanks, Ray, for helping Elwood and the club out on such short notice. On June 7 we didn't dance in order that those who could might go to Fernandina to dance to Jim Brower. Several couples did go and reported that they had a good time. On June 14 Ray Baxter called again as Elwood and Laura and about eight other couples were in Miami Beach do-si-doing. We understand Ray called a good dance. Thanks again, Ray.

As for the group at the convention, we really had a good time. Even Elwood and Laura caught up on their dancing. I've never seen them dance so much. Laura and I had quite an experience. We were lucky enough to get in a square with the "Bearded Man" from California. We got the shock treatment, swung off the floor, and one of the girls got the board treatment. As I said, it was really an experience to dance in the square with him. The PAXON red dresses and shirts were a real hit at the convention. Every time we got together in a square, somebody took our pictures. Of course we were pleased as well as surprised.

We would like to congratulate the Kieffer family (Mary, Gerald, Pam and Geraldine) on the fine job they did as chairman of the Host and Hostess Committee for the Northeast Florida Square Dancers Association at the Convention. They worked all day Friday without one word of complaint, and I'm sure there must have been many things to complain about. We would also like to thank everyone who served on this committee on behalf of Mary and Gerald. We feel real proud to have them as members of our club. Thanks again for a job well done.

All the PAXON group would like to thank Floyd and Bart for the hotel arrangements and the after-parties. We also enjoyed dancing to our pet caller Elwood Saturday night. Thanks, Floyd.

LETTER TO THE GRAPEVINE

"We were transferred to Jacksonville, Florida, for about two months and had the pleasure of dancing with Friendly Frolics, Paxon Francers, Fun and Frolic, and Jubileers. Believe me, we certainly appreciate the hospitality shown to us by the above clubs of dancers. They did everything possible to make us feel right at home. Also, a vote of thanks to the N.E. Callers Association which we think is made up of the kind of people to keep the square-dance movement on the go.

"We would like to return some of the hospitality shown us while in Florida, so if any of the dancers or callers has the occasion to visit Columbia, S. C., please call us (Tel. 252-7668) or come by as our guest at 1416 Redwood Drive, West Columbia, South Carolina. (Continued)

SILVER SWINGERS

On Friday, May 18, the SILVER SWINGERS
 of Ocala, with Bill Muench calling, enjoyed
 another of their hot-hash dances. As usual
 there were many squares with visitors and
 guests. Mabel and Randy Davis reviewed
 the Florida two-step, and Traveler's Two-

 which brought us up on the latest calls
 and improved our style and level of danc-

 with delicious refreshments as usual.
 Everyone went away looking forward to the

STARLITE SHUFFLERS

We had our big day!!! It was June 8,
 graduation, diplomas, an inspirational
 commencement address by our "Cawler."
 Some of our group graduated with high hon-
 ors, while others wanted to trade their
 certificates in for a few more lessons.
 One of our couples even received a gradua-
 tion card from their daughter. Frank
 Coker received our perfect-attendance
 award. The graduates are:

- Scotty and Agnes Hayes
- Bruce and Julia Yongue
- Jack and Hazel Cannon
- Forrest and Georgia Addington
- Frank and Ruth Coker
- Charlie and Margaret Kemp
- Joe and Betty Tool

Valli Pashley
 Kathy Hanson

After a very tough examination two couples
 who had taken lessons previously, but had
 not received their certificates, were also
 awarded their diplomas as Bachelors of
 Square Dancing. They are Roy and Joyce
 Huguley and Herman and Grace Tison. Re-
 freshments that night were suited to the
 occasion with sandwiches taking the form
 of diplomas and graduation caps.

- An election of officers was held June 1.
- President - Mr. and Mrs. Coker
 - Vice President - Mr. and Mrs. Hayes
 - Secretary - Mr. and Mrs. Tool
 - Treasurer - Mr. and Mrs. Yongue
 - Chuck Wagon - Mr. and Mrs. Cannon
 - Hospitality - Mr. & Mrs. Addington

Since we had received our diplomas
 and were feeling pretty smart, we went to
 the Trail Dance at Philips Highway Plaza
 June 12. It was fun, but after trying to
 dance there, we feel we deserve a "Goof-
 er's Permit."

I want all our members to remember
 these two important dates:

- July 7 - Surf Twirlers Convention,
 South Ponte Vedra Beach
- July 21 - Club outing at Cannon's place.

Sure wish Dot and Walt Knight were
 writing this so they could mention some
 of the highlights of the National Con-
 vention in Miami Beach which they at-
 tended with their sons Robbie and Bill.

'Bye for now, and like Cathryn Murray
almost said, "Put a little fun in your
 life, learn to square dance."

11TH NATIONAL

The 11th NATIONAL SQUARE DANCE CON-
 VENTION may be over, but we should not
 forget the countless hours and the amount
 of effort contributed by the many dedi-
 cated people to make this affair a suc-
 cess. The sincere appreciation of all
 square dancers goes to the General Chair-
 man Harry and Helen Moore and to the many
 hard-working members of their committee
 for giving us a never-to-be-forgotten con-
 vention. A vote of thanks also goes to
 the callers and teachers who gave so gen-
 erously of their time in order to provide
 us with a varied and delightful program.
