On June 5th, the Maxey's daughter, Brenda, graduates. Bill Bishop will call for us while James and Helen attend the graduation. On June 14th James calls for 441 Club in Gainesville. July 17th the Starlite Shufflers are having Louis Calhoun at the Joseph Lee Center. Come on out and join us. We are looking forward to a good time.

Graduation time is drawing near for our class. We will be making plans to have a graduation ceremony that they won't likely forget for quite a while. They are a fine group and we are looking forward to having them in our club.

We keep hearing rumors about a pool party in August at the Burtraw home. We'll be telling the Starlite Shufflers more about this event later.

Don't forget to mark your calendar for July 17th. Joseph Lee Center, 8:00 p.m. for a lot of square dancing fun with Louis Calhoun doing the honors. Hoping to see you there!

Howdy ya'll, yep it's me again. Le'me see here, we had a real good turn out fo' our Sadie Hawkins Dance. It came complete with Singing Ray and his magic outhouse and Rocky Rust with his two sided mountain story, who, by the way, had a surprise birthday party that same night. Buddy Campbell and Bertha Pruitt won prizes for most original costumes.

Well, then on the 7th of June, that wuz a real humdinger of a business meeting. It carried on till one in the morning. (Those class members never get tired).

Several of the club members are planning to attend the State Convention in Tampa.

On the 4th of July we're gonna pop down to Roy and Hazel Halls' place on Swan Lake for a business meeting (at 5 o'clock) and an all day outing.

ORANGE PARK PROMENADERS attracting visitors
from all over the country.

Fridays, Orange Park Lions Club.
Caller - Bill Camp

Boy, have we had the visitors this month! From all over! From the Dudes and Dolls in Knoxville, Tennessee, we had Johanna and Daniel King, and from the Chatta Squares in Chattanooga, Tennessee we had George and Wanda Jones. From the Kaper Cutters of Palatka we had Ed and Ann Fridy, Ray and Jeannette Gross, Bill and Mercelyn Young, Tommy and Frances Tyre and Melvin and Delorise White. We always enjoy D. J. and Ann Lynch's visits. We always get to dance a tip called by D.J. every body seems to enjoy -- even the class gets into the act.

We had quite a number of young Calico Swingers out too. The kids did such a fine job of convincing their moms and dads that square dancing was fun that the parents decided to try it. What do you know -- they stayed and are about to graduate!

We've also had a lot of local visitors -- there's always our faithful square of Western Cutters and almost as many Country Cousins who've been out so much we feel they're a part of us. Their company is certainly enjoyable. Then we had a non-dancing visitor, Mrs. Dorothy Komoroshi, Sandy's mom. Bring her back Sandy, maybe she'll try it some time.

We had another young fellow who wasn't exactly a visitor -- he's one of ours that's just been away for a while. Michael Haynes, who is stationed in California was home on leave. He sure seemed to liven up the younger set -- as if they needed it!! I'm certain there's more to the "generation gap" than ideas and beliefs. How about energy? Or is it they don't make wheaties like they used to! Anyway, Mike, hurry back and dance with us every Friday.

Hope we got all our visitors -- if not, forgive us. Come back and we'll make sure we don't. We enjoyed having everyone of you. Come back!!!

It would seem some of our members are getting very good at "Green Alligator". If anyone

of you would like to learn how to do the round, just ask Fred. He must have had a private tutor! 'Course some of us are still rather awkward. Wonder if they ever got Dot's legs untangled?

Don't forget the 4th of July "Blast Off". Even the tickets are being sold. I don't think it's absolutely necessary to have tickets. No one will be turned away if you show up and wish to dance.

By the time this is printed, our class will be graduated. June 27 is the date set for the "coming out" party. We have 52 graduates. The club would like to take this opportunity to offer congratulations to every graduate, and extend a hearty welcome to all those who wish to join our club. It is our sincere wish that everyone of you continue square dancing whether it's with us or some other club of your choice. Again, Congratulations! It's been great!

SUNSHINE TWIRLERS CLUB planning a big Aqua Duck weekend.

Thursdays, Recreation Center, 8:00 p.m. at Gainesville, Florida
Caller - Scotty Thomas
President - Bill & Barbara Russell

We are now anxiously awaiting our Aqua Duck week-end, June 21. A brave group went out June 14 for cleaning up camp sites, checking lake, and running out snakes for several families the following week-end. The club furnishes drinks, hamburgers, hotdogs, buns and the girls will bring salads, trimmings for the meat and all types of delicious desserts. With the swimming, skiing, square dancing, good food and meat of all the wonderful people, we are sure that everyone will go.

We are so glad Polly Teele was back with us within one week after surgery. Also, Paul and Yvonne Dixon were blessed with a little boy on May 26. We know their little girl of two is so happy with her new brother. Maybelle Frue is slowly but surely recuperating from a badly sprained foot this month. Even though she couldn't dance, she still kept time with the music with that bad foot.

Tom and Sue McRorie makes everyone so welcome at the round dancing on the first and third Monday nights. They have built a lovely place for dancing at their home and we all have such a good time. We are enjoying learning "Making Eyes", the round picked for this month. Tom calls a round dance between our square dancing every Thursday night. We hope others will join us as we go along.

WESTERN CUTTERS -- Danny Robinson did a fine job of calling.

(384-4162)

If a person wished they had lived way back when---they would surely have had to be born TOO LATE, and not too soon! Oh well, we're gonna have to get a new typewriter and get rid of that one that makes that kind of errors!

We Western Cutters surely enjoyed the May 24th dance with Dick Barker doing the calling. We welcomed quite a few visitors---there were folks from Folkston and Valdosta, Ga.; Country Cousins from Dinsmore who ran off with our banner; we were sorry Folkston, that we did not have two banners---we have our banner back already though, so come see us again real soon.

There were also visitors from Allemandarins, Promenaders from Orange Park, Roundoleers, Gainesville, Calico Swingers, and also the BOB HUNTS that same evening. Y'all come back, we surely enjoy having ya'.

We hear there were quite a few square dancers at the Cedar Hill Armory for the fifth Sat. night dance on the 30th of May. Sorry we missed it, but we had gone west for the week-end to Panama City and found a mighty fine group of square dancers over there---with a big hall, with wooden floor, and some smoooth calling!

Many thanks to Tom and Mariann Hidding for their painstaking efforts and time in helping us to enjoy learning the fine art of Round Dancing. It is really a pleasure to have them work with a group of us, and hope some day we can master at least one of these dances.

JUNE 14---Mary Hammond Youth Center---Western Cutters Square Dance---Saturday night---full house, squares on the lawn---that's the way the scene was set while Danny Robinson, that routin', tootin' Cowboy did a fine job of calling. Along with Cowboy Dan came a couple squares from Orlando's Whirl & Twirl Club on a Knothead trip to win their badges. Our program chairman, Dan Yoder and Big Tom Hidding put them through some tricky manuevers.

COUNTRY COUSINS - Come hear a variety of Callers.

Saturdays, Dinsmore Civic Club, 1st, 2nd & 4th
Caller - Walt Knight
President - Robert & Ann Zortea

May 24th a square of us Cousins broke away from the class long enough to venture to the Western Cutters to dance to Dick Barker. We really enjoyed this but we had to leave early to report to our club that the Western Cutters had plans to steal our banner in two weeks. We did manage to steal their banner even though we combated with the Okeefenokee Swampers of Folkston, Ga. When we arrived at our club we found a square from the Paxon Prancers there stealing our banner. Boy! what a swapping night.

June 7th we almost brought the house down. We had the Western Cutters, Paxon Prancers and a few Jubileers. We had not confiscated our banner from the Paxon Prancers by this time for the Western Cutters, but they did manage to get off with their banner. This night Walt Knight, Robert Zortea and Tom Hidding did the Square dance calling with Ann Zortea and Mariann Hidding helping us with rounds.

June 14th we had a ball. The Grand Slammers came out to get their banner. We must confess that Walt Knight and John Hart were really worried. Robert Zortea had to work late and could not get to the dance until later so we did not have the Grand Slammers banner ready for them. They had plans to steal Walt Knight's shirt and Hohn Hart's pants. I would hate to have seen the Grand Slammers go home early, but I sure did want to see this task accomplished. Robert Zortea finally made the scene about 9:00 and this was the first breath of air John Hart took up to this time. For an added attraction Bill and Nora Camp came out. "We're so glaaad to seeee ya." Bill called a few tips for us which we all enjoyed. You can't imagine the fun we had with these

three great callers, Walt Knight, Robert Zortea and Bill Camp.

Those of you whom have not as yet enjoyed the great calling going on at our club have really missed some good Square Dancing. Make plans to come out. We dance the 1st, 2nd and 4th Saturday night of each month. Ya'll come

(781-2532)

Grand Slammers and Jubileers started summer with a boom this year in the form of fun and recreation at Camp Immokalee, the weekend of May 24th & 25th. We enjoyed exceptionally good food, dancing, skits, sun bathing, swimming, skiing, canoeing, volley ball, soft ball, and music provided by our special group. A visiting Indian chief entertained the children with games and relay races. Those children participating received a souvenir from Camp Immokalee.

On May 31st, Memorial Weekend, six couples traveled to Dick Barkers' dance in Waycross to steal their banner only to find the dance cancelled. Needless to say, they were tired and disappointed. By the way, has anyone seen Cecil Hearn?

A group of dancers made a Knothead trip to Mims on June 7th. The dance was called by our John Robbins. Our club dance was called by Dick Goedert. A grand time was had by all, especially since James and Helen Maxey and members of Starlite Shufflers added to the fun.

Our club members threw diets to the wind Sunday, June 8th, and devoured delmonico steaks grilled to perfection in the back yard of the Zelusky home, baked potatoes with sour cream, tossed salad, rolls and assorted drinks. Afterwards we made homemade ice cream and danced.

We danced with the Alemandarins Friday the 13th. We didn't get the banner but did walk away with the caller's shirt. As always, it was a great dance. A square visited Country Cousins on Saturday 14th to dance to Walt Knitht, retrieve our banner, and enjoy the fun and friendship of a grand group of dancers.

Remember to keep a smile on your face, kindness in your heart, and let's go square dancing.

Speaking of celebrations, I hear that our Caller's Birthday Party Dance was a howling success! Sorry I missed it, but "Snoopy" was "Skooping" Fun City - New York! Incidentally, Many thanks to Ruthie Smith for baking Frank's Birthday Cake - heard it was a beauty! Also, "Hats off" to the Wattes, Hazlips, Browns and all those who helped plan this party-dance!

As this goes to press the Chain Gang is busily planning its Third Anniversary Dance for June 28th. Once again the "Parole Bored" (D.C.G. charter members) will be in session to decide the fate of all of our

Inmates! Example; Are "prison trustees" Bonnie and Clyde Smallwood ready for a parole? Do the Tysons deserve a "Full Pardon?" (Inga-yes! John - ??) What drastic action must be taken in the case of that dangerous Williams pair, Jim and Robbie? (This name alone is one strike against her) We do hope all our friends will join us on the 28th, which, by the way, is also Election night for officers.

We were delighted to entertain guests from Texas and Rhode Island at our dance of June 14th! It was an added pleasure to see a lively, enthusiastic bunch from Friendly Frolics walk off with our banner and we look forward to retrieving it soon. Thanks so much to the Mills and Jim and Marilyn Stone for the delicious sandwiches and cakes they so very kindly provided. Frank Clements, as always, called a rip-snortin' dance - and no one stomped any harder than Glenn Johnson of the Y-Knots! Doesn't that guy have a hootin'-hollerin' good time when he dances? This is what we love at the Chain Gang! Helen Crout got all of us up for some mighty enjoyable mixers - rounds - as always, a welcome interlude between tips at our dances.

We've missed the Yilles and Pridgens (on vacation) and the Johnsons, who are awaiting the arrival of a new little income tax deduction! Hope to see all of you back with us soon! You too, Teena and DeWitt Greene - Brenda and Anthony Green - Johnny and Frances Long - shatcha doin'?

Chain Gangers!! Lest you forget - your membership dues are forth coming by our July 12th dance! Also, a business meeting is in the planning for July 19th at the home of the Stantons - date to be confirmed later on. A big new year is ahead for the Dixie Chain Gang - so, for a "piece of the action", climb aboard the "paddy wagon" and do a "stretch" along with the rest of us "lifers"!

ROUNDLEERS planning a round dance weekend at Laura Walker State Park.

Wednesdays, Woodstock Community Center
Class - 7:30 to 9:00, Instructor, Helen Crout
Club Dance - 9:00 to 10:30
President - Bud Reisen

Seems like we're all comers or goers these days at Roundoleers. The trouble is that we've had more goers than comers, which has depleted our ranks since vacation season arrived. The Shufords have been running hither and yon trying out their new trailer at various campsites. Foots and Joan Reynolds had a couple of shakedown cruises in their new camper and even intend to use it on an East-Coast trip as far North as Canada, only to take off a week later for Louisville, Ky. Lucille Williams has turned dog-sitter at the beach for several weeks, and our Prez and wife, Bud and Edith Reisen,

Continued - ROUNDLEERS

are on an 8 week junket (Bud calls it Work!) in the wilds of Winder, Ga. We miss them but are glad they'll join most of the club roundin', squarin' and eatin' at the State. Among the comers, we were happy to see Fred Hafers back on the dance floor after an absence of about six months, and the Stewart Wordens of the La Mesa Debonairs, all the way from that West-Coast Sunshine State. On June 25 we have a real treat in store for us when Kathy and Chuck Heiss, round dancers par excellence, from Bonita Springs visit the Roundleers. Oh, to dance like those two.....

Our June Round of the Month is MYSTERY MELODY. Don't know what the mystery is, but the dance is real smoothie and easy learning. Our class breezed through the dance like gnats through a window screen. By the way, we've got some "naturals" in that group who are going to make us club members look to our laurels. - Don't forget that we teach the Round-of-the-Month the first Wednesday of each month, and we welcome all dancers (for free, too!) who would like to come learn it. The July Round-of-the-Month is MAKIN' EYES, an easy two-step to some of Bert Kaempfer's incomparable music.

Now hear this! Seems like the square dancers beat us to the punch and tied up the facilities at the Orange City Camp-ground for the week-end of July 19-20. So the place is now the LAURA WALKER STATE PARK near Waycross, Ga. There'll be round dancing, an easy teach, and some workshops, plus all the food and fun that goes with a camping week end. This is for all dancers interested in rounds or camping, or both. For details call Helen Crout (724-9757). The date is still July 19-20.

GATEWAY CALLERS ASSOCIATION receives a new President.

At the June meeting of the Gateway Callers Association, we elected Frank Clements as the new Chairman of the GCA. I know Bobby was happy to turn the "mike" over to Frank as he has been kept pretty busy as Chairman for the past six months. Thanks for a job well done, Bobby Keefe.

We want to welcome R.J. Hogan to our ranks as he joined our association at the last meeting although he wasn't able to attend the meeting. R.J. is working hard in Gainesville calling for a club and teaching a beginner class while learning to call. We might add that he is doing a good job from all reports, too.

At the June meeting the Educational committee made a report on the material

planned thus far. This committee made up of Bobby Keefe, Scotty Thomas, Johnny Robbins and Harold Pillmore have planned an extensive program for the beginning caller which we hope to have completed by fall. I think all square dancers will be happy to have a program of instruction for beginning callers.

As you probably know, some of the callers have been asked to sell subscriptions for the Bow and Swing magazine. This is the square dancing magazine which has news for the entire state of Florida and South Georgia. The Florida Callers Association has taken over the publishing and editing of this magazine and we think you will see a great improvement in it in future months. I hope most dancers will subscribe to the Bow and Swing and then send any suggestions or news to Henry Purcell who is Editor now.

We just received two post cards from Joe Smith who is on a tour of the United States now. Joe reports that he and Margaret are really seeing the country and enjoying every minute of it. At last report they were in Everett, Washington and were leaving shortly for Vancouver, B.C. They plan to be back in Seattle for the National Square Dance Convention. Joe said he hasn't had any time for square dancing yet but he did take his 'calling equipment' just in case he should need it. I hope he and Margaret have a safe trip and I'm sure they will have plenty of news when they return in August.

JUBILEERS has a Tarzan!

2nd & 4th Saturday, Arilington Congreg.

Caller Harold Pillmore
President - Harvey & Gloria Chambers
(724-9014)

Well, the Camp Immokalee weekend is over but some of the Jubileers and Grand Slammers are not over the weekend yet. Sore muscles, sunburn and red bugs took their toll, but as usual, we are already looking forward to the next trip to dear old Camp Immokalee! We had everything including baseball, swimming, volleyball, boating, water skiing and even a little square dancing

Also, we had music and some real good skits put on by both clubs, and if you never saw Harvey Chambers as "Tarzan" you ain't lived yet. We won't mention the Allemandarin that played the part of Cheetah the Chimp. Man, he had a real "tale" of woe.

We had enough food and kids to last a life time and to get a little serious, we really had a good time and everyone came home safe and sound. Well, almost sound anyway.

Harvey Chambers has his voice back (he even did a singing call at 2 a.m. at the camp) but he has gone and busted his foot and its all done up in a fancy cast. Also, if that wasn't enough, he has to have a little more surgery done on his throat. In all seriousness, we wish him all the luck in the world and in case that isn't enough, he has all our prayers. Come on, get well soon Harvey!

In the past, square dancing seemed to get a little slack in the summer, because of vacations, heat, baseball, etc., but it doesn't seem that way this year. When you stop to think about it, its something to think about. Like good corn-on-the-cob, square dancing is good the year round and good square dancing is easier to find and not as expensive.

We are still talking up a Knothead trip, so let's have everybody at the next dance and get all the wrinkles ironed out.

We hope to see a lot of visitors at our next dance!

2nd, 3rd, & 4th Saturdays, City Recreation

Caller - Dick Barker
President - Jim Foley (265-6578)

On June 6 and 7 at Laura S. Walker State Park near Waycross, Ga. Dick Barker had a fun Fest and fun it was. We had so many people I thought we were going to have to put some outside to dance. Some came over

just for the dance, but most of them were camping. We campers are looking forward to this so come on up. I understand this will be each first week-end in the month. I will have more on this later.

June 14th, at our regular dance the club had a Pot Luck Supper. I understand the food was delicious.

The Golden Isles Swingers have been asked to dance at the Sunshine Festival on St. Simons Island, Ga. This will be on Thursday night July 3rd from 8 - 10:30. We are looking forward to this.

We are glad to have our Banner back. For this we can thank the Foley's, Evans, Nelsons and Jerry Tyson. So glad you went to Folkston on June 12th.

We would like to say welcome home to Louise Bowers. Louise has been in the hospital in Augusta, but is back home now. We hope everything is ok and that you will be back to dance with us real soon.

Jeanette Rhodes son, Wayne, broke his leg playing ball. He was in the Brunswick hospital in traction for three weeks. Wayne is home now but must stay in bed for quite a while.

We love to have visitors so why don't YOU come dance with us.

Summer is indeed with us! If we hadn't noticed the other signs, we could tell by the vacation plans overheard here and there. Among our "touristors" are the Springs who are visiting relatives in Ohio; the Holts who could hardly wait to hit the road on an extended tour with their new camper; the Ibach's who are now enroute to California on a combination work and fun trip. Hope they all remembered to take some square dance clothes.

We've enjoyed having some out of town visitors recently and expect more as the summer moves on. Let's all remember to make them feel welcome the way we'd like to be treated among strangers. Of course, we always enjoy hving local guests, too. Continued -

We're going to miss the Reisen's at our dances for about two months, as Bud has been transferred to Winder, Ga. for about that long. Hurry back, Bud and Edith.

We're sorry that Clyde Mixon has been sick and was a patient in Baptist hospital. It's better to do business with hospitals as a sales representative than as a patient, eh Clyde? Hope you're feeling much better.

Now we have seven new couples of Knotheads in our club. These seven couples combined a weekend of fun at Lake Serena with their Knothead trip to Mims on May 24th. Seems they were treated royally, with even a special cake decorated for them. Oscar Irwin called and everyone reported a perfectly wonderful time!

Note to all club members who have not paid their dues--we plan to make up the new roster of members shortly, so please hurry and get those dues in so you'll be included on the list.

Everyone please note--we must keep the back door of our dance hall locked for several reasons, one being that the air conditioning works much better with the door closed. After the caller gets in with his equipment this door will be kept locked, so y'all please use the front door, OK?

James Maxey will be our guest caller the third Saturday in July while our popular Bobby is teaming up with Bob Rust in calling for Fiesta Week at Rainbow Lodge. We're proud of you, Bobby. We know you'll be just great! And James, we're glad to have you as our guest caller.

Our new Visitation Chairman, Bud and Jean Harper, have really been on the go this month. They, together with their various "gangs", have captured Allemandarins' flag, Y-Knots, Dixie Chain Gang's, and Paxon Prancers! They've also retrieved ours from Western Cutters. It was fun, too! Well, y'all come a-visiting.

JOSEPH LEE CENTER DANCE - all levels

Tuesdays, Joseph Lee Recreation Center
42nd & Perry St. Next to Pearl
Plaza

Caller - Bill Camp

The summer program has started with a bang. I want to let you know, as caller for this open dance, I am having a grand time calling for this all level dance and workshop, which is open to everyone.

We have had in attendance some dancers who have not danced in a good while, also we have had dancers from my class and other classes in the area. I also know the regular dancers who have been attending are

having a great time, because they keep coming back. Sometimes I wonder if they are having too much fun, if there is such a thing.

Everywhere I go people ask me if they can attend this dance. (Yes, it is open to everyone). Maybe we have not made it plain to everyone just what this dance is like and what we are trying to do.

The Joseph Lee dance was set up as a dance last September 10th to fill a gap that existed in this area. Our desire was to design a dance to which people could go and dance the basics they are taught in class, plus any other basics or terms which are bugging them. For those who are attending on Tuesday, this is working out so well we hope you can attend this dance on Tuesday.

This is not a club but an open dance for everyone. You do not have to join anything or do anything except come and dance. A door prize is given each week, we also furnish light refreshments.

There are dancers who can only dance once a month. They have found they can come and not feel they are behind. This is made possible by the program called Basics which everyone knows are called with the other material being workshopped into the program. This makes the dance a challenge for these dancers.

Welcome, graduates into the world of square dancing. It is our hope that you will enjoy many hours of this wholesome recreation.

Happy Dancing, Bill Camp

CALLERS COLUMN

This month from our CALLERS AVAILABLE column we have the well known caller, Jack Livingston, to present to you. We hope that you will learn to know them better and appreciate them more.

Jack Livingston--native of the "Hoosier State" lives only seven short blocks from the famed 500 Mile race track in Speedway, Indiana. His interest in square dancing dates back to his boyhood days when his father called dances country style, back when folks rolled up the living room rug and invited in the neighbors on Saturday night -----

Jack's folks all loved music and he soon mastered the guitar and the fiddle and started playing music for dances. But it was not until after his marriage to Grace that he became interested in calling and teaching dancing.

Some folks were watching them dance and were amused how both Jack and Grace were calling the dance - without being conscious of doing so - right along with the regular caller. They encouraged Jack, because of the shortage of callers, to consider taking
