STARLITE SHUFFLERS - Louis Calhoun dance
regretfully cancelled.

Thursdays, Joseph Lee Center
Caller - James Maxey
President - David & Evelyn Branch (733-6065)

Once again time has come for election of new officers for our club. With all the material to choose from we shouldn't have a bit of trouble selecting our great white leaders for the coming year. One thing for sure they will really have to shine to keep up with our ones of the past; to Bruce Yongue, Bob Pamer, Forrest Addington and Janie Clark, you and your mates have been the best leaders a club could possibly have and we appreciate it more than words can ever tell.

All you square dancers and us too who were looking so eagerly forward to dancing with Louis Calhoun, we are very regretfully sorry that at this late date we have to cancel that caller. It was something beyond our control and we'll try and make it up to you.

We have had quite a few visitors this past month. It is always a treat for us to have visitors and we invite anyone who has a free Thursday night to come to the youth center and dance with us. Big Daddy Maxey is sure doing some good calling. As a matter of fact he has to be good for he is sure having a struggle trying to retain his position as caller for the SHUFFLERS. He has about half a dozen guys trying to roll him for his job since he bought his beautiful, luxurious, fantabulous Pathfinder camper. Boys, it is really a dream. The trouble is every time James goes in the door about 15 females follow him in to help him get dressed. Never realized that men wore panty hose before. It's amazing what a change can take place in a person when he has other people to help him get dressed.

While we're on the subject of campers, boy, am I ever in the dog house. The last time everyone camped with us it rained 17 inches. We had another camp out over the Memorial Day week-end and I promised sunshine. Would you believe it only rained 16½ inches this time? We had 53 people for the week-end and the rains came down. After a little preparation we erected a tent city that I know must have put the Woodstock Festival to shame. We had a Big Daddy Pollock with us and lo and behold somehow he pulled the wrong string and down went tent city right on top of Eleanor Zelusky. Did so much damage to her that she could only work on Bob Hart's stiff back 10 hours instead of 12.

WHERE IS IT?

Continued - STARLITE SHUFFLERS

Don't know how he got that stiff back unless at O'Leno when he fell out of bed. Also, one of our more sophisticated gentlemen has had this thing for the last 40 years. Seems when he was but a wee tot some trusting soul told him the way to catch fish was to put a piece of Asafoetida on his hook and the fish would tear it up. Well, all these years he has pondered over this bit of information. Six years ago he began his search for this stuff. He finally had to get a druggist to order it for him. He came to the camp-out all enthused and ready to fish with his magic concoction. But alas, when he removed it from the wrappers it had all dried out and he couldn't even cut it. Cheer up Forrest, that's life for you. Now we'll never know if this is the way to catch fish or not.

The STARLITE SHUFFLERS are planning a bang up camp-out on the 4th of July week-end. Also, we have a goose pimple trip in the making. Only ones qualified for this trip are the ones that can produce honest to goodness goose-pimples all over the body and not just on one arm like a certain "agitating Agitator". Not mentioning any names but his initials are Ski Zelusky. Now don't that just take the cake. Can only get goosepimples on one arm. How kooky can you get. Never heard of such an odd-ball. Also, to Ski and Eleanor a great big thanks for putting up with us just about every Thursday night. Don't seem like the dance is complete lest we go to some ones house and we usually end up at theirs. As a matter of fact sometimes it is really an asset to have us. Just last Thursday night Margie Reitermayer spilled some coke on the floor and she literally put her whole self into cleaning it up. Right Margie?

We have a couple of pillows that were left at O'Leno. If the owners will please contact Bruce Yongue you can get them from him.

We mentioned earlier in the article that it was time for election of new officers. Thursday night, June 4th, we had the election and new officers we now have, just about, anyway. Seems as though Bob Pamer and Forrest Addington are working on retirement as Vice Pres. and Treasurer. David Branch is our new president and Elbert Cox our secretary. Congratulations to all of you and we know you will do a bang up job. We will have installation services for our new officers the first Thursday night in July.

On Thursday night June 11 we had visitors from the GATOR PROMENADERS and WESTERNAIRES. We were happy to have them visit with us. Also, on this same night Ski Zelusky was presented with a very useful gift. Seems he has such a big mouth that if he ever needed mouth to mouth resuscitation he would be in a world of trouble, seeing as how no one in this world has a mouth to match his. One of his buddies, namely Bud Hennesey, worried over this situation until he finally hit upon a solution, a bath room plunger, and would you believe it just fit. With this problem solved we all feel that we can handle any situation

that might arise amongst the SHUFFLERS.

EDITORS NOTE - We want to thank this club, the STARLITE SHUFFLERS, for participating 100% each year in subscriptions to the Grapevine. It is good to have your club take care of this for you and we appreciate it greatly.)

PAXON PRANCERS - Planning 4th of July outing.

Thursdays, 8 p.m., Mary Hammond Youth Center
N. Edgewood & 12th St. West.

Caller - Bob Rust

President - Theron & Bonnie Smith (389-0685)

Our Sadie Hawkins Dance was the most fun yet! Ladies filled their cards by asking men for dances, and the hall really looked like Dog-patch with a full-size cabin, a smoking wash pot, Kickapoo Joy Juice and a papier-mache likeness of Mammy Yokum dressed in mini-skirt and boots and smoking her corn cob pipe. Prizes went to Don and Norma Smith. Bob Rust was surprised with gifts and a birthday cake featuring Daytona racing cars.

PAXON graduation was held for 31 on June 4th. They danced barefooted and blindfolded around cream pies, then 4 lucky graduates danced a tip with 4 "ladies", Ray Livingston, Warren Milligan, Charles Potts and Don Smith. It was hilarious!

PAXON PRANCERS have been active - we're taking our graduates to each club in the area; we went to JUBILEERS and retrieved our banner, GATOR PROMENADERS, WESTERN CUTTERS, FRIENDLY FROLICS AND ALLEMANDARINS. We had a special invitation, and three squares joined ANCIENT CITY SQUARES in St. Augustine June 12. All these clubs were friendly and made us know we were welcome. Of course, PAXON was well represented at the State Convention.

4th of JULY - Luau picnic at Roy and Hazel Hall's lake place. This will take the place of our usual business meeting.

PAXON members are planning a Knothead trip to Valdosta (Bob Bennett, Caller) on FRIDAY JULY 10 - (Note Change). If anyone from other clubs would like to go, get directions from our President or Don and Norma Smith. Afterwards a party is planned at Shawnee's Blue Room - reservations necessary.

SPECIAL NOTE: PAXON PRANCERS WILL NOT DANCE AT MARY HAMMOND ON THURSDAY, JULY 16! The club voted to cancel their regular dance and visit STARLITE SHUFFLERS at Joseph Lee. This has been announced many times, but please make a note as we would hate to have anyone go to our usual dance only to find a sign directing them to another dance.

TEENS! TEENS! TEENS! JULY 30 - PAXON'S regular dance will be a "Beatnik Party" arranged by our teenagers. They invite visitors and members to dress the Beatnik way and prizes will be given for the best costumes.

Continued -- PAXON PRANCERS

CHARITY DANCE * MONDAY, AUGUST 24 - at the Garden Club, Riverside, sponsored by Thor Chevrolet. All proceeds will go to FLORIDA ASSOCIATION FOR THE BLIND. Two fine callers have agreed to donate their time, and PAXON members will bring refreshments. Last year this affair was a big success.

HAVE YOU NOTICED some people wear P. P. Badges white on red and others red on white? The first one is special, and is presented at our annual Christmas Party to Paxon members only.

As Bob and Lou Rust are vacationing for three weeks, we plan:
July 16 - Cancel - Visit Starlite Shufflers
July 23 - Bobby Keefe
July 30 - Bobby Keefe - Beatnick theme.

PAXON PRANCERS welcome visitors! We always have them come visit us and find out why!

ALLEMANDARINS - Scalping??

Friday nights, 8 p.m., Wolfson High Cafeteria
Callers - Dick Barker and Bill Bishop
President - Bob and Rose Walker (725-7742)

Our officers for the coming year were elected at our May business meeting. They are: Bob and Rose Walker, president; John and Fannie Walker, Vice President; Jim and Peggy Scott, Treasurer; John and Freda Seebacher, Secretary. Congratulations you all!!! We would like to thank the past years officers. You did a great job and we enjoyed having you as our leaders.

Louise Tapley is recovering at her home after being in the hospital for surgery. She is doing fine. Hurry back, Louise, we miss you. Our other friend, Dot McGill, is getting around without crutches now so one of these days she will be back dancing with us.

Two squares of our dancers went to Duval Medical Center to dance for the patients there. Everyone enjoyed themselves very much.

Starting July 3, Helen Crout will call a round dance between the square dance tips. She will be calling regularly every Friday.

We would like to welcome our new club members Gene and Betsy Hughes, Bruce and Carol Meeks, Jack and Betty McCall, Hart and Polly Smith.

We know square dancing is fun and sometime a wee bit on the wild side!!?? But to scalp a certain girl, I do not remember those kind of maneuvers when we were learning to dance. Seriously, please come back, Shorty. They promise to be a bit better. We certainly do enjoy all the visitors that come to our dances.

You all have fun and take care if you are going places. Until next month.

JOSEPH LEE CENTER DANCE - Workshop continues.

Tuesdays - Joseph Lee Center, 42nd and Perry at Pearl Plaza.
Caller - Bill Camp (388-3889)

Hello everyone. We've been very busy since we last reported to you. Many have been getting ready for vacation and others are already gone. There have been camping trips made, some are being planned.

Class graduation on June 2nd was well attended with every class member present. Diplomas and badges were presented to each. Be good to them when they come your way.

The workshop will continue as long as necessary with from 4 to 6 new basics and/or movements taught each week, plus review and more review.

We've learned three rounds during class and are now working on "Sweet Talk". Be happy to see you around the square.

Bill Camp

DIXIE CHAIN GANG - New officers, members and graduates.

2nd & 4th Saturday, Philips Highway Plaza
Caller - Frank Clements
President - Elmo Brown (724-9178)

Well, our outing at Laura Walker State Park was a big success with 90% of the club participating. Plenty of fun, games and dancing was had by all. We wish to thank the planners, workers, and skit performers for a job well done.

Our final election of officers on June 27 came up with John Tyson as president, Fred Mills vice president; Linda Smallwood secretary and Jim Stone treasurer. Our full cooperation toward the officers is always needed. It is anticipated that we will have a real good and eventful year (happy dancing).

Welcome aboard for all the graduates and new members of the club, Lonnie and Shirley Coleman, Chuck and Mary Palmer, Meg and Ann Macmanus and Marge Priddy.

ROUND DANCE NEWS WITH THE ROUNDLEERS

Wednesdays, Woodstock Park Community Center
Review - 7:30 to 9:00
Club dance - 9:00 to 10:30
Instructor - Helen Crout
President -- James and Marge Russell (264-4975)

Many thanks to Ruth and Bill Flesman for doing such a beautiful job on the article last month for us. The time has flown by so fast that it hardly seems time for another one. May just breezed by and June has done likewise so far.

Continued - ROUNDLEERS

The Third-Sunday-Rounds and covered dish dinner held at Mary Hammond Center was quite a success -- that Folsom Prison Blues was taught and learned VERY good. Quite a few ROUNDLEERS can really live that one up with all its rhythm. The food we eat at these dinners takes something like that to help shake it down!! But the fun and fellowship that goes with it is grand. We eat a lot because the food is just delicious, not because we need it!!

June 3rd dance at Woodstock Center brought out quite a few dance rs, and the class is getting ready for their June 10th graduation. They were dancing with all the rest of the club and doing so well.

Bud and Edith Reisen resigned as our club president and our Vice President -- James and Marge Russell have become our new President. Many, many thanks to Bud and Edith for the grand job they have done as our president, and hope you will continue coming to dance with us right on. Congratulations also on that new Grand Baby whose arrival kept you out for a couple weeks. Congratulations also to James and Marge on your new job as president. Claude Hewitt was unanimously elected as Vice President. Congratulations to Claude and Katherine.

June 10th was a big evening for us wha t with the graduation, birthday party, refreshments galore, and plenty of Round Dancing handled so Beautifully by Helen Crout, then the initiation of our students before graduating. This was programmed by the Hiddings and was hilarious and turned into a real fun and frolic extravaganza. Imagine waltzing with swim-fins on your feet and squaring up with balloons tied to your ankles!! Then a surprise birthday cake for Helen's Birthday. She said it was a real surprise. The graduating class gave her a lovely pair of earrings from Hawaii made of "Pearly Shells". Congratulations new graduates, and welcome to our club and many years of happy round dancing. Most all the graduates joined the ROUNDLEERS and were presented badges by Bill and Ruth Fleshman who pinned them on for them. Roundoleer badges were given to Chuck and Kathy Heist, Round Dancers superb who have taught dances to the club when they have been in Jacksonville. Also presented badges as Charter Members of ROUNDLEERS were Carl and Betty Graeff. Congratulations to everyone participating in such a wonderful evening. The refreshments were delicious and were so beautifully arranged on the table by Claude and Katherine Hewitt who were in charge of them. There must have been 5 different cakes!

June 7th First-Sunday-Rounds were held at Westbrook Community Center on Garfield St. at Lowell St. (west off Beaver at Towers Hardware store just North of McDuff). This proved to be a very enjoyable afternoon. Some dances were workshopped, others learned and some just danced. Bill and Ruth Fleshman taught Pearly Shells, Lillies Back,

and Champagne Time to those of us who had not learned them as yet and then they demonstrated some very lovely dances. We were very pleased to see some of our new members at their first of these Sunday dances and doing very well. Our next will be same place on July 5th.

It was really a pleasure to see so many Round dancers at the State Convention in Orlando. Some new dances were taught, some older ones reviewed, and many dances danced so beautifully. Several ROUNDLEERS attended the Convention.

Chuck and Cathy Heist visited our club on June 17 and demonstrated 3 lovely dances. They made them look so easy, moving so majestically around the room. They are visiting with the Fleshmans while in Jacksonville. Glad to have you back with us Chuck and Cathy, and hope you will be coming more often.

The Double-Deckers, Emerson & Theo Deckerhoff, reporters

FUN AND FROLIC - a hot night but a cool place.

Mondays, Woodstock Community Center
Caller - Jack Griffiths
Almost forgot my new job as reporter. However, I do have a good excuse this time -- we had a new little grand daughter, Charlene Renee Roth, born two hours after her Grandfather's birthday May 25th and on June 13th our son, Richard Marvin Butner, was married to Ann Meredith of Elizabethton, Tenn. We have really been busy and had lots of excitement.

Jack Griffiths' daughter, Sandy Fleek, suffered a brain concussion but is doing fine now.

Our club has had some on vacations but some former members have been back to see us so we have kept dancing. The summer time does not bring many dancers but those who do come and enjoy it.

This visitation program is still going strong and we have two shirts in our collection.

Bring your summer visitors and let them watch us dance if they are non-dancers. They might want to learn sometime.

Rounds are being taught each Monday at 7:30 p.m. Maybe you would like to learn some of them. Come see us.

Faith Butner, reporter

WESTERN CUTTERS - Sounds like vacation time.

2nd & 4th Saturdays, Mary Hammond Youth Center
Callers - Chuck Durant and Johnnie Robbins
President - David & Lee Helmlly (781-3251)

The CUTTERS are off and running again with the start of a new class. Johnny Robbins will begin instructions on Thursday, June 25th. So... CUTTERS gather around, support the new dancers and join the fun at Westconnett Civic Center, our ole stompin' grounds.

Our annual picnic at Camp Montgomery will be history by the time this comes out but we have always had a grand time at the family type gathering and plans for it this year look like fun for all.

Attending the Convention at Orlando were CUTTERS Phyllis, Jessie and daughter Mary, also Theo and EM Deckerhoff. I hear tell Tom and Mariann Hidding had quite a place on the program as did our own Phyllis.

We are always glad to have the visitors and a special vote of thanks "for coming" goes this month to the Allemandarins. We had a great time having you and please come back.

Headed for the National Convention at Louisville will be the "Camping Hortons". We wish them a safe and pleasant trip. This wish also goes to all the CUTTERS who haven't called to tell us of their vacation trips, but we wish all Bon Voyage! And look forward to hearing of the dancing in other parts of the world.

We sure have been missing our president and wife, but with David with a new company his hours are variable. Our congratulations to Harvey and Kaye Gordon for they're fine work of filling in for the Helmlly's. Anyone notice Harvey's new shape?

A note from way-y-y back... Over a square of CUTTERS attended the ANCIENT CITY 5th Friday Dance with Bob Rust and Bobby Keefe calling. WOW what a dance, really one of the best dances of the year, a rockin' night. Those ANCIENT CITY folks can surely make you feel welcome and feed you fine.

Solong for now and best wishes for "grand gallivanting" during these vacation months.

FRIENDLY FROLICS * Graduation

1st & 3rd Saturdays, Philips Highway Plaza
Caller - Bobby Keefe
President - Geore Ephrem (724-5243)

May was a good month for us and we look forward to the summer. We've done a bit of visiting here and there. On June 5th the FRIENDLY FROLICS was invited to be the guest of the ANCIENT CITY SQUARES. The weekend before we had a good time with them also. We danced to Bobby Keefe and Bob Rust. It was their 5th Friday dance.

On May 30th a caravan went to Tampa and danced with the WEST COAST DANCERS. We had a very enjoyable trip, even though we didn't "Relay the Top".

We've been having some real nice after parties lately. They've all been a lot of fun. I can't mention them all, but I don't have to tell you how much fun they are, because if you've ever been to one you know how great they are.

On July 18th Bobby will be away and we will all miss him, but we have a good caller to stand in for him. So come dance with us. Fred Rowe will be calling for us.

Get well wishes go to Christine Lannom. Hurry back, we miss you!

Our thanks to each and every one who worked so hard to make our graduation dance so enjoyable.

Jean Ephrem, reporter

REPORT OF THE FLORIDA CALLERS ASSOCIATION
BUSINESS MEETING BY THE NORTHEAST DIRECTOR

Our hats off to Henry and Dottie Purcell for a job well done in managing and editing the Bow & Swing. In just one year it is in the black. Jack Pierson has been selected to be the new editor of Bow & Swing. He hails from Clearwater, is a printer by trade and an active square dancer.

A long discussion followed by several proposals to be presented to the Round Dance Council in regards to how many square dancer rounds and what type will be presented for use in square dance clubs. (Good to see square dance callers concerned with round dancing in the square dance clubs state wide).

Also discussed and proposals made to the State Square Dance Federation involving a more equitable split of the finances, and also ways and means of making the State Square Dance Convention operate more smoothly.

Tom Hidding, N. E. Director

"Well, how am I doc?"
" Let me put it this way. There seems to be a small amount of blood flowing through your alcohol stream".

GATOR PROMENADERS - Rod Blaylock coming again. 1st & 3rd Saturdays, Westconnett Civic Center starting July 18th, 1970
 Friday nights, Forrest High School, 10 3rd St. and Firestone Road
 Callers - Tom and Mariann Hidding

Caller - Bill Camp
 President - Gene Wythe

The annual business meeting of the Gator Promenaders was held Sunday night, June 7 at the home of Leo and Gertrude Willcox. The following officers were elected: President, Gene Wythe; Vice President, Leo and Gertrude Willcox; Secretary-Treasurer, Clyde and Dottie Adams; Committee on Visitation, Allan and Grace Copeland; Attendance, Florence King; Allan Copeland and Rena Runkles. In addition to election of officers, various plans were discussed for building and maintaining interest in the club in the new year which began June 1. We are looking forward to a new year filled with activity and interesting events.

Among other things, we are pleased to announce that Rod Blaylock from Albany, Ga. will be with us again on Friday night, July 31. See the flyer on this coming event.

A group from our club visited the PAXON PRANCERS Thursday night, June 4 and brought their banner away with them - we still have it. We are looking forward to a visit from them to retrieve it.

Bill Skiles will be missed from his usual haunts for the next few months. Bill left Jacksonville Friday night, June 5 for Blowing Rock, N. C. where he will spend the summer. Lucky Bill!

Lucille and Frank Sullivan report having a wonderful week in May at the Rebel Roundup at Fontana Village, N. C. This event was well attended by Callers and dancers from several states.

Florence King, one of our dependable regulars, GOLDEN ISLES SWINGERS - Can't keep a good will leave Jacksonville June 18 on a round the world trip lasting more than a month. Florence will spend several days at the Baptist World Alliance in Tokyo prior to resuming her trip to points in Asia and Europe.
 Caller down.

We are missing two of our active members, Rob and Linda Roy. Rob was recently transferred to North Carolina by his company.

We are having some good times on Tuesday nights doing rounds and squares at Joseph Lee Youth Center, 45th and Pearl Sts. Bill Camp calling. Come join in the fun.

Frank Sullivan, reporter

A new psychiatric treatment has come into its own this decade, called psychoceramic. It's for treatment of crackpots.

WESTERNAIRES -- A grand new class started.

Although club dances for the month of June were cancelled the WESTERNAIRES have been quite busy. Thanks to two of our loyal couples a class was organized and on the third night when it was closed we counted eleven couples enrolled. Our hats off to these people who have the ambition to turn out on these hot summer nights. With luck these people will join with the Jacksonville dancers to dance to Vaughn Parrish at the Fall Roundup.

The State Convention is history and by the time you read this the National Convention in Louisville will be history. Everybody will be back ready to dance on our normal schedule, which will resume Saturday night, July 18th, in the Westconnett Civic Center.

We welcome to our hall the RAMBLERS. They will be dancing with caller Bill Bishop on the Saturday nights opposite the WESTERNAIRES. So come out and see us on Saturdays and especially our round dancing friends, for you there will be two rounds between tips, both clubs, As always the wood floor is a delight to dance on.

Mariann Hidding, reporter

"Good morning. My wife has sent me to buy her a bra".

"Yes, sir. We have three types. What kind would you like--the dictator, the Salvation Army, or the civil servant?"

"What the heck are they?"

"Well, the dictator controls the masses. The Salvation Army is for the uplift of the fallen, and the civil servant makes mountains out of molehills."

2nd, 3rd, 4th Saturdays, Recreation Bldg., Brunswick, Georgia

Caller - Dick Barker
 President - Herman Lange (912/265-4264)

In spite of the heat we continue to dance from 3 to 5 squares, including our most welcome visitors. We would welcome an air-conditioned dance hall but are not likely to get one before late this summer. Meanwhile, we need to make a special effort to keep going. We have never shut down for the summer, and trust that we never will.

Dick Barker has joined the list of "ailing". Dick was released from the hospital, following surgery, last week in time to call our June 19th dance. Although the right arm was close to useless, and the temperature was cooling down from the day's high of 101, Dick gave us a splendid dance. In addition to being an outstanding caller, Dick is perhaps the most faithful and loyal member of

our club.

Those known to be inactive at this time for physical reasons include the Bowers, Franklins, Lawrences, and Saddlers. The Franklins are the proud parents of a fine baby boy who weighed in at more than 7 lbs., and has been named Burton Watson. Larry Lawrence is still nursing a "basketball" injury, Martha Saddler is recovering from surgery, and Bob Bowers is "following doctor's orders." We hope all will soon be back in top form.

For several weeks we have missed Thelma and Lucious Nelson. We hope their absence is due to nothing more serious than a pleasant vacation, and they will soon be back.

Our most recent visitors came from the Atlanta, Ga. area and from Jesup, Ga. The Jesup club which was so active just a year or so back is being revived. A new class will graduate at Jesup on Friday, June 26th and, we hope, will be dancing weekly thereafter.

Saturday, June 27th, Dick Barker will have graduation for his young students, one pre-teen and one teenage group. This activity will get underway at 6:00 p.m. and we should be on hand to help welcome these fine young people into square dancing. This will be the first class of young people in the Brunswick area and, with proper encouragement and support, could be the beginning of getting a real good thing going.

Evelyn and Carl Evans will be leaving us after this month for a two year assignment in Iceland. We have enjoyed having Evelyn and Carl with us - they have been among our most faithful - and we hope they will be back our way when the two years is finished.

During June we had one couple visiting and dancing in the Daytona Beach area. Members of Bob Rust's club and John Saunder's club were most cordial. GOLDEN ISLES SWINGERS was also represented at the State Convention in Orlando.

The NEFSDA 5th Saturday dance is all set for October 31 so far as callers are concerned. It will be Bob Rust and Dick Barker calling for square dancing and Edna and Tommy Thompson (Savannah) handling the Rounds. What we need now is publicity! Present indication is to the effect that attendance from locations outside the NEFSDA area will be good if we can get some printed material in circulation. We, of course, expect a strong support from the NEFSDA dancers. Also, the idea of a costume dance appears to be appealing to many.

In many areas square dancing will be "off" during the summer months. Vacations will be responsible for much of this slow-down. Therefore, we would encourage increased visitation. Let's all search for, find, and attend a square dance wherever we may be on vacation or out-of-town trips. One way to

attract visitors to our dances is to visit others at every opportunity.

WORD FROM OUR PRESIDENT

Dear Margaret & Ray,

Our vacation here in the Rockies has been wonderful. We are dancing every night at Frank Lane's Dance Ranch and enjoying the beauty of the hills each day.

Sincerely,
Jim and Bunny Whiteman

JUBILEERS are having summer fun.

2nd & 4th Saturday, Arlington Congre. Church
Callers - Harold Pillmore and Dick Goedert
President - Wilton & Genevieve Fipps
(744-5471)

Everything was jubilant at the JUBILEERS 4th Saturday dance in May. We had four clubs visiting. The GATOR PROMENADERS ran off with our banner, the PAXON PRANCERS retrieved theirs, as did the FRIENDLY FROLICS.

Our annual Camp Emolkalee outing is history now but the memories will live on for some time to come. We all hope that Polly Smith and Betty McCall can manage to get to the raft next year without getting their hair and towels wet. That little kyack was just not made for two grown gals. Then we had the volley ball game that lasted until 2 a.m. Sunday morning. We did enjoy some good calling from Harold Pillmore and Dick Goedert with some crazy skits in between; thank you who were in the skits and the boys who came to see the Doc. The food was good and now we can look forward to next year.

We had a lively pool party at Jeanette and Jack McCollum's June 6th. The water polo got a little rough and there are three or more JUBILEERS who will stick to square dancing from now on. I'm sure after the game Dick Goedert called while about ten of our club members made Aquaduck. Lillian Kabase and Jean Rippel were thrown in clothes and all and Lillian with her lawn chair. Jack McCall lost his bathing suit but picked it up at our dance a week later. The refreshments were good and the coffee great. Thank you Jeanette and Jack.

We had a fine dance on June 13th. Three clubs visited. The STARLITE SHUFFLERS retrieved their banner, and we were happy to have the WESTERN CUTTERS and FRIENDLY FROLICS with us. Bob and Yvonne Hart came late but got right into it. We also enjoyed the calling of James Maxey and Johnny Robbins in addition to our own Harold Pillmore and Dick Goedert. It was good to see C. M. and Pat Wooten back. They brought their new baby and he seemed to enjoy it all. At least he didn't complain and Daddy strutted all over the hall showing him off.

Continued - JUBILEERS

We're glad to see Harry Null out of the hospital and dancing again.

Your reporters are now full fledged Round Dancers, graduating on June 3rd at the ROUNDLEERS. We had to Waltz with swim fins and if you don't think that's a chore just try it sometime.

COUNTRY COUSINS setting up summer schedule.

1st & 3rd Saturday (for the summer) Dinsmore Civic Center.

Caller - D. J. Lynch

President - Robert & Ann Zortea

Due to the summer coming up and with all the summer programs that families are involved in, we thought it might be best to cut down on our dances for the summer and add a little something different to the ones we'll be having. Instead of weekly, we will be dancing every 1st and 3rd Saturday during the summer months to October. Heres our summer schedule: July 4th at the club house. The dance will start after the Dinsmore 4th of July activities. About 6:00 p.m. we will go someplace for dinner and come back and dance. July 18th activities will be at the club and will be announced later. August 1st is the date for the inertube float on the Itchetucknee river by Lake City. We will leave about 9 a.m. The drinks will be furnished but bring a picnic lunch. August 15th will be a swimming party and dance at the Beach about 2:00 p.m. Drinks again will be furnished but bring a picnic lunch. August 29th will be the NEFSDA 5th Saturday dance. We will meet somewhere for supper. September 12th will be the club dance and cookout about 6:30 p.m. September 26th we are planning for Camp O'Leno again and on October 3rd our new class will start. How's that for a schedule! Come join the fun and share great experiences with our club.

Our first dance on June 6th went over real good for those that were there. To look at the group you would have thought we had real, honest to goodness hippies. We even had one dancer direct from the Mexican Chain Gang. And the Flower Power we had!! You've heard of the bird of Paradise -- try nesting in your hair --- I am still not sure whether her hair is gray or the bird had a problem!!! Hidden under a hat, who knows? And that lemonade

There is an open invitation to all clubs for our summer program - Please call ahead if you plan to attend any of these events - Call Mrs. Cloie Bowie at 765-8977 or Anita Bessents at 764-9029.

Hope to see you across the square or at some of our activities.

CALICO SWINGERS having summer fun.

2nd & 4th Sunday, Westconnett Civic Center
Callers - Tom and Mariann Hidding
President - Robert Miller (771-2800)

When we went to the Russell's lake cottage on May 16th we all had a great time. It was fun to make crackpot, submaring, cement, sandflea and square angels. We went boat riding, swimming, danced and had a picnic. Our thanks go to the Russells for such a fun time.

Some of our club dancers went to the State Convention at Orlando and to the National in Louisville. We know they enjoyed themselves.
