President's

Message

This year has continued to be so full of activities that we have hardly had time to do anything but dance and have fun! *Imagine that!* Square dance participation has been terrific. We have noticed that people have actually crossed the river without drowning or even getting wet! There have been club anniversaries and graduations galore and benefit affairs that have restored **our faith** in our dancers, callers and cuers! **YOU** have made this happen! We can increase the number of dancers this fall with more of you assisting "the core angels!" Come, join in, and we guarantee you will have more fun, excitement, and exercise than you have ever had before!

We attended the "working week-end meeting" in February. We heard how the other four areas of Florida have increased their numbers by new ways of teaching people to dance: Shorter time periods or segments made into shorter periods; never saying Plus or what ever, just teaching two or three segments and making a reward or certificate for each level of completion.

We hope everyone who attended the State Convention in May had a great time. Remember, each Association hosts the State Convention once every five years. We, "the Northeast", will be the host in 2005. Let's be supportive EVERY year and not just "our" year!

Some new research and surveys are taking place in some areas. So far the public has a positive attitude toward us as a group. The medical profession has a **good opinion** of the value of our activity, especially toward exercise and healthful low impact movements. Some have allowed us to put our flyers in all their offices. Remember, ROME wasn't built in a day! Please stay positive and keep working to **PROMOTE** square

dancing!

We need to start looking for new dancers for future classes in the fall! Please don't leave it all to your caller. It would be good if all clubs would research your club records and get the names of past dancers and invite them to rejoin or find out why they left. Sometimes their situations have changed and may only need someone to invite them back. I feel they would respond with a positive reply.

Start NOW to recruit, retain, and encourage your fellow dancers. HOW? Why not talk to them; Invite them to go to a dance with you; Let them ride with you; Eat-out with you, etc. Birthday cards, Anniversary cards or just Hello cards are also good.

PLEASE, PLEASE, PLEASE encourage your callers and cuers! Square Dancing is Fun & Healthy, and needs you! We are so very proud of our Gateway Callers for the Graduation Dance they sponsored April 28th at Sandalwood! Almost all of them were present with smiles, great camaraderie, and super dancing. We are thankful for them and their wonderful wives who are always there to support and to encourage our fun activity! Our many thanks also to all of you **loyal dancers** who never let us down! You know who you are and we are grateful for all of you! Why don't more of you try it; you'll have fun with the new dancers whose enthusiasm is catching. We love you new dancers!

Howard & Jettie Crowe

FROM THE EDITORS DESKS

When was the last time you clapped your hands, I mean REALLY clapped your hands after you just finished a dance (not a tip but the patter call AND the singing call)?

When I went thru Square Dance lessons (don't ask when), one part of the etiquette portion had to do with clapping when you finished a dance — as a signal that you enjoyed what you just did. In essence, you were clapping for yourself, but more importantly, you were telling the caller how much you enjoyed the dancing.

I was at a dance recently, and tried to get in some hand clapping before thanking everyone in the square. Believe me, there were times I was still putting my hands together while the other dancers were thanking each other — they never clapped a "note"!

I know they enjoyed the dance from

their smiles yet they failed to let the caller know it.

Have you ever been to a dance with just a few squares and noticed the callers attitude, how different it was from the other times when there were a large number of squares on the floor?

It's like you getting up to speak and most of the audience wasn't paying attention. You probably thought "Why am I here?"

ANYONE in front of an audience likes to know their efforts to please are worth while. That's what you are doing when you take the time to clap for THE CALLER at the end of a dance. You are letting him/her know how much you enjoyed it. Granted, some callers are better than others. However, they have put a lot of effort into seeing that you have a good dance. We can at least let them know we appreciate it.

(This column is for YOUR comments. Let us hear from you! Please remember, letters should be in good taste and must be signed. Upon request, names will be withheld from the publication.)

Dear Editors: This information might be of interest to some of our senior dancers.

There is a program (not Government) whereby the Pharmacy Companies GIVE drugs to the low income seniors. Over 160 are listed, plus some companies donate anything they manufacture.

You must go thru your physician . . he or she must get the forms from the companies. Both of you must sign the papers. If you qualify, they will send the drugs to your doctor. ASK AND YOU SHALL RECEIVE.

Ernie Perrin

Dear Charlie and Val: We have received the May-June issue of the Grapevine. Thanks very much. We find it enjoyable and interesting. We like getting news about our friends in Florida.

We hope Charlie is feeling better and his foot problems are a thing of the past. Have a good time dancing.

FEATURE ARTICLE

"How Square Dancing Changed A Life"

By Mary Burzo

Ethel La Fond is a member of the Joy Seas Square Dance Club. She recently joined us from our local advertising. We are fortunate to

have her as a member, as she is an inspiration to us all.

Ethel is 85 years old and, although she has Osteoporosis, Scoliosis and a back disorder, her feet are full of dance.

It all started back in 1966 when her husband passed away. Seeing Ethel was alone and down, a co-worker invited her to a local square dance club. That night shook the blues away, opening up

a whole new life of fellowship, music and the constant tap tap tapping of heel toe and Do Sa Do. A few lessons a friendly partner, and Ethel had entered into the whirling world of square dancing.

That was 35 years ago. A little older now, a few health problems, but a big heart keeps her going. She still dances four or five half tips each meeting and round dances every opportunity.

When not dancing Ethel delights us by telling us of her many dancing experiences, complete with many, many scrap books, ribbons, buttons and records. Her help and ideas are indispensable for improving our club.

Thank you Ethel for being you!!

Editor's Note: Our thanks to Mary Burzo, President of the Joy Seas Square Dance Club, for this lovely article about one of their club members!

FLORIDA STATE SQUARE & ROUND DANCE CONVENTIONS

The 47th Florida State Convention ("2001 - A Dance Odyssey") was held on May 25-27 at the Lakeland Convention Center in Lakeland, Florida. Fred & Carolyn Chatos, General Chairmen, their Committee, and the Southeast Association, brought the dancers of Florida a really fun weekend! We thank you for all your hard work and dedication to the State Convention.

If the Kick-Off is any indication of how the 48th Florida State Convention ("We Need You in 2002") is going to be, it will be a super weekend. Dancers, Callers, Cuers, Instructors, Prompters...make plans now to attend this great weekend of fun, fellowship, and dancing. It will be held May 24, 25, 26, 2002 at the Lakeland Center in Lakeland and will be hosted and presented by the Northwest Florida Square & Round Dance Association, with the very competent Fred & Shirley Cornett at the helm. CLUB LEADERSHIP NOTES

By Bernie Coulthurst

(Reprinted from *American Square Dance*, June 2001 Issue)

"Five hundred years ago the French poet and rogue, Francois Villon, asked the question, "Where are the snows of yesteryear?" To paraphrase Mr. Villon's haunting questions, "Where are the dancers of yesterday?" Gone. That is where they are. Gone."

"Far too many of our dancing friends from years past have stopped dancing entirely, some after only a short time with us. We are well along into the dancing season and I'll wager that every dancer reading this can name several couples who danced with him last year but who are not dancing at all this season. In other words, our square dance bucket has a hole in it. Dancers are pouring out at the bottom just about as fast as they are coming in at the top. We make a big point of the need for bringing "new blood" into the square dance movement. But is it not just as important to keep our "old blood"?"

"Why do our dancing friends leave the fold? There are, first and foremost, the "personal" reasons physical problems, changes in work schedules, changing family situations - reasons with which we cannot argue about and which nothing can be done except to hope that the changes will reverse themselves eventually and the fine folks will come back to join us."

"The dancers whose departure we may be able to deter are those who leave for causes that can be corrected or, at least, ameliorated. Dancers leave because they are bored. They leave because they are frustrated. They leave because they feel they have been ignored. They leave because of real or imagined slights or insults. You can finish the list yourselves. We all know the little problems. But it is in these areas that perhaps more thoughtful effort might be applied."

"Aside from the "personal" causes, the number one reason why dancers stop dancing is because they are not having a good time - they are bored, irritated, or perpetually apprehensive. Cut it any way you wish, if a dancer finds the program too challenging or complicated, or conversely, too simple and repetitive, his interest, to put it mildly, will wane. When he reaches that point he is practically on his way out the door unless something changes. And it isn't going to be him. "

"Formula for Failure!!"

"A great deal of the responsibility lies with callers. "I cannot give you the formula for success," Ben Franklin said, "But I can give you the formula for failure: Try to please everyone." Yet that is what our caller today has to do. And therein lies the dilemma. If he tries to please the hard-chargers, he's going to drive away those who dislike challenge and complicated figures. If he tries to appeal to the latter group he's going to alienate others. One club cannot be all things to all people. The secret is to be as much to as many as possible. Some callers are more successful than others at finding the middle ground, but none can claim 100% success."

"I'm afraid we're inclined to pussyfoot around when it comes to talking about "levels" and types of dancing. I don't see why. Differences do exist, in people and in clubs. There should be no stigma attached to preferring relaxed and easy-going dancing and there should be no stigma attached to wanting to dance hot-hash, challenge, advanced basics or what have you. By trying to cover up differences in callers and clubs we may be actually doing more harm than good."

The article, written by Jim Schnabel, Alexandria, Virginia, continues about common sense and that there is a place for all in the square dancing world. He

Caller's Corner

Cont'd

also stresses the importance of the hospitality committee to help keep dancers dancing. The title of the article is "Where are the Dancers?" and it appeared in the December 1970 issue of Sets in Order. **This is not a misprint - 1970 is the correct year.** Don and Joan Niva, Madison, WI, sent us the article.

Jim knew the big picture back in 1970. And now 31 years later we are still struggling with the same problem - POOR NEW DANCER RETENTION - however today it is much more serious. It was our number one problem then and it is still the number one problem in 2001. I especially like his statement above that reads,

"There should be no stigma attached to preferring relaxed and easy-going dancing and there should be no stigma attached to wanting to dance hot-hash, challenge and advanced basics or what have you." Maybe it is time to take another look at what we are offering the dancers today. In today's world, especially in the United States, square dancing is the Plus program. Mainstream is considered merely a stepping stone to Plus in most states. Mainstream should actually be the dominant program - the place where the majority of the dancers are dancing.

Till next time, happy dancing - it is a pleasure that will not last forever!

FALL FESTIVAL REPORT

Anita & Bud Taylor 272-6551

Plans for the Fall Festival are shaping up. We now have Chairmen for all the positions. However, we still need lots of help. We need people to volunteer to help with decorations. Marie Bigelow is heading that Committee. If you have any time to help Marie please let one of us know.

We will also need volunteers to help out in the kitchen. I want to have enough help in the kitchen so that no one has to be there more than an hour. I want everyone that wants to dance to be able to dance and not be stuck working. This is supposed to be fun.

We now have our cuers and they are Jimmy and Carol Griffin. I know that along with our own local callers, cuers, Dee Dee Dougherty and the Griffins, you all are going to have a great time.

I have planned some activities for Friday night. We plan to have horse races

with jockeys aboard. We would like each club to be thinking of someone in their club to be the jockey. Now there is no excuse, such as too strenuous – the race will be basically a little walking and some standing.

At the Kentucky Derby, the day is a showplace for women and their hats. I would like the women and/or men of the clubs to design a derby hat to be worn at the Friday night festivities. We will have a parade of hats. The hats should depict what you think a derby hat should look like.

We will be giving club delegates buttons to sell at the July meeting of NEFSARDA. REMEMBER, the squares will be limited to 50. Get your tickets early and don't miss out on the fun.

More information later or see one of your club delegates.

FLORIDA DANCE WEB "CALLER OF THE MONTH"

Submitted by Earl Cunio, River Ramblers Square Dance Club

I am sure many of you didn't know Ernie Rollen was the "Caller of the Month" for May on the Florida Dance Web (www.floridadancing.com).

Ernie and Frances began taking square dance lessons in September, 1982. After graduation, the club caller, James Maxey, encouraged Ernie to take up calling. Ernie showed a lot of natural ability and it was not long before he was calling square dances. He really enjoys calling, especially the singing calls, and now specializes in songs of the 50's and 60's. He also likes to do some Elvis favorites.

Ernie has been calling and teaching for 18 years. Frances works with Ernie

cueing the line dances. Currently, Ernie is the club caller for the River Ramblers of Palatka, and the Silver Fox of Jacksonville.

Ernie is a Past President of the Florida Callers Association, having served on the Board of that Association for 4 years.

Ernie and Frances give generously of their time to benefit and charity square dances. Those of you who have attended some of these benefits, as well as other square dance events, can attest to this.

The River Ramblers are very lucky to have such a talented couple for our Club Caller and Line Dance Cuer.

GCA GRADUATION BALL

By Val Newsome

The Gateway Callers Association sponsored their annual Graduation Ball on April 28th. It was held at Sandalwood High School and was a fun evening for the graduating dancers, as well as the experienced dancers. On hand to do the calling for the evening were John Robbins, President of Gateway Callers, along with Art Wilson, John Wall, Lawton Smith, Ken Miller, and Ernie Rollen.

John, Art, and John

This was the third dance for class members sponsored by the Gateway Callers since last December when the Beginners Hoedown took place, followed by the Sophomore Hoedown in February, with the Graduation Ball winding up the events.

Thanks to all the callers for the time they devote to teaching, and to the Gateway Callers Association for sponsoring these fun dances.

Dancers...be sure you invite the new dancers into your square. Make them feel welcome!

SQUARE DANCE LESSON PROMOTION

Submitted By Paul Walker

Everyone is selling something! You sell yourself everyday, in school, at work, to new people you meet, everywhere you look people are selling!

Not everyone can or wants to sell, but nevertheless this is what we do "everyday." It takes courage to ask for what you want. Courage is not the absence of fear, it's doing what it takes despite one's fear. The more you ask, the easier (and the more fun) it gets.

It's now time to begin the selling of square dancing. It does not take a rocket scientist to realize that the 90's have seen a loss in numbers in our hobby. Marketing people will tell you that product lines run in cycles. Our product, Square Dancing, has been on a downward cycle, just maybe, it is time for this great recreation to begin the "upward" part of the cycle. One thing for sure, it's up to us to help push this toward the up side.

We realize that not all people will take to square dancing just like everyone may not like bowling. However, if we don't ask - we will never know. Now is the time to begin asking and telling others about square dancing. Listed below are some suggestions of "WHO DO YOU KNOW" Some Comments first: (from John Saunders note service)

"A few years ago someone suggested that a hug is good for your health. It is easy to give and receive, makes you feel good and promotes good health. Square Dancers have known this for years. Square Dancers smile a lot. (You wonder what they are up too) It is as though they have a secret to happiness. They do, and it is time to share that secret with someone you know. Invite them to a dance called "OPEN HOUSE."

When these new dancers visit your club for the first time, everyone should wear casual clothing, serve refreshments, have a good time and maybe they will want to come back and dance some more.

We all want our activity to grow and

continue to provide us with the social fun and fellowship that we have come to expect. We must ask ourselves, "WHO DO YOU KNOW?" Everyone knows more people than they think, it's just a matter of getting everyone to take the information to those folks.

Here is a partial list, just to get you started, of "WHO DO YOU KNOW?"

Who do you remember from an old neighborhood?; Who do you know from sports or hobbies?; Who sold you home furnishings? Computer? Automobile? Gas? Tires; What about your hairdresser or barber?; Who is your eye doctor? Medical Doctor? Dentist? Pharmacist?; Who sold you garden supplies? Do you own your own business..... What about those customers?; Who is your librarian? Who have you met through your relatives?; What about those relatives?; Who runs the local nursery school? What about home schooling?; Who sells you clothing? Shoes? Jewelry?; Who do you know who belongs to some organization like Kiwanis? Rotary? Lions? American Legion? Jaycees? etc & etc; Who do you know in your church? Who do you know in city government?; Who sells you office supplies? Who is your florist?; Who is your postmaster? UPS driver? Mail carrier?; Who is the manager/owners of your favorite restaurant?; Who is the leader of the local PTA? Teachers from former schools?; Who manages the local theater? Who is your veterinarian?; Who runs the local card shop? Convenience store?; What Real Estate agent always knows who is moving into the area?; What about your place of employment?

You can continue with your own list which will be endless. You never know who may be READY for a change.

Those who have started lessons

SQUARE DANCE LESSON PROMOTION (Cont'd)

before or those who have danced before may have had a change in their life situation and are ready to "COME BACK."

Make your own posters and put them up at work, in your church, civic organizations, stores, etc. There will be a small card which will have an invitation listed for our open house. Use this to mail, handout, or just leave at a business counter when you shop or between the sugar and catsup bottle at a restaurant. Don't forget, Doctor offices are great places to reach people with these invitation cards.

It is now time for all of us to "GROW TOGETHER" and begin the process of rebuilding our clubs. Use the Internet and e-mail to invite everyone listed in your address book. Remember, one day, no matter where these people live, they may come and visit your club.

One more thing, let's do our best to begin to call lessons a dance party, and students "dancers". After the first few calls taught - these new dancers are dancing.

Good luck, bring your special guests to open house.

DESIGN TIPS

I seriously doubt if anyone has the absolute "perfect" figure. However, some look perfect. Why? They have taken the time to analyze their problems and have corrected by designing outfits to hide figure faults or by drawing attention

to their good points. The shape of the face and neck length are just as important as color of fabric and shape of figure in designing a bodice.

OVAL FACE: Any neckline is flattering.

ROUND FACE: To make the face appear more narrow, use a deep "V" or "U" shaped neckline.

SQUARE FACE: To soften, use sweetheart, soft oval or "V" neckline.

TRIANGLE FACE: (Pointed chin and wide forehead) -Oval or round necklines are good choices. Choose a hair style which makes the forehead appear narrower.

LARGE FACE: Show medium neck exposure and wear moderate jewelry.

SMALL FACE: Show little neck exposure. Trims and accessories should be simple and dainty.

LONG NECK: Square necklines, ruffles and close fitting collars. The Queen Anne neckline is an excellent choice also.

SHORT NECK: Oval, "V", sweetheart, and round necklines are good choices, but also the shape of the face should be given serious consideration. Avoid ruffles, stand up collars and the Queen Anne neckline. These styles make your neck look even shorter.

BUSTLINE: Small bustlines look good with ruffles, wide collars, and lace decorations. Large bustlines are best with simple or plain designs.

BUSTLINE DARTS: The front bust darts should point to, but stop short of, the fullest part of the bust. The side bust darts should come slightly below and up to 1-1/2

inches of the center of the bustline. Improperly placed darts are a common mistake.

WAISTLINE: A large waistline should be simple, preferably with no belts or added decoration. You do not want to draw attention to your large waist. A small waistline can stand the attention with wide, contrasting colored belts and sashes. Short Waisted women should match belts to tops of outfits and wear narrow belts. Long Waisted women should match belts to skirt fabric, and the wide belts look great.

LEGS: Ladies, if your skirt is too short and you have oversized legs, people's attention will be drawn to your large legs. If you prefer their attention to focus on other things, such as your beautiful outfit, wear your skirt to the middle of your kneecap.

ARMS: Wearing sleeves that extend to or just above the elbow can hide heavy arms. The bell sleeve is an excellent choice. A long sleeve is best for thin arms.

SHOULDERS: For narrow shoulders, add a collar for width. For wide shoulders, keep your design simple and draw attention elsewhere with trims.

COLOR: Dark and solid colors minimize, and light colors and large or bold prints emphasize.

Camp N' Dance

By Gerry Fredrickson 269-9717

Summertime is a great time for camping. There are all of the beach and lake activities as well as the swimming pools at so many of the campgrounds. Of course golf can be enjoyed year round here in Florida and some RV resorts, such as Grand Lake, have their own golf course. Attend a square dance camping group and you can add square dancing to that list of things to do. Check the web site for the Florida Association of National Square Dance Campers to obtain contact numbers for all of the Florida chapters. It's at <http://www.geocities.com/fansdc>.

By the time you read this, the Summer Jamboree will be over. I expect that many of the Rollaways will have told you what a good time they had on their Mystery Trip to Grand Lake! The plans are ready to go as I write this, so I'm looking forward to a great weekend.

Plan to camp at the Fall Festival on November 16 & 17. "Run for the Roses" is sure to be the highlight of the year with Dee Dee Dougherty calling and the Griffins cueing the rounds. We're working on having more space for campers as we were a little too up close and friendly last year. Call Wendell Spears at 864-5084 if you have

questions or concerns. It will be dry camping but that seems to add to the fun.

The Gypsy Squares will return to Grand Lake near Ocala on July 6, 7, & 8. There are rental units available at this resort so come and spend the weekend even if you aren't a regular camper. On August 3, 4, & 5, we'll be at Bulow RV Resort near Flagler Beach. Visitors are always welcome! John and Mo Barrett are the best anyone could ask for. Join us and see what I mean. Remember to keep up to date with the Gypsy Squares schedule and monthly details at <http://members.nbci.com/fredrig>.

The Square Wheels take the summer off so they will not be camping until August. At that time they will be at Grand Lake RV in Orange Lake. The campout will be held on August 17, 18, & 19. You already know that Bill and Mary Chesnut are favorites from this area.

The Drift Arounds take the summer off but Jim Cosman is planning an event in August at Grand Lake. Jim has flyers out giving the details. Watch for one at your club dance.

See you dancing at a campground real soon!

THANK YOU

We want to thank all the Square and Round Dancers who were so kind and thoughtful during Norb's illness by phoning and sending cards. We have thanked our friends in person, but if we forgot anyone we hope they will forgive us. It was wonderful to find out that we have so many friends.

WHAT'S COOKING?

By Val Newsome

At a recent dance (I believe it was the last 5th Saturday Dance) there was a delicious Blueberry dessert that several dancers kept asking, "Who made that?" I decided to find out who had fixed this delicacy and get the recipe for our readers. My investigation proved that the Blueberry Cobbler was made by June Blalock and she graciously consented to share it with you readers.

BLUEBERRY COBBLER

1 cup sugar
2/3 cup milk
1 cup self-rising flour

1 stick margarine
1 can blueberry pie filling
(or fresh berries)

In a medium bowl, mix together the sugar, flour and milk until smooth. In a medium baking dish, melt stick of margarine. Pour flour mixture over berries, do not stir. Bake at 350 degrees for 30-45 minutes until topping is brown.

If you use fresh berries, put them in melted butter and then sprinkle a little sugar over them, do not stir. You can use pie filling and fresh berries together, also. Pour the flour mixture over and continue with above instructions.

You can use any fruit to make this cobbler. For a Peach Cobbler, use 1 can of peaches with syrup instead of the berries. ENJOY!

I purchased a new Low-Fat Cookbook recently and want to share a recipe with you that I particularly liked. Not only is it delicious, it's easy to make. It's from the **Taste of Home Low-Fat Country Cooking Cookbook** and the comments before the recipe are: "For a quick, hearty main dish that's ideal when the weather's warm, try this casserole. With COOKED chicken, it bakes in just half an hour. People love the tasty sauce and cheese on top."

TARRAGON CHICKEN CASSEROLE

2 cans (10 3/4 ounces each) low-fat condensed cream of chicken soup, undiluted
2 cups evaporated skim milk
4 teaspoons dried tarragon
1/2 teaspoon pepper
1 package (16 ounces) linguine or spaghetti, COOKED and drained
6 cups cubed COOKED chicken breast
1/3 cup grated Parmesan cheese
Paprika, optional

In a large bowl, combine soup, evaporated milk, tarragon and pepper. Stir in the cooked linguine and chicken. Transfer to an ungreased 4 quart baking dish. Sprinkle with the Parmesan cheese and paprika, if desired. Bake, uncovered, at 350 degrees for 30 minutes or until heated through. Yield: 12 servings. Total Fat is only 5 gm for each serving. It is an easy recipe to cut in half to make only 6 servings. Hope you enjoy it!

Keep those recipes coming -- I can use all I get.

SIGNS OF THE TIME

--In a clothing store: "Wonderful bargains for men with 16 and 17 necks."

--In a Pennsylvania cemetery: "Persons are prohibited from picking flowers from any but their own graves."

--In an advertisement by a Hong Kong dentist: "Teeth extracted by the latest Methodists."

ANNUAL PIRATES BALL

By Val Newsome

On May 10th, the Moose Promenaders hosted the Annual Pirates Ball. This event previously was held on a two-day weekend in Fernandina Beach. We liked the new one-night event at the Moose very much.

Art and Lucille were dressed in the grandest "pirate" costumes. Many dancers also came in various forms of pirate attire. This, along with the decorations in the hall, really helped set the tone for the evening. The "drunken jailer" would throw you in jail for just about anything. This half of the "Editor" was thrown in jail just for taking pictures of everyone else in jail!! I kept saying, "but I was just doing my job." However, the jailer took orders from someone else remember, guys, paybacks are sometimes hard to take! I sent word to the "other half of the Editor" to please come and bail me out. He came to the jail

with his pockets turned inside out and told me he was sorry but he had no money. I didn't think that was very funny, and he finally "bought" my way out.

Even Art was thrown in Jail, along with the only other caller there, so the squares were held up for awhile until he was bailed out. Many others spent some time in the "brig" and it was all for fun. Plus it was a way to raise money for a special pot to be raffled off.

Lots of fun, fellowship and some GREAT DANCING made for a super evening of entertainment for all who attended. The Moose did an excellent job of organizing the Pirates Ball this year and we are looking forward to next year's event already!!

We are including some photos of the merriment.

Art was enjoying the evening!

NEFSARDA Presidents, Howard & Jettie Crowe, look happy in jail! Maybe they plan to rest.

ANNUAL PIRATES BALL (Cont'd)

After being thrown in jail, Florida Federation President, Dee Dee Stovall looks for someone to bail him out.

The "Pirate's Chorus (?)"

Mark Ballard and Al Lobato entertained the dancers with their own version of "Pirates of Penzance".

WEDDING BELLS RING FOR SQUARE DANCERS!

The Grapevine Editors learned -- quite by accident -- of the marriage of two square dancers in the Jacksonville area.

Ben Steiner and Jeanette Parkerson Bird have been square dancing for several years and met while dancing at the Yellow Rockers Plus Club.

Cupid stepped in and shot his famous arrow through their hearts and on May 20th, 2001 Ben and Jeanette were married in the Amore chapel in St. Augustine, FL.

We are happy to include their wedding day picture. We extend to them best wishes for a long and happy life together.

GRADUATING DANCERS

It has been our practice in the past to list the names of all graduating dancers in our July-August issue. At the time The Grapevine went to the printer we did not have a complete list, and there was still a couple of clubs left to graduate dancers. We decided it would be best if we listed all the names and clubs in one issue and, therefore, **the list of graduating dancers will be carried in the September issue.**

We would like to take this opportunity to say **Congratulations** to all the graduates and **welcome them to Square Dancing!** It is an activity you will always be glad you joined -- it is truly **Fun and Friendship Set To Music!!**

We hope to dance with you all in a square somewhere real soon!

DIXIE DANCERS

Linda Yocum (386) 752-2970

Our new president, Thomas Tramel, is doing a fine job in organizing special events/dances, as well as involving all members and new dancers in every aspect of the club. And, vice-president, Dee Curran, is chock full of great ideas for 're-charging' our members.

Since summer has arrived in full swing, appropriate casual dress is optional. Beginning the first week in September, square dance attire is recommended.

We invite everyone to come and join us in celebrating our country's independence with a "Fourth of July Dance" on Tuesday, July 3rd. Of course, red, white and blue will be the color theme. In addition to celebrating the 4th, we will be having an ice cream social - one of our favorite events! Then, not to be outdone by our friends in Jacksonville, we're asking our dancers to bring their favorite

chocolate dish to share with everyone on July 31st for the "Death By Chocolate" dance. Mmmm, mmmm, sounds simply heavenly!

August 21st will see Teen Town decorated for the Hawaiian Luau Dance. Our own Aubrey Parrish is a master at decorating for this event. — so, wear your grass skirt and enjoy an evening in the "islands".

The Dixie Dancers, along with the Vagabond Squares, are looking forward to hosting the 5th Saturday Dance on September 29th at Westside Elementary School in Lake City. The theme is "under wraps" at the moment, but we'll be sure to inform you in plenty of time. Hope to see you there!

Have a wonderful summer, and for those of you who will be doing some traveling, please drive carefully! See you soon!

Grand Squares

Scoop Jesk 352 493-2842

Grand Squares graduated their 2001 class of 16 on Tuesday, June 26, 2001, and the Graduates were: Janet McCarthy, Phil & Shirley Weidler, Darrel Hall, Georgia Mae Smith, Vickie Todd, Mary Morgan, Rick Williamson, Harvey & Rozella Moore, Patty Shepherd, Jimmy Palazzola, Ralph & Myrland Popp, Joe Bettencourt and Deloris Kotowski.

Along with our new class Grand Squares has been busy with Party Nites. The one in May was a "Hobo Party", and our King of the Hobo's had a stew to fit a King - - - goood food. Our banner raiders were out again, going to the Celebrity Squares in Anthony. They have a few more banners up their sleeve, as they are not done yet....

Next we have our Circle of Concerns for: Jane Gerhardt, Helen LaGrasse, Colleen Rogal and Don Norden. They are

in our prayers and hope by the time you are reading this, they will ALL be on the road to recovery. We are happy to see Slim and Shirley back, Slim is getting around without his Cane. The Bierbaums have left us until October and McCanns until August.

We had a large contingency from the Grand Squares attend the State Convention in Lakeland on Memorial Day Weekend. We always have a good time, and are looking forward to next year. Hope you all are too.

Our next big time was at the Watermelon Festival in Chiefland. Lots of good food, and good calling and COLD Watermelon.

We are now starting to focus on our next trip to Gatlinburg in October. So see you around the squares!

GYPSY SQUARES

Dale and Gerry Fredrickson 269-9717

The SS Gypsy set sail at Grand Lake the first weekend in May with Captain Butch Davis leading the cruise. Debra Delp as cruise director kept activities going all weekend. Her assistant, Cindy Davis, was a great help also. You can be sure we had lots of fun after the dances. Dick McKay was a Massage Therapist while Sally McKay directed the evening entertainment. The "Gypsy Chicks" were the highlight of the evening. Luther Delp as head chef made sure we had plenty of good food. Our breakfast in a bag was a tasty treat for breakfast. We all relaxed as we were on the "Cruise to the Island." I hope you were with us so you didn't miss out on the good times.

June turned into survivor weekend. Our hosts had planned a Stone Age theme but personal matters came up for both couples and they left us to survive on our own. Actually Mary and John Burzo were able to join us for brief periods to keep things going. We took great pleasure in dining at Martins on Saturday. They are well known for their delicious prime rib. We enjoyed our visitors from the Teddy Bears, the Granada Squares, and Flagler Ocean Waves at our Saturday evening dance. We love meeting new and repeat dancers from the other clubs in the

area. That is one advantage to camping close to home!

I can't go any further without bragging about our caller John Barrett. He always makes sure that we have a good time. He works in a little hot hash to keep us on our toes as well as putting on line dances for our enjoyment. Mo is always so very gracious and we love having her with us too.

Our next campout is at Grand Lake near Ocala with Jay and Teri Peck from Ormond Beach hosting along with Dave and Paula Guildford from Debary and Butch & Cindy Davis from the Tampa area. That event will be on July 6, 7 & 8.

August will find us at Bulow RV Resort again. Maxine Thomas, Dee Casteel, and Billy Luper will be the super hosts for that campout. If you are unable to camp with us, you are still welcome to drive down I-95 for the dance at 8:00 PM on Friday or Saturday. Remember that we dance casual both evenings during the summer!

Check our website at <http://members.nbci.com/fredrig> for more details when it gets closer to the date of our campout. I try to update the site as soon as I get the details.

Until next time, happy dancing from the Gypsy Squares of Florida!

JOY SEAS

John and Mary Burzo (904) 797-7530

We have been very busy these two months with our new summer class. They have a lot of interest in our course we are having plenty of fun. On our second night of class we had a raid from Flagler Ocean Waves. They were gracious enough to each take a student and be an angel for the class. It was very helpful for the students and also showed how you can learn and have fun. Thank you Ocean Waves.

May 11th we went to the Florida School for the Deaf and Blind for an exhibition. Northrop Grumman sponsored a 'Relay for Life' to encourage

cancer awareness. We had a few bugs in that pie let me tell you. Two hours before we were supposed to perform, a water main broke and shut down Ponte Vedra. Mike Akers, our caller, works at Ponte Vedra Water Authority so that almost shut us down. But many phone calls and good people to help me averted a disaster. Jack Herpy got a few gray hairs as he was trying to figure how to tape music and get from Jacksonville to St. Augustine and call in only one hour. Thanks to Bob Tiews, one of our members, Jack could stay home and we could perform. Bob said he was a little

JOY SEAS (Cont'd)

rusty and when we help him with his equipment we saw it was real dusty. But rusty or dusty no matter he did a real good job and all who participated had a wonderful time. Cancer Awareness is a good cause and we hope to do it again next year.

Mike was still under water for his Thursday class. John Wall saved the day and agreed to call while Michael was gasping for air. Some of John's club "The Mainstream Squares" came to help. They were just as gracious as Flagler Ocean Waves and helped Angel our class for the hour. Great people those Mainstreamers.

Mike was out of the water for the fourth class - glad to have him back. Mike did a good job and all had fun and also learned. After the students left and many of our members were gone for some reason or another, poor Mike had to put on his head gear to fill a square. He not only had to fill a square but also needed a

lady to dance with (short of women again) so he had to dance with a toy shovel. That was great fun. One of our students stayed to watch the entertainment and was amazed to see that no matter what difficulties we have we can find humor in our dancing.

Hats off to Southeast Square Dance Association for a wonderful State Convention, and to all the callers and cuers that gave their time to make it possible. For those of you who missed it this year, try to make next year. Each year is better and better. There is something for everyone from Beginners to A2, Rounds from Intro to Phase V. There's also Clogging, Contra, Lines and Country Western Dance. We had a great time and tried to do it all and found out it was impossible, but we had fun trying. Thank you one and all for a great and wonderful weekend!

Joy Seas members and others perform at the Annual Easter Parade in St. Augustine!

THANK YOU

I would like to thank all my friends for their love and prayers during our sorrow at the loss of my brother. Your many calls, cards and well wishes meant so much to Doris and me.

Be "Solution Conscious" not "Problem Conscious." Anyone can point out problems but good leaders and good workers are the ones who find solutions to the problems and then accept responsibility to implement solutions. A belief in this truth is one of the motivating forces that continue to drive the Mainstream Squares upward.

A good example of this was shown at NEFSARDA's Blood Bank Benefit Dance at Jax Heights Elementary School on May 5th. We had 78% of our club members in attendance and were awarded an attendance banner. In addition to enjoying the fun dancing, our members (including our caller) purchased quite a few raffle tickets, 50/50 tickets, and silent auction tickets. Are we bragging about our little club? Sure we are! As the old saying goes, "We might be poor, but we are proud!" How about you? Are you bragging about your club?

We graduated 10 students at the Mainstream level on May 11th. The traditional four-corners candlelight ceremony was used. Square dancing might be on the decline Nationwide, but our membership roster has been growing ever since the club was first started less than a year ago. Twenty-eight members in one year ain't too bad! We are determined to prove that the "Square Dance Erosion Problem" (sob-sob!) can be solved! Would you like to help?

Before we forget it, we thank Patricia Rist for teaching and leading our line dance program. She has been a good dancer most of her lifetime and was a dance instructor (as well as a school teacher) for many years in Louisville, KY. She is planning to teach our caller to ballet dance after he completes his round dance lessons. We already feature square dancing, line dancing, mixers, and round dancing. Why not ballet dancing? We want to have something for everyone. How do you feel about tap dancing?

How do you feel about ghosts? Our club will sponsor the Ghostly Walking Tour in St. Augustine on Friday, July 13th. Peace Presbyterian Church won't be available that night so we will caravan to a good restaurant and then go to visit the ghosts. We have been on this tour twice and found it to be a real fun evening. You are welcome to join the tour with us provided that you are not a pantywaist petunia who hates ghosts. You can go anyway, even if you are a yellow coward. Just be sure to bring a flashlight, a pair of track shoes, and a sweater or jacket.

By the time you read this the great dance called by John Saunders on June 15th will be history. Hope you didn't miss it.

Our next Guest Caller will be Jerry Reed on July 27th. He will call Mainstream level all evening. Watch for our ads in "The Grapevine."

Congratulations to Lisa Noe and the new round dance club which started up on Sunday, June 3rd. We are really glad to know that round dancing is still alive and well. We are no longer the new kid on the block now -- you are! We welcome you and know that you will be successful.

Come join us for a fun time any Tuesday evening.

NEFSARDA President, Howard Crowe, presents the club a \$100 check for graduating at least a square of new dancers!

SQUARE DANCING

Written by Gail Pflaster (Submitted by Mary Burzo)

I love to dance at every chance
Mainstream, plus, and advanced
Weather as belle or beau I'll do sa do
then twirl that girl either to or fro
Star through always gives that clue
to show when dancing, who is who
Let the caller sing while we weave the ring
or save refrain during teacup chain
I won't be late for motivate
Yet-all four couples-I can't get straight
Peel & trail may sometimes fail
But bend the line keeps going fine
If half transfer becomes a blur
Cross trail through remains tried and true
Though we sometimes need to Half breed through
Dancing's still fun-yes indeed.

MANDARIN MARAUDERS

Janet & Ken Vincent 771-7295

The Marauders welcome a new club year with new officers and committee chairmen; we're looking forward to an exciting year with new members, new activities, and a new class in September. We have visited Joy Seas, Moose Promenaders, and Silver Fox to steal and/or retrieve banners. Thank You All for your wonderful hospitality and friendship; we look forward to your visits to our club soon!

Ten couples with Lawton performed a demo dance on May 18th for the Bartram Trails Newcomers Club; we all enjoyed a wonderful evening filled with fun, great hospitality and new friends!

Special Events for July and August: July 24: Watermelon Feast. Members bring finger snacks; August 21st: Ice Cream Festival; members bring finger snacks! Start time for these dates is 7:00 PM.

September 11, 7:00 PM will be our Fall

Open House to welcome new students for our new class. Students are offered two free lessons to get started for the season. We invite you all to come dance with us any Tuesday, 7:30 PM at Italian American Club on Westberry Road in Mandarin! We hope to see you in a square soon!

MOOSE PROMENADERS

Kim Keffer & Tom Thornton 771-5775

If you missed the Pirate's Ball on May 10th you missed a fun dance. We had 12 squares of pirates and their ladies in attendance. You really found out who your friends were if you were unlucky enough to be locked up in the brig. Then Luther found out the meaning of the word embarrassment when he had Art locked up and tried to continue on alone with the calling duties. One of the highlights of the evening was the Pirates of Penzance skit featuring Al Lobato as the gay pirate and Mark Ballard as the Captain, backed up by a motley crew selected from our Moose men. It brought the house down. Our plus students were able to participate and it was their first Big Event as Mainstream graduates. Thanks for chairing this event, Gerry and Dale, and big hugs to the members who decorated the hall under Al Lobato's "expert" guidance. We appreciate Lisa Noe joining

us to cue a couple of rounds for our round dancers.

Our Plus class is in full swing and if you wish to brush up on your plus dancing talents, please feel free to join us at 7.00 PM each Thursday evening. We wish to welcome two new Moose members from our plus class - Craig and Liz Young. We do enjoy having them dance with our group.

We are glad to see Ernie Matson doing so well after his radiation treatments and wish him much good health. Keep Dale Fredrickson in your thoughts and prayers as he undergoes knee surgery toward the end of June. Best wishes for a speedy recovery, Dale. We hear that Everett Luke is also on the sick list and we will be thinking of him as he goes through his treatments. On a sad note, we wish to extend our sympathies to Hank and Doris Spaulding on the passing

MOOSE PROMENADERS (Cont'd)

of his brother. Our thoughts and prayers are with you.

Our next big event is the Annual Pink Cadillac Dance with Art Wilson calling and Lisa Noe on rounds. Don your fifties outfits and come join in the fun and fellow-

ship. This will be our final dance for the summer as we always take a break during the month of August.

We return on September 13th and will look forward to seeing you all in a square at that time.

PLUS FOX

Lillie Brugh-Irizarry 266-1083

We are still on a roll with our Banner stealing and raiding. I'm glad to see so many people actively participating in these events. On April 18th the Moose Promenaders came to steal our Banner. They even brought a few Pirates with them. Of course, no one was forced to "walk the plank"! We were also raided on May 9th by the Silver Fox club and on June 6th by the Fun & Frolics.

We returned the favor on the Moose Promenaders on May 16th and retrieved our banner. We also retrieved our banner from the Yellow Rockers.

We hope that all of you Moms & Dads had wonderful Mother's & Father's Days.

As a reminder we will not be dancing on July 4th. We hope that you will have a safe and fun filled holiday. Also, take time to reflect on the fact that we are privileged to live in a great and free country.

Additionally, we will be having an Ice Cream Social on August 22nd. We will have an assortment of ice cream to choose from and a variety of goodies to go along with it. Please come join us and bring your "Ice Cream" appetites.

We are in casual dress mode now until the end of summer. No need to get dressed up, just come on out and dance.

We would like to say a big "Thank You" to all of our visitors. We love to have you and hope that you will continue to visit with us. We also extend a hearty invitation to become a member of our club.

We would like to extend our heartfelt sympathies to Macie Jackson on the recent passing away of her sister.

A special thanks to our caller/cuer, Jim Cosman. Until next time - remember to "Yellow Rock" your partner daily.

RIVER RAMBLERS

Earl Cunio 386-328-5302

I recently named all the callers who had performed at our Shrine Club Benefit Dance for the Childrens Hospital. However, I failed to mention the round dance cuers who also donated their time to our benefit. They are Sunni Thomas, Roy Brown and Larry Dunn. Thank you for a job well done!

On May 24th, the River Ramblers Club graduated another class of square dancers. This year, we honored Jim and Phillis Bowling, Shirley Hogan, Ann Tennant, Gloria and Jay Seifert and Viola and Charles Wright. Congratulations to all of you! The graduates enjoyed the

traditional "mummy wrap" of Ernie Rollen while he called a dance. They also performed the funny dances, with balloons under the arm and sucking lemons. The grads even tried a dance with blindfolds, but I am not sure that was a total success. I say that because I was one of those dancing with a blindfold. I was afraid to move for fear of poking or grabbing and maybe even falling. Ruth Cunio and I were out of town for our graduation last year. So we were required to go through the ceremony with this year's class! It was great fun and I'm glad we were included.

Harvey & Marylou Morton 221-9519

"It's better to wear out than to rust out." We like that slogan. And we also realize that people need to stop and smell the roses sometime.

The Rollaways have been making a lot of club visits and our banner Chair Lady, "The Bomb," has turned in a stock of visitation cards. We are going for the gold medal again this year. We will also be going for some of NEFSARDA's greenbacks after our student graduation next year.

Many thanks to the 29 Rollaways who attended the Blood Bank Benefit Dance on May 5th. We now have another banner award for the highest number of members in attendance from an individual club. They will probably want their banner back one of these days, but that is okay. We plan to take it again next year.

Our annual Spring Picnic was held at our old stomping grounds in Hanna State Park on May 19th. We just kicked back under the trees near the water park on the lake and let it happen. The Club supplied the hamburgers, hot dogs, buns, and drinks. The members and guests brought dishes for sharing. Our Picnic Grill Chef, John Wall, stood there at his post, with tears in his eyes, roasting dogs and flipping burgers as the noisy, drooling crowd around him yelled orders, such as "burn one round steak," "two Bubbas on one round steak," "two Bubbas on the hoof," "one dawg, medium well," and "one

hockey puck - no bread." John had the tears in his eyes because he is a very sophisticated Chef from the Big Apple" and he doesn't quite understand Redneck talk yet. We hope to have him a little better trained for our Fall picnic. Cheer up, John.

The Rollaways teamed up with the Seabreeze Singles for our Mother's Day Dance on May 8th. We plan to do the same thing for our Father's Day Dance on June 12th.

Eileen Loncle (Avon Calling!) has revealed to us that she can put on, or take off, exactly 4.27 pounds of weight simply by putting on, or taking off, her string of achievement and fun dangles and badges. We recently learned that she even has a dangle that she won for wearing the most dangles.

Some of our members are going on a Mystery/Knothead bus trip on June 16th. We will take covered dishes and a group of poor, unsuspecting club members to some unknown, distant land so that they, too, can proudly wear their official Florida Knothead badge wherever they go. Where are we going? We don't know and we really don't care, as long as we have fun.

Well, we have stopped to smell the roses long enough for now, so we have to get going. We have a busy schedule planned for the next year and we are really looking forward to it.

Summer time is Vacation Time.

By the time you read this, Memorial Day weekend and the State Convention will have passed. A great time was had by all.

Starting June 12th, the Rollaways joined our group at Peace Presbyterian Church on Tuesday nights. The Callers, Jim Cosman and Ken Miller, will share the evenings. At 7:30 PM on Tuesday nights we also have rounds. Please come and join us for some good dancing and lots of fun.

Dues are due and payable at this time so that we can update our Membership List.

Yours truly will be traveling to Alaska again on June 8th. This will be my second trip. I was there in 1994 when the entire Love Boat was all Square Dancers after the National Convention in Seattle. What a beautiful place Alaska is. Truly beautiful!

Remember -- "Success is peace of mind knowing you did your best."

SQUARE WHEELS

Martha Zimmerman 352 336-5311

Our campout at Colby Woods in Ocala, FL, April 20th-22nd, was a great success. We had over three squares and our covered dish dinner was delicious.

We camped at Pacetti's Marina in May and, since Mary & Bill Chesnut were at an Office Products Convention in Las Vegas, Ken Miller called for us. He brought three squares of dancers with him and we all had a fun time. Thanks, Ken, for a great weekend of dancing.

We held a Club Meeting at the May campout and elected the following new officers: President, Gary & Diane Harrell; Vice President, Jerry & Faye Wright; Secretary, Martha Zimmerman; Treasurer, Bobby & Hazel Wasson; and Wagon Master, Chuck & Aleen Breedlove.

A lot of us camped at the Lakeland RV Resort during the State Convention the end of May. We had a great time.

We do not have regular campouts during June and July, but hope you will join us on June 15th-17th. We will meet

the Drift Arounds and the Gypsy Squares for the second "Summer Jamboree". With three excellent callers--John Barrett, Bill Chesnut, and Jim Cosman--this promises to be a great weekend of dancing. By the time you read this, the event will be history, so we hope you were able to be there.

Then, July 20th-22nd our caller, Bill Chesnut, will be calling for Chapter 018 for their campout at Grand Lakes. Everyone is invited to join us there.

Don't forget the Benefit Dance for Shriner's Crippled Children Hospital which will be held at Keystone Heights High School on July 14th, 7:30-10:30 PM. Lots of Callers with non-stop dancing, Chinese Auction, Raffles and Door Prizes -- sounds like a lot of fun.

We still have ribbons and flyers for the State Camp-O-See which will be in Okeechobee on October 19th-21st.

Our next regular campout will be August 17th-19th at Grand Lakes RV Resort. Come join us!

TEDDY BEAR SQUARES

Dave & Shirley Nihart 641-5218

The Teddy Bears have been pretty busy these past two months trying to attend a lot of the special dances.

At the Blood Bank Dance we had a great time and a lot of us won prizes from the Chinese Auction. This was the first time we helped set up for this dance and found that there is a lot of work going into it. We compliment the Chairman, Stephen and Marie Bigelow, and thank all those that took the time to help.

Our next trip was to the Pirates Ball where a lot of us had to spend some time in jail. It cost \$1.00 to get out of this--what a neat idea for a money raiser! This was a FUN dance and was well attended by all of the clubs.

At the Teddy Bears' Mother's Day dance on May 12th, Charlie and Val Newsome were surprised with a cake and punch as they celebrated their 25th Wedding Anniversary. We hope you have many more. We were visited by the Rollaways as they came to retrieve their banner.

A few of the Bears attended the 5th Monday dance at the Fun 'N Frolics. This is always a FUN dance, and dancers get

to try some of the Advance calls.

We attended the Florida State Convention the end of May and saw many Bear dancers there. Hope they had as good of time as we did. Our Association's Showcase was excellent. Our thanks to all who worked on it, and especially Misti, daughter of Manny & Sherry Gonzales.

Six couples of Bears attended the Gypsy Squares dance at Bulow and stole their banner. Before the dance we stopped and ate dinner at Martins. What a nice place to eat! This is a real nice trip for an evening of dancing.

Our 17th Anniversary dance was held on our first dance in June, and we thank all the dancers that attended to help us celebrate.

We wish both Aleen Breedlove and Gaye Feuer a speedy recovery from their recent surgeries. We hope you both will be back with us soon.

The Teddy Bears will be dancing casual all summer, so come join us any second or fourth Saturday at Peace Presbyterian Church, 8:00-10:00 PM.

YELLOW ROCKERS PLUS

Karen Elysbeth Walsh 733-2921

Hello one and all. Here I am again, sharing news and views with you.

This month has been quiet in some respects. We have done a lot of banner raids and visiting other clubs, but on the home front we've been catching up on ourselves! Lawton continues to inspire us by his calling, but we have to take him to task every now and again, as he doesn't seem to be calling what we are dancing!!

Do come and join us if you are in the Riverside area, we love to see new faces,

and our multifarious theme dances bring out the best in even the shyest person.

The Fall Festival will be here before we know it, and volunteers are always welcome - it's a great way to meet people and make new friends.

May I take this opportunity to wish you all a great 4th of July, don't eat too many hotdogs, and watch out for flying fireworks.....

Till we meet again, take care, and Happy Dancing.
