NOTES ON THE NEFSDA MEETING

Meeting of the Northeast Florida Square Dancers Association was held at 2:30 P. M. at the Robt. Meyer hotel on May 18th. Treasurer's report showed a balance of \$498.21 in the till. There has been an absence of a corresponding secretary and Bonnie Smith had volunteered to fill the gap. She was elected with no opposition by those present.

Bow and Swing has had no reporter from the Northeast Florida area so Virgil Green volunteered to give this news to the Bow and Swing if it was phoned or written in to him by the 5th of each month. His address is 4741 Irvington Ave., Jax 32210 and phone is 384-6195.

Harvey Chambers reported that the Fall Roundup featuring Marshall Flippo on Nov. 7 & 8th is coming along fine. There will be some recordings of Flippo's played at different dances to get everyone more acquainted with this caller.

The Grapevine reported that plans for the Grapevine subscription dance would soon have to be set and help is being sought for a person to serve as a good manager for this dance to be held sometime in September.

The Calico Swingers applied for an associate membership in the NEFSDA and it was voted to allow them to have this membership.

A nominating committee will be chosen at the next meeting, July 13th, to come up with some candidates for the NEFSDA next slate of officers.

It was reported that on the question of

whether the clubs should raise their admission price to a \$2.00 per couple the majority of the clubs wanted to stay at \$1.50. The association wants to make it clear that they were not promoting this in no way, shape, or form but merely were trying to seek an answer from all the clubs. The question had arisen and it had to be resolved.

441 CLUB - Open club idea making progress

2nd and 4th Saturdays, Recreation Center, Gainesville, Florida.

Our open door policy and letters has been a huge success. Bunny and Jimmy Whiteman, Joan and Ron Hogan and Grant Solberg have been working on the letters and we are most grateful for their efforts.

On May 10th John Saunders couldn't make it (he ran out of bad weather and other earth shaking events) but he sent a very capable replacement, Johnnie Robbins. We enjoyed one of the nicest dances of the year, thanks to Johnnie and our many visitors. We have always thought our visitors from a certain club in Jacksonville came to dance with us because of a wood floor, an air-conditioned hall (too good May 10th - 650) and nice friendly dancers (because they are there). Now I am having my doubts, it seems the decor of The Colony Inn changes to yellow Square Dance dresses and shirts every other Saturday night or so. Either reason we surely enjoy their company.

A good wood floor, adequate air-conditioning, a just right room for 12 squares or so and FRANK BEDELL. That is the combination to close out 441's dance year on June 28th.

We will be back in October with Milledge and Grace Murphey as President; Jimmy and Bunny Whiteman, Vice President; and Nelson and Mary Gene Blanchard, Sec'y and Treasurer. Your reporter for the fifth year, me.

The Gainesville Square Dance Council will be sponsoring the 4th Summer Program with Scotty Thomas on the 2nd and 4th Saturdays of July, August and September. The kickoff dance July 5th will feature Manny Amor with Frank Clements calling a Harvest Ball on October 4th.

Julia and I will be spending a five week vacation trip through the Ozarks, Rocky Mtn. Park, Colorado Mts., Glen Canyon Dam, Grand Canyon and ending in Tampa on June 22nd.

SUNSHINE TWIRLERS CLUB have some good workshops ahead.

Thursdays at 8:00 P.M.
Caller - Scotty Thomas (376-5024)
President - Bill & Barbara Russell

The Camp O'Leno weekend is in the past and even tho' some of the dancers wore a hole in the floor, it must have been the best yet. We have enjoyed our visitors this month and hope you will return to dance with us again.

The new officers for the coming year are: President, Bill and Barbara Russell; Vice Pres., Bill and Bonnie Chesnut; Sec'y, Calvin and Polly Teele; Treas., Harry and Miriam Gouck. To our past officers a heartfelt "thank you" for a job well done. We are proud of our new Square dancers. The class finishes its lessons Tuesday night and will begin the workshop on Thursday night. Those that cannot attend the State Convention in June will enjoy the Aqua Duck weekend at the home of Mrs. Edna Earl Miller on Lake Santa Fe. Our new Square Dancers will have completed their workshop at this time.

We are proud of our new addition to square dancing, little baby boy Ford, son of Alfred and Eloise. We hope they will soon be back with us.

We are looking forward to our summer workshop by the Gainesville Square Dance Council. The Kick-off dance will be July 5th, with Manny Amor. Scotty Thomas will call on the 2nd and 4th Saturdays of July, August and Sept. It will be at the Gainesville Recreation Center at 8:00 p.m.

STARLITE SHUFFLERS - Thanks for Camp O'Leno.

Thursdays, Joseph Lee Center
Caller - James Maxey
President - Bruce & Julia Yongue

On April 26-27 the Starlite Shufflers held their annual Camp O'Leno Hoe down. And just ask any of the Shufflers and they will tell you that we had a bumper crowd. There were so many dancers until the old dining room had to be opened and would you believe they stomped a hole right through the floor. Of course, that is what happens when you have those high kickers from Country Cousins around. We had some wonderful callers and they were at their best. We would like to thank all of them for a job well done. As a matter of fact they even put in overtime for at 2:30 a.m. there was still a floor full of enthusiastic but tired dancers ready to square up and go some more. We did take time at 11:00 p.m. for an after party. We played some games, had knothead initiations for two squares of Georgia dancers. One square had some very lovely ladies to dance with plus the thrill

of dancing with the current Miss Camp O'Leno. There were certainly some lovely ladies but they were heard to say "that bunch of dancers from Georgia were certainly rough on the figure." There is no doubt that everyone had a wonderful time and we would like to express our appreciation for all who helped to make our HOEDOWN the most successful one ever.

Some of the Grand Slammer group camped at O'Leno for the hoedown. On Saturday afternoon a certain Shuffler named Clyde rode his son's motorcycle to the camp grounds and picked up a certain Grand Slammer named Bonnie or was that Bob and Betty, anyway, on their ride back to the dining hall they ended up on the ground with the cycle on top of them. Luckily they were not injured only suffered from a case of mild hysteria.

A group of us Shufflers joined a group of Grand Slammers on Sunday night, May 4th, at the Holy Rosary Catholic Church on Cottage Street. Gus Ruser furnished the tapes and we danced a few tips. Also, we had some fine guitar playing and singing. As one of the Slammers pet sayings go "we had a ring a ding time".

May 24th we travel to Jekyll Island, Ga. for a week-end camping trip. There will be eight couples camping. Our caller, James Maxey, will be calling in Brunswick or is that Atlanta or Macon. Can't ever get it straight. Anyway, we're following him wherever he goes to dance with him. We are looking forward to a good camping trip and lots of square dancing.

Our class is progressing real nicely. We have some good prospective square dancers in the group. We have lessons from 7:30-9:00, then we dance from 9:00-10:30.

Congratulations are in order for Bob and Mary Pamer. They have a brand new baby daughter. Granddaughter that is. Some one asked Bob the other night what it was like living with a grandmother, and he said "rough". We just know they will play the grandparents part real well and spoil that little girl to no end.

We were sure happy to have Forrest and Georgia welcome to come out and join us. Addington back with us. Seems like Forrest had to go to Washington and get the President straightened out and Georgia went along just in case Forrest failed. I believe this is the way it went, but I could be wrong. Anyway it's good to have them back.

Well, seeing as how I'm just a stand in at this job, and I don't want to over do a good thing I had best shut up and get this in the mail. Here's hoping we'll be squaring up with you soon.

ROUND DANCING - "Round Dancing is Fun"

Tuesdays - 8:00 P.M. Southside Youth Center
Caller - Helen Crout
President - Harry and Grace Radvansky

All of you square and round dancers missed out on a lot of fun if you failed to attend our Annual Birthday Dance, held April 22nd. We are fortunate in having several callers right in the club - Lucius Nelson, Frank Clements, Joe McMath and Billy Bishop. Combined with Helen calling rounds we were stepping lively all evening. The refreshments were simply wonderful. We enjoyed our guests of about nine couples and sure hope some will come back.

New Round for the month of May is "Stepping Lively". The Round of the month is taught the 1st Tuesday of each month by Helen. Anyone wishing to learn the new round is

welcome to come out and join us. A big hand of applause should be given to our out of town members. We have members who come from St. Augustine, Woodbine, Ga. and one that comes all the way from Ocala frequently.

New Officers were elected for the coming year: President, Harry and Grace Radvansky; Vice Pres., Jack and Carolyn Wilson; Treas., Roger and Eunice Johnson; Reporter, Russell and Ada Kelly.

Have been missing Mike and Pauline Miklos as Pauline had surgery. Hope you are recovering quickly Pauline and will be back dancing soon.

Continued

Anyone interested in learning new dances, re-freshing your memory on old ones or just plain having a good time should come to Helen's EVERY THIRD SUNDAY AFTERNOON ROUND DANCE AND COVERED DISH SUPPER - 4:00 to 8:00 Mary Hammond Youth Center. Sunday, May 18th she taught "Bring me Sunshine", written by Floridians, Charlie and Madeline Lovelace. She work-shopped - Feeling - I Get the Blues - did Quadrills and others. We are looking forward to the State Convention, June 20th, 21 - and are working on rounds that will be called there. Our covered dish supper was a great success. Bet no one can make Banana Pudding like Pauline Shuford.

JOSEPH LEE CENTER DANCE - Do you know your basics? Come on over.

Tuesdays, Joseph Lee Recreation Center; 42nd & Perry St. Next to Pearl Plaza
Caller - Bill Camp (388-3889)

We are still working on "Green Alligators" couple dance. If you want to learn this couple dance, it is not too late, come on over.

The Square Dance figures were such as spin the web, peel off, spin chain through, from lines of three, allemande breaks (about 5 of them).

Have you danced on Tuesday lately? Do you have a friend dancer who has dropped out or quit? Why not get them over on Tuesday night for some fun and a little brush up on the basics.

Y-KNOTS - Can you shoot a bootjack?

Thursdays - 8:00 p.m., Southside Youth Center
Caller - Frank Clements
President - Bob & Annette Dulaney

It was good to see Mel and Agnes Sullivan back dancing with us after several months absence. Also, it's good to see Dot Landiss back dancing with us after her visit to the hospital. You're looking good, Dot.

We had a very enthusiastic group with us last week with visitors from Dixie Chain Gang, Allemandarins, and some of our class members. All had a good time as we celebrated Frank, our caller's birthday. With the lovely refreshments and Western decorated cake, Frank was also presented with a tie and bootjack from the club. The bootjack was in the shape of a gun and Frank had a hard time trying to figure out what to do with that gun! But, with instructions from our Treasurer, Art Herrington, that gun was unassembled and it became a bootjack. I'll

admit I was puzzled also.

On Saturday, May 17th, Frank was gracious enough to call tips for the children and public at the Pinecastle School for the Mentally Retarded's Annual Barbecue. Dancers from several clubs were represented there. A lot of thankfulness and enjoyment was expressed for the entertainment, and the barbecue was delicious!

Come see us every Thursday.

FRIENDLY FROLICS - We need more outings!

1st & 3rd Saturdays, Philips Highway Plaza
Caller - Bobby Keefe
President - Herman & Janese Ibach (724-2376)

Let's see--taking up where we left off last month--May was certainly a merry, merry month for Friendly Frolics. Just after our column went to press last, we all enjoyed surprising Eddie Edge with a going away party at his home by arriving all at once after the dance. It was a very relaxing and informal party, the kind we all enjoy. Vera charmed us with her musical talents by performing (and I do mean the word literally) on the electric organ. You should have seen her hands and barefeet moving! We're glad to see that Eddie has been coming back every chance he gets to dance with us.

We've been missing Bill Skiles around lately. Hope you're feeling better, Bill. Believe all our other sick members are well on the mend now.

What a wonderful family outing we had on May 10th at Burnett Park in Mandarin! Club members and their families turned out about 135 strong to play, visit, eat, and dance. This was the first outing of this kind we've had in some time and we're certainly thinking

about doing it more often. Our chefs are to be commended on their culinary talents. They worked hard in between pitching horse, playing softball and basketball. The volleyball court was a little too far from the "kitchen" until after dinner. Editors Note - To plan an outing like this takes work, cooperation, and friendly spirit. It was all there and everything was so delicious that all the food was completely eaten - well done.

Understand Jewel Hanvey got a little "carried away" playing basketball and hurt a couple of fingers and a toe. Other than that we had no mishaps. Good to see the Butners at this outing.

Be squarin' up with y'all.

ORANGE PARK PROMENADERS going to have a huge group of graduates

Fridays, Orange Park Lions Club
Caller - Bill Camp

This has been a busy month for the Orange Parkers, what with all the plans flying around for a graduation for the class and the big "Blast Off!"

The class has advanced to the point that it's hard to tell them from the club. The graduation has been set for June 27th. From some of the graduation "parties" I've seen before and from some of the remarks I've overheard from the club members, you graduates had better watch out - it promises to be fun!

Plans for the July 4th Blast Off are going fine. From all indications it looks like it really is going to be a "blast".

We've had some out sick with the "bug". Hope they're back soon. We hear Ernie Solano is doing fine and should be home from the hospital by now. Hurry back everybody - we miss you!

We've had lots of guests this month, in fact, so many it's impossible to mention them all. But we would like to say thanks to the Country Cousins and Western Cutters (who've been out in numbers) our visitors roll has been very high. We also had some "V.I.P." visitors from Gainesville. Come back Y'all!

Welcome to some "old" new dancers who will be with us for a while - Lester "Cowboy" Coval of the Swinging Singles, Norfolk, Va., who's stationed at NAS Jax; Charles Wythe, who's stationed at NAS, Cecil Field; and Bob Becker from Quonset Point, R. I.

We are having lots of fun learning the round dance, Green Alligator. Isn't it

strange how long you can live without realizing you have two left feet until you start to learn a new dance?

Its been fun.

GRAND SLAMMERS - Another good planned family camp out week end.

1st & 3rd Saturday, Minton Hall, 12th & St. Clair Streets (Paxon)

Caller - John Robbins

President - Wayne & Barbara Blackford
(781-2532)

The latest news is Tom Bailey and Pat McIntee are getting hitched in June. June 28th to be exact for all those who want to throw rice. Poor old dad Bill was so excited that he and a barn had a head on collision??? Really Bill don't you know Barns always have the right of way out in your neck of the woods?

As we wrote this bit of news our traveling banner had taken a trip to a club out in Dinsmore.

By the time our article will be in print the Camp Out weekend at the YMCA for the Grand Slammers and Jubileers will be over, and I am sure a pleasant weekend for all. We are sorry to say we were not able to go ourselves so all the news on this fun weekend will be second hand. Due to end of the year scouting activities and a new red headed member of the family we have been on the go or tied down at square dance times as of late but we plan to get back into the swing of things this summer. Barbara Blackford tells me that the formica in her new kitchen was broken and had to be replaced, the contractors hope to have them into their new house maybe for June 1st. Let's all hope so for Barbara's sake. She told me about that high kick she did at class last week, the one that found her laying on the floor.

While Wanda Goedert is at home refinishing furniture, Dick is getting his calling voice in fine form for that 1st Sat. in June dance. Let's have a good turn out to cheer him on.

Stan and Eleanor Zulusky have invited all the club and class members and their families to their house on Sunday, June 8th, time 3p.m. for a covered dish supper. Grilled steaks are on for the main dish should be a wow of a time.

President - Donald & Norma Smith (768-6488)

Hi, all you Square Dancers, hope you all is
feeling good. We got a lot of catch'n up to
do. Let's see, where shall I start? Oh yes,
due to a new job we have lost our reporter,
Hazel Hall. (She was great) - I'm a gonna
try to hang in for her.

We had a Mad Hatters Ball April 3rd. Pam
and Ray Livingston won the prizes for the
best hats.

Hmmmm --- I recollect a combination business
meeting and cookout at Jackie and Jean
Horne's place. (The vitals were best) That
was on April 22th. Then on May 3rd there
was another business meeting and record
party (little business - mostly party).
The class was invited for the record party.
We all had a ball.

Well, next on the list, I see two squares went
and retrieved our banner from the Western
Cutters on the 10th of May. And by doggies
they came and took it again on the 15th.
We shall return.

We are expecting a LARGE crowd for our Sadie
Hawkins dance May 29th.

Well, then on June 7th we are gonna have a
combination business meeting and record party.

Oh yes, from the Recovery room - Nathan Prather
is back - no dancing but he is back.

Well, neighbōr fo' the toss up we'll have the
graduation. It'll be held on June 26th for
our class members.

We all is planning a Knothead trip to Valdosta
July 11th to Bob Bennett's club.

Well, consider yourself caught up. Oh yea,
come to Paxon and enjoy our caller, Bob Rust
and the amazing Jan Gore. (She squares
dances sitting down)

DIXIE CHAIN GANG - Square Dancers really have fun.

2nd & 4th Saturday, 8:30 p.m., Philips Highway Plaza.
Caller - Frank Clements
President - George Stanton

The Dixie Chain Gang has been having good dances and good times this past month. After our first dance sixteen couples sneaked over to Frank's and got him out of bed just so they could dance. Bunch of idiots, weren't they!!

Next we had an exhibition dance at Regency Square. A big thanks to James Maxey and Billy Bishop in helping Frank call. We attracted a huge crowd and thats all the Dixie Chain Gang needed to show their stuff.

The first Sunday of May we journeyed down to Ronnie Yuill's lake front place at Lakeside Hills. Some men were so brave to try their luck water skiing where some ladies were not so brave to even wear their swim suits. Thanks to Ray Witte for the use of his boat.

All right all you guys and brave gals get out those swim suits, even the bikinies, and hip huggers, we are going to have another outing. An overnigher at that. The date set for June 21 and 22. Telephone committee get prepared to call everyone as to where, etc.

Second dance night found us acting like a bunch of kids. It was requested we peddle our bikes over to celebrate Frank Clement's birthday. Sam H did just that even without his training wheels. The entertainment committee had some fun games for us in between tips. Everyone really looked cute in their little kiddie clothes. Frank admitted his age, but we are not telling.

Attention members - we would like to have a good turnout for June 14th dance. Everyone start thinking of good potential candidates this being straw ballet night. Keep your thinking cap on for the final voting on June 28th. Also, that night we celebrate our 3rd anniversary. A hardy welcome is extended to all. Make special note everyone beginning July 1st dance admission will be \$2.00 per couple.

On Sat., May 19th, a large group went over to Pinecastle school to enjoy their barbecue and entertain the children with our square dancing. We really appreciate Frank inviting us to participate because we were the ones that really received the blessing. It was our reward.

Have fun - go Square Dancing!

COUNTRY COUSINS have Callers galore!

Saturdays, Dinsmore Civic Club
Caller - Walt Knight
President - Robert & Ann Zortea

April 19 we visited the Grand Slammers and walked off with their banner. We enjoyed dancing to the calls of John Robbins. We met many ole friends from the Starlite Shufflers and the Western Cutters.

April 26 and 27 we were, of course, where the action was, Camp O'Leno.

May 2 we put on an exhibition at the Biff-Burger on Soutel to recruit new class members. We all enjoyed ourselves and enjoyed entertaining the group that stopped and watched. We earned two bars, Biff Boppers and Star Gazers.

Our class got under way May 3 with a covered dish supper and dancing galore. We have enjoyed working with this new class, they are coming along fine.

We have had a young man stationed at Cecil Field visiting our dance on Saturday nights. As soon as we found out he could call, we have had him calling a few tips for us.

Our President, Robert, has really picked up on his calling. He just won't let us rest. Walt calls a few tips and tells us to take five and during our five we are dancing to Robert's calls. We feel Robert will be a member of the G. C. A. before long.

March 17 we had several visitors from the Alamandarins and the Jubileers. I think all this dancing from all our callers got to them also.

Our visitor from Cecil Field, whom I mentioned earlier in the report, is now a member of our club. That gives us three callers now to dance to and believe me there is no "taking five" anymore.

Ya'll venture out our way and dance to some calling like you have never heard before. With all our callers we have "callers choice" and believe me we have fun.

ALLEMANDARINS making hot coals planning a Fire Dance.

Fridays, Philips Highway Plaza, 8:30 p.m.
Callers: 1st, 3rd, & 5th Fridays, John Robbins
2nd, & 4th Fridays, John Saunders
President - Barbara Lucas (733-3770)

The last of April and the first three weeks of May have been busy busy for the Allemandarins. April 20th was a regular meeting and was held at the home of Barbara Lucas. I'm not sure if any business was settled but a lot of good food was taken care of quickly.

Barbara was imposed upon again of the 4th of May with a covered dish dinner which was for the sole purpose of acquainting the students with the regular members. The idea is that we members are not at the classes and the students are dancing with students and members of the Grand Slammers so often that our president is trying to tell us something I think.

There is a Knothead Dance Trip coming up on June 7 to Mims Florida. Johnnie Robbins is calling for a dance there that night so this gives us an excellent opportunity for anyone who has yet to earn a Knothead badge. Call Barbara Lucas for particulars of the trip.

Other traveling Allemandarins were at Gainesville and Brunswick during the month past.

Speaking of traveling Allemandarins, we have one couple who have moved completely out on us. Lee and Nan Majors have been transferred to Hendersonville, N. C. They are actually living a few miles away in Ashville but it is still too far for commuting so they will join a club up there. Before leaving on a Friday night they stopped by Joe and Virginia Summer's house for coffee and to say goodbye to the group.

The picture that Ola Walther donated to the club to be raffled off was won by a Lt. Commander Eajerton at NAS. I hope he enjoys it. He picked out my choice of the group. Maybe Ola will donate another in the future and give me another chance at winning.

Our class will graduate in June. The date hasn't yet been set but Quinton and Louise Tapley and Ronnie and Myself get to set up all the nonsense dances they will have to

do in order to graduate. You had better be nice to us, students, or no telling what we might plan. Really Barbara did this to us because we have been so forgetful on Friday nights.

We have had a couple of members in the hospital this last month. Marshall Catlin went in for a series of tests. They couldn't find anything wrong. After all, when there isn't anything up there, nothing can go wrong. Dot Landiss now is a completely different story. This woman recovered so fast from her hospital stay, she didn't even realize that she had a perfectly good excuse to soak up some lazy days. She was at the grocery store two days after she came home. I think Dot just didn't want to miss anything.

There was a meeting at the home of Joe and Clarice Greek on the 19th of May where plans were discussed and are being finalized for an Annual Fire Dance on October 10 and 11. We realize this is a bit early to mention, but we particularly want our out of town friends to mark their calendars. Reservation can be made at the Heart of Jacksonville Motel, which is just a short distance from the Maxwell Snyder Armory. There will be three callers for the dances. You start making plans for being there and we will finish our plans for welcoming you.

After our class graduated Johnnie Robbins and Dick Goedart are planning on keeping up the Wednesday nights at the Plaza with a Fun Level dance. Admission will be 50 cents per person and we would like all of you who know a couple who haven't been dancing in a while to come on back and practice at these dances. We will give you a starting date as soon as we get our class graduated.

Remember we are at the Plaza on Friday nights. Come on out and dance with us this month.

GATEWAY CALLERS ASSOCIATION working on teaching new callers.

Bobby Keefe - Chairman

All callers note: At the next meeting of the Gateway Callers Association the educational committee will present the program of instructions for new callers. At this time the proposed program will be discussed, reviewed and voted on. The committee composed of Scotty Thomas, Harold Pillmore and Johnny Robbins have worked hard to line up this program, so we hope all Gateway Callers will attend the meeting.

At our April meeting a design was chosen for a badge for the Gateway Caller's Association. The winning design was submitted by Jane Durden of the Western Cutters. We hope to be wearing this new badge within a couple of months. Jane won an LP Album of her

choice from the Record Rac for her prize.

Gateway Callers have sent a letter to Jack Masry congratulating him on the excellent program he had for the Callers Clinic. I think all the local callers benefitted from it as most of them reported that it was the best clinic they have attended.

A program for the 5th Saturday dance in May was submitted by the program committee. This dance will be held at Cedar Hills Armory and by the time you read this, it will be over. I hope everyone attends the dance and enjoys it.

Gateway Callers discussed the Gold Ribbon report and the article written by Henry Purcell in Bow and Swing. This is a suggested order of teaching basics to square dancers. They also talked about different levels or plateaus of square dancing. The purpose of this study is to try to keep people in square dancing. A committee was appointed by Bobby Keeffe to work on this in the Gateway area to see what can be done and get the dancers reactions to the report. This will be discussed again at the July meeting of the GCA.

Harvey Chambers attended our May meeting to discuss plans for the Fall Roundup. He asked the help of our association in programming the Friday night dance. Harvey also suggested that callers use some of Marshall Flippo's records before the Fall Round-Up so the dancers can listen to his songs and also hear his calling on them. Let's all work together to make this one of the biggest and best Round-Ups yet.

Callers, elction of a new Chairman will be held at our June meeting so be thinking of someone for this office. Remember, you need not be present to win!

AN EDITORIAL

We have a big responsibility of putting out a monthly paper which entails buying sufficient quantities of paper, ink, stencils, staples, purchase sufficient postage and a dozen small items that come up from time to time. We then type all articles from the clubs, make up flyers, see that all ads are placed correctly, stencil the sheets, coordinate, address, and then separate each one according to zip code and tie them in bundles. Also, we have to keep our files on new subscribers, renewals and make address plates for the new ones and changes of address.

When the issue goes to the mail room our job still is not complete. We have to see that we have enough money for another issue, so the statements have to be sent to all advertisers and those people or clubs who

have had flyers placed in the different pages. Think we can't make mistakes? Well, we do, because we are only human, and if these mistakes are called to our attention before they are misconstrued or carried from one person to another, your newspaper could have the complete confidence of every square dancer. We don't mean to make mistakes, but they do happen, so let us know about them immediately. We thank the many clubs for their cooperation and assistance and hope we can have every club realizing and understanding our many problems.

2270 Blanding Blvd.
Instructor - Mariann Hidding (771-6272)
Chairman - Vic Fake (386-0917)

We of the new round dance group thought the GRAPEVINE readers would be interested in knowing what we are doing. As of yet we have no name, however, we do have a dancer chairman, Vic Fake. Mariann Hidding is our instructor. We meet every Tuesday night except on special occasion when there is a prior committment for the hall.

We have been dancing a month and already we dance a full evening of rounds. We dance some of the old favorites and learn the new rounds of the month.

Visitors are welcome and the hall is air-conditioned. If you plan to attend, call in advance to verify that we will be dancing.

GOLDEN ISLES SWINGERS making "Square Dancing" a big name in Brunswick

2nd, 3rd, 4th Saturday, City Recreation Bldg.
Brunswick, Ga., 8 to 11 p.m.
Caller-- Dick Barker
President - Jim Foley (265-6578)

The Golden Isles Swingers have had a busy month of May. On May 6th we danced for the Navy Wives of America. There were women down from Georgia, Florida, South Carolina, Virginia, Cuba and Puerto Rico. This dance was held at the Brunswick Junior College with Jimmy Moore calling.

On May 9th we danced for the Tuesday-Child Fiesta. This was held at the Brunswick Fairgrounds. Many people came over to tell us how much they enjoyed the dance, and asked all kinds of questions about our club.

Sat., May 17th, we had our Sadie Hawkins Dance. It was a real success. Everyone

went way out, and it was hard to tell who looked the grooviest. We had a large turn out for this dance and expect to see each of you back real soon.

We are all looking forward to May 22nd as our club has been invited to dance at the Woodmen of the World Camp. This will be at their regular meeting and a cook out will be held for everyone.

If you are free on the 1st and 5th Sat. of each month, come on over to McKendree Methodist Church on Norwich Street. Charlie Major has fun night from 8 to 10:30. You will see why we call it fun night as we always have a ball.

Dick Barker has discontinued the work shop that was being held at Plant McManus each 1st and 3rd Thursday.

The class is still going on at Brunswick Junior College each Tuesday, Jimmy Moore instructor.

I am sure you Swingers have noticed things being quieter at the dances lately. Could it be the fact that Jim Warren is now in Saigon? If you would like to drop Jim a line, I am sure Pat just happens to know the address.

On May 24th James Maxey from the Starlite Shufflers will call for us, as our own Dick Barker will be out of town. We are excited about having Mr. Maxey call for us.

I hope to see each of you at the Valdosta Square Up on May 30th & 31st.

JUBILEERS - Camp Immokalee bound.

2nd & 4th Saturday, Arlington Congreg. Church
Caller - Harold Pillmore
President - Harvey & Gloria Chambers
(724-9014)

Our May 10th dance was a good one, which I'm sure everyone enjoyed to the utmost, club members as well as visitors. And speaking of visitors, we really do enjoy having you all drop in to share the wonderful calling of our one and only Harold and also the able and enjoyable assistance of our friend, the one and only Dick Goedart. We love you both to the utmost.

By the time this edition reaches all, our great weekend at Camp Immokalee will be in the past, so there really will be a big report of news next month, because us Jubileers and Grand Slammers really have a weekend planned. (We still have a half of a football game left, last year half time score 18 to 6. Later we'll tell who's

who's as soon as we find out who Leroy is !!

As most of you know our Harvey Chambers is beginning to get his voice back in shape. Sure does sound good to hear him back or almost back to normal. Keep on the doctors orders, Harvey. We want and need you all well.

We have a lot planned between now and Labor Day weekend (Knothead) so you'll be hearing from us on all of this plus our lost weekend.

So until next month you all come.

ROUNDLEERS - Stepping Lively

Wednesdays, Woodstock Comm. Center.
Class - 7:30 to 9:00, Instructor, Helen Crout
Club Dance - 9:00 to 10:30
President - Bud Reisen

"Stepping Lively" is the round dance picked for the month of May. It is an easy, fast moving dance, but fun to do.

Well folks, I've been busy getting ready, so Bud and I could go to Laudsdales Pa. to see our new Granddaughter.

Our folks in the basic class are doing just fine. They are dancing the round of the month, Stepping Lively. Also, some of them were brave enough to try a new dance, "Enchantress" which Fouts and Joan Reynolds are teaching us this month.

See we are getting the camping, traveling fever in our club. Several have nice mobile campers and are all aglow about their plans on traveling and having fun this summer.

Bill and Ruth Fleshman are visiting their folks and friends up New Jersey way. Hurry back, we sure miss you two.

Smooth dancing to one and all - see you at the State Convention in Tampa, we hope!!

CALICO SWINGERS - A fast moving club

2nd & 4th Sundays, Westconnett Civic Center
105th St., just off Westconnett Blvd.
Callers - Tom & Mariann Hidding
President - Don Miller, Jr. (771-2800)

Calico's were invited to the Center Day Camp May 20th. Some of the spectators were having so much fun just watching us, so we got them to square up with us and dance a few calls.

Well, just as I said last month our class is moving along so fast that they are graduating May 25th. So now the club will

be twice as big and will have twice as much fun.

Calico had four visitors May 11 from Paxon Prancers which we welcome very much and hope they will come again.

Our President, Don Miller, is learning how to call and let me tell you, I think he'll grow up to be a groovy caller.

I haven't heard anymore news about Carrie Bown and her knee. Hope she is fine and will soon get back to jiggin' with the club.

Congratulation Graduates!!!

WESTERN CUTTERS - Hoedowning Hoedowners

2nd & 4th Saturday, Mary Hammond Youth Center
Caller - John Saunders & Guest Callers
President - David & Claudia Fitzsimmons
(384-4162)

Our hats off to those Starlite Shufflers for another magnificent O'Leno Hoedown. There just aren't enough words to describe the outstanding job done by them, and the enjoyment had by all those that attended. See you all there come September.

Born too-many-years-too-soon-----If they had that much fun back during the Roaring Twenties that our Western Cutters had at our Roaring Twenties Dance May 10th, we surely were born too soon! Decked out in fitting apparel and in keeping with the 1920's along with many others was none other than that handsome, clear-calling Ray Cunningham from down Ocala way. He did such a fine job all evening that when it came time to call it a night, the crowd became exuberant---clapping, stomping and calling for more. And he called more, and more, and then right on to the old stomping grounds with any other Western Cutters til wee hours for a snack before getting on his way home. Thanks, Ray and your lovely wife for such a grand evening.

Paxon Prancers came a'calling for their banner, along with the Ancient City Squares from St. Augustine for theirs. Paxon didn't keep theirs long as we got it back the following Thursday. Hope we'll be seeing them again soon!

Dick Barker will be calling for us May 24th and June 14th we'll have Bobby Keefe with his smooth calling. Don't forget June 27th when we'll be sponsoring the 1st Western Hoedown with callers Frank Bedell and Chuck Durant at the Cedar Hills Armory on Wilson Boulevard. That's got to be a must for everyone.

We're all gald to hear that Lou Fideli is back home after his accident in Alabama

when during a bad rainstorm his truck was demolished when it swerved out of control and he received broken ribs, broken finger and painful lacerations. We all join together in wishing you a speedy recovery, Lou.

Double Deckers - Reporters.

ANCIENT CITY SQUARES - Been dancing lately?

Friday - Chamber of Commerce Visitors Center
Caller - Bobby Keefe
President - Chub and Carolyn Robshaw
(824-2497)

Some of our gang went on a banner retrieving expedition to the Western Cutters on May 10th and found themselves in another era - the Gay 90's, that is. A lovely time was had by one and all, but NO ONE would admit they knew how to do the Charleston - shame on them!

We've been missing Sam Baker and his missus lately. Seems Sam's been working on their cabin in the mountains. What we want to know is how many squares will it accomodate? We don't mind doing a little painting and stuff, if it means a good square-up later - right, gang?

Margaret Newlon is gone again - to Denver, Colorado. That's where that new gradson resides with his proud parents and older brother. Grandmother Newlon is getting to be an old hand at making formula and changing diapers.

Not all of our news is on the happy side. Our dear, sweet President Chub Robshaw, had a bad automobile accident and is in Flagler hospital. They tell me he's singing "All I want for Christmas is my two front Teeth". All kidding aside, we're pulling for him and hope he will soon be able to come home. Ain't got nobody to "swang" me.

See you all next month be the Lord willin' and the creek don't rise --

CALLER'S COLUMN

From time to time we want to present an inside view of some of our callers that we are advertising in our column "CALLERS AVAILABLE" so that you will learn to know them better and appreciate them more.

Louis Calhoun and wife, Ann, have four children, Louis, Jr. 26, Bobby 16, David 12, and Jeff 6. That is quite a family of boys to raise. For his regular and steady job he is 7th grade Math teacher in the Seminary School at Madisonville, Ky. He holds a B.S. degree from Florence, Alabama State and an M.S. from University of Tennessee.

Continued - Louis Calhoun

While a senior in college at Florence, Ala. before the fall semester there was a sudden change in the faculty of the Physical Education Department. The staff member leaving was scheduled to teach square dancing to 200 Freshmen. The replacement teacher had never been to a square dance, knew nothing about it and neither did anyone else.

As Louis was a Physical Education major and Biology major and an honor student, sort of a big wheel on a tiny campus, Dr. Flowers, the department head prevailed upon him to help the new teacher with the square dance class.

Remember, Louis had never been to a square dance either, knew nothing about one and here they wanted him to teach a class in square dancing in college!

Fortunately, the staff member who was originally brought in as a physical Ed. teacher, had an office full of records and books on square dancing and folk dancing. He borrowed many of the records, grabbed about four books and went home to spend one solid weekend on boning up on the art of square dancing. He studied and read, listened and practiced until he became fairly proficient in what this thing was all about. On Monday morning Louis met 200 Freshmen and introduced them into this new field of dancing.

This all happened back in 1949 but that year he launched his calling career and took a liking to it. He taught and called all that year. He also helped teach three ball-room dance classes that year, but he had had some experience in that. Since that time he has been a square dance caller.

The first six or seven years he did one night stands, P.T.A. parties, church socials, etc. as well as to teach hundreds of high schoolers to dance.

In 1957 his calling started to get serious and by this date he has called in every state east of the Mississippi river except Vermont and Maine. Louis was formerly director of Recreation and square dance coordinator and host caller at Fontana Village Resort, N. C. until he decided to go back and teach school.

Quite a life for a guy as young as he is, and it has been a full one. He is an excellent caller and has a wonderful personality. Better grab him while he is available.
