### PRESIDENT'S COLUMN

At the last meeting of the Northeast Florida Square Dancers Association, a committee was appointed to nominate a slate of officers for the 1970-71 fiscal year. Chairman of the committee is Bill Fleshman with Harvey Chambers, Jack Shuler, Sr., and Barbara Lucas as members of the committee. The slate of officers will be published in the September issue of the Grapevine; but between now and the end of August, the committee will be seeking the more able-bodied leaders to fill the offices of president, vice president, recording secretary, treasurer, and corresponding secretary. It is our hope that when you are approached by one of the members of the nominating committee that you will seriously consider accepting the nomination and will realize the privilege it is to serve as an officer of the NEFSDA.

Excitement is mounting all over the State and particularly in our Northeast area about the 17th Annual Florida State Square and Round Dance Convention to be held June 11-12-13, 1970 in Orlando. Dancing will be in the auditorium - exposition hall. The Robert Meyer Motor Inn is headquarters with the Park Plaza Hotel as co-headquarters. The theme this year is "Swing in '70". Let's all go down to Orlando and support the State Convention. The 1971 State Convention will be in Jacksonville with Bruce and Julia Yongue as Chairman.

Mark the following dates on your calendar:  
November 20-21, 1970 - Fall Roundup -  
Municipal Auditorium, Jacksonville - Vaughn Parrish of Boulder, Colorado calling. Virgil and Elsie Green, Chairmen, report that plans are shaping up real well for another tremendous weekend.

are planning a real big fifth Saturday dance on Jekyll Island at the Aquarama on Oct. 31. There will be costumes, camping, plenty of motel space, and lots of good fun in store for all of us. Herman and Mary Lange, Presidents of the GOLDEN ISLES SWINGERS, gave a real enthusiastic report at the last meeting of the NEFSDA.  
Happy dancing.

STARLITE SHUFFLERS - A vote of THANKS to all you Square Dancers!

Thursdays, Joseph Lee Center  
Caller - James Maxey  
President - Bruce & Julia Yonque. (388-3798)

Whew!!! It's over - Camp O'Leno hoedown is past history, and boy's did it ever make history. More people, more fun, more work, more everything. Never have we seen a more enthusiastic crowd. They were rip roaring and ready to go before 2:00 o'clock on Sat. They went full blast until about 4:30 a.m. and then would you believe they started back before 10:00 a.m. on Sunday and didn't want to stop at 11:00. But remembering how delicious the food was they decided to stop so we could fix lunch. After lunch everyone said their good byes and all was quiet once more at O'Leno. We would like to thank all the square dancers for their support to our weekend. Without them it would be nothing. Also, to our callers James Maxey, Dick Bishop, Dick Barker and Frank Clements - we extend to you a hearty thank you for a job well done. We still had some problems with some night cws. Someone slipped James Maxey a sleeping pill and we thought we had it made. But lo and behold about 5 a.m. the reserve crew went into effect, the results being that no one slept at all. Oh well!! that's what we go for is fun. Eleanor Zelusky left Ski at home and boys do we ever have an ear full to tell him. Heard a rumor about some person falling out of her bed and Bob Hart has some bruises that he has no explanation for. James Maxey received a beautiful vest made of some sort of shiny rings. Oh yea!! Now I remember they had him save all his pop tops for the last week or two. Sounds like a kind of bad story. Might have to see about some A.A. meetings for Big Daddy. The after party was lots of fun with a shot gun wedding, a full fledged band complete with wash board and gut bucket. All in all it was a wonderful weekend. Don't know when we've ever had so much fun.

I've always had a sneaky suspicion that all the STARLITE SHUFFLERS are looking for is a teeny weeny excuse to have a party and we can really throw one. What started out as a simple rehearsal for a skit at O'Leno turned into a covered dish supper. There was so much food and so many yummy desserts. Looks like while Big Daddy goes to A.A.'s the rest of us will be going to Weight Watchers. There were about 50 people and we had a ball.

Some of our group are planning another camp out at our place at Keystone Heights for Memorial Day Weekend. The last time they were there it rained 17 inches for the weekend. Maybe this time we will have lots and lots of sunshine.

Big Daddies gang done let him down. Don't think it was anything Big Daddy did except maybe danced everyone too hard at O'Leno. Anyway he called for the SUNSHINE TWIRLERS in Gainesville April 30th and there were no STARLITE SHUFFLERS to be found. I think

another contributing factor was it being on Thursday night and so far to drive plus being tired from O'Leno.

We had graduation exercises for our class on Thursday, April 23. We have some good dancers especially when they are blindfolded with balloons tied to both hands and feet. They are good sports and we are looking forward to having them in our club. Again the hostesses outdid themselves with all the delicious refreshments. All in all it was a fun night and everyone had a ball.

On Friday night May 8, James Maxey called for the Ancient City Squares at St. Augustine. The crowd was small but we had a real good time. James did a good job of calling and other than the fact that we were so stuffed with seafood and so miserable we couldn't even kick a leg, we had a ball.

WESTERNAIRES - Callers represented at State and National Conventions

1st & 3rd Saturdays, Westconnett Civic Ctr. after July 18th, 1970.  
Callers - Tom and Mariann Hidding (771-6272)

First of all, we have to cancel our dances for June due to the State Convention in Orlando and the National Convention in Louisville, Kentucky. Our callers are on both programs.

We will resume dancing in July, a new night and a new hall. We will start on July 18th and every 1st and 3rd Saturday there after. Join the fun and your friends.

Hope to see y'all at the State and National Conventions.

CALICO SWINGERS having a summer of fun.

2nd & 4th Sundays, Westconnett Civic Center. 8 to 10:30 (summer schedule)  
Callers - Tom and Mariann Hidding  
President - Robert Miller (771-2800)

We have really been on a banner stealing spree. Our hall is now decorated with the banner of the COUNTRY COUSINS and the DIXIE CHAIN GANG, as well as our own traveling banner. We are looking forward to the above clubs coming to retrieve same. We are also planning to steal a few more banners, so be ready, your club may be next.

We are glad to have Mrs. Diloreto back with us, although the doctor won't let her dance yet. Hurry and get in dancing shape!

We sure are proud of our Donald Miller as he is doing some good calling.

Saturday, May 16th was a picnic and outing

for the CALICO SWINGERS. We invaded Russell's Lake Place at Lake Brooklyn, and what a great time we had. Food, games, dancing and oh, such a nice day.

A large number of our club members are planning on attending the State Convention in Orlando and the National Convention in Louisville. Our dance on June 28th will be cancelled because our callers and convention-goers will not be back in time.

FUN & FROLICS plan ahead!

Mondays, Woodstock Community Center  
Caller - Jack Griffiths

Our club has been quite active in visitation recently. Upon visiting the Dixie Chain Gang we had an unusual experience --- the person in charge of the banner could not locate it, so we were forced to take his shirt. (Did another club have their banner?) Callers beware and have your banners available or you will lose your shirt or something! We also invaded the new Orange Park club with Bill Bishop as caller. This is a growing club of interested dancers.

A business meeting was held at the home of Susan and Louis Connally. The club decided to do more visiting and to have a covered dish supper very soon. We also made tentative plans for more club activities and a class for beginners in the fall. Some of the new graduates have joined the club. Susan served delicious refreshments -- home made cake, candy, nuts, punch, coffee and all the fixings. Thanks to the Connally's for an enjoyable evening.

Please come and visit with us in our wonderful air conditioned hall and dance to the calling of Jack Griffiths -- we think he is "tops".

DIXIE CHAIN GANG - John lost his shirt.

2nd & 4th Saturday, 8:30 p.m., Philips Highway Plaza.

Caller -- Frank Clements  
President -- Elmo Brown (724-9178)

Dance starting time has been changed to 8:30 p.m. for the summer.

Club members, please mark Saturday, May 23rd on your calendars as an important dance night. This will be the date for our straw ballot of new officers. Final elections will take place on Saturday, June 13th.

Incidentally, June 13th has been selected for the celebration of the CHAIN GANG'S Fourth Anniversary, as well as graduation night for our current class. Let's have a real good

turn out of members, and as always, visitors are most welcome.

On May 30th the CHAIN GANG is planning an over-night outing at Laura Walker State Park, John Tyson and Fred Mills directing.

On May 1st some of our bandits retrieved our flag from the ANCIENT CITY SQUARES. At our May 9th dance the CALICO SWINGERS stole our flag, and on the same night the FUN & FROLIC came to retrieve theirs. As it happened John forgot to bring their flag, so took his shirt. Now John Tyson has to get up a square to retrieve his shirt.

We really enjoyed dancing with the CALICO SWINGERS, and also the calling of Tom and Mariann Hidding, Jack Griffiths, Don Miller and our own Frank Clements. We had a most enjoyable evening.

On Saturday, August 1st the CHAIN GANG is planning a Knothead trip to Orlando. Any club who has members that have not made Knothead would be most welcome. Interested parties please contact Jim Stone 721-0405.

GOLDEN ISLES SWINGERS attract too many shoppers from the stores.

2nd, 3rd, 4th Saturdays, Recreation Building, Brunswick, Georgia.

Caller -- Dick Barker  
President -- Herman Lange (912/265-4264)

Since our last report we have had three club dances, provided one exhibition at the Brunswick Mall, and given the nurse home a period of entertainment. Charlie Major's daughter, Lynn, has become "Mrs.". Larry Lawrence has broken an ankle, several of our dancers have gone to Rock Eagle, and we continue to have visitors.

On April 25, while Dick and many of our club members were at Camp O'Leno, Jimmy Moore provided a dance for those of us who remained in Brunswick. Although the crowd was not too large, the spirit was high and the evening was an enjoyable one. Thanks, Jimmy, for keeping us dancing.

From the reports Camp O'Leno was a great weekend. Some of our dancers, recent graduates, attending for the first time were most favorably impressed.

Also, on May 2, at McKendrie Methodist church, Lynn Major became "Mrs." We hope Lynn and the "Mr." will soon join our square dance group. We remember a few years back, as a young teen-ager, Lynn was one of the better dancers in our group.

Two plus squares were on hand May 9 at the Brunswick Mall to participate on the program which had been arranged by the Mall managers. Our dancers were asked to discontinue the

Continued -

Continued - GOLDEN ISLES SWINGERS

exhibition about 45 minutes short of the original scheduled time - why? Because Dick's superb calling and the splendid dancing was attracting too large a crowd. Merchants were complaining of prospective customers leaving the stores to provide foot-tapping spectators. This same experience developed last year at J. M. Fields - the number of spectators became so large that business came to a near stand-still. Even those who wanted to shop had some problem threading their way through the spectators.

And someone is due a big vote of thanks for the attractive posters advertising our regular dances, and the classes now in progress.

Visitors! How we appreciate them! Especially Pete and Harold Pillmore who were with us May 16. In addition to our several dancing visitors on May 9, we were delighted to have quite a number of spectator visitors.

We are sorry that Larry Lawrence has discovered that one can get hurt playing basketball. Hope that busted ankle will soon be healed and you will be back in your place in the square.

Thelma Nelson was back with us on April 25 after a few weeks absence. Glad to have you back, Thelma.

October 31, at present, may appear considerably in the future. However, we want to keep that 5th Saturday dance before as many as possible - beginning now. We have "nailed down" the dance hall - B room of Aquarama - Dick Barker is for sure one of the Callers. At the moment we are not absolutely sure about the other - how would you like Bob Rust? Could be we'll have him! In our next report we expect to provide the official information, the two callers and the person who will handle the Rounds. Meanwhile, we want to let as many dancers as possible know about this dance. Jekyll Island is beautiful in October - and not congested!

Warm weather appears to be creeping in. There will be strong temptation for some dancers to sit it out until the Fall. Us "Die-Hards" will need to be real active to keep the active really alive. Let's do it!!

TEACH EM RIGHT - TREAT EM RIGHT by Ken Oppenlander and Don Burkholder - as taken from the NEW SQUARE DANCE MAGAZINE.

Almost anyone with a minimum knowledge of square dancing can teach another person how to complete most square dance movements. To teach quickly, smoothly, completely and without losing their interest may be an entirely different situation.

No single factor is as important to the future of square dancing as the proper teaching and

management of our new dancers. These couples must be taught not only the mechanics of a movement, but how to complete it with the utmost in grace, style and rhythm. They must also be kept content and enthused about their new hobby at all times. This is a real challenge and a great necessity if we are to continue to be a big, healthy, growing hobby.

The single purpose of this article is to encourage the clubs and callers to do some constructive analysis of their own methods of teaching our new dancers. We are also offering some ideas and suggestions for future classes.

A great portion of the information in this article was acquired by caller Ken Oppenlander and his wife, Betty, who drove 120 miles per night in order to participate in a beginners' group being taught by Don Burkholder and his wife, Elsie. Don had made previous arrangements with the club to withhold the identity of a beginning couple. This proved to be a very valuable method of gaining honest opinions and gripes from the new couples.

The first night is one of the most important hurdles that you will have to cross with the new couples. They should be furnished as much information on square dancing as possible before they attend for the first time. This can be done by mail or through the sponsoring couples who are bringing the new dancers. By all means, be sure that they are informed as to what to wear to your beginners' sessions. Remember, these new people are complete strangers to square dancing and the more information you can give them, the more at ease they are going to be. Each new dancer should be furnished with a neat, easy-to-read name tag. You should also make certain that the experienced dancers who are there to help have worn their name tags. At the early part of the evening, the caller should take time to explain a little bit about how a square dance is put together and what the difference is between a patter and a singing call. Sometime should also be taken to give some information on the size and organization of square dancing in your area. Always keep in mind that 75% of the new dancer's philosophy will be developed in his initial days of learning.

Never keep your new dancers on the floor for long periods of time. They are going to tire very easily for the first few nights. A tired dancer is much more difficult to keep interested and alert.

Teach them style and rhythm from the very first night. Remember, if they do not move to the music, they are not dancing. If you teach some very basic round dance mixers from the first evening, this will be a huge help in developing their style and rhythm.

The beginners night should be operated as  
Continued

Continued - TEACH EM RIGHT, TREAT EM RIGHT

much as possible like your regular dances. Give them variety in music and material through the entire evening. Give your new couples certain responsibilities such as helping with refreshments or cleaning up afterwards. This will make them feel more like they are a part of the group and will also serve to teach them the square dance r's philosophy of everyone working for the good of their own club.

It is a good idea not to accept dancers after the second night. If they are going to be able to attend regularly, they will be able to arrange their schedule to start their attendance one of the first two nights. If you accept couples past the second night, you will be repeating the material the third time for some of the ones who started the first night.

Do not hurry into mixing your new dancers. Remember that they are entering a whole new concept of recreation and some of them are going to be very self-conscious at first. Use your own discretion, but try to look at it from the dancer's viewpoint before you decide to start mixing them.

It is a good investment to send a postcard to the new people before the second night. You can let them know how much you enjoyed meeting them, and at the same time, remind them of the next meeting. It might also be worthwhile to send a card to a couple who has missed and tell them that they were missed and that you hope they will be able to return on the next night. Personal contact cannot be overdone.

When teaching a new movement at any time, keep in mind that they are completely unfamiliar with this type of activity and will have to have every movement explained to them in the greatest detail possible. Do not stop explaining and walking through a new movement until you are positive that every dancer on the floor understands exactly how it is done. Explain what position you are in when starting the movement and where you will be at the conclusion of the movement.

Make sure that the dancers understand exactly what the name of the movement is and if it has more than one term that applies to it, make sure they know what they are. Give them examples of the various ways that commands can be given such as, left allemande, allemande left, or just allemande.

If you are using experienced dancers as helpers, there are other factors that may have to be dealt with. The experienced dancers should understand that they can be of the most value by being perfect students themselves. They should not teach or help individual dancers while the caller is trying to talk to the entire group. They should also refrain from doing any movement in any way other than the way it is being taught. This will do much to confuse the new dancers. Experienced dancers should also understand that the new dancer does not like to be pushed or

pulled into place. If the new dancers do not understand a movement, the caller should review a movement.

The caller and the experienced dancers should watch for couples that are staying to themselves and not mixing with the other dancers. An effort should be made to visit with them and make them feel more a part of the group.

One of the biggest "non-calling" responsibilities that the caller will have is the constant analysis of the group. He should be continually watching for signs of confusion or depression. When this shows up, take immediate steps to correct the situation. As an example, if you see the dancers bogging down on the newer movements that you have taught them, drop back to a lower level of dancing for them, and try to inject some fun material and good music to build their morale back up. When this has been accomplished, you can then review the material that they were having trouble with and continue from there.

Always end the evening with a tip of music and material that you know they will enjoy and can do easily. This will leave them with a good feeling toward dancing and will help keep the enthusiasm up and the dropouts down.

Do not be guilty of "short changing" the new dancers. The days of teaching properly in ten to fifteen nights are in the past. With the club level of dancing as high as it is today, you should offer an absolute minimum of twenty nights of learning. Twenty-five or thirty five would be even more desirable, but it is difficult to find a sponsoring club that is willing to wait that long for their new dancers.

Always keep in mind that the entire future of square dancing is in the success or failure of our teaching and training programs. Take the time to plan and prepare for your beginners and then, teach them right - treat them right!

ROUND DANCE NEWS

ROUNDLEERS - Some really beautiful dances came back from the festival.

Wednesdays, Woodstock Community Center  
Early Workshop 7:30 to 8:00  
Club dance 8:00 to 10:00  
Instructor - Helen Crout  
President - Bud and Edythe Reisen (355-6123)

Things have really been whirling 'round in round-dance circles this past month. The lucky contingent who "festivalized" in Sarasota reported an out-if-this-world week-end with Marge and Charlie Carter of Columbus, Ohio, putting them through their paces to the tune of six new dances, one of which Helen Crout proceeded to teach upon her return: CAN'T HELP FALLING. Fots and Joan Reynolds have made us all proud with their demonstration of TEMPTATION. We think it must have been too much for Joan, though, because by the next week-end she was in the hospital for the better part of a week. Glad to report that

Continued

Continued - ROUNDLEERS

she's improving, and we hope to see her back in the circle again soon. Next to hit the hospital list was Charlie Shuford, who will be at Methodist Hospital undergoing treatment for two weeks starting May 17. Good luck, Charlie.

Bud and Edythe Reisen have been playing waiting games with the stork who was supposed to have produced another grandbaby for them by May 5. Evidently the stork didn't get the word because Bud and Edythe are still waiting.. not to mention the poor prospective parents! Theo and Emerson Deckerhoff, after fighting the flu all winter, have been taken out of circulation by a deluge of houseguests lately ---- and so it goes! Hurry back, all of you.

The 1st Sunday rounds in May were combined with a club business meeting and snack supper. This is strictly a workshop and practice session, this month featuring FEELIN' and a review of waltz basics, plus a teach of BRAMBLE BUSH.

Third-Sunday rounders enjoyed a full schedule of the more challenging dances, plus a teach on SIESTA OF SEVILLE and the new cha-cha FOLSOM PRISON BLUES, hit of the Sarasota festival. Such an assortment of shakes! The yum-yum covered-dish supper was highlighted by barbecued ribs, cooked while we danced by Tom Hidding. There will be no 3rd Sunday rounds in June.

Our "classy" class graduates on Wednesday, June 3. Claude and Kathryn Hewitt, chairmen, promise a fine party for these hard-working beginners, of whom we are mighty proud. Come join us. We'll even promise you a tip or two of square dancing. We hope that many of the class will join Roundleers, who will resume their old schedule starting June 10: workshop of older dances from 7:30 to 8:00 with club dancing from 8:00 to 10:00.

NEWS ABOUT THE 1970 SEPTEMBERFEST  
(See flyer)

The Kentucky Western Waterland Association in the Blue Grass State is sponsoring the Second Annual Septemberfest from Saturday, September 12 through Saturday, September 26, 1970. The program will be for Square and Round Dancers daily from September 19 through September 26.

A special feature will be sessions for the inactive square dancers or any couple desiring a relaxed, limited basic program from September 12 through September 26.

It is felt that there is a definite need for a concerted program specifically designed to bring the inactive square dance couple, the couple who, for one reason or another, were unable to continue with their square dance

class to completion, or just square dancers who would like to work on their square dancing to gain confidence and we are offering exactly that opportunity. For two weeks there will be morning workshops and evening dances called by one of our staff of professional callers. There will be round dance workshops available also. We will begin with a fun level program of limited basics for the first part of the program. After 3 or 4 days, the group will be divided, if desired, to permit the dancers that wish to go on to extended basics and then to club level dancing, to do so. The group that wants only the fun level dancing, will be free to continue on that program. Dancers may register for the two full weeks, this is recommended, particularly, for those wanting to get to club level dancing. If you wish only to enjoy the fun level dance program, you may come for either the first or last week. There will be diplomas for those completing the program to club level, if desired. Remember, the second week will also cover extended basics to club level dancing.

These events will be held in three separate halls.

Here you can enjoy your vacation, keeping the cost within your vacation budget by staying at your choice of any of the fine tourist establishments. It can be one of the many camps, resorts, motels or hotels, all within a few hundred feet or a few miles from the dancing. Eating off your campfires, in your trailers, in your cottage, or in any of the excellent restaurants in the area will be a genuine pleasure.

You can enjoy fishing and water sports in Kentucky or Barkley Lake or golf, short tours or just loafing in this 72.4 average temperature during your free time.

This entire program will be staffed by Stan Burdick, Huron, Ohio; Betty and Clancy Mueller, Indianapolis, Indiana; Bobby Lightfoot, Slater, Missouri; Frank BeBell, Miramar, Florida and Melvin Roberts, Memphis, Tennessee.

For complete information write: Septemberfest Chairman, P. O. Box 190, Murray, Kentucky 42071.

FRIENDLY FROLICS - Annual Bar-B-Q

1st & 3rd Saturday, Philips Highway Plaza  
Caller - Bobby Keefe  
President - George Ephrem

O'Leno is memories once again. Everyone had a good time and some even won their Purple Heart this trip. Lots of fun.

We had our annual Bar-B-Q May 9th. For all those who did not show up, you really missed out on a feast. Ah-delicious and the dancing was great also.

Our latest victim was FUN & FROLIC on May 4. Their flag now graces our hall. We enjoyed their fine hospitality as well as a delightful

evening of dancing.

We do go out visiting without taking flags. Two squares visited the Allemandarins May 9 and everyone had an enjoyable evening there. They're a great group.

Don't forget to make your reservations for Knothead Konvention in Tampa. Remember how much fun we had last year?

Friendly Frolic dues will be payable and due in June. PLEASE don't forget.

We had our election of officers on May 2nd. The new officers are: President, George Ephrem; Vice President, Bob Peters; Treas., Virgil Green; Secretary, Trudy Patrick. The new officers will take over their duties June 6th.

We've had lots of illness in the last month. Get well wishes go out to Ruth Brandt, Joanna Spivey, Helen Crout, Jane Spring, and Don and Bea Smith. Hope you all can be out for a visit very soon if not to dance. Get well soon.

Some of the girls in our club have started a new style in shoes. Maybe a fad. Hurry girls and get those feet well. Those shoes are no good on a square dance floor. Our deepest sympathy goes out to the Kellys and the Wixsons. (Editors note - Right here would be a good time to thank all of you for the cards and words of sympathy upon the loss of Margaret's sister, Carrie Lou, who resided in Savahhah. Thank you all).

ALLEMANDARINS planning summer get togethers

Friday nights, Wolfson High School Cafetorium  
Callers - Dick Barker and Bill Bishop  
President - Joe and Virginia Summers  
(733-1616)

We had our May business meeting and covered dish supper in the beautiful home of Ray and Helen Owen of Mandarin. Our June meeting will be at Joe and Virginia Summers with an out-door fish fry on the lake. We enjoy our monthly get to-gether and we all agree on how it should be run. Short business meetings and lots of good food and fellowship.

We have appreciated our many visitors to the club, as do our callers. With our dancing weekly, it is hard for some of us to visit other clubs often but we enjoy doing it and will visit just as often as we can.

For the benefit of those who have been calling Joe Summers and getting the wrong one the number is 733-1616.

We are dancing at Wolfson High School Cafetorium Fridays at 8 p.m. See you there.

ANCIENT CITY SQUARES - Plenty of hospitality for all.

Fridays, Chamber of Commerce Visitors Center  
St. Augustine, Florida

Caller - Bobby Keefe  
President - Cecil and Erma Burchfield

One particularly nice thing about living in St. Augustine is that we have so many visitors from all over the country and even the world. Recently, we had some square dancing visitors from Minneapolis, Minnesota, and on May 15 we had a lovely couple from Ontario, Canada. But, there are no nicer people than the folks in the Northeast Association area, and we have started a project which we hope will promote visitation and "togetherness". Also, on May 15, the JUBILEERS came and danced as our guests, about two squares of them. We had a ball and certainly enjoyed their visit. We plan to invite a separate club each Friday night, so your club will receive an invitation in the near future.

On April 11, five of our couples visited DIXIE CHAIN GANG, and the same number went to Camp O'Leno. A good time was had by all, both occasions. We were so glad, too, to have Herb and Rhona Williams visiting with us on the 17th.

A Knothead square traveled to dance with the Titusville SWINGING SQUARES, and received a truly warm and royal welcome. Never have heard of more hospitality and special attention being afforded to anyone, even by square dancers.

We're looking forward to a good attendance at our Fifth Friday Dance on May 29th with our own Bobby Keefe and Bob Rust.

And, now, I promised you last month we'd have a special announcement to tell you, and here it is: The first Friday in August, August 7th, our club will have calling for us at our regular dance hall -- BILL VOLNER of Saxton, Missouri. Many of you, I'm sure, have danced to Bill and will be eagerly awaiting this date. Some of you have already heard about it and have expressed your pleasure at dancing to Bill's calling again. All of you, be sure to put this date on your calendar as a MUST.

Our President, Cecil Burchfield, had an accident on his job and was "laid up" for several days, and it was good to see him back last Friday night, May 15.

'Til next time -- good dancin' to you all.

"Scoop" Shuler, reporter

You heard about the pretzel maker who got tired of making crooked dough?

"O.K., smart guy, I'll bet you five bucks I can push something in this wheelbarrow over to that fence that you can't wheel back."  
"You're on. Here's the five bucks."  
"Get in".

GATOR PROMENADERS - Who is "willing"?

Friday nights, Forrest High School, 103rd St.  
and Firestone Road.

Caller - Bill Camp  
President - Tom and Ann Darby (264-6242)

Well folks, election time is near for the Gator Promenaders. This is the real "McCoy"-no primary for us, we shoot the works all at one time. Last dance night I asked the nominating committee who they had for the top job (president), they said "Willing". Must be a new member of the club, I haven't met him as yet. At any rate we are due to elect a new slate of officers the 22nd of May.

Frank and Lucille Sullivan have just returned from the Rebel Roundup at Fontana Village. They enjoyed the dancing and activities. They heartedly endorse Fontana Village Resort as the place to enjoy yourself. We missed them while they were in the Smokies, glad to have them back.

Friday the 15th of May, all of us youngsters (including Bill Skiles) were initiated as Knotheads. Danny Danson and Bill Camp "hammered" us into the realm of Knotheads. As usual, the noise and anticipation was many times worse then the actual initiation.

Saturday the 16th of May a bunch of GATOR PROMENADERS went camping and dancing for the weekend at Goldhead State Park. The group was scattered all over the camp area instead of camping in a large group, but when Bill Camp started up the music, three squares of dancers came from all corners of the park to dance. Reports have it that they all ate "high on the hog" and waddled around the dance floor. After dancing themselves back into condition, darn if they didn't go back and sit around the campfire "stuffing" cake and coffee. Boy, they sure love to eat! Sunday morning they walked off breakfast so that they could come back and eat a big dinner. Sounds like a good "eating" time was had by all.

Saturday the 9th of May, a square and a half of PROMENADERS went out to Dinsmore to dance with the COUNTRY COUSINS. Enjoyed dancing to D. J. Lynch and visiting with club members. If you haven't visited the COUNTRY COUSINS, let me tell you they sure know how to welcome visitors and make them feel right at home!

The GATOR PROMENADERS are getting all slicked up for Friday, May 29th, when Rod Blaylock of Albany, Georgia is going to be our guest caller. Hope that all of you can join us for a night of dancing.

FLASH! Hot news item - our Vice President, Rob Roy, has just been appointed by Montgomery Ward as Merchandising Zone Manager for 40 stores in eight states working out of Kannapolis, North Carolina. Rob has to be on the new job as of May 25. Good luck to Rob and Linda. We sure will miss you. Don't forget to keep dancing and if you are ever back in the area, come dance with us.

Jim Kavin, reporter

COUNTRY COUSINS enjoy O'Leno.

Hello, we sure did enjoy the Camp O'Leno Hoedown sponsored by the one and only STARLITE SHUFFLERS! The dancing was really great, not to mention the callers, the after party, and the food. There was a band there that was really groovy! Also, there was an appearance of Miss Camp O'Leno of 1969, which HE was real pretty! Would someone PLEASE tell me who is GEORGE, whom someone was calling to all hours of the night to the crack of dawn?

We have enjoyed you visitors and so come back very, very soon and anyone who is an old or new club member!

JUBILEERS - "Midnites Summer Dream"

2nd & 4th Saturday, Arlington Congre. Church  
Callers - Harold Pillmore and Dick Goedert  
President - Wilton & Genevieve Fipps  
(744-5471)

This column is written for the proposition that all square dancers are created equal and that these said people have the right to "Life, Liberty and the Pursuit of Happiness". So, if you don't have in your subscription to the GRAPEVINE, you'll miss all the news in "the good-ole summer time". You'll find the where's and why's too! The editors for the GRAPEVINE are the Wixsons (string-bean Ray and mountain stream climbing "Margie") volunteered (blood, sweat, and tears). You sure can't beat it for \$1.50 a year subscription to keep up with the Jacksonville and surrounding area clubs! Besides, if you follow our crowd, you'll keep in shape, lose weight, have fun, meet people, drink water like a Buffalo, eat pheasant under glass at refreshment time, hear Golf-pro Pillmore call a "Tea-Cup Mixer", and get you through. Also, added attraction could be Dick Goedert singing "Hee-Haws" "Where, Oh, where are you tonight"? Come on over to the JUBILEERS for the latest in accomodations for square dancers- We have two registered nurses, "nerve suther" Null, and "Speedy" Pillmore, along with these two we have Dr. Jack McCullom and he is real good at band-aiding your bunions, but he won't pull teeth. You have to make an appointment for that! We have a nice smooth floor, along with air(a lot of hot of it, too) for no extra charge. We have local consultants from the Little League Bat-ball callun teams, they are late comers. With all of this you have a grand ole night out with us!

Have you ever heard of a "platter splater"? Well, James Maxey of the STARLITE SHUFFLERS can do it. Ask the JUBILEERS that danced over there! All eight and two callers.

With our "wig-wam" and "tee-pee", the Ashleys and the Rippels went over to the big annual STARLITE SHUFFLER'S hoedown at the O'Leno State Park. Camping was fun (got a badge), food was great and callers fabulous, over two hundred square bugs too, but plenty of room, two

Continued - JUBILEERS

buildings, two callers going all the time! When you got tired of one, you just trotted over to the other one and got tired-er-er. Skits were great! There was a bunch of squares that got a "Goose-pimple" badge for floating down the big "Itchintunoo" river (near by O'Leno), but the JUBILEERS (all four of us) out-did them because Sarah "Burnharty" Ashley tried to "hang-ten" in the river on an inner-tube! She and "Rip" floated down stream for a quarter of a mile, while "my" inner-tube gave out of air? and me too! This is what you call "going with the tide"! M. L. (Mule legs, "M.L.") stood on the bank (like Hi'aw'wa'taw) to give us moral support. Ha, he "dangled" because he danced the night before like he never had before and just couldn't "cut-it" the next day!

The clubs that have lost their banners to us - note-look at um and weep, for we will come, we will see, we will conquer and we will leave with your banners! You will find them hanging at our next dance. Call "Hanging Fipps" for an appointment!

For Sale - one Mercedes Benz with people in it! To be sold at highest bidder with a can opener. This includes all the people and the extra are pipes (smoking) all skirts and petticoats, Turners and Stennets and another real nice couple all in said back seat, two up front going to the St. Augustine club, ANCIENT CITY SQUARES, as guest that night! This is a true story and all names and characters are not fictitious! All those responsible are from the RUTHMAIRES 5th Annual Birthday Party, of which has already been held, of which we went with a full square, and at which Mrs. Frank Clements (that's Frank Clements' wife) and he's a "Diddy-Bopper". But she got to dance to "his callun" (by golly). If you have any complaints, please report it to the Caller's Association Fifth Saturday night dance in Georgia. Everybody and their barking dogs will be there (we may not)!

PAXON PRANCERS - Now club dresses

Thursdays, 8 p.m., Mary Hammond Youth Center  
No. Edgewood at 12th St. W.

Caller - Bob Rust

President - Theron and Bonnie Smith (389-0685)

Paxon ladies will have beautiful new red and white club dresses by June 4 - graduation day for their class - visitors welcome. This will be our big event for June and Ray and Pam Livingston have charge of arrangements.

Our Mad Hatter's Ball was a big success with 31 entries, all shapes and sizes. Hamlin and Shirley Ballow won the prize for the goofiest hats, made from IBM cards. Bill Pick's creation drawn on cardboard from a garbage can lid, covered with tissue paper and about 75 bow ribbons of all colors won as "Most Original" for the men, and Bonnie Smith for her idea of tiny sea shells pasted

on a hat and sprayed in gold.

COUNTRY COUSINS had a visit from an intelligent square from PAXON on April 18th. For one dance a computer was used with numbers to indicate each call, and this square had a perfect dance. Theron Smith taught us a "system" and it was easy. COUNTRY COUSINS embroidered a horse shoe on our banner so we'd remember them.

PAXON PRANCERS have been represented in good numbers at Camp O'Leno hoedown and some at the Rebel Roundup at Fontana Village.

Lawrence Prather, graduate of St. Johns River College and Florida Atlantic University at Boca Raton, has been transferred by General Foods to Memphis, Tennessee. Good luck, Lawrence, and keep up your square dancing!

Jeannette Bussey has a new diamond and is engaged to David Shaver, a Methodist preacher. They have set the date for their wedding as November 7. We got to meet David at Bill Camp's workshop and he seemed to enjoy square dancing.

Bill and Corean Pick are proud grandparents of a girl born May 14th named Charmaine Renee. Congratulations and best wishes to Nancy and Stan Kiefer!

PAXON'S regular business meeting begins at 4 p.m. sharp on Sunday, June 7th with covered dish dinner at 5 to be followed by dancing to records.

PAXON will also be well represent at the State and National conventions.

JOSEPH LEE CENTER DANCE - Dancers never stop learning.

Tuesdays, Joseph Lee Youth Center, 42nd & Perry at Pearl Plaza.  
Caller - Bill Camp (388-3889)

Seems there is only one way to learn to square dance - stay with it - never give up - and that is just what the members of the class at the Center have done since January 20th.

We are ready to graduate from more than 50 basics on June 2nd, but since there are so many more basics being called today, additional workshops are necessary. So, there will not be a break in the dancing at the center. We will dance every Tuesday night and workshop the additional basics. Anyone who feels as if he needs more practice, drill or help in dancing, give us a try. Maybe we, all the friendly folks at the Center are just the ones to help you relax and start having the fun you should get from square dancing. We would like to have the chance. And, if you know all the basics and just want to dance with a nice friendly group of people, we invite you to come and dance with us.

Continued

All roads will lead to Orlando on June 11-13 for our State Convention. If you can't go for all of it, it isn't far to Orlando, go for one day. Hope you can.

Bill Camp, reporter

BANNER STEALING RULES

We were told at our first square dance lesson that there would be few rules that we would be asked to follow; that square dancing is for fun and as long as we didn't interfere with the fun of others there would be few restrictions. We were taught as a child that when we were visiting in the home of someone else we must respect the persons and property of that home and not do any damage.

From time to time we have published in the GRAPEVINE a copy of "rules" used in stealing banners. These were not made up by a single organization or club but by club presidents, at a time when all the clubs thought it best to have a "guide line" to follow in this banner stealing program. We are publishing these "rules" again for a guidance to your visitation programs.

1. Advance notice must be sent by the club that is going on a banner expedition to the club they intend to visit. This is to make it known that it is a club sponsored event.
2. Dual memberships are common in the area; therefore, it will be left up to the dancer involved to elect which of the clubs he will represent on any given night or visit. If he has one, the badge of the club he intends to represent should be worn.
3. Minimum of one square of visitors is needed to seize a banner.
4. Rules will apply only in the Greater Jacksonville area including Orange Park, Palm Valley and the beaches if they so desire.
5. Banner can only be taken at a regular club dance with a club caller calling the dance, not a guest caller.
6. A club can only take one banner at a time. If it visits a club that happens to have a third club's banner in its possession, it cannot seize both banners. If the club is on a visit to reclaim its own banner, not the host club's also.
7. In order to participate, a club must own or be in the process of making a banner.

Copied from the January 1968 issue of Bow & Swing.
