HI SQUARES (High Springs)

It's not a broken arm of our reporter that kept us from sending our news items to the "Grapevine" ---- it's another beginners class that is keeping everyone busy. We have twenty couples taking lessons on Tuesday nights at the Lions Club, with our regular members attending to fill in squares and applaud their rapid progress and having extra parties for a little extra homework for the beginners. Our club membership is growing, and we are kept busy dancing but promise to keep you posted of our progress in the next issue.

Tex Brownlee called a wonderful dance for us in February. We had couples from Jacksonville, Gainesville and Lake City attending. The refreshment committee provided delicious snacks, and extra energy was needed for "Let-the-hammer-down" type of calling by Tex Brownlee.

We are looking forward to an evening of fun in March with Max Forsyth calling.

We have about a dozen couples planning to attend the National Convention and hope we can double that count by June.

Mary Simko, Reporter

JUBILEERS

Last Saturday night, April 14, the JUBILEERS entertained at an Easter-Bonnet square-dance party. All who came wore up on their heads, hats of their own creation -- funny, gay, sweet-smelling with "real" roses, and historic. The toppers were all of such attraction, the judges had considerable difficulty deciding upon the ones to receive prizes.

In addition to the gay bonnets, and the festive refreshments, including a nestful of jelly-bean eggs, a skit was presented which should be of interest to all callers. It seems Ben Fancher of the JUBILEERS has come forth with a machine (typical of this modern age) which is connected to a very special hat. This hat, when placed upon anyone picked at random, of course, will juice them up to a point where, without "any previous instruction" they can follow the most intricate of square dance calls. It must be seen to be believed, and it was

proven to be true last Saturday night. So hooray -- no more beginners classes from now on, once the machine is patented and on the market.

Caller Harold Pillmore, doubtful to start, was thoroughly convinced of the usefulness of the machine after its demonstration.

All in all it was a great dance, and we were treated to a fine rendition of "Does the Chewing Gum Lose its Flavor on the Bedpost Overnight" as called by Anne Lawhorne.

About all we can say is that those who missed the JUBILEERS Easter party dance missed one of the best. We hope to see one and all at the next dance, to be held April 28. Come one and all to the JUBILEERS.

Onalea Hackbert, Reporter

TRAIL DANCE (11th National)

The Trail Dance Committee, under the chairmanship of Paul Lane, and representatives of the Philips Hiway Plaza Shopping Center have been hard at work developing plans for the June 12 Trail Dance.

HARPER SMITH, national caller from Celina, Texas, will be calling, and this means a good time for everyone. The dance will be held in an area in front of the Plaza Mall. Many guests from out of state are expected. Publicity has been sent to most of the association

WESTERN CUTTERS

Celebrating birthdays in April at Westconnett are Pat Mensley, Jim Perkins, Ruth Pierce, Jackie Amrhein, A. E. Weaver, and Hap Gaynon.

The WESTERN CUTTERS are proud to announce that on March 1 they had forty couples on roll. Although the official closing date is past, anyone can join at any time throughout the year.

WESTERN CUTTERS are sorry to hear that they are losing one of their most faithful couples in A. E. and Ruth Weaver. The Weavers are getting transferred to California in the near future. We are sorry to see them go. Hurry back A. E. and Ruth. We will sure miss you.

As the WESTERN CUTTERS have several beginner callers dancing with them, they have a club policy to have one of them call at each dance. In February and March they danced to the calling of D. J. Lynch, Walt Knight and Leon Smith.

There are seventy-one square dancers registered with the WESTERN CUTTERS to participate in the greatest thrill of their square-dance lifetime this coming June by attending the 11th National Convention in Miami Beach.

Saturday night, May 14, was a big night for WESTERN CUTTERS. We were happy to welcome John and Frances Burger, Ben and Mildred Wilson, Pat and La Rue White, Barney, Cora and Clark Chesire, Ralph and Florence Hutchens, Bill and Emile Shannon, Pee Wee and Jo Stewart, Red and Mary Anderson and Danny and Marion Dunn from the Orlo Vista Firehouse Squares. They came to Jacksonville to make Knothead.

Just as Floyd got the first tip under way, in walked a square of Country Hicks. The ladies were dressed in long dresses and sunbonnets. The men wore bib overalls, plaid shirts, straw hats, and red bandanas around their necks. (They looked like they just came in from plowing the field, but swore they were in their Sunday best.) Floyd had to call an old-time square dance to get them in the swing. These Country Hicks were Phil and Gladys Grasser, Hugh and Jo Patterson, Granville and Pat Diffie, and D. J. and Ann Lynch.

PLAZA WESTERN WEAR

FL 9-3859 Open 'til 9 PM
3657 Philips Hiway Plaza, Jacksonville

It was very nice to see our old friends Gerald, Mary and Pam Kieffer and Bob and Patsy Love from Paxon visiting with us again. Seems like part of an ocean can't keep WESTERN CUTTERS apart. Bob Donaldson came all the way from Cuba to dance with us. Sure nice to see Bob again.

The CUTTERS held an After Party for the Orlo Vista dancers. The party got into full swing when Floyd put on his record of "Let's Have an After Party." Granville Diffie and Hugh Patterson entertained by playing their guitars and harmonizing on "Wild Wood Flowers," "You are my Sunshine," and having the whole crowd join in on "I've been Working on the Railroad." The door prizes were won by Dot Knight, Evelyn Neuschwanger, Jo Stewart and Earle Pierce. A Knothead initiation was conducted by CUTTERS President Leon and Bea Smith. Refreshments of ham and cheese, cold cuts, pickles, potato chips, dips and coffee were served by the ladies of the WESTERN CUTTERS. Everyone had a very nice time. We hope all our guests will visit us again soon.

Birthday and anniversary wishes go this month to Phil and Gladys Grasser, Norton and Ruby Perkins, Earle Pierce, Ruth Weaver, Tom Harding, Al and Evelyn Neuschwanger, Jim Badger, Charles Humber, and Mandy and Charles Houghton

K N O T H E A D
AFTER-PARTY DANCE
(11th National)

To the dancers attending the National Convention this year, the FLORIDA KNOTHEADS will hold an AFTER PARTY DANCE on June 15 (Friday night) in the Tenth St. Auditorium at Miami Beach. Please consider this a special invitation to you to attend this after dance. And to the KNOTHEAD CALLERS, please come and call a dance.

FLORIDA KNOTHEADS, INC.

THE PRESIDENT'S COLUMN

ORANGE PARK PROMENADERS

Well, the ORANGE PARK PROMENADERS got the traveling bug a few weeks ago. At 11 P.M. after dancing they decided to do an about face. Instead of waking up the caller they decided to wake up Jim and Kaye Carroll, who had taken a week-end trip to their hunting camp in Clay County, and run their fox hounds. Of course, none of the dancers had ever been to the camp, but they were just sure it would be easy to find. About an hour later on dirt roads that led nowhere except into deeper woods, they came out at Green Cove Springs. One of the beginner dancers, Ed Delp, was routed out of bed and gave the dancers directions, and they gave the woods a second try. At 3 A.M. with one muffler missing, one tailpipe broken, they found the Carroll's camp and woke up the whole house for coffee. Of course they were too late to run the dogs -- they were locked up for the night -- but we sat around and listened to the travelers discuss their long journey into the woods. The camp is only 30 miles from Orange Park, but I'm sure the dancers earned a few unofficial badges. It takes 100 miles to earn "Knot-head," and they swear they traveled that. We have a couple of new badges: the "Hound-dog" badge, and don't forget the broken tailpipe, so we have a "Grease Monkey" badge.

They got separated on the dark country roads, and I hear Paul Cutchens was singing "Car 54 Where Are You?" and Bill Raleigh was imitating a coon dog. To top it off, Floyd Hazen was in the ditch looking for his muffler, singing "My Boomerang Won't Come Back." Randy Church was telling Bucky Van Doren all about his horoscope for the day which warned him "not to do anything foolish." Quite a bit of fun for all. The graduating class should take note; there's still time to resign before you graduate. Just think how nice it will be to be awakened at midnight to cook bacon and eggs for some hungry dancers. Ask Paul and Sarah Cutchens! St. Patrick's night after our visit to Friendly Frolics dance we got Paul and Sarah up to cook breakfast. By the way, we had a real nice time at Annie Lytle School and plan to return with a flag in hand, so beware, and happy sleeping until you join the ORANGE PARK PROMENADERS.

Jim and Kaye Carroll

The Hoedown at Gainesville on March 31 was a success from all reports coming to me. All who attended seemed to have a good time and enjoyed the fine calling of the area callers who were in attendance. Bart had a fine workshop in the afternoon which was enjoyed by most of those in attendance. Acoustics in the hall caused some sound difficulties but no more than has occurred in the past. Thanks to the Merrysteppers for their fine job in hosting the dance.

Plans are about complete for the Trail Dance at Philips Hiway Plaza on June 12. As most of you know, Harper Smith will have charge of the event, and we are hoping for a large crowd of Miami-bound dancers to stop by and enjoy the dance. Paul Lane has done a fine job as Chairman of this event, and the Association owes him a large vote of appreciation. Hugh and Faith Butner have done an excellent job of getting out the publicity too. Announcements concerning the dance have gone to over fifty square-dance publications around the country. ALL dancers in the Northeast Florida area are being asked to act as Hosts and Hostesses for this dance. It is up to you to make the guests welcome and see that they have a good time. Two or three cannot handle this job; it is up to all of us to pitch in and make it a success.

The same is true of the Host and Hostess duties at the National. As you know, the Northeast area will handle Friday, June 15. Gerald and Mary Kieffer are in charge of the Host Committee for this area and are working hard on firming up plans for it. You will probably be advised before you leave for the Convention when you will be expected to work and at what post. I hope all of you will carry out your assignments cheerfully. A great many people are necessary to make a convention of this size a success, so it behooves all of us in the Florida area to pitch in. About two hours work is all that is being asked, and this will not hurt anybody. Most of you will probably welcome the respite from the various convention activities and will enjoy your two hours as a change of pace.

MERRY MIXERS

Our Windermere trip on March 24 was a huge success and enjoyed by all who participated. 39 people went by chartered bus, the Olsens arrived by car from St. Petersburg where they had danced the previous night, and wife Bettie and I drove our own little wagon. A hilarious time prevailed on the bus, and we all gathered in a cafeteria in Winter Park for dinner en route, many of the bus passengers be-decked in leis and varying numbers of clothespins about which they were pretty close-mouthed. Gramps and Granny Tresca were met for dinner by the younger generations of the family. We arrived at the town hall of Windermere amidst the aroma of orange blossoms to find the place especially decorated for us -- bales of hay, saddles, Western gear, rifles over the fireplace, a huge mounted rattlesnake skin, etc. Herschell and Myron performed the calling honors for the evening, and, besides our own sizeable group, Joe Johnson and his club were present. During the evening a number of visitors from nearby Eustis and Leesburg dropped in until the old town hall was really packed. A Knothead ceremony was conducted by Joe with the Jacksons, Crosses, Parrishes, Johns, and Osborns from the MERRY MIXERS being initiated.

The Greyhound departed with a tired but happy bunch of dancers about 11 P.M., followed a few minutes later by Bettie and me. We were somewhat delayed in our departure by the discovery of a pair of men's trousers in the ladies' dressing room which the Windermere folk insisted must belong to one of the Jacksonville men so we were forced into bringing them along. We finally caught up with the bus in Bunnell where everyone had stopped for an early morning snack and discovered that the Windermere people had been correct in their diagnosis. Isn't that right, Frank? Arriving home about 3 A.M., the more hardy bus passengers convened to a Riverside restaurant for breakfast. Club members wish to thank everyone who took part in the trip for their share in making it such a success, especially Joe Johnson and his club for their hospitality, Herschell and Myron for their calling, and the large contingent from the Friendly Frolics and other clubs who accompanied us and made the chartering of the bus possible.

Our dance following the Windermere trip was well attended and enjoyed by members and visitors alike. Knothead badges were distributed to members who had earned them the previous month on the Savannah trip. Special note was given to Frieda Saraga's badge. She earned the distinction of becoming the 6000th person to make Knothead and received a special badge with the number 6000 on it.

We enjoyed our usual good covered-dish supper on the second Thursday of April. At this dance we had among our visitors Al and Rosalie Colclough of Hollywood, Calif. Al called a couple of dances for us and

really kept us on the go.

During the past month we have had a committee working on the design of a club flag. Chairman Saraga reports that we should have a finished project before long. Looking ahead, the club voted to forego its dances on June 7 in order to cooperate with the Association in supporting the Island Squares at the Ferdinandina Festival and on June 14 because of the 11th National in Miami Beach.

Plans are under way for the start of a beginners class on Monday, May 7. The time will be eight o'clock, but final selection of a site has not yet been made. If you have any people interested, call Mickey Cross at RA 5-5261 or Leonard Saraga at Plaza Western Wear for details. Also, anyone interested in a combined camping trip and square dance on May 12 may obtain details from Mickey.

We have been pleased to welcome new members Rose and Carl Law, Doris and Tom Howle, Clara and Louis Olsen into the MERRY MIXERS this past month. We have also enjoyed the company of our many visitors and will look forward to seeing them again as well as meeting new ones. Don't forget to reserve May 10, 7:00 P.M. for joining us at our next covered-dish supper.

Russ Osborn, Reporter

FUN AND FROLIC

Tuesday, April 10, Woodstock Park Community Building was dark and deserted -- a most unusual state of affairs for a Tuesday night when the place is usually "jumping" with Fun and Frolickers and guests dancing to the inimitable calling of Jack "Songbird" Griffiths. Jack always surprises us with something new in the patter line and continually amazes us with his seemingly endless variety of singing calls, which he does so well.

The reason for our April 10 blackout was that the clubhouse was being repainted and the floor re-sealed. Come see how spiffy we look in our new blue and gray. Hot weather will soon be here, but our big 5-ton air conditioner will help keep you cool, even when you're drinking some of that delicious, piping-hot coffee our new Social Chairman Margaret Smith serves with those luscious cookies. Where do you find such a wonderful assortment, Margaret?

Recently more than two squares of Fun and Frolickers visited the Paxon Francers and enjoyed an evening of fun and dancing to Elwood's calling. He really kept us stepping!

President Reggie Register announced plans for a gala FUN AND FROLIC six-year anniversary dance on Tuesday, May 1. We are trying to round up all past, as well as present, Fun and Frolickers, and we

also invite all dancers in the area to join in the celebration and make this a BIG occasion. Remember, Tuesday night, May 1, is THE night at FUN AND FROLIC, but come dance with us anytime -- we love to have visitors!

SILVER SWINGERS
(Ocala)

On March 16 the SILVER SWINGERS of Ocala were really "swinging" with Bill Muench calling the "teacup chain," the "split teacup," and "reverse teacup," along with four couple actions. As usual, the hall was crowded, and there were many visitors.

We had a very cute mixer where we matched colors and names. This is one of our extra features, and one that we look forward to each meeting night. Everyone signed a get-well card for Naomi Cotton, who was in the hospital. Mabel and Randy Davis were in charge of the rounds, and we were taught "Carousel." This dance seems to be very popular with our crowd.

Bill Muench had his usual delicious refreshments of French pastry, and we enjoyed a workshop afterwards. Our club meets the first and third Friday of each month. Visitors welcome.

* * *

On Friday, April 6, at 8:00 P.M. the SILVER SWINGERS really had a ball. We met at the VFW Hall in Ocala, and caller Bill Muench let the hammer down. We had a short workshop and review of the teacup chain, split, and reverse teacup, all eight chain and grand chain eight. Mabel and Randy Davis led us in the round dancing, and we particularly enjoyed "Carousel." Betty and Jack Youngman taught us to do the Hully Gully. This certainly seemed to catch on with the group, for almost everyone was out there dancing. Jack Youngman prepared the refreshment table with delicious pastry. Everyone enjoyed a social break. There were many visitors.

The next meeting of the SILVER SWINGERS will be Friday, April 27, because of Good Friday, which falls on our regular night of the 20th.

HIGHLANDS ? ? ?

We are able to get the Highlands Civic Center every week, so from now on we will be dancing every Friday night.

Last week may have been Friday the 13th, but that doesn't bother square dancers. Two of our members had birthdays that week so we had to celebrate. Millie Hamway and Barney Cheshire were the honored guests. Everyone enjoyed the refreshments, cake, cookies and punch. Cora forgot the

candles so we had to use matches instead (quite effective, but they didn't last long). We were all anxious to eat so it didn't really matter. Hope we'll be seeing more of you on Friday nights.

* * * R. E. Baxter
VALLEY TWIRLERS
(Palm Valley)

Again this year we are planning to have a Surf Twirler Convention. Any of you who went last year know what a good time we all had. Those who didn't attend don't know what a good time they missed. Anyone who is not already a Surf Twirler can be initiated as such by attending this Convention. We believe it will be held in July this year, but will announce the exact date and more details later.

We are happy to hear that the Doc has given the green light for Alice Rutledge to dance again. It will be nice to see her back dancing after so long. Hope we will be hearing the same news from Jann Butler before long.

Come and visit us some Saturday evening at the Palm Valley Community Center.

R. E. Baxter, Reporter

FRIENDLY FROLICS

Well, folks, we had a ball! Now how about y'all? At the Spring Jamboree, that is, in Gainesville on March 31. Just about every club in Jacksonville was represented; besides several carloads and the bus-full going over for the evening dance, we understand there were a number of our Jacksonville dancers who went down in the afternoon for the workshop. It was an afternoon and evening well spent, and not the least of the fun was had on the bus trip. We got a "bang" out of the games Helen Crout and Barbara Samson planned, and we thought Herschell and Rosa Lee Lee were great in their hilarious bit as radio artists. Needless to say, we were all proud, too, of Myron Samson as he acted as Co-M.C. for the dance. There was a lot of good calling, and we are looking forward to the next big roundup.

Our dance of April 7 at Annie Lytle School was a huge success, thanks to our many visiting friends and also our faithful club members. We had hoped for good attendance at this dance because we planned a little something special for Herschell and Myron and their "taws." Each couple was presented with a silver loving cup in appreciation of "a job well done." They have all been most patient and dedicated, and we do love and appreciate them. After the presentation we had a new dancer, Joe Monteith, and an older one, Irvin Johnson, tell why they enjoy square-dancing -- just what it has meant to them. We feel sure

that all those present would have given the same testimony. The refreshment table was decorated in harmony with the special event of the evening: the centerpiece, made by Patsy Tomlinson, was a big silver loving cup filled with lovely flowers, and the sheet cake was made and beautifully decorated by Vera Starling, wife of our popular president, Jack. We enjoyed an evening of really good calling as Herschell and Myron seemed to be at their very best in spite of the unexpected events of the evening, which took them completely by surprise.

Herschell's class at Jacksonville Beach, which will graduate in about two weeks (possibly at our dance of May 5) has selected the name "Seaside Squares." They are a very friendly, enthusiastic group, and we sincerely hope that many of our Jacksonville dancers will be going down on Wednesday evenings to join them. They have a wonderfully cool place to dance -- the Recreation Center right on the ocean-front behind the Band Shell. Let's all support this new club -- some of them have already attended our dances at Annie Lytle School!

Myron's class, one of the largest we have seen, is about to graduate too. We have enjoyed dancing with them in the class, and we hope that these new dancers will continue to dance with us as fellow club-members after their graduation.

Herschell and Myron have already scheduled new beginner classes. Herschell's will start on Monday, May 7, and Myron's on Friday, May 11, both at Englewood Home Demonstration Clubhouse located at Englewood and DeKalb Avenues. Let's all get busy and get a couple or two or three and bring them! Don't just invite them -- BRING THEM!

We are looking forward with great anticipation to our next dance, April 21, when Ruy Camp will be our caller. We feel sure all square dancers will enjoy his calling, and we hope to see all our friends present.

Ellen Johnson, Reporter

ASSOCIATION NEWS

The Association held its Spring Hoedown in Gainesville March 31 in the auditorium of the Buchholz Junior High School. The Merrysteppers was the host club.

Prof. "Bart" Bartley had the workshop in the afternoon, and Ruth Bartley and Bob Waites taught "Travelers Twostep" in the round-dance workshop. The evening dance started at 8:00 with Myron Samson and Ray Barter acting as masters of ceremonies. Callers present took turns calling the tips.

The June fifth-Saturday dance has been called off since the National Square Dance

Convention comes so close. The Island Squares Club in Fernandina is sponsoring a dance during the Golden Crown Fiesta in June, with Jim Brower calling. The Association is urging that members support this dance.

Plans are being made by the Northeast Florida Square Dancers Association for a Fall Roundup on the date of the Florida-Georgia football game, November 10, in the new city auditorium. This dance promises to be a gala affair. It will be the first square dance to be held in the spacious new auditorium, and Jack Jackson will call for this event. Club delegates to the Association have tickets and it is urged that everyone get them early. Advance tickets sell for \$1.00 per person. The door price is \$1.25 per person. Let's get behind the Association and show our interest in square dancing by getting tickets for the Fall Roundup now.

At the Association meeting in March, delegates voted to give complimentary 3-month subscriptions to the GRAPEVINE to dancers completing present beginners classes. Callers or club officers please send to the GRAPEVINE the names and addresses of new graduates of your beginners classes. Indicate date of graduation.

Hugh and Faith Butner
Publicity Chairman
