THE ALLEMANDERS (Gainesville)

Twenty-five couples graduating from the last square-dance class were entertained by the ALLEMANDERS on March 18. Part of the night's festivities included a visit from outer space by the "Gronkies." These caricatures danced a tip called by "Bart" Bartley; they were really Fletcher and Verna Sisk, Vernon and Faye Layfield, Jean and Jewell Ahrano, and Luther Shelton and Marjorie Boles. Also entertaining at the party were four visitors from Liverpool, "The Beatles," played by Leo "Paul" Ward, Cliff "George" Moody, Tom "John" Collins, and Curtis "Ringo" Womble. They sang two songs with the help of the teen-age dancers and their jelly babies.

Jewel Ahrano provided a floral arrangement of dogwood and elves, which went well with the St. Patrick's Day decorations. Marjorie Boles and Faye Layfield were in charge of refreshments. Thanks for the jobs well done.

The graduating class presented teachers "Bart" and Ruth Bartley with a party grill. They also presented alternate caller Bob Waites with a silver tie tack.

On the following Monday night the ALLEMANDERS had a covered-dish supper to welcome in new members. The centerpiece, lovely azaleas, was brought by Jewell Ahrano.

The ALLEMANDERS are now meeting each Thursday night at the Howard Bishop Junior High School.

Cliff and Odessa Moody.

MORE ON THE ALLEMANDERS

The ALLEMANDERS were well represented at the Orlo Vista Firehouse by 17 couples. There were also 12 couples from the Highland Court Manor group. The caller made several errors during the first tip, resulting in mass confusion among the Gainesville folks. After Richard Yaxley explained the finer points of calling, things ran smoothly???? Clyde and Ruth Dees spent the better part of the evening signing people up for one thing and another and

extracting as much money as possible. They were seen dancing later in the evening. Jim McLeod and Helen Grimes got off to a rough start in the first tip when the caller got confused and separated them. S. D. and Ruby Bristowe were wise and watched at first, later participating in the confusion. Wilhemina Bishop confirms that her husband, Bob, and the caller were the only ones to make a mistake all evening.

The Bartleys' absence was noticed by all, particularly Warner Weseman when they called the Grand Sashay. He finally bluffed his way through. Bert Wohlers and Norm Weseman seemed to doubt the very logical explanation of how Betty's lipstick got on the back of Warner's shirt. He claimed he was trying to outrun her during the Grand Sashay. Likely story. Kathy McMichael sported a swollen toe after one rough tip. Later her husband, Mike, was heard to wonder how the polish on the sharp toes of his cowboy boots got messed up.

For goodness sake, when we get back, we must get Bart to explain what those people were doing when the caller said to Star Prowl. It didn't look at all like what we did! You would think they would know better.

One broken-down set was somewhat relieved when Mary Jo Davis felt faint, thus ending a hopeless breakdown. She probably felt faint after watching George do the "Bossa Nova" with one of the Orlando lassies. Not to be outdone, Richard Yaxley pulled a faint during the next tip. We were unable to find out what Dot did to cause it.

Many were seen ordering Computer badges after one confusing tip where the caller called out numbers different from those on the computer list. It was interesting to see the different interpretations of each call. (Cont'd next page.)

ALLEM. NDERS (Cont 'd)

We wonder how many of these badges were earned. Chet and Julie Vetter were fortunate enough to get in a set with three newly graduated couples and were able to receive several friendly words of advice.

The funniest bluff of the whole evening was the sight of 11 new graduating couples trying to bluff their way through the Grand Square. Someone hollered, "Help, Bart; where are you?" One Orlo Vista man was heard to say, "I thought I knew how to do it." The Orlo Vista couples really made way for Gene Branch when they saw him coming after he accidentally stepped on one early in the evening. Gene and Ruth were heard to loudly mention the Bartleys when the caller said to "substitute." There was a lot of muttering and confusion over this call.

Some of our high-school set attended, and all seemed to enjoy the long intermissions. Dan McPhail, Mike Martinez, and Bill Dees decided they will have to get a pair of red pants to wear. Kathy McPeck felt it just wasn't safe to hold out either left or right hand; someone may grab it. Shirley Ann Beazlie's hair got longer as the evening wore on from the workout. Carolyn Beazlie found someone who could keep her busy twirling and kicking and still come back for more. All this from a couple named Swell, who really are well named. They gave our teen-agers a swell time.

Another new call was the "Dip and Dive," or something like that. One couple got so carried away with this that they were still dipping and diving long after the call was changed.

All Knothead nominees were honored by a very impressive and dignified ceremony toward the end of the evening. This will surely be remembered by all. Another thing that will be remembered by all was the heavily laden refreshment table. This will be remembered by some more than by others as some were seen in the line many times. We had lots of sandwich fixin's and cookies and coffee. Real good after so much exercise. As we headed toward our cars, George and Sheila Beazlie were observed sneaking out with the Orlo Vista banner amidst popping flashbulbs. We hope this will soon bring a visit from this fine group of people. In any event, we felt that we impressed the Orlo Vista club enough that they will not soon forget us.

ORANGE PARK PROMENADERS

There were shamrocks all over the Lions Club for the St. Patty's Night Party -- shamrock dance cards -- and the colleens signed up their partners leap-year style. Lisa Pedroni and Carolyn Johnson entertained with a skit, "Goldilocks and the Three Bears," as told by a leprechaun. Sich blarney!

Twelve couples of PROMENADERS attended the Camp O'Leno Hoedown on April 4th week-end. We hear tell there was lots of dancing and not much sleeping -- what with "Idiots" and "Cuckoos" trying to earn badges.

Four squares of PROMENADERS visited the 441 Club in Gainesville April 11 where Floyd Hazen was guest caller. Wonder if there were any college credits earned on this trip?

April 17 is our Big Day -- Graduation. 56 dancers will participate in the Grand March and receive their diplomas and mortar boards. And there will be goodies for everybody.

The new class starts Tuesday, April 21, and runs through the summer. Hope to see lots of you enrolled. The hall is air-conditioned, by the way.

Next month on the 29th we are planning our Annual Pirates Party. Sharpen up your cutlass and stand by -- you might be shanghaied!

Sheriff's Water Patrol plus Georgia and Florida squares combining forces to raise funds for the Duncan Lamont Clinch Historical Society of Fernandina Beach. Donations: Barbecue \$1.50, dance \$1.00 each. So let's all have a good time for a good cause. (See attached flyer.)

One of our happy squares, Louise and Gil Becker, had a distinguished VIP who subsequently came to our dance at the Rec last Monday. Yes, Virginia, this is all true and in the files of the Nassau Sheriff's Department. At 12:30 A.M., in the hectic and often discouraging duties of a law officer attempting to keep the peace on a Saturday night -- our two deputies, reflecting on life's little problems, bore down on a slow-moving, bright-red station wagon -- but wait; on the back bumper in bright green were the words "North Pole." Our friends looked at each other. It couldn't be! The driver slammed on the brakes when broadsides. Sure enough, the flowing white hair and beard and the twinkling though tired eyes. Santa motioned for them to pull over. The chief deputy warned in a low voice to his partner, "Don't mention this on the radio or they'll come after us." Santa "Ho-ho-hoed," then explained that he had driven all night from Fort Lauderdale to see his niece Louise at Ft. Clinch in Fernandina on his way north. Our deputy explained that the auto gate was locked, but Santa barked doggedly, "I'll park at the gate and walk." Suddenly the deputy recalled he had a key to the gate, so he said with a sigh of relief, "Follow me, Santa. I'll escort you to the door."

So, Virginia, that is how Santa came to be at our dance two nights ago, Monday, April 11. If after Christmas you stop at the Fort Lauderdale beach, you might see a small crowd of children gathered around Santa, resting after his rounds, laughing and handing out lollipops, loving life in a true Christian spirit. It is more blessed to give than to receive. Right, Louise?

See you all the 9th of May?

Lu and Olie Olsen

Hi, y'all! Hope the old saying - "There's always room for one more" - is true 'cause here comes one more wagon-load of yipee-i-yay! "Y" couples to join the ever-growing number of square-dance clubs in this land of sunshine. By the time you read this, a new class will have graduated and a new club formed, at the air-conditioned Riverside Y.M.C.A., known as the "Y" KNOTS. And do we evermore get tied in knots, doing "Cannon Ball," "Wheels," and "Centers cross in"!

We have become so enthusiastic that we not only dance at the "Y" on Thursday nights, but we have been enjoying Saturday-night get-togethers at various homes of our members. Oh! those nights that this motley crew gathered in the garage of Ernest and Hattye Fulton. We felt we had really shed a few pounds on the Allen's patio, but that chocolate pie afterwards undid us! We promised ourselves we'd do better at the Duguids', but could we help it if it was Girl Scout Cookie Week? Then the Davises served lemon cake the night we double passed through their dining room. I think I had just better not mention the covered-dish supper at the Daniels' beach house. A few more such doin's, and "Mama Anne" will be calling a "double roll through and a bounce to the left"! Is that a way to run a square-dance club? Yeah Man!

We graduate Thursday night, April 23, all 21 of us:

- Bessie and Arthur Allen
- Irene and Larry Brown
- Rosalind and Bill Daniel
- Dixie and G. G. Davis
- Mary Lou and Johnnie Duguid
- Lucie and Curron Gantt
- Dot and Ed Kellog
- Ethel and Olan Lister
- Wanda and Joe McMath
- Marijane and Don Nelson
- Lillian Mainwright

In addition to the new Grads - to complete 4 1/2 squares which comprise the list of charter members for our new club we have: Hattye and Ernest Fulton, Iva May and P. G. Gallop, Paul and Mary Lane, Charlie and Evelyn Spengler, Fay and Joe Palmer, and Mary and Charlie Barrett.

Then the first Thursday night in May we're gonna open the old barn door and we'll try one of the new calls that our ever-lovin' "Mama and Me" -- Anne and Herb Lawhorne - have been crackin' the whip at our heels to make us learn. Man, how we love those two! The new call is "Centers through and close the gate." You're all invited so -- "Come on in and close the gate." Y'ALL COME!

WESTERN CUTTERS

Big news this month for the WESTERN CUTTERS is the graduation of our new class. They really look great and will be with us in time for our regular dance May 9.

We are looking forward to hearing our old friend Bob Rust next month. The CUTTERS will sponsor him the night of May 16 at Annie Morgan School. Marshall Carr is in charge of tickets. Call him at EVERgreen 9-5193.

Can't forget our Association dance the last Saturday of May; will be a treat to see everyone there.

With our new "Grads" with us we hope to "get around" this month to visit some of our friends. We did enjoy our trip to Seaside Squares for their Cottontail Dance, and we heard that prize-winner Tommie Mulford had quite the Easter bonnet. The WESTERN CUTTERS also went to Lake City for the grand calling of Max Forsyth. Saw many Jax faces too.

Karen, daughter of our caller and wife, has been in the hospital for an operation. Everyone wishes her a speedy recovery and know you'll be back with us soon.

Congratulations to Lynn Smith, President Leon and Bea Smith's daughter. This smart gal just received a four-year scholarship to Bishop Kenney High.

Anniversaries mean a lot to people, and we are no different. The club's anniversary will be the 23rd of May, and big plans are in the making -- games, skits, and the likes are in store. As an added note, we have high hopes that we can have an annual theme; this year's is "The Roaring Twenties." So make plans now to join us -- Don't forget May 23.

STAR LITE SHUFFLERS

Greetings from your VOX VVAE VITIS. My daughter is studying Latin, and she dug up that choice tidbit for me. Translated it means VOICE OF THE GRAPEVINE. Here's hoping my voice will be strong this month because there is lots to report for the STAR LITE SHUFFLERS.

This is a special announcement to all STAR LITE SHUFFLERS. Our regular dance on April 25 will not be held at the Edgewood

Avenue Christian Church. Instead, we will meet at the Boat Show in the Exhibition Hall of the Civic Auditorium at 8:00 P.M. to dance. Be sure to be there -- this is still a regular club dance. No telling what kind of badges we'll earn there. Perhaps "Outboard," "Inboard," or even "Fibre-glass Bottom"!

Dear Hardhead -- whoever you are. Will the man who pushed the door, at Camp O'Leno, and had the speaker fall on his head, please identify himself. Upon receipt of his name and address, plus size of badge, we'll forward his original "Hardhead" badge. You will not be the first person to be called a hardhead, but you'll be the first to have the badge to prove you are one.

On March 21 we had a grand time with the 441 Club visitors. Who was the handsome guy in the Beatle wig? Not the same one described last month in their article as "...a hairless nut...".

All the STAR LITE JUNIORS, including little Bob Ross, had a treat at the Club on March 28, hunting Easter eggs. They really cleaned up the church lawn looking for the hidden treasures. When they came in, each showed the goodies they'd found. Bob, after much coaxing, revealed what was in his little sack, and you've never seen such a collection of cigarette butts, scraps of paper and miscellaneous litter! We also celebrated the birthdays of Joe and Walt that night with some very tasty birthday cake.

Irate Georgia, after a day of washing and cleaning, to Forrest, filling in tax return, "Don't you dare list me as a dependent!!"

Forrest, under his breath, "The guy that figured out the \$600 income tax exemption for a wife must have been single."

SLOGAN FOR TEEN-AGERS -- "Cease and de-twist."

Hope everyone saw the Banner-Stealing rules published in the April 1964 "Bow & Swing." They were very good, and, if everyone will abide by them, each of us can be a good thief. By the way, the Paxon Prancers have the STAR LITE SHUFFLERS' banner now. You can expect a visit from us soon, Paxon.

We hope to hear more news from the group trying to establish a round-dance club in Jacksonville. How did the March 30 meeting go? Can anyone give us a report?

Bob and Margie Ross are the proud owners of a new home at 3931 Bogota Drive North, in the new Huntington Section. We all wish them every happiness possible there, and hope they have half as much fun as they had in that beautiful trailer, where we all earned our "Mobile Bug" badges.

On Saturday, April 11, the STAR LITE SHUFFLERS and their caller, Walt Knight,

performed for Cub Pack 266 at the 1964 Scout Exposition in the Gator Bowl. The Pack, along with their sponsors, the Southside Estates Dad's Club (School #76), asked me to thank you all and tell you that your contribution of time and efforts helped them earn a first-place blue ribbon.

We've planned a special birthday party on May 2 for all who had a birthday during the month of April. Y'all come! There'll be a special "May Pole Dance," and all the participants can earn a special badge. There'll also be lots of prizes! One prize for the most original name for this "May Pole Dance" badge. Another prize will be given to the person wearing the most badges that night. You've often heard that April showers bring May flowers -- but we're hoping April birthdays will bring May-pole dancers. See you at the May Fete.

The Camp O'Leno Hoedown, on April 4 and 5, was bigger and better than the previous one of September 28 and 29. Again we want to thank all the committees for the wonderful planning and plain hard work that made the outing such a great success. We also want to thank every member of the party for doing their duties according to schedule. Everyone helped with the cooking and serving of meals and cleaning up after meals, which was nice because this way everyone was a part of the trip.

The "Bow and Swing" of April stated, "A week-end hoedown at Camp O'Leno on April 4-5 is expected to attract a large contingent of square dancers from North Florida clubs." It did just that, too. A prize was given to the couple coming the greatest distance to be with us, and was won by Floyd and Mary McHenry from the Fort Meade - Bartow area. We also had the following seven couples from Clearwater: Jerry and Eleanor Burpee, Bill and Chris Cochran, Ruth and John Kincaid, Hobie and Connie Keller, Fred and Grace Bils, Margaret and Art DeSormo, and Goldie and Henry Egglekraut. The Edges from Jacksonville Beach were there, as well as Pappy and Boots Fields of Plymouth, Florida. From Orange Park we had the Delps, the Greenes, and the Crowells. I'd like to list all the names and all the clubs represented, but space just will not allow. Here are a few more names at random: the Frank Meyers, Sam Webb, Virgie Stewart, the Joe McMaths, Charlie and Pauline Shuford, the Crouts, the Willis family, the Gene Johnsons, the Runkles, the Reynolds, the Wixsons, etc., etc., etc. To mention some of the other cities represented, there was St. Pete, Lake City, Gainesville and High Springs. We were blessed with able callers, including WALT KNIGHT (of course), Herschell Lee, Floyd and Marge Hazen, Dick Gonzales, Joe Smith, and Genelda McDonald crooned a tip, too (much to everyone's enjoyment).

Everyone seemed to enjoy the after party around midnight Saturday, which included a skit by another cawler, Dot Knight and her STAR LITE GOOFERS. Their rendition of the "teacup chain" was great! I think we should all carry a cup around to square dances now

don't you? It's lots easier to just toss a teacup! By that time everyone was tired and ready for bed -- BUT just about the time everyone did doze, the whole camp exploded into a CUCKOO PARTY! After that -- about two hours later -- when all the callers were asleep -- there was another explosion -- this time an IDIOT PARTY! It seems after the Cuckoo Party, Fred McAteer was missing (in action). Premo got worried and after a thorough search, found Fred fast asleep in the wrong cabin, a vacant one at that. Sounds like Fred planned that. Betty McAteer was another tired one -- she was found in her bed, sound asleep with her glasses on. Mabel Coddling soon found herself in a sleeping bag but in a very unusual manner. Several of her friends put her in it head first and headed for the river. Thank goodness they had a change of heart and didn't go through with the original plans of dumping her overboard. Gene Wallace said he had a good time but no sleep -- for the first time in his life he was awakened by WOMEN (HA!). Next time he is gonna be sure to be rested! Robbie Knight must have lost a lot of sleep escorting those Girl Scouts through the woods. When he got back to Jacksonville, he went to bed with all his clothes and shoes on, and slept that way until Monday morning. The girls in Cabin 1 didn't get much sleep either! But they didn't mind and want to thank Myrtle Smith for the little skit she put on for them. Marge Hazen was overheard to say, "I've had all the fun I can stand for one night."

People are Funny -- Two of our club members ran to be first in Saturday-night supper line and got such small servings that they wished they had waited, because the servings did get bigger and bigger. Serves you right, girls. Rosa Lee, in her goodbye speech after lunch on Sunday, said "If we don't get organized, this thing won't be a success." She was one of those who stayed up all night to get things organized, too. We really enjoyed your reading, Rosa Lee. Goldie and Henry Egglekraut, in the breakfast line, "I want burned bacon; don't give me that limp stuff." -- "Don't give me that charcoal; make my bacon rare with a smashed, well-done egg." -- "No, I don't like garlic toast for breakfast, and, please, no more of that garlic butter on my pancakes!" -- "Do you give Green Stamps?" One of our visiting callers asked if George and Walt are brothers. But the confusion was cleared up when it was explained that the Smith Brothers are George and Joe Smith! Personal note to Walt: Don't you know it is impossible to Star Through 3-Quarters Around? Monday after Camp O'Leno, one of the dancers told a nurse that was taking his blood test, "All you're getting is TIRED BLOOD." Sorry I don't have much to report, but from this I hope you can see we all had FUN-FUN-FUN, but by the end of the Camp O'Leno week-end we were all saying we'd had 'NUF-'NUF-'NUF.

ORANGE PARK JUNIOR PROMENADERS

The JUNIOR PROMENADERS had quite a party on April Fool's Day. Prizes were given to the best Salty Dogs, June Delp and Eugene Nix. Jenny Raleigh won the door prize. Mark Stoddard was very cute in his dress, high heels and hat. Have you eaten all those lollipops, Mark? Refreshments were enjoyed by all. We were especially proud of our caller, Eddie Millan, who made "Commode Buster." I assure you it was unintentional. A few minutes after Eddie stepped upon the commode, he turned a little pale but went right on with the dance. He didn't let it shake him up when he almost plunged down the drain. There were a lot of "Goofers," "Plungers," "Oddballs," and "A FOOLS" running around loose.

New square-dance classes were started April 4 at the Collins Road Community Center in Orange Park, on the left side of Collins toward the river. We had a nice group but would like to see more of you. One more Saturday morning to get in on the fun -- April 25, from 10:00 to 12:00. Come on, you boys; don't let the girls out-do you. Ages 8 through 14. Eddie was sick April 18, and the class had to be canceled. He wasn't exactly feeling up to par the 15th. We enjoyed the dances called by George Millan and Steve Ferguson calling "Chewing Gum."

The "Orange Seeds" performed for the Promenaders graduating class April 17. A very cute skit, Sandy Carroll, June Delp, Patty and Ronnie McElroy, Jimmy Green, Terry Chojnacki, Steve Ferguson and Eugene Nix.

Ronnie, Patty, and I plan on leaving soon to go to Norfolk. Gene McElroy said to tell everyone in Orange Park he sure has missed dancing with them. There are a lot of nice people in the Promenaders and JUNIOR PROMENADERS. We are going to miss all of you. It's been great fun. We hope to retire in October, come home for good. 'Bye for now. Keep smiling and dancing.

" T H E P R E Z S E Z "

There is not very much I can report to you this past month. Our square-dancing has been curtailed for the past few months so we haven't been getting around too much.

We did get to the opening-day parade at the Beach and saw the square dancers who participated in the parade. Many thanks to those responsible for arranging this promotion for square dancing.

Our next Association meeting is scheduled for the Mayflower Hotel for Sunday, May 10, at 3:00 P.M. We wish to invite all club presidents, callers and delegates to this meeting.

We are sorry to hear that Tommy Thompson is being transferred and is having to postpone the beginner hoedown scheduled for May 2. We know that the beginners are disappointed at this turn of events. (Editors' Note: See Jubileers column for news concerning their "New-Dancers" Hoedown on Saturday, May 9.)

A round-dance club has been formed and is meeting on Monday nights at the Lake-shore Woman's Club.

Northeast Florida Square Dancers Assn.

Don't forget there will be no AUGUST "Grapevine." (This would normally come out about July 22.)

J U B I L E E R S

On Saturday, May 9, the JUBILEERS will sponsor a "New Dancers Hoedown" at the Arlington Congregational Church. The calling, by several Northeast Florida callers, will be directed to those who have just graduated or are about to graduate from their classes. Admission will be \$1.00 per couple. The Grand March starts at 8:00 P.M., and the dancing will continue until 10:30 P.M., at which time refreshments will be served.

All new dancers are invited to attend this "Hoedown" for a wonderful evening of dancing especially for you. This dance is planned for fun -- not perfection, so come on out -- goof a little -- and have a good time. Even though the calling will be directed to new dancers, everyone -- new or old -- is welcome to attend for a good evening's enjoyment.

So glad to have Carl and Betty Graeff, Carl and Marilyn Ballasso, and Jim Badger visit us at our last dance. Welcome anytime -- and that means everybody.

We are glad to learn that Bill and Opal Albert's son is out of the hospital, and that he is progressing satisfactorily after his operation.

On April 2 at Englewood Hall a new square-dance club was born when Tommy Thompson graduated a pre-teen class. Our lessons started on November 1, 1963, meeting once a week for twenty weeks. The elected officers are:

- President - George Winters
- Secretary - Valerie Thompson
- Treasurer - Stan DeLouch

There are two and a half squares in our club. Our dance night is on Friday, but this is subject to change. We will not dance during the summer, but in September we will again be dancing and start our new beginners class.

PAXON PRANCERS

The PAXON PRANCERS have really been galivanting this month. We just can't get enough squarin' on Thursday nights, so some of us are usually out visiting other clubs or giving garage parties. We're finding that those informal get-togethers are a grand time to walk through some of the harder calls, provided someone in the group knows what to do.

The Easter party was the big shindig of the month. Jim and I had lots of fun stringing empty egg shells, but we're awfully tired of scrambled eggs! Billy Shields is the gander who made the Enchanted Egg, complete with a picture window, and Curtis Stringer furnished 14 baby chicks to live in the Egg. (Our prizes

also said "cheep, cheep.") Bob Love was selected as one of the Ten Best-Dressed Women of the Year, with the aid of his square (strictly Haute Couture!). Reports from different sources show that the biddies are growing well and should be frying size by July 4. But the Thomases had a slightly unhappy experience with their bird -- Jimmy says they're having the party for November, and they are having damn baby turkeys!

We're so glad the Western Cutters asked Chuck Durant to Jax, and that they shared him with the rest of us. He really called a swinging dance -- the PRANCERS are quite proficient at doing the new call "Yellow Rock!", and I think we all enjoyed the "naughty mixer" he taught. We had two squares out, and then on to the Joyces' to rehash the evening over more coffee and eats.

It's time for some of you other clubs to come visit us, for a change. We have quite a collection of banners, now. We rescued our own from U. S. 441 Club on a dark and stormy night, and acquired the Grand Slammers' to hang beside the Star Lite Shufflers'. Jim and I enjoyed visiting the Capital Squares in Tallahassee recently -- saw ex-Friendly Frolic-ers Patsy and Dick Tomlinson jogging to the "Salty Dog."

Tapes and records will never replace real, live, in-the-flesh callers, but the PRANCERS manage to have a good party in spite of themselves, this time thanks to Scottie and Angie Hayes. That place in Marietta is full of atmosphere -- smells just like a feed store, too! Nancy Rutledge left the party for a while, bag in hand; some of our more helpful members took her snipe hunting!

Congratulations to the new round-dance club, the Roundleers. At present most of us seem to be high on enthusiasm and short on talent. (Flound-a-rounders was suggested as an apt club name.) But just you watch when we perform "Moonlight Bay" at the next big shindig.

Curtis Thompson is taking coffee to his wife these days; someone suggested that perhaps, under all those bandages, Margaret's foot is the picture of health! Congratulations to Murray Goff for winning the city-wide oratorical contest sponsored by the Optimist Club. Congratulations are in order for those celebrating anniversaries and birthdays. May you each have many more. Congratulations to Billy and Margaret Shields for the success of their party on April 11, with all club members being invited. Some of us accomplished the teacup chain, but had a little trouble with the beer-mug chain. The refreshments were delicious. We are all hoping to be invited back soon.

All the news for now. Won't y'all come to see us? Love to have you.

ROUNDOLERS

As this is our first report from the ROUNDOLERS Round-Dance Club of Jacksonville, we will tell you just who we are.

In the last issue of the "Grapevine" you read of a meeting to be held March 30 in the Lake Shore Woman's Club for the purpose of trying to organize a round-dance club. The ROUNDOLERS Club is the result of the meeting. We are pleased to tell you our officers are

- President - Carl and Betty Graeff
- Vice Pres. - Jay & Marquette Carter
- Secretary-Treas. - Sherman & Jane Nolan

Our instructions for learning new dances and reviewing old favorites are in the capable hands of members such as Bill and Ruth Flesman, Ed and Evelyn Criminger, Bob and Phyl Reynolds, Carl and Betty Graeff, Jack and Gladys Griffiths, and other good dancers who can and will help at any time. So-o-o, in our opinion, we are off to a wonderful start.

Our first new dance to work on was "Moonlight Bay," and we have enjoyed oldies that are more familiar -- "Fraulein," "Lonesome Two-step," "Walkin' to Kansas City," "St. Louis Blues," and, of course, "Alley Cat."

Due to the limited space of the hall, we have been forced to limit our membership to thirty couples. At this time we have reached that capacity and have a waiting list. If you are interested in joining our group, please call our secretary, Jane Nolan (phone EV 4-1366), and let her know. She will get in touch with you when there is a vacancy.

We have in our membership some of the finest people and best dancers in Jacksonville -- representing all of the local clubs. You should soon be seeing our badge strip on the Knothead or club badge of some of the members of your club.

This is our first attempt at writing anything except first-of-the-month checks, so we will keep it short. See you A Round -- we hope.

For this past month we have really been dancing, and our guest lists have been long. We really enjoy having all these out-of-town visitors.

Now to bring you up to date. On March 21 over two squares went to Jacksonville to dance with the Star Lite Shufflers. Our "buckeye" (hairless nut), Bob Wigglesworth, donned a Beatle wig and created quite a sensation. The refreshments they served were just delicious.

On March 28 we welcomed back Bob Rust and his taw, Lou. Our guests were from Alachua, High Springs, and Jacksonville. Among those from Jacksonville were members of the Paxon Francers who came to claim their banner. (At the Les Gotcher dance on March 5 at the Paxon Junior High, Ike Cheves brought their banner back to Gainesville.) The McKinneys served coffee and doughnuts.

On April 4, 29 dancers from Gainesville went to Orlo Vista to dance with the Firehouse Squares. Twenty-three of these dancers made Knothead. After the dance, George and Sheila Beazlie brought their banner back. We're looking forward to have them claim it.

April 11 brought Floyd and Marge Hazen back to Gainesville. We had over four squares of Orange Park Promenaders with us, and we were delighted to have them. It was also a pleasure to have the parents of Elsie Green and Floyd Hazen, Mr. and Mrs. Harold Hazen of Fennimore, Wisconsin, observe all the goin's-on. Promenaders' president, Elmer Hilbrant, announced their Pirates Ball, and come May 29 some 441-ers are sure to be dressed appropriately and sailing their frigates to Jacksonville. The Chambers served coffee and doughnuts during the evening.

Our next two dances will feature Dick Gonzales and Bill Muench. See you next month.

Jeri and John Moore

This warm weather is beginning to make our air conditioning feel mighty good. You oughta come and try it.

Some of us visited the Seaside Squares and recaptured our flag, as well as had a wonderful time at their Cottontail Dance. They really have some talented hat designers, from all reports.

The last time Mark and Audrey Fletcher danced with us, they were busy making plans for the homecoming of their daughter from Germany. Much has happened in a few short weeks. Audrey surprised herself and everyone by landing in the hospital for an emergency operation. She left the hospital April 14 and is recuperating at Betty Faircloth's. Last we heard, Betty had Audrey sewing hooks and eyes on costumes --- new kind of therapy.

Carl and Rose Law spent last Sunday in Deland visiting their son, who was in an accident. We are glad he was not seriously hurt.

We were extremely sorry to learn of another accident which resulted in serious injuries to Marvin Green, Junior, oldest son of Grace and Marvin Green. We hope he will be able to leave St. Vincents soon and will recover rapidly.

Our best wishes to the newly formed round-dance club, the Roundoleers. From all the enthusiastic reports, it should be highly successful.

Our round for the month is, "I Hum a Waltz." Guess we don't know the words -- some of us don't know the steps either!

Our caller, Jack Griffiths, has been pretty tricky lately. He has one call that results in absolute chaos, with everyone saying, "Wha'd he say? Who face where, and where is couple 4 anyway?" Think the call is "Couple 3 face 1 and 4 face 2." Needless to say, we feel pretty foolish when we discover that is the way we face anyway. Jack makes up for this one with a real goody, "Dry Bones." He sorta outdoes himself with this one, and it helps us regain our confidence.

Our galivanting members, Faith and Hugh Butner, are off again to Fort Meyers and Naples (not Italy), and Hugh still vows it is "work," but we are not convinced yet.

Ruth and Bill Fleshman, another traveling twosome, had a regular "Convention" week-end in the Melbourne area recently, dancing to Ruy Camp, Sam Prescott, and Bob Rust on three successive evenings. They also had the pleasure of squaring up with former Jax dancers, Pearl and Randy King, Marge and Ellis Norton, and Bob Pringle, all of whom wish to say "hello" to their Jacksonville friends. Bill and Ruth also danced with Bob and Zella Fowler (from Bakersfield, California) whom many of you

remember when they visited most of our Jacksonville clubs two years ago.

Betty and Marvin Faircloth brought us a big, big box of chocolate candy (Norris, natch!) which played havoc with our good intentions to diet. It was delicious, and we thank you, Marvin and Betty.

It is always nice to have visitors, and we hope you will all come back and bring your friends. We dance each Tuesday at Southside Youth Center -- rounds at 7:30 and square dancing at 8:00. See you then.

If you know anybody bored or with time on their hands, send them along to us, and we guarantee to keep them busy and have fun too. Last month was one of our busiest. We had a ball at our "Cottontail" dance, and the hats were really "the most." Really gave the judges a bad time. Here are the winners: Verda MacAtee, the prettiest. Sandra Elgin and Jim Davis, the funniest. Helen Crout and Al MacAtee, most original. Paul Lane won the Jelly Bean Contest.

A lot of people worked hard to make this dance a success. To the people at the Recreation Center, the visiting callers who helped with the judging, the president says "Thank you."

All kinds of exciting things have been happening to SEASIDE SQUARES members. We say goodbye to Roy and Barbara Blair, who will take square dancing to Scotland and then Guam. We shall miss you, Roy and Barbara. Good luck, and keep us posted on Scottish squares. Past Prez "Boats" Ackerman jetted in for a week of sunshine and square dancing, then back to Newport, Rhode Island, until Betty and kids join him at school's end. Pete Mendrinos leaves for a Mediterranean cruise on the "Yellowstone."

Margie and Richard Steeves have been in "Baby Heaven" with the arrival of granddaughter Kelly for a week. She is the cutest baby, and, if you don't believe us, ask Grandma and Grandpa Steeves.

Congratulations to Bob Johnson on his appointment with the "Toastmasters." Now we know where he gets all those jokes.

We joined in "Welcome Day" at the Beaches with a float of "Squares" and some dancing at the bandshell. (continued p. 10)

SEASIDE SQUARES (Cont'd)

A lot of worn-out shoes and blisters but, all in all, a wonderful evening of fun.

Really enjoyed a visit from the Grand Slammers and are looking forward to our visit to reclaim our flag. Now that the weather is warm, we are looking forward to seeing more visitors enjoying Joe's calling and the wonderful beach air.

We will have our Graduation and Anniversary Dance in May. We will ask other clubs to announce the date and are looking forward to seeing everyone.

Margaret and Bob Carney

PATRONIZE OUR ADVERTISERS

GRAND SLAMMERS

Spring is the time for new beginnings, and the GRAND SLAMMERS have taken the season to heart. We have been busy getting settled in a new home and doing spring cleaning. Our new home is 8051 West Beaver Street (U. S. 90). We like it so well that it seems we've become a bit owlish, hooting its praises to anyone who will listen, and, besides, it is kind of barnish. We invite all to come any Friday night and see why we have been so busy. If further directions are needed, please call 388-5549.

In the spirit of new growth we have a class that will yield a good crop of dancers when they graduate on Tuesday, May 5. They are also a friendly lot. On St. Patrick's Day we had a pot-luck supper that was super.

The GRAND SLAMMERS also have a new square-dance class starting Tuesday, May 12, at their "barn." This will run until early summer.

The urge to wander came upon us, and we have visited the Merry Mixers, Seaside Squares, and Island Squares since we last reported. In Lake City we squared up to Max Forsyth and in Waycross to Harry Lackey. As if this errantry wasn't enough, our motley crew developed definite hobo characteristics. We actually stole the banners of two of our gracious hosts, and I'm told there was some to-do about a certain president's shirt in Waycross. We are looking forward to having the Merry Mixers and Seaside Squares coming to see us. They say we've got something that belongs to them???

It seems we are not the only ones infected by the hobo mite. Those sneaky Paxon Prancers spirited away our banner! Also, we've been glad to welcome other travelers and enjoyed the calling of Joe Smith.

Although we have had many nice visitors, they just aren't quite home folks. Bonnie and Chuck Crowell, we've missed you. The Navy is just going to have to consult us more often about their trips. Chuck isn't

the only one, and someone forgot to tell Bruce Carroll that spring is for new growth. For a while he seemed to have the wrong attitude. Welcome back from the hospital.

The GRAND SLAMMERS will sponsor an 8-week course in the basics of round dancing. The instructors for the course will be Ruth Bartley and Bob Waites of Gainesville. Lessons will be on Sunday afternoons, and we invite all interested to call for further information:
724-6293 (Rosina Baxter)
388-5549 (Mavis Carroll)

(EDITOR'S NOTE: This is a golden opportunity for anyone who has never had a formal course in round-dance basics. A good foundation in basics makes learning round dances much easier. Bob and Ruth are excellent teachers, and we are fortunate that they are willing to make the long trip to Jacksonville each week to teach a group.)

Well, that about does it from our neck of the woods. Y'all come!!

Mavis Carroll

DO WE HAVE YOUR NEW ADDRESS?

FRIENDLY FROLICS

What a busy month this has been with dancing, classes, camp-outs, etc., to bring in the spring season in a big way.

Excitement over the Knothead trip to Savannah on April 25 is gaining momentum. We know many of our new members are in for a real treat. Here's to a safe and fun-filled trip!

We are very glad to hear that Opal and Bill Albert's son is feeling much better, and wish him the best recovery possible.

A new slate of officers was selected at our April 19 dance, and we would like to urge everyone of the FRIENDLY FROLICS members to take an active part in the voting on the final ballot at our May 2 dance. The following are up for office:
Pres. - George Stanton, Eddie Bowman
V. P. - Orson Fussell, Gene Johnson
Secy. - Arie Willis, Faith Butner
Treas. - John Robbins, Margaret Wixson
Please cast your vote and then give your support to the winners for the coming year. Cooperation from all is essential for a good club and more fun.

Our second annual "Mis Friendly Frolics" contest was a howling success Saturday night. We saw the most unusual beauties this (or any other) side of the Mason-Dixon Line, and, I might add, the greatest bunch of sports. The raving beauties who were on hand to compete for the title were: (Cont'd on page 11)

FRIENDLY FROLICS (Cont'd)

- Irvin Johnson Mis Led
- Eddie Bowman Mis Used
- Bill Wooten Mis Hap
- George Stanton Mis Fit
- Ray Wixson Mis Matched
- Tom Rankin Mis Behave
- Sam Webb Mis Spent
- Jim McKown Mis Guided
- Joe Allen Mis Informed
- Charlie Stripling Mis Adventure
(Really Mis Fortune; "her" zipper broke)
- Mitch Wright Mis Understood
- Leonard Saraga Mis Conduct

A very difficult decision was reached by the learned panel of judges (who recently judged blue-ribbon prize hogs at the Jacksonville Fair), and the title of Mis Congenial '64 was bestowed on the very lovely Mis Led. "She" was presented with a gift donated by Plaza Western Wear. Our winner, and new Mis Friendly Frolics '64, was none other than Mis Fit, and "she" was presented with such priceless gifts as a portable hair dryer (paper fan), a trophy bearing the inscription "World's Greatest Square," a genuine ranch-mink button, official "Mis Friendly Frolics '64" shingle, and a free admission ticket for two to all regular club dances for one year.

We think Lois Stanton deserves a special vote of thanks for a big job well done, and she in turn would like to thank all those who so kindly volunteered their services: Ellen Johnson for making the crown, robe and winning ticket; the make-up crew: Frieda Saraga, Ellen Johnson, Faith Butner, Pat Stripling and Margaret Wixson; Escort, Hugh Butner; Spotlight, Doug Crout; piano, Helen Crout; presentation of prizes and questions, Frank Clements; judges: Joe Smith, Barney Davis and Paul Lane. We're looking forward to the third annual contest.

Don't forget our business meeting at Englewood Clubhouse on May 8. We'll meet at 7:00 P.M. for covered-dish supper, then business and dancing. We hope all members will make a special effort to be there.

Just a reminder to get ready for the big week-end at Fernandina Beach on May 23 and 24..... See you next month!
