THE PREZ SEZ

I'm sorry to say last month I did not mention that we have a new publicity chairman for the NEFSDA, Les Sykes. Our thanks go to Carl Law, the past publicity chairman, for doing such a fine job for the NEFSDA in the past years.

We wish to congratulate the new square-dance club in St. Augustine, the Ancient City Squares, and wish them all the best in square dancing.

GRAND SLAMMERS

We are sorry to say that Gainesville will not be able to hold the 5th-Saturday Dance May 29. We hope they will be able to hold a 5th-Saturday Dance at a later date.

THURSDAYS -- 8051 W. Beaver St. (U.S. 90) -- BOB REYNOLDS, caller -- BRUCE CARROLL, Pres. (388-5549)

As you can see by the GRAPEVINE, we have a lot of good dances coming up in the months ahead, so be sure and check with the GRAPEVINE to see if any other club is planning one at the same time your club is planning one.

The GRAND SLAMMERS will have a fish supper on Saturday night, May 15, 1965, starting promptly at 6:00 P.M., followed by dancing until 11:00 P.M. All square dancers are cordially invited -- cost will be \$1.25 per person for all the fish and dancing you want. Our caller for the evening will be JOHN SAUNDESS. Y'all come, bring your friends and "square 'em up."

Don't forget to submit two names of members of your club who would be willing to serve as one of the officers in the NEFSDA.

Our class of youngsters, which is receiving instruction from Bob Reynolds each Saturday morning, is coming along fine. Boy, do those kids learn fast! Too bad all that energy and ability has to be concentrated on the young folks -- we oldsters could certainly use some of it.

Wally Lightfoot, President
Northeast Florida Square Dancers Assn.

We certainly enjoyed the visit of the members of the Seaside Squares to our club on the night of April 8. We really had a good time dancing to the calling of Bob Reynolds, Joe Smith and Bobby Keefe. Thanks for coming, folks, and come back again real soon.

Two and a half squares of GRAND SLAMMERS visited the Keper Cutters in Palatka on Saturday night, April 3, and brought back their banner. We look forward to their coming real soon to take their banner back home so that we can go get it again. We always have a good time there.

"Y" - KNOTS

THURSDAYS - YMCA - ANNE LAWHORNE, Caller -- Arthur Allen, President (389-1507)

Our adult class of dancers is progressing nicely, and we hope to have a new batch of GRAND SLAMMERS to turn loose on the square dance society of Northeast Florida real soon.

Even though you haven't heard from the "Y"-KNOTS lately, we are still very much alive. We meet each Thursday night at the "Y" with Anne Lawhorne as caller, assisted by Herb Lawhorne, her able "floor manager." He keeps us in stitches with his antics in the squares. On Wednesday nights we are helping Anne with a new class in learning its "do-si-dos" and "allemande lefts." Anne will graduate these students in about six weeks.

We are real glad to have Bereniece Harris back with us full swing after the recent operation on her hand. Just take it easy on the "square throughs" and "right and left grands" for a while, Bereniece.

Three weeks ago we were all invited to Alfred and Clara Knight's lovely home on Arapahoe for a delicious buffet supper and square dancing the rest of the evening, and we really had a grand time.

Pauline and Charlie Shuford are new members of the GRAND SLAMMERS, and congratulations go out to them on becoming grandparents recently for the first time. It's great to have these square-dancing grandmas and grandpas -- just can't keep us in the "old rocking chair."

Last Saturday night we met at Anne's and Herbert's for a business meeting and election of officers. The following were elected for the coming year:

- Pres. -- Bessie and Arthur Allen
- V. Pres. -- Lucille and Frank Sullivan
- Treas. -- Minette and Harold Smith
- Secy. -- Irene and Larry Brown

Nationally known caller CHUCK RALEY will be in the area during the early part of July, and we have engaged him to call for us on Thursday, July 8 (time to be announced later). Make your plans now to visit the GRAND SLAMMERS then for some "out-of-this-world" dancing. Admission will be \$1.00 per person.

After delicious refreshments we enjoyed the rest of the evening with dancing.

That's all until we "square 'em up" again next month.

You will be hearing more of our coming activities as our able President gets the various committees to working.

SWINGING SQUARES

THURSDAYS -- Howard Bishop H. S., Gainesville -- DICK GONZALES, caller -- BOB FULMER, Pres., 3001 NE 14th Drive.

The SWINGING SQUARES do-sa- doed
As April came to an end,
But not before fun was had
By all who entered in.

On April first -- we had a cake
To celebrate the day
To honor one whose birthday
We shared in this gay way.

Jo Ann Mote we sang a song
And Mary Grove, our guest,
Whose birthdays fell together
So to them we wished the best.

We all joined hands and circled left
And whirled to a half sashay
As Dick Gonzales kept the squares
Twirling along their way.

We rocked it in and rocked it out
And spun the top just so,
A clover leaf got in there too
As SWINGING SQUARES did go.

As weeks progressed into the month
The Easter Bunny came too,
To sit upon the table long
Where food reposed for you.

He blinked his eyes at all who sang
A birthday tune once more.
Pat Murphy was the one this time
To receive greetings, galore!

Come on out -- join the SWINGING SQUARES
For you we'd like to meet.
With a right foot up and a left foot down
We'll make a rhythmic beat!

Cliff and Pearl Rehbein

P. S. On April 29 Bill Camp will be the guest caller at our special Fifth-Thursdays-Night Dance.

FUN AND FROLIC

TUESDAYS - Southside Youth Center (Hendricks Avenue) - JACK GRIFFITHS, Caller -- FRANK PARKER, President (387-1328)

Hot weather got you down? Looking for somewhere cool to dance? If so, come visit us at Southside Youth Center. We guarantee you one of the coolest spots in town with the smoothest "keller" you've ever do-si-do'd

to, so don't wait for your best friends to tell you; come find out for yourself.

On March 19 our beginners class completed their 10th lesson, and we celebrated with a covered-dish supper. We now have three good reasons for wanting them to become fully initiated members of FUN AND FROLIC: not only are they wonderful people and proving to be real good dancers; they also are pretty terrific cooks! I'm afraid that some of us ate so much that we had to go on a diet for the rest of the week. Did hear it whispered around by some of the men that they were responsible for providing some of that good food. Of course, gals, we don't really believe it, but if it's true, all we can say is that they can cook for us anytime.

Jay Carter has been getting a big welcome these last few weeks. Seems like he always walks in just in time to complete another square. If he keeps this up, looks like we'll have to roll out the red carpet for him.

We have trouble enough dancing to one call, but did you ever try dancing to two entirely different ones at the same time? Seems like Jack is having a little trouble with his glasses (eye glasses, that is). Anyway, the next time he has to have them adjusted, will you please warn us, Gladys, so that we can be prepared for the unexpected?

We hear that Susan and Lou Connally really had a ball at the Alabama Jubilee. They report over 5,000 were there. How they ever kept up with each other in that crowd beats us; however, they both came back in real good swinging form.

Have had so many visitors this past month, would be impossible to name all. However, we were sure happy to have Louise Smith dancing with us again after being laid up for so long. To all you other folks from Orange Park, Grand Slammers and Jubileers, we enjoyed dancing with you and hope that you will come back again soon. And of course we are always glad to see our regular visitors, George Williams and Fred and Erma Blado. Hear that Erma thought that she had a "giant" in her washer when she saw all those suds billowing into her utility room. Well, that's one way to get your spring cleaning started.

It's really good to know that Fred Hafers is now well again. We're looking for you to start dancing again soon now, Fred. Have also been missing Muriel Luth this past month. We know that, working for Uncle Sam, she is a real busy gal right now, so you folks hurry up and get that income tax paid so she can come dance with us again. We'd sure appreciate it.

Why is it that when Ruth and Bill demonstrate a new round it always looks so easy, but when we left-footers try it, "WOW"! Having mastered "Hot Lips" a short while back, we are now working on "Sugar Lips," which is a dance the teen-agers ought to go for. We old "young-uns" are sure having fun with it. Don't forget, we learn a new round every month, so come out at 7:30 PM Tuesday evenings and learn along with us.

FUN AND FROLIC (Cont'd)

We are certainly sorry to hear that George Hoyt is moving back to Daytona Beach next month. He has done a terrific job with our beginners class, and we were looking forward to having him teach another group when he graduates this class in June. A Knothead trip is "in the making" around that time too. George has also called some mighty fine tips for us at some of our regular club dances. We really go for his "Jelly Bean."

PAXON PRANCERS

THURSDAYS - Mary Hammond Youth Center (12th St. near Nelson) -- ELWOOD SEXTON, caller.
JIM THOMAS, President (781-2328)

Well, another month and we started it out with a trip to the USO on March 19. We really enjoy going down there because the boys all seem to really enjoy it. They had even decorated the hall with a covered-wagon, hats, guns, etc. They sure were a good crowd, and we are looking forward to going back soon.

Our party-of-the-month was an April Fool's party, and what better time to have it than on April 1, April Fool's Day? There were lots of fun and games suitable to the occasion. Laura Sexton, who was in charge of the party, had arranged for a tricycle race between Dewitt Green and Joe Joyce. This proved to be very exciting, and we wonder how they ever got a license to drive. Even though there were only two vehicles on the floor, they had a collision! Barney Strickland is probably thanking his lucky stars that he is tall, for he found himself holding a broom handle, against a glass, pressed against the ceiling! We decided that we must play an April Fool's joke on our caller, so when Elwood started to call the next tip, the dancers would only do an allemande left and a right and left grand. Elwood decided to come back at us by putting on a record with a caller calling a dance; then he got on the mike and started calling a patter. There's a trick to dancing to two callers at the same time, but I don't think we have found it.

On April 3 the Friendly Frolics were invaded by three squares of the PAXON PRANCERS. We now have their old banner, but they have a new one to hang on their wall. It was a very enjoyable evening, dancing to the calling of Herschell Lee. We are looking forward to a return visit by the Friendly Frolics to recapture their banner.

Once a month we will be paying a visit to

the Duval Medical Center to dance with the patients as part of their therapy. We enjoy doing this, and the patients seem to enjoy it as much as we do. We all leave there feeling a little bit better.

We have a new member in our club. We would like to welcome Nate Zimmerman into our club and hope you will be dancing with us for a long, long time.

We would also like to wish everyone who had a birthday this month the very best wishes, and hope they all have many, many more. There were several wedding anniversaries this month, and we all wish them the very best.

Our party for the next month will be something special. We will have a Maypole Square Dance. Mr and Pa Sweet will be reminiscing about all the good old times they have had square dancing. You won't want to miss this party, so keep May 20 in mind and plan to be there.

This will be Bill and Ruth Freshman's last publication of the GRAPEVINE. We would like to say that we think that they have done a wonderful job as editors of the GRAPEVINE. They have made it what it is today. We would also like to congratulate Deskin and Freda Sisson for taking the job as the new editors.

MERRY MIXERS

FRIDAYS - Parish Hall, St. Paul's Episcopal Church - MYRON SAMSON, Caller - CRAIG POWELL, Pres. (733-0263) - Usually no dance last Friday, but there will be one Apr. 30.

While still under the glow and excitement of last night's Knothead trip, I'd better jot down a few of the highlights. My body feels bruised and battered from dancing -- my throat and voice sore from laughing. With a full busload of merry MERRY MIXERS and a couple of strays from Friendly Frolics, namely Ann and Jr. Purvis, Genelda and Roy McDonald and Juanita Christmas, we headed "noth". We had a most intellectual trip -- travelogues, poetry and chamber music. I gave a talk about Mexico while giving out small tokens and folders. Somehow, I don't think I enticed anyone to go "South of the border, Down Mexico Way." Maybe it was my accent. It was south "sompum." Genelda McDonald, in a swaying grass skirt and leis, extolled the advantages of Hawaii. She was a bit dubious of the skirt 'til she found out it was fireproof -- but not knifeproof.

Ann Washburn gave her all for the Bahamas, but even the enticing boat trip just didn't "make the scene." Bruce Marley, in overalls and a handlebar mustache, and in keeping with the "break the cigarette" kick, gave out corn cob pipes to invite everyone to the "Smokies."

He kept insisting that Barbara Samson's last trip must have been on a "mule train" -- where else could she have gotten that "moustache"?

As we rode along, we went from the south to the far north. Don Hunt, appropriately attired for the ice and snow of Alaska, expounded the "views" that one would enjoy. We felt right sorry for him though -- his "trap door" kept letting in the cold air from the air-conditioning on the bus. Frances Paul, with paper umbrellas and fortune cookies, gave her talk on China -- "Merrily We Roll Along." Barbara had prepared a sumptuous repast to tide us over till dinner. We enjoyed a bit of "refined" poetry, followed by a select few that presented a program of "chamber music" -- only thing, Barbara had left at home the most important "instrument."

The Bennetts met us at the restaurant, where we had a lovely dinner -- and "On to the dance!" We christened their new auditorium -- a lovely place, and a credit to the city. I know everyone in Valdosta is most proud. It was a Hobo Dance, and a few odd characters slipped in. A few of our group braved the laughter of the rest to "dress" for the occasion.

Speaking of dressing -- Ann Washburn and I are going to "black" Barbara's "camera" eye. We might sell Ann's picture to a well known lingerie firm. I don't think my picture would be worth anything -- my "face" didn't show. All the girls then kept a watchful "eye" on Barbara.

Time out for a spot of "tea" and a late snack, and we were on our way home -- tired and sleepy. Our bus driver, bless his heart, was out taking a siesta while we were dancing so that he would be well rested for our safe trip home. After hearing Bob Bennett call a few tips, he looked for the tobacco stalls. He said the caller sounded like a tobacco auctioneer he used to hear in the area where he was raised -- North Carolina. I sat behind the driver -- to help navigate -- but I could hardly keep my eyes open, so up came some of the girls to help him stay on the right road home. Myron told us of some of his po' "kinfolk" from Louisiana. Had us in "tears." Ralph, our driver, was at times overcome with "emotions." Genelda offered to drive, but, not having a parachute in which to bail out, he had to decline. He must 'a' thought we were of kindergarten age; he kept wanting Genelda to go sit in the "sand box."

Through the fog we made our way back to the starting point and found the McDonalds' and the Samsons' cars were "rolled." "Fiendish delinquents" had left their mark -- Who!!! You can well imagine a goo-o-o-d time was had by all.

Easter Day will have passed by the time you receive the GRAPEVINE, so may I wish for all of you a joyful and lasting Easter.

At our dance of the 19th, free admission to the "early birds" was won by Frances

MERRY MIXERS (Cont'd)

Upshaw and Bill Skilos, and guests "early birds" was won by Genelda and Roy McDonald. So, you see, it pays to arrive early sometimes. Dwight Perkins, our treasurer, and I have made "Diehard." Believe you me, after five days I thought I would. It was fun though!

I see by the papers one of our infrequent members, Mrs. Josse A. Jackson (Bert), has been elected President of the Jax chapter of the United Nations. She also teaches school -- "congratulations," Bert.

I almost had hysterics one night at our new class. Myron was teaching them a left square thru. He kept telling them how simple it was -- just go left, count to four. Well, the more he told them how easy it was, the harder I laughed. After a year of "dancing" I, only a few weeks before, had learned to go the right way. Some people can be so stupid -- "Me"! So, to the new class, I was not laughing at you, but me. I'm sure you will learn it and others faster than I.

An open letter to the Star Lite Shufflers: Many, many thanks for a wonderful week-end at O'Leno. The food was very good, and I'm glad I had a chance to dance some of it away. 006½ and I are hoping we can make the next one. Our son Grant, who will soon graduate from Johnny Robbins class, unbelievable as it sounds, had a real good time. It was good to see so many families with their children take part. Besides us, the Winchesters, Washburns, Steeves, Pauls and Henningsens camped out in the camping area. It was as much fun to watch Dick Gonzales call as it was to watch the dancing. We heard those who slept in the cabins were awakened at 5 A.M. to go dancing. We were so far back in the dark woods, we weren't found. Ann and Buz Washburn must have really enjoyed it; they forgot it was their 23rd anniversary. So, a belated "congratulations." Say, was it the dancing that made you forget, or was it "AGE"?

To our many guests this month -- the Brandons and Zieglers from the Orange Park Promenaders, and the new graduates from the Jubileers, and those I wasn't able to get around to meet -- welcome, and come back soon. We were glad to have you with us. A special welcome to Bill and Nora Camp. As you can see, your past pupil, Myron, is doing a mighty fine job. I do think Barney Davis still needs a little help (?) -- he goes so fast that we "younger" girls can hardly keep up with him.

The club entertained the new class last Monday night with "expert" dancing. From the looks of the so-called "experts," the class may have some new members. Marilyn Orth and Mrs. Wilson from the Women of the Church, which sponsors our club and looks after us in general, were on hand to prepare and serve some delicious refreshments. The entertainment committee had the hall festively decorated in Easter and spring colors. The Easter Bunny had been by and left bright colored eggs; few, by the way, were still raw. For

one of the tips, several people were given an egg while dancing -- need I say more? The members enjoyed the togetherness -- hope the class did too. We're anticipating their graduation on the 30th and are looking forward to having them join our "Merry" group.

Our dance on Friday, April 23, will be at the Arlington Presbyterian Church, and this month we WILL have a dance on the last Friday of the month, April 30, at the usual place, St. Paul's Episcopal Church.

ORANGE PARK PROMENADERS

FRIDAYS - Orange Park Lions Club - FLOYD HAZEN, Caller -- DON LIGHT, Pres. 389-8863.

I guess you could say our graduation party on April 9 was a howling success. At least you should have heard our graduates howl at the initiation ceremony. Dancing blindfold, somebody slipped a wet fish into their hands on an "allemande left" -- also feather dusters and rubber gloves -- imagination did the rest.

Our students looked fine parading in their orange graduating caps in the Grand March. Floyd Hazen introduced each graduate and Don Light, our president, presented badges and diplomas.

For entertainment there was a most beautiful demonstration of the waltz and two-step by the Flushmans, Craffs, and Helen Crout and Sam Webb, of the Roundleers. The refreshment table groaned with goodies, and the big sheet cakes were pretty as pictures. A big night in Orange Park.

Get your reservations in for the fall class -- only one a year now. Don't miss out. Or come back and review if you are a "drop out." (That's a bad word these days.)

Twenty-six of our members visited the Alle Mandarins on April 6 and had much fun, and they retrieved our banner at the same time.

Rumor reaches us there is a "raid" in the near future. Can't tell you where or when, but we just collect a lot of picnic food, and after the dance we surprise somebody with a party. Be alert -- it could be you.

Mark down May 28 on your calendar -- that's our Third Annual Pirates Ball. Come

in costume. There's a flyer attached to this issue giving details.

WESTERN CUTTERS

2nd & 4th SATURDAY - Fleet Reserve Bldg.
 (7363 Blanding Blvd.) - BOB REYNOLDS,
 Caller - AL HUDSON, Pres. (781-2102)

The WESTERN CUTTERS will be on hand for the Third Annual Miss Friendly Frolics Beauty Pageant on April 17. We know from previous beauty pageants sponsored by Friendly Frolics that a good dance and a lot of fun will be in store for all square dancers in attendance.

On March 27 the WESTERN CUTTERS held a covered-dish supper prior to our regular dance. We had loads of good food and, better yet, a lot of visitors from other clubs. Bob got a few minutes to dance when he turned the mike over to Johnny Robbins, Roger Taylor, and a hick-caller named "Dead-Beat Sam." The latter brought in a "squad" of the "hill-billiest" dancers you ever saw! By the time they got through "murdering" square dancing, we were glad to know that they were soon to be on their way back to the hills of Corn Cob, Tennessee! Even so, everybody seemed to have a good time, and congratulations go to Marshall and Claudia Carr -- in charge of the program and supper with help, and the Grimes and Leggetts in charge of midway refreshments.

Last year, on the club's anniversary, we held a "Roarin' 20's" Dance which was a big success. We plan to make this an annual affair to celebrate the club's birthday. So, on May 22, dress up in some outlandish garb of that era and "have a ball" with us! Prizes will be given for costumes. Skits, games and plenty of refreshments will be available in addition to the square dancing.

Being planned for the summer months are a Knothead trip for our new members, an after party for all our club members, and a luau with real hip-swinging hula-hula girls! This event will be authentic in every detail because it will be under the direction of Bob and Phyl Reynolds who became experts while stationed in Hawaii. A picnic for club members and their families is being planned for the latter part of the summer. So, it looks as if there will be plenty of exciting events coming up in the months ahead.

We heard that callers Harold Pillmore and Floyd Hazen have been ill. The WESTERN CUTTERS wish you both a speedy recovery. We

know that the dancers have missed you and are eager for your return to the mike.

Officers of the Fleet Reserve Association have assured the WESTERN CUTTERS that a new tile floor will be installed by the end of May. The present concrete floor has been dust-proofed and the parking lot improved. What with the hot summer months coming up, we are most fortunate in having our dance hall completely air-conditioned. Come out and enjoy "cool" dancing with the WESTERN CUTTERS!

ALL CLUBS, PLEASE NOTE: In recognition of the untiring and devoted service performed for the past several years by the editors of the GR PEVINE, Bill and Ruth Fleshman, the WESTERN CUTTERS has unanimously passed a resolution that from now and henceforth, they are invited to be our honorary guests, free and without charge, to all dances that the WESTERN CUTTERS may hold. This, admittedly, is only a token of appreciation sincerely held by the members of this club for the Fleshmans. Also, this invitation is extended to all future editors of the GR PEVINE. It is hoped that all clubs in the Association will consider a similar resolution of gratitude.

A parting reminder: You should go to a square dance for only one reason -- to have fun!

TUESDAYS - Mandarin Athletic Club, Brady Rd.
 ANNE LAWHORNE, Caller - JOHN HANSEN, President (268-5340)

Thanks to our visitors and new members, we are having a full house of enthusiastic dancers. The Orange Park Promenaders have paid us two visits since last report in the GR PEVINE. The second visit was to retrieve their banner. We have had visitors from Merry Mixers and Friendly Frolics. Do come back soon. A big welcome to the Wimbers; we're glad you have joined us.

Our new graduates have gotten a look at the "out-yonder world" this month. Floyd and Marge Hazen, Joe Smith and law, and Johnny Robbins have visited us and called for us.

There are several couples among us who are Cuckoo. If there's any doubt, just ask us. Camp O'Leno was fun. Many of our members enjoyed the Cottontail Dance at the Beach.

Please note our flyer. Our "May-Day" Dance will be our house warming in our new club house (new to us). Two wonderful callers from other clubs and, of course, our own Lawhornes will be calling, Saturday, May 1, at 8:00 P.M.

We're planning our Knothead trip to Valdosta in May. You can see that May will not

be a dull month for us. Just a reminder that our covered-dish supper and dance will not be held this fourth-Saturday, April 24, but we will be back in full swing by May's fourth Saturday. Hope you will join us then.

FRIENDLY FROLICS

1st & 3rd SATURDAYS - Philips Hiway Plaza -
HERSCHELL LEE, Caller - GEORGE STANTON,
President (725-0375)

Hey, you all! Here 'tis again, time for another GRAPEVINE report, and I'm late again. Things have really been jumpin' this month. It's hard to keep up with it all.

We've moved again -- still at the Philips Hiway Plaza but in another hall. We are a couple of doors left of the Rexall Drugstore. The hall is not as wide as before, but it is nice and cool. Come visit us.

A square of Friendly Frolickers visited Western Cutters March 27 to retrieve our flag, and really enjoyed ourselves. We just missed the covered-dish supper but had a great time dancing with these nice folks. Their skit was "something else." They had a visiting square from "Corn-Cob, Tennessee" that really knew how to dance. You've never seen dancers Spin-the-top and Wheel-and-Deal as they did. We look forward to visiting them again real soon.

Our May 3 dance was a real swinger. We had about 11 squares of dancers and really enjoyed all the visitors. Paxon Prancers captured our flag -- we're sorry we didn't have the finishing touches on our new flag for them, but we will visit them real soon to get our old flag back, and they can have our new one next time.

Pat Johnson and Don Smith really did a beautiful job on our new flag. They deserve a big vote of thanks; it looks real pretty.

On May 3 a square of our club members traveled to Savannah, Georgia, to hear Joe Lewis. They were Doug and Helen Crout, Eddie and Vera Edge, Joe and Delores Early, Roger and Jean Taylor, and Sam Webb. We missed them at our club dance but hear they had a wonderful time.

Say, did you people notice those lovely "ladies" at our April 17 dance??? Our Miss Friendly Frolics Beauty Pageant was a real success. Ten men dressed as beauty contestants in ladies' evening clothes to compete for the crown of Miss Friendly Frolics 1965. The entries were: Graham Barley, Earl Brandt, Eddie Edge, Eddie Bowman, Sonny Gales, Tom Hidding, Gene Johnson, Tom Reed, Don Smith and Bill Willis. They all did a good job and

really deserve credit for being such good sports. Gene Johnson was really surprised when he was selected "Miss Friendly Frolics 1965." Our reigning queen, George Stanton, was on hand to crown our new queen. Sonny Gales was selected first runner-up, Eddie Edge second runner-up, and Don Smith third runner-up. The winner received a ticket to attend all club dances free for one year. Other prizes were: a Friendly Frolics belt buckle, a western tie, and a wife beater (bull whip) with a gift certificate from Leonard Saraga from Plaza Western Wear. We want to thank Leonard very much for his contribution. (We are so glad to hear that Frieda is recovering from her operation and hope they will be able to be back with us real soon. We miss both of you.) A special thanks also to our judges, Frank Clements, Phyl Reynolds from Western Cutters, Tom Johnson visiting us from Wisconsin, and Stella Anderson. It was a tough job, but everyone agreed whole-heartedly with their selections. The song at the close of the pageant was written by our own Lois Stanton. We think she did such a swell job we would like to print the words.

MISS FRIENDLY FROLICS

Miss Friendly Frolics you're lovely,
Such beauty, charm and grace,
From the quaint little curl on your forehead
To the beard upon your face.

May you always remember
This moment of gladness
That crowns you in glory
Is nothing but madness.

Miss Friendly Frolics you're lovely
In a most unconventional way,
In a most unconventional way.

We all hope all of you enjoyed this pageant and remember us next year. Congratulations to all the winners.

ALL FRIENDLY FROLICS MEMBERS - At our April 17 dance our club voted to go to Fernandina for the week-end of May 15. This is a regular club dance night so our dance will be cancelled. All the details will be given at our May 1 dance, and you may sign up for the trip and menu at that time. Sure hope you all can make it; we have lots of fun. You may call any of the officers after May 1 for more information. May 1 will also be election of officers for the coming year.
DON'T MISS THIS DANCE.

One more reminder -- our next business meeting will be May 8.

TUESDAYS - Gainesville Recreation Center -

We had a real good crowd at the dance when Joe Lewis called. Some of our own dancers who have been away were back, as well as guests from Swinging Squares and the 441 Club. Virgil and Elsie Green of Jacksonville were among the out-of-towners. Following the dance, Joe Lewis entertained us with his accordion.

We surely will miss Connie and Luther Sheldon when they move to Jacksonville after school is out in June, but some club in Jacksonville will be gaining two good dancers.

An announcement was read during one of our dances to the effect that Jane and Sandy Durrell are the parents of a baby daughter. The Durrells have moved from our area, but we like to keep in touch.

The big event this month for our club was the Hoedown at Camp O'Leno. It was well attended, the weather was fine, and a good time was had by all. Some lost sleep because of some of the antics of others (such is camp life when you have badges being "earned"). However, they seemed to be in the "swing" when the dancing started the following morning.

Can you imagine a "Five O'clock Surprise"? Well, it happened, and from what I hear they are going to be wearing badges to prove it.

Caller Floyd Hazen, who couldn't attend because of illness, was missed. We wish you a speedy recovery, Floyd. Everyone enjoyed the calling of Dick Gonzales and Walt Knight. The dancers enjoyed the calls of some other visitors: Mr. Eglekraut from Clearwater, Eddie Millan, and Sam Webb.

The campers celebrated Bill Skiles' birthday Saturday night. Mr. Bill, are you really seventy-five?

If you were at Camp O'Leno, you can think of a lot of things you wish I would mention, but I was unable to attend and missed out on all the fun, news, the badges, and all. For those of us who missed out -- Good News! Another hoedown is planned for September 25-

26. Those who went this time, I know, will want to go again. So many people have expressed this desire, so Forrest Addington booked this fall date. The camp is beautiful then.

We enjoyed all visitors at our Open House. All of you come back real soon. Bill Camp visited us April 8, and everyone enjoyed dancing to his calling.

Our talented Dot Knight has added another accomplishment to her long list. She is a milliner of note, winning a first prize for the hat she "created" at the Cottontail Dance at the Seaside Squares.

The people who will serve on the nominating committee to present a slate of officers for our club are: Gus and Helen Kuser, Myrtle and George Smith, Julia and Bruce Yongue.

Helen Kuser and Bob Ross celebrate their birthdays this month. Congratulations, you two. You don't look a day older.

Something to think on -- "...Enthusiasm is the sparkle in your eye, it is the swing in your gait, the grip of your hand, the irresistible surge of your will and your energy to execute your ideas." (Quote from Ford's Fireplace Motts.)

See you around the square.

The ROUNDLEERS have been very busy going into their second year as a round-dance club. March 24, 1965, we had our annual election with the following folks as new officers:

- Pres. - Ed Criminger, Jubilcers
- V. Pres. - Sam Webb, Friendly Frolics
- Secy-Treas. - Helen Crout, Friendly Frolics
- Reporters - Anne Turner, Western Cutters

We are very grateful to Ruth and Bill Fleshman for again accepting the "BIG" job of program chairman. All members of the ROUNDLEERS wish to express their appreciation to the outgoing board. They were as follows:

- Pres. - Carl Graeff
- V. Pres. - Jay Carter
- Secy-Treas. - Jane Nolan
- Reporter - Rose Law

Thanks, gang; you really did a swell job.

We are moving full-speed ahead with new rounds. Our latest is WHISPERING being taught by Ed and Evelyn Criminger. It's a snappy one and cute as pie. Our review on CAPE COD WALTZ continues under the instruction of Carl and Betty Graeff.

New rounds on our list are SAN JUAN (April

ROUNDLEERS (Cont'd)

Bow & Swing), SUGAR LIPS, and RUBY ANN. Last but not least, "THE TANGO." Gang, you don't know what you missed Wednesday, April 14. Jay Carter, Jack and Gladys Griffiths drilled those present in basic tango steps. What an enjoyable evening! Yes, I remember, stay off those toes, Anne; but it's not too easy. Folks, as you can see, we aren't letting spring fever stop us.

ROUNDLEERS ladies, get out your green skirts; we are going back to Wesley Manor for dinner and to dance for our senior citizens on May 5.

It is surely nice to see Pete and Barbara Petersen's name back on our membership list. We would like to see yours!!! For information call our president 724-7014.

Since I have been out of town for the last two months, I really don't know a whole lot of what has been going on around the square-dance circuit.

A few couples from our club went up to Savannah for their spring roundup and really had a good time. We met a lot of nice dancers from the Savannah area and saw many friends and familiar faces from around home there also. We really enjoyed the different callers that they had, and especially the calling and accordion playing of Joe Lewis.

The Grand Slammers came out to visit us one night and stole our flag. I hope they had a good time and will come back out to see us often. We had a good group of dancers go out and retrieve our flag. They say that they really enjoyed themselves.

We went out and stole the Star Lite Shufflers' flag one night and had a good time. We have been looking for them to come out to visit us so they might get it back. Come on, Shufflers!

At our Annual Cottontail dance the other night we really had a ball. It was the biggest and best dance that we have ever had. We had 135 dancers present. I think that about every club in the area was represented and a few from up around Valdosta, Georgia. Come back and see us everyone.

We really enjoyed the variety of dances that the different callers present put us through. It was the first time for us in the new building, and it was real nice.

There were a lot of people with the hats that they had made to get their Cottontail badge. There were some real pretty hats. You just couldn't begin to describe any of them. There were hats of all sizes and descriptions. Thanks to everyone who participated. Dick Schaughency won the prize for the most original, Dpt Knight for the prettiest, Virginia Crout for the best child's hat, and Roger Taylor for the silliest. I hope everyone had a good time and will come back to see us soon.

Well, folks, I guess that is about all the news for this month. I'll try to stay around town for a while and have more news next month.

SWAN SONG

In this, our forty-third and final issue of the GR PEVINE, we wish to express our appreciation to the many people who helped to make our task easier. Since our first issue, this Northeast-Florida-Square-Dancers-Association monthly bulletin has grown from three pages with a circulation of 200 to twelve pages with a circulation of 490. This is a very good indication of the growth of square dancing in our area, and we hope that this monthly paper of club news helped to stimulate this growth. We want especially to thank the following:

THE CLUB REPORTERS for their very fine news articles of square-dance activities in our area, and for their faithfulness and promptness in sending in news.

THE ADVERTISERS for supporting the paper with their ads. We hope that they have benefited in return.

"JUDGE" AND FRED A SISSON for taking over the publication of the GR PEVINE and who, we believe, will give you an even better GR PEVINE. We know that you will wholeheartedly support them in this endeavor.

And last, but not least, we thank ALL OF YOU for your many expressions of appreciation and for not making a single complaint, even when one was justified.

This has been a rewarding experience for us. Although we are very happy to be relieved of the monthly responsibility, in many ways we shall miss our job as editors of the GR PEVINE. However, we again look forward to receiving it in the mail each month and to "squaring up" with all you GR PEVINE readers for many years to come.

FLORIDA STATE SQUARE DANCE CONVENTION

You have undoubtedly been seeing many orange "early bird" ribbons being worn in this area, denoting that the wearer is registered for the State Square Dance Convention to be held in Curtis Hixon Convention Hall in Tampa June 17, 18 and 19. We'd like to see more of them -- how about registering NOW? Your caller or club president should have registration forms. Here are a few facts concerning the convention:

The Floridan Motor Hotel reserving 200 rooms and the Sheraton-Tampa Motor Inn reserving 125 rooms will serve jointly as Convention Headquarters. The Tampa Terrace Hotel is also reserving rooms. (\$7 to \$15)

The square-dance programming will consist of three numbers per tip, alternating singing and patter calls with one round between each tip -- a square-dancers round with the first sequence of each dance cued.
