COUNTRY COUSINS - Huggin Bugs

Saturdays, Dinsmore Civic Center
 Caller - Walt Knight
 President - Robert & Ann Zortea

We Cousins have surely had a busy month. March 15th we ventured over to the Friendly Frolics and got their banner. They didn't even let it cool off and Whamo! they got it back the following Saturday night. We were all very glad that they came over because they helped us earn the Huggin Bug pin.

April 5th Buzz Ruis came visiting our way and called a few tips for us. By this time we had received our Huggin Bug pins and were proudly wearing them.

Walt has really been working with us to get us ready for Camp O'Leno. We have really been learning new steps lately.

Hey! I bet you didn't know we have a prospective new caller among our group. Robert Zortea, our President, is really doing a great job on Riverboat and a few others. We all enjoy his calling and hope he goes far with it.

April 12th Walt had a reunion to attend so D. J. Lynch came out and called for us. He also taught us a few new tips, thank you D.J. We sure enjoyed it and appreciate you coming all the way out.

We had a couple visiting us all the way from New Hampshire, Wilford and Laura Begin. They liked Jacksonville so much they are planning to move down here permanently in November. They ordered their Rover badge

from our club which they feel well earned. They brought us a miniature banner from their club, The Granite Chips, which we will proudly display in our club.

Don't forget our new classes beginning May 3rd which we will kick off the night with a big covered dish supper for everyone.

JUBILEERS - Pillmore's celebrating 25th
Wedding Anniversary.

2nd & 4th Saturday, Arlington Congregational
Church.

Caller - Harold Pillmore

President - Harvey & Gloria Chambers (724-9014)

When my "better-half" left last week on a trip for Uncle Sam, I figured that I'd have it made for a couple of weeks. Well, I did fine until someone reminded me that as the Secretary's Taw, I had to meet the Grapevine deadline. I've been shook up ever since, but here goes!

We've had a lot of nice visitors at our regular dances (2nd & 4th Saturdays) and Harold Pillmore has been receiving some real able assistance from Dick Goedart. There're both top notch callers in our opinion.

The covered dish supper on Friday the 11th was out of this world. In fact, the Jubileers that are weight watcher members (skinny club) all took a giant step backward. If we have any more meals like that, they'll all be WWdropouts.

A whole bunch of the Jubileers "barged" into Harold and Pete Pillmore's home on April 14th with a surprise cake in celebration of Harold and Pete's 25th wedding anniversary. By now they are in Nassau for a well deserved vacation. Since the golf clubs went along, there'll be no second honeymoon.

We were very sorry to learn that Alma Roberts sister has passed away. Alma knows she has our love and sympathy at this time.

On the happier side, it looks as if Harvey Chamber's ordeal with throat surgery was a success. We'd like to think that our prayers helped a little bit. Believe it or not, Harvey, we love you.

Foremost on our minds right now is this years outing to Camp Imokalee. We'll have more about this in the next issue.

Come and dance with the Jubileers! You're always welcome!

Helen Stinnett - Secretary

FRIENDLY FROLICS plan family outing May 10th

1st & 3rd Saturdays, Philips Highway Plaza

Caller - Bobby Keefe

President - Don & Bea Smith (725-1504)

First we'd like to welcome Richard and Trudie Patrick and Bud and Edith Reisen as our newest members to the club. We're so glad to have you.

Our annual Mis Friendly Frolics Contest on April 5 was really spectacular! I'm sure all of you who were there will agree this

was one of the best displays of beauty(?) and talent we have had since the beginning of this special tribute to the lovely Venus's in our midst. We would like to point out that all seven contestants were volunteers of our latest class. They were all just great and our judges certainly had a task to pick the winners. Their final decisions: Jack Botterbusch, Mis Behave, was chosen Mis Friendly Frolics for 1969; Ed Harvey, Mis Deed, first runner-up; and Carroll Dallmann, Mis Belief, second runner-up. President Don Smith, our last year's winner, still looked good too, as he gave a repeat performance of his winning dance. We would like to give much of the credit for the success of the show to Herman Ibach for his help in setting up this program, his counseling of the contestants, and for the magnificent job of MC'ing the complete show. A great deal of time and effort was spent to accomplish such a successful program. Many thanks, Herman.

April 5 was really a memorable evening. Our Bill Skiles was honored with a birthday cake celebrating his 77th birthday! We hope you enjoy many more years of good health, Bill.

Everyone was delighted to see Hugh and Faith Butner who dropped in to visit and to see the contest. Take care of yourself, Hugh, and mind the doctor's orders so you'll be "all the way well" soon and can dance with us again. Also, as convalescing member-visitors, we were delighted to have Les and Jane Spring.

Good to have Barbara and Tom Holt back after their bout with the "Far East" flu bug.

Our sincere sympathies to Eddie Bowman whose mother passed away recently and to Vera Edge whose brother passed away early this month. We're certainly going to miss Eddie at our dances for awhile. He's being transferred to Palm Beach for several months, but we hope he can make it back up here for some of our dances.

Four couples of us from Friendly Frolics journeyed over to Tallahassee on April 12 and danced with the Tallahassee Twirlers and Johnny Everett's calling. Don't think we've ever been treated so royally. Made us feel so welcome. We sincerely hope we will have the opportunity to return their hospitality soon.

If any of you haven't attended our new class on Thursday nights, you should make it a point to do so. You'll be amazed at what these folks hve learned in so short time.

All you club members--don't forget our family outing Saturday, May 10, at Burnett Park in Mandarin. We'll have some games, races, etcl starting about 3:00 P.M. Seals McCarty is planning these activities and he has some real fun games in store. We'll

top off the afternoon with a barbecue supper. Mmm--let's not miss this!

Also, club members, mark May 28 on your calendars now to attend our next business meeting. We want an even larger representation than we had at the March meeting.

Would like to mention right here a couple of items that were motioned and passed at our last meeting. We will have at our dances one specified tip designated for any visiting caller. This will be the first tip after refreshments. All other calling will be done by our club caller or his substitute. The other item--a decision was agreed on to continue charging \$1.50 per couple to attend our regular dances even though admission may be increased by some of the other clubs.

That's all, Folks, til next month.

WESTERN CUTTERS purple invasion may come anytime.

2nd & 4th Saturday, Mary Hammond Youth Center
Caller - John Saunders and Guest Callers
President - David & Claudia Fitzsimmons
(384-4162)

Yes siree! Just like we had heard--Danny Robinson does have the fastest drawl, and is a mighty fine caller. Sorry our #1 Double Decker had to miss that evening. But he won't miss any more! 'Cause there will be no more night work! In fact, that was the last one! AMEN.

March 29--a date to remember. A fast-moving and enjoyable evening with Jack Lasry. And I'm sure we'll not be forgetting the "Curlique".

Our many stolen banners have dwindled down to two---so time to start out all over again, so all you clubs get ready for the PURPLE INVASION, when we Western Cutters come to get your banners for a spell. It has been a pleasure having all you folk coming a 'Visiting us to get your banners back. Hope to see ya all back soon.

April 11 found a big group of Western Cutters wishing a happy birthday to our club President, David Fitzsimmons, and we feel sure that it was a surprise. Wasn't it David, huh? It took him quite a little while to open all the nice gifts he received. One present (wrapped in PURPLE paper) was a fishing tackle box, and inside was a PURPLE fishing worm! How about that? Many many more happy birthdays, David. We surely all enjoyed the evening. Our "Mrs. Johnson" (Harper Valley) displayed another of "HER" many talents by entertaining us with a bit of HONKY TONK piano playing! Oh, Yeah!

At our April 12th club dance we were happy to have visitors from other clubs. Lil Tom Hidding called some real good tips, did a duet with mother Mariann, and taught us a turn and que move that proved pretty interesting. We welcomed Tom and Mariann as new members of our club. They were given their badges at intermission. They have been teaching us a bit of Round Dancing before each club dance, and if we keep up, we'll be round dancing before we know it.

All our Knotheads received their badges during refreshment time at our last dance.

Sorry to hear Pauline (?) has been in the hospital. She will be back home in a day or two and we're hoping for a speedy recovery. Look forward to having her and Mike (?) back with us square dancing real soon. Glad to hear Anne Fideli has her cast off now after hobbling about for quite some time. We've been missing them at the dances.

May 10th Ray Cunningham will be journeying up from Ocala to call for us, and on May 24th Dick Barker will be with us. Come on out and enjoy a fine evening of fun for all. Solong again until next month.

Double-Deckers, Reporters.

GRAND SLAMMERS - April Foolishness Dance a great success.

1st & 3rd Saturday, Minton Hall, 12th & St. Clair Streets (Paxon)
Caller - John Robbins
Presidents - Wayne & Barbara Blackford - temp. phone (389-7102)

If you did not make the April Foolishness dance this year, you missed the dance of the year. I noticed most all local clubs were represented and then some, a total of 15 squares danced at one time. The air conditioner was not up to par the 1st part of the evening and the parking lot was made a local gathering spot between tips. Rod Blaylock was guest caller and really put us through those calls. Was that Harold Stienmeyer hopping around in his latest Easter clothes?? I just loved that funny Easter Bunny Clown outfit he had on. The big spot of the evening was held on our newest club member, also a member of the Local Union Bunny Club they tell me, Sue Marshall.. She sure made a perfect bunny in her green satin outfit, pink and green ears and that white tail was the most. Miss Bunny strolled about passing out her goodies to the dancers during intermission. Charlie Landis of the Alamandarins got a little frog to add to his collection and yours truly received some green stamps. Towards the end of the evening two more Easter Clowns appeared in the middle of a dance. These two jokers thought they would liven things up a bit so they proceeded to mix in with the dancers spraying their little cans of wet???

(I did vow not to reveal what) on all the gals legs and men's bald heads. We fixed them after the dance and gave them a little touch of the same. I hate to mention this but they tried to bribe me with some punch if I would keep their names out of the paper. That's a NO-NO..

Did you see that Don Schultz and Harold Steinmeyer try a new left alamand? They cross hands over their taws and under their own, the likes you just don't see much up anymore except in the 1st week of a square dance lesson. HO HO. That DOM (Dirty Old Man) Ed Nolan found some Walnettos and passed them out to all the women that he came in contact with. The refreshments were a delight to behold and the punch was out of this world, the strawberry was like a ice cream soda and the lime like a float. The women really out did themselves with all the sandwiches and snacks.

The winning door prize ticket, 215, was held by Harold Steinmeyer. He won a chance on an oil painting. Lets hope he now wins the painting. Mary Reed won her very own Easter Basket. Al Hynes also won an Easter Basket. Little Blonde headed Debbie Tapley was the luckiest winner to receive the prize of a hostess chip and dip set. I heard her tell her mom hands off, this is for my hope chest..

On 11 April we visited Alamandarins and got our banner back again. We sure are going to miss the Dickerson's when they leave 14 May for their new tour of duty in Memphis, Tennessee.

Mark the date of 24 May on your calendar, club members. Its the Camp Out for the YMCA weekend with the Jubileers.

Poor Harvey Chambers has taken to writing. We should all send him a care package of pencils until he is able to talk again. He is in the hospital recovering from a throat operation and restricted from talking for two weeks. It's a good thing he is not a woman or he would never make it. Right girls?? Barbara Blackford has been keeping me posted on a day by day account of her new home. They now have all the walls up, roof on, wiring being done and even running water. Wonder what they are waiting for, that's all you need isn't it?? Woe is Barb, she was taking movies step by step of the house and opened the camera to find out the film was all tangled up and ruined. Makes you want to build another house and start all over doesn't it..

Till next month I leave you with this message: The in thing is to buy an ARK...

4. SPECIAL DANCE FOR WEDNESDAYS

ROUNDLEERS: Madonna

Wednesdays, Woodstock Community Center
Class - 7:30 to 9:00 - Helen Crout, Instructor
Club Dance - 9:00 - 10:30
President - Bud and Edith Reisen

"Madonna" is an easy level waltz picked as the round dance for the month of April. Anyone wanting to learn the round of the month are welcome to come to the Roundleers on the first Wednesday of every month when it is taught, no charge.

We have elected new officers for the coming year: President, Bud Reisen; Vice Pres., Ruth Fleshman; Sec. and Treas., Pauling Shuford.

Our new basic class started off with a bang! It looks like we are going to have a very enthusiastic group and are anxious to learn. Helen Crout is the instructor.

Bill and Ruth Fleshman, Helen Crout and Jack Stevenson went traveling down to Ft. Lauderdale this month to the Round Dance Council of Florida. They are members and I know they will have a few new dances to show and teach us. Those of you who like round dancing and haven't seen or been to one of these Round Dance Council meetings is missing a beautiful sight. It sure is lovely dancing.

It is a welcome pleasure to have Fouts and Joan Reynolds and Ed and Evelyn Creminger back dancing again. Hope the other members that have been absent for a while will come back soon. You sure are missing lots of fun!

Last, but not least, we want to say "many thanks" to all you good folks who came and joined us in celebrating our 5th Birthday dance on March 19th. You made it a wonderful dance. Hope you will come back next year.

Here's wishing you smooth dancing.

E.A.R., Reporter

EDITORS NOTE: As with square dance classes it is fun to attend round dance classes. That is what is going on at Woodstock Community Center from 7:30 to 9:00 each Wednesday evening. We happened to drop in on them one night and found Helen Crout with a nice group of beginning round dancers going through some interesting paces. Some of her syncopated round dance stepping was working so fast on Ruth Fleshman that Ruth couldn't keep her feet still. That is the way it works on dancers. You just have to get in there and do a little stepping. It is a different pace than square dancing and it is a change of pace.

Theron Smith can tell you that burglars do not like or appreciate round dance music. His home was burglarized and they took a

stereo set and record player and recorder along with some records but on the floor where it had been thrown was a new record - "Steppin Lively", which is the round of the month for May. He had just received this one in the mail and the burglars opened it and quickly discarded it.

DIXIE CHAIN GANG - Just Kutting Up

2nd & 4th Saturday, Philips Highway Plaza
 Caller - Frank Clements
 President - George Stanton (725-0375)

Frank Clements is just a boy at heart, and to prove it, the Dixie Chain Gang is honoring his birthday with a "Kiddy Kut-Up Party Dance" on Saturday May 10th. All of Frank's many square dancing friends are most cordially invited to come. Costumes are optional, but in keeping with the fun and festivities being planned. So, if you too are young at heart, hop on your tricycle, pedal your way to Philips Plaza and join us in Frankies Birthday Celebration. Hey Girls, here is your chance to yellow rock one of your favorite callers.

We were honored to have at our first dance in April Dessie and Billy Bishop with Billy helping Frank with the calling. We had a nice crowd at that dance and as we all know the more dancers there are at a dance, the more fun you have. It was really a good dance.

Another special honor was paid us at that dance. We got to meet "Miss Friendly Frolics". However, it was hard to recognize him - (He) just didn't look the same! Also, we are proud to say one of the Dixie Chain Gang, who is also a member of Friendly Frolics, placed in the "Miss Friendly Frolics" contest - Carroll Dallman, came in 3rd place. I heard he was a "beaut"!

Our banner bandits, Bill and Barbara Pridgen, took a square over to Friendly Frolics and got our banner back. It looks good hanging in our hall, but we don't expect it to be there long with so many "thieves" around.

Frank and Aggie Clements escorted some of our newest members to Valdosta to make Knothead. I understand some of the women ended up driving home from Valdosta - honestly these men that can't stay awake. I can sympathize with them as the same thing happened to me.

Oh yes, we want to say how glad we were to see Dewitt and Teena Green at our last dance. Hadn't seen them in a while so here is hoping they will get back in the swing and be regular with us again.

Warren Smith had to resign as our President and our former Vice-President, George Stanton, is now leading the "Pack". Warren was "one of the best" as he was in his second term serving as our President and we greatly appreciate his leadership. Lois will be assisting George and we feel under their leadership we are going to continue having a great club. George and Lois, we're all behind you 100%.

'Til next month - Happy Square dancing.

RHYTHMAIRES have slate of new officers ready.

Tuesdays, Southside Youth Center
 7:30 early workshop, 8:00 p.m. dance
 Caller - Helen Crout
 President - Lucious Nelson

Hi! It's that time of the year again! Yep, you guessed it - election of officers. On Tuesday, April 15th, during the business meeting, the report from the nominating committee was heard, and the slate of new officers was accepted. The slate is as follows: President, Harry and Grace Radvansky; Vice Pres., Jack and Carol Wilson; Treas., Roger and Eunice Johnson; Reporter, Ada Kelly. Congratulations to all of you!

Helen Crout reports that the new beginners class of six couples is progressing nicely. We will be looking forward to their graduation. We have been missing our members who have been ill or otherwise, especially our newer members.

The Rhythmairs enjoyed the Bruce Johnson Dance at Joseph Lee Center.

For those of you who really like waltzes, the round of the month is a very pretty one. It is Madonna and should be one that every one would enjoy doing.

We are still enjoying Green Alligators, Stolen Two-Step, Rockin' Ida, Dancing Shadows, and Too Many Chiefs.

Since the spring weather has arrived, several of our members have gotten the "camping fever", and have enjoyed week-ends at various parks. Doris and Jack Shuler will participate in the Camp O'Leno week end, Joe and Wanda McMath are planning a summer long trip to parts unknown.

I've enjoyed writing this column for the past several months and would like to wish my successor "lots of luck".

Eunice Johnson, Reporter

JOSEPH LEE CENTER DANCE - Come brush up and shape up - confess-

Tuesdays, Joseph Lee Recreation Center, 42nd and Perry St., Next to Pearl Plaza
Caller - Bill Camp (388-3889)

The real treat for April was to have Bruce Johnson, Santa Barbara, California, call a dance for a full hall of happy square dancers. Bruce soon showed us why he is the third most wanted caller in the nation.

If you have not learned the square dance round of the quarter, Green Alligators, and would like to, we will teach it again Tuesday, 7:45 to 8p.m., before the dance.

Most winter classes are graduated and in the clubs now and are having a ball dancing. The things the new graduate learned in class he is now using them. Now is the season for square dance weekend attractions, all kinds of club activity, visiting other clubs, also National and State Conventions. Are you ready for these and other activities that are so much fun? Are you having trouble with some basic that you should know? Maybe you did miss just one night of the Learners class and that was the night they taught spin chain through, catch all eight, suzy Q, some allemande break, or square the barge. If you have a worry on some basic, don't let it bug you. Why not come to Joseph Lee Center on any Tuesday, 8 to 10:15p.m. and let us take a good look at this basic and be sure you can dance it. You may not know, but the Tuesday dance is a good workshop for a lot of dancers. If we can help and you like fun, come on Tuesday night. This is an open dance you can always come back to.

Bill Camp

FUN & FROLIC - Busy entertaining others

Tuesdays, Woodstock Community Center
Caller - Jack Griffiths
President - Jim Mollenhour

This has been a very busy month for Fun & Frolickers. On April 1st we cancelled our own dance and went in a group to dance to the wonderful calling of Bruce Johnson over at Joseph Lee Center.

On Wednesday, April 16th, a group of us went to Duval Medical Centers Memorial Unit to entertain the mental patients. This was a most rewarding experience and they are a most appreciative audience. One of the patients, Bill Berkley, wrote a poem of welcome to us, and we want you to share it with us. It is entitled "Welcome Anyway!"

We're glad you came to entertain with the dances you've prepared -
We'll show our appreciation by applauding when you're squared.

We really envy you for the talent you possess
Though most of us could do it, we really must

We'll listen to the music and watch you dance
For heaven knows we'd like to join you if only we had the chance -

So once again Thank You for dancing your way into every heart,
And we promise to remember you even when we have to part -

And if you're ever back this way-
Please do drop out then,
And if you're not even dancing still
You're welcome to come on in.

They made us feel like they meant every word, and we hope to go back again one day.

The following day we were guests of the IBM club for a one night stand. Jack put the IBM employees and their wives and husbands through their paces. We squared up with them and had a terrific time remembering our beginners days! We especially enjoyed being with a swell bunch of folks. Hope some of them will become square dancers.

We were very happy to see Hugh Butner at our anniversary dance even if he just had to sit on the sidelines. He couldn't eat any of that delicious spaghetti either but there were plenty of hungry mouths to eat that up. Come back again soon Hugh and Faith.

Wonder what was going on in the kitchen the other night with Jim Mollenhour and Catherine Montean. They sure looked chummy and very engrossed in something. We could not even get them on the dance floor. I think it's time for Lakue Mollenhour and Ray Montean to come back!

See you all at Woodstock on Tuesday evening.

CALICO SWINGERS, Salty Dogs all

2nd & 4th Sundays, Westconnett Civic Center, 105th St., just off Westconnett Blvd.
Callers - Tom & Mariann Hidding (771-6272)
President - Don Miller (771-2800)

The Calico Swingers have been wanting to do the Salty Dog Rag ever since we went to Palatka for the Hoedown Convention. Well, our wish finally came true. At our dance Mr. Danny Danson and Donna Higginbotham came in and showed everyone that wild dance. We make Mr. Hidding put on that record three to four times a night so we can really jig it up. We do want to thank Mr. Danson and Donna very much.

March 29th we got up two squares and went to the 5th Saturday dance at the Armory. We also had a blast there.

The club gave the class a party on March 30th. We found out that if the club don't watch out,

the class is going to be better than we are, so keep on your toes, Calico's, and the class too. I must say that Mr. and Mrs. Hidding are doing an excellent job with the class and they are moving along real fast.

The club was invited to the All America celebration April 3rd in downtown Jacksonville. And if anybody looked at the paper the morning of April 4th the Calico's picture was in there.

Carrie Bowen had an injury on her knee. Doctors operated and she is burdened with a cast now. Carrie is getting along fine, and the cast will come off in six weeks. We hope to soon see her back grooving with the club.

ANCIENT CITY SQUARES install new officers.

Friday, Chamber of Commerce Visitors Center
St. Augustine, Fla.
Callers - Bobby Keefe and Hal Ham
President - Charles and Carolyn Rotshaw
(824-2497)

At our April meeting new officers were installed and are as follows : President, Chub and Carolyn Robshaw; Vice Pres., Ray and Ruth Gran; Sec., Bill and Jeannette McMullen; Treas., Art and Louise Selbee. Bob Hall gratefully handed the gavel and broom to a smiling Chub and some of our exchanges were even tied with red ribbons - could be they're delighted to get rid of them.

Sam Baker graciously accepted our Special Activities Committee Chairman again and promises lots of action.

We have some sad news from our caller Hal Ham from Daytona. Seems he will be out of action for an indefinite time due to his bad accident last fall. Hal and Marge should buy stock in the Ormond Beach Memorial Hospital. It's been like a second home for them lately. We miss you folks more than you know and are anxiously awaiting some good word, like "we're coming back".

Our other caller, Bobby Keefe, has been on the road a bit lately. Understand those Tennessee folks treated him like royalty. We enjoyed the calling of Harold Pillmore while he was gone. Guess Phyllis and Bobby are afraid to bring their little one back to visit us again - never saw so many willing baby sitters.

The Easter Week Dance was a real success and thank all you nice visitors for coming. Sure was good to have you and we are looking forward to it again next year. Also, the Wally Byam Caravaners livened up our crowd for a few nights and we certainly enjoyed dancing with them at the Fairgrounds. They are a real inspiration to square dancers,

so polite and lively, oh man!

We've enjoyed a lot of visitors from all over this month and done a bit of visiting ourselves. Sam Baker promises some banner stealing trips soon - so just say the word and we're ready.

We wish to extend our sympathy to Josie Price whose father passed away recently. Miss you Josie and hope you and Elery will soon be back with us.

I'm sure I've overlooked something of vital importance, but since this is my first attempt at being literary - maybe they will give me another chance.

ALLEMANDERINS - Please let your reporters in on a few things! - HELP!

Fridays, Philips Highway Plaza
Callers - 1st, 3rd & 5th Friday, John Robbins
2nd & 4th Friday, John Saunders
President - Bill & Barbara Lucas

Well, this month we send congratulations to Mr. and Mrs. John Saunders on their wedding anniversary. John will take a Friday night off this month. Johnnie Robbins will call for him on that night.

Our April Foolishness dance, co-sponsored with the Grand Slammers was a huge success. We even had our own Bunny imported from a Miami Playboy Club, so I hear.

Our new class is progressing nicely. We always seem to do so well under Johnnie Robbins instruction. There goes our partiality showing again.

We have had squares just running all over different places dancing. Gainesville was a highlight of the past month. A rip roaring time was had by all.

I understand we have had squares out trying to both steal and retrieve banners. No one has told me of their success. Please let us in on these news items. We have been delinquent dancers lately, so you folks will have to let us know in order to pass it on.

A business meeting will be held after the deadline of this issue at which we are going to discuss the future of the Allemandarin stomping grounds. We'll give you more on this next month.

A SPECIAL APPEAL

We are appealing to each club reporter to give us some news if you want your club to get into the paper. It is good publicity for each club to do this even if it is just a short, interesting news article. Surely vacations haven't started yet and there certainly have been plenty of things happening in each club. Every officer of each club should check each month with the reporter to make sure they have or are planning to send in a report. Reporters too, should try to attend dances or have a special delegate to report the news back to them.

Also, if you know of people in your club who are not subscribers to the Grapevine, and we know there are plenty, please get them interested in it and have them subscribe. We would be glad to send subscription blanks. Everyone of your members should know what is going on in his club and in other clubs. We try to print all the news available and a little extra too.

Marge and Ray

CALLERS AVAILABLE

You will notice we have two additions to our "Callers Available" column this month. Both are well known to dancers all over the country. Jack Livingston called at two clubs in Jacksonville this past February. He is a very versatile caller, keeping up on all the latest square dance figures. He calls at workshops, camps, festivals, caller clinics and special events.

Louis Calhoun is a former recreation director at Fontana Village. We have danced to his calling there and other places and can say his personality and calling will please and entertain any square dancer. His availability is limited now in July as he says he has Fridays and Saturday nights filled but still has open the week nights and Sundays.

If you don't want
a new Volkswagen
we'll sell you a used one.

In fact, the next best thing
to a new VW is one of our
used ones.

It's passed our 16-point in-
spection. And anything that
needed fixing has been fixed.

That's why we can guar-
antee the free repair or re-
placement of every major
working part* for 30 days or
1000 miles. Whichever comes
first.

It's what you call a 100%
guarantee.
