### JIM GALLOWAY PASSES ON TO SQUARE DANCE HEAVEN

There are always people that we cannot forget and when we learned of the passing away of Jim Galloway, Mr. Knothead himself, it was a saddened square dance world. He was a person who was always a familiar sight at the Knothead Konvention, behind the scenes, up in front or wherever he was needed. Chairman of Florida Knotheads, Inc. he had served in this capacity for many years. We owe many thanks and a debt of gratitude to Jim for the fun he has created for every person that ever attended a Knothead Konvention. The square dance world has a huge gap where Jim once stood and we are sure that Square Dance Heaven has gained a wonderful spirit. Jim will always live in all of our hearts because he made this a better place to live, work and play. To his wife, Helen Galloway, go our heartfelt sympathy of all the square dancers, Knotheads, Idiots, etc. who knew and shared in his enthusiasm for the love of square dancing.

STARLITE SHUFFLERS - Beginning to look like Knothead time again.

Thursdays, Joseph Lee Center  
Caller - James Maxey  
President - Evelyn & David Branch(733-6065)

When you read this our Camp O'Leno Hoedown will be over and I hope a big success.

We had a covered dish dinner at Joe Flynn's house. He furnished hamburgers to go with it and we really had a good time. We also attended to a lot of business setting up everything for Camp O'Leno.

We want you all to know our class members are wasting no time at all. Four couples have already made their "Die Hard Badge". Not bad for their first month, don't you think?

The ALLEMANDARINS came to retrieve their banner and celebrate an early St. Patrick day with us. Bud Hennessey made James Maxey an Honorary Irishman. He presented him with a badge and a big green Shillelagh.

We rounded up four squares of STARLITE SHUFFLERS and made off with the DIXIE CHAIN GANG's banner. Their St. Patrick's Dance was really something. You all did a beautiful job. Not many dances can boast six callers. It was real fun.

We had six couples to make Knothead. We got thirty club members together in three bus campers and went to Orlo Vista. Bill Ford

sure did some fine calling and the club members put on a Knothead initiation to be long remembered. Believe me we could not have had more fun or have been treated nicer.

The REBEL RAMBLERS retrieved their banner, and we really enjoyed having them. We want to wish them well with their new club and hope them a lot of success.

Helen Ruser is in the hospital for surgery at this time.

We want to thank our visitors for coming out to dance and welcome back anytime.

REBEL RAMBLERS - A new club is formed - Let's ALL support them

1st & 3rd Saturday, Southside Youth Center  
Caller - Johnny Robbins  
President - Elmo and Prudy Brown

I'd like to make our first entry in The Grapevine an invitation to all square dancers to come and visit us. We'll be glad to see you!

On our first Saturday dance in March, we were visited in force by the STARLITE SHUFFLERS. So many showed up we had a difficult time keeping the refreshment table in cups! But the dance was a fine success with all having a great time. The finale of the evening was, of course, the removal of our banner from the hall. Look out STARLITE SHUFFLERS! You won't keep it long. (As a matter of fact you didn't)

Well, we are new, and in the interest of brevity and a lack of copy, I'll close for this month - Y'all come.

ANCIENT CITY SQUARES - Easter Week - What a gala time!

Fridays, St. Augustine Visitors Center  
Caller - Bobby Keefe  
President - Charlie and Ruth Schoneman

I would like to report a very successful Easter Dance with James Maxey and Frank Clements calling. The dance hall was close to full with the 200 dancers and spectators.

The high stepping of the dancers on the Easter Parade Float was received by much applause by the enthusiastic crowd. Those dancing were Burney and Barbara Taylor, Carol Gross and Bill Lloyd, Joe and Wilmer Thompson, Cecil and Erma Lee Burchfield.

All members would like to welcome Lenora Thompson back after several weeks retirement with a broken arm.

On April 30 we'll be squaring up at Gilmer's Nursing Home, St. Augustine, for the entertainment of the patients.

Plans are being made for the Camp O'Leno trip on April 24-25. I'll be looking for you so all come and square up.

Well, until next time, here's wishing you good dancing.

GOLDEN ISLES SWINGERS - Club honors Charter Members

2nd, 3rd, 4th Saturdays, City Recreation Bldg., Brunswick, Georgia  
Caller - Dick Barker  
President - Vernon & Faustelle Banks  
(912/265-2522)

Since our last report to the Grapevine we have had three Club dances and been honored with a total of 48 visitors from locations as follows: Jesup, Ga. 12, Waycross 10, Atlanta 2, Woodbine 1, Dublin 2, Canada 2, Washington State 2, Penn. 2, New Jersey 2, New York 4, Texas 2 and Students 6.

Visitors are an important part of our total dance program. It would be near impossible for an uninformed observer at our dances to determine who are visitors and who are regular members. This speaks well for our dancers, and is THE reason why we continue to have out of town visitors. We do, however need to improve upon, and increase our publicity through the Chamber of Commerce, Cherokee Camp Ground, and the many Motels in The Golden Isles.

On March 30 Jimmy Moore's class graduated. From this group we have eight new club members: Ray and Margarette Kynerd, Norma and Dale Bricker, Colleen and Ray Keithcart, Joanne and Everett Zimmerman. We are delighted to have these fine dancers added to our group. Having been associated with many of our club members during the Class sessions they do not come into the Club as strangers.

Lucius and Thelma Nelson are back with us. Although Thelma isn't quite ready to join a Square we are happy that she is back in circulation.

We still have two couples who are Charter Members of our Club - Ellen and T. E. Bodie, Thelma and Lucius Nelson. As an expression of our love and appreciation these two couples have been voted a special status - Lifetime Honorary Members - and have been issued a special and unique Badge to identify their special place in the Club.

It is good to be able to report that Louise Bowers is improving and we hope that she and Bob will be back in their dancing place before long.

On April 10, while Dick was Guest Calling in

Continued - GOLDEN ISLES SWINGERS

Savannah, we were fortunate to have George Watson from Atlanta as our Guest Caller. Our largest attendance of the year was on hand to welcome George, and to enjoy a splendid evening of dancing and fellowship. We hope George will be as anxious to return as our group is to have his return when we gain need a guest Caller.

Jimmy Moore's new Class is underway at the Shrine Club. Seven plus couples have joined to date. This class is actually a Club class. Jimmy has been selected, and employed by the Club as the instructor. It is the responsibility of Club members, and our opportunity, to locate and solicit prospective dancers.

Dick Barker has two classes going, one at Nichols, Ga. and one at Jesup. Come July we should have quite a number of new dancers in our area.

Nine dancers from Waycross danced with us on April 17 and departed with our club banner. So - get ready to invade Waycross!

On Friday April 23 our club is to be featured at the Air Stream Trailer Convention on Jekyll Island. Jimmy Moore will handle the calling. Some of our Members will be at Camp O'Leno but we should have enough in town to put on a good show. Many Campers are also Square Dancers. This should provide a good opportunity to share a Square with dancers from other areas of the country.

Our regular dance of June 26 will follow our club Fish Fry on Jekyll Island. Dancing will be in the open and Dick will be at the Mike. Those who remember last year will know to bring a good appetite and a prayer - that it doesn't rain!

It is one month closer now - our July 9-10 dance! Watch the May and June editions of the Grapevine for complete details. Motel and Camp Ground reservations are already being received. July will be a rush month on Jekyll Island - if you plan to stay in a Motel or in the Camp area you'd better get on the list early. Our Flyers are being distributed from Miami to Canada, but we know that the majority of the dancers will come from Florida and Georgia - so, in addition to our local effort, let's urge all who will hear to read the Grapevine and the Bow & Swing.

I am told that the Recreation Building will be Air Conditioned for this summer! I am told that contract bids have been requested! I guess the question now is - when is summer?

DIXIE CHAIN GANG - May 22; a date to remember!  
"Stonewall Gets Pardon"

2nd & 4th Saturday, Philips Highway Plaza  
Caller - Frank Clements

President - John Tyson (249-4867)

March 27 - This past month at our regular dance we were honored with a good many visitors, and a lot of great dancing fun. Frank Clements, our regular caller was superb as always. If you haven't had the pleasure of hearing him call "Halleluia I Saw the Light" ya'all must come and be in for a big treat. The DIXIE CHAIN GANG is proud of their Caller as we prove by wearing his fan club badge. I want to thank the following guests for their presence and remember our door is always open to them all and all our other square dancing friends: Harvey and Gloria Chambers, Joe and Bette Smith - Jubileers; Theron and Bonnie Smith, Bronze and Virginia Cagle - Paxon Prancers.

April 15 - Class night is really going strong and we are real proud of our class as they are doing great. Keep up the good work as it won't be too long now before you reach your square dancing goal. Seven of our class and several club couples attended the "Beginners Hoe Down" April 16 at Forrest High sponsored by Bill Camp and his GATOR PROMENADERS. It was a great experience for all beginners, and a gay time was had by all who attended.

Our next regular dance, April 24 will be cancelled so all can attend Camp O'Leno. Frank will be helping there with the calling and we're looking forward to a bang-up week-end.

May 22 - We want all you square dancing folks to keep this date in mind. Remember last year when the PLANTATION SQUARES came to the DIXIE CHAIN GANG hall to make Knothead? Well, we are all in for a great treat again this year. Not only are they coming but the SOUTH ORLANDO SQUARES as well to make Knothead once again. Their caller, Bill Shell, also will be present and believe me, he'll keep your toes tingling and your heart pumping, for he is also one of the "greats". Let's all try to be on hand to welcome them in great square dancing form when they arrive. Plans for a really big night are under way by our entertainment committee. Also, those of you who attended last year will remember "Stonewall" our club Mascot dummy that they took back with them to Orlando. Well, old Stonewall has traveled to many square dance clubs all over the U. S. since then and has his chest loaded with all sorts of badges, pins, etc. They are bringing him home and we will sure be glad to see him again. He will be wanting to see all of you, so don't let him down. We'll be looking for a lot of squares that night. See ya'all then.

FRIENDLY FROLICS Beauty Pageant 1971

1st & 3rd Saturday, Philips Highway Plaza  
Caller - Bobby Keefe  
President - George Ephrem

I'm back as your reporter for a short time only. Needless to say Mis Friendly Frolics was a great success with girls, girls, and more girls, all of whom were beautiful. Everyone was real close to being winners and the judges had a hard job but finally came up with their choices as Larren Housel; runner up was Don Haugen. Congratulations girls!

Don Michelin came from Hollywood, Florida to give up her robe and crown. As Don was the

winner of last year (1970), Ellen came too. Sure was good to have them in our square again.

Everyone had a great time at the after party. Some had a real gay ole time.

It was good to have all the visitors at our last dance. We had many of our area clubs represented. We're always glad to see each and everyone of you. You're always welcome at our dance. Hurry back to see us again.

Our new class has started and we have a real nice group and it looks like they're gonna be great dancers. Really, even this early.

Paxon took our flag and we converged upon them to carry it home. We hope to collect a few ourselves in the coming weeks. So, you can be on the look out for us.

Get well wishes go out to Les Spring and Marian Barnes. We hope you're both feeling better soon.

If you haven't gotten your tickets for the State Convention, see George.

Everyone enjoyed seeing the Mocks on class night, April 13th. They came for a visit from Kentucky.

See you all in O'Leno.

ALLEMANDARINS out to get some Banners!

Fridays, Wolfson High School, 8 to 10:45.  
Callers - Dick Barker and Bill Bishop  
Rounds - Helen Crout  
President - Bob and Rose Walker

Our class is going great. I've said this before; if our classes keep getting bigger and bigger the ALLEMANDARINS will have the largest club around.

There is an editorial in the April issue of the Grapevine that everybody should read. Just by coincidence it is the article right beneath the ALLEMANDARIN report.

On April 3rd some of our club members made a Knothead trip to Jesup, Ga. to dance with the ALTAMAHA SWINGERS. They were great host and as a result of the trip we now have ten new Knotheads in the club. Bill Bishop did some of the calling along with Dick Barker. You know what a good dance it was with the two of them calling.

On April 8th we stole the STARLITE SHUFFLERS banner and on April 9th PAXON FRANCERS retrieved their banner. As of this writing we still have the STARLITE SHUFFLERS banner and hope to add some more to that one. We have an eager bunch in our club and they love to steal banners. LOOK OUT!!

Continued - ALLEN NDARINS

To all the other clubs in this reading area!! Watch for special surprises in store in the near future which we are sure you will enjoy.

We can never say enough about the visitors that come to dance with us. Did you ever stop and think how boring a dance would be without visitors?? We appreciate all our visitors and we know you must enjoy dancing with our nutty bunch or you wouldn't come back every week. We enjoy dancing with you. Just keep spreading the good word about our congenial club.

BARB!! This is a personal welcome back to you. I think you know how much you were missed. We all love you.

This is very important to all our members. At the May business meeting, the slate of new officers will be presented to the club to be voted on. This is a very important matter and it is important that all members be present to VOTE.

Happy Birthday this month to our callers Taw, Dessie Bishop, whose birthday is May 17th. Also John Seebacher whose birthday is May 23rd.

A personal apology to one of our new club members who graduated from our last class. Their names were left off the list in the Grapevine last month!! To Bob and Sandra Rogers, I'm sorry this happened.

WESTERN IRES all aboard for Lake Brooklyn

1st & 3rd Saturdays, Westbrooke Community Ctr. Callers - Tom and Mariann Hidding (771-6272)

This past month has been a busy one for the club. We took a trip to White Springs, and sure did enjoy ourselves. The welcome mat was sure out for us. The refreshments were so good. The Caller, Dave Seckinger, was very good. Looking forward to them visiting us. Y'all come.

We canceled our first dance last month to visit the FRIENDLY FROLICS. We are proud of our own Don Haugen as he came in second place on the beauty contest. Better luck next time Don. Sure had a laughing good time. Our class went as guests to watch and they can't wait to become dancers.

Don't forget Mariann and Tom Hidding are going to call for the week of Aug. 22-28 at INFANTINOS LODGE near Asheville, N. C. If you happen to be going that way or even plan a vacation that week go by and dance with them.

Will be looking for you at the State Convention in June. Don't miss it.

The Russell's have invited the WESTERN IRES and CALICO SWINGERS to their place at

Lake Brooklyn for the day July 5th. Sure looking forward to it. We went last year and had a ball.

Sure glad to have Mac DiLoreto back from his bout with the flu. Hope Billy Green will be over his flu bug before the next dance. Sure sorry to hear about Bob Bower's mother passing away. Our prayers and thoughts are with you Bob.

See you all at our next dance.

JOSEPH LEE CENTER DANCE - Learners Hoedown another success.

Tuesdays, Joseph Lee Center, 42nd & Perry at Pearl Plaza  
Caller - Bill Camp

We are looking forward to May 4th, the date Bruce Johnson of Santa Barbara, Calif. will be here and call a dance at the center. Bruce is a man of many talents, one of which is calling an interesting dance. We hope you are planning to be there and enjoy him-- you just shouldn't miss it.

Our thanks to the many dancers and also the City Recreation Department for making it possible for us to have some of the best callers in the country here in Jacksonville.

We review old basics and preview new ones at the center each Tuesday night, fixing them in our minds so we can dance them the next time we hear them.

Several couples have taken advantage of the free pass printed in the April issue of the Grapevine and we have reviewed basics which they requested. Are you being bugged by a basic or a movement? Maybe we can help you.

On April 6th we were glad to have a return visit by vacationing Mr. and Mrs. Russel Swift of New Jersey.

PEOPLE were there-many of them. ENTHUSIASM was there - plenty of it. AMPLE - WELL AIR-CONDITIONED space was there. FUN was had - by all. These were the ingredients of the Learners Hoedown held at Forrest High School. It was a complete success.

Be looking for YOU at Bruce Johnson dance on May 4th and at the Association dance on Saturday May 29th.

COUNTRY COUSINS have a good month.

Every Saturday, Dinsmore Civic Club  
Caller - D. J. Lynch  
President - Hershell & Anita Bessent

It's been a good month for us with birthday and anniversary celebrations of our dancers.

Our class is coming along real good and are they enthusiastic! They and a few others went to the Beginners' Hoedown and had a grand time.

If you came late to one of our dances a couple of weeks ago you would have thought you stopped by the local meeting of the town bums who just rolled off the local express. It was really our gang having a blast that night. We even had a slave and slave driver among our group.

Our club put on a demonstration for our Dinsmore Civic Club meeting last month. Every body participated and really enjoyed it.

Well, till we allemand with each other again,

this is Big "Z" and Little"z"

Hope to see you at O'Leno!

JUBILEERS - "Just Having Fun"

1st & 3rd Fridays - St. Luke's Episcopal  
Church on University Blvd., North  
Callers - Harold Pillmore and Dick Goede rt  
President - Elton & Doris Turner

Due to the fact that illness has plagued several of our members, organized visiting with other clubs has been limited, however, many of our JUBILEERS have been doing some

individual visiting and reporting that they have been having a ball.

But, everyone is about well now, and all of the clubs will see more and more of the JUBILEERS in force, that is, unless spring fever takes it's toll. The STARKLITE SHUFFLERS have had our banner for awhile, but they won't have it much longer!

We are happy to report that Harvey Chambers is doing fine after his knee operation, and although he is home now, he will be out of action for awhile.

We would like to thank the Grapevine for the Editorial in the April issue. It was "to the point" and it should make every club and club member think twice, because, we are all guilty. Incidentally, while I am at it, I would like to thank the Editors for the fine job they are doing with the GRAPEVINE. Less than one percent of the area's club members really know what a tough job they have. (Amen and thank you!)

We would like to ask the GRAPEVINE to correct the JUBILEERS dance nights listed in the directory of each issue. The correct dance nights are; 1st & 3rd Fridays. (Sorry about that and it will be corrected - Ed)

It seems as square dancing gets a little slack in the summer (because of vacations, little league, etc.) so in our next Grapevine report, we hope to announce a few things that the JUBILEERS will be doing to keep interest alive during the summer.

For our members information, the JUBILEERS officers will have a meeting on Sunday, the 25th. We will make some plans and decisions involving everyone in the club. Later, many of you will be contacted and asked to accept certain committee positions. Please try to accept when you are asked! Then, a little later, we will have a club meeting that will be raal interesting..

Thanks for listening!

BANNER STEALING RULES

(By special request and because of the many new graduates now in the clubs we are again printing this article).

We were told at our first square dance lesson that there would be few rules that we would be asked to follow; that square dancing is for fun and as long as we didn't interfere with the fun of others, there would be few restrictions. We were taught as a child that when we were visiting in the home of someone else we must respect the persons and property of that home and not do any damage.

From time to time we have published in the GRAPEVINE a copy of "rules" used in stealing banners. These were not made up by a single

Continued - Banner Stealing Rules

organization or club but by club presidents, at a time when all the clubs thought it best to have a "guide line" to follow in this banner stealing program. We are publishing these "rules" again for a guidance to your visitation programs.

1. Advance notice must be sent by the club that is going on a banner expedition to the club they intend to visit. This is to make it known that it is a club sponsored event.
2. Dual memberships are common in the area; therefore, it will be left up to the dancer involved to elect which of the clubs he will represent on any given night or visit. If he has one, the badge of the club he intends to represent should be worn.
3. Minimum of one square of visitors is needed to seize a banner.
4. Rules will apply only in the Greater Jacksonville area including Orang Park, Palm Valley and the Beaches if they so desire.
5. Banner can only be taken at a regular club dance with a club caller calling the dance, not a guest caller.
6. A club can only take one banner at a time. If it visits a club that happens to have a third club's banner in its possession, it cannot seize both banners. If the club is on a visit to reclaim its own banner, not the host club's also.
7. In order to participate, a club must own or be in the process of making a banner.

ROUND DANCE NEWS

with the ROUNDLEERS

Wenesdays, Woodstock Community Center  
Instructor - Helen Crout  
President - Bill Fleshman

Our "slave driver" instructor, Helen Crout, has her large and enthusiastic class of future round dancers looking like pros. Waltz basics are being worked on at present. It appears to this reporter that a number of good dancers will emerge from this class. Dances Helen has taught the group recently include: IT HAD TO BE YOU, DRIVING HOME, THE LOVERS SONG, and STOLEN TWO-STEP. Club members are proud of you, class.

A covered dish supper in honor of the class was enjoyed prior to the dancing on April 21st. Lots of good food was appropriately disposed of by a hungry group of dancer s eager to get on the dance floor. It was a slightly heavier class that took the floor for instruction that night. Ditto for the club members.

Four of the ROUNDLEERS attended the semi-annual convention of the Round Dance Council of Florida held in Ft. Lauderdale in March. Ruth and Bill Fleshman, Helen Crout and Buzz Ruis came home with a head full of new dances after a stimulating week end. Two of the dances learned have already been taught to the club members - LOVE MAKES THE WORLD GO ROUND and THREE A.M. Others have been demonstrated. (Can't wait to learn THE SHEIK OF ARABY)

RHYTHMAIRES had a birthday on April 13 and a number of the ROUNDLEERS enjoyed celebrating with them. The excellent calling of Bobby Keefe and rounds by Helen Crout made the celebration a real pleasurable night. We always like to dance with the friendly, fun loving RHYTHMAIRES.

Third Sunday rounds in April featured a teach on THREE A.M. Bill Fleshman had his usual excellent program. (He has a good assistant - Ruth). Visitors from the Daytona area helped make a very enjoyable afternoon.

One bit of news for club members to remember; 1st Sunday work shop has been called off for the summer months. Will pick up again in October.

Thats all,

The Hewitts, reporters

Thursdays, Mary Hammond Youth Center  
 Caller - Bob Rust  
 Prdsident - Charles & Brenda Potts (764-11466)

So this month was one of the better ones. Most of the people who have been out for a while came back and we're glad to see them dancing again. To list a few, the Milligans, Johnny Hall, Ted Cribbs and someone we haven't seen since the last time I took lessons, known as Cowboy Coval. Glad to see you back, gang.

We have been on a stealing spree, banners that is. We stole the banners of GATOR PROMENADERS, WESTERN CUTTERS, FRIENDLY FROLICS and got ours back from the ALLEMANDARINS.

The WESTERN CUTTERS and FRIENDLY FROLICS came back the night of the Flapper Dance. That was April 15th. The decorations for that dance were very original and thanks to Lex Potts for bringing his authentic Thomas A. Edison refreshments. The refreshments were delicious.

The Pangles left just April 19 for a vacation in the mountains.

Helen Crout is doing rounds for the Sadie Hawkins dance which is the 27th of May.

We'd like to thank all of our visitors for their support. Due to a misprint in last month's article I would like to make a correction -- it should be Corvette set - not Cowette set.

FUN & FROLICS - George Williams is back!

Every Monday night, Woodstock Center  
 Caller - Jack Griffiths

We are still talking about the big dance we had here with Johnny LeClare as caller. Everyone enjoyed it so much.

George Williams came and surprised us the other night. He even danced some and looks real good. He has been absent for sometime due to eye surgery. The Ferrari's brought him and we were happy to have them back again. They graduated from our last class in square dancing.

It seems good to have Gladys Griffiths back dancing with us.

We have had several visitors and they are always welcome and just wish more would come.

Our banner is back home again; we retrieved it from the WESTERN CUTTERS. We appreciate their President bringing it back personally.

They say The Fun is in the Dancing, so why not come and dance with us and have fun together.

WESTERN CUTTERS - May 20th Birthday Celebration

Saturdays, 2nd & 4th, Mary Hammond Youth Ctr.  
 Callers - 2nd Sat., Chuck Durant  
 4th Sat., Johnnie Robbins  
 President - Larry & Harriet Hedgecoth  
 (388-6655)

It has been said that the road to--(the great inferno) is paved with good intentions, and I'm inclined to believe it. As a case in point, your reporter's intentions were impeccable right up to the press deadline. Here, however, it was discovered that good intentions did not make News Print and as a result, there was much disappointment in WESTERN CUTTER circles. Furthermore, in as much as I alone, am the culprit, I can but cast myself on the mercy of the club and hope for clemency.

Seriously, fellow square dancers, time just seems to escape us a t times--as happened in this instance and I can only try to do better next time.

I'd like to take this occasion to remind everyone that our Roaring Twenties Dance, previously scheduled for May 8th has been postponed until May 20th, as a result of a pryor commitment on the part of the caller, Chuck Durant. Don't forget now: there will not be a dance on May 8th. It has been postponed. However, the additional time allowed by the postponement should be utilized to the extent that everyone will be ready and rarin to go on the new date. (May 20) Incidentally most of us know that our Roaring Twenties dance is an annual celebration of the club's birthday, but how many of you know how old the club is? Well, for the benefit of those who do not, this year marks our clubs 12th anniversary, and from the standpoint of growth and expansion, it's future looks more bright and prosperous with each passing year.

Bet you didn't know that there were thieves around, did you? Yeah man! Three and a half squares of them went over to the Southside and stole FRIENDLY FROLICS banner right out from under their nose, and more recently, some of the same bunch raided the PAXON PRANCERS hall. However, to prove the old saying that crime does not pay, that rogueish bunch from the Southside crossed the river the very next week-end, swarming over us like bees, departing only after retrieving their banner.

Getting back to a more serious vein; we want to thank everyone who contributed in anyway to the Karen Robert's fund. This applies especially to the callers Bobby Keefe, Johnnie Robbins, and Frank Clements, and Helen Crout who qued the rounds. It was a noble gesture for a very worthy cause and all of us can be justly proud of the part we played in it, small though it might appear.

Our Easter Eve dance (April 10) was attended by more than ten squares. The calling, including a couple of tips by Bobby Keefe, was superb throughout, and everyone had a wonderful time.

Continued - WESTERN CUTTERS

And finally, it is my sad duty to announce a death in the family of one of our members. Helen Fake's father passed away in Pennsylvania on April 3rd and our club extends it's deepest sympathy to her and her family.

Don't forget the special dance on May 20th at Forrest High School. Frank Bedell is calling which is a guarantee of a good dance.

GATOR PROMENADERS - Learners Hoedown big success.

Fridays, 8 p.m. Forrest High School  
Caller - Bill Camp (388-3889)  
President - Gene Wythe

We are coming to the close of a very eventful month in the life of our club. Attendance held up real well in April and we had some visitors every dance night. Not enough came from any one club to take our banner away but we did enjoy those that came just to dance.

Bill Camp and Owen Cribbs each spent a few days in the hospital in late March and early April. Bill had a bone taken out of one of his feet and is still hobbling around. Frank Clements called for us the night of April 2 while Bill was incapacitated and we enjoyed having Frank and Aggie with us. Owen Cribbs did not say what his trouble was but we assume it was not serious as he is back in fine shape now. Oh yes! and we had a wedding since our last report was written. Florence King and Jerry Brantley were married on March 26. They are back from their wedding trip and dancing as usual last Friday night. They look happy as can be.

Our Learners Hoedown last Friday night, April 16, was a huge success. We had 30 squares and 7 different callers in addition to delicious refreshments. Callers participating included Bill Camp, Don Miller, Jr., Tom and Mariann Hidding, David Seckinger from White Springs, D. J. Lynch and Bob Huffman. The White Springs caller brought his club along and they accounted for several of the 30 squares in attendance. We had all ages at the hoedown from the youngest all the way to Bill Skiles. It is worth noting here that Bill Skiles celebrated his 79th birthday right recently. Bill is still going strong and enjoying square dancing to the fullest.

We are looking forward to a big time on the night of May 28th. On that night the GATOR PROMENADERS and the WESTERN CUTTERS will join clubs and present Frank Bedell in a big night of dancing at our dance location, Forrest High School. Refreshments will be served, of course. Frank Bedell, as you know, hails from Miami and is widely known.

OCEAN WAVES TO GRADUATE CLASS

Thursdays, 7:30 to 10:00 p.m., Beach Community Center, N. 2nd St., Jax Beach

Caller - Elwood Sexton  
President - Dick & Bess Pittman (249-9792)

First things first! Mark your calendar! Everyone is invited to come and join the OCEAN WAVES on Thursday, May 20th, at the Jax Beach Community Center as they graduate their second class. Bring your law, and paw and paw and circle out to the Beach for a tip or two. Refreshments will be served.

April has been a busy month. Having been away three weeks on vacation I am finding out how much I've missed. I understand that the class has been double timing on their dancing with a party at Jim and Mary Jo's place -- and am I jealous. The group also danced a few at Gloria and Norbert's in Palm Valley.

Last week was busy as we hosted a dance at the Jax Beach Coliseum -- helping the Beaches promote 'Welcome Week' -- as well as showing the public the wholesome benefits of Square dancing. We would like to thank all the callers, too many to mention and the 'GATEWAY STARDUSTERS' for their exhibition of precision square dancing. Their coordinators, Helen Crout and Buz Ruez certainly deserve a round of applause for their efforts in promoting square dancing.

We were particularly thrilled that some of our group could attend Bill Camp's and the GATOR PROMENADERS Beginners Hoedown. Keep up the great work gang.

First prize or not the OCEAN WAVES got together two cars decorated to the hilt to publicize square dancing. We really hope this exposure, not only to our local citizens but also viewers from all over Northern Florida, will go a long way in building club membership all over our area.

Hope to see you all at the May 20th dance honoring our second class.
