Mother's Day is a celebration honoring the mother of the family, as well as motherhood, maternal bonds, and the influence of mothers in society. It is celebrated on various days in many parts of the world, most commonly in the months of March or May.

The History of Armed Forces Day on Aug. 31, 1949, Defense Secretary Louis Johnson announced the creation of an Armed Forces Day to replace separate Army, Navy and Air Force Days. The single-day celebration stemmed from the unification of the armed forces under one agency -- the Department of Defense.

Dance Club News

(For clubs that are dancing or planning to dance)

The Moose Promenaders – Jacksonville – Caller Bill Chesnut

We are now back to “almost normal” at our dances. Attendance has steadily climbed. It is nearing the dancer level of before the virus shutdown of last year. Bill Chesnut continues to offer a fun and enjoyable selection of calls for our club. In addition to square dancing, we offer Advanced lessons, line dancing and recorded rounds between tips. We begin the evening with Mainstream

dances and move to the Plus level about 8:20 pm. We would love to have you join us on a Thursday night at 7:00 pm (or 6:15 for Advance lessons). It is great to hear that most of the other Northeast Florida clubs are now open too.

Several of our dancers have registered for the national square dance conventions. We hope that a lot of our local dancers will be joining them.

Marilyn Scott of our club has setup another square dance cruise for November of this year. Details of the cruise are provided separately in this issue of the Grapevine. These cruises have been greatly enjoyed by all. This is proven by the large number of square dance cruisers who return year-after-year.

The highlight of April was our Anniversary Dance. The Moose Promenaders was founded by caller Art Wilson thirty-one years ago in the spring of 1990. We have two of the original club members still in our club today – Doris Spears and Dale Fredrickson.

We have a Pirates Ball scheduled for May 20th – please join us with your favorite pirate’s garb for an evening of fun (square dance clothes are welcome too). You might even find some buried treasure!

Don’t forget the Tabs for Tom Dance on June 10th. Club member Tom Herscha and the Square Wheels Camping Club collect tabs from aluminum beverage cans and donate them to the Shriner’s Hospitals each summer. The Shriners operate 22 hospitals nationwide where children with serious medical issues are treated without regard to their parent’s ability to pay. This is certainly a charity that can be embraced and supported by all. The pictures below are from our Tabs for Tom Dance in 2019. Bring your tabs for donation and enjoy an evening of dancing. Every donation (big or small) is welcome and appreciated.

The following pictures are from our April dances.

The Grand Squares in Gainesville, with callers Lon Ligon and Jim Duncan, are not currently dancing, but we are eagerly awaiting the time when it is safe to do so once again! We want to wish our dancers, present and past, and all our guests who have joined us before, or who plan to join us in the future, a blessed and healthy spring. Hoping you are all in good health! The Dixie Dancers in Lake City – Caller Bill Chesnut Cuers - Ralph Beekman and Ann Hadsall

The Dixie Dancers have returned to dancing!

Dixie Dancers Update

Greetings to all from Lake City and the Dixie Dancers. All is well out here in Lake City. Dancing is going great on Tuesday nights at the Teen Town Building on Stadium Road. Most evenings we have 2 squares. Ralph Beekman continues to provide us rounds via long distance with some help from Ann Hadsell.

Summertime is rapidly approaching and some of our folks have started on their summer trip. Bob and Terry Wallace are headed to Washington State for the summer to enjoy America and visit family. Others will be heading out shortly.

We enjoyed having Luther Kim dance with us and call a few tips this spring. Luther is headed back to Texas, but we hope he will return in the future. Bill Cassidy does an early tip most weeks to improve his skills. He continues to work hard at improving on his calling skills.

We dance Tuesday nights usually starting around 6:45 until 9 or 9:30. All dancers are welcome and encouraged to come out. Contact Bill Chesnut 352-256-8628 or Bob and Barbara Rosenthal at 386-365-7136 if you are coming out just to make sure we are there. Some Tuesdays' this summer we will be dark due to the travels of our members. Y'all come.

I am happy to say Seabreeze Singles Club has returned to square dancing. Our landlord, Arlington Presbyterian Church, finally has allowed us to return to use their premises to dance. During the month, we will be hosting two themed dances: **May 4 Honoring Mothers** and **May 25 Pre-Memorial Day Patriotic Dance**

Various Campgrounds

Square Wheels April Camping Weekend

The April 2021 camping weekend for the Square Wheels was held at Lake Oklawaha RV Resort in Hog Valley. We had 19 rigs and were also joined by 5 rigs from the Strawberry Travelers. There were several folks that came in a day early and enjoyed an evening of eating together and conversing around a campfire maintained by Ron Imus. It was a weekend of rainy weather, but we made the best of it and still had a great time. Throughout the day Friday the rest of the group arrived at various times and got set up. We had a bag dinner on Friday where everyone brought their own food as we ate together in the hall. We are fortunate to travel with our own caller, Bill Chesnut, and Cuer, Ann Hadsall. They were joined by Charlie Pergrossi from the Strawberry Travelers. In addition, we had other callers, Bill Cassidy and Mark Fetzer that are part of the group along with cuer Susan Snider. So there were plenty to keep us dancing. We had 5 squares on the floor for most of the weekend. The 50/50 drawing on Friday was won by Faye and Dexter Beals. The evening ended with an after party in the club house.

Saturday morning the Shirt Lady with her jeweled tee shirts and jackets provided shopping for some while the Strawberry Traveler graciously prepared and served a hot dog lunch for everyone. Saturday afternoon we had a lot going on. There was a round dancing clinic held by Ann and a square dance clinic put on by all the callers. It is amazing to learn how to perform the different calls from various positions. Those that didn't dance were busy playing games with some being very competitive. Dale

Frederickson and Pat Everett traveled to join us for the afternoon. Also, Paul and Marilyn Scott also traveled to join us for a while. On their way home they had an encounter with a "BIG BEAR". Fortunately, there wasn't any contact and each got to go their merry way unscathed. Saturday evening, we had a potluck dinner with many delicious preparations. Nobody went away hungry. The evening dance sure helped to work off dinner. The 50/50 winning went to Ann and Dan Foust. After the dance, we had to drudge through the rain to get back to our campers and hunker down for the night of rain. I commend those that acted as uber drivers to get people to and from their campers. Sunday, we had to break down in the rain, but all left knowing we had a good weekend. All are looking forward to the May camp out in Summerfield. See you there.

The Salty Bobbers – Steinhatchee – caller Charlie Pergrossi

This has been a real crazy month for the Salty Bobbers all centered around airplanes. Every year there is a big air show in Lakeland where pilots show of their skills and shop for new planes. Well, almost half of our members are pilots, and of course, they all went to the show for a week. So in their support, we cancelled both of our dances on the 13th and the 27th of April. Hope you didn't pick those days to come visit us! There are a lot of holidays in May, but all said, we are back on our normal schedule now with dances **every** week on Tuesdays for 7 to 9 PM. We sure hope to see you dancing in our squares.

NEFSARDA and the Florida Federation

Presidents Message
May 2021

April showers bring May flowers. And with the beautiful weather we're having the azaleas are blooming everywhere. Therefore, I live in Florida, the weather!

I have to admit, I was really scared during the pandemic and the year we were off for the future of square dancing. But it looks like we are coming back around. More and more clubs are opening back up. Here in Northeast, almost all our clubs are back dancing or will be back dancing soon. I know the Southeast Association will be starting to dance in a short time if they haven't started already. Dancing in the West Coast and Northwest are also dancing in some way or another. The only association I have not heard from is Central. hopefully, they will get to start dancing soon.

I do want to remind you again that the Florida Federation or any association or square dance or will never asked you to donate gift cards to any organization for any reason. This is a scam.

I would like to thank you; I was square and round Dancers for all the work and support you give to our activity I look forward to seeing you all at the 67th Florida State Square and Round dance convention in 2022.

Linda Tester, President
Florida Federation of Square Dancers

Florida Callers Association

I told it through the Grapevine, or More interesting thoughts from Melrose.

April showers are bringing us May flowers, an exciting time of the year for re-birth and new growth. As callers I hope we are thinking ahead to new classes and exciting dances in the near future. There

have been several releases of new music for squares. Be thinking ahead and look for the opportunities that will come after Covid.

And speaking of opportunities soon, the NEFSARDA Fall Festival is all set. You may want to know who the featured callers and cuers are. I am proud to announce that you can be if you want. We will be using the Gateway and Rural callers and guests for Friday evening, Saturday afternoon and Saturday night. If you want to participate, send me an email. Billchesnut4@gmail.com. The chairladies are excited to get dancing started again and would love to have all involved. There will be a separate "A" hall this year with advanced dancing all weekend. Sign up to come join us.

I am really happy that more clubs are opening in our area. Welcome back to the Sea Breeze singles and caller Jim Cosman. The Quarter Mores and Bobby Keefe are set to reopen soon. I am looking forward to hearing about more in the near future.

For all callers, the FCA annual clinic is taking place October 15th and 16th with clinician Bill Harrison. Steve Kopman was scheduled for this year but will do the 2022 clinic instead. The FCA meeting will be on Sunday the 17th following the clinic. All information is on the FCA website, floridacallersassn.org.

Looking ahead as well, the National Convention in Jackson, MS in June is still on. The Florida State Square and Round Dance Convention is finally set for March 18 & 19, 2022. The convention will be back at the beautiful Ocean Center in Daytona Beach. Room info and registration forms will be out shortly.

As I have gotten used to telling people, if you feel like going dancing, come on out. If you are not ready, wait until you are. If you feel bad please stay home.

We will be watching for you in a square..

The Florida State Square and Round Dance Convention Lighthouse News

LIGHTHOUSES #29 thru #32

Smith Shoal Light, Northwest Passage Lighthouse
Sanibel Island Lighthouse, Charlotte Harbor Lighthouse

#29 Smith Shoal Light: Little is known about this Lighthouse except it was constructed in 1933 and was built to be unmanned. It is one of the screw-pile lighthouses which stands approximately only 54 feet high. Smith Shoal is northwest of Key West and a long way from anything. It is still in service today.

#30 Northwest Passage Lighthouse: This Lighthouse was delayed being built because of yellow fever among the workers and by unpredictable hard storms. This lighthouse finally was completed in 1855, but the lighthouse was plagued from the very beginning by fires and by a myriad of hurricanes and, of course, the usual wood rot. It was finally deactivated in 1921, 50 years before another big fire finished burning what was left from all the previous devastation. It no longer exists.

#31 Sanibel Island Lighthouse: This Lighthouse was written about earlier but here is a brief synopsis - - In 1833 and 1856 and again in 1877 a Lighthouse Board requested a Light be built on the island but Congress kept declining. It was not until after the Civil War that, yet another petition was submitted to Congress stating that a lighthouse would cause a big increase in trade and that boaters and travelers would be able to visit the island more easily. Finally, in 1883 Congress appropriated \$50,000 for the project and the lighthouse was final started in February and lit in August of 1884.

The lighthouse was built 112 feet above sea level with an external spiral staircase the lighthouse keeper had to climb to service the lamps. There were no provisions for a keeper to live inside the structure, but a small home was built beside the lighthouse for his needs. There have been two recorded big hurricanes that struck the lighthouse but fortunately there was minimal damage either time. The first recorded one was in 1944 where it is said that several residents and the keeper clung to the outside spiral staircase after the keepers' home was destroyed – all did survive. The second hurricane recorded was Charley in 2004 but predicted storm surges never materialized so nothing was lost.

#32 Charlotte Harbor Lighthouse: This Lighthouse was built and lit in 1890 and was a manned lighthouse until the end of World War 1 when the keeper and the assistant were dismissed. After a while, and since it was unoccupied for many, many years, it was torn down during World War 11.
