## From the Grapevine Editors

Ok, we got our first edition out in April. Thanks for the good comments we received and the negative comments we didn't hear! We enjoyed putting together the April edition and even got to learn a few techie things along the way. Who says you can't teach an old dog new tricks?

If you have any suggestions for future improvements, please let us know at [Grapevine@itrimble.com](mailto:Grapevine@itrimble.com). Every month, submissions are due by the 22<sup>nd</sup> of the month to be included in the next month's newsletter. If you submit pictures, please include the name of individuals so that people can place a name with a face.

Thanks,  
Charles and Kathy Trimble

## NEFSARDA News

As members of a North Florida square dance club, you are a member of NEFSARDA. NEFSARDA is the Northeast Florida Square and Round Dance Association. The purpose of NEFSARDA is to help support your club. They do this in many ways.

You are currently reading The Grapevine. The Grapevine's purpose is to keep dancers informed about what other clubs are doing, dancers who are not well, as well as state and national square dance activities. Kathy and Charles Trimble are the current editors of the Grapevine.

NEFSARDA has meetings quarterly on the second Sunday of January, April, July and October. The meetings last about an hour and you can usually find someone to have dinner with afterwards. This is a face-to-face or Zoom meeting that allows participants to get to know each other, exchange ideas to promote your club as well as make new friends. Each club should have a representative at these meetings. Your representative should then come back to your club and share what is going on in the area. Unfortunately, many clubs are not being represented. If you volunteer to be a club representative, you are only volunteering to communicate information about your club to the other clubs and take information back to your club. Everyone is welcome to attend.

Other ways that NEFSARDA helps your club are:

- Providing insurance for dancers and clubs.
- Your club will receive \$100 (only once per year) at your new dancer graduation.
- NEFSARDA sponsors the 5th Saturday Dances
- NEFSARDA sponsors the Fall Festival

The Moose Promenaders dance on Thursday nights at Moose Lodge 2020 on Collins Road in Jacksonville, FL. We start most evenings with an Advanced dance and workshop from 6:15 – 7PM. The real dance starts then with MS and Plus dancing. Most nights we have rounds with Susan Snider. All dancers are welcome and caller Bill Chesnut will entertain you with a story or two and some fun choreography. Come join us anytime.

The Moose are celebrating their anniversary on April 30. During their time as a square dance club, they have had two callers. Art Wilson and his wife Lucille were the founding calling couple of the Moose Promenaders in 1990. Bill Chesnut and wife Mary became the caller in 2005 when Art retired due to some voice problems. Our home since day one has been Moose Lodge 2020 on Collins Road in Jacksonville.

We learned last week of the passing of Greta Luper. Greta was an amazing woman. Perfect round and square dancer, motorcycle rider and one of the friendliest people at any event. Husband Billy is in our thoughts and prayers with the loss of this beautiful lady.

The national convention is coming to Florida in 2028 and the North East Florida dancers bought a bunch of popcorn to raise funds for the dance. I understand we bought more than any other area in the state. (Just bragging on us.) Make your plans to attend and register now for the convention and help with some of the expenses and to keep up to date with all the plans. (Maybe even volunteer to help?)

We welcome visitors every Thursday and hope you can join us in the near future.

April was another awesome month of dancing and fellowship at the High Springs Dance Club. This month's special event was "April Showers" hosted by Bertha Jackson. There were lots of raincoats, umbrellas, flowers, and summer dresses. The square dance songs included titles such as "Rhythm of the Rain", "It's Raining Men", and "There's Got To Be Rainbow Somewhere." The April Showers-themed embroidered towels door prizes were won by Penny and Randy. The "Estimation Station" had a tie with correct guesses by Penny and Ken. We had hoped this rain dance would bring showers to our area. No rain, but we were showered with laughs and great fun with friends.

In May, we are looking forward to a "Western Dance Party" hosted by Charles and Kathy Trimble. For the High Springs Dance Club, this will be like a retro dance. We are more of a modern club with newer, contemporary songs and casual dress. It will be fun to see what Western attire the dancers wear.

We are starting another series of Square Dance lessons in the first week of June. This effort is being coordinated with our sister club, the Grand Squares of Gainesville. Our marketing efforts include flyers and bookmarks, but most importantly, posting on our Facebook group. Facebook is a powerful marketing tool, and the price is right—it's free! Once the class flyer is posted on our group, it gets picked up by other what's happening type groups and High Springs Parks and Recreation.

We dance at the High Springs Civic Center off Highway 441. The dance is every Thursday night from 6:30 to 9 pm, with the first half hour dedicated to round dance lessons. The address is 23760 NW 187th Ave, High Springs, FL.

I sat in on a NEFSARDA meeting where buying square dance t-shirts was mentioned as a possible recruitment tool – like waking billboards! I bought two shirts and first time out someone stopped to ask me about Square Dancing! I challenged the dancers to ALL buy t-shirts and some of them already have them on the way! This was the T-shirt I wore to the High Springs Dance Club on Thursday night.

We have a really good caller, Bill Chesnut , who has been teaching more plus moves to our graduates including Relay the Ducey, Diamonds, Teacup Chain and Load the Boat. Bill is also working on teaching all of us which is our left hand and which is our right. Quote: "Anything you can do right-handed; you can do left-handed. Square dancing is ambidextrous." Hmmm.

The Seabreeze Club is devoted to ensuring a fun square dance set in a relaxed atmosphere of comfort and fellowship.

The Seabreeze Club certainly enjoyed the month of April as we were able to “spring” into much square dance entertainment.

Our signature dance of the month was our Earth Day celebration where we exemplified the themes of recycle, reuse, and repurpose. Once again, our Seabreeze dancers heartily participated in donating items that they no longer utilized. Then, our dancers provided new homes for them. Any items not selected, were donated to the Arlington Senior Center for the benefit of those members.

## Our Recyclers

Now let's turn our attention to May and what enjoyment lies ahead.

May 5 Double theme: Celebrating Cinco de Mayo / Honoring Mothers

May 12 Recognizing Nutty Fudge Day (who could resist?)

May 19 World Bee Day (Don't get stung by missing a great time.)

May 26 Memorial Day Patriotic Dance

A great Big Howdy to you.

The Mixed Nuts have welcomed some new dancers to begin their journey into Advanced dancing and expanded use of the Plus calls. With all the changes to the list, it is a great time to expand our horizons.

We are pleased to have Dick and Loreen back from their wintering in Arizona. And we anticipate the return of George and Alicia shortly following George's recovery from surgery.

We welcome dancers that want to find out more about the advanced side of our activity. Many dancers think Advanced dancing is serious stuff, and it can be, but a visit to the Nut's on a Monday afternoon will show you A dancing on the light side. Being comfortable with Plus makes the A dancing not quite as confusing. What is the first call on the advanced list? Circle left. There are just a bunch after that.

If you happen to be a round dancer or interested in learning rounds, Susan Snider cues rounds some evenings following the Nuts Dance.

Send an email to [billchesnut4@gmail.com](mailto:billchesnut4@gmail.com) to be included in our update list in case we need to cancel or if you just want more information.

It would be great to see you some Monday.

# Ramblings from beautiful downtown Melrose

by Bill Chesnut

I told it through the Grapevine:

Greetings to both of my faithful readers. 2026 has already been such an eventful year and we are only 1/3 of the way through. Between the friends, dancers and callers that have passed this year, and the new dancers that have joined our activity, square and round dancing continues to move ahead. Personally, Mary and I welcomed a new great grand, been cruising and looking forward to another one, and were with the family as a grandson had his first communion. Life is good. I knew Charles would do a fantastic job as our new editor and that has proven to be so. He called to tell me I was late as I was writing this.

On the square dance front, I am honored to be calling the NEFSARDA 5<sup>th</sup> Saturday dance in May. There will be a Plus workshop that Saturday morning from 10 – 12 on the new plus list and the figures moving from the advanced mainstream lists. It is not enough time to cover everything, but we will do as much as we can. Join us for a little more time dancing the new moves.

Did you know that next January there will be a pre-convention dance in Daytona in preparation for the 2028 National? You can attend and dance to some national callers, as well as some of your favorite state callers. All of the very best round dance cuers will be there and you should be as well. If you have not registered for the convention, we encourage you to do so quickly. Nationals are always fun and this will be one of the best.

Next year's state convention will be February 26 & 27, 2027, and the Trail In dance will be Thursday, February 25. The convention is at the Deltona Center again so please register and come join us. More information is available at the convention website, <https://www.dancergram.com/aa-FWS/convention/index.html>.

The complete new lists for Mainstream and Plus, as revised by Callerlab, have been released. Hopefully your caller has begun exposing these calls to you. As mentioned earlier, we will have a short workshop prior to the 5<sup>th</sup> Saturday dance. If you have an opinion on the changes to MS and Plus lists, send your comments to Callerlab at their Email: [info@callerlab.org](mailto:info@callerlab.org)

I recently was asked by one of the newer callers what I enjoyed most about calling and the dance activity. To me the answer is very simple: The people. I love the choreography and trying to move the dancers smoothly through calls and getting them back home. But mostly it is the people. Take the time to get to know the folks a little better and their world opens up for you. Yellow Rocks have slowed down a bunch since Covid, but can still be practiced safely.

There are so many of our dancers with special needs for prayers. Please remember to add a kind word for all that are going through so much. No matter the number of calls on the list, the important thing is the dancers in attendance. Let's all work to recruit and keep them dancing.
