"PRESIDENT'S SWAN SONG"

This is an open letter to people.

I had a very pleasant tenure as president right up until the last two months of my term of office; and then the roof fell in! It all came about because people have to find something to talk about when they are with each other, and a juicy rumor makes for good conversation.

In the Watts area of Los Angeles the colored people have set up an information center where a person can call to get the correct facts on a rumor that is circulating in the community. This letter will serve as the information center in my blow-up.

Rumor:
The Wixsons are having another "Grapevine" Dance so that they can get more money in their pockets.

Fact:
Publishing the "Grapevine" is a lot of hard work and truly a labor of love and really does little more than break even.

Rumor:
The Gateway Caller's Association flatly refused to call for the "Grapevine" Dance.

Fact:
The Gateway Caller's merely asked assurance that the dancers would support the dance by attending. They vividly recall last year when there were more callers in attendance than there were dancers.

Rumor:
The Gateway Caller's wanted to charge a large fee to call the dance.

Fact:
The callers asked for no money. They only wanted someone at the dance besides callers.

WHERE IS IT?

Rumor:
John Saunders called the dance for free.

Fact:
The admission charge was \$2.00 --- \$1.50 for a "Grapevine" subscription and 50¢ per couple would be paid to Saunders. (John Saunders did not get fat on what he was paid for on this dance.)

Rumor:
The Gateway Callers boycotted the dance and asked their club members to do the same.

Fact:
The Callers did not boycott the dance. Some had other commitments --- some out of town and a couple sick. This job is another labor of love and demands a lot of a person's time. As one caller stated, "You just can't get to all the dances and still be a caller."

Please, in the coming year, let's air our differences at the Association Meetings and not over a cup of coffee during refreshments at your club dance.

AMEN

Robert G. Sinn, Outgoing Pres. NEFSDA.

STARLITE SHUFFLERS -- a Tubing we will go.

Thursdays, Joseph Lee Center
Caller - James Maxey
President - Bruce & Julia Yongue (388-3798)

Gosh O Gee!!! and little jumping catfishes. These were some of the adjectives heard from about 33 members of the Starlite Shufflers and Grand Slammer group on our recent tubing party down the Ichtucknee River. Boy was it cold. We floated for about 4 hours and before we reached the end, our ends were frozen. But it was fun, even if it did reveal to us what a bright caller we have. The pick up car was parked at the bridge, but the keys were locked in another car 6 miles back down the river. Smart, smart. We even got in a little square dancing. Somebody made a quick trip to Keystone Heights and scrounged up some equipment and records. Other than the fact that the adapter for the record player was missing and the record wobbled from side to side, James did a good job and we sure appreciated his effort.

Boy, did we ever have fun at the Camp O'Leno Hoedown. There were people everywhere with enthusiasm flowing freely. The weather was just perfect, and the night was beautiful. The moon was full and a group of square dancers were wide awake. I guess that the moon was the cause of their not being able to sleep. Just too bright or something. Anyway, they roamed all night and wouldn't let anyone sleep. I just

can't understand how some people can stay awake all night. I guess next year we will just have to see about taking some sleeping pills for a chosen few.

We now have a new Miss Camp O'Leno. We had some lovely, talented ladies competing, and it was just about impossible to choose a winner. But after much deliberation, the audience finally chose Miss Coral Snake (Dave Hayes) for Miss Camp O'Leno. The two runner ups were Miss Tina, the ballerina, (Bill Keitermayer) and Miss Go Go that was gone (Elbert Cox). All the contestants were just superb and each one did their thing to the utmost. During the after party we also had an initiation for all the square dancers that were at O'Leno for the first time. This was quite a blast. Some caught on to the clue real quick, but for some of the others like Greta Coppen and Allen Dallis, it took a while longer. Also, our square dancers that won the contest for the best old fashioned night gowns at the Knothead Konvention, modeled their gowns for everyone and presented a skit. It was real good, and we just have to admit that we have a talent galore in the Starlite Shufflers. We would like to take this opportunity in behalf of our club to thank all the Callers. They did a wonderful job, and they were there ready to call to the very end. Also, to all the fine people who made our O'Leno Hoedown a huge success. We love you all and will be looking forward to seeing you in the spring. To all who participated in the Miss O'Leno Contest and in the skits, we extend to you a hearty thank you. And maybe next year if we can get enough sleeping pills for some of those night owls, everyone might just get some sleep, but this I doubt very seriously will happen.

We have in store for all interested square dancers a Whiz Bang Halloween party with costumes and all. This will be on Thursday night, October 30, at the Joseph Lee Youth Center. James Maxey, Frank Clements, and Bill Bishop will be host for the gala affair. So come in your spookiest get up and you might just win a prize. We have a couple of black cats that need good homes, so we will be pushing these as first and second prizes.

On Friday night, October 3, what started out as a nice normal Friday night turned into an unbelievable one. We went to Madison to see our favorite quarterback play football, returned home about 12:30 a.m. to find our house swarming with square dancers. Seems as though someone had the bright idea for a cuckoo party, and go to Jacksonville with that bunch of nuts in the rain and wake up everyone else. Would you believe it took us until 4:30 a.m. to get everyone awake. Then we went to Bruce and Julia Yongue's house for the cuckoo party, and boy was it cuckoo. Anyway, we got back to Macclenny and in bed at 6:00 a.m. Someone made the remark that we were going to do something different one of these weekend (such as getting a full night's sleep).

GOLDEN ISLES SWINGERS back in the news again!

2ND, 3RD, 4TH Saturday, City Recreation Bldg.
Brunswick, Ga. 8 - 11 p.m.
Caller - Dick Barker
President - Cecil Tankersley (912/265-7195)

Good news! New Members! Monika and Charlie Jones are scheduled to join us as new members following our dance of Oct. 25. They have danced with us as visitors for the past two dances and, we hope, have accepted us as much as we have them. Charlie is recently back from Vietnam and is stationed in Brunswick with the Navy. While Charlie was in Vietnam Monika made her home in the Jacksonville area - Charlie is a native of Jacksonville Beach, where his parents still reside. About June they moved to Brunswick and were quickly brought into our Square Dance activities. We are delighted to have Monika and Charlie with us.

Mike Sheppard has been out two dance nights because of surgery and will probably not be kicking high again before mid-December. We are pleased to let you know that Mike is getting along beautifully and should return home from the hospital during the week of Oct. 31.

Our good friend Bill Hill, who came to us from Waycross awhile back, is in the Brunswick hospital and not doing well. He remains in critical condition and should not have visitors. However, cards will be welcome. Hope you will soon be solidly on your feet again Bill.

After our Oct. 18 dance many of our bunch gathered at the new residence of Martha and Abe Saddler to help with a surprise "house-warming". More food, more dancing in the Sun room, and warm fellowship helped welcome Martha and Abe to the Fairway Oaks section.

For those in our area who have any interest in dancing, there is no lack of opportunity; At Brunswick College each Tuesday night Jimmy Moore has a class for beginners, and a review opportunity for those who want to "brush-up". Each Thursday night at the Recreation Center Charlie Major has the same, with the added opportunity of introduction to Round Dancing. Charlie will try to help create more interest to compliment the time which Lucius Nelson gives us at each regular dance. Then from 6:30 to 7:30 p.m., prior to each regular dance, Dick has class for the 8-12 year age group. The group size is encouraging but the blend is

out of balance - more boys needed. It is hoped that this work with the children will not only provide future Square Dancers but will also bring out, and/or back, some of our inactive dancers. If you know of any children who are interested, or if you would like to help with this good work, meet Dick at the Recreation Center at 6:30 p.m. each dance night.

The big events of interest to our area: In Waycross October 31, James Maxey will call a Halloween Dance for the Satilla Swingers. And the next night at Laura S. Walker Park, Dick Barker will be calling a Hobo Dance - the best costume wins a prize. Why not set up Camp in the park and enjoy a full weekend!

Now, how about a little help! We have many inactive dancers who were once members of our club. Also, there are in our area a number of Square Dancers who have not found their way into our midst. Some are stationed at, or connected with Glynco. Some have moved in from other communities. Many of these don't even know that we have Square Dancing available. The third group comprises the temporary visitor - passing through, visiting relatives, relaxing on one of the Islands. How do we let them know where to find us? Whom to contact? Make them feel welcome? Answer these questions for us - then pitch in to apply the answers!

ROUNDLEERS - "It had to Be You"

Wednesdays, Woodstock Park Community Center
Intermediate Class - 7:30 to 8:30 with
Helen Crout, instructor.
Club Dance - 8:30 to 10:30 p.m.
President - Bud Reisen

There is no place like home and good friends and we are glad to be back to both.

It sure looks good on Wednesday nights seeing so many couples on the floor dancing. Old and new members seem to be having a very good time. Our new members are dancing so good that we old members will have to work hard to keep up with them.

We are happy to welcome another couple to our family - Hal and Kathleen Yales.

"It Had to be You" is the square dancer's round for October. It is a very easy "Two Step" dance and fun to do, everyone should learn it and all the square dancer's rounds of each month, either at your square dance club or come over to the Roundleers on the 1st Wednesday of each month. They will teach you for free, and we would love dancing with you.

We also was taught another dance this month which is the Round Dancer's round for Oct. "All Night", it is a lovely waltz we all enjoy dancing it.

October 12th was a wonderful day for the

Continued - ROUNDLEERS

Roundoleers. We had a business meeting, dancing and a delicious cover dish supper. Boy, those Roundoleers sure can cook. Everyone seemed to enjoy everything. Let's do that again folks! The purpose for the meeting was to acquaint our new members on the history of the club and to set a quick line for future operations, also to have by-laws drawn up.

Several couples are traveling down to Cape Kennedy October 18 and 19 for the "Florida Round Dance Council Fall Festival." We all are looking forward to it because it is so much fun. Hope we can see some of you folks down there.

It is always nice to have out of town visitors come to our club. This week it was our pleasure to have Cliff and Lois Messal from Cleveland, Ohio. They are members of "Roundoleers" in Cleveland. Hope they come back again soon.

See you in the Squares and Rounds -

ANCIENT CITY SQUARES planning a "Get Acquainted Dance"
Fridays, Chamber of Commerce Visitors Center
Caller - Bobby Keefe
President - Chub and Carolyn Robshaw
(824-2497)

Well, this seems to be the "anniversary month" in our club. Ruth and Ray Gran celebrated their 27th anniversary on Oct. 18. Also, our best wishes to Hal and Marge Ham of Ormond who celebrated 21 years of wedded bliss on Oct. 10th and Bob and Grace Hall chalked up another one on that very same date. Oct. 16th was the big day for Oscar and Charlotte Irwin. Have I forgotten anyone? Hope not! By the way, it was real nice to be able to spend some time with the Hams and Oscar during the recent Beachcomber Weekend in Daytona. Good dancing, lots of fun and lovely people. Not much sleep, but then who needs that?

Understand Lee Newlon and Gilbert Jones are in Colorado hunting the "big ones". Good luck fellas and hope the weather holds. Margaret, please don't pray too hard - they don't want another blizzard like last year.

Do hope ole "Sweet Thang" Keefe is getting along alright after his recent surgery. We miss you and Phyllis - wish you would come down and visit us. We're enjoying the fine calling of Johnny Robbins (that's Martys' little brother -- oh, you didn't know?) Anyhow, he's doing a splendid job in his easy going, relaxed manner. Billy Bishop filled in for Johnnie on the 10th and they say he was in rare form. Everyone seemed to have a ball.

After Friday the 17th we are going to have

to go retrieve our banners cause they are all out. The Grand Slammers came a few weeks back and stole our red pants and then James Maxey and his crowd of Starlite Shufflers picked up our other banner. So gang, we'd better get busy.

We would just like to pass the word around that we're having a "Get Acquainted Dance" on Friday Nov. 14th for all would-be, hopeful, prospective? square dancers! Would love to have any and all visitors come help us show them what fun square dancing can be.

Our sympathy to Art Selbee who recently lost his father. We're glad to have you and Louise back with us.

Forgive us if we've overlooked anything. See you all soon, be the Lord willin'.

WESTSIDE ORANGE PARK PROMENADERS - Go-Go or Exotic Dances?

Friday nights, Westside Jaycees Bldg., 8 p.m.
1922 Lakeshore Blvd.

Caller - Bill Camp
President - Tom and Ann Darby (264-6242)

Bill has begun something extra for us. He and Nora are teaching Round Dance Basics for all those Promenaders who wish to come an hour early each Friday. We Need It!

Seems we really missed something at Camp O'Leno last month. I understand Danny's (that's Danson) Bumps and Grinds bid for Queen O'Leno was a sight to behold. Wonder if we could get an encore in costume? I will let you know the time and place.

Ed and Gloria Harscheid are back with us again and they brought proof that "she is not, anymore" -- our newest member, Robert Allen. He went through class with his mother last spring. I suppose we can forgive him for sleeping through it all since he is only nine weeks old.

Camile LaBarge confirmed suspicions--she says "Yes she is". Another new Promenader, we start them young.

Our Italian Supper was a huge success. "Mama Mia", I didn't know we had so many really good Italian cooks in our crowd. The decorations were lovely---even soft music and candle light. Sixty-five Promenaders ate too much and our dancing suffered that night--it showed.

Chris LaBarge is out of the hospital and on her feet again. She was well enough to attend our supper but the doctor says "No dancing until January", That is a terrible sentence.

Bob Frazer of the Miami Nomads paid us a visit this month as did many local dancers. We are always glad to have all of our visitors, local and out of town.

Continued - Westside Orange Park Promenaders

We made two banner trips this month. Oct. 4 two squares promenaded over to the Grand Slammers and we took six couples to visit the Starlite Shufflers on the ninth. How can we expect to keep our girlish figures when everyone has such good things to eat everywhere we go? Will power? What's that-- better walk that through!

We are real proud of our new class. We are dancing seven squares each Monday night.

Bill and Nora are getting so "hip" with all these meetings that we are thinking of holding a special drill night for us old dancers so that we can keep up! They were in Valdosta, Ga. on Oct. 4th to attend the Dixie Callers Association meeting and next Friday and Saturday they will be in West Palm Beach for the Florida Callers Clinic. Did you know that Bill is a Past President of the State Callers Association?

We are looking forward to D. J. Lynch calling while Bill and Nora are gallivanting around. He's great too!

We are expecting the Gostiés and Gouliés to pay us a visit on the 31st. There will be pumpkin pie too, but by the time you read this it will be too late for you to come-- hope you did anyway.

We are looking forward to a full November-- Thanksgiving is almost here. The cooler weather is bringing out the "Fun and Games" in all of us, so we are planning a Fall Festival. We aren't just sure what it will be but we are going to be doing what we are doing on the 5th of December. It will be fun so plan to join us.

Y-KNOTS cold, cold dance floor

Thursdays, Southside Community Center
 Caller - Frank Clements
 President - Dick and Sylvia Wren (398-1017)

From hot to cold - That's the way our club house is - never thought this crowd would ever say cut down the air conditioning but it's happened. It is truly delightful even Frank hops up and down as he calls - now we can invite everyone to come dance with us and mean it because we know you will be comfortable. Our banner is home and looks as if it has the wandering fever.

Hope everyone looks at the color and gets back from the mountains to get the old and young crowd together. Having been gone five weeks, news about everyone is scarce.

A word of advice to the men in our club - You would do well to stay on your toes, our Aggie is really competition for you. Our thanks to Starlite Shufflers for allowing us to dance with them when our air conditioning was off.

For those interested in how the September-fest at Kentucky Lake turned out - it was perfectly delightful at least for our six couples. Eight days of workshop and eight nights of dancing - wonderful people. It was quite a feat for the four callers, chairman and workers to get beginners to club level in two weeks.

By the time you read this we hope to have seen everyone at the Spook Dance on the 30th.

GATEWAY CALLERS ASSOCIATION HAPPENINGS

Gateway Callers are now working on a program of instructions for new callers. It is our desire to help anyone interested in learning to call. Scotty Thomas is chairman of a committee that is now planning the program. At this time Phyllis Horton is working with Bill Camp and Scotty Thomas, the two callers she asked to give instructions, criticisms or any beneficial suggestions.

At the previous meeting Gateway Callers voted to make Bill Bishop and R. J. Hogan full members of the Gateway Callers Association.

Also, it might be helpful if we give an explanation of how the Gateway Callers Association was organized. In December of 1967, a group of area callers decided there was a need for some kind of Association where the callers could meet regularly to exchange ideas, discuss new calls, work on new figures, etc. It was decided that there would be no officers other than a chairman who would be elected every six months. Any business concerning the Association would be conducted by the Chairman.

The name "Gateway Callers" was chosen because

Continued - GATEWAY CALLERS ASSOCIATION

all callers from this area would be welcome to join the Association. It was also decided at the first meeting that dancer problems or club problems would not be discussed at our meetings. The sole purpose of our association is to improve calling in every way possible.

It was later decided that as new members join the Association they will join as an apprentice. They will remain in this category until a 2/3 vote of the members present agree that the caller has reached the ability to call at regular dances on a steady basis. At this time the member will be advanced to a full-fledged membership. At the present time we have twenty members in the Gateway Callers Association.

At this time Gateway Callers want to explain our position concerning the Grapevine Subscription Dance. We were asked to program and call this dance. At our July meeting all members present agreed to volunteer our services to call for this dance. We so notified the editors of the Grapevine. Later other plans were made and our services were not required.

Now we have just finished programming for the Friday night dance at the Fall Round-Up. Tentative plans are also being made to call for the Toys for Tots dance and a Gateway Caller's Anniversary Dance later this year.

DIXIE CHAIN GANG - Chain Gang lines up fall program of Fun and Friendship

2nd & 14th Saturdays, 8:30 p.m., Philips Highway Plaza
 Caller - Frank Clements
 President - George Stanton(725-0375)

Oops! Your faithful DCG reporter sort of fell down on the job last month. Seems like the deadline came and went while he wasn't looking. It won't happen again, so help me left Alamande.

The Chain Gang has whipped up a Fall program that should be a beaut! We're starting off with a spaghetti supper for the club on Saturday night, Nov. 1st. So all you Chain Gangers get on your bibs, grab the kids, and come on out for it--it will be fine eating. We've got the finest chefs this side of Italy (would you believe this side of Jax Beach?). It's at the Warren Smiths, 1363 Morgana Road in Arlington.

Next on the list is this: if you haven't bought your Thanksgiving turkey yet (and who has?), DON'T do it yet. Any Chain Ganger you run into will offer you a fabulous opportunity. YOU can get your holiday bird for as little as 50¢. That's the price of a ticket for our turkey raffle. If you would rather hedge your bet a little, you can get three for a dollar.

The 18-20# turkey (from Winn-Dixie) will be presented to the winner on Sat. night, Nov. 22 at our dance. Don't miss the dance that night even if you don't need a turkey--there's lots more happening. It's the Dixie Chain Gang's 2nd Annual White Elephant Sale. There could not possibly be anywhere else in NEFSDA land that you could get a white (or pink, green, or striped) elephant as reasonably. Bargains galore! I even heard that John Tyson was going to donate his spare tire to the sale.

The peak event in the Fall lineup will be our Chain Gang Christmas Party, to be held in December (place and date to be announced). If it is half as good as last years, I'd suggest that the Chain Gangers stop eating the day before to be sure they won't stall out before the end of the meal. All in all, sounds like our Officers and their committees have been right busy.

Oh yes, the Chain Gang still does find time to dance too! Believe it or not; not only did we get our banner back from the Friendly Frolics, but we went back and stole theirs too. We're looking forward to their coming by and retrieving it. They are always a grand bunch to dance with.

Speaking of dancing, if you haven't danced to Bill Bishop yet, do so the first change you get. He and Frank Clements called together at our last dance on Oct. 11th and we had us some rompin', stompin' good tips. Go Team, Go!

Haven't had a chance to drop by the last couple of lessons that Frank is conducting with his new class but understand that he's got a pretty good group going. It's always nice to see an enthusiastic class of square dancers coming along that we can get together with.

A final note, we won't be dancing on Saturday night, November 8th. We'll be seeing you all at the Fall Round-Up instead. We'll all be looking forward to dancing with you then, so let's square up together real soon.

HAPPY DANCING

A man in a low-slung car was zooming along Interstate 95 out of Jacksonville when a State trooper stopped him and growled:

"Say, Chum, didn't you see the speed limit posted back there?"

"Sure", replied the speeder cockily. "I thought it said 95 miles an hour".

"Brother" said the trooper, "I'm sure glad I caught you before you turned onto highway 301.

"I was just reading" said Smith, "about a fellow who has been employed in this country for seven years and can't speak a word of English".

"Impossible! What is his employment?" asked Jones. "He's a train announcer at the Union Station".

1st & 3rd Saturdays, Philips Highway Plaza
Caller - Bobby Keefe
President - Herman & Janese Ibach (724-2376)

It's good to be back in circulation again.
My personal thanks to Janese and Herman
Ibach for writing last month's Grapevine
column for me. They did an excellent job!

Our club members turned out 42 strong to
attend the September 25 business meeting!
Was nice to have such good attendance. This
was also Bobby's first night of new classes.
He has two squares of very apt dancers.
Let's all make a special effort to come to
these classes and help out. It does wonders
to encourage these people and by the time
they graduate from classes they aren't
strangers at all.

We were very saddened to learn of the deaths
of two former club members and very dear
friends to most of us--Willie Gray Bowman
and Clyde Mixon. Their presence will be
sorely missed.

We're glad that Bobby is recuperating so
well from oral surgery. We do appreciate
Johnnie Robbins' help in teaching the class
and in calling for us on October 18. Thanks
John, you did a beautiful job and our large
attendance helped prove it.

Good to have George Williams back and danc-
ing again after eye surgery. We missed you

while you were ill, George.

Everybody ready for the Fall Round-Up? See
you there.

RHYTHMAIRES ROUND DANCE CLUB - Advance news:
Harvest Ball one of the best yet!

Tuesdays, Southside Youth Center (Hendricks

Instructor - Helen Crout
President - Harry Radvansky

This is truly Indian Summer with its warm
days and cool nights. Just right for our
"Harvest Ball" to be held Oct. 28th. We're
having genuine pumpkin pie and cider.

We have Joe and Wanda McMath back with us
after having been away for five weeks. They
were in New England and ended their vacatinn
by dancing for a week or so in Kentucky Lake.
That must have been a lot of fun, but we
missed them.

Hope to see Pauline and Mike Miklos and
Sherman and Jane Nolan back soon, as we miss
you too.

We were honored with out of town guests Oct.
14th, Mrs. Leone Hudson from Gay, Ga. (Thelma
Nelson's sister) and Lois and Cliff Messal
of Cleveland, Ohio. Come visit with us again.

Round of the Month for October is "It Had to

We're glad to report that our air condition unit is on again. It was broken for a week but didn't let a little thing like that stop us.

ALLEMANDARINS have a ball!

Fridays, Philips Highway Plaza, 8:30 p.m.
Callers - Dick Barker, 1st & 3rd
John Saunders, 2nd & 4th

President - Joe & Virginia Summers(733-1616)

The First Annual Gateway Diesta was; a success, a bargain, a full house, a lot of work and a ball for all!

Charlie Landiss, treasurer par-excellent, reports we made a scheckel or two, he tells us, "even if we had only broken even the first year we would have been ahead". Ten hours of dancing and workshops for only \$3.00, that is a bargain. Would you believe the first year's Fiesta represented over 1,140 man-hours of dancing? Now that's a full anybody's house.

The Allemandarins owe a lot to quite a few for all the effort represented in the final achievement, a successful Fiesta; to John Seebacker and his committee for the great program, to Rob Walker for all his lithographic efforts, to all the gals who were responsible for those great decorations, to Charlie Landiss for his ever-watchful fiscal eye, to all the club members who worked many long hours to insure the pleasure of the many who attended.

Yes, the Fiesta was a ball due largely, once more to a very few. Those few, of course, were our directors of activities and teachers of the fumble footed, our callers. Johnnie Robbins - surely at his greatest. John Saunders - up from a sick bed but at his rib-tickling best. Jack Lasry - A real boomerang, just kept bouncing back tip after tip. The Lovelaces - what a beautiful rendition of "Fiesta".

We would like to report, after 7 dances this summer at Gold Head State Park, we are now

dancing in the East Palatka Community Building.

Our Learners Hoedown will be held Saturday, Dec. 6th. This is an annual dance that dancers look forward to every year as well as learners and Callers. Most classes have had from 8 to 10 lessons or more by this date, so Callers and Dancers, get all class members together and we have one grand time. Bill Camp and all visiting callers put on a program that is a good experience for the Learners and Dancers. Make plans - The place for this dance will be TEENTOWN in Palatka.

JOSEPH LEE CENTER DANCE has lots of surprises

Tuesdays, Joseph Lee Center at 12nd & Perry, next to Pearl Plaza
Caller - Bill Camp (388-3889)

The Tuesday dance has been very interesting the past month. Of course, we can't leave out how much FUN everyone has had. This has gone along with the good dancing everyone has enjoyed.

On one Tuesday a birthday cake was slipped in before some one person arrived along with about two squares of their friends. Now they really surprised not only these people, but all the other dancers present.

As everyone who attends on Tuesday knows, we give away something to a lucky dancer. One night a package was left on the piano. When the lucky dancer opened it, to her surprise she had a pound of the prettiest breakfast bacon. This had to be from the meat man.

Just about anything does happen at this dance. All the men got \$2.00 in Green Stamps several Tuesdays, and, of course, the ladies carried them home in their pocket books.

This should be good. We would like to announce Frank Lane will call the Tuesday dance at Joseph Lee Center January 6. We are very happy to have Frank.

Everyone really enjoyed themselves at the Camp O'Leno Hoedown, as usual. We almost had a 100% club participation - lacking only a couple of couples and a few of our teenagers. We really love that wooden floor in the old building. You can stomp up a storm, which almost all of us did, because our club wasn't the last dancers on the floor as they were the last time. The calling down there is getting

greater and greater and we all seem to get tuckered out quicker. Our club occupied 4 full cabins in a row, the ones they requested, and really enjoyed themselves. Most of our members skipped out from the after dance to have a big party in one of the cabins.

We really want to commend all you Starlite Shufflers for all the hard work you go through and for the delicious meals ya'll prepare, for such a big bunch of people. It's really fantastic and amazing. Ya'll are a great club and we look forward to this big hoedown every time ya'll have it. ----- By the way, wasn't "Miss Camp O'Leno" something else!!!!

Four of our adult couples -- the Edward Bessents, Harts, McDugalds, and Higginbothams retrieved our banner from the Calico Swingers, the enthusiastic bunch of kids that dance to the calling of the Hiddings, on Sunday, Oct. 12th and reported they really had a good time. Our bunch of teenagers couldn't make it that night because of school studies and so forth. Our club really encourages family fun and love to see the younger set out there square dancing too. We hope ya'll will come to dance with us again too and our teenagers hope to make it over and dance with ya'll some Sunday night. Like I say, we enjoy dancing on wooden floors like ya'll have.

On Oct. 11th we had some of the younger set as visitors from Gainesville and really enjoyed ya'll coming to dance with us and hope you will come again real soon. We also en-

joyed the calling by one of your members. We like to see any of the younger set showing an interest in calling.

I, your reporter, attended the Saturday afternoon workshop session and night dance of the Gateway Fiesta held by the Allemandarins and really enjoyed it immensely. There was great calling by the three J's -- John Saunders, Jack Lasry, and Johnny Robbins. They taught several new figures which are a blast! The dance was held in the Armory where there are wooden floors and ---- boy, howay! Did we dance!!! The Allemandarins did a great job, were wonderful hosts, and had the place decorated really festive! Your program book was real good. The Lovelaces taught some new rounds and are they something! Magnificent dancers!

I want to remind you that we are cancelling our dance of Saturday, Nov. 8th, due to the Fall Round-Up. Marshall Flippo, the No. 1 caller in the nation (or so I hear) is guest caller that day and night, so we encourage everyone to attend, first his Saturday afternoon workshop so you can learn any new figures he might teach, then go to the "Big Dance" that night. We're really looking forward to it!

Remember, we love to have visitors and try our best to show everyone a good time, so come on out and visit us, okay?

WESTERN CUTTERS - Lots of fun in seeking!

2nd & 4th Saturdays, Mary Hammond Youth Ctr.
Guest Callers

President - David & Claudia Fitzsimmons
(384-4162)

Sept. 27th found a good group of Western Cutters and visitors dancing to Bobby Keefe's smooth and steady calling. Hope to have you back again real soon, Bobby. You always do such a swell job for us.

Those Starlite Shufflers are really to be congratulated for their grand repeat performance of their O'Leno Hoedown--which proved to be even better than ever. Their outstanding efforts were enjoyed by more than 200 folk from all around Florida and Georgia. Food galore, the after party skits were hilarious and side splitting, with the crowning of the "New Miss O'Leno 1970", topping Sunday morning activities with breakfast fit for a king was followed by Church Services with Preacher Sinn conducting. After the benediction, those who could, squared-up for table-setting time for the delicious Sunday dinner and farewell to all. Thanks, Starlite Shufflers for such a marvelous weekend of gala events. Western Cutters attending were the Beckmans, Hedgecoths, and the Double-deckers.

"Miss Ballet" of 1970 at the O'Leno Hoedown made a good showing at the "Miss O'Leno" festivities, and even though "she" didn't win the title, has joined the Round Dance class with the Westernaires. You shouldn't have any difficulties, "Rien" with the rounds, what with your ballet talents---you will have the Missus helping you on to p of that.

Our club support for our new class continues to be good, and the class progress is still great. They have gotten quite a few basics behind them already and with their abilities will be dancing with the club before we knowit.

We had visiting class members from another class Thursday evening at our class and surely enjoyed their fine fellowship. Come back Claude and Kathryn Hewitt.

Oct. 11th found quite a gang of Western Cutters at the Allemandarin Gateway Fiesta at the downtown Armory. Some went Friday night and some went Saturday night and some went to all the activities. This was surely a fine and fun-for-all festivity--everything turning out so well. The callers did a wonderful job, and the people all so friendly. The new Square Dance movements taught at the workshops sound like they will be around for awhile. Couldn't this occasion be had more often, Allemandarins?

A square of Western Cutters made their way down to Gainesville to the 441 Club Oct. 11th with banner stealing on their minds, and not only did they bring back the banner, but had a grand time to boot. These rogues were Vic and Helen Fake, Larry and Harriet Hedgecoth, Al and Shirley Blackman and Phylliss and Jesse Horton.

We are very happy to have Phylliss Horton and Shannon Poppell back square dancing with us again.

November 8 the Western Cutters dance will be cancelled for the Annual Fall Festival with Marshall Flippo. This should be a grand occasion---let's all go!

Make your square dancing plans now to come and share our fine selection of callers for the rest of this year with us. (See Special Events column).

'til next time.

THE BOLD RECREATION OF SQUARE DANCING

During the weeend of Oct. 10 and 11th the Northeast Florida area experienced a relative new idea in square dancing and let's hope it stays with us. One of our clubs, the Allemandarins, decided to put something special on for the dancers in this area, and it was special. They engaged four top notch callers from this state, and we do have a wide selection to choose from. Good dance halls to please all dancers are very rare unless you pay the price and they did. The Armory with a beautiful wooden floor is one of the most perfect floors we have in this city. Then there are all the extras that go with a project of this kind like getting up a program, sending out flyers and advertising it well not only in Florida but other states too. These little side things were all nicely arranged.

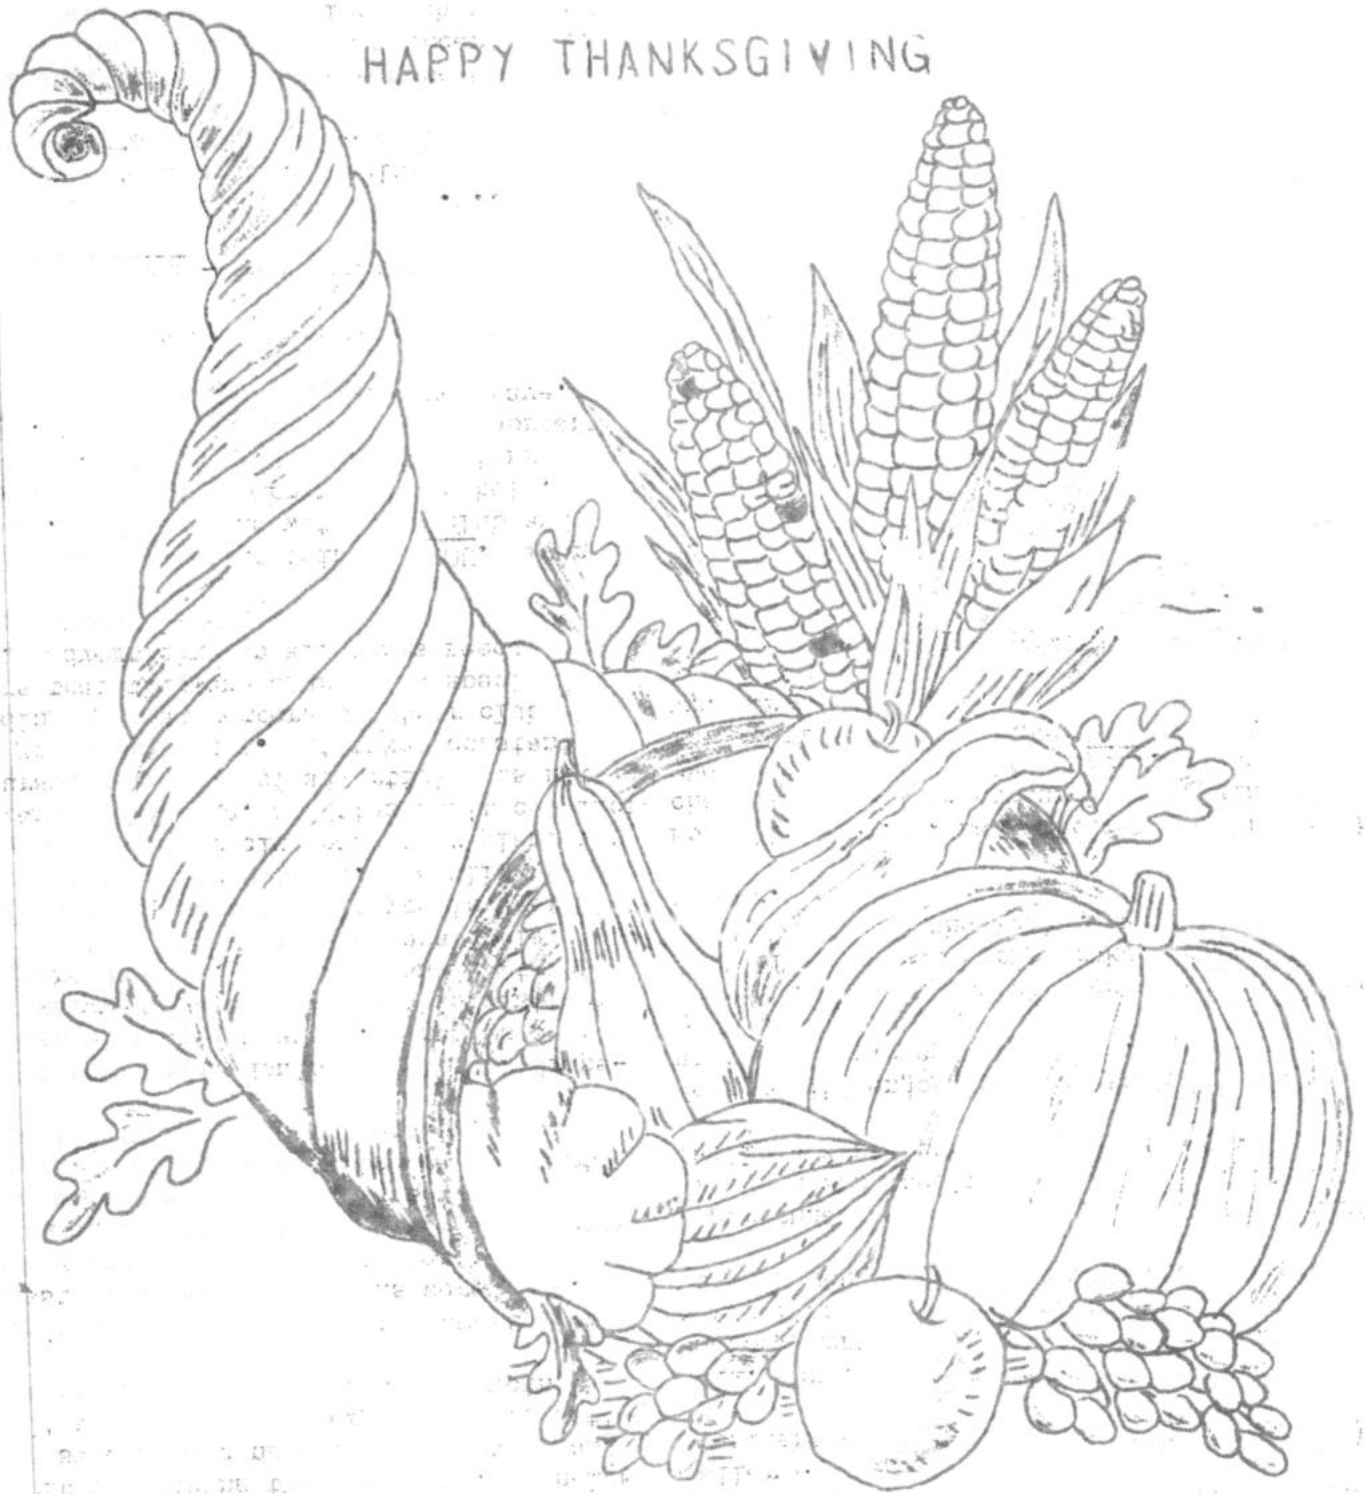

The callers really gave you your moneys worth and after "Boomerang", "Tag the Line" and a few more figures taught by the square dance callers, we all had a swinging time. The Round Dance instructors were superb in cueing, teaching and demonstrating. They pleased all from the most experienced down to the novice and were like a Fred Astaire team when on the floor. A constant succession of calling both square dancing and round dancing gave everyone a perfect weekend.

Many clubs hold back in planning such a fabulous affair. The Ancient City Squares of St. Augustine tried it a couple years. Your NEFSDA plans once a year to hold such an extravaganza in November of each year. If square dancers travel miles to attend weekends like these, why not stay at home and we can have a wonderful good time. Some clubs might feel that it will take more help than they have within a club to put on a dance of this type, so, that is a time for clubs to band together and keep this activity going that we know is so priceless.

At these affairs we meet friends that we only get to see occasionally when we might visit their club. We meet new dancers too that have come to hear a strange caller and old dancers who might come to hear their caller.

HAPPY THANKSGIVING

Continued - SQUARE DANCING

Dancers come for workshops where they can learn to improve their dancing. At times we see dancers who have not been at their club dances for quite sometime and lost contact with everyone.

We don't have motel bills, food bill, transportation bills to pay when these activities are right here at our door step. Young association is planning a big weekend of this kind on Nov. 7 and 8 with a caller you only have the opportunity of hearing only once or twice in a two or three year period because he is always bobbed up two or three years in advance. The dancing, fellowship, and all around fun that you can experience at a dance of this magnitude is well worth the time and effort that it takes on ones part to

get out and go.

While writing this editorial we can't help but also mention the weekend of fun that the Starlite Shufflers also put on which all square dancers can not help but like and enjoy at Camp O'Leno. This affair is not held in Jacksonville but is attended by many dancers from this area who realize what it means to them. It is something different and always well planned. They deserve high praise for going ahead with this enterprise.

It is a known fact and an important one, that first we have to support our own club. No club will remain in existence without the attendance of the members of that club. Plan on exciting things to do to help your

Continued -

Continued - SQUARE DANCING

club keep active. This takes more than a small group within the club to plan things - it takes the whole cooperation of the membership within the club. Each member gets out of his club just exactly the effort that they put into it. At the same time if you, in your club, want to help plan a special event and have other clubs support this additional effort on your part, then throughout the year each club should help support one another. This is no more than a simple formula: success of an event = club member cooperation of your own club plus club member cooperation in helping support other clubs. This binds the clubs together in a more firm relationship with one another, it eliminates the petty bickering that might go on within a club or between clubs, it gives a better caller-dancer relationship because callers are glad to see other clubs enjoying their calling, it helps promote square dancing within this area and keeps it alive because every dancer is getting the maximum from being in square dancing.

We didn't take lessons just to forget about this pastime after the lessons were over. It took effort on our part to learn this recreation, it took effort on the instructors part to effectively teach us each step so now it takes a little planning on our part to effectively keep it progressing.

Last but not least, don't forget your Grapevine when planning an event. That is a good reason why we have a paper in this district for square dancers. Not too many districts have this form of advertising available. We, as editors, want to help you in every way so get together with us. Usually we can tell you if another club has other plans for your particular date, so dates won't conflict. Of course, this type of advertising is not where you should stop. It takes constant reminding by club members to other club members that they are planning a special event. Advertising in all forms needs to be incorporated.

But the most important thing is YOU. Your attitude, relationship with your club and other clubs, your determination to help, your skill, knowledge, public relations ability, and just YOU is the most important asset that square dancing will ever have.

Boy! what a terrific time everyone had at the Camp O'Leno Hoedown. Our sincere thanks to the Starlite Shufflers for such a wonderful weekend.

Our newcomer party was so much fun and although we didn't have a large number of

students, everyone enjoyed it so much. Thank to all of our lovely ladies for the delicious goodies.

We had the most wonderful news this month. Johnny Kilby has returned to the good old United States and has now finished his time in Vietnam. Johnny was wounded twice during his period there. Those smiles on John and Evelyn's faces are really something to see.

Hope to see all of you at the Nov. 7-8 Round-Up in Jacksonville at the Civic Auditorium.

Well, Gang, hello thar. This month was kinda a happy month. For the first thing we had a business meeting which was nice at the home of Bonnie and Theron Smith.

I personally am glad to announce the arrival of the newest addition to the Livingston family - a new baby girl on Oct. 15.

We sure did enjoy the Allemandarins dance at the Armory Oct. 10 and 11.

Next month we have a business meeting at the home of Katie and Harry Drake. This will be on Nov. 16th and will be a covered dish affair.

For all you P. P. Badge holders - here is the chance to use them at our Thanksgiving dance when you will be admitted free. (For more information on this dance please call Don and Norma Smith).
