PRESIDENTS CORNER

As this goes to print in the Grapevine, your newly elected officers will have started their term of office on October 1, 1974. I sincerely hope all of the area square & round dance clubs, officers, delegates, dancers & callers will do their utmost to work with this group & the association. Everyone should do their part to help make this area a top notch square & round dance center. The opportunity of achieving the best for so many should not go to waste. Better relations, harmony & good fellowship is a must. So, keep all personal problems out of something that is so important for everyone. Strive a little harder & make more friends. Enemies are easy to find & not necessary. There is so much that friendship can accomplish & a certain pride in unity for doing & being better. This goal can be reached, if everyone is truly interested in the best interest for all, instead of just a few.

With the TV coverage on Channel 17 on Sept. 11, 1974, many new & prospective dancers will be contacting the various clubs, dancers & callers for more information about the coming square dance classes. This will enhance the growth of interest & increase the number of square dancers in our area. At the present time, there is over 6 million square dancers that enjoy this wonderful pastime..why not help more people to be able to do the same? Governor Rubin Askew has signed a proclamation designating Sept. 16-22, 1974, as National Square Dance Week. Soon, Square Dancing will be recognized as the National Folk Dance of the United States by the U.S. House of Representatives.

Don't forget the Area Dance on Sat., October 19, 1974. This dance is held in conjunction with the callers Clinic in Orlando on the same date & the net proceeds will be sent to the Florida Callers Association to help defray some of the callers expenses. From all indication, all local callers are planning to attend this clinic & your support of the Area Dance is needed.

No doubt, all that attended the Knot-head Konvention, had an enjoyable time especially the 1st timers & probably looking forward to 1975..

ALL WHO HAVE RIBBONS FOR SALE FOR THE FALL ROUNDUP, PLEASE TURN IN ANY UNSOLD RIBBONS & ALL MONEY NO LATER THAN THE 10 OF NOVEMBER..

Jean & I left Clearwater & continued on to S.C. We visited Jean's sister & brother-in-law, who are V.P. of the Interlocken Squares of N. Augusta, S.C. We attended an exhibition square dance by the Interlocken Squares, held at th Graniteville, S.C. Retirement Club.

Bill Wilson of Aiken, S.C. did the calling. Many of the retirees got the taste of square dancing & all enjoyed the exhibition. Many of these people are planning to have a club of their own after learning basics. We, also, ventured on a 50 mile trip to Lexington, S.C. & danced with the Sandhill Swingers. We were welcomed royally & had a wonderful time. Bobby Lepard, a young caller from Aiken, S.C. did an excellent job of calling. At the rate he is going, he has a good future ahead. We traveled 65 miles to Columbia, S.C. & danced with the Happy Hoppers at the Hugh Dimmery Memorial Center..better known as the Barn. A large turnout representing more than 10 clubs & enjoyed the calling of Bill Wilson. Bill has called in Jax & at the Nationals in New Orleans & has cut a number of records. By the way..the Barn was built by the members of the many clubs in the area of Columbia, S.C... good accustics..good ventilation & wood floors..A square dancers dream.. The proposed new Square & Round Dance Center of the Mandarin Athletic Club will have the foundation within the next month & I'm sure that it will not be very long before we can enjoy dancing there..with the help of all dancers.. this will soon be a reality..

Thanks for allowing me to have been your President for the past year. My thanks to the association officers, delegates & everyone for your assistance. As I have always stated, "the best people in the world are square & round dancers."

Squarely yours
George Ephren

STARLITE SHUFFLERS

THURSDAY - JOSEPH LEE CENTER
CALLER - JAMES MAXEY
PRESIDENT - LARRY SMITH

The Starlite Shufflers want to thank Yvonne Hart, their faithful reporter for several years, for the fine job she did. It will be hard to follow such an interesting & devoted reporter.

August 27, the club went all out to help make graduation of the class a success. Everyone had a great time of fun & dancing. James Maxey was outstanding. The Ray Mosmans, who graduated with the class, had an after party at their beautiful home. All the "oldies" of the club hope these new members will be tolerate of us if we goof up. They are proving to be a fine group of dancers. The club members, new & old are encouraged to turn out each week to help with the new class that just started.

Several club members attended a meeting on August 29, to discuss plans for O'Leno in November. This promises to be the best ever, if possible. All clubs are encouraged to enter their contestants for the Miss O'Leno Contest. Miss Sweet Thing, from the Hicks n' Chicks will be there to defend her title. We are disappointed to announce that Wade Driver will not be calling for us, due to his recent transfer to Texas, but we were real lucky to get Bob Rust to take his place.

All of us Shufflers want to give a hearty welcome to eight new members.. Charles & Frances McDougald, Bobby & Barbara Fennell, Ed & Margie Coffey, & James Little..

Everyone is looking forward to Disney Week-end & hope to see all our friends there.

Remember, our doors are always open to visitors, for we enjoy having everyone. See you in a square..

QUARTERMORES CLUB

We have good news for all of you who are interested in putting a little more spice in your square dancing. We are opening another workshop night for the Quartermores. As you can see in the flyer, we will specialize in experimental & advanced basics with particular attention to position dancing. It will improve your dancing skills, regardless of the level at which you decide to dance. We do encourage you to have had 18 months of dancing experience as you will find it more comfortable, if you have a good working knowledge of the basics. We do want to point out, however, that the Quartermores will in no way replace your regular club. This is strictly an addition to club level dancing for those who wish to improve.

Bobby Keefe is the instructor, so come on out to Joseph Stilwell Jr. Hi. on Burma RD. To get there from Jacksonville, take Normandy Blvd. to Memorial Park Dr. (right by the cemetery just before getting to I-295) Turn right on Memorial, follow it for 8/10 mile, to Stilwell Rd. Turn left on Stilwell for 1 block, which dead ends at school.

The workshop opens on Tuesday, September 24 & will be held 2 & 4 Tuesdays. The workshop will remain open to newcomers through 2 & 4 Tuesdays in October. Cost, only - \$2.50 per couple, per dance. Call me at 384-6195 for further information.

MONDAY - FT. CAROLINE JR. HIGH SCHOOL
INSTRUCTOR - EDITH & BUD REISEN
PRESIDENT - CARL FAHLBUSCH 829-5869

Hi There ! Got a minute? Yes you, absentee. How about you goers getting back to the club with the doers? Our members have been so busy traveling to attend the many special dances, which have been available, some have had to rest up, but enough is enough!

Our President, Carl & Alice Fahlbush, reported having a marvelous time on their recent cruise to the Bahamas; not much sleep, not much rest, but well worth the sacrifice.

We are hearing so much about the Knot-head Konvention, that it was bigger & better than ever before. Edith reports that she had seven couples dancing during the workshop sessions, & they came back home with a whole bag full of new numbers, learned.

Our quarterly business meeting was held at the Mary Hammond Youth Center. Members gathered to smoke their pipes & offer suggestions for the Fall Roundup & for overall plans for the fall. One thing we can say, there was good food, good cheer, a good dance, but no beer.

Has anything interesting, stimulating, or exciting happened to you recently? If so, please let us know..

Twenty seven of the Big Blue went to the Knothead Konvention - what a bunch & what a great time was had by all!

Now we are back to normal dance fun, & our new class for beginners, with The Hiddings' teaching, starts Wednesday, September 18, at Atlantic Beach Comm. School on Sherry Drive. The class will be open for 2 weeks, so if you know anyone who wants to learn, send them on to us - or call The Hiddings for information.

Be sure to mark your calendar for our 4TH ANNIVERSARY DANCE on OCTOBER 10, with Dick Barker, calling. We'll soon be calling on all of you to steal your banner, so you will have 2 reasons to come out. One for your club banner, & best of all, to dance to Dick Barker's calling, who is certainly one of the best callers to be heard & enjoyed.

JUBILEERS

SATURDAY - 2-4 FT. CAROLINE JR. HI.
CALLER - DICK GOEDERT - 781-3269
PRESIDENT - JIM & FRAN WEESE - 744-3293

Saturday, September 14, was "Former Jubileers Night", & we were happy to see so many friends. We also had visitors from the Allemandarins & Lone Star Swingers.

On Saturday, September 7, 11 Jubileer families enjoyed a swimming party & cook-out at the lake home of Betty & Art DeAngelis.

Classes for beginners commenced Friday, September 6. We have more than 4 square of beginners, & they are all doing exceptionally well, with the help of several club members.

We were delighted to have Dan Crawford back with us after an absence of several weeks. He isn't dancing yet, but it won't be long.

5 couples visited the Belles & Beaux recently & retrieved the Jubileers banner. Who's coming after it next?

We congratulate Betty & Bill Hines on the arrival of their first grandson.

11 families of Jubileers are excitedly looking forward to a great weekend of Family Fun at Disney World on September 28 & 29. Some of us are camping & some staying in nearby motels.

Come, see us. We always love to have visitors.

FRIDAY - FORREST HIGH SCHOOL
 CALLER - BILL CAMP
 PRESIDENT - PAUL & MICHELLE MORGAN

772-7610

Oh, Boy! You can sure tell vacations are over by all the people showing up for club dances. The Gator Promenaders are getting of their fall season with a busy schedule.

Banners have been waving in & out of our hall just about every night lately. Let's see if I can get it straight..The Oceanwaves had our banner, we went to the Rockin'robins & got theirs..Then we went to the Oceanwaves to retrieve our banner..The very next night, we lost our banner to the Western Cutters & the same night the Rockin' Robins came to get theirs back..So you can see our banner has been pretty elusive lately, but your club is welcome to try to catch it, tho you just might end up with "Our Out House".

At every club dance we've had a variety of callers. Our own Jerry Brantley, Jim & Paul Morgan have called several times. Jim Morgan has been calling pretty regularly & his son, Paul, who is also our President, is trying to catch up with him. Soon we hope to talk the Morgan's into calling a duet as a father/son team. Our club also enjoyed a tip called by Wayne Thompkins & of course, our own club caller, Bill Camp, shows us a fine time every week. So, come join us in a fine night of dancing. One of our club dances fell on Friday the 13th & a bunch of dancers were eligible for a "Black Cat" badge.

Our Mystery Ride, scheduled for October, has been postponed for a couple months, & it's a mystery to us!!Really, it's because our schedule is pretty full 'til after the Christmas Holidays, what with Disney World Trip, Camp O'Leno Hoedown, Fall Roundup, & the special dances on our calendar.

Welcome to the newest members of our club, Jack & Dot Strum. The Strums come to us from Rota, Spain, & we are happy to have them.

Our class for beginners got off to a fine start. It's our biggest ever. Our class is going to be great fun for the class & club members alike, but the class will be closed October 4. If you know anyone interested; have them hurry on over & learn to square dance with one of Jax best teachers, Bill Camp.

With fall coming on, things are picking up around the Chain Gang. Last month we went to Gold Head for a day outing; everyone having lots of fun & sun; food too! Skiing & games were the thing of the day. John & Jimbo packed their better halves up & sat at the gate of the park 'til it opened to ensure that covered tables were there for all..nice trick..

This month its a fish fry at the Valentines on Julington Creek, a business meeting to follow. We plan to get thing going for the good ole' halloween Dance. Don't forget it, it's always a real smash..more on this later.

Wayne & Synatha are going to Disney World, so our caller for September 28 will be Bill Bishop. It should be a real wing ding..ya'll come, all of you who don't go to the Mouse Land...

Had a small crowd at the Sept.14 dance; must have been Football sickness..or was it just sick? Some of our members were..sick..that is, & we hope they get well soon..we miss them..as a matter of fact, more club members are needed..any dancers looking for a place to lite, to enjoy Fun, Friendship & good dancing, come see us.

FUN & FROLIC

MONDAY - WOODSTOCK COMM. CENTER
CALLER - JACK GRIFFITHS
PRESIDENT - RAY MONTEAN 781-5980

We have had a good month - with lots going for us. We were delighted to have the Dixie Chain Gang come dance with us & retrieve Wayne's tie - only we had to dust the cob-webs off - thought he just didn't need it. Anyway, it was fun having them & hope they will come back real often. And by the way, we are going to get our banner from the Belles & Beaux, if we keep enough people from work & well. Our gang that went to Knothead, reports a most enjoyable & thrilling time..they said the dancing was just out of this world! Now, we have to help make our Fall Roundup even more thrilling & more out of this world. Does everyone have their green ribbon, yet?

We were delighted to have the Rockin' Robins dance with us..and we all were honored to share our caller - Jack's 29th Birthday Cake..it was so pretty. Our covered dish dinner dance was a goody. We enjoyed having all our good friends..the food & dancing was superb & everyone had a delightful time..only problem was keeping Ray & Reggie straight..I guess it's too hard trying to concentrate when you have a full tummy. I suppose thats what Jack thought about most of us as our dancing & his calling wasn't cooperating, but just wait & see Jack, next time we promise to do better.

We would like to wish a Happy Birthday to Lou Connally, Muriel Luth & Catherine Montean & a Happy Anniversary to the Prathers, Penningtons & Carters.

Well, since this is the witchy month, don't let the goblins get you..come dance with us..So until we see you.. Happy Dancing..

BELLES & BEAUX

WEDNESDAY - SOUTHSIDE YOUTH CENTER
CALLERS - 1-3 BILL CAMP
2-4 EDDIE MILLAN
PRESIDENT - BOB & LIBBY LOWERY 356-6918

Once upon a time 2 couples attended the 18th Annual Knothead Konvention. Sunday evening, after much dancing, they were seated in a crowded restaurant eating pie & drinking coffee. As the 6 sat, preparing to return to the Hotel for skits at midnight, one of the ladies said, "I feel a breeze" then she explained, "the zipper down the back of my dress has just split open". While remaining seated her husband attempted to effect repairs, without causing overdue excitement among all the customers in the place. Alas, the zipper

could not be repaired, so her Knight in Shining Armour (Sidney) rose to the challenge & held the back of the dress together with his hands, while the damsel in distress marched to the ladies lounge, where she was joined by Libby, who sewed the back up, of the dress. The 6 relieved square dancers scurried off to the motel to be entertained, as though nothing had ever happened & they lived happily ever after.

The wedding of Winona Spurlock & Elmer Hilbrant took place on August 23, at Westside Christian Church, before 200 friends, co-workers, square dancers, family & church members, young & old. The ceremony was preformed by the bride's brother, Charles C. Donovan, of Melbourne. His son, Danny, gave the bride away. The Matron of Honor was the bride's niece, Joan Donovan. The groom had as his best man, his son, Edward. The bride wore a princess street length dress of aqua blue, with matching lace marking the empire waistline. The groom was attired in a white brocade dinner jacket, trimmed in black, with black formal trousers. The Matron of Honor's dress was floor length, blue gray & trimmed in lace, nylon bodice & sleeves, with matching cuffs. All male attendants wore white dinner jackets & formal black trousers. The reception was held in the church, where the guests renewed old friendships & acquaintances. The Gator Promenaders' regular dance night is Friday, so some of those attending, came in square dance clothes, so they could go dancing afterwards..NO the bride didn't go!!The grooms daughter, Betty Johnson, of Concord, Calif. was also in attendance. After a short trip down State, the happy couple returned home to spend a few days with the grooms daughter & his grandchildren. The organist was Terry Sheffield, a member of the church, whom Winona had taught in Sunday School.

Come Halloween, the Grapevine has it that certain spooks shall be out in numbers, looking for a banner to steal.

Even though most of us have settled down in our fall routines with schools back in session, some of our members are still

on the road. Charlie Landiss is visiting in Kentucky & Paul & Rhoda West are headed up to the North woods of Maine. Think how nice & cool the weather must be up there this time of year. Perfect for square dancing.! 12 couples from our club took a somewhat shorter trip to Brunswick, Ga. over the weekend to dance to Art Springer & Dick Barker. These trips to Ga. are always fun..lots of good dancing with friendly people. Speaking of Ga., we were sorry to hear that one of our Ga. members, Les Linker was accidentally burned. We're hoping that he'll recover quickly & be back dancing real soon. We miss Les & his silly hat!! Oh! while in Brunswick, our traveling dance troupe recovered a stolen banner & John left a mini-banner as a token of friendship & an open invitation to the Golden Isle Swingers to come dance with us any time. The last time they were here, The Meadows brought some cloggers who danced for us & this is always a treat. Wish I had 1/2 as much energy as they.

We had the nicest group of visitors at our 10th Anniversary Dance. We appreciate your support & hope you had as much fun as we did. 9 years ago, Danny & Billie Danson danced at the Allenmandarins 1st Anniversary Dance & they were here for our 10th, along with their daughter, Ann. We were delighted to have them.

Jack & Jessie Shaffer are dancing with us again & it's great to have them back. Jessie is a new Allenmandarin! Jack?

Ernest Fulton is still sitting out with "foot trouble". That's the last thing a square dancer needs. Get well soon. 'Til next month..Happy Dancing..

Visitors in August were from the Belles & Beaux & Western Cutters. Belles & Beau walked off with our banner.

We would like to welcome Joe & Sheila Sullivan into our club. Make our new members, welcome.

ROCKIN' ROBINS

SATURDAY - 1-3 1541 HENDRICKS AVE.
CALLER - JOHN ROBBINS 398-1301

All of our class passed the written exam & are now graduated dancers. After the dance, everyone enjoyed an after party at the home of the caller & taw. About 70 club members & guests attended the party which broke up at 4:30 am. Dianne sure earned her "River Nile" badge.

At our last dance, Paul & Michelle Morgan, Roger & Jean Ulery were the latest recipients of our Robin award, which goes to guests who attend three dances in a row. We're always glad to have these great people dance with us. Also, in attendance were guests from Gator Promenaders, Westernaires, Lone Star Swingers & Western Cutters. Nine squares kept the caller going until 11 o'clock & were yelling for more.

A flock of Robins' attended the Father & Son Dance in Gainesville with Gil & Bobby. They are members of our club & the dance was a smash. Donna & I didn't make it because we were at our 60 acre estate in the mountains of N.C. Although there is a 5 bedroom house on the property, we really roughed it in the wilderness & I mean Wilderness. Wild animals, snakes & who knows what else. We were camping pioneer style & really enjoyed it. It was Donna's 1st. experience at this sort of thing (being a modern convenience girl) & I was really proud of her. She even fell off rocks in the creek, not once, but 3 times. She overcome all the snakes &

animals & things but came apart when a mouse got after her. I would say, she well earned her "Pioneer" badge.

Our latest "Red Feather Award" was received by Kay Simmons & Linda Whittenauer. Great job girl's & many thanks from all the club.

While in N.C. we visited the home of famous folk singer, Doe Watson. His #1 Fan is our own Ted Keiser & we brought some souvenirs from his home to Ted.

Don't forget the Gateway Callers Dance October 12 at Ft. Caroline Jr. HI. This promises to be a great dance & gives all dancers a chance to support the local callers. See flyer in this issue.

We welcome Jean & Rip Rippell as new club members. They are a great addition to our growing flock & will bring round dancing to our club. Welcome Rip & Jean, you're simply great.

We also have a new club reporter, June Bug Keiser. June will be writing the column henceforth & I know she will do a great job.

Some of the Chairman & workers have already been working long & hard. Some are beginning their work, now & many others will soon be selected to fill jobs in the near future & during convention time. Of course, our headquarters will be the Robert Meyer Hotel. We will be

be dancing at the Civic Auditorium. Our slogan is DIP'N DIVE'N'75. There are many of you who have great talents & abilities & are willing to help. Will you please contact me at 641-0650 or write me at P.O.Box 16134.

When I realized it was my turn to write this months Grapevine news, I started calling everyone to find out "whats new" & seems everyone has been on vacation. It was like a beautiful travelog, just listening to descriptions of really great places. The Kellys went to Mexico City & saw a bullfight & ballet; The Brandts traveled around Florida, stopped one day to watch oysters being gathered; The Ephrems went to S.C & square danced almost every night & did some exhibition dancing for Graniteville Retirement Club; The Wixons went to N.C.; The Greens to Kirkwood; The Jerrims to Michigan; The Ibachs to N.C. to see a new granddaughter; Then lots of us went to the Knothead Konvention. Our club can be proud that our own Bob Pringle has not missed a Knothead Konvention..Thats 18 years... Saturday night it really stormed..the lights went out & I heard a voice in the dark, calling, "Norma"...

I think everyone is back, now & really ready to square dance. Our Beachcomber Dance was great with Elmer Sheffield, calling. The decorations were beautiful & refreshments delicious. We really appreciate all our visitors. We had 22 at our Sept.7 dance. Y'all come back. Our October 19 dance will be cancelled due to the Area Dance at Forrest High School with George Wray, calling.

If you missed our club campout at Lake Serena, you missed a good time. There was swimming, fishing, canoeing, skiing, tubing & all those good things, along with lots of delicious food. Joe Brandt really makes the best spaghetti sauce.

Our new beginners class starts October 2, at Ft. Caroline Jr. Hi. If your friends are not square dancers, they should be, so bring them. For more information, call Bill Bishop or Rex Jerrin.

We have been missing Don & Bea Smith.

Don's foot is improving, but not quite ready for square dancing. Glad to see Ann McCarty back, after breaking a bone in her foot.

Some of our club members were on TV, Sept.11 to promote National Square Dance Week.

By the way..Bettye Smith found her turquoise petticipants..thanks for looking..

MANDARIN ATHLETIC CLUB

Our news is pretty slim this month, due to cancellation of our last meeting.. With conventions, NE meeting & special dances, everyone was too busy..Herman will have the permit to build by next week, so if you can spare some time & can help him prepare the ground for pouring the foundation, please call him at 641-0650 & tell him when you are available..we need all the "labor" help we can get & it will save some money.. if you can't give cash, this is a good way to contribute to a well worth while & needed building..

We have had several new members this month, along with a very generous contribution from Jim & Bunny Whiteman, our Gainesville dancers & also Chet & Julia Vettors of Gainesville..A big "Yellow Rock" & thanks to you 4 great people..Also, the couples who made pl-edges of monthly payments, they are coming in right on time..thanks..we are still selling chances on the Afghan, so buy some from our members..money is still coming in for sale of "badges & "stacks of wood"..keep it coming & just maybe we will have our building ready by State Convention time '75..wouldn't that be great!!

As you have no doubt heard, our dear square dancing friend, Charlie Landiss, suffered a heart attack (he is in Ky. with his daughter). This building is Charlies' dream & Charlie, we are all praying for you, so you will see this dream come true!!Get well real soon & come on back to Jacksonville..If any of you dancers would like to drop Charlie a note, the address is: Charlie Landiss - % Mrs. Betty Holmef - 2502 Brighton Drive - Louisville, Ky. 40205. He is in Suburbon Hospital, Louisville.

Our class has started slow, but hope to pick up a few more dancers in the next week..if your class is too small for your caller to teach, send them over to us & as soon as they graduate, they can come back to you.

Our next meeting will be OCTOBER 13 - 5PM AT THE SITE..EVERYONE WELCOME..COVERED DISH..

NEFSDA, INC. MINUTES - SEPTEMBER 15, 1974

The bi-monthly meeting was held at the Robert Meyer Hotel, Sept. 15, 1974 with President, George Ephrem, presiding. 22 Delegates were present from the following clubs: Allemandarins, Calico Swingers, Challengers, Belles & Beaux, Dixie Chain Gang, 441 Club, Friendly Frolics, Friendly Whirl-A-Ways, Fun & Frolic, Hicks & Chicks, Jubileers, Lone Star Swingers, Quartermores, Rockin' Robins, Roundoleers, Starlite Shufflers, Western Cutters, Westernaires, Oceanwaves, Star Prowlers, Swinging Squares & Sunshine Twirlers. It is a pleasure to have the Lone Star Swingers as new members of Northeast.

Treasurers Report - Hilton Lay:

Bank balance as of Sept. 14 - \$1,218.84.

State Convention '75 - A letter was read from Herman Ibach, Convention Chairman, which indicated the need for more workers. Registration forms & ribbons are ready. Ernie Doering passed out forms for all delegates to take to his club. George Garland, Publicity, presented some advertising material, including banners, a square dance outfit with Dip 'N Dive emblem & using NE colors (Green & Yellow). Dick Goedert, Representing the Gateway Dancers indicated that the callers were willing to help, where needed. The price of the ribbons are \$12.00 per couple with no special price for children.

Fall Roundup, 1974 - Jim Panipinto, chairman, reported all is going well. Ribbons are \$10. per couple & after 10 November will be \$12. All ribbons & money will be turned in no later than November 10. See Barbara Blackford for listings in the Program, NOW..

Square Dance Week - In honor of Square Dance Week, the following dancers participated in a TV presentation on Sept-11, Channel 17: Callers, Bill Bishop, Mariann Hidding, Edith Reisen.. Dancers: Ramona & John Merrill, Patty & Jim Everette, George & Judy Garland, Betty Porter, Roy Bailey, Doug Stringer, Bonnie Ennis, Barbara Blackford, Herman Ibach, Dessie Bishop, Bud Reisen, Hilton & Carolyn Lay. Thanks for a job well done.

Nomination of Officers - Joe Smith, Committee Chairmen, presented the following slate of officers for '74-'75: President - Jim & Helen Panipinto; V-President - Frank & Frances Smith; Recording Secretary - Gordon & Margaret Casey; Corresponding Secretary - Sidney & Betty Lee Few; Treasurer - Ray & Liz Valentine.

Ted & June Keiser was nominated from the floor for treasurer. A secret ballot was cast, with the new treasurer being Ray & Liz Valentine. The entire slate was then elected unanimously.

New Business - George Ephrem read a letter from Marshall Flippo in which he indicated that it would not matter to him, if he worked alone or with another caller at the Fall Roundup in 1975. Rex Jerrim, Acting delegate from Friendly Frolics & President of same, reported that his club was opposed to having just one caller for the Fall Roundup. He made a motion that this matter be reconsidered. Motion failed for lack of a second. Chet Vettters moved & Jim Whiteman seconded that this motion be tabled at this time & that the new officers will look into this matter. Joe Smith stressed a need for improved communications between Association & clubs. He suggested a possible agenda to be sent to delegates before association meetings & also a copy of the minutes of the previous meeting.

Fifth Saturday Dances - Joe Smith gave the following listing of upcoming Association Dances: November 30 - Cancelled; March 29, 1975 - Singing Sam Mitchell; May 31, 1975 - Andy Petrere; August 30, 1975 - cancelled; November 29, 1975 - Local Caller.

The delegate from the Rockin' Robins questioned the right of the Grapevine Editors to edit or refuse to publish materials sent to them for publication. Several people responded that this policy was standard procedure on any publication of this type & had always been the policy of the NEFSDA.

There being no further business, a motion was made to adjourn.

Acting Recording Secretary

INFORMATION ON COSTUME FOR 1975 CONVENTION -

First, let me say, this costume was made up by "A. Square" of dancers who were traveling together to the Knot-head & Georgia State Convention's, as publicity for our own Florida State Convention, which will be held in Jacksonville, May 23, 24, 25, 1975. We are in no way, telling anyone, he has to follow.. A lot of dancers do want to make one, so we will be glad to furnish you with the information.. Tom & Mariann Hidding have also designed an outfit for the Young Group they are working with. (using the same color & material.. We have the screen-printed emblems available for those who want..

Material - Teeshot Poplin (drip dry)
Color - April Green (lining - Lemon Peel)

Circle skirt & Vest for ladies or if you prefer - Circle skirt & peasant blouse (This is what the Youth Group is using). If you are making vest,

& circle skirt, you will need a long-sleeved yellow blouse. The emblem is sewn on the lower right front of the skirt.

For the men - Green vest (yellow lining) Emblem sewn on center back. Long sleeved Lemon Yellow Shirt (available at Square Fair Shop). Black trousers, black tie.

Material is available at Cloth World. If you need assistance, please feel free to call - JUDY GARLAND - 246-7267. If your club would like "THE SQUARE" to come for a "Showing", it can be arranged. If you have this outfit for the Fall Roundup, plan to wear it FRIDAY NIGHT. (cost of material is \$1.29 yard)

More Information - 246-7267 (Garland)

FROM YOUR ROVING EDITORS

First, let us apologize, if you receive this issue after October 1. Our Star typist (for the summer) is off to her senior year in Nursing at FSU. (Yes, our "Youngest") will become a RN, come next May. Hope she will know how to take care of us after getting out the Grapevine Edition. (total exhaustion of the brain).

This has really been a month that was & where did it go?? We had a delightful time at Knothead Konvention & our advertising campaign for the upcoming 1975 State Convention was a success. More DIP'N DIVE BADGES SOLD. Our green & yellow costumes were a smash!! Even had a few people to register for '75..

Then we were back in time to celebrate our 28th Wedding Anniversary.. Has it really been that long?

A great graduation of beginners at the Western Cutters.. A lot of fun & a great group of dancers, taught by Frank Clements. Look for this group, as they are out visiting all the clubs..

We had a beautiful dinner at Swinging Squares with dancing afterwards (we had the program & after the problem with the tapes, switched to records & had a good dance). Those tapes just don't work sometimes..

Made it over to Channel 17, where we "stared" on a TV program to promote National Square Dance Week.. Was great & a lot of help showed up to be a very successful venture..

One of the BIG events of the month was the Georgia State Convention in Macon. A very large delegation from our good State of Florida. We wore our DIP'N DIVE outfits & had a lot of compliments. Several Florida Callers participated including Tom & Mariann Hidding along with their son 'Lil Tom.. (Dance with

the Westernaires on October 5 to the calling of 'Lil Tom.. Channel 12 will be there to film for 12 Country..). We also joined the Georgia State Square Dance Association..

Don't forget, a lot of good dances coming up.. Gateway Callers dance on Oct. 12 at Ft. Caroline Jr. Hi... Callers Clinic Dance in Orlando.. The area dance at Forrest High School.. both on Oct. 19. If you are not going to Orlando, be sure to attend the area dance, so that we can send some monies to the Florida Callers Association. The profits of this dance will be used for the callers clinic & expenses of the callers... No doubt there will be Halloween Dances in the area.. didn't receive any flyers on this, so check with your club.. Oceanwaves has an Anniversary on October 10 with Dick Barker calling.. Quartermores are open for new people (see flyer).. Camp C'Leno coming up in November (see flyer).. and THE BIG ONE - FALL ROUNDUP - GET YOUR RIBBONS NOW - the price will go up after November 10.. and if you really want to plan ahead.. DIP'N DIVE ribbons are on sale, now!!! Help your Association with a purchase of a DIP'N DIVE badge.. every dancer in Jacksonville should be wearing one.. if you don't know where to get one, call us & we will see that you are supplied.. if your club didn't receive a poster that says DIP'N DIVE, call us for one to display in your hall... We also have the emblems to sew on those vests & skirts..

Congratulations to our newly elected officers.. they are a great slate & with the help of all dancers & callers, we should have a GREAT year in Jacksonville. A big, big THANK YOU to the outgoing officers & a job well done..

All you lucky people who are headed for Fontana Fall Festival, have a great time but don't freeze.. it gets pretty cold there this time of year.. better take an extra blanket, along..

New square dance classes are forming so lets all make a special effort to see that these new dancers get the best instruction we & the caller can give them. Don't be afraid to tell them what is expected of them in ways of DRESS, COURTESIES, FRIENDLYNESS, & ETC. Remember these dancers only know what they see & hear.. If you, as a square angel, don't show them the beautiful world of Square Dance Dress, they will never know, so, when you go to help, wear a square dance outfit & it won't be long before they will want to dress the same.. most new dancers are waiting for you (as an experienced dancer) to LEAD THE WAY..

HAPPY DANCING & REMEMBER TO ASK, WHAT CAN I DO TO HELP SQUARE DANCING & THEN DO IT !

George & Judy
