FROM THE EDITORS - Time sure does fly - seems like we just got through with our last edition and here it is that time again. This has been a busy 2 months for us - working on the Fall Roundup, visiting clubs and of course there's always The Grapevine. Besides that I've (the distaff side) have gone back to working a full time job so I'm really meeting myself coming and going - in other words I can use all the help I can get. Jim and I want to thank everyone that has been helping us put the Grapevine together. A special thanks to Jackie Cason who helped with the typing this time (even if she did use a bottle of correction fluid!!) We'll be getting in touch with those who offered their services and any other volunteers, give us a call. Also if you have any ideas that might lighten our load, let us hear from you.

We are sorry to hear about the Belles & Beaux disbanding - but hope they will keep dancing with us.

If you are interested in taking a chartered bus to the 1980 National Square Dance Convention in Memphis, Tennessee, contact Frank or Frances Smith - 724-8590 - for details, but hurry, the deadline is near.

We enjoyed the Crazy 8's graduation - lots of good food and friendship. Also visited the Riverside Ramblers graduation and as many other clubs as possible, but the weather slowed us down a bit.

Check the new directory in this issue and make sure all the information is correct, and be sure and let us know of any changes. SEE YOU AT THE FALL ROUNDUP.....

BLOOD BANK - Don't forget to donate to YOUR Blood Bank. All NEFSDA members are entitled to this benefit...Remember the life you save, may be your own....For information on where and how to give or receive, call Jackie Cason, 743-0819.

 NOVEMBER 15TH

A BIG THANK YOU TO A LOT OF SQUARE DANCERS.. We would like to send a special "thank you" to so many of you for all the cards, flowers, gifts and prayers that have been sent to Scott and us the last few weeks ... Just to bring you up to date, after the second operation we are happy to say that there is a good chance that Scott will be able to keep his eye and possibly will have some limited vision using a contact lens. It is not certain yet but they have given us some hope. It will be several months before we know for sure. We really feel this would not have been possible without all the prayers from everyone, so again thanks to all of you for everything. Love and Happy Dancing,

Ann, Eddie and Scott Millan

1979 FALL ROUNDUP - NOV. 2 & 3. We hope you've all bought your Fall Roundup ribbons. We've programmed something for everyone and with your help and support it will be a huge success. And don't forget the Parade of Clubs Saturday night, with a cash prize to the club with the best participation...SEE YOU THERE.,

JIM WRIGHT, Chairman
 Fall Roundup Committee

CALLER - EDDIE HILLAN - 765-0296

August 28th we graduated 25 enthusiastic class members. We had planned quite an evening, but Scott's accident forced us to ask for help. The Thompson's handled the graduation in fine style. Aubie Lowe from Thomasville, Ga., did a fine job calling the dance and we thank him for all the help. A square of SLS's had a great time at the Knothead Konvention - they came back talking about fire drills - must have been a hot dance! Don't forget our Camp O'Leno Hoedown - Oct. 13-14. If your club would like to participate in the after-party skits - call Eddie and he'll sign your group up. Otherwise - they're talking about making him and Mike Patterson play their guitars - brother!

The Council went all out to welcome over 50 visitors from the Sundown Swingers (Orlando) on their Knothead trip. Thanks to everyone who helped! Oct. 27th we'll be dancing to Joe Prystupa and Nov. 17th to Roger Chapman. Come dance with us!

GCA NEWS

The Fla. Callers Association has its annual Fall Callers Clinic scheduled for the weekend of Oct. 19,20,21, at the Islander Beach Lodge in New Smyrna Bch... Many of the GCA members are planning to attend this event in order to sharpen up their calling skills to call better dances for you. Encourage your caller to attend, get a sub for him if necessary, so he can go - we can all use a little improvement (believe it or not!).....At the Aug. GCA meeting we had a visit from Fred Groover of the Gator Promenaders, who proposed that GCA and the Gator's co-sponsor the Learner's Hoedown in Dec. The GCA agreed to the proposition, provided a large enough hall can be obtained. Well--at least this proves that dancers and callers can agree on some things...attaway team!.....This is the time of year for callers to begin new classes. Teaching new dancers is one of the most challenging phases of calling' taxing a person's skills, abilities, patience and nerves. Clubs that actively support a new class are truly appreciated. Make your new dancers feel welcome from the very first night of class and your club will flourish and grow. Look upon helping new dancers not as a task, but as another phase of square dancing that can also be a lot of fun...Remember--the world of square dancing is an artificial world that we create ourselves. If we wish to make it a utopian world we must all give a little-bend a little and forget many of the petty human problems of the outside world and concentrate on the simple fun and fellowship of the wonderful world of square dancing....As a result of my son, Scott's recent accident, two operations, and subsequent hospitalization, I turned to several GCA callers to cover for me at several dances. With little or no advance notice the following callers quickly cancelled their own personal plans to help out - good old James Maxey traveled all the way to Hilliard to call a dance I had scheduled for the Calico Swingers. My pal, John Robbins, covered for me at the Gator Promenaders where I was supposed to fill in for Art Wilson while he was on vacation. Fun loving Don Miller did an exhibition for me at Regency Square and also filled in at the Swinging Saints class (How about that, I got the club name right this time!) and Jack Stevens covered for me the following week at the SS Class. Thanks for the help, guys--don't know what I would have done without you.

BANNER STEALING GUIDELINES

THE SUBJECT IS ANGELS

REQUIREMENTS:

1. A banner may be stolen by a minimum of 1 full square, in good standing as a club member, displaying club badges of the club they are representing & pay admission.
2. The banner can be stolen only on a regular club dancing night.
3. If 2 clubs appear on the same night to steal a banner from the same club, the 1st visiting club to announce their intention to steal a banner to the host club President or the highest ranking officer present, will be allowed to steal the banner.

For all class angels, there are some simple rules to remember:

CLASS TIME IS IMPORTANT. With so much to learn these days, every moment of teaching and practice time counts in making our graduate dancers of good quality. Please don't expect special tips for the angels; they have other nights to enjoy club level dancing. LEARNING TO LISTEN TO THE CALLER'S COMMANDS REQUIRES CONCENTRATION. As angels, dancers become class members again, responding to the caller. Therefore there should be no instruction or small talk within the square. All should be listening to the same caller.

DANCE STYLING THAT DANCERS HAVE ADOPTED IS OUT OF PLACE HERE. Basics should be kept pure in form. The proper do-sa-do, hand and arm holds, a quick touch to acknowledge and positioning and no short cuts will insure new dancers of the proper position for the next call.

WE'RE HELPERS, NOT PUSHERS. Dancers must understand what they are being taught. To gently guide someone through a maneuver because of a momentary lapse of thought is fine. But we accomplish nothing for the dancer if he has been pushed through an action and doesn't know what was supposed to be done. Angels' actions should be gentle so the caller becomes aware of needs.

ANGELS DRESS FOR THE DANCE. The attractive example we set will indicate the proper clothing and encourage the beginner to wear similar garb without feeling uncomfortably conspicuous. AFTER GRADUATION, DANCE WITH THE NEW DANCERS when they have been welcomed into the club. Every dancer was a beginner; frightened, trying too hard, making dumb mistakes, and sure every error was because of him/her.

It is in the company of the experienced dancer that the beginner will become easy and comfortable in the square dance scene, helping them become good dancers now and better angels when they do for others what has been done for them.

NOTE: The above was taken from an article written by Harry & Marge Evans, North Wales, Pennsylvania.

BEGINNER'S LAMENT

I hope that I shall never see
 Someone as big and dumb as me.
 Someone who don't know left from right,
 Someone who swings wrong every night,
 Someone who tries and tries and then,
 Just turns around and goes again,
 I know just when to twist and turn,
 Then do it wrong and slowly burn.
 I wonder what the rest have got?
 Whatever it is ... I'm sure I've not.
 Someday; somehow; somewhere, sometime,
 I'll learn to dance and just keep time.
 Of all said words of tongue or pen,
 Are these: "Oh, no, not again!"

NOTE: These were the only Banner Stealing Guidelines we could come up with at this time. These were voted on at an NEPSDA meeting and approved, a few years ago, by the majority of clubs attending. Everyone will have better times banner stealing if ALL follow the same rules; HAPPY BANNER STEALING!!!!

IN OUR AREA.....
 THE GRAPEVINE WELCOMES ALL THE NEW DANCERS

1. A club cannot steal a banner or retrieve its banner when their club caller is a guest caller of the club they are visiting.
2. If a large group is traveling to steal a banner it is strongly recommended that the host club is notified. (A recommended time is 3 days prior to night of dance, which gives the host club ample time, if refreshments are being served, to make preparations for the extra number of guests.)

3. A club having had its banner stolen will make every effort to recover stolen banner in a reasonably short time. If a club does not recover its banner in 6 months, the banner will be returned to the owner club.
4. If a banner is stolen, the officials of the host club should be notified of the date; time & place the visiting club has its regular dances.
5. A club will not have more than 1 travel banner.
6. If a traveling banner has been stolen, the club will not display its club banner, except at a special dance.
7. A club cannot steal a banner or retrieve its banner when their club caller is a guest caller of the club they are visiting.
8. If a large group is traveling to steal a banner it is strongly recommended that the host club is notified. (A recommended time is 3 days prior to night of dance, which gives the host club ample time, if refreshments are being served, to make preparations for the extra number of guests.)
