THANKSGIVING - A TIME TO SHARE

Thanksgiving evokes mental pictures of our pilgrim founders and native indians gathered together SHARING the gifts of the harvest and giving thanks. These SHARING founders set the policy for this great nation, which today shares its blessings with the entire planet. This philosophy of SHARING continues to influence all levels of our governmental structure, federal, state and includes even the smallest townships. Not only does this SHARING spirit influence government but also impacts on our private lives and organizations. It was in the great SHARING spirit that the N.E.F.S.D.A. BLOOD BANK ACCOUNT began.

On October 28, 1974 a square dancer was in the hospital facing open heart surgery, which would require in excess of 20 pints of blood. MARY ANN HIDDING and JUDY GARLAND recognized and accepted the challenge of acquiring this much blood in a limited time. They combined their talents and were successful in encouraging enough people to SHARE.

Through unselfish SHARING, enough blood was donated to meet surgery needs and have several pints on deposit at the Blood Bank. It was with these extra pints that the N.E.F.S.D.A. BLOOD BANK ACCOUNT was established. The account is maintained by having a minimum of twelve donations each year. The blood deposited to the account is withdrawn when needed to provide blood for members and immediate family of N.E.F.S.D.A. clubs. JUNE KEISER, Blood Bank Chairman, reported to Grapevine that anyone qualified can give blood at any of the Blood Banks or mobile unit locations and have it deposited to the N.E.F.S.D.A. BLOOD BANK ACCOUNT. She indicated that Badges are available for people that give blood.

The Jacksonville Blood Bank periodically publishes "Ten of the most frequently used excuses for not giving blood - - and why they don't work". The following is a reprint of that article. We bet you will recognize someone you know.

"I DON'T GIVE BLOOD BECAUSE...."

1. "IT HURTS TOO MUCH". Giving blood hurts about as much as sticking your finger with a pin. But don't take our word for it. Ask an expert: Like someone who's already donated.
2. "IT TAKES TOO LONG". Donating blood takes about 40 minutes - 40 minutes that could spare the life of an accident victim or prolong the life of someone recovering from surgery. Is 40 minutes really too long?
3. "I CAN'T STAND THE SIGHT OF BLOOD". Then don't look. There's really nothing to see. And we won't tell anyone if you don't.
4. "I NEED ALL THE BLOOD I HAVE". Not true. Most people have about 12 pints. The pint you give today will be replaced by your body in a short time.
5. "I HAVE A COMMON TYPE OF BLOOD THAT ISN'T NEEDED". All types of blood are needed simply because the more common types are used more frequently than the rarer types. The rarest type of blood is the type that isn't there when it is needed most - and that might be O-Positive, the most common type.
6. "I'M TOO OLD (OR TOO YOUNG) TO GIVE BLOOD". If you're between 17 and 66, the Jacksonville Blood Bank needs you. (And no matter how young or old you are, some day you may need us).
7. "I HAVE A COLD. (ALSO: I'M ON MEDICATION OR I HAVE A HANGOVER)". Some types of illness may permanently disqualify you from donating blood. Viral hepatitis (yellow jaundice), for one. Some may disqualify you temporarily, such as the flu. Others, such as a hangover, are mere copouts. Before you donate, you are always given a mini-physical to make sure you qualify. Most people do.
8. "I'VE GIVEN BEFORE. LET THEM USE THAT BLOOD". Unless you've given in the last five weeks, the blood you gave is gone. Blood is perishable. It can be stored for only 35 days. But, the demand for blood in the 22 hospitals served by the Jacksonville Blood Bank is so great that you can be sure your blood will be used long before it becomes outdated.
9. "EVERYONE ELSE IS DONATING, SO I DON'T HAVE TO". Not true at all. Three percent of the people in Jacksonville donate 100 percent of the blood. If four percent gave - that's one more person out of every 100 - the periodic problem of blood shortage would be solved.
10. "NO ONE HAS EVER ASKED ME". We're asking you now. If you don't think a friend or a relative in a hospital would understand any of the nine excuses above, we're asking you to do your part today. There's really no excuse not to.

BADGE OF THE MONTH

CLAUDE HAMNER

Names can be misleading. At first glance, the words, Lone Star, might lead one to believe it had something to do with the Lone Star State of Texas. Not so, this time.

The Lone Star Swingers are from Jacksonville, Florida. The club derives its name from the fact that the sponsoring institution, St. Paul United Methodist Church, is located on Lone Star Road.

Carrying the title out even further, the design is that of an old Western marshall's badge, with a lone star in the center. The badge is bright orange with white lettering.

The Lone Star Swingers dance every second and fourth Friday at 7:30 PM and guests are always welcome.

GRAPEVINE HELPERS

The last minute rush of details to get the GRAPEVINE out requires many willing helping hands.

Thanks to the following for their help in publishing and distributing the August-September issue:

Rosemary Mc Dermott

Ray Whittle

Derwood & Eva Coyle

Each of the above have been awarded the GV HELPER DANGLE.

It is the policy of the GRAPEVINE to recruit two couples to assist with each issue so when your turn comes, please say yes.

ANNUAL BLOOD BANK DANCE

Mike Akers reports that no dates have been set for the Annual Blood Bank Dance. The attendance at last years dance was negatively affected by other scheduled activities.

Mike is researching to establish a date for the dance which would result in minimal conflict with other events.

Did you know that the Annual Blood Bank Dance is of potential benefit to all Northeast dancers and the immediate family? The admission to the dance will be by giving blood yourself, being donated by someone else and having it deposited to NEFSDA BLOOD BANK ACCOUNT - OR - by cash donation at the dance.

More on this later from Mike Akers.

BANNER STEALING GUIDELINES

REQUIREMENTS:

1. A banner may be stolen by a minimum of 1 full square, in good standing as a club member, displaying club badges of the club they are representing and pay admission.
2. The banner can be stolen only on a regular club dancing night.
3. If 2 clubs appear on the same night to steal a banner from the same club the 1st visiting club to announce their intention to steal a banner to the host club President or the highest ranking officer present, will be allowed to steal the banner.
4. The banner may be retrieved by the owner club by observing requirement number 1.
5. A club cannot retrieve their banner and steal a club banner at the same time, even if more than the minimum visitors are present.
6. No recovering group can retrieve more than 1 banner per evening.

ETHICS:

1. A club will not steal a banner from another club more than 1 time every 6 months.
2. A club will not travel more than 60 miles to steal a banner, except by invitation of the intended host club.
3. A club having had its banner stolen will make every effort to recover stolen banner in a reasonably short time. If a club does not recover its banner in 6 months, the banner shall be returned to the owner club.
4. If a banner is stolen, the officials of the host club should be notified of the date, time and place the visiting club has its regular dances.
5. A club will not have more than 1 travel banner.
6. If a traveling banner has been stolen, the club will not display its club banner, except at a special dance.
7. A club cannot steal a banner or retrieve its banner when their club caller is a guest caller of the club they are visiting.
8. If a large group is traveling to steal a banner it is strongly recommended that the host club is notified. (A recommended time is at least 3 days prior to night of dance, which gives the host club ample time, if refreshments are being served, to make preparations for the extra number of guests.)

NOTE: These Banner Stealing guidelines were voted on at NEFSDA Meeting and approved by the majority of clubs attending, which means that you should be abiding by these guidelines.

HAPPY BANNER STEALING

5TH SATURDAY DANCE

The 5th Saturday Dance on August 29, was a great success. It was crowded at Forrest High School and dancing was at its best.

It was a pleasure seeing rounds, clogging and squares on the same floor. Let's hope that the three activities of western dancing will be at the next 5th Saturday dance.

CALLERLAB

The International Association
of Square Dance Callers

John Kaltenthaler
Executive Secretary

As the time for Fall classes approaches, CALLERLAB wants to encourage clubs and caller-teachers to take a critical look at their class programs and goals.

Review the current Basic and Mainstream Programs carefully in light of the time available for instruction and the clear need to graduate well-grounded dancers. Dancers should be taught not only the choreography of the various basics but also an introduction to the topics of history and heritage, dress, dance customs and manners, as well as simple rounds, mixers, and contras. Teach the basics from more than just a single set-up and insure both heads and sides can dance each part comfortably. Note that the new Basic Program (which combines the previous Basic and Extended Basic lists) makes an excellent 30 week package and is well suited for those areas where conditions limit class time to about 30 weeks a year.

CALLERLAB recommends 41 sessions of 2 to 2½ hours each to teach the complete Mainstream Program, and many areas are phasing into a two year program of instruction to ensure that graduating dancers meet with success when they enter the square dance world. It seems clear that much of our dropout problem is rooted in the fact that some dancers are rushed through class too quickly and find that they cannot cope after graduation. Rushing dancers through class to increase club membership or the club treasury is short-sighted at best.

How much better to produce dancers who will be around for a long time because they are comfortable with and enjoy their square dance experience. The freezing of the Mainstream list for a period of three years enables us to look ahead and plan our teaching program without fear of disruptive changes. Let's make the most of our opportunity and rededicate ourselves to graduating really capable, smooth-dancing, happy dancers who are well-prepared to take their places in the square dance world and have the background and motivation to prepare for positions of leadership.

CALLERLAB PRESS RELEASE

For the quarter beginning October 1, 1981, CALLERLAB has selected two new movements for use in workshops at Mainstream Dances. The movements are CHAIN DOWN THE LINE, written by Don Beck, and STAR THE ROUTE, authored by Don Williamson.

CHAIN DOWN THE LINE: from a right-hand two-faced line or left-hand ocean wave, centers trade while ends adjust as necessary. Then the ends courtesy turn the centers. Ending formation is facing couples.

STAR THE ROUTE: from a static square, those designated (heads or sides) will complete the call. Example: the heads will Right Hand Star 3/4

to meet the couple on their right with a Left Hand Star one full turn....heads will meet back in the center of the set to Star Right 1/2 Way to meet the other sides with a Left Hand Star One Full Turn...Heads meet in the center for a Right Hand 3/4 Star back to home position. It takes 32 beats to execute STAR THE ROUTE.

Please remember that these are the selections for the quarter beginning October 1, 1981. It does not mean that all clubs or all dancers must use the calls but rather, they are for groups that would like to try something extra. They should be workshopped before being used at any dance labeled Mainstream. Not all clubs enjoy or desire other than standard positioning.

WHAT IS ROUNDALAB?

ROUNDALAB is a professional teachers organization open to all who are actively teaching round dancing, at any level, anywhere in the world. It was formed to promote, protect and perpetuate the general round dance movement as a complement to the over-all square dance picture. It is the organization of choice for round dance teachers who wish to bring full professional competence, accreditation, standards, ethics and recognition to the round dance instructorship field.

ROUNDALAB is an organization for all round dance teachers who are honestly dedicated to the preservation and enhancement of round dancing as a distinctive form of dance, similar to, but uniquely different from folk dancing and ballroom dancing.

ROUNDALAB is the only international organization whose membership is limited to those actively engaged in the teaching of round dancing. It is the only organization where all who teach round dancing on a regular basis can work together to improve the round dance teaching profession.

ROUNDALAB was organized under the sponsorship of LEGACY and has been recognized as the organization which speaks for the round dance teaching profession by CALLERLAB and many local and area square and/or round dance organizations. We are incorporated as a non-profit professional society and have been recognized as such by the United States Government.

Our primary purpose is to make round dancing more enjoyable for the dancer, world-wide and at all levels. Our purpose is being accomplished through standardization and improved teaching techniques in cooperation with the square dance calling profession and all other groups with the same purpose.

For further information about ROUNDALAB, ask a friend who is a member or:

CALLERS COMMENTS

TIPS FOR ANGELS:

"ANGELS" TAKE HEED, CLASSES ARE HERE AGAIN

An Angel is an experienced Square Dancer who is helping the new beginners in the square dance class.

With some 24 years in square dancing as dancer, caller and teacher, I offer some "Do's" and Don'ts to help you be a better "Angel" and to keep from running the new beginners off to other forms of entertainment. Remember how so few actually make it to graduation, and even fewer continue thereafter.

Read these eleven points and digest them:

1. Be gentle, the smoother it is the more fun it is, get rid of the rough stuff.
2. Be patient, it takes longer for the beginner to react to a call. Everyone has a different rate of learning.
3. Don't embarrass them. They'll leave and never come back. The bad taste will always be there.
4. Don't twirl the lady beginners, they get dizzy and disoriented and want to sit the next tip out.
5. Don't be first out on the floor. You may not be needed for this tip. Class members should never sit out a tip.
6. Don't be a teacher, let the caller do the teaching.
7. Do every call, even the Do-Sa-Do's, not short cuts or showing off, someone is watching you.
8. DRESS LIKE A SQUARE DANCER, not your very best outfits, but if you dress the part, they'll get the idea that you are here for their benefit and not just for your own fun.
9. Be a real helper of the class by moving chairs, tables, making coffee, the caller needs help with all that heavy equipment.
10. Leave your place of dance cleaner than how you found it.
11. Don't expect the caller to call a special tip for all you experienced people. Class time is precious and goes all too fast. He never seems to cover all that he had planned.

To sum it all up, if it is fun for the beginners, it will be fun for you too. The most fun you ever had was in class.....remember??????????

Mr. Frank Hamwey, President
Northeast Florida Square Dance Association

Jacksonville, Florida 32206

Dear Mr. Hamwey:

Many thanks for the outstanding cooperation your organization has extended the Duval County Public School System in our efforts to resolve problems which have surfaced regarding use of school facilities by dance clubs under your jurisdiction.

As I have expressed to you in our conversations, our only purpose is to make certain all policies of the Duval County School Board pertaining to building use by outside organizations are followed, and that publicly owned school facilities are not utilized as private dance studios to generate personal profit for individuals.

Our relationship with the vast majority of square dance groups has been excellent and I have found your members to be among the finest people we work with in our Community Education Program.

To ensure that these fine people may continue to hold dance activities in our community schools, the following policies regarding this use must be followed:

1. All square dance clubs which wish to use community school facilities must be chartered as non-profit organizations under appropriate laws of the State of Florida and should be members in good standing of the Northeast Florida Dance Association.
2. Square dance clubs which sponsor social dances and wish to collect visitation dues from members of other clubs must address this practice in their club by-laws. These clubs should address dues in two sections, "*Annual Membership Dues*" and "*Visitation Dues.*"

3. Square dance classes shall be administered as Community Education fee based classes, all registration fees collected by the individual community school Assistant Principal for Community Education and deposited in the school's internal accounts.
4. Class instructors shall be paid by School Board check. Action will be taken by the School Board at its September meeting on a salary schedule which has been deemed fair and equitable by all parties. I will notify you of their action the day following the meeting.
5. If use of facilities is outside normal community school hours of operation, the club shall be required to hire a member of the school staff (to include custodians) to open and close the building and supervise the activity.
6. The club shall be responsible for leaving the building in a proper state of cleanliness.
7. Coordination of dance activities by the Community Education Department shall be accomplished in cooperation with the Northeast Florida Square Dance Association, not with individual clubs.
8. Square dance activities shall be construed to encompass clogging and round dance.

Please express my appreciation to your members who have aided in this agreement.

If I can be of further help, do not hesitate to call me at 390-2120.

Sincerely,

Jack Taylor, General Director
Community Education

SPOTLIGHT on

ALLEMANDERINS

Several square dance classes were taught at the Church of Our Savior Episcopal Church in Mandarin in 1963 and early 1964. They were taught by Ann Lawhorn, who was the caller for the Y-NOTS Club at the YMCA at the time.

Members of those classes called a meeting in September 1964 to form the Allemandarin Square Dance Club. (The name was derived from combining the Allemande call and Mandarin where it was formed).

Ann Lawhorn was the first caller. John and Vivian Hansen were the first president. They served two terms and were succeeded by Charlie and Dot Landis.

They began dancing in the Sunday School room at the Church of our Savior, but very soon after organizing, Hurricane Dora damaged the church and they were forced to find another hall.

The Mandarin Athletic Club came to the rescue and offered them their old building, which had been moved from Camp Blanding after World War II. The club put a lot of work into the old building, sanding the floor, painting, fixing up the kitchen, installing an air-conditioner, etc, but according to reports it was worth all of it with many great dances being held. (There were even reports of some of the floor boards being stomped through with some of the exuberant dancing).

Tragedy struck in July of 1969. A fire thought to have been started by faulty operation of the air-conditioner destroyed the hall. They moved back to the Church of Our Savior Sunday School room for a few dances and then to Phillips Mall where they danced in several empty stores until September of 1970 when Wolfson High School's Cafeteria became available. We've been here ever since.

Ann Lawhorn, our first caller, served for about two years when she had to quit for her health. She was replaced by two alternating callers, Johnny Robbins, who was local and taught their classes and John Saunders, who came in from Daytona Beach.

Not long after the MAC Hall fire in 1969 Johnny Robbins was transferred to Ft. Lauderdale. Dick Barker was hired to replace him. Shortly after that John Saunders resigned and was replaced by Billy Bishop.

It was about this time that the Allemandarins got their first round dance cuer, Helen Clout, (now Ruis) who called for about a year before being replaced by our present cuer, Edith Reisen. (For two short periods in 1975 - 76 Ray Scott alternated cueing with Edith and also called a few tips).

Dick Barker and Billy Bishop alternated calling until the summer of 1978 when Dick Barker decided to go professional. Wayne Brooke took his place briefly but decided not to continue. Bobby Keefe was then contacted and called for the rest of 1978 on a temporary basis. He became our regular caller early in 1979.

Our first club exhibition started off with a bang in Hemming Park Aug. 21st. with newspaper and TV coverage as part of "Variety Fridays" in the park. Our first Mall appearance filled a Sat. afternoon in Regency Square with 4 performances. It was a busy day but we enjoyed every minute of it.

Our Clogging Tots have had a busy schedule too. After their first exhibition at SCL, they sported new Bavarian type costumes as they exhibited along with the club for a church sponsored fashion show. This troop of 6 youngsters was also pretty excited about their exhibition at the Alhambra Dinner theatre for a private party of 400.

Our beginner clogging class started Sept. 18 at the Southside Recreation Center from 7-8:30.

We are all looking forward to the Jax Clogging Jamboree in Oct. and working hard on our part as one of the many exhibitions. Our 6 Tots danced for the Jerry Lewis Fund and raised over \$100.00

There were quite a few Swingin' Saints at the Christmas in July Benefit Dance and fun was had by all. Perhaps they will make this an annual event. Debbie, our president, has been in the hospital, but she's back dancing now and feeling terrific.

We had over 50 at our Ice Cream Social Dance, enjoying the dancing & the many delicious flavors of home-made ice cream and the lucious toppings.

One square of S.S. went on the Bahama Cruise and they had a fabulous trip. Our own CAROLYN MULROE won the drawing for another cruise. Our congratulations!

Our new classes begin Sept. 11, at 7 P.M. We wish all new students our best. We have a hayride scheduled for Sept. 19, and we are looking forward to having even more fun than we had last year!

We invite everyone to come dance with us. We draw a visitor's name at each dance, so come out and try your luck at winning a free dance.

Our trip to Nassau was a delight to us. It was everything we expected and then some.

We shopped and spent lots of money. We gambled and LOST lots of money, AND WE ATE -- and we ate -- AND WE ATE! The food was great! Of course, we came back several pounds heavier!

We did very little sleeping - lots of partying and laughing. Oh Yes! We did square dance some too. Some of us went swimming and snorkeling, some toured the city, shops and straw market. All of us went on a night club tour to the Casino. WOW!! There just wasn't enough time to do everything. Sadly all tours were cancelled Sunday due to rain. (There went our motorcycle tour of the island!).

One of our own party of eight tried to sneak past customs in Nassau. Another lost all her souvenir gifts and then found them. At this time I prefer not to mention our attempt to clog for the ship's Gong Show. What a disaster!!!

Coming back in tropical storm Dennis was an experience! One that some of us prefer to forget. No small number of us got sick! We "rocked and rolled" all the way home!

Upon closing - one of our Jacksonville dancers won a free cruise. Great! (Course, she was too sick to appreciate it at the time. She'll be thrilled later.)

CHRISTMAS IN JULY DANCE REPORT

Sleigh Bells, Santa Claus, Gifts, the ingredients for "CHRISTMAS IN JULY". The silver ring of the sleigh bells represents the 2,400 plus dollars that was donated to the Crippled Childrens Fund of the Shrine.

Santa Claus was represented by you the 800 Square, Round, and Clogging dancers in all the color representing 54 clubs, that only square dance apparel can emit.

The presents again represented by what you gave to the Crippled Children, but you also received several gifts that night, dancing to some of the finest callers, cuers and clogging instructors in this area of the United States.

The deep pride every dancer felt from this dance can be traced back to Larry Gwathney, President of the Jubileers at the inception of Christmas in July for Crippled Children. Larry believed that square dancers should be involved in community affairs and felt that we as dancers should give of ourselves and talents in return for the support the community had given square dancers through the years. More than 54 clubs from as far away as Guam, Kentucky, Maryland and Georgia as well as all over Florida participated.

As you read this article, look in the mirror, thank yourselves because you are the ones who made all of this possible.

MERRY CHRISTMAS TO ALL IN JULY AND TO ALL A GOOD DANCE.

George Warren

FALL ROUNDUP REPORT

The time of the joyful occasion is rapidly drawing near. This, of course, means an additional effort by the Fall Roundup Committee to increase club visitation so that all dancers can be aware of the pleasant benefit of attending and supporting this festive occasion.

We take this opportunity to encourage dancers to please purchase your ribbons before the dance so that waiting at the door will be reduced to a bare minimum.

We also urge you to please give your Fall Roundup Program Ads and Program Directory Names Listing to the Fall Roundup Committee promptly so that we can get this program camera ready and get it to the printer. This is a gigantic endeavor and we really need your cooperation.

SEE YOU AT THE FALL ROUNDUP!!!!

A MATTER OF DEGREE

How often do we hear the general statement "High level dancers look down on those dancing a lower level". This is a very wrong general statement. Granted there are some in our avocation who are prudes, but it is certainly unfair to ascribe this minority attitude to higher level dancers in general.

Are we indeed fortunate to be located in an area which affords talents which are capable of guiding us through the various levels from the basics to challenge. Needless to say, many whom would appreciate this variety of talents are not so lucky.

This is in no way to imply that all dancers should feel compelled to advance their level. What is more important is that we enjoy dancing and this means feeling comfortable with the level. We enjoy dancing at any level where we are comfortable.

In essence, after all, isn't it the individual's own personal ego that dictates the degree of our accomplishments. This bottom line is the all encompassing multi-faceted question no matter what the level "Am I having fun?"

WOW! WHAT A CRUISE!!

We left from Miami on Friday, August 14, and returned Monday August 17. There were 75 hardy souls from a variety of local clubs with the Lone Star Swingers leading the pack with 23.

Francis New received the award for the best packing. The boarding procedure requires the bags to be checked prior to boarding. When the attendant called for the tickets, Francis realized how well he had packed - - - tickets and all. Only after some fast talking was he & Mona allowed to sail.

Finding your way aboard ship presented a great challenge, but after the first day we began to get the hang of it.

When we finally sailed we had to go through "Abandon Ship" drills... If the ship is so safe, why did we spend so much time learning how to abandon it??? During the drills, Glen Cowart was overheard arguing with the life boat captain that his life preserver didn't fit.

Friday and Saturday we were entertained with a great show by the ship's entertainers. There was a magic show in which Bob Hare and Marilyn Cooney participated. Perhaps the highlight of the magic show was when Marilyn was given 10 cards to hide where the magician would not be tempted to get them. Marilyn opened the top of her dress and the cards, ten of them, disappeared. When the trick was over Marilyn pulled out 13 cards!! No one knew how the trick was done, but Marilyn seemed to enjoy it.

On Saturday we docked at Nassau, and all the folks went on tours, Glass Bottom Boats, or went snorkling, walking, or shopping.

Jim Helms was stopped by the Bahamian Customs and had his bag of souvenirs searched. Dell Chambless hit it big on the slot machines, but was upset that they did not serve grits with breakfast---no one told him

to look on the menu under cereals!! By the way, if you get a chance, ask Mitch Gaston about the topless show in the Casino. With all this activity we did manage to dance with Gil Crosby and Art Wilson. I think the other passengers thought we were part of the ship's entertainment.

In fact, on Sunday evening they held a Gong Show and a group of our cloggers (Stiles, Groovers, Cookie Cowart & Carl Hart) performed for the passengers. Wonder of wonders...they weren't gonged!!

On the way home we found out what the S.S. means in S.S. Emerald Seas. SEA SICK!! Monday morning our ship hit heavy seas as a result of tropical storm Dennis. Cookie Cowart played nurse to some of those who suffered from mal de mere.

Carolyn Mulroe won the ship drawing for a free cruise. Husband Tom is ready to go anytime, but Carolyn wants to check the long range weather forecast first.

It was a great experience, in spite of the storm and I'm sure we will go again someday.

Happy Sailing!!

FONTANA IN 1982 ??????????

If you are planning to attend any of the Square Dance Festivals to be held at Fontana in 1982 it is suggested that you make your reservations NOW.

The 1982 Worlds Fair "EXPO 82" will open in Knoxville, Tenn. in early spring. Living facilities within a 100 mile radius of Knoxville are being reserved for the expected "EXPO" crowds. Fontana Village, only 60 miles away, has already booked all of the deluxe cabins to German Tour Groups for the entire season. There are still some vacancies in the smaller cabins, lodge, and inn.

Newly engaged couple, MARTHA ARNEY & RICH ALLISH, dancers with the Lone Star Swingers, Jubileers and Spotlighters, told Grapevine that marriage plans are incomplete.

COMMITTEE REPORTS

FALL ROUND-UP: Fred Groover, Chairman, reported they are still visiting clubs promoting the Fall Round-Up. He asked delegates to please encourage their club members to get their names in the listing for the directory in the back of the Fall Round-Up program. This should be done by the end of Sept. so the directory can be printed as soon as possible. He reminded the delegates that volunteers from their clubs are needed to work at the door at Fall Round-Up. These names should be given to Norm Farrell so that he can work up a schedule. All clubs should get their banners to the Civic Auditorium on Fri. morning, Nov. 13,

while they are decorating, or get it to some member of the Committee prior to this time. Ribbons are being handled at the club level so they will be available to everyone ahead of time. This will prevent having to wait to get in at the door and save \$2.00 on each ribbon. He reminded everyone to bring finger food in a disposable container for the after-party Sat. night. Norm Farrell said he had sent letters to all clubs asking for volunteers to work at the door some time during the week-end.

GRAPEVINE: Paul Walker, Editor, reported that subscriptions had increased from 337 in March to 456 in Sept. Gateway Callers Assoc. has paid for subscriptions for all GCA members. Expenses since July report were \$661.28; Income was \$921.95. At the Florida Federation meeting at the State Conv. in May they requested that all Associations exchange publications. Several Editors are now doing this on a complimentary basis, as is the Georgia State Federation. As requested by the Bow & Swing, subscription forms for that magazine will be printed in future issues of the Grapevine. For information on the new advertising rates, effective with the Oct.-Nov. issue, contact the Grapevine. The NE Florida Directory of Clubs will be printed and mailed by the end of Sept. Subscribers will receive their copies free as a way of thanking them for subscribing to the Grapevine. Only local advertising will be included. If your club has a special dance anytime during the next year and you want it included in the Directory, see him today. Additional copies of the Directory will be \$1.00; \$1.25 by mail. Paul thanked Rosemary McDermott, Ray Whittle, and Durwood & Eva Coyle for their help putting together the Aug.-Sept. issue. He reported that Merry Mavericks had extended an invitation to the Grapevine Editors and Co-Editors to dance free any time with their club as a means of thanking them for their efforts in publishing the Grapevine. Paul showed a copy of the new Directory and the type of information it will contain.

PICNIC: Margaret Kaczmarczyk, Chairman, reported the date for the 2nd annual picnic will be April 4. Episcopal High School on Atlantic Blvd. has been selected as the location, but they are also looking into several other locations. She will give another report and announce the committee members at the next meeting.

FIFTH SATURDAY DANCE: Neil Brown, Chairman, reported 35 squares at the last dance, with \$280 profit. The next dance will be Oct. 31 at Forrest HS with GCA callers Jim Duncan and Eddie Millan. Doris Krevo will be in charge of clogging with Ted Keiser on the rounds. Host clubs will be Allemandarins and Challengers. Neil thanked the Yellow Rockers and Seabreeze Singles for the refreshments at the last Fifth Sat. dance and also thanked all clubs who helped during his year as Chairman of the Fifth Saturday dances.

GATEWAY CALLERS: No report.

BLOOD BANK: June Keiser, Chairman, re-

ported 57 units on hand. Since her last report there have been 12 donations and thanks were expressed to the following: J. Frank Smith, J. W. McCall, Frank Scatto, V. A. Green, W. E. Hamlin (twice), L. M. Bannon, R. J. Bushnell, J. A. Morgan, J. E. Smith, J. R. Moore and J. T. Keiser. June also showed Blood Bank Badges, which say "NEFSDA Blood Bank--I Gave". OLD BUSINESS

Elections: Lou Connally, Chairman of the Nominating Committee, recommended the following slate of officers for 1981-82:

President: Fred & Claudia Groover
Vice-Pres.: Norm & Joyce Farrell
Recording Sec.: Ernie & Ruby Holt
Corres. Sec.: Durwood & Eva Coyle
Treasurer: Bud & Marge Stiles

There were no nominations from the floor and all nominated officers were unanimously elected. The new Board will take office on October 1, 1981.

At the July NEFSDA meeting a letter from Jack Taylor, General Director of Community Education, Duval County Public Schools, was read, stating rules that must be complied with in order for square dance clubs to use the schools. As a result of this letter, Sam DeBartolomeis and Fred Groover met with Jack Taylor, who, in turn, met with the School Board, and they set some policies for school use. Norm Farrell read a letter from Jack Taylor, dated Sept. 8, which stated the policies now in effect. The main points of the letter were: in order to use the schools, clubs have to be chartered with the State of Florida as non-profit organizations; fees paid for dance classes will be collected by the school; instructors will be paid by School Board check; if school is used outside of normal community school hours, the club must hire a member of the school staff to open and close the building and supervise the activity. Copies of this letter have been sent to all NEFSDA clubs.

Fred Groover read a proposed addendum to be added to NEFSDA BY-LAWS, Section IV, MEMBERSHIP: "j. Individual clubs desirous of utilizing the facilities of the Duval County Public Schools shall be chartered with the State of Florida as a non-profit corporation. A copy of this charter shall be presented to NEFSDA at the time a club furnishes a current membership roster when applying for membership in NEFSDA. NEFSDA shall, in turn, notify the Duval County School Board that the member club has complied with the requirements set by the Duval County School Board for use of their facilities."

There is an initial cost of \$38 to incorporate, with a \$10 fee annually there-

after. When a club receives its charter from Tallahassee, Fred requested that NEFSDA be furnished a copy so they can, in turn, send a list of clubs which have been chartered to the School Board.

NEW BUSINESS

Norm Farrell read a letter from Lawton Smith, caller, requesting membership in NEFSDA for the Clay Wheel Arounds. It is a newly formed club, caller run, dancing Mainstream level. They dance every Thurs. night at the Orange Park Lions Club on Stowe Ave. A motion was made, seconded and unanimously approved to accept them into NEFSDA membership.

George Warren announced that a check for \$2400 was turned in to the Morocco Temple from the Christmas in July Benefit Dance.

George also announced a "Caller's Taw Appreciation Dance" on Oct. 10 at Fort Caroline Jr. High, sponsored by Jubileers.

Frank Hamwey announced that George Warren is the Chairman for the 2nd annual Christmas in July Dance in 1982 to be held at the Morocco Temple.

Dot Roberts said that Roy & Hazel Hall had lost a son in an accident and she has their address if anyone would like to send them a card. She also said that Harvey Gordon was in Baptist Hospital in I.C.U. if anyone would like to send him a card.

There will be a Fall Round-Up meeting immediately following the NEFSDA meeting.

Frank Hamwey thanked the Board--Fred & Claudia Groover, Bill & Mary Stanton, Norm & Joyce Farrell and Bud & Marge Stiles--for all the help they had given him and Ruth during their term as President of NEFSDA. He also thanked the clubs and delegates for their help. Frank & Ruth were given a standing round of applause in appreciation of their work this past year.

Sidney Few announced Sunshine Sweethearts are presenting Tony Oxendine on Jan. 23, 1982 at Forrest HS. Tickets are \$6.00 a couple, available from any Sunshine Sweethearts member.

Marie Fisher announced Seabreeze Singles are starting their class at St. Catherine's in Lakeshore on Sept. 14 at 7:30 p.m. She asked any clubs having single people in their classes to please refer them to Seabreeze Singles class.

FALL ROUNDUP HISTORY

"The Fall Roundup", one of the oldest square dance festivals in Florida was originated by Bill Camp. On November 13, 1954 he called the first dance at the Pythian Center in Jacksonville, with approximately 150 dancers attending. In 1957 Bill turned the Roundup over to the N.E.F.S.D.A. which had just come into existence. They, along with area caller's, sponsored it. In 1962 the festival was moved to the Civic Auditorium and featured National Callers and in 1971 a National Round Dance couple was added to the program. The Fall Roundup has continuously been a success. Bill Camp, now deceased, will long be remembered for his contributions to local square activity and as father of the Fall Roundup.
