39TH FLORIDA STATE S/R DANCE CONVEN- TION

Well time marches on at Ft. Myers, last Sunday, Howard said at the last convention. The Brasfields did a fantastic job with the kickoff, but this is nothing compared to what's going to happen at the next convention in May. It is just a small example of what is in store for us in Lakeland this May. Already the wheels are turning to give the best convention ever. The different committees under Bob Barnes and Jim Moran are doing their thing to have the best Callers and the best Cuers. While others are arranging the halls to make for better dancing. We are even working on better sound to. I heard that every level of dancing will be represented. The Callers are brushing up on their best calls and the Round Dance leaders are researching the new Round Dances to make the floor look beautiful with the circling and swaying of the Dances. Gerald and I are discussing ways to make the program easier for you to find the section you want. We hope to have Sue Hester showing her sewing demonstrations and sewing techniques, something to look forward to. The Round Dance chairman hopes to have a syllabus of the dances taught. The SD/RD Program will be available at the convention and in the Bow & Swing S/D Magazine.

Its been awhile since we talked about the Nationals. Bet you're wondering what the Nationals have to do with the State Convention? Muri Herbert heads the committee with Muri and Sally here in the west coast to help bring the Nationals to Florida in 1997. To help finance the bid for the Nationals they are selling tickets on a new car. Just think about having fun driving a new car home. The car will be given away at the 92 State Convention. This ought to entice you to get you a registration form and mail it in along with your check. Please register now, as you can save money.

1997 NATIONAL CONVENTION BID NEWS

ATTENTION ALL CAR TICKET HOLDERS: We need a last big push to sell car tickets. Time is running out. You are playing a major role in efforts to bring the 1997 National Convention to Florida. We only have a short time left until the Florida State Convention in May when the new Ford car will be awarded to the lucky winner. It is a big job selling these tickets but the reward is in knowing you did your part. Your efforts are appreciated and the Northwest Ass'n Bid Committee thanks you.

You may turn in your money and stubs by mail anytime to Marvin and Olena Taylor. The deadline is May 15 for you to turn in all money, stubs and unused tickets. If you are going to the State Convention your deadline is anytime before the drawing. Please make checks payable to FFSD-NSDC 1997 Fund.

Seminole badge "stick-ons" and earrings are also playing a major role in supporting the National Convention bid effort. Do you have yours? Stick a Seminole on every badge you have. Ladies Seminole earrings are the "in" thing. Contact Nita Gilborun or a member of her committee for your Seminoles.

The Northwest Association needs to raise a lot of money - about \$3,000 to do it's share. The National Executive Committee of the National Square Dance Convention met in Orlando recently and were favorably impressed with the facility and what Florida has to offer. The Northwest Association bid committee needs you help. Won't you do your part? Thanks in advance from the Northwest Bid Committee. Marvin & Olena Taylor 456-0755; Anneita Gilboourn 663-4959; Joe & Joy Vaccari 243-9484.

CALLERLAB

The Callerlab Foundation for Preservation and Promotion of Square Dancing will host three Trail End Dances at the 41st National Square Dance Convention in Cincinnati, Ohio, Wednesday, June 24, 1992, 8:00 - 11:00 PM.

The Mainstream, Plus and Advanced programs will be conducted in the Cincinnati Convention Center. Prominent Callerlab callers and cuers, many of them top recording callers, will staff the halls. Admission is free. Tax deductible donations to the Foundation will be solicited throughout the dance. Examples of Foundation projects, past, present and future, as well as a history of the Foundation, will be displayed near the Mainstream and Plus halls.

The Foundation hosted similar Trail End dances at the 40th National Convention in Salt Lake City, resulting in donations to the Foundations in excess of \$900.00. Trail Out dances at Anaheim, Oklahoma City and Memphis were also very successful, with many dancers proclaiming them to be the "best dancing at the convention!".

Donations to the Foundation have been used to provide hundreds of video tapes, featuring three, professionally produced, TV commercials, designed to recruit new dancers. These commercials have been aired over hundreds of TV stations and cable networks. More recently, the Foundation has produced a deluxe, color brochure to be used in recruiting new dancers. Many dancers are already familiar with the 'New Song & Dance Routine' brochures. Over 250,000 have been placed in the hands of callers, clubs, organizations and associations throughout the U.S., Canada and many foreign countries. A second printing of 100,000 brochures has been approved by the Foundation.

Donations to the Foundation are tax deductible as donations to non-profit, tax deductible organizations, registered with the Internal Revenue Service as 501(C)(3) corporations. Donations may be sent to:

BAYOU SHUFFLERS

The Bayou Shufflers have completed another successful year, filled with fun and Dancing. Led by great leadership from Club Officers. The Murphy's as President, the Woodcocks as Vice President, the Stricklands as Treasurer, and the Olives as Secretary. These people did a great job for us all!! It is as I have said many times through this news letter, some one has to take the responsibility for "Running the Ship", or soon you don't have a ship to sail on. Your officers need and deserve your support and help so that your club progresses and moves ahead to provide us with a place to enjoy our sport and know that we can continue into the coming years. These folks did a good job and have taken lots of personal time to insure each nights dancing when they could have just come and danced and gone home without a glance back. Thanks to all of you for your dedication and energy!!!

WHIRLAWAYS

With sadness in our hearts and tears in our eyes, we heard our last "Bow to your Partner" from our caller and friend, Jay Wiggins. Having accomplished his goals of becoming a dancer, instructor, club caller, multi-state caller, a caller at a National convention, and producer of several outstanding records, Jay has decided to lay down the microphone. As dancers, we can appreciate all of the hours and devotion that it takes to achieve all of those goals. Being long in imagination and sharp in wit, Jay and his wife, Benita, delighted us on many occasions with special effects, songs, costumes, and even story telling. As much as we hated to see them leave the club, we know that they will be enjoying more time together fishing, snow skiing, boating, etc. To our very dear friends, we wish them the very best.

CHIPOLA GRAND SQUARES

Are busy as little beavers promoting Square Dancing. We have 2 classes going on - one will graduate in April, the other is about half way. Bearing all complications Chipola Grand Squares will add 19 new members to the N.W. in May and 13 more by July.

We are working very hard to get everything worked out for our Tim Marriner special

dance on July 11 at the Regional Arts Center in Marriner.

A large number of us have visited Clubs & Special dances in Eufaula, Ala., Vernon, Fl., Tallahassee, Fl., and many other areas. Plans are being finalized to attend the Ala. Jubilee in Birmingham and the Mobile Festival and the Fla. State Convention.

We have put on demonstrations at Fla. State Hospital for the clients and are Scheduled for 2 more exhibitions, one in Sneads at their Golden Doze Festival and at the Chipola Jr. College Arts and Craft Festival in April.

We also held a very successful Benefit dance for Habitat for Humanity. Thanks to Darryl McMillin for his help in making this annual event so successful.

We dance every Thursday at 7:00 p.m. (ct) at Chipola Jr. College Cafeteria. Everyone is welcome.

SEASIDE SQUARES

We are off to another year here at Seaside and I feel it will be an excellent one. First of all we have a new air conditioning system which we can all be proud of and will especially appreciate in the summer months. But there is still much to be done around Ragon Hall if we are to upgrade and preserve it for the future. All the clubs within the Seaside Family have a full list of special activities scheduled for the year and I urge your support for those activities. Our line up of National Callers this year is a good one and I hope as you visit and travel around you will spread the word of the coming events here at Seaside.

SEASIDE ROUNDS

Chuck and Nancy Sample have led us to another successful and fun dance year. Our membership is increasing due to, I believe, excellent instructors, friendly members, and the best dance floor in Pensacola. The members and Chuck & Nancy invite you to visit us any Wednesday night between 7:30 and 9:30. A date for the next round class will be announced shortly. As in the past, the club

sponsors a Weekend of Rounds (coming in April), whereby round dancers from all over come to learn the latest national popular dances/styles, etc. OOPS! — I almost forgot, sometimes we have short workshops on Wednesday nights to cover new or requested round dances.

SEASIDE FUNBUNCH

The name of the game is "SQUARE DANCING IS FUN" and since September 21st, 1990, a group of dedicated, hard working members; some Special Callers and a Special Cuer have made it just that at the Seaside Fun Bunch! Many thanks to each and everyone of them. We now have 34 members and some special events are scheduled for the months ahead, so we hope our future is as great as it looks. We invite all dancers and students to dance with us any time. The first Friday night of each month we have our regular business meeting unless there is a Special Dance that night. We hope you will come and dance with us soon.

SQUARE DANCE CODE OF ETHICS

1. COURTESY - As a square dancer I respect other dancers and callers and treat every one with courtesy.
2. FRIENDLINESS - I go beyond the matter of form because those who participate in this activity with me are all my friends.
3. LOYALTY - I support my own club in all activities because it means that the continuance of square dancing depends on my personal loyalty.
4. CLEANLINESS - I do not wish to offend anyone. I am very particular of my personal habits, breath and cleanliness.
5. ABSTINENCE - Many Square Dances are held in public facilities where liquor is forbidden and their continued availability is dependent upon a favorable public image of square dancers. The co-ordination required for following the calls is impaired by drinking and close contact in a square with one who has consumed alcoholic beverages may be offensive. Therefore, I recognize the validity of the efforts to maintain a separation of Square Dancing from drinking, and will refrain from its use before and during the dances which I attend.

MISSISSIPPI GULF COAST ACCOMMODATIONS
1992 LIST

Most all accommodations are listed and they do not necessarily bear out recommendations. There are several quite large conventions scheduled for the same dates as our Festival. This is also the peak tourist season so accommodations may be somewhat at a premium. Rates are subject to change, without notice and quotations are sometimes minimums. Most Motels and Hotels honor two or more credit cards. Double (D) means two people, most places have an additional charge for additional adults, some have no extra charge for children 17 and under. Generally, hotels and motels require a deposit of one day's rental or a credit card number for reservations. Auto distance indicated is approximate for the Coliseum Complex to the accommodations.
