President's Corner

The Northwest Association's winter meeting was held in DeFuniak Springs on 12 February 2000. Tony and Patti Gee, Vice Presidents, conducted the meeting. Panhandle Press topics of discussion included the need for more club activity reports for inclusion in the Panhandle Press. Also, a request was made that Northwest clubs check the Panhandle Press Schedule of Events before selecting a date for any special dances to avoid conflicts of Northwest special dances.

Fred and Shirley Cornett are very busy with activities preparing for hosting the 2002 Florida State Convention activities. The Kick-Off presentation at the 2001 Convention is of immediate major interest and they need more volunteer dancers to participate. It is always a fun time to be a part of the Kick-Off and it is only a little over a year away. The Cornetts also need more (your) volunteer help on many of the Chairpersons positions. A Benefit Dance for supporting the Northwest 2002 State Convention activities will be held at PASARDA Hall, Fort Walton Beach on 8 April 2000. Plan to attend for a fun dance supporting a good cause.

Do you have your tickets and plans made for attending the "Dancing's the Rage in the New Age" 46th Florida State Convention, 26, 27 & 28 May 2000? If not, complete the Registration Form in this issue and sent it in.

The next Northwest Meeting will be held in Pensacola in conjunction with the Five Flags Fiesta Dance on Saturday, 17 June 2000. The meeting will be held at 4:00P.M. at Hall's Seafood & Catfish Restaurant.

Canoe Squares

Milton ... January brings club elections. Our new officers are as follows:

President--Pauline Dazey
Vice President--Mary Hamilton
Secretary--Diane Prihoda
Treasurer--Flo Hendrix
Sheriff--Muriel Jones

Our most recent 5th Monday potluck dinner was on January 3rd with six squares dancing. As usual, the food and dancing were great.

Canoe Squares was well represented at the Northwest Callers' Sweetheart Swing. This was held in DeFuniak Springs on February 11th and 12th.

On February 26, we had our 16th anniversary dance. The theme was Mardi Gras. Visitors received a string of Mardi Gras beads to wear. The decorations were in the appropriate colors of purple, green and gold. The decorating committee, Cathy Bullard, is to be commended for a fine job of decorating and coordinating as the hall looked exceptionally good. There were 19-20 squares dancing. Thanks to the efforts of Bob Poyner, Gary Brown and June Leverette. We had 16 squares dancing for the last tip. We're real proud of that. Thanks go to all who attended with special thanks to those who stayed to the end.

A number of us attended the Pensacola Twirlers "Leap Day Dance" on Feb. 29th. Attendees received a Leap Year 2000 dangle imprinted with a green frog. All enjoyed the evening.

Some of us attended the Diamond Squares dance in Opp Al. On March 4th. We went early and joined them for a pre dance buffet in town. Calling was by Andy Petre of Louisiana. It was a fine dance.

Our next potluck dinner will be held on May 29th at 6:30 P.M. at Hobbs Middle School in Milton. Please come join us.

We wish Ben Williams a speedy and uneventful recovery. Let us keep Ben and Bettie in our prayers and thoughts.

Tallahassee ... Our cuer, Owen Hutchinson, and his wife Barb, have been ill since before the Christmas holidays. Hutch is recuperating but Barb is still needing lots of rest and our prayers.

Norman and Ann Booth have been bringing in videos and tapes and sharing them with us so that we feel we can do some of the newer and/or more popular dances when we go visiting.

Most of our group attended Spring Rounds and will be attending some other round dance weekends. These are always great fun and good learning experiences!

Pete Levy and Bill Weber came back for the special Millennium Dance held here at the Senior Center. Participation by all our clubs made it a huge success. We have missed Pete and Bill while they were further south and we hope they will have some new dances, ideas and help when they return this month.

We dance every Tuesday, 7:30 - 9:30 at the Tallahassee Senior Center, 1400 N. Monroe St.....2nd floor.....great wooden floor.....air conditioned, etc. We dance mostly at the three and four levels and are working on slow two-step, boleros and jive - plus anything else requested. Come join us anytime!

Chautauqua Squares

DeFuniak Springs ... The Chautauqua Squares wants to let everyone know we are still dancing on Monday evenings in the Middle School Cafeteria at 7:00 P.M. in DeFuniak Springs. The club learned recently that it had been said, we were no longer dancing and had folded. The club is still dancing and has a class going on that will graduate in April. The club is looking forward to welcoming them into our club. We want to crush this rumor before it spreads any further.

The club would like to send out a special invitation to all dancers and clubs to come and visit with us. We realize that our club is not near any large town, but we would like you to make the trip to come visit with us. The club has been around for 28 years, and hopes to be here 28 more years.

The club caller is Sammy Lee from Bonifay, FL. He has been our caller for 8 years. We are very thankful to have a dedicated caller who is always willing to call for any of our exhibitions, or other special events.

The Chautauqua Squares are always busy enjoying dancing, having fun, and helping when they are asked. The club enjoyed a covered dish dinner for our Valentines Day Dance. There was lots of good food to eat, and some surprises. We participated in Elder Hostile entertainment March 14th and 21st in DeFuniak Springs. The club has also been asked to help furnish some entertainment for Walton County. Relay For Life here in DeFuniak Springs on April 7th and 8th. This is to help fight cancer. Our club is always glad and willing to help, when called upon to help.

Country Dancin'

Panama City ... With the Luck o' the Irish, St. Patricks Day fell on Friday which gave us an opportunity to have a St Pat's Dance. We had too much cake & ice cream (we always do), but we try not to stuff ourselves that much very often. Thanks again to Betty Kearney's decorating committee the hall was appropriately festive. Being a special dance, we did not teach anything but just danced and partied.

Many of our dancers are picking up on some of our round dance routines. We do Fiddlestepper Polka. Several couples do Tango Manita and one couple has memorized Rumba Maria. We wish we had memories as good as theirs. We've been doing Rumba Maria for years but can't begin to remember the sequences as well as they do.

Dance-A-Round

Panama City ... Our 10th annual Mardi-Gras dance was a great success. Between Betty Kearney's decorating and Ted Kennedy's great calling we got a really good Mardi Gras atmosphere. Ted brings HUGE delicious king cakes from Louisiana (that you can't get locally) and loads of beads to throw at the costume parade. Ralph & Pat Springer, the outgoing King & Queen, crowned the new Royal Couple, R.J. and Billie Voivedich. Door prizes were furnished by the Panama Cafe. Best of all, Ted has agreed to do our Mardi Gras dance again next year.

We are fortunate to have two round dance classes this year. We started our regular class in October and another class in January in conjunction with the Swinging Squares Wednesday dances. We teach from 7:00P.M. to 8:00P.M., preceding their square and round dance.

Merry Mates

Tallahassee ... To start the new year, Gene Moulton filled in for the club with round dance tapes he had recorded, because all three cuers in town were sick. The last week in January Bill and Geri Henkener made a special stop in Tallahassee to dance with our club on their way to the Sunshine Festival dance. Bill, thanks for helping with the cueing while you were here and the club hopes you and Geri will visit us again.

On Wednesday night, January 26, our club shared the night with square dancers. Thanks for all the dancers who attend the Special Millenium Dance with Gary Shoemake, the guest caller, and June & Frank Leverette the cuers.

As February started, so did the beginners round dance class with 6 new dancers attending learning Cha Cha and they are doing great. Monday, March 13th, was "Senior Day at the Capital". The Merry Mates were asked to do a demonstration at the capital. They have already been invited back next year.

The Merry Mates celebrated their 17th anniversary on Wednesday, March 15th. The club members were happy to see Owen and Barbara Hutchinson at the dance. Both of them had been very sick.

Pensacola Twirlers

Pensacola ... Several of our club members started the New Years right by attending a New Years Eve Dance at Ragon Hall.

January itself was less active but it was eventful for me personally. Buddy (my son) and I were flown to Virginia to visit with my daughter and son-in-law, grandchildren and 3 great-grand children for 2 weeks. While there I had a wonderful surprise when my other daughter and granddaughter from Tampa and other son from Indianapolis flew in and gave me a surprise 75th birthday party. The candles on the cake, which was baked by my granddaughter, looked like a bonfire.

On February 4th, I was honored to be crowned as 2000 Club Queen at the Queen's Coronation at Ragon Hall by the outgoing Queen, Flo Benton (represented by Helen Murtaugh.)

Patty Ping, our revered caller, has started a new class on Monday mornings at Bayview Community Center and several members of our club have been attending as angels. We are always trying to promote square dancing whenever and wherever we can.

Monday, February 21st, a square of Twirlers went to the Oriole Beach Elementary School and danced for 150 second grade students. Then Patty got all of them on the floor and taught them a few square dance calls. They were very well-behaved and seemed to enjoy learning and dancing the calls.

Thursday, February 24th, some of the club members went with Patty to dance with the Azalea Tracers. We first danced at the Methodist Church on Gregory Street for their Silver and Gold Group. After enjoying a delicious chicken and dumpling lunch served by the church, we proceeded to our second exhibition, the Senior Expo at the Pensacola Civic Center.

A group from our club journeyed to Milton on February 26th, for their Anniversary Dance and enjoyed the usual good food and dancing.

As February 29th fell on a Tuesday, we hosted a Millennium Leap Year Dance. Everyone in attendance received a frog dangle to commemorate the occasion. We had out-of-state guests and guests from other local clubs including The Seaside Squares, Canoe Squares, Swinging Saints and The Perdido Squares from Lillian, AL. The following guest callers were also in attendance: Bob Poyner, Bill Donahue and Henry Marshall. As always our own cuer, Rose Lord, did a great job cueing the rounds.

The following week after a hectic Mardi Gras season we had our own Mardi Gras party at the club with many beads, good food and moon pies.

Tuesday March 14th saw our club square dancing at the Ferry Pass Methodist Church for the Golden Agers. Afterwards, we were treated to a delicious covered dish lunch. That evening we had a St. Patrick's Day Party at our club and everyone was dressed in their green attire. After the dance we had our club meeting, which proved to be very productive. We made some much-needed changes in our constitution and by-laws. My sincere thanks to our treasurer, Dave Henn and our secretary, Wilma Scofield, who did most of the research and paper work on the changes. As always my thanks to all club members for keeping us an active club.

Swinging Squares

Panama City ... The Swinging Squares installed new club officers in February. President, Joe & Patricia McLendon; Vice President, Tom & Rita Nixon; Treasurer, Tom & Wanda Wilder; Entertainment, Betty Kearney & Barbara Tidwell.

We want to let everyone in the NWFSRDA know that Darryl McMillan has agreed to call our Annual After Holidays Dance on January 20, 2001. Watch for details later. We will look forward to this dance all year.

We are also pleased that the Callers Sweetheart Swing dance will return to Grand Square Hall next year. Speaking of callers, we would like to extend our best wishes to our caller, Ernie Griffin, and his bride, Nora.

We have danced to a full house since January, thanks to our snowbird friends. They are returning home and will be greatly missed.

We are privileged to dance in a great facility. Betty Kearney and Barbara Tidwell change the decorations with the seasons and special occasions. Everyone enjoys their special decorating talents.

The club holds its weekly dance each Wednesday from 8:00P.M. to 10:00P.M. in the Grand Square Hall located at the corner of 11th Street and Bob Little Road, Panama City. We welcome visitors. For information, please call Joe McLendon at (850) 769-4218.

Tallahassee Twirlers

Tallahassee ... The Tallahassee Twirlers held graduation exercises for the square dance class on Valentines Day, February 14. Sixteen class members received diplomas. Eleven class graduates have joined the Twirlers; two other class graduates indicated that they planned to join the Whirlaways Square Dance Club. The class was graduated after completing mainstream instruction. Plus instruction will be completed in mini workshops during regular Club dances.

The annual Twirlers Spring Picnic will be held on Sunday, April 16. Visitors are welcome.

All Tallahassee square and round dancers are looking forward to the Spring Fling special dance being held on Saturday, March 25. John Saunders and Kit Waldorf will be calling and cueing at this dance, which is sponsored by all the square and round dance clubs in Tallahassee. You all come!

Square Dancing Foundation initiates Marketing Plan (February 00)

CALLERLAB, under the auspices of its FOUNDATION (For the Preservation and Promotion of Square Dancing), recently kicked off the first phase of it's exciting, new marketing and promotion effort, PLAN 2000. The Foundation working in concert with all the diverse organizations and components within the square dancing family, is developing a dynamic, long range, and comprehensive marketing concept that identifies specific problem areas, and utilizes professional public relations and advertising assistance to create viable answers. These are solutions that have practical application for all levels and elements within the square dance world. The Marketing Plan will offer programs that address the concerns and needs, not only of the existing "family" of square dancers, clubs, associations, and callers, but also offers a new Image of the activity aimed at the large majority of our population that has never "squared up" on the dance floor.

Different phases of the marketing plan will be implemented, on a national and international basis, over the next decade as they are developed and funding becomes available. Beyond the introductory period, where the emphasis on market research, image change, and recruitment ideas, the plan will provide a frame work and structure to allow the next generation of dancers to meet long term marketing goals. The Foundation wilt continue in it's efforts to educate and unify the various levels and groups within the world wide "square dance community". Only through a collective effort can we hope to build the working "consensus" necessary to make the plan succeed. CALLERLAB's marketing concept can only be implemented by, and through, the committed efforts of all who now enjoy and understand the value and unique experience that is Modern Western Square Dancing.

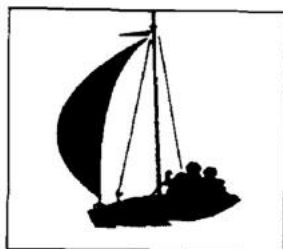

Even before development of the marketing plan began, the Foundation and its members began fund raising efforts for it's support. The first step in this fund raising effort was taken last spring during the CALLERLAB Convention in Dallas, TX. A group of eleven CALLERLAB members produced and recorded a promotional record titled "God Bless The USA". Donations in response to the "God Bless America" record have been tremendous. Additionally, numerous contributions from a diverse group of individual clubs, associations, convention organizations, and others, have helped validate the fund raising goal. Donations have topped \$69,000, surpassing the initial goal of \$30,000. This outpouring of generous support, even without a completed plan, truly reflects the committed nature of the average, dedicated square dancer. A strong round of "Thank You's" goes out to everyone supporting this effort. This helps affirm what has become a general recognition, that NOW is the time to share the "best-kept secrets" about this fun activity.

A n important step in the marketing effort occurred last fall, when the Foundation appointed Creative Marketing Services and James Hensley as marketing advisors to the Foundation.

Phase One of the marketing plan will include plans for work in two important areas. First, to raise the level of awareness within the square dance community that its historic, established dance activity, now has to repackage itself in order to compete successfully in the leisure end recreation market place, along with all the other "products" or "services" that are seeking the "consumers" loyalty and attention. The second area, good market research, will be conducted to gather valid information about the needs, perceptions, and interests of that consumer (the new dancer). This data will help build a better dance program, because it will define the customer's expectations for their new dance experience.

Once again - A BIG THANK YOU to all who have contributed time, effort, and money to this critical effort.

Capital Rounds

2002 STATE CONVENTION

On February 12, 2000 we held a meeting of the 48th Florida Square & Round Dance Convention Committee. We appreciate all the folks who attended the meeting and their interest and suggestions to help make the 48th a successful convention.

On April 8 at PASARDA Hall in Ft. Walton Beach we will hold a benefit dance for the 2002 convention. Bob Poyner, Ben Williams and Chuck Myers will call; June Leverette and Bill Henkener will cue. There will be Advanced dancing from 6:30 – 7:30 P.M.; Mainstream and Plus dancing with Rounds between tips from 7:30 – 9:30 P.M. At 9:30 P.M. we will have entertainment and invite everyone to join us in enjoying pie and ice cream. Donations are \$3 per person. We will have the drawing for the porcelain doll and watercolor painting during the evening. Bob Poyner is planning to have information about the 2001 Kickoff available and we'll ask those dancers in attendance to help us with the program. Also, at this dance we will start taking orders for the convention dress that will be on display for your inspection. **This will be a fun evening that you do not want to miss!**

On April 29 we will participate in our homeowner association's (44 families) yard sale. If you have any yard sale items that you would like to donate, we will sell them on behalf of the 2002 Committee and deposit the money in the travel fund. No clothing. Price your items before you donate them. If it is convenient for you, please bring the items to the dance on April 8. We will have printed information as to the location and time of the sale so that anyone wishing to come by and check out the items that we have for sale on April 29 can find us without any trouble.

In February we met with our representative at The Lakeland Center and discussed the contract. A few changes will be made and we will sign the contract when we go to the State Convention in May.

If you haven't already heard about how to enter the "Free Motel Accommodations Sweepstakes," please ask any of the 2002 committee members or your NWF Association Delegate for details. We will have registration forms at the dance on April 8.

Thanks to all of you for your support. To successfully host the state convention we need the help of all our dancers. We have several positions that have not been filled so call us or see us at a dance somewhere and we'll let you know how you can help.
