## INTRODUCTION

It is with great pleasure that the Northwest Florida Square and Round Dance Association is able to present this 1987 Square Dance Directory to each club and individual member.

We, the Staff of The Panhandle Press, have made every effort to make this directory as complete as possible, and we hope that you will find the enclosed information to be beneficial.

If, in any case, there is information which needs to be added, deleted, or corrected please contact us as soon as possible so that our next directory may be corrected as needed.

This year we had to start from scratch so to speak because of the new computer system. Much of the information had to be retyped to include it in the directory. Again, our thanks to Frank McCallister for running off the directory of individual members and to Betty McCallister for entering all of the information. Printing and collating of this directory was no less time consuming and all help is gratefully acknowledged.

In most cases we have included information that is pertinent to NWF dancers. Any suggestions for improvement would be greatly appreciated.

Sincerely,

The Editor and Staff of The Panhandle Press

&
