CLUB NEWS

TALLAHASSEE TWIRLERS:

One of the big events of the year for the Twirlers was the Appreciation/Christmas Dance for Elmer and the Club. Everyone worked long and hard to make this dance a success and their work and planning was evident Saturday night. The decorations were beautiful, people from near and far were in attendance, but most of all Elmer was really surprised. Just before dinner was served Elmer was presented with a bronze plaque that club members and friends had signed. Then a large gift-wrapped box was rolled in. Junior tore the paper off, opened the door to the box, and there sitting in the box was Marshall Flippe. Words cannot describe Elmer's reaction. He was very surprised and honored. Marshall was also presented with a plaque from the Twirlers.

Appreciation and thanks go to all the people from other towns who traveled many miles to make this a memorable occasion for Elmer.

TALLY ROUNDS; Tallahassee

The Tally Rounds are sponsoring the TASARDA dance on Feb. 20th at the Old Armory in Tallahassee. There will be early Rounds at 7:00 PM and one easy teach will be included. The dance starts at 8:00 PM with Elmer Sheffield calling the squares and Norma Smoyer cueing the rounds.

-Charlene Doud-

MODERN SQUARES; Crestview

Our club graduated a class of new dancers in October and we have been busy visiting area clubs and dances ever since.

The Modern Squares are sponsoring the OLD SPANISH TRAIL SQUARE AND ROUND DANCE FESTIVAL on April 16th and 17th 1982 and we have been busy promoting it. We've been visiting Dothan, Chipley, Montgomery, Ft. Walton Beach, Pensacola, niceville, Altha, and others.

Thanksgiving was celebrated with a pot luck dinner and a progressive dinner was enjoyed by all as our Christmas dinner.

Plans are underway to start a class the last week of January. We dance every Monday night in the Crestview High School lunchroom. All square dancers are cordially invited to join us.

-Mary McAllister-

SANDPIPERS; Ft. Walton Beach

The Sandpipers hosted the PASARDA sponsored Perry Bergh Dance on Jan. 8th. Ten squares danced to the calling of Perry Bergh who is from Florence, South Dakota, and a large circle of Round Dancers enjoyed the cueing of Kit Waldorf. Refreshments were enjoyed by all.

The Sunday Sandpiper tape class is progressing well through the A1 list under the leadership of Jerry Fowler. The Sandpipers dance on Mondays from 7:30 to 9:00 PM at PASARDA HALL.

SECOND LAKEPOINT FUNFEST
REPORT FROM DOY & GENNY STOKES

The Second Lakepoint Funfest held Nov. 27th through 29th, 1981 was a tremendous success. Everyone there had a good time. It's one of those rare Square & Round Dance weekends that come along occassionally that is set up for the maximum amount of dancing, partying, fun, and fellowship. Thirty squares were in attendance.

Lakepoint is the Alabama State Resort located 5 miles north of Eufala on US 431. It's a beautiful place. The accommodations are great; the rooms are large and the view magnificent. The food is delicious.

The dancing started on Friday at 12:30 PM and continued thru Sunday until 11:30 AM checkout time. Included were rounds, workshops, dances, and afterparties, one lasting until 5 AM in the morning.

The Funfest Staff of Chris Vear, Horace Newberry and the Nichelsons did a great job.

Thanks to all the dancers for making the Second Funfest such a big success. Those who couldn't make it, we missed you, and hope to see you next year.

The Third Lakepoint Funfest will be held on November 26th, 27th, and 28th in 1982. For further information and flyers write to:

ROUNDALAB

THE INTERNATIONAL ASSOCIATION OF
ROUND DANCE TEACHERS

ROUNDALAB is an international teachers organization open to all who are actively teaching round dancing at any level. It was formed to promote, protect and perpetuate the round dance movement as a complement to the overall square dance activity. It is an organization for round dance teachers who desire professional competency, accreditation, standards, and ethics in round dance instruction.

The primary purpose is to make round dancing more enjoyable for the dancer. This purpose is being accomplished through standardization and improved teaching techniques.

CAMPERS!!!!

PLEASE WATCH THE NEWSLETTER FOR FURTHER INFORMATION REGARDING THE ANNUAL CAMPOUT SPONSORED BY FOLEY WOOL AND RON RAY. DATES ARE STILL PENDING AS OF THIS PRINTING.

The following is a copy of a letter received from Representative Earl Lutto.

Dear Joy:

Thank you for expressing your support for House Joint Resolution 151.

This resolution, which would designate the Square Dance as the National Folk Dance of the United States, has received formidable support in the House. With over 75 Members of the House now co-sponsoring this measure, the House Committee on Post Office and Civil Service, where H.J. Res. 151 is pending, has a clear signal from the Congress in support of its passage. As one of the cosponsors of H.J. Res. 151, you can be sure that I will continue to work for its passage.

Have you seen the blue and white 1982 state convention outfits in your area? Northwest dancers can answer "yes"! Hugh and Jean Fultz along with other dancers from their area have visited approximately 50 clubs and dances from Pensacola to Jacksonville to Ellenton advertising the 1982 Star Thru Square and Round Dance Convention. Their attendance at the Pensacola Festival in June and at the Northwest Roundup in October was very much in evidence. Make plans now to attend Florida's 29th State Square & Round Dance Convention in Lakeland on the 28th, 29th, & 30th of May, 1982. Come and 'Star Thru in 82'.

RECIPE FOR A HAPPY NEW YEAR

A SHORT SHORT STORY

Take 12 fine full grown months. See that these are thoroughly clean and free from all old memories of bitterness, rancor, hate and jealousy; cleanse them completely from every clinging spite; pick off all specks of pettiness and bitterness, in short, see that these months are freed from all of the past, have them as fresh and clean as when they came from the great storehouse of time.

Cut these months into 28, 30 or 31 equal parts. This batch will keep for just one year. Do not attempt to make up the whole batch at one time, (so many persons spoil the whole lot in this way) but prepare one day at a time as follows:

Into each day put 12 parts of faith, 11 of patience, 10 of courage, 9 of work, (some people omit this ingredient and so spoil the flavour of the rest) 8 parts of hope, 7 of fidelity, 6 of liberality, 5 of kindness, 4 of rest, (leaving this out is like leaving oil out of a salad) 3 of prayer, 2 of meditation, and 1 well selected resolution. If you have no conscientious scruples, put in a teaspoonful of good spirits, a dash of fun, a pinch of folly, a sparkling of play, and a heaping cupful of good humour.

Pour into the whole, love, and mix with vim. Cook thoroughly in a fervent heat; garnish with a few smiles and a sprig of joy, then serve with quietness, unselfishness, cheerfulness and a happy new year is a certainty.

The above is from CATHEDRAL CHIMES, New Zealand.

Copied from AMERICAN SQUARE DANCE January 1982 issue.

This is a story about four people: EVERYBODY, SOMEBODY, ANYBODY, and NOBODY.

There was an important job to be done and EVERYBODY was asked to do it.

EVERYBODY was sure that SOMEBODY would do it. ANYBODY could have done it, but NOBODY did it. SOMEBODY got angry about that, because it was EVERYBODY'S job.

EVERYBODY thought that ANYBODY could do it, and NOBODY realized that EVERYBODY wouldn't do it. It ended up that EVERYBODY blamed SOMEBODY when actually NOBODY blamed ANYBODY.

-From the New England S/D Caller.

CHUCKLE'S FROM CHATTER

1982 ROUNDUP

Don't forget the 1982 ROUNDUP held October 29-30 in Chipley at the National Guard Armory. This dance is the one major function presented by the NORTHWEST FLORIDA SQUARE AND ROUND DANCE ASSOCIATION, INC. each year. It has been centrally located in Chipley and is two day event filled with fun and freindship. The callers this year are Elmer Sheffield, Jr. and Jack Lasry. It is an event you won't want to miss.

Mark your calendar now.

QUARTERLY SELECTIONS ANNOUNCED
BY CALLERLAB

For the quarter beginning January 1, 1982, the Quarterly Selection Committee has selected two movements for use during workshops at the Mainstream level. The two moves selected are hinge and flutter by Ron Schneider and release the column by Phil Kozlowski. Definitions appear below.

HINGE AND FLUTTER: Starting formation, ocean waves. All dancers do a single hinge, the infacers do a flutter wheel while the outfacers do a right about-face to finish as in a reverse flutter-wheel. Ends in facing pairs.

RELEASE THE COLUMN starts from any right of left handed column formation. #2 and 4 dancers in each column move forward and slightly to the left or right to pair up with the dancers in front of them (making a momentarily offset two faced line) and then all fish off like a ferris wheel to end in a double pass through position.

LEGACY REPORTS ON PRELIMINARY
SURVEY RESULTS

In addition to the 1564 dancer survey forms turned in so far by LEGACY members, we have received 1395 forms completed by persons attending the National Convention in Seattle. A preliminary compilation and analysis revealed some very close correlations and significant trends. We feel it is important to put some of the information out without delay. So strong are some points that an individual with extensive education and experience in statistics was asked to review our data and make a comment regarding its validity.

Cont'd

His comment was that "it is probably very reliable."

As in 1980, we asked the dancers to rate 14 specific points on a +5 to -5 scale. In addition, this year we asked them to check any two of twelve possible changes they would like to see in the activity.

In the "desired changes" section, by far the largest demand was for increased emphasis on square dance etiquette with "Callers sticking to the announced level of dance" and "fewer new figures" second and third respectively.

It will be mid-winter before all the LEGACY survey data can be completely compiled and analyzed. A publicity release will be made at that time.

People completing the survey were more articulate this year. We have extracted and typed about 70 pages of comments so far, and there are more waiting to be transcribed. We would like to make the comments available to all who are interested.

They are very revealing and, for the most part, well thought out. There are some very strong trends that really need attention. IF you would like copies, please let us know. We'll work out the best way to get them printed or copied and let you know how much financial help, if any, is needed.
