## EDITOR'S MESSAGE

Never did I imagine that when I became the "Interim Editor" ten years ago that I'd be writing this Editorial ten years later. I have a confession to make - I really don't know how to type - I've never had a formal lesson. I learned using my Father's OJT Manual from the Army and never did get faster than 40 words per minute. At least using the computer it is easier to correct my many mistakes and even at that I miss a few.

Again, I would like to request that a new Editor be found and named. Ten years is a long time. We have come a long way - We are fairly prosperous and we have much better equipment to work with. I would be willing to remain on staff and help in any way I possibly could if it was so desired. The work shared among many hands makes the work easier. Joe & I want to do some traveling and pursue some other interests. There comes a time when new and fresh ideas are needed.

The results of the Northwest Association elections are as follows:

President:	Bill Jenner
1st V.P.:	Anneita Gilbourn
Rec. Secretary:	Ann Brown
Corr. Secretary:	Greta Davis
Treasurer:	Grace Green

Tom West from Panama City has graciously agreed to serve as 2nd V.P. and was appointed to that position.

These officers will be installed to the Board of the Northwest Association at the meeting in Chipley, FL on Oct. 26, 1991. The meeting will convene at 4:30 PM.

The present Board of officers has provided us with excellent leadership over the past year and it is with our thanks that we are saying Adieux to the outgoing officers. It has been an exciting and productive year for the Northwest and we know it would not have been so without such a fine Board.

A membership form has been included in this issue for clubs as well as individual members. You can avoid long lines at the door by filling out the form ahead of time and bringing it with you to the Roundup or you can mail it in early.

It's time to renew club and individual insurance as well.

## 39th Florida State Square & Round Dance Convention

LAKELAND CIVIC CENTER  
LAKELAND, FLORIDA

MAY 22, 23, 24, 1992

## 39TH FLORIDA STATE SQUARE & ROUND DANCE CONVENTION WE'LL DANCE WITH YOU IN '92'

General Chairman, Lou Vogel chose two couples who are very active in the square dance community to help him run the State Square and Round Dance Convention; Howard and Sally Hayes as First Vice Chairman and Gerald and Delores Ault as Second Vice Chairman.

Howard & Sally started dancing in 1984 and in 1988 were elected President of their club, the Left Allemanders. They have also served as representatives of their club to the West Coast Association. They served as Secretary/Treasurer of the Fall Fun Fest and this year they are the Chairman for that dance.

Gerald and Delores Ault started dancing in 1980 and have been through all the offices of the West Coast Association. They have been Co-Chairman of the State Campers Jamboree.

These people are determined to give you the best State Square and Round Dance Convention possible. Their experience has been acquired through volunteer activities. "They want to Dance With You in '92'."

We know that there are many dancers who do not go North for the summer; our wish is to have 4000 dancers at the Lakeland Civic Center in May 1992. This would be a record attendance! All levels of dancing will be programmed at the Convention.

## IN MEMORIUM

It is with deepest sympathy that we are reporting the loss of the following persons to the square dance community. Many areas have been touched with loss in the past quarter.

On the State level Leo Richardson succumbed to cancer. Leo and wife Mary were able to make their trip to Alaska prior to his death. Mary asks all square dancers to remember Leo as a devout Christian, loving husband and good friend to all. Mary asks for your prayers as she travels down a lonesome road alone. Leo will be sorely missed by the square dance community.

On the local level we have experienced the deaths of nine square dancers.

John Lackey passed away as a result of a heart attack. We know that John will always be remembered as a prime mover in the building of PASARDA HALL, the leader and initiator of the Sandpipers (Advanced Dance Club), and an avid supporter of the Northwest Association. John was primarily the person responsible for centralization of the Roundup in the Chipley area. John and wife Marty were Editors of the Newsletter for many years.

Helen Chapman, President of The Pensacola Special Steppers also passed away on August 2, 1991. She devoted her life to loving and caring for people who were less fortunate than herself.

George Eddins, who is a nationally recognized Round Dance Cuer passed away. George resided in the Pensacola area.

Other Pensacola square dancers who passed away during this past quarter are Joe Diggins, Herb Smith, and Bill Albright.

Bing Horton of Panama City, Dorothy Johnson of Tallahassee, and Jack Spanier of Laurel Hill have also died.

The Northwest Association, the Staff of The Panhandle Press, and all Square and Round Dancers in the Northwest want our square dance family members to know that our prayers and thoughts are with you all.

## BIG PUSH FOR NATIONAL CONVENTION IN FLORIDA

The Florida Federation of Square Dancers is out to get the bid. The big push is on for the National Square Dance Convention in 1997 to be in Central Florida. The General Chairmen, Worley & Nan Carrier and committee ask for your support.

It is going to take every one in the state getting involved and helping. All dancers, callers, cuers, cloggers, and vendors working together will get the bid. We are all together and this will get results. Thanks !

The Ford Automobile project is a necessity to help finance the survey, which is done by a national committee and also give the Florida Federation of Square Dancers the seed money necessary to get the National Convention in Florida.

The car tickets are available throughout the state. Talk it up wherever you go and don't forget, these can be offered to anyone at a suggested donation of \$1.00 per ticket. Think, if everyone will take five or ten tickets we will have accomplished our goal and the National Convention will be a closer reality.

Remember you do not have to be present to win. The car will be given away at the State Square Dance Convention in May, 1992, in Lakeland, FL.

Tickets are available in Northwest Florida areas from your club delegates.

We are out to "GET THE BID". Your help is needed. Florida has more to offer than any other state. Central Florida has:

Orange County Civic Center- Motels-  
Restaurants- Attractions and  
Entertainment- Transportation

## GIANT YELLOW ROCK

This giant rock formation is the largest yellow rock known in the State of Florida.

Terry Skipper saw this rock at a home outside of Marianna, Florida and decided to beg, but or trade anything for this rock so he could name his home home property, not a condo, or a ranch, but "The Home of the Yellow Rock". So, with this in mind, he traded for this exquisite, all 450 pounds of it ! He designed and had the frame and the sign built. Then he was ready to hang his rock and paint it yellow.

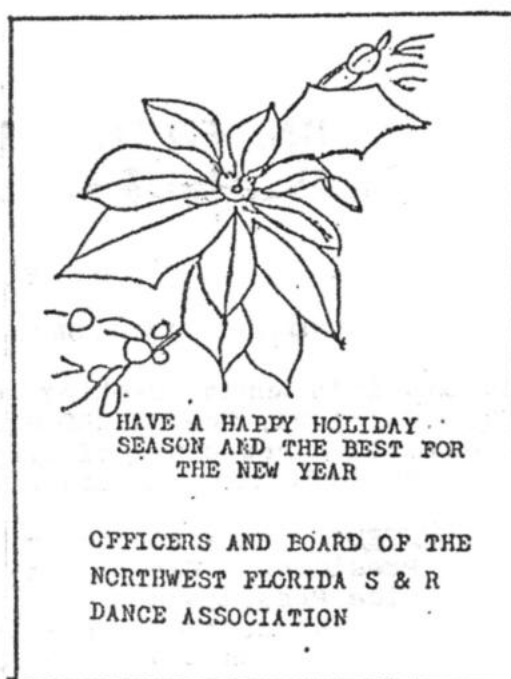

Terry who learned to dance 10 years ago then quit, has returned to the dance floor and his favorite call in square dancing is "Yellow Rock".

He is interested in hearing from anyone who might share information on the origin of the Yellow Rock Fun Badge. (who, what, when, where, why)

Terry also invites anyone who wishes to come by and have their photo made with his yellow rock and view his many formations on display in his yard at 9404 Old Spanish Trail, Marianna, Florida.

Directions: Off I-10, Hwy 71, North to where 4 lane picks up, 1 Block South of Hwy 90, go 3/10 of a mile, East.

## NORTHWEST FLORIDA COOKBOOK

Following is the recipe for the "STARTER" for the Brandied Fruit Cake that appears on page 132 of the N.W.F. Cookbook. Anneita Gilbourn has been asked on numerous occasions for this part of the recipe.

### Ingredients

- 1 cup cubed canned pineapple
- 1 cup sugar
- 2 Tbsps. brandy
- 1 cup maraschino cherries (including the juice)
- 1 cup sugar
- 2 Tbsps. brandy
- 1 cup sliced canned peaches (including the juice)
- 1 cup sugar
- 2 Tbsps. brandy

### Directions

In a large (one gallon) jar, combine pineapple, 1 cup sugar and 2 tablespoons of brandy. Let these ingredients sit in the jar for two weeks and stir daily. (don't use a metal spoon) At the end of two weeks, add cherries, 1 cup of sugar, and 2 tablespoons of brandy. Let the mixture sit for two more weeks and stir daily.

The fourth week, add peaches, 1 cup sugar, and 2 tablespoons of brandy. Let the mixture sit for two weeks and stir daily. Separate the liquid from the fruit. The liquid is your starter, and you can use the fruit on ice cream or cake. Now you are ready to prepare the fruit for the cakes. Do not refrigerate the starter liquid.

## IS ROUND DANCING FOR ME ?

What is round dancing ? Simply stated, round dancing is couple dancing using choreographed routines to definite arrangements of music.

Where does round dancing fit into the picture ? While round dancing is historically rooted in and still is related to square dancing, it has also developed its own program.

Must I have dance training to become a round dancer ? No.

Are Round Dance Lessons Necessary ? Yes. As in developing any skill, a couple needs to attend a series of lessons to understand the figures and the language used.

Must a dancer learn the routines by heart ? No. The dancers are led through the routines by verbal prompting.

After lessons, must you join a round dance group ? No, but Round Dance Clubs provide a place for the dancer to develop proficiency with the figures.

Are there different round dance programs ? ROUNDALAB has developed and the Universal Round Dance Council has recognized "Six Phases of Round Dancing" based on the complexities of the figures and the rhythms used. Round Dance Clubs can incorporate any and all phases into their programs.

## CLUB NEWS

Pensacola Special Steppers; Pensacola

The club members and the community of Pensacola were saddened in August with the death of Mrs. Helen Chapman, President of the "Steppers". She had been President since 1985 and her daughter, Becky, had been a member of the club since its inception in 1978. Mrs. Marie Crown, Vice President, has assumed the duties of President.

Club Caller, Frank Cherry, was recently awarded recognition as the "volunteer of the Year" by Volunteer Pensacola. His award was based on his long-time work with the Special Steppers, as well as a board member of ARC/Escambia.

In June your reporter was selected as a trustee of LEGACY, a non-profit international organization which represents various facets of square dancing. I was selected to represent HANDICAPABLE DANCERS, individuals with mental and/or physical impairments. The members of LEGACY passed a resolution in support of the expansion of opportunities for persons with disabilities to participate in square dancing and encouraged support of this activity by all members of LEGACY.

At the United Square Dancers of America (USDA) annual meeting in Salt Lake City, a resolution was passed which encourages all affiliates of USDA to take positive action to expand the opportunities for persons with disabilities to have "access" to the square dance activity. Both the LEGACY and the USDA Resolutions were issued in the spirit of the 1990 Americans With Disabilities Act (ADA) which gives civil rights protection to individuals with disabilities.

## THE PANHANDLE PRESS - TEN YEARS AGO

## CLUB NEWS

Ten years ago we were then printing the newsletter on the old hand crank mimeo machine and hand typing the stencils. Notably your "Temporary Editor" was Joy Richardson (now Joy Vaccari) and this was my first issue of The Panhandle Press as John & Marty Lackey moved to Eupora, Mississippi.

Marty had already typed up many of the articles appearing in this issue. My favorite was "I'M ONLY ONX PXRSON" in which only onx of her typxwritx kxys didn't function wll. The announcement reporting the formation of the United Square Dancers of America (USDA) appeared in this issue. Club news was submitted by the Capitol City Cloggers, the Panhandle Promenaders, the Circle Squares, and the Sandpipers.

Flyers included in the issue were for the 22nd Annual Peanut Festival Dance and the Northwest Fun Fest. The cover highlighted the Northwest Florida Roundup.

Frank McCallister was the president of the Northwest Association.

Does it seem possible that ten years have passed so swiftly?

## CLUB NEWS

PASARDA HALL; Ft. Walton Beach, FL

The new PASARDA HALL building has become a reality. The building was completed in time for the Autumn Fling Dance featuring Tony Di George on the calling and Kit & Hoss Waldorf on the Rounds. The Council is planning a Grand Opening Dance in November. The parking lot is paved, the sod has been laid and the sprinkler system and safety lights in the parking lot are in working order.

The new address is PASARDA HALL, 17 Industrial Street, Ft. Walton Beach, Florida. Phone number 904-243-7333.

There are five clubs currently using PASARDA HALL for their regular dances. They are the Roundels, Sunday round dancing; the Sandpipers, Monday advanced dancing; the Flying Squares, Tuesday MS+; Thursday-Advanced Rounds; the Belles & Beaux, Friday MS+; and the Bayou Shufflers, Saturday MS+.

All square dancers are cordially invited to join us in our new Hall.

Chipola Grand Squares; Marianna, FL

We are still enjoying the fun and friendship of square dancing. We had a wonderful dance in August with Darryl McMillan with 18 squares in attendance.

With vacations over and everyone settling down after the long enjoyable summer we are in the process of starting a new class with quite a few attending the open house.

We are trying to get all our plans finalized for our 1992 special dances with Tim Marriner. We will have the flyers out shortly.

Come dance with us any Thursday night at 7:00 PM CT. The Class meets on Mondays at 7:00.

Country Squares; Sunny Hills, FL

The Country Squares Dance Club of Sunny Hills welcomed the approach of cooler weather on Sept. 19 with a Sady Hawkins Day Dance. If you are too young to remember Li'l Abner in the comics, the women selected their partners instead of the men.

Our second annual Hobo Party will be held on Halloween. Come join us at 7:00 PM. The hobos will be cooking a pot of stew for supper. There is no fee but bring something for the pot. We encourage dancers to come as a hobo or bag lady or in a Halloween costume but it is purely optional.

Our Christmas party is scheduled for Thursday, Dec. 19th.

Sammy Lee is our enjoyable, understandable caller.

There once lived in Ancient Rome a farmer named Lucius Quinctus Cincinnatus, who was pressed into military leadership to save the Republic from invaders on two occasions. Both times he refused to continue as Dictator at wars end and returned to private life.

Following the Revolutionary War a group of Revolutionary Soldiers formed the Society of Cincinnati in his honor.

In January 1790, Governor Arthur St. Clair named the City of Cincinnati to honor the Society of Cincinnati.

When Cincinnati, Ohio celebrated its' Bicentennial in 1988, Cincinnatus was selected as the mascot. Following the year long celebration, Cincinnatus retired to the Archives of the Cincinnati Historical Society until coming forth in June 1991 to attend the 40th National Square Dance Convention in Salt Lake City, Utah - to invite square dancers the world over to follow him to Cincinnati, Ohio to enjoy the 41st National Square Dance Convention and the wonders of the area surrounding Cincinnati, June 25, 26, and 27th, 1992.

PRESS RELEASE  
Volume I #3 July, 1991

## 1991 ORGANIZATION DINNER

During the National Convention in Salt Lake City, Utah, chairmen and representatives of national square dance organizations met for an informal planning session. Attending were Dave Fisher and Mary Adams from Single Square Dancers U.S.A.; Earl and Joy Hoyt, United Square Dancers of America; Art Harvey from Contralab, Ralph and Joan Colipi, chairmen, and Doc and Pec Tirrell, executive secretaries, Roundalab; Mae and Len Sprosty, National S/D Campers Assn.; Stan and Cathie Burdick, LEGACY.

These meetings were instituted by LEGACY to seek ways in which national organizations may complement each other and work cooperatively. Next year the meeting will be expanded in time and called a "Summit" meeting. A project to pursue for the betterment of square dancing and its annual national showcase was suggested unanimously by those attending this year.

Each organizational representative reported on major new projects or goals. SSDUSA's goal is increased recruitment and promotion of singles, with recognition of singles' programs. They are involved in BMI/ASCAP discussions.

Roundalab offers an educational program to leaders and dancers, and now has a membership classification for cuers as well as teachers. They promote rounds and squares together and are working on

publicity and the BMI/ASCAP situation.

USDA has a plan to secure BMI/ASCAP licensing for those not covered elsewhere. They are developing a strong program aimed at youth and are working to gain recognition at national conventions.

NSDCA's goal is to recruit more camper-dancers. Three new chapters were formed in each of the last two years. The organization now stands at 166 chapters, with 15 couples needed to start a chapter. They feel camping and square dancing go hand in hand. They have an attractive magazine and place ads in other publications.

Contralab is designing a new badge incorporating the square, circle and line emblem, working toward a "better marriage" of square, round and contra dancing. A booklet on "What is Contra?" is being developed.

Callerlab, as reported by Stan Burdick who is a member of the board of governors, has two additions to its continuing education program: a textbook for caller training and a CAC report which illustrates standard ways to teach all the Mainstream figures. To promote square dancing, a new promotional folder with a modern look is being developed.

LEGACY's 1991 resolutions and recommendations were reviewed. (See August issue, ASD.) Suggestions for "Summit" topics may be sent to Pres & Kay Minnick, chairmen, 6882 Garland St., Arvada CO 80004.
