A Legend OF

SAINT VALENTINE

According to legend, the Valentine takes its name from a young Christian priest who lived in ancient Rome. Like so many of the early Christians, Valentine had been imprisoned because of his faith... Often and longingly he thought of his loved ones and wanted to assure them of his well-being and of his love for them... Beyond his cell window, just within reach, grew a cluster of violets. He picked some of the heart-shaped leaves and pierced them with the words, "Remember your Valentine," and sent them off by a friendly dove... On the next day, and the next, he sent more messages that simply said, "I love you."

Thus did the Valentine have its beginning. And so it has been through the ages... those who love, remember... and send Valentines to express their love.
