PRESIDENT'S MESSAGE ZURHN & SHIRLEY WALKER

We reluctantly say goodbye to our Snowbirds at this time of year. We spotlighted them at our Snowbird Appreciation Membership Dance February 23rd at Largo. A funny "Snowbird" was on display (actually it was a pink Flamingo dressed in a winter hat and scarf). We recognized two couples living the farthest, Alberta and Prince Edward Island.

Our Valentine membership dance was very special with twenty seven squares dancing at the Bartow Civic Center on February 9th. Couples matched numbered hearts for one tip and the couples married the longest (56 years) and shortest (4 months) time were honored.

A great day was enjoyed by 168 dancers at the Tampa State Fair February 18th. The Fair

Authority provided beautiful decorations in the Special Events Building which by the way, is air-conditioned and heated. Many spectators stopped in to watch dancers through out the day. Twenty clubs were represented and we thank everyone that participated. But, a special thanks go to Merle and JoAnn Lewis who make all the arrangements for this event each year.

HAVE YOU SEEN THE SEASHELL DRESS??? Our association has adopted the dress and are now wearing it for club visits and Banner Raids. This dress was designed for the 1998 Florida State Convention which our association is hosting. Kits are available for \$31.00 so contact any officer or JoAnn Lewis to get yours.

The Promotion/Publicity Chairman for the 1998 Florida State Convention, Ken and Sue Brown, came up with a super fund raising idea for the Convention. They along with the Hayes, Lewiss' and Doty made five different mailboxes and distributed to each of the five association presidents at the Federation meeting in February. They are to be raffled within a year and donations are \$1.00 each. So when you see a rendition of a 1957 Chevrolet mailbox visit your club, please help by participation. A Huge Thanks go to all of the above for their many hours of work.

FEDERATION??? WHAT DID I SAY???

FEDERATION.
Florida is divided into five associations which compose the Florida Federation. The five positions on the executive board are filled by a member from each association and are all VOLUNTEERS.

The purpose of the Florida Federation is:

To promote and inform the public about the activities of square and round dancing.

To encourage the formation of new clubs.

To serve as a clearing house for ideas and information.

To bring a spirit unity among callers, cuers and dancers.

To sponsor the annual Florida State Convention.

Delegates from each association attend three meetings a year where ideas are shared problems discussed and reports heard from each association about dancing activities in their areas.

Your club may have a part in all this by appointing a representative to attend the West Coast Association meetings held every other month in Tampa at the Barksdale Recreation Center. Each club representative has a vote on any issue and we encourage every club to consider participating in YOUR associations' effort to keep square and round dancing activity.

See you "Round" a Square, Zurhn & Shirley Walker, Presidents

BACHELORS "N" BACHELORETTEES - PINELLAS PARK

The winter season for the Bachelors "N" Bachelorettes has been very successful due in part to the many clubs participating in Banner Raids and Retrievals. On January 6th the J & B Squares visited with us to retrieve their banner, also on January 27th the Rainbow Ramblers joined us for a great night of dancing and for their retrieval. The clubs are all doing a good job helping each other with the Banner Raids. This makes for a delightful, enjoyable

evening along with being profitable. The highlight of February 17th was the clubs 20th Anniversary and it's tremendous success was due to the cooperation of all the members. We had sixteen squares in attendance and during the course of the evening prizes were awarded. The table was decorated with flowers, mouth watering food and desserts. We would like to thank each and everyone, guests and members for helping to make this a very memorable evening. A Plaque was awarded to Doris Tallon for 20 years of dedicated service to the B & B Club. We really can't do without your everlasting support. Club members received patches to commemorate this special event.

March 3rd the Greenbrier Twirlers came to retrieve their Banner enjoying an evening of fun and great dancing plus the goodies supplied by the members. Upcoming special dances will be March 17th, St. Patrick's Day. Come wear your green and shamrocks to brighten the event. April 21st will be our Crazy Hats night, do come and display your decorating talents and enjoy the fun filled evening. May 19th will be Hobo Night, be casual railroad travelers with dungarees, kerchief and boots to round out a super funny evening. Dances every Monday night at 7:30PM at Promenade Place with Doc Gray calling and Janice Coughlin cueing. Hope to see you all there.

BUTTONS & BOWS - MULBERRY

What a thrill to have Chuck Leamon back with us in January, looking good, calling just great, and bringing good news of Carol's improvement too. We are enjoying having so many winter visitors. As the slogan goes, "So many friends to meet, so little time."

On February 8 we had over 20 squares to dance, visit, (and eat), and there were 13 squares still on the floor at the last tip, to hear Gary and Charlie harmonizing on This Train, and Show Me The Way To Go Home.

Then on Sunday February 9, our club hosted the West Coast Dance in Bartow, where 25 squares enjoyed the calling and cueing of Allen Snell, Carl Rod, Faye Willets and Gary Brown, also Roland Blanchette. It being the Valentine season, two couples were honored with flowers - Chris and Samm Nissen, married the shortest time (7 months) and Dick and Audrey Stroud for the most (56 years.) Congratulations, you all. Then we celebrated everything with a spread of homemade cookies, and all waddled home happily.

We're praying for Von and Isabel, our Banner Bosses, as their son battles cancer. And sympathy to the Harrison family on the loss of their brother - 3 couples and one single are members of our club.

We picked up the highway through Mulberry again, between the big blue signs east and west of town. Look for them as you come to dance with us! Finally, Harold and Dottie Calder and Ed and Grace Chartier enjoyed dancing to George Varney at the State Fair, spreading our message!

L & D, for B & B

BAY AREA TWIRLERS - TAMPA

Congratulations to visitor John Blasciac, Sr. and Caller's Taw Peggy Christian who were crowned king and queen at our second annual Mardi Gras King Cake Party on January 11th. John was the lucky one to get the piece of cake with the little baby in it. With ninety-four people present we needed two delicious king cakes to serve all.

Cupid, better known as "Love Bug Bud" (Suggs) greeted all attendees at our Valentine Dance with a kiss (Hershey's). He was a sight to behold with wings, bow, quiver and shorts with hearts. The sweetheart photos came out great so please plan to come back and get your copy - they're a BAT's gift to you.

Thanks to the many guests and clubs who have come to our dances. We've had raids and retrievals by the Active 8-ers, Ding-A-Lings and Tea Cuppers. Also, Bat Banner Bandit Bosses Kathryn and Tom Morris have had a band of BAT's flitting around the West Coast visiting Hidden River, Ding-A-Lings, Bachelors and Bachelorettes, Temple Twirlers and Spinning Wheels. We currently hold traveling banners from Rainbow Ramblers and Sun City Swingers - please come and get them before the nails rust off.

Through the organizing effort of Presidents Bill and Mary Ellen Appel, 22 BAT's answered the phones at WUSF TV during the February fund drive. We are happy to contribute to this worthwhile cause which raised \$11,400 that night.

We're planned a special celebration at our April 12th dance for that RED LETTER DAY sponsored by (as ole Snuffy would say) "The Infurnal Revenoo Snatchers". Come in either your finest, richest square dance duds-or-in the rags you may be left with after IRS day. The food and fixens' 'll complement the theme. The Riches to Rags Dance April 12th will feature Bob Christian, Caller and Griffins, Cuer. On April 26th the Zenos will put us through the paces followed by Christian and Griffins on May 10th. Please note our last dance in May will be held on the 31st - the FIFTH Saturday, with Doc Gray and Charlie Lovelace.

We are so pleased to welcome new BAT members Hal and Peggy Goodman.

And don't forget we're BAT's about dancing - so come and have fun with us.
Art Fuxan - 813-933-5453

KRAZY 8's - LAKELAND

Well, we are still having our Happy Dancers filling up our Air Conditioned Hall and our wooden floor and dancing to our caller Roland Blanchette. Oh yes, our location is the Magnolia Building on Orange Street in Lakeland, near the Shuffle Board Courts. Here is a little social news, one of our popular couples are getting married. Will be by the time of reading. Nice to notice that many of our Krazy Eights are members of the West Coast Association, and attended the WCA dance in Bartow, February 23rd, a Valentine Dance, where our caller Roland shared the afternoon with Gary Brown, Allen Snell and Carl Rod. Many of our members were there. Here is a little news gem., when you arrive at our dance there will be a couple giving you the official square dance welcome. At the moment they are Ed and Grace Chartier, also our new Vice Presidents, Billie Dee and Hohn Cipriano are still at the helm of the Krazy 8's. Samm and Cris Nissen are writing this, but we still need volunteers for our coffee doings. See you any Thursday, starting at 7PM and we use numbers. Till then, Happy Dancing.

Cris and Samm Nissen - 941-665-9528

THE KINGS POINT SWINGERS - SUN CITY CENTER

The Kings Point Swingers meet every Monday with a beginners class from 5-6:30PM and an A-1 Dance with A-2 Teach from 6:30-8:30PM. Bob Gambell is the caller and Debbie Avery is the cuer. On Thursdays Glenn Zeno is the caller for the beginners class from 6-7:30PM and a plus workshop from 7:30-9:30PM. I would like to thank all the square dancers who attended my surprise Birthday Party on February 15. The cards, gifts and flowers were appreciated very much. It was a beautiful party attended by beautiful people - square dancers. Also I would like to thank Glenn and Carolyn Zeno who helped make the party such a wonderful affair. Thanks also to Gary Brown, a terrific guy for his beautiful plant and card. Rheath Blickenderfer and his wife were present and I thank them for being at the party and for their gift.

Agnes - 634-4910

LEFT ALLAMANDERS - LARGO

The month of February drew to a close when the Left Allamanders hosted the West Coast Square and Round Dancers' Association Membership Dance on Sunday February 23rd. Thirteen Squares Danced to the calls of Doc Gray and executed the cues of Janice Coughlin. This event was declared a Snowbird Appreciation Dance. A funny "Snowbird" was featured (a pink Flamingo dressed in a winter hat and scarf). Two couples were recognized as those who traveled the farthest. One of these couples was from the province of Alberta

while the other was visiting from the Prince Edward Island.

The clubs in the area will soon know our new club banner bandits, Bill and Jackie Miller, well for they are planning a full program of raids and retrievals.

Each month the Left Allamanders publish a news letter which is circulated to all of the club members. A great deal of time and effort goes into this endeavor and we cannot give enough praise to Dick and Genie Apple and Charles and Janet Calary who do a fantastic job with the "Footprints".

We look to an exciting schedule for the months of April and May. On April 11th we will have Johnny Jones of the Red Boot Boys calling and Jimmy and Carol Griffin cueing. April 18th we will honor the clubs past Presidents with caller Jim Briggs and cuer Pat Hagen. Our final dance of the month will feature Tom Perry as caller with the return of Jimmy and Carol Griffin as cuers. The Merry month of May will get off to a delightful start with caller Jim Erbaugh and cuers Jimmy and Carol Griffin on the 2nd. On May 9th Doc Gray will share the mike with Pat Fiyalko. The 16th of May we look forward to the calling of Joe Fioretti and cueing of Janice Coughlin.

The Left Allamanders welcome guests at all Friday Dances. We dance at the Largo Community Center - 65 - 4th Street Northwest - Largo, Florida. Pre-rounds at 7:30PM and Plus with rounds from 8:00 to 10:00PM

Just Two Left Feet

RIDGE ROLLAWAYS - SEBRING

The new year started off with a New Years eve party. Decorations were done by the committee. Johnny Jones caller and Ruth Moore cuer (Just back from vacation in Indiana) did a wonderful job as usual.

Pine Ridge Squares came to retrieve their banner. Others to take our banner were Buttonwood Bay, Buttons and Bows and Wachula. Fifty-eight guests were present. The valentine dance had a large group of guests present. Also nine first time visitors.

Zurhn and Shirley Walker, representatives for West Coast Association were in attendance. Our own Jim and Terry Bagetis are representative for Highlands County.

A membership meeting was held February 2nd. Our new officers are Robby Robinson and Rita Fox - President, Rick and Norma Bajnouski - Vice-President, Jim Messer - Treasurer and Joann Paule will remain as Secretary. The other three are new to dancing.

During the Roaring 20's days held in Sebring, 32 members held a demonstration dance. Bill Cranny was caller for Squares and Ruth Moore on rounds.

George Varney and Reath Blickenderfer were guest callers. Charles and Carolyn Herne were visiting from Ohio. Charles joined in with Reath and called a tip together. Very good. Charles also cued several rounds. Ruth Moore had a cha ice to round dance.

Ridge Rollaways dance every Wednesday evening at the Agri-Civic Center in Sebring, FL. For information call Robby and Rita - 941-385-3696, Rick and Norma - 941-635-2684 or Ruth Moore - 941-471-1782.

Eileen Snodgrass

SPINNING WHEELS - TAMPA

Who was the lucky lady at our Valentine Dance who won the door prize of a free massage? We could all use one of those after dancing four and five nights a week.

Recently the Bay Area Twirlers and the Ding-A-Ling clubs descended on us to retrieve their banners. We were tickled by the Ding-a-Lings promenading to Pomp and Circumstance when they accepted their banner. Ruthie Lyle took two squares to raid the J & B Squares in New Port Richey. Since all of their banners were gone, Ruthie confiscated their caller, Joe Fioretti's, bolo.

We are so happy to welcome the following new members to our Spinning Wheels "family": Bill and Darlene Brito, Darlene Hamilton, and Newin and Barbara Lee Williams.

"Big Al" Ratliff has had surgery, and we hope it won't be too long before he'll be swinging again.

The Barksdale Recreation Center will be closed for Spring Break on April 4, so we will not be dancing on that night.

Ladies dig out your frilly spring frock and your partner's pastel shirt, and join us when we usher in spring at our Spring Fling on April 11.

On May 2 we'll be joyfully celebrating our 27th Anniversary. We hope you will come and share in our celebration. There will be door prizes galore. Charlie and Art will be collaborating to make it a very memorable evening.

Swinging Grandma

THE TEMPLE TWIRLERS

We had a great turn out for our February Flea Market. New outfits for dancing were bought and sold as well as a lot of interesting articles.

BIG YELLOW ROCKS TO ALL!

Also in February we danced our feet off at the State Fair, with the West Coast dancers. The sounds of the callers brought people in off the Midway. We danced with dancers from Canada, Indiana, Ohio to name a few. People who had never danced were invited on to the floor to participate. They enjoyed it very much.

Of course our Sweetheart Dance was a huge success, with lots of hearts and dancers in red and white.

March, beautiful and windy brought us our Cake Walk dance, with delicious cakes being won and (eaten), Great fun with two Clubs visiting.

On the 17th our Leprechaun Dance, with our very own Leprechauns! Jim and Ida Topakian were the Leprechauns to bless and charm everyone. Free Strawberry shortcake was enjoyed by all the dancers. Beautiful people all in green for this special event.

No dance on March 31.

April brings us to our Spring Fling dance on the 14th, with a fashion show. Ladies and gentlemen what a great opportunity to show off that new spring outfit. Lots of special food to enjoy during the breaks. We dance every Monday, early round start at 7:30. Always exciting and special with Charlie and Leona Lovelace on rounds and Sharon Short calling squares. All dancers come and enjoy!

In the beautiful month of May we will be hosting a Chinese Auction on the 12th. This is a lot of fun and excitement. There will be wonderful food for hungry dancers. Everyone welcome.

Watch out, here we come! We're coming to dance with you and snare your banner to take home. Temple Twirlers are visiting and dancing your way.

TO DANCE - TO MOVE - TO LIVE COME DANCE WITH US! BJJ

SOCIAL DANCING

Jazz up your fitness routine with a regular dose of dance.

Evelyn resolved that in 1994 she'd exercise regularly. But it's only the beginning of the new year and she's already bored with her new stationary bike. The rowing machine and treadmill at the YMCA also hold little appeal.

When a friend coaxed her to go along for an evening of free dance lessons, she realized exercise doesn't have to be a chore.

It's true. Whether you're swirling across the floor to a Strauss waltz or doing do-si-dos to the commands of a square dance caller, you're getting exercise - - and probably having fun too.

Dancing pairs you up with more than a partner.

From burning calories to socializing with friends, dancing offers these health benefits:

- **Calories** - Dancing can burn as many calories as walking, swimming or riding a bicycle. During a half hour of sustained dancing you can burn between 200 and 400 calories.
One factor that determines how many calories you'll expend is distance. In one study, researchers attached pedometers to square dancers and found each person covered nearly five miles in a single evening.
- **Cardiovascular conditioning** - Regular exercise can lead to a slower heart rate, lower blood pressure and an improved cholesterol profile.
Experts typically recommend 30 to 40 minutes of continuous activity three to four times a week. Dancing may not provide all the conditioning you need, but it can help. The degree of cardiovascular conditioning depends on how vigorously you dance, how long you dance continuously and how regularly you do it.
- **Strong bones** - The side to side movements of many dances strengthen your weight bearing bones (tibia, fibula and femur) and can help prevent or slow loss of bone mass (osteoporosis).
- **Rehabilitation** - If you're recovering from heart or knee surgery, movement may be part of your rehabilitation. Dancing is a positive alternative to aerobic dance or jogging.
- **Sociability** - Dancing contains a social component that solitary fitness endeavors don't. It gives you an opportunity to develop strong social ties which contribute to self-esteem and a positive outlook.

Would you like to dance?

Tomorrow night when you consider settling down for a little television, turn on the music instead. After a few spins around the living room, you'll have so much fun you may forget you're exercising.

NEWS FROM THE FLORIDA ASSOCIATION OF SQUARE DANCE CAMPERS

Our first meeting of 1997, at LanLan Ranch Campground in January was very well attended. Discussed was our successful Camp-O-Ree which will be at Okeechobee October 24th to the 26th. Banner Raids between the Chapters were mentioned, and there are reports that some of our chapters are Banner Raiding to just Square Dance clubs. Results are very successful. A new way to pick up new members and to let the world know about Camping Dancing. It is still the best kept secret in square dancing. Lou Vogel, President of NSDCA, reported that there are two new chapters in the association, both in Canada. This is going to be a very busy time for our campers for it won't be long now before our own Florida National Square Dance Convention in Orlando. The dates are June 25th to the 28th. Then the next event is the 1997 International Camp-O-Ree in Augusta, New Jersey and the dates for that are July 15, 16 and 17, 1997. It is really going to be a busy summer, so until next time; Happy, safe camping and dancing.

FLORIDA WHEELERS - CHAPTER #139

Several square dancers put on an exhibition at the RV show at the Tampa Fairgrounds. Dancers from the Bay Area Twirlers, Strawberry Square and The National Square Dance Campers - Chapters 139, 143 and 153 - danced outside in 50 degree weather to promote square dancing and camping dancing. The exhibition was organized by Tom and Ethel Smith; and the callers who graciously donated their time and talents were Bob Barnes, Bob Christian and George Varney.

See you in a square,

46th National Square Dance Convention

June 25-28, 1997

Orlando, Florida

NEWS RELEASE

"HEY BUDDY, WANT TO SWAP?"

The Showcase of Ideas will have a new addition this year - a SWAP area. This is a place for all you traders to congregate and collect those special pins. You'll find it located in the corridor, right outside rooms 314A, 314B, 315A, and 315B.

Also, the Publications area will have a separate seating area where you can browse and enjoy reading all the magazines on display from around the entire world.

"PARADE OF STATES"

The 46th NSDC Ceremonies committee is working hard to have a parade of States that will be innovative and memorable. We have listened to the concerns of dancers and are planning a parade that will be entertaining and exciting for both the participants as well as the onlookers. The Parade of States will precede the evening ceremonies on Saturday night and take place inside the air conditioned Convention Center. We will have volunteers stationed in the main hallway to assist participants in finding their respective states and countries starting at 6:15PM. The Parade of States will start promptly at 6:30PM.

The Youth dancers will lead the Parade and will be followed by Florida, Carolina, Indiana, Baltimore, and California. Other states and countries will then line up in reverse alphabetical order, a slight change from past conventions. The Committee is making new signs which will be different and colorful. We promise no long waiting in the halls and no standing on the floor AFTER the parade, so please plan to participate.

"EDUCATION PROGRAM AT THE 46TH"

Twenty-six of the liveliest learning panels covering many topics of interest will be available to dancers attending the 46th National Square Dance Convention. Plan to attend at least one of these panels and become a member of the "Owl Club". Seminars will be presented by the top callers, cuers, and square dance leaders in our activity. Plan to take advantage of this wonderful opportunity to learn new techniques and develop new skills. Sixteen clinics for leaders and dancers will be led by the very best people available in their respective fields. Visit the showcase of ideas where you can view items from all over the world and discover new ideas to take home for your association and club. View the many publications currently being used in other areas. Discover new ideas for your publication. Sit in on the organization round table - panel and audience participation discussion of those things so important to the growth and maintenance of our dancing activity. And be sure not to miss the Sew and Save clinic designed to improve your sewing skills.

"ROUND DANCING AT THE 46TH"

Those planning on Round Dancing at the 46th National Square Dance Convention in Orlando can count on excellent facilities conveniently located with plenty of space. All Round Dancing will be done in three large halls located right next to each other. You'll NEVER have to walk a great distance or go past other halls, and NEVER have to leave one building to go to another. You will be dancing on a wood floor, which should save wear and tear on tired feet after three days and nights of dancing.

We plan on a total of about 60,000 square feet of space set aside for Rounds on the third floor of the convention center. Third floor????!!! Don't worry, you don't even have to climb stairs! The Round Dance halls are located at the top of a huge escalator that goes continuously from the main lobby of the convention center right to the front door of the round dance hall, or elevators are also available.

In addition to the three large halls on the third floor, there will be two square dance halls that will have rounds between the hours of 2-4PM and 7-10PM. In these halls plans call for two square dance tips followed by 2 round dances continuously during the allotted time frames.

We are excited that so many top quality Round Dance Leaders have agreed to participate. There will be a well-rounded (no pun intended) program of new dances being taught each day, and an excellent evening program that includes many classics and popular Rounds.

ROUNDALAB TO PRESENT THREE SEMINARS AT THE 46TH NSDC

ROUNDALAB, in conjunction with the National Executive Committee of the National Square Dance Convention, will continue to present a daily two hour educational seminar at the National Square Dance Convention in Orlando, Florida, this June.

These seminars, which are mainly lecture and discussion periods, with a lot of audience participation through question and answer periods, are slanted to dancers, round dance teachers and square dance callers interested in the round dance as a part of the overall square dance activity and are open to all who are attending the NSDC.

On Thursday, the discussion will concern "Deciphering the Hieroglyphics of Cue Sheets." Poorly written cue sheets and uncomfortable choreography are often the reasons for rejecting a dance. This seminar will cover helping the dancer, as well as the leader, who aspires to write dances; choreography-choosing the descriptive wording and abbreviations to match the actions; matching the rhythms to the music; determining musical phrases and making figures work for both partners.

Friday's topic, "Finding and Recruiting Round Dancers," will cover other places for recruiting round dancers than among those who are already square dancing. The clinicians will discuss finding and recruiting non-square dancers for rounds and also round dancing in schools, as well as the young adult and senior citizen in the activity.

The 46th NSDC has defined the single person in our couple activity as "Half-A-Pair." The session on Saturday will discuss round dancing as it relates to this "Half-A-Pair," the dancer without a partner and the teacher without a partner.

These seminars will be presented every afternoon from 1 to 2:45PM in the conference room at the Orlando Convention Center. The ROUNDALAB seminars are not to be confused with the dancer clinics presented as a part of the overall general education program at the National Convention. The ROUNDALAB seminars are considered to be a supplement to the educational program as planned by the 46th NSDC Education Committee.

For more information on ROUNDALAB's seminars offered at this year's National Convention, contact ROUNDALAB, 4825-B Valley View, Yorba Linda, CA 92686; (800) 346-7522; (714) 572-0480; FAX: (714) 572-0931.

"PLAN TO MIX GHOSTS AND MAGIC AT THE 46TH"

The 46th National Square Dance Convention plans to utilize the talents of the Ghost Riders Dance Band to provide live music for your dancing pleasure. The band consists of five musicians along with their sound engineer. The Ghost Riders have been performing for the last twenty years throughout the United States and around the world.

If you saw the 1993 movie "Barbarians at the Gate" starring James Garner, you might remember seeing and hearing the Ghost Riders. They have played at several National Square Dance Conventions and are familiar to thousands of dancers who have enjoyed them over the years. The band will play Thursday June 26th, Friday June 27th, and Saturday night June 28th from 7:00 PM until 10:00 PM with all singing calls.

AS WE TOUR THE STATE TOWARD '98

While many are involved in final plans for the 46th National Square Dance Convention, there are a group who are busily working on the 1998 Florida State Convention to be held in Lakeland May 22, 23 and 24 1998.

We wish to visit as many clubs in the five associations as possible, and to do this we were in need of a vehicle. The vast area to cover could not be accomplished with a single vehicle, but could best be served by five, one for each association. A trip, to be of value, must have a purpose.

Ours is invaluable, for we wish to invite everyone to the Florida State Square and Round Dance Convention in 1998, and to provide them with registration forms to enable them to take advantage of the great savings when they register early. It will become necessary to support our travels, and what better way than a raffle.

The steps for our promotion are simple, and the board which outlines the procedures has been given to each of the Association Presidents.

We discovered on our trek to a Federation Meeting held in the Southeast Area that the distance was much like a trip to the moon. Cape Canaveral could not spare one of their crafts so we found it necessary to settle for our own airplane design. As it makes its way from club to club, we realize that it is not as comfortable or fast as a "707", but we hope it will serve our purpose. Frank and Ada Trott piloted this flying machine to its first port in the Southeast area.

All most as great a distance, are our members in the Northwest Association. We chose the Engine to chug through the area. It should provide a comfortable trip, while the passengers sit back and let someone else get them to their destination. In 1996 they had little time for relaxation, and now they are thrust into the workings of what is to be the Greatest National Convention ever. In 1998 it will be their turn to enjoy the all new Lakeland Center and the fantastic dancing. Fred and Shirley Cornett, as engineers in the Northwest area, have sent the train off on the right track.

Central has been in the hub of all the preparations for the Nationals and will be in need of an opportunity to get away from it all after the last report has been filed. Thus, we presented them with a camper to permit extensive travel, but only if they select Lakeland as their destination in May of 1998. Bob and Rosemary Schirmer were the first to head for the open highway in route to their next club dance.

The Sarasota Museum of Antique Cars had nothing to compare to our rendition of the '57 Chevy. Perhaps you don't remember, but we do. We asked that Zurhn and Shirley Walker give it a proper send off from the Buttons and Bows of Mulberry and we hear that it has been on the road ever since.

Sources have indicated that the Northeast is in need of a new and improved system to assure that all important Square and Round Dance documents be given prompt "Special Delivery". Jack and Kathy Mckinney realize that the Mail must go through in the up to the minute Mail Truck..

A large map of the State of Florida will be displayed at the 1998 Convention and will be marked with each club who has participated as "We Tour the State (toward) '98". It will include an index listing the names and locations of each club who has participated. What better way to get your club on the map?
