The Florida Dance Web

Check out the new FDW Bulletin Board. I've been receiving questions and requests for advice from people around the state and country and decided that folks would be better served if they had the opinion of many dancers, callers and cuers in the state of Florida rather than just my opinion. Toward that end we have started the FDW Bulletin Board. Whenever I receive a question that I think would benefit from your opinion, I will place it on the Board and let you all comment. The FDW Board is very easy to use. Just click on the button in the box above and a new page will open with the current question displayed. Fill in the boxes and hit the "post message" button and your opinion will be added to the others. You can view all messages by clicking on the word "messages" in the menu bar. Every day when you visit the FDW, check the bulletin board to see what's going on.

2000 - 2001 PRESIDENTS' MESSAGE
DON & ANN SLOCUM

We have been enjoying our Assoc. dances. Even though the number of participants have been down, we are still having a successful dance because of our wonderful Sun Coast Callers & Cuers that have been donating their time to the W. C. Assoc. for our area dances.

The 41 squares of dancers that attended the Red, White & Blue Dance reported a good time by all. We really hate that we had to miss going to dance at Kings Point on Mar. 18 but we had family matters that had to come first.

We will be looking forward to seeing the great dancers in Sebring on Apr. 1st at the Ag. Center there.

We really run out of things to say, we just hate to be on our soapbox all the time. After a weekend of meetings with the Fl. Federation of Sq. & Rd. Dancers on

Feb 24 & 25 it again raises our concern about the future of Square & Round Dancing. We look around the room and see the same faithful people that have been involved in taking care of getting things done with very few new faces. We know there are new classes going on around the state but we don't seem to be able to draw the folks that can't order off the senior menu. This working weekend reiterated the same thing that has been said many times before.

- 1) We all must be responsible for getting new folks to the classes.
- 2) We all need to go out of our way to dance with new students and make them feel welcomed.
- 3) We all must do our part to participate in promotion of the areas special dances and St. Convention if we want them to be able to continue.

That being said we hope you all are supporting your Assoc. in volunteering in areas that you can and attending as many dances that you can, and then going the extra step of going to dances in the other Associations. Put the Fall Fun Fest for Nov. 9 & 10, 2001 on your calendar of places to be.

Hope to see in a square, Ann & Don Slocum, Presidents

On the 18th of Feb. we are raiding the Crystal Lake squares, on the 19th of Feb. the Bay Area Twirlers are raiding us. LIMONADERS #139 – NSDCA

We are saddened by the death of Bart Carroll who was called home to the Lord in January. Our sentiments and prayers go out to Grace and family.

Our January 2001 camp out was canceled due to inclement weather.

For those of you who missed our February campout - well there are no words that could begin to explain the disorganized chaos. You had to be there to believe all that went on. We had 21 rigs including guests Jack & Lorlene Jensen from Chapter 018. We almost didn't have a hall for our functions. Thanks to President Jack Davis and Vice President Gordon Hill, who went to the Manager and advised them that according to the contract we were supposed to have the hall on Friday evening for a dance, all day Saturday for meetings, crafts, workshops, potluck and Sat. night for the dance. The manager said he would go to the hall and talk with the park campers who were utilizing the hall and informed them of the contract. They agreed that we could use the hall, but they would still like to use 'part' of it for playing games - all agreed. Caller/cuer Carl Rod did a usual good job considering all the commotion going on. Producer/ Manager of Skits: Janet Bowen, did a good job in the role of Juliet with Al Tenny as Romeo. They are a good team.

Congratulations to Pat Apkar who was crowned Queen and Gordon Hill was crowned King for the weekend.

Jack & Alice Leonhart along with Bob & Betty Cadad were host/hostess at our Welcome Coffee - lots of good cookies, coffee and hot chocolate. Weather was a bit windy, chilly, and a few sprinkles now and then.

Hooray for Janet - she pulled, parked and set up the 5th wheel for the first time with the help of Mary Lee - good job girls.

Let it be known that in spite of the problems encountered, we Square Dance Campers had a marvelous time anyway. Who said people could spoil our fun; we just made the best of an unfortunate situation.

Our next campout will be held at Lake Okiawaha March 2 & 3, 2001. Come join us for lots of fun.

Paul & Claire Rae: Publicity

SPARES "N" PAIRS – PINELLAS PARK

The Spares "N" Pairs had a Valentine dance last month with lots of food and fun. We took pictures of the dancers in their red clothes. They turned out great and everyone was happy at the next dance when we gave them their pictures.

We have guest callers every Monday night with some new names on the list.

On March 12th come join us for a "Sundae" on Monday with lots of good toppings.

We dance at Danceland 8451 49th St. N. St. Pete every Monday night. Please come and dance with us.

WHY WE E-MAIL JOKES

Sometimes, we wonder why friends keep forwarding jokes to us without writing a word, maybe this could explain:

When you are very busy, but still want to keep in touch, guess what you do: you forward jokes.

When you have nothing to say, but still want to keep contact, you forward jokes.

When you have something to say, but don't know what, and don't know how, you forward jokes.

To let you know that: you are still remembered, you are still important, you are still loved, you are still cared for, you are still wanted, guess what you get? A forwarded joke from me.

So my friend, next time if you get a joke, don't think that I have sent you just a joke, but that I have thought of you today.

SUN CITY SWINGER'S – SUN CITY

The Sun City Swinger's Dance Club is located off I-75 at exit 46B at State Road 674. We are between Bradenton and Brandon Florida. We dance at the Community Hall off South Pebble Beach, the number is 1910.

Continuing our tradition, the Swinger's will be dancing year round twice a week. We are privileged to have one of the largest dance floors in this and the surrounding areas and will hold many multiple squares.

George Varney is our Caller/Instructor on Tuesday night for Mainstream and Beginner class from 6:30 through 9:30 PM. Van Coble is our Caller on Friday night for Plus Dancing from 7:30 to 9:30 PM. These two top notch caller's work well together bringing a sense of humor to all our affairs. Mary Wiewiora is our Round Dance Instructor on Wednesday night conducting classes from Beginners through Phase 3, from 6:00 through 9:00 PM. She also Cues on Friday nights.

We celebrate all holidays such as Valentine's Day, Saint Patrick's Day, Thanksgiving, and Christmas by dressing for the occasion and have pot luck suppers which consist of finger food and dessert. We are a very friendly group of people always ready to welcome visitors, banner raids, or just members who have family or friends visiting. Good times are had by all. Come join us and have some fun.

SUBJECT: CHURCH LADIES WITH TYPEWRITERS

Barbara remains in the hospital and needs blood donors for more transfusions. She is also having trouble sleeping and requests tapes of Pastor Jack's sermons. For those of you who have children and don't know it, we have a nursery downstairs.

50th National Square Dance Convention Æ Square Dance Program

Our Square Dance program will feature all levels from Mainstream to Challenge. There will be over five acres of dance halls devoted to square dancing. We will have two Mainstream Halls; one will feature the Ghost Riders Band performing live music each evening, and one will offer Rounds. There will be two round dances twice each hour in the evening. Having the live band in the Mainstream Hall will give all the dancers at the Convention the opportunity to dance to live music. If you have never danced to the Ghost Riders Band, you are in for a real treat.

We will have two Plus Halls, one with two round dances each hour all day and evening, and one offering continuous Plus level squares. In addition, we will have a hall featuring only Singing Calls, which will be mostly Plus level. There will be two Advanced Halls; A1 and A2. There will also be two Challenge Halls.

There will be a Singles Hall, which will provide a place for solo dancers to meet. The level of dance in the Singles Hall will be Plus, with two round dances each hour in the evening. There will also be a Country Western/Line Dancing hall with a full program.

Handicapable dancers will have an 8,000 square foot hall dedicated entirely to them. It will be on the ground floor, near the main entrance, and will be easily accessible by all. We are planning a full Handicapable program.

Dancing will begin at 10:00 AM each day, and run until 10:00 PM. At least one Mainstream and one Plus Hall will offer continuous dancing for that entire period. Other halls may close for lunch and/or dinner breaks. If you have not had enough dancing by 10:00 PM, there will be square dance after parties each evening.

We are expecting some of the finest calling talent in the country to be part of our program. There will be callers from every part of the country, as well as from a number of countries around the world. Along with the spectacular Ghost Riders Band from California, this great caller lineup should produce one of the finest National Square Dance Conventions Æ ever.

For those wishing to improve their dancing skills, or learn new ones, we will offer workshops for all Square Dance levels, as well as Country Western.

Make your plans now to be part of the worlds greatest square dance event in 2001.

A Child's View of " Retirement"

After spring break, a teacher asked her young pupils how they spent their holidays. One small child wrote the following:

"We always used to spend holidays with Grandma and Grandpa. They used to live here in a big brick home but Grandpa got retarded and they moved to Florida". "Now they live in a place with a lot of other retarded people. They all live in little tin boxes. They ride on big three-wheeled tricycles and they all have name tags because they don't know who they are."

"They go to a big building called a wrecked hall, but they must have got it all fixed because it's all right now." They play games and do exercises there but they don't do them very good. There is a swimming pool there but they stand in it with their hats on. I guess they don't know how to swim."

"As you go into their park, there is a doll house with a man sitting in it. He watches all day so they can't get out without him seeing them. When they can sneak out, they go to the beach to pick up shells."

"My Grandma use to bake cookies and stuff but I guess she forgot how. Nobody cooks. They just eat out. They eat the same thing every night - Early birds. Some of the people don't know how to cook at all so my Grandma and Grandpa bring food into the wrecked hall and call it 'pot luck.'"

My Grandma says Grandpa worked all his life and earned his retardment. I wish they could move back up here but I guess the man in the doll house won't let them out!"

Rnds By Phyllis Hathaway

WHAT IS A DANCER?

A dancer is the most important person at any square dance.

A dancer is not dependent on us, the callers and cuers, we are dependent on him/her.

A dancer is not a pawn in our choreography, he/she is the purpose of it.

A dancer does us a favor when he/she comes in. We aren't doing him/her a favor by calling to him/her.

A dancer is a part of our dance, not an outsider.

A dancer is not just money paid at the door. He/she is a human being with feelings like our own.

A dancer comes to us with his/her recreational needs and desires, it is our job to fulfill them.

A dancer deserves the most courteous attention we can give him/her. He/she is the lifeblood of every square dance. He/she pays your fee. Without him/her we would have to close our doors. Don't ever forget it.
