for youth registrations. This is a great way to contribute to the future of our activity. Even if you may not be dancing anymore, you may want to support the youth and the national convention. Remember the 66th NSDC a 501-C3 charitable organization, and so would qualify as a tax deduction should you choose to donate. If you are registered but cannot make the convention, just let us know you want to donate your fees. Then, we will send you a tax form for your donation.

I may have said this before, but your presence at the national convention does make a difference all around the world. Many of the best new ideas come from things you learned, danced, saw, experienced, people you meet, etc. at a national convention. This is the place where the shaker and movers go to get the best dancing, attend the best education and seminars to ideas to take home to their clubs, and the best places to see and be seen. The callers and cuers are the best in the world and you deserve a chance to be part of it all. Let's celebrate the event at any level and get excited about it. It is the best event this year!!

### WELCOME

Wow, what a difference in the amount of registrations that are showing up now versus last year. Looks like things are really picking up now! Thanks' to all the folks that have finally decided to pick up that pen and fill out that registration form. Encourage your neighbors to do the same. Also, thanks to all the people in Florida last week that signed up. Beverly and I were able to visit Titusville, Florida for the Space Coast Winter Fiesta with Tony Oxendine, Jack Pladdys, and Glenn & Rosalee Kelly, and then moved on down to visit with Homer & Sue Magnet and the Long Key Square Dance club. Both places welcomed us and rewarded our efforts with new registrations. What a great honor to meet such a great group of dancers.

My phone and email have been humming the last few weeks with all kinds of questions and decisions that need final approval. As General Chairman, I am very lucky to have such a great group of people to work with on this convention team. This goes for the NEC Advisors that help guide us through the maze of thinking we have to do, but also to the many people in our 66th NSDC ranks that do the real work. Many of these people work a day job and work for us at night. Some are retired, but put in long days as well to be sure all the details are done. They are often helping me to meet the dead lines by making a call or sending an email to remind me of our deadlines.

We seem to be getting a large number of youth signing up for the convention, and it seems that we are also getting donations for youth registrations. Several federations and clubs have been raising money

## BUTTONS & BOWS — LAKELAND

Our club members have been very active on our feet during this busy dancing season. We graduated one class of new dancers in early February and started a new class of new dancers later in February. The new class has drawn three couples and one single, who are developing nicely. Also, our club goes out with a caller a few times each year to display some simple steps in demonstration of square dancing and in hope to attract others to our next class. Finally, located as near as we are to the Tampa site of the Florida State Fair, we find it convenient to join dancers visiting from other clubs in the State dancing publicly one full day each year. We always hope that some of the many visitors to the fair will have a taste for such activity and pursue it when they return home. Jim Meier

## TEMPLE TWIRLERS – TAMPA

Our club is doing very well. We have four or five Squares each week. Our Valentine's Dance was well attended. Merle Lewis and Phyllis Woodlief organized a fun time at the Florida State Fair. Our caller Ron Reardon and our cuer Charlie Lovelace along with other callers and cuers provided fun dances. Our numbers were down, however, those that came enjoyed themselves.

April 3rd is Our Club's 37th Anniversary Dance. We would like to invite our former members to join us, even if they are no longer dancing. Ron Reardon will be calling. April 17, we will have our Easter

Winter is winding down. Dances, classes, and special events are winding down as well! Even though our beloved snow birds are starting to head home, the West Coast remains the place to be for Square dancing in Florida. Clubs and Callers have their classes finishing up and are busy planning the next round. If you missed out, check [FloridaSquareDance.com](http://FloridaSquareDance.com) for a club near you. A class will be starting soon. Clubs/callers in the West Coast have basically moved to the Callerlab Fist 50 to get dancers on the floor earlier and we have classes running year round. The WCSRDA wants to remind clubs and callers of the Associations \$100 reimbursement for new dancer classes. We want to do everything we can to promote this great activity that we all love.

The West Coast Association completed their 6 Association dance year with the final dance March 5 in Arcadia. Despite our lead caller being hospitalized, we still had 7 squares on the floor who had a great time with Robert Arias and Marty Vanwart calling. Membership in the West Coast Square and Round Dance Association remains the best value in Square Dancing. Our membership of \$12 for a new dancer including badge, or \$6 for renewal includes admission to all 6 Association sponsored dances. Not a bad deal!! The Association is busy finalizing our 2017–2018 dance schedule. This year we

Continued next page.

have moved to a process very similar to the one used in the Northeast (special thanks to our friends in the NE who helped us). We have eliminated our 'Open Mike' dances and are scheduling 2 callers and one cuer per dance that have clubs and give lessons. Once again, we are trying to promote lessons as one more way to get new dancers.

National caller Jack Pladdys just finished up 5 dances in the West Coast (Lake Ashton and Strawberry Square) in 4 days. Dancers were able to dance Plus, Advanced and C1 to Jack. From all reports, every session was amazing. On March 19, the SCCA host the Freshman Frolic at Strawberry Square. This dance represents the first official dance for our new dancer classes. It's a great time to get new dancers on the floor and make new friends. As of this writing, final preparations are underway for the 63<sup>rd</sup> FSSDC Trail End dance at Strawberry Square and the Convention itself at the Lakeland Center. A little secret that I can now share, those dancers coming out of the story book in the 2018 Kick Off, may look very similar to dancers that you see regularly at Shufflin Squares. As the 2018 FSSDC gets rolling, I can also report that the 2019 State Convention will have a West Coast flair, as Ed Drexel and Terry Wetherby have been appointed General Chairman.

Whether you are a new dancer or a veteran, there is no doubt the West Coast is the place to be. The callers, facilities and dancers make the West Coast what it is today. For Square Dancing in Florida, you gotta go West!!

Sincerely,  
Ed Drexel  
President, WCSRDA

## HURRY—HURRY--AND BEAT THE DEADLINE

The 67<sup>th</sup> National Square Dance Convention®  
Kansas City, MO

Does not want you to miss out!!

If you are planning to come to the 67<sup>th</sup> NSDC in Kansas City, MO June 27 – 30, 2018 and we know you are, we would like to save you a few bucks. If you pre-register before March 19, 2017, you can beat the price increase and save money.

Get your registration postmarked by the 18<sup>th</sup>---On March 19, 2017, the registration fee will increase from \$50.00 to \$60.00 per person so hurry, hurry and save.

Kansas City is easy to get to, located in the center of the country with four major interstates running through it. It is nicknamed the "Heart of America." Travel + Leisure Magazine has named Kansas City as "American's Most Affordable Getaway." The Kansas City International Airport is served by most major commercial airlines, easy to navigate, and has been recognized as the world's most people friendly airport.

The "Show Me" Board is planning a great convention that you won't want to miss. You will love Bartle Hall, compact yet plenty of dancing space. We hope you won't miss those long leisurely walks between dance halls. The hotels are also very close by, just one block door to door, and if the weather is a bit too warm, just take the tunnel and stay out of the sun. Your favorite callers/cuers will keep the dance halls fun and lively, and yes, there will be ice cream to eat when you want to take a break. If you don't use our food court, you only have 45 restaurants to choose from within a five block walk.
