PRESIDENT'S MESSAGE

We're happy to report that the "June Jamboree" was a big success, notwithstanding the fact that many of our dancers were kicking up their heels at the National Convention in Salt Lake City.

We'd like to say a very special "Thank You" to Skeeter Chauvin, Jim Baker and Fred Christopher, callers. Also, to Bob Walthers and Fred Leach, round dance cuers, who all donated their time and efforts to make the "June Jaboreee" the success it was. They all did a wonderful job, and we appreciate them very, very much.

We're still looking for an editor for this publication. If YOU'RE interested, let us know.

We are still looking for editors to take over the West Coast Dancer in the fall. We need a few more. It's an interesting job. Don't be bashful - come forward and volunteer.

Ben and Hazel Hamilton

FROM THE EDITOR'S DESK

Ragnar and Edith Peterson represented your editors at the 22nd National Square and Round Convention at Salt Lake City last month. They were guests at the Press Breakfast given for all publicity chairmen who had published news of the National Convention in their local news media. Isabelle Ratliff also was a guest at this breakfast.

The Peterson's were also featured in a column of the afternoon Salt Lake City Desert News with comments on square dancing is fun and Salt Lake's courtesy to all the dancers. One hundred and ninety-nine dancers from Florida attended the Convention with the biggest percentage from the West Coast area.

We are still looking for editors to take over the West Coast Dancer in the fall. Won't YOU try your hand at it? It's an interesting job. Don't be bashful - come forward and volunteer.

ROUND DANCE NEWS FOR AUGUST, 1973

DUNEDIN BEACH CAMPGROUNDS-Bob & Ginny Walther invite all new round dancers and anyone who has had basic rounds to join them on Thursdays at the Dunedin. They have a nice evening of easy rounds and workshop and lots of fun. Eight o'clock is the time. Call the Walthers at 447-1677 for more information and directions if needed.

MIAMI STEPPERS-Our party night fell on Father's Day, so we celebrated both events with our traditional pie and ice cream for refreshments. Minnie Goeldner's lovely table decorations, with Otto's "Welcome Fathers" sign as a background piece, vied with eight delicious pies for an eye-catching, mouth-watering coffee break. Lee & Earle are workshopping some of the Classics along with the current "favorites", and also reviewing some of our old favorites, during the summer sessions. All this makes for an interesting and enjoyable dance program with an attendance of approximately 15 couples every Sunday night. Treva Pahuski-Bonita Springs, Fla.

LAKELAND ROUNDETTES-It doesn't pay to go away because we missed so many new dances taught by Marty & Byrdie Martin. We left early in May and they taught "Tenny Waltz", "Call Me Lonesome", "My Abilene", "Sweet and Sassy", "Goodnight Dreamer". They also taught Bill & Pat Bliss' latest dance "Love is a Beautiful Song". This was also taught to the intermediate class as well as "Green Mask Tango".

Marty & Byrdie also taught "Love is a Beautiful Song" at the National Convention in Salt Lake City, and they were very well received. So if you notice a certain lilt to our dancing, it's just that we are all so proud of our teachers.

Vance & Miriam Bateman  
ROUND DANCE with CHARLIE & MADELINE LOVELACE each 2nd & 4th Wednesdays from 8 to 10 P.M. at North Boulevard Recreation Center. All round dancers are welcome - \$2.00 per couple. Dance on a wood floor in an air-conditioned room.

SQUARE DANCE NEWS FOR AUGUST, 1973

BAY AREA TWIRLERS-Greetings and happy dancing from the Bay Area Twirlers. Nine couples traveled 140 miles to visit us on June 9th from the Harbor City Squares in Melbourne to become full fledged Knotheads. What fun! Our club is always willing to give Knothead initiations, so if your club is interested drop us a line. The "BATS" held their business meeting coupled with a picnic at Phillippe Park in June, anyone leaving one of these ado's hungry, well... We have as new members Roxanna & Roger Dubrulle, and look forward to squaring up with them. If you missed our luau on June 23rd, you missed a colorful fun filling evening. Even the table of food was a beauty! Jack will be back calling the squares for us in August. On the rounds will be the Lovelace's the 11th of Aug. and the Walthers on the 25th. Our club has also started a history and scrap book about the Twirlers. Anyone having any information about our club, please forward to Art Fuxon, 3013 Sabal Rd., Tampa 33614. It's hard to obtain information as we have no original members left. See you all at the Knothead!

BRANDON SQUARES-Thanks to the many who came to the benefit dance for Jackie Chitty. More than \$200.00 was taken in. Jack Harris donated his calling. Brandon Squares sponsored a beginners class with Howard Parrish as the teacher. They graduated June 29th, and are a good group. Look for them at your dances. We're very proud to welcome them into the Brandon Squares. President Marvin Grose and wife, Lucy, have really worked for the class.

BUTTONS & BOWS of Lakeland-Sorry we had to make a hurried trip to Pennsylvania and missed out on some delightful calling of Ken Cucore and James Maxey. We also missed the State Convention but while in Penn. we attended several dances in that area and danced to Johnnie LeClaire, Dick Jones, and several of their local callers. We also went to the 14th Annual Cannonaders Roundup in Gettysburg.

We arrived home in time to make our 21st Anniversary Dinner & Dance, and had the pleasure of listening to Mel & Cora Bell Clark tell about the early dances and problems. They have been retired for one year, having been our callers for 18 years. We danced to the always enchanting and exciting calling of Bob Bennett of Valdosta, Ga. and gave away several door prizes and had a most enjoyable evening. Our callers for August will be Gorden Lenz, from Penn. & Fred Christopher from Fla. Vance & Miriam Bateman

DIXIE LOOPERS-Our Independence Day Sandwich Buffet & Dance was a "bang-up" affair! Delicious delectables graced two long tables which were enjoyed and appreciated by all. In true holiday spirit we dined, danced & snacked plus the added attraction of winning one (those lucky numbers) of the 7 door prizes. This is a fine opportunity to express our gratitude to the ladies for their generous culinary efforts. We were also happy to welcome as guest, Mrs. Ken Cucore (Jean to her many friends) & out-of-state visitors, Miss Jennifer Bolen of Tenn., Mr. & Mrs. Bernard J. Wouthwell of Mass. There has been an excellent response to the Sept. 22 Disney World trip with reserv.

SQUARE DANCE NEWS FOR AUGUST, 1973

DIXIE LOOPERS (continues)-completed for one full bus and the halfway mark reached on a second. Sounds like a fun-time especially with the tedious task of driving omitted.

It's that time again, if you haven't, please DUE! We have two lean months ahead and we do want to hold this wonderful hall.

Our best wishes to President Harold & Edna Adams for a wonderful trip and vacation up home in Ky. Hope you'll join us in a square Wednesday!

THE IMPERIALS SQUARE DANCE CLUB of Largo who dance each Tuesday at Imperial Point Club House was just incorporated in May of this year and in late June of this year celebrated the unveiling of their club banner...a handsome piece of craftsmanship (even though Karl Weller, my husband was the creator of it). Our caller, George Hales, did some extra special calling for the occasion. We all love George for the extra unsolicited effort he makes to assure a wonderful event no matter if it may inconvenience him.

Our club also had the pleasure and pride of supplying two squares, with George Hales as the caller, for the talent show put on by our Imperial Point Community as part of the 4th of July celebration. The dancers enjoyed showing off their acquired talents and the audience was enraptured. I feel sure that we now have many couples anxiously awaiting our new square dancing classes planned for the fall.

On July 14 we "blew" our meager treasury on a cook-out. The scene was in our pool area. The setting was delightful, equalled only by the feast that John Torpe and his committee placed before us. Broiled steak, baked potatoes, salad and hot garlic bread. John did a masterful job. As guest we had our club manager, Joe Benton. Of course our caller helped us devour the goodies. Mrs. Hales proved to be no slough with the knife and fork either. We all had a great time. We invite one and all to investigate our level of dancing and perhaps help us enjoy our next treasury surplus. Louise Weller

LEFT ALLEMANDERS of St. Petersburg-Vacation time is cutting into our ranks but the old die hards say "It's never too hot to square dance!" Jack (tambourine man) Harris really gave us something to dance to, and his lively young Stompers added good vibes to the group. Jim Taylor's new dancers came out to dance with us the second Friday and did real well. Skeeter Chauvin called for us the last Friday. Our club meeting was held at the Maxfields (by the way, last month we mentioned Mike's graduation, but neglected to say "with Honors!"). In response to the interest of our guests, we decided to have rounds every 2nd and 3rd Fridays for all you rounders. We also decided not to have a dance the 3rd Friday in October in support of the State Callers Convention which promises to be a good one - we'll remind you again later! And since our Anniversary Dance, which will be scheduled for September 28th - we'll remind you about that later, too. We're very happy to note that our good friends Ken & Mae Ford and Richard & Ellen O'Berry will be wearing Left Allemander badges. Our bountiful ladies during the month

SQUARE DANCE NEWS FOR AUGUST, 1973

LEFT ALLEMANDERS (continued) - were Liz Kirkman & Martha Floro. Al substituted for Martha when she was sick. He's good with cookies. The jaunting Johnsons went to the National Convention in Salt Lake City and reported it was great. We had a fun evening with our friends in Tampa, the Bay Area Twirlers. Come dance with us at Seminole Junior High the first three Fridays of the month.

THE NEW ERA SQUARES OF CLEARWATER BEACH were in a festive mood this Thursday past as we all celebrated the 32nd Wedding Anniversary of the Christophers, Hazel & Chris, better known to all square dancers as Butch & Chris. There were nine plus squares in attendance including two squares of dancers from Lexington, Ky., all dressed in matching outfits and, would you believe, the name of their club is the Kentucky Colonels. All excellent dancers and they brought with them their twelve year old caller who did a terrific job of calling Mississippi. Sorry, I cannot remember his full name, but they called him Mark.

At about nine o'clock we all took a break to feast on cake and sandwiches. Butch baked the cake and made the sandwiches and you should have seen how beautifully the cakes were decorated and by none other than our own caller, Chris. Who says callers have a one track mind?

After partaking of all that good food which was furnished by the Christophers we resumed dancing until 10:30. Needless to say a good time was had by all. Square and rounds are called and cued and taught by Butch & Chris and he was at his best as usual. He keeps us right up to date on all the newest square dance basics and round dances. All club level dancers are invited to come dance with us every Thursday at the Clearwater Beach Memorial Civic Center. Y'all come, y'hear.

SPINNING WHEELS of Tampa had a wonderful family picnic and meeting at Lithia Springs. The club furnished the chicken for their members and a great time was had by all, swimming and eating. Plans were made for a suggestion box to be used at our dances. Don Holt offered to make it.

The club planned to visit the Lakeland Buttons & Bows and get our banner back July 14th. We wore our matching dresses (great, aren't they?). Some of our members attended the National Convention in Utah and had a ball there.

Larry & Donna joined our club and it's so nice having them with us. We would be glad to have new members. The square dance classes just graduating are cordially invited to come and be a part of our club. They are a great group of dancers. Think about joining our club, belonging is lots of fun.

The next meeting is Aug. 18th and the club is taking all couples who are members out to dinner and picking up the tab, so don't miss this one!

SQUARE DANCE NEWS FOR AUGUST, 1973

WOODCHIPS-We are pleased that many of our members are continuing dancing during the summer and visiting other clubs and especially the West Coast Association's June Jamboree. Several are enrolled in round dance classes and advanced square dance workshops. Two squares of Left Allemanders snatched our banner to dance to their own Paul Lamb when he called for us while George & Taw were swinging in Fontana. Members of our beginners class are fortunate to have Lou Somers take over in George's absence. The young teenagers get a bang out of doing Left Footer's with the black lights on. The three generations represented by class members is no deterrent to the enthusiasm shown by the group. Our club celebrated Fourth of July with a delicious pot luck prior to the dance, and was highlighted by a huge surprise birthday cake presented to Lee Wood by her sister, Mae ( a former Stafford Stomper from Conn.). She is now a full-fledged, hardworking Woodchip.

YELL-O-ROCKERS of Zephyrhills have been missing some of the familiar faces at their dances this summer. If you haven't been attending lately, you are missing some good callers and friendly fellowship. Jack Harris called a lively dance in June and our Manny Amor dance was well received by nine squares of dancers from as far away as Ft. Myers and Lake Wales. Skeeter was our regular last Friday date caller. Any discomfort experienced with our hall has been eliminated with a new air-conditioner system. A "No Smoking" in the dance hall has been instituted - so y'all come dance with us September 28th when John Saunders will be calling for us and Marty & Byrdie on rounds! We are cancelling our August dance for the Knothead Konvention. Our new club dresses are drawing compliments wherever we wear them. The Petersons report they wore them at the National Convention and were well received to the extent a reporter for the Deseret News stopped to interview them while compiling a column on the Convention.

Troy & Lisle Harre will host our August business meeting with a pot-luck supper. Host and hostess at our July dances were Willard & Joan Barrentine and D. C. and Artie Taylor.

See you all at the Knothead Konvention AND at our dance, September 28th??  
Edith Peterson

SARASOTA-Shirley Dawson writes that their fall and winter schedule will include beginners classes in both squares and rounds, rusty hinge square dance workshops before dances, two separate classes in plateau B, a round dance refresher workshop and a full schedule of square and round dances. The Dawsons are keeping square dancers busy and having fun!

DANCES ON CONFLICTING DATES

At the risk of sounding old hat, we are calling attention to a very old problem, the one of several special dances being scheduled on the same night. This isn't a new problem and it will take the support of all the dancers in this area to overcome it.

The West Coast Dancer has a master calendar and each club has a calendar. A lot of time and effort is spent to keep these calendars current so that we all may enjoy dancing at each others clubs and special dances. When several dances are scheduled on the same night this effort is lost. It is possible to overcome this problem by just plain cooperation and consideration on the part of the dancers, clubs, and callers with some degree of checking on already scheduled dates before setting up theirs.

So what do you say? Let's all give it a try, and see if we can eliminate some of the conflicts this coming year.

ODDS and ENDS  
by Irene McKown

Maybe we can all settle down now that the conventions are over. Every one that went to the National had a wonderful time from all that I hear. (Sorry! I couldn't make it.)

Everyone from miles around hear what "good times" we are having at the Miss Kross Squares. Our callers are great. We are getting a "lotta" fast dancing and good workshops along the way and when our "snow birds" come back we will be able to keep up with them.

Fun, fun! We are all looking forward to our White Elephant Sale and box supper coming up the last Thursday in July with Danny Robinson calling. Myrna, Gert and Minnie have charge of decorations and white elephant sales. A good way to get rid of your white elephants, girls, that are around the house.

While Jack and Maureen were away on vacation, Chuck Kessler was our caller. Thanks Chuck for coming.

Ole Skeeter really gave us a fast "cutting up" time the other night. You didn't have time to think. He was right there.

We all look forward to Roger coming. That's our "finger food" night. All the goodies the girls bring! That's one night we throw away our Weight Watchers. We dance it off to Roger's calling.

Our president's wife is just full of ideas of how to have fun and make our club grow at the same time. It was her idea about our white elephant sale and now she's planning a Luau!

Round dancing has been a "lotta" fun. Also, workshoping on some ones that are really hard, but with Lee and Earle's patience we will get them.

Art and Peg Hacking are away on their vacation. Harold Sauls has been substituting for him (I went along), and does he have the crowd! You wouldn't know it was summer. They have so much fun.

Jack and Grace Livingston are doing a nice job at LeHigh. His beginners class on Monday nights and dancing in the beautiful auditorium on Friday each week and more and more come.

Lee and Earle Kastner have a nice group of round dancers on Saturday afternoon at the Community Building in LeHigh. Their inters has been great. So, folks, if you want to square or round dance we have plenty of both down our way - LeHigh, Cape Coral, Naples, Bonita Springs and Ft. Myers. Y'all come, we'll take care of you.

P.S. We are sorry to hear that West Coast President Ben Hamilton has been ill. Thanks for all you do for our West Coast. A job well done! Come dance with us some time.
