THE PRESIDENT'S MESSAGE

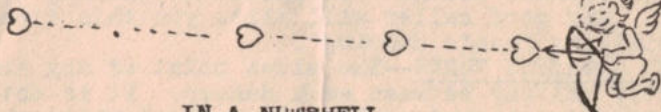

We now have all our Christmas and New Years parties behind us. We can look back on a great year. Now is the time to look to 1979. We have 5 renewal (free) dances, 1 half price dance and 1 benefit dance set up for 1979. We hope all West Coast members will take full advantage of these dances.

Thanks to all the callers and round dance leaders for their help in these affairs. They make them possible. We dancers here in Florida are blessed with the best callers and round dance leaders in the country. We are able to offer something for everyone from basic square and round dancing to

challenge

Please remember all 1978 memberships expired Dec. 31, 1978. To be eligible for the free dances and the bloodbank you must have your 1979 membership paid up. For your \$1.50 you get the five free dances, the bloodbank and help make the WEST COAST DANCER magazine possible. Quite a bargain in these times of inflation. PLEASE RENEW.

Squarely yours, George and Lena Burcham

IN A NUTSHELL

1. As of Dec. 27, 1978 membership in the West Coast Association was 2169.
2. There are 68 units of blood to our credit in our bloodbank.
3. Recommended revisions of the Constitution and By-Laws were discussed.
4. A resolution to promote and endorse SMOOTH DANCING was passed.
5. Auditing committee reported all in order 10/1/77 through 9/30/78.
6. New West Coast stationery received -- really nice.

A RESOLUTION

In-as-much as the National Square Dance Convention Committee has adopted SMOOTH DANCING as their theme for the 1979 convention; And in-as-much as this theme has been endorsed and is being promoted by CALLERLAB, Legacy and others:

We the West Coast Square and Round Dancer's Association add our support to this most worthy movement by endorsing the concept of SMOOTH DANCING and join other responsible square and round dance organizations in the observation and promotion of smooth and comfortable dancing during 1979.

Editors note: This resolution was passed at the Dec. Meeting of the W.C.A.

Smoothability . . .

by Ron Schneider

In the beginning we were all taught how to dance smoothly and move to the music; the correct handholds; where the pivot points on arm turns and courtesy turns are, and many other styling points that make for smooth dancing. However; as our dancing time and instruction increases, more emphasis begins to be put on getting through the routines and we are taught so many new calls that we begin to forget the fundamentals of smooth dancing. We fall into what I call "panic dancing". Let me point out some of the fundamentals of smooth dancing that should be taught during the beginners' classes.

MOVING TO MUSIC--The heavy bass beat of the music is the sound to which we move our feet. We do not pick up the feet, but move them along in a gliding motion. Leaning slightly forward and shuffling on the ball of the foot, take short strides. The heel of one foot should be even with the toe of the opposite foot with each step. This will give us about an eighteen inch stride. The sound should be like rubbing sandpaper on the floor.

LEAD TIME--A dancer should not attempt to execute the call the instant it comes out of the callers mouth. You should be dancing at least two beats behind the caller. Any good caller will allow you this time. This is the first step to minimizing "panic dancing".

ARM TURNS AND COURTESY TURNS--The pivot point of any arm turn and left allemande is exactly halfway between each dancer. It is not the man standing in place and pivoting around on his toe or heel while the girl races to keep up like a crack the whip. Also, on a courtesy turn the pivot point is halfway between the man and his partner. Remember we are leading the lady around with the left hand and not shoving her around with the right hand in the back.

HANDHOLDS--On forearm turns the hand should be above the wrist almost to the elbow, on the inside of the arm. The man should not grip the lady's arm. The lady should have the grip. A slight leaning away from each other will give the necessary friction needed to stay together. On promenades, the man's palms should be up--facing him--so that he can look into them. Also, on courtesy turns the man's left palm should be up, facing him. On square thru and grand right and lefts, or any move where we pull by, the grip is similar to a hand shake-- palms together with the thumbs overlapping. Remember not to jerk or yank as there is no need for this. We seem to make it around the square all right on a weave the ring, (no contact at all) so why should we have to yank by on a grand right and left? Square thru falls into the same rule. We are reaching out with each hand in turn and making contact as we dance. Any pull by moves should be released the instant we pass that person.

DO NOT HANG ON--Box the gnat, star thru and curlique should all be loose hand holds. We have found that if the ladies will offer the back of her hand to the man on a curlique it is quite smooth.

CENTERS IN--followed with a cast off. The lead dancers should spread apart slightly, extending their inside hands, palm down, to their sides, fingers pointing toward each other, fingers closed. The trailing dancer can come in and take their hand.

ALLEMANDE THAR--In a normal thar with the men on the inside, the man must take very short steps or the girls will be racing to keep up. Again, the grip is a forearm grip as mentioned above.

SIZE OF SQUARE--The size of the square is important to smooth dancing. Keeping the square from expanding is the responsibility of all eight dancers. - Maintaining contact with adjacent dancers and connecting formations will be a great help in keeping the square from "growing". Contact is very important to today's position oriented dancing. We must learn to touch hands with the adjacent dancers, always. We should maintain hand contact especially with the dancer considered to be our partner.

BLOOD DONORS ARE QUIET HEROES

BLOOD BANK REPORT--Our blood bank is starting the New Year with a total of 68 units credited to our account. This is a very notable accomplishment considering that our bank is only two years old. However, during these two years our Association membership has grown to over 2,000 and we need to increase our blood bank credits to adequately protect our members. Therefore, we need the help of every Square and Round Dance Club in our area to publicize this need. Please do your best to promote our blood bank program to make our slogan mean what it says.

SMOOTHABILITY (continued from page 2)

SHORTCUTTING--Two of the most flagrant violations of the rules are the turn under on a ladies chain instead of a courtesy turn and the "back up" or "do nothing" promenade. A courtesy turn is part of a ladies chain, a turn under is not. If we are going to shortcut this call then why not do a partner trade instead of a courtesy turn or a right and left thru? Why bother to do a left allemande at all? We all know what it does and we always come back to our partner. A promenade is still a dancing call and was never taught as a back-up if you were just a little past home station. We do not stand still on a do sa do as we sometimes do when a promenade is called. I know many dancers say they are conserving energy when they do not promenade. We could also conserve energy by sitting out on the sidelines.

It is difficult to break old habits and it is difficult for us to remember all of these things. Just as in beginner class, we did not learn thirty basics in one night but learned them one at a time and practiced them until they became automatic. Let us take one technique at a time and concentrate on it every time we dance until it becomes automatic. Then, go on to the next and before long we will be dancing more smoothly, enjoying dancing more and will be more enjoyable to dance with.

ED. NOTE--Ron Schneider has been calling for twenty-nine years. He has traveled to call in most areas of the country and Canada. He has taught beginning classes. He is deeply involved in the square dance activity and has as a goal to establish "smoothability" in his dancers. We are grateful to Ron for taking time from his busy schedule to share his views with us. We should appreciate the same kind of input from others knowledgeable in the field.

Our sincere sympathy to Belle Krueger and family in the loss of her brother.

By Hugh and Jean Fultz*

The exact origin of the West Coast Square and Round Dancers Association is shrouded in antiquity but as near as can be determined it appeared about 1956. Membership has been on an individual basis since 1970 and at the end of 1978 stood at 2,180 making it the largest Association in Florida. The following 14 presidents have been: Hink Smith, Matt Bryan, Walter Stoltz, Mori Sogolow, Warren Hyland, Barney Weatherford, Ron Van Valkenburg, Ben Hamilton, Tom Caviness, Ernie Powell, John Zellner, Ken Ford, Hugh Fultz, and George Burcham.

The area served by the West Coast Association encompasses 13 counties on the West Coast of Florida from Hernando County in the North to Collier County in the South. The counties to the East are Polk, Highlands, Glades and Hardy. About 100 clubs dance in this area.

In 1965 the West Coast Association was host to its first convention under the capable chairmanship of Mori Sogolow. In 1969 and 1976, Walter Stoltz chaired the convention. Ron Van Valkenburg was chairman in 1973. Each of these events has been bigger and better under the guidance of the Florida Federation.

The main purpose of the Association is to keep the dancers informed of events and happenings in the Square and Round Dance picture on the West Coast of Florida. This is accomplished through the publication of The West Coast Dancer, a monthly magazine devoted to club news, feature items of interest, and a complete schedule of open dances in the area. The Dancer was started in 1968 by Mori Sogolow and has had seven editors. These editors have been: Chuck Gernheuser, Bill Shellman, Ron & Mary Lee Van Valkenburg, Al & Isabelle Ratliff, John & Susie Petrauskas, Carolyn Mercer, and Virginia Haller. The present press runs average 3,250 copies per month. This magazine is supported by the dues of the Association members and is distributed free throughout our area.

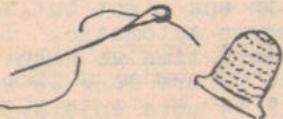

West Coast Willie is the Association mascot. Since he came into being at the Knothead Konvention in September of 1976, he has visited 150 clubs and functions. He was engaged to Central Florida Millie at the Pirates Ball in Orlando in 1978 and they were joined in matrimony at the Fall Fun Fest that same year.

One of the most worthwhile projects of the Association is the Flood Bank. It was started by John and Susie Petrauskas in 1976 and now has 70 units on deposit. All members and their dependent children are eligible after they have been members for 30 days.

TAW'S TALK

One of the most important steps in sewing takes place at the ironing board. A trick used by famous designers is to use a 1 in. pad on the board. You can then press almost any material without seam ridges or dart ridges showing.

When sewing slippery materials pin a towel over the end of the sewing machine and it prevents the sliding. When making a garment, keep darts lying in the correct direction, seams open and creases in by laying a piece of waxed paper on the garment and then pressing with warm iron (no steam). Experiment on scraps before trying this on sheers, chiffons or knits.

AZALEA SQUARES hope 1979 is a banner year for all square dancers. We are in full swing these days, but it may be that we just coast along. A brand new year should inspire us to look ahead to better dancing -- to do more smoothly what we already know, and to exert sufficient effort to learn new figures in all positions. For the greatest pleasure we need to know calls so well we do them automatically and spontaneously. So let's all "do better" as well as have fun!
"Red" and Al Smith

BRANDON SQUARES had a super Christmas dance with decorations by the Dinnises and the Zieglers. Sanlan stole our banner. We're looking forward to our Anniversary Dance February 9 with Dale Eddy calling, and our regular dance on the 23rd with Chuck Kessler calling. See you there!
Don and Marlene Zahn

BUTTONS AND BOWS of Englewood have elected their 1979 officers as follows: Carl Hansen, President; George Naylor, Vice President; Ruth Drury, Secretary; Lillian Hansen, Treasurer. Join us for happy Saturday night dancing!

Ruth Drury

BUTTONS AND BOWS of Mulberry welcomed in the New Year with our big annual dance at the Lakeland Civic Center. Now we're hoping to see a lot of you at our February dances in Mulberry. It was really great to have Art Springer back for our Christmas dance. As usual, our club took gifts to the County Home in Bartow. Workshop with Chuck Dillenbeck began the 3rd Friday night in January -- dancers are invited to come work on Mainstream +1 & +2. Help us have even better dances in '79!

Mary & Alton Steele

CAPE CORAL SQUARES of Cape Coral installed officers and directors for 1979 as follows: President Sig and Jane Osmielowski; Vice President, Ted and Grace Hedden; Assistant Vice President, Innes and Euvon Taylor; Secretary-Treasurer, Benny and Jessie Crossno; Board members, in addition to the above officers, Otto and Claire Muller, Carle and Polly Spriesterbach, Florence Sullivan, Web and Kay Webster, and also Paul Sittler and Lillian West, retiring president. The members are looking forward to another banner year in 1979.

Edith T. Juhel

CHARLOTTE PROMENADERS are enthusiastically anticipating their fourth annual Sweetheart Ball on February 3. It will be held in the gym of the Port Charlotte Junior High School; dancers must wear soft soles. PDR will be at 7 P.M. with Hal Neitzel and the grand march will be at 7:30 with the very popular Ron Libby, caller. On Thursday nights at Peace River School we'll have "tops" in callers too. Come and join in the fun.

Helen R. King

CRYSTAL TWIRLERS of Crystal River will dance with a live band, the Kuntry Kuzins, February 18 2 to 5 P.M. with Jack Hatfield calling, at St. Benedict's Catholic Church, Hwy.19 at Ozello Road.
Mamie & Marvin Almand

DADE CITY SQUARE HOPPERS joined many other dancers to help the Hillbillies of Zephyrhills celebrate the grand opening of "Dancers Paradise" at Ron & Edna Bahr's mobile home park. Some were fortunate enough to win one of the many door prizes too. The decorations were lovely. Don't know where Kitty gets all those ideas. Happy dancing.

Bev & Jack Whitney

DIAMOND SQUARES of Dunedin are proud and happy to announce that 14 of our dancers are angels for the Channel Markers, our blind friends who love to do si do as much as the rest of us. It doesn't take sight to have happy hearts and dancing feet. It doesn't help though, to have bags on your feet or string winding around you, as we found out at our badge dance January 7. However, no strings attached February 18 at our Valentine dance. Bring your sweetheart and join us.

C. J. & Myrt Riley

CLUB NEWS

DIXIE LOOPERS of New Port Richey had a Christmas party that meant a good time for all. Jamie Jamison is still trying to figure out how a can of hair spray found its way into the box of gifts for men. We will celebrate Valentine Day with a party at our February 13 dance. Please feel welcome to join us at our dances each Tuesday, or at one of our party dances. We enjoy rounds by the Walthers and squares by Joe Prystupa and Doc Gray. Hope to see you soon.

Ginny Burke

GANDY DANCERS of Tampa are dancing with enthusiasm unlimited. Welcome to our latest new members: Ralph & Millie Sparks, Paul & Fran Mobley, William & Alyce Rowell, Bob & Dot Mathis and Bill Guy. Remember, Tampa has a special Gasparilla holiday February 12; therefore, no dance. We will be expecting you and your sweetie for goodies the following week. Chuck Kessler calls an excellent pre-dance workshop weekly to which all are welcome. Come, enjoy squaring up with us.

Bill & Nancy Sparrow

HILLBILLIES of Zephyrhills had the grand opening of their new home at Dancers Paradise Hall in Bahr's Mobile Home Park, with over 200 dancers present. Refreshments were served and door prizes were received by many of the dancers. The building is tremendous, and the Hillbillies are all very happy that Ron & Edna Bahr constructed it and made it available to them.

Alyce & Pete Huntington

KATYDIDS of Tampa have elected officers for the year - Wilbur Caudill, President and Lu Ott, Vice President. Our sincere appreciation to outgoing President, Rhea Nile, for a job well done. We are planning for our Valentine party and anticipating a good time. Many of our guests have commented on how nice it is to dance on a wood floor. Come join us at Kate Jackson Center on Wednesday evenings and enjoy dancing with us.

Eleanor Cline

KRISS KROSS CLUB of Ft. Myers have new officers who were installed at our banquet in January at the Sweden House. Congratulations to President John Ross, Vice President Lyle Cain, Secretary Claribel Gray, Treasurer Myrt Oliphant and Executive Officer Carle Spriesterback. Congratulations also to Joe & Becky Klock, our Lee County Representatives for the West Coast Association. A nice membership dance in January. We are proud of their membership in Kriss Kross Club, and wish ALL a successful year.

Bob & Ann Baker

LEFT ALLAMANDERS of St. Petersburg thank other dancing club members and guests for helping us to make our Snowbird Dance such a success. We're hoping for a repeat performance next year, and already have Charlie Lovelace booked for the rounds. Our newest resolution will be to try to keep better track of our traveling banners, along with stealing others. Join us on any or all of the first 3 Fridays at our OxBow home. A reminder - the 4th Friday has Ron Schneider.

Pat Fiyalko

OAKCREST SQUARES of Largo ---- after 7 years are no longer dancing at Oakcrest Mobile Home Park due to the fact that we didn't have enough from the park dancing and had more outsiders. Hank Schmakel is looking for a hall so we can keep our dancers together. We have names, addresses and phone numbers to call when we do find a hall. Also, watch the magazine for news of a hall.

Fran S.

RIDGE ROLLAWAYS of Sebring claim '78 the best year ever, with December no exception. The annual Christmas party proceeds and caller's fee went onto a money tree (\$200) donated to Sebring's "Meals on Wheels." The club's first attempt at a New Year's Eve bash was just that - lots of food, prizes, games and "bitty" skits - quitting only when Lefty finally got hoarse. Happy New Year to all, and when you're on The Ridge, come dance with us in '79.

Jo Bryer

W. C. Willie sez, "Happiness may be thought, sought or caught--but never bought."

SANLAN SQUARES of Lakeland enjoyed their party the day after Christmas with a hall full of enthusiastic dancers including visitors from several of the northern states. The class on Tuesday afternoons is progressing just fine under the instruction of our caller Bob Barnes. Thanks to the angels that are so faithful to help each week. We hope our members who are ill will soon be back with us. Congratulations to all those celebrating birthdays and anniversaries.

Mary Jo McHenry

SHOOTIN' STARS are ready for another good year, following our gala New Year's Eve dinner-dance featuring great food, thanks to the Kowalskis, great skits, thanks to Harry Stelges, and special thanks to Anne & Ed Ellis who wrote a terrific club song. Don't wait too long to get your copy of our new club cook book. At only \$3.50 each they are selling fast and make a great gift. You know how well our ladies cook, so this is something special. Come dance with us.

Claire Farese

SPINNING WHEELS of Tampa hope you all enjoyed the holidays and are ready for the New Year in all respects. As in the past, we want to extend a hearty welcome to one and all. For our 9th Anniversary Dance we will have Elmer Sheffield and Marty Martin, so come dance and help us celebrate May 4. And most of all, remember: A stranger is a friend we haven't met yet. Keep smiling and keep dancing.

Joyce Todd

SQUARE 'EM UP SAMS of Ft. Myers monthly campout was held December 15-17 at Alligator Park. The following officers were elected and installed: President Iola King; Vice President Leroy Corcoran; Secretary Libby Ekiss; Treasurer Frank Knize. We wish them a very successful regime. A half hour of rounds was added to our regular dance schedule for the pleasure of the increasing number of our members enjoying them. Following the after party and skits, and continental breakfast next morning, we broke camp and look forward to a new year of dancing and fun.

Dottie Fry

SUN COUNTRY SWINGERS of New Port Richey...While we are making our New Year resolutions, let us remember the new dancer. For without friendliness, a welcome into your square and club, an encouraging work, they may turn away from square dancing. We need new dancers and should share with them the fun and pleasure to be found in this wonderful pastime. Join us for a night of fun at Pointe West. Workshop Thursday afternoon at the Elks Hall in N.P.R. Have a healthy, happy and dancing New Year!

Dottie Merrill

SUNSHINE SHUFFLERS of Naples elected officers for 1979: Pres. Bill & Rosemary Joseph (261-8247); Vice Pres. Howard & Felicia Warne (394-3973); Treas. Charles Wolfe (262-1397); Secy. Georgette Atkins (992-0610). Anniversary dance, honoring past presidents, was in January. Sweetheart Ball February 10 with Johnny Walter, and early rounds at 7:30 with Peg Mulroy. Dance every Saturday night at Naples High School and have fun with us. Happy dancing.

Rosemary Joseph

SWINGERS of Ft. Myers have been swinging for many years and have always had an article in the West Coast Magazine. I don't know what happened in January. Sorry! I sent it in. We are still dancing every Saturday night at the Teen Club with Harold Sauls calling. He has workshop from 7:15 to 7:45 before our club dance. Please come dance with us. We have lots of fun and good dancing. A belated Happy New Year to all!

P.S. Come on out to Orange Harbor Monday nites. Class 6:00, Club 8:00, Caller Harold Sauls.

Irene McKown

EDITOR'S NOTE: It is mandatory that we adhere to our 10th of the month deadline. Swinger news for the January issue arrived December 15.

W. C. Willie sez, "Men do not make history; rather it is history that makes men."

TEACUPPERS of Odessa are busy with the class which is doing well and attending Freshman Frolic. Tuesday night club night is learning moves that are interesting. The New Year's Eve dance was a big success and the food was outstanding. If you're not busy on Tuesday nights you all come and dance.

Granny

TRAVELERS TWIRLERS of Dade City are pleased to announce the appointment of Dale Eddy and wife Maxine of Marietta, Ohio as a resident square dance caller of our winter home. Workshops and dances have been scheduled covering all levels, with new classes **having started** January 2. Each week finds more of our friends with us. Come join us at our lovely Busch Hall.

WELCOME SQUARES of Holiday Lake Estates have had good attendance at our dances by both our regular dancers and out of state visitors. All our callers do a super job to make our Friday dances enjoyable. Our Committee welcomes Alex Iannucci as our new Chairman, along with Ethel who will assist him. Much thanks and appreciation to Val Faller and Mary for all their time and effort which they have given with all their hearts for the love of square dancing.

Marion Ridings & Committee

CALLERLAB

The following abbreviations are recommended by CALLERLAB as a means of further identifying the appropriate dance level. Please note that all abbreviations are cumulative; that is, each two letter abbreviation includes the calls of the levels preceding it. Many clubs will not need levels other than MS or QS. CALLERLAB does not mean to imply any pressure to encourage dancers to try a level beyond where they are comfortable. Clearly, the Plus Programs, Advanced Dancing and Challenge Dancing are not designed for all dancers. The abbreviations will enable a dancer to know what calls he (or she) can expect to hear and will suggest whether a dancer should attend a particular dance or not. Not all clubs choose to label their dances - that is fine. However, when a dance is labeled, please use these abbreviations in the interest of standardization.

- | | | |
|----|---|--|
| B | Basic Program | CALLERLAB Programs Calls 1-38. |
| EB | Extended Basic Program | CALLERLAB Programs Calls 1-54. |
| MS | Mainstream Program | CALLERLAB Programs Calls 1-69. |
| QS | Quarterly Selections | Those figures selected by CALLERLAB on a quarterly basis |
| +1 | Plus I Program | CALLERLAB Plus I (12 Calls) including MS & QS. |
| +2 | Plus II Program | CALLERLAB PLUS II (12 Calls) including MS, QS, +1. |
| A1 | Advanced Dancing Part One | The first part of the Advanced Dancing's Basic Calls. |
| A2 | Advanced Dancing Part Two | The second part of Advanced Dancing's Basic Calls. |
| C1 | Challenge Dancing's Basic Calls. | |
| C2 | Extended Challenge Dancing's Basic Calls. | |

When contracting with caller, please insure a clear understanding of what "Level" you expect so that the caller can properly program the dance for you.
