REGIMERS SQUARES
PRESIDENT'S MESSAGE

November 30th West Coast Dance--It was great! The turnout was wonderful. You dancers never fail to help a worthy cause! You are to be congratulated! Bobby Keefe of Jacksonville called a fine dance and he will be back March 29th for a repeat performance. Let's fill the hall next time. 30 squares.

Frank Bedell will call the May 31st dance. Remember the money pays for the continued success of the West Coast Dancer (Magazine).

Please send us your news items, both personal and club news. Remember if we are not told what's going on, or what your plans are; how can we print them? Keep sending in your club dance schedules each month.

I heard that this years state convention will be the biggest one this state has ever held. The goal is 400 squares dancing at once on one floor. How about that? Support your clubs. Have fun. That's what square dancing's all about.

Morris Sogolow

COMING SPECIAL EVENTS

ODDS & ENDS

T A B L E T A K

While in Vancouver, B. C. last July, Jarry & Hilda Garnett naturally attended a dance. A couple came in with a Banner they had picked up at a dance in Edmonton, Alberta. The Dots & Dashes Club of Calgary, Alberta, had started a friendship banner in October of '67. It was given to the couple at the club dance who had come the farthest. They in turn were to put their club emblem on it and give it to the couple at their club who came the farthest, etc. This banner was about four feet by twelve feet. The Garnett's brought it down for it's first trip to the States. The 2 x 4's were lucky enough to get their emblem on the banner. From Clearwater the banner went to a club at San Jose, Calif. We're sure Calgary will be very proud of this banner when it is returned.

We wish to take this opportunity on behalf of the staff of the West Coast Dancer, all the clubs in the area and all the dancers in the area to thank Chuck Gernheuser for his efforts in getting our publication off to a flying start. We were very fortunate in having the benefit of his experience in the publication area.

As we mentioned in this column before, we feel fortunate to be in an area where there are so many talented callers available. We also feel that we are fortunate to be able to dance with couples from all over the United States. Since the last issue, we have danced with couples from Illinois, Rhode Island, New York, Minnesota, and W. Virginia. For the record--we have heard some very favorable comments from these visitors regarding the excellent caliber of the square dancing in this area.

No caller works harder than Fred Christopher to teach new figures. Thanks to Chris this past month we have done the following: Change the Wave, Change the Web, Wheel and Divide, Explode the Line, Triple Curley Cross, Regular Curley Cross, Trade the Top, Slip the Top and Roll the Clover.

Remember to keep smiling and don't forget that there are no high level dancers, just high level listeners!
