## FROM THE EDITOR'S DESK

Have you bought your ticket to the West Coast Association Dance on July 31 at Clearwater Auditorium? We have. Remember this is for the magazine that you don't want to miss. Even if you are not going to be in town, buy a ticket because you are here most of the other months to read the magazine. Remember our callers JIM TAYLOR, FRED CHRISTOPHER AND CLIFF HENDRICKS ARE DONATING THEIR TIME AND TALENTS AS ARE THE ROUND DANCE LEADERS, CHARLIE LOVELACE, MARTY MARTIN, LORRAINE HENDRICKS AND ED MACK, TO MAKE THIS A GOOD DANCE FOR YOU. Hope to see everyone at the dance.

We wish once again to thank Lorraine Hendricks for coming to our aid on the May 29th West Coast Dance. Marty Martin's sister passed away and he was unable to make the dance. We extend deepest sympathy to Marty and Byrdie Martin.

This month we have a past president's message from Mori Sogolow who is also past president of the Florida Federation of Square Dancers. This is a real important message, so be sure to read it. We have already needed the blood from our blood bank which has been pledged but never reached the blood bank. Paul Igo was in need of it and several people jumped up and gladly donated, but we need to have this blood on hand at all times. We hope by the time this is printed, Paul will be home well and healthy.

Now for a tip on sewing. In the recent issue we printed instructions on how to make Stretch Pettipants. Only put the elastic thread on the bobbin because it is ever so hard to thread through the needle and then it don't work well at all. Probably every one knows this but me, but if not use it only on the bobbin and regular thread on the top. Louise Lucas helped me figure out what I was doing wrong and we decided that maybe some one else might have the same trouble. Thanks, Louise, it sure does work better doing it the right way.

There are several of you out there we haven't heard from in a long time. Do write us, as we love to get mail and also you are advertising your dance so that others will come visit you. It's free, so send us something by the 10th of July for the August issue.

There will be a West Coast Association Meeting, August 8th, from 2 to 5 p.m., at North Boulevard Center for election of officers. Free dance when wearing West Coast Association badges.

Ron & Mary Lee Van Valkenburg, Editors

FROM THE EDITOR'S DESK  
PAST PRESIDENT'S MESSAGE

With the 16th Annual State Square Dance Convention history, let me bring you up to date on West Coast Blood Bank. Since its founding the blood bank has given away nice (9) pints of blood. This all happened this year. Nine (9) pints doesn't sound like much but it still took nine (9) wonderful, unselfish people to give them. The bank needs blood now. Won't you give a pint of blood. You'll never regret it. Just go to any blood bank and tell them it's for the West Coast Square Dance Blood Bank and it will be credited.

Thank you all.

Mori Sogolow

ROUND DANCE NEWS

The TAMAMI STEPPERS started this week with a "Bang!" We had a holiday dance on Sunday with Pie and Ice Cream for refreshments, and our members sure know how to make Pie. We have been preparing for our "Big Event", our First Anniversary Party, held Wednesday, June 2. From 13 charter members we have progressed to 75, thanks to the teaching of Earle and Lee Kastner. We had 43 members present at the party, in spite of the absence of our "Snowbirds," and with the co-operation of all present our party was really something! Otto and Minnie Goeldner provided the decorations for the main table, a green not cloth with a border of Pink Flamingos and dancing couples, a centerpiece of candles and a bouquet of hand-made flowers. Otto's main contribution was a large round replica of our badges, hung behind the table. The anniversary cake--with a dancing couple in the center--was the work of Sam Wicks. Year books were presented to all members and a fun diploma given to those who had conscientiously attended the dances during the year. We now have identical outfits and will be wearing them on special occasions.

NOTE:

Treva Pahuski, of the Tamiami Steppers, wrote us a line or two saying how about giving us and the Kastner's a little publicity and boost in your next issue. These people are really giving of their best, and are so enthusiastic they imbue all of us with the same "get-up-and-go!" We attend all the square dances in this area that we can find time for, and the Kastner's cue at a good many, so we get in a lot of rounds which we would not be able to manage if it were not for their wonderful teaching.

Unfortunately Ron and I don't get to visit down in our southern most section of the West Coast Association as much as we would like, but we have met the Kastners, Lee and Earle and found them to be fine energetic people who are doing a fine job in the Ft. Myers area. We believe Treva Pahuski has done a fine job of expressing how the people who dance regularly with the Kastners feel.

CLUB NEWS

LEFT ALLAMANDERS-Thanks to Bob Frye for a fun dance on May 21st. We always have a fun dance when he calls for us! We are up to our ears getting ready for our anniversary dance again this year, on September 24th. Keep this date in mind, and watch for our flyers. Many thanks to Judy & Neil McCall for having the Club in their home for a club picnic. We sure had a good time, with swimming in their pool, boat riding and water skiing. Mike Maxfield made quite a splash with the water skis, and from where we stood it was UNDER the skis! We had a real fine feed for all, pot luck style, and really enjoyed the day. Come dance with us any Friday night; we are always glad to see you.

NSDCA CAMP-O-REE-"keep Cool" will be the theme for the Sunshine State Chapter 018, NSDCA Camp-O-Ree July 16-18, at Royal Park Campground, Riverview with Dick Bishop as caller. Anyone owning an ice cream freezer please bring it. The club will buy the ingredients for the ice cream. A baseball game will be under the direction of the Hornbuckles on Saturday at 11 a.m. if anyone has the energy to hit the ball. Over forty units attended the May "Swing Into Spring" campout at Palmetto. Jack Harris called for the Friday night dance and Saturday afternoon workshop, with Dick Bishop at the helm on Saturday night. Flower bedecked hats were the mode of the evening with prizes going to the most elaborately adorned ones. The judges had a hard time picking winners from the many, many original designs. Seven new couples joined the Chapter at this camp-out. A square will represent us at the National NSDCA at Monroe, Michigan in July and have taken our banner to be displayed. Square dance campers are always welcome at these campouts, so when you join us for a weekend of fellowship and fun!

YELL-O-ROCKERS-we want to thank all those who came out for our Callers Appreciation Dance honoring Skeeter Chauvin and Jack Harris, who shared the calling. It was a fun dance with twelve squares trying to keep up to the "hot" "hot" patter calls and latest singing records. The hall was comfortable for dancing and the refreshment tables were lively with greens and flowers from Presidents Lucas' garden. The 4th Annual Mid-Summer Dance with Manny Amor will be July 15th and plans will be made at the Club's July Business Meeting for this outstanding fun night. Rounds as usual by Marty Martin. You all are invited! Mark your calendars for October 29th when we will have Bob Bennett call for our 4th Annual Halloween Costume Party and plan to attend.

RICHEY SQUARES-We have discontinued dancing for the summer months. We want to thank everyone for coming and dancing with us this past season and hope to see you all again when we start in the fall.

CHASCO TWIRLERS-We are dancing every Friday night at the Shuffleboard Club in New Port Richey with Fred Christopher doing the calling. Rounds from 7 to 8 p.m. with the squares starting at 8 p.m. Hope to see you all on Friday nights..

FRIENDSHIP SQUARES-Now looka here--square dancing keeps us young, just look at Peg and Lou Schneider from Crest Ridge Gardens, who on July 2nd will celebrate their Golden Wedding Anniversary. We extend a warm welcome to all to dance with us in a lovely air-conditioned hall at Garden Club, Ft. Harrison, Clearwater, during June, July and August. Fred Christopher, Bob Rust, have been doing a great job. Spin Chain and Circulate with different clubs, it's interesting. Don't forget WEST COAST SUMMER JAMBOREE on July 31st at the Clearwater Auditorium.

LAKE SEMINOLE RESORT NORTH-We are proud to announce that illustrious Ed Mack is now cueing our rounds at Lake Seminole every Wednesday night. There's never a dull moment with Witty Ed around, and we've been having a ball! Everyone enjoys having Ed's wife Kay drop in occasionally to help Ed teach a new round. Our thanks to Edna Leiner for the outstanding job she did in the past as our round dance instructor. Love that gal! We are also looking forward to dancing in our beautiful air-conditioned hall this summer to Art's peppy patter and excellent singing calls. We were so sorry that our Tuesday night round dance instructor, Fred Leach was hospitalized with an erratic heart condition. By the time you read this thought, Fred will probably be back on our stage again doing a marvelous job. Hope those who attended the conventions had a grand time and have gotten rid of the blisters which they enjoyed acquiring there.

STRAWBERRY STROLLERS-By the time you read this, the conventions will be over but not forgotten. The McEwens and Wallers were going to the National and others of us were heading for the State Convention. Our thanks to all the area dancers who helped make our Frontier Dance with Bill Ford a big success. One of the highlights of the evening was a "horse race" between Bill and R/D caller Marty" Martin. As usual, our dancers have been visiting other dances with Leon & Olive Shepherd heading the list. A square went to Brandon to retrieve our caller from the Tanglefoots; some of us made it to both the Yell-O-Rockers Dance on May 28th and the West Coast Dance on the 29th where Treasurers, Gordon and Dorothy Carter were waiting to take our renewals. We square dance campers went to the Winterset Camp-O-Ree in May--Donie McEwen hopes to get back to dancing soon following a fall there. She stayed busy with her new job (shared with Benton) of Secretary/Treasurer of the Sunshine State Chapter NSDCA.

CLUB NEWS

BRANDON TANGLEFOOTS-A group of Tanglefoots went to Zephyrhills Yell-O-Rockers to retrieve their banner. Of course we enjoyed the dance and food, as always including our callers, Skeeter and Jack Harris. We enjoyed the Strawberry Strollers Frontier Dance in May and a group went to the Spinning Wheels on their regular Friday dance. A very enjoyable evening was spent at Branch Ranch, the Tanglefoots were the guests of the Kiwanis Club. A delicious dinner was served and afterwards the Tanglefoots danced a couple of tips, then included all the Kiwanis members that would care to join with us in square dancing, all in all we had a lot of fun. We want to thank the Kiwanis Club for letting us come and hope we interested a few of Kiwanis members in square dancing. Our class members have been coming to our regular dances and can hardly wait to become Tanglefoots. We are also looking forward to new members and welcome them very much. Wayne and Frances Morris are really in the swing of things by having a new beautiful camper trailer and have been really on the go to the Camp-O-Rees and just plain getting out away from all the hustle and bussel of everyday living. A certain Tanglefoots got a new swimming pool and invited several Tanglefoot ladies for a swim in. Refreshments were served and we have been counting our calories ever since. Don't forget our annual picnic on August 15th and also our special dance with Danny Robinson in October. Birthday wishes this month go out to Had Banfield, Rust and Eunice Lusk and Ernestine Stephens. Happy Anniversary to Ken and Ernestine Stephens on July 6th.

BAY AREA TWIRLERS-North Boulevard was really bouncing the other night with Jack Harris calling and Emma Jean Parker on the rounds. Jack will be the Twirlers regular caller for both the 2nd and 4th Saturday nights beginning in August. Coming in July will be our Annual Luau with James Maxey from Jacksonville doing the calling. So mark your calendars for July 24 for the Luau which will feature Hawaiian atmosphere and good eats. Our June meeting was held at Johnny Leverrock's where we dined and took care of our business meeting all at the same time. July's meeting will be held at a restaurant which will be announced later. Bertha Local had surgery on her knee of which we hope she will be up and around by the time she reads this. Marilyn Griffin, the pretty half of our president, spilled grease on her legs and was burned quite badly, but was dancing again already. Nella Cole has ended her school days by retiring after 25 years. Nella and Elton plan to do some traveling now. The Twirlers were represented at the National by Larry & Lillian Wright and Pat & Art Fuxan. Come join us at North B Boulevard.

Cross Squares are having a wonderful time, dancing in the beautiful air-conditioned auditorium at Seven Lakes. Y'all come and join in the fun. We have top callers each week and our hostess serve lots of goodies. In fact we have a party every week. The Swingers on Saturday nights are getting famous for their four and three callers. Jack and Grace Livingston visited us the Saturday making it a four caller night, so everyone got their purple hearts that night. The Livingstons are planning on making their home in this area this fall. Excitement! excitement! Everyone is excited about the state and national conventions. Art Hacking has a nice group of dancers "The Caloose Squares" on Tuesday nights at the Sportsman Club in Cape Coral. Drop over sometime. Some of the Caloose Squares visited the Lehigh Swingers Wednesday night. Visiting this way keeps square dancing going through the summer when so many are going away. Thanks for coming. Alene Foreman has crowds and her crowds grow each week. She's doing a great job. See you next month.

MILDRED COLLET: Everyone enjoys a tip that has been completed without breaking and standing. To this end we have queried many callers as to how they can help us help ourselves.

Roger Chapman: "Position-every dancer must know where they belong, where  $\frac{1}{2}$  and  $\frac{1}{4}$  is and how to get there."

Louis Calhoun: "Listening-if everyone would quit talking, tune out everything but the callers voice and the music, more squares would finish well."

Art Springer: "Position and Timing-keep on the beat of the music, check and remember your place in the square."

Tex Brownlee: "Co-operation-this means listening to the caller, keeping the beat he sets."

Beuce Williams: "Position-starts with your first basic and continues through the most advanced call and figures."

Mr. Christopher: "Listening is a must, to be able to do the simplest or most advanced movement."

Colin Walton: "Concentration-if everyone is listening to the caller and concentrating on his voice with the music, there would be few broken squares."

To sum up all of these and over a dozen more we spoke with, it seems we must all stop talking during the time the caller is working. For a fact we have found ourselves tempted to chat during a proenade and have missed a call. Our callers all work very hard to perfect the choreography so that we may have a smooth dance, let us all enjoy their help by co-operating in the way they ask,
