# President's Message

1

Summertime is here and this will be our last magazine until the September issue. When you receive this, we should have been to our State Convention at Lakeland and planning for the National Convention in Birmingham. We hope we see many of you at these events.

We strongly urge you to support your various clubs during the summer months as this is traditionally a slower time for attendance in Florida. There were several new classes graduated in April and May and these new dancers need all our support, especially in the early going. We attended several of the graduating classes as well as a "Freshman Frolic" dance and the new grads are very enthusiastic.

Our membership dances continue to be very well attended. We had a good crowd at North Boulevard on March 30th. We thank Sharon Short and Karl Curewitz for their excellent calling and cueing for this dance. The crowd at Foxwood Estates was outstanding and we owe a vote of thanks to Al Savary and Jim Runnels for a very good dance. Al and Nonie Savary celebrated their 33rd wedding anniversary with us.

Our membership is growing rather well. We got very good response thus far to our mail-out reminders. There is still a lot of dancers in our area who are not members and this presents a challenge to all of us to "sign them up".

We wish you all the best of good health, fun, great vacations and happy dancing these summer months. We will be publishing our September issue in late August in time for "Knothead".

It is not too early to make your plans for our spectacular "Fall Fun Festival" on November 8th and 9th, 1985 at Lakeland, Fla.. Gerald and Dolores Ault are the Chairman and need our support.

Sincerely yours in friendship and happy dancing,

*Essary and Joyce*

**NSDCA-Limonaders-Lakeland:** On April 19th and 20th we had our Camporee and dance, at Hidden Valley R.V. Resort, south of Riverview and south of Tampa. There were 45 Rigs on Saturday night. Thanks again to the Ozgas for trying to make all the campers happy. It was warm dancing but the fans did help. It is said that they will, eventually have air conditioning. ?. Our next Camporee will be August 16 and 17th at Clerbrook R.V. Resort, just six miles North of Clermont at the confluence of US 19 and US 27. Look for you. The Peardons.

**BUTTONS AND BOWS-Mulberry-Lakeland:** For the square dancer who is also a "History Buff" take a trip with the Special Event Group of the Buttons and Bows. In April they made a trip to Ybor City (Tampa) where plenty of history abounds. The Alberts were the official guides, now all know everything there is to know about fabled Ybor City. All had a good time and if you want to have a good time dancing, dance with us, 2nd and 4th Saturday, all year. June the Callers will be Chuck Leamon and Dave Wilson. Do not forget our Anniversary Dance on June 22nd. Again we dance all summer and will look for you there. Cris and Trudie Nissen

**THE SWINGERS-Ft Myers:** We will be dancing all Summer after having a short vacation in June when our caller returns. He will be combining his class with a workshop before the club dance. It is a good time for all to catch up before our Fall Season. Have a Good Summer everyone. Vacations are great! and dancing is fun where ever you go!

Irene Mckown

As this issue will be for June, July and August, this part will be short. Thanks to the dancers who spot these little but important inaccuracies in the Dance Calendar. We do try to keep it correct, however during the summer months some clubs, workshope and callers do plan on dancing, however, due to, as they say, the economics, might have to cancell or do change the time and even the location. So, if in doubt, CEGO(Call Before Going Out). Any West Coast officer (numbers are in the Dancer) will be glad to help out and that Yellow brochure "Square-Up" which is put out by the Florida Federation of Square Dancers will give contacts of square dancers who know everything there is to know (about square dancing) in their area.

Did you know that there are almost as many Florida dancers going to the National Convention in Birmingham, Alabama as dancers from Alabama. So to those who are going you will probably have many reunions. If you do wish to see them again make a date and dance at the Florida after party which will be on Friday night, else you might not see them again. If you go and take in some of the seminar you might see some familiar faces, the Vetter, Sogolows and the Fultzs. Thses are most interesting and does give one a chance to rest. D'ont forget to visit the Florida Showcase and visit a while and it is a good place to leave messages. Of course visit the other states as well. In the Parade of States, usually on Saturday night there will be a lot of Florida State outfits. Seems more and more of them and at our last two membership dances our first lady(Joyce Johnson) was very busy giving out the information on the State Dress and Shirt. Well have a Happy Dancing summer and travel safe and will see you around the square somewhere.

Cris and Trudie Nissen

THE END OF THE SEASON IS HERE AND WE ARE ALL LOOKING FORWARD TO A VACATION SOME WHERE. DANCING WILL BE CURTAILED A BIT IN FLORIDA BUT IT WILL START IN MANY PLACES AROUND THE COUNTRY. I WILL HAVE A COUPLE OF MONTHS TO THINK OVER OUR NEXT SEASON, AND I HAVE ACQUIRED SOME NEW EQUIPMENT AND HOPE TO DO A BETTER JOB NEXT YEAR. AGAIN THANKS TO ALL WHO MADE THIS MAGAZINE POSSIBLE. Come join us real soon. Helen & Wilkes Gibson

### TO THE NEW GRADUATE

The West Coast Association congratulates the new dancer on their completion of several months of bewilderment and some frustrations. Hopefully during this time you also had some fun, met a bunch of new friends and all in all enjoyed yourselves.

Some of you may now be wandering what happens after? Basically you need floor time on the figures you have been taught. It takes awhile before you feel comfortable with them and when you do your response to a call will be almost automatic.

Your Association in an effort to aid you in finding these dances have listed below a number of places where we have been assured you will be welcome and feel reasonably comfortable. Some places could not be contacted for listing, if you are in one of these areas ask around for a MS or main stream dance. We suggest you visit dances other than your own for the floor time needed and also to greet new friends that you have not even met yet.

WE URGE CALLERS AND DANCERS TO ALLOW THE NEW DANCER THIS TIME FOR ENJOYMENT AND RELAXATION FROM LESSONS! DO NOT APPLY PRESSURES FOR THEM TO ADVANCE BY WORKSHOPS AND OTHER LESSONS!! LET THEM LOOK YOU UP WHEN THEY ARE READY!!!

Good luck and happy dancing

Chet Vetter

A concerned dancer  
for 24 years.

CITRUS WOODS-Lakeland: Our dances are now over for the summer, we will begin again in the month of October. Ken Anderson will be on Squares and "Who Knows" on Rounds. Jim and Jennie Runnels are moving to the East Coast (of Florida). They have been doing our rounds for six years plus, through the good time and the slim times and they will be missed. On May the 5th we had Bud Redmond on Squares and the Gordons (from Sun City) cueing the Rounds. As per usual it was a fun-filled relaxing Sunday afternoon dance and all had a good time. Thanks again to all the dancers who supported us during the season. Happy dancing and a safe summer. See you in October.  
The Citrus Couple.

FLORIDA-NSDCA, INC. Hope to see many of you at the State Convention in Lakeland for there are many important meetings at Room 4A (upper level). Also hope to see many of you at the International Convention in Colorado. Then at the 11th Annual Camp-o-ree in October 25, 26, 27 at Okeechobee. All Florida Chapters have ribbons for this event, so if you wish you can obtain them before travelling north. Then in July of 1986 we will be hosting the International in Sarasota. All the committees are and will be working hard to make this a success and as Ray and Jean Williams hope to have at least 800 rigs, so let us make them happy and try. As all know the Dancing will be in Air-Conditioned Halls. We will be everywhere. The Zieglers.

Because of being so new to square dancing and not being familiar with our magazine, Sharon Short, Emory and I discussed this and decided to try to put together a page especially for you new dancers. Since this issue is for June, July and August, this was hurriedly put together with help from some of the Fla. West Coast Assoc. and The Suncoast Callers Assoc. Members. We are sorry if we have overlooked anyone. We hope to make this a regular part of the magazine.

FOXWOOD SQUARES-Lakeland: There is no reward, but several dancers would like to know the person or person who request "Running Bear" square dance singing call. Bob claims someone does but he will never twll. We were informed that at some dances if the square complets this Challenge Dance they will receive a special badge. Some claim it seperates the Advance dancer from the Plus dancer.(Guess who has the most trouble. We do dance all summer and will look for you. Rounds do start at 7 p.m. unless changes.  
CDN & EEN.

"Come and dance with us" and make it a A Good Ole Summer Time Dance of Long Ago.

**SPINNING WHEELS:** Our 15th Anniversary Dance held on May 10th was quite a gala affair. Art Springer, our caller who helped organize the club, called a great dance. Charlie and Madeline Lovelace, our famous round dance cuers, made the night more memorable by performing a beautiful exhibition dance. The wives of our charter members were presented with a lovely corsage. Since we wished to show our appreciation for our guests, each received a special Spinning Wheels badge. May 17th was designated AMATEUR NIGHT, and several of our members were brave enough to share the mike with Art. It's surprising how much hidden talent we have in our club. The date of our Knothead trip has been changed to June 2nd, so those who wish to join our caravan to Titusville still have an opportunity to call Clara Kern at 626-9184 for details. Our class graduation will be held on June 3rd at Grant Park. Joining in welcoming them into our square dance world. Lil O'Haver, our hard-working President, has been dreaming up more fun-filled activities for us. On June 7th at our Ice Cream Social Dance ice cream churns will be brimming with many delicious flavors. Have you ever yellow-rocked your corner in an 18 wheeler? Well, thanks to Dave & Clara Kern who will furnish us with one for our June 21st dance. you will have an opportunity to earn an 18 wheeler badge. Our Spinoffs had a ball dancing with other teens from all over the state at the State Convention. The banner bandits enjoyed retrieving our banner from the Strawberry Stars and then confiscating the Buttons and Bows banner. Get out your brightest shirts and mums for our Luau to be held on August 16th. Since Mary Lee just returned from a trip to Hawaii, perhaps she'll teach us the hula. Ted and Ina Bolton have had to resign as club treasurers due to undertaking a new business. John and Arlene Tomlin have graciously accepted the position. Hope you all have a wonderful summer! Swinging Grandma

SARASOTA TUESDAY TRIPPERS has a Fun Dance every Tuesday at 8:00 PM at the Sarasota Mobile Home Park. It's an Open Dance for anyone who has finished the Mainstream Basics., No Plus. George Jabbusch keeps us busy by using just the Mainstream calls. We may act a little silly sometimes, but it's all for fun. All of you dancers out there who want some mainstream dancing, come on out - you're always welcome!

Edna Nelson

BAY AREA TWIRLERS - It's Luau Time and we are looking forward to a great time with friendly people. Jim Ford is caller and our own Frank DuBois, cuer. We sure were glad to have Frank feeling better. We wish Al and Gloria Mallory a safe trip back to their second home and to all our friends a happy, healthy summer full of dancing. Lillian Wright had some surgery in April and we expect her back at the dances by this time. She just doesn't let these things keep her down. Pat and Doc Grey will be on vacation, so we will be having guest callers Jim Ford and Joe Prystupa filling in. Come dance with us these hot summer nights in a real cool hall but warm friendship. We invite new dancers to visit us, both square and round.

Jack and Palmira Fernandez

"GAMBLERS" will be on vacation July and first two weeks of August but dancing will continue on Wednesday at Ox-Bow with Earl Steele at the mike. Come on out and support the summer dance program.

Marguerite Clarke of Pinellas Park was recently honored by the "Gamblers" for her 88th birthday! Do we have anyone who can top that? Marguerite is a single and does Rounds and Squares. Way to go Marguerite and many more!

PISTOLS & PETTICOATS of Largo are dancing every Thursday night. The fifth Thursday of each month will be all singing calls! April 25th we had a make your own ice cream sundae party. It was a big success, and seemed to be enjoyed by all. Pistols & Petticoats are going to be having some real different things coming up in the near future. Won't you come out and dance with a real "Fun" gang. Watch for our new dance schedule to be coming out soon. We are going to be dancing every Thursday night throughout the summer. Come join us!

Ed. Kozlowski

### Diamond Squares

Our Easter Dance must have been really enjoyed by all who attended. The Committee received so many compliments on the beautifully decorated table and the delicious food that everyone contributed. Stella took pictures of fancy hats, etc. that will go in our album. Come and share these good times with us. We're a friendly group who dance Tuesday and Sunday at Sterling Hall, Dunedin.

## FLORIDA FEDERATION OF SQUARE DANCERS BANNER STEALING GUIDELINES

**PURPOSE:** The object of banner stealing is to promote friendly visits between clubs. Do not over patronize a select few but spread your club around. If you are going to be a banner bandit, be a good one, abiding by the guidelines and make a practice of retrieving your banner before stealing someone elses. In applying these guidelines use good judgement at all times.

1. A banner may be stolen or retrieved by a minimum of one full square, displaying club badges of the club they are representing and by paying guest admission.
2. A club cannot steal a banner or retrieve it's banner when their club caller is a guest caller of the club they are visiting, nor can a caller or his partner participate as part of the banner stealing/retrieving party.
3. Recommend that not more than 3 traveling banners be available. Banners cannot be reserved. However, as a courtesy to the host club, it is highly recommended that a stealing club contact the intended host club prior to going to steal a banner. This will preclude disappointment of no banner being available. IOU's or "substitute" articles are not recommended as being permissible in lieu of the banner.
4. Banners should be available to any open dance on the host club's regular dance night and location unless advertised as a special dance.
5. Recommend that travel be limited to a maximum of 100 miles round trip unless mutual agreement is made with intended host club.
6. A banner raiding party, regardless of size, should not retrieve and steal banners at the same dance.
7. The first FULL banner stealing party to sign the host club's guest register should be awarded the traveling banner. It is recommended that not more than one banner be "stolen" per dance.
8. Banners should not be stolen from clubs whose dances are scheduled for the same night as the club dance of the stealing club.
9. A club should not steal a banner from another club more often than once every 90 days. It is discourteous for a banner to remain in limbo more than 90 days.
10. The banner stealing party should dance for at least three full square dance tips to be eligible to steal the banner.
